PROXY STATEMENT

INTRODUCTION

This Proxy Statement is being provided to the stockholders of New Century Equity Holdings Corp., a Delaware corporation (the Company, we, our or us), in connection with the solicitation of proxies by the Board of Directors for use at the 2006 Annual Meeting of Stockholders or any adjournment thereof (the Annual Meeting) to be held on June 2, 2006, at 10:00 a.m., local time, at the Company's offices located at 300 Crescent Court, Suite 1110, Dallas, Texas, or at any adjournment or postponement thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Stockholders. Properly executed proxies received in time for the Annual Meeting will be voted.

At the Annual Meeting, stockholders will be asked to act upon (i) the ratification of the appointment of Burton McCumber & Cortez, L.L.P. as our independent public accountants for fiscal 2006 and (ii) any other matter that may properly come before the Annual Meeting or any adjournment or postponement thereof. The mailing address of the Company's principal executive offices is 300 Crescent Court, Suite 1110, Dallas, Texas 75201.

The Annual Report on Form 10-K for the year ended December 31, 2005 is being furnished with this Proxy Statement and Proxy Card, which are being mailed on or about May 1, 2006 to the holders of record of Common Stock and Series A Preferred Stock on the Record Date (as defined below). The Annual Report on Form 10-K does not constitute a part of this Proxy Statement.

RECORD DATE AND VOTING SECURITIES

The securities of the Company entitled to vote at the Annual Meeting consist of shares of Common Stock, \$0.01 par value (the Common Stock), and shares of Series A Convertible Preferred Stock, \$0.01 par value (the Series A Preferred Stock). At the close of business on April 25, 2006, the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting (the Record Date), there were 34,653,104 outstanding shares of Common Stock and 4,807,692 outstanding shares of Series A Preferred Stock.

QUORUM AND VOTING REQUIREMENTS

A majority of the outstanding shares of Common Stock and Series A Preferred Stock, together, entitled to vote as of the Record Date must be present in person or represented by proxy at the Annual Meeting in order to hold the meeting and conduct business. This presence is called a quorum. Your shares will be counted as present at the Annual Meeting if you are present and

vote in person at the Annual Meeting, or if you have properly submitted a proxy card. Abstentions and broker non-votes (which are described below) will be considered to be shares present at the Annual Meeting for purposes of a quorum.

The holders of record of Common Stock (the Common Stockholders) on the Record Date will be entitled to one (1) vote per share. The holders of record of Series A Preferred Stock (the Preferred Stockholders) on the Record Date will be entitled to four (4) votes per share (which represents the number of shares of Common Stock that each share of Series A Preferred Stock is convertible into) on all matters on which the Common Stockholders are entitled to vote and one (1) vote per share on all matters on which the Preferred Stockholders are entitled to vote as a separate class.

ABSTENTIONS AND BROKER NON-VOTES

The effect of abstentions (i.e., if you or your broker marks ABSTAIN on a proxy card) and broker non-votes on the counting of votes for each proposal is described below. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner, and (2) the broker lacks discretionary authority to vote the shares. Banks and brokers cannot vote on their clients behalf on non-routine proposals. For the purpose of determining whether stockholders have approved a matter, abstentions are treated as shares present or represented and voting. Broker non-votes are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved a matter, though they are counted toward the presence of a quorum as discussed above.

REQUIRED VOTES

For the ratification of the appointment of the public accountants to be approved, the favorable vote of a majority of shares present and entitled to vote thereon is required. Abstentions count for quorum purposes and will have the same effect as a vote against the proposal to ratify the appointment of the auditors.

VOTING OF PROXIES

Stockholders whose shares are registered in their own names may vote by mailing a completed Proxy Card. To vote by mailing a Proxy Card, please complete, date and sign the accompanying Proxy Card and promptly return it in the enclosed envelope or otherwise mail it to the Company. Properly executed Proxy Cards received in time for the Annual Meeting will be voted. Stockholders are urged to specify their choices on the Proxy Card, but if no choice is specified, eligible shares will be voted FOR the ratification of the appointment of Burton McCumber & Cortez, L.L.P. as our independent public accountants. As of the date of this Proxy Statement, management of the Company knows of no other matters that are likely to be brought before the Annual Meeting. However, if any other matters should properly come before the Annual Meeting, the persons named in the enclosed Proxy Card will have discretionary authority to vote such Proxy Card in accordance with their best judgment on such matters. Any stockholder giving a proxy may revoke it at any time before the proxy is voted by giving written

notice of revocation to the Secretary of the Company, by submitting a later-dated proxy, or by attending the Annual Meeting and voting in person.

ATTENDANCE AT THE ANNUAL MEETING

If your shares are held by a bank, broker or other intermediary and you plan to attend the Annual Meeting, please send written notification to New Century Equity Holdings Corp., 300 Crescent Court, Suite 1110, Dallas, Texas 75201 and enclose evidence of your ownership (such as a letter from the bank, broker or intermediary confirming your ownership or a bank or brokerage firm account statement). The names of all those planning to attend will be placed on an admission list held at the registration desk at the entrance to the meeting.

So long as any shares of Series A Preferred Stock remain outstanding, (1) the Board of Directors shall not exceed four members, (2) the Company may not increase its authorized capitalization, and (3) the Company may not adversely affect the rights, rankings, and preferences of the Series A Preferred Stock, without the written consent of the holders of at least a majority of the shares of Series A Preferred Stock then outstanding, voting as a separate class. So long as any shares of the Series A Preferred Stock remain outstanding, the holders of shares of Series A Preferred Stock shall be entitled (1) to vote as a separate class to elect two directors to the Company's Board of Directors and to pass upon any matters that affect the rights, value, or ranking of the Series A Preferred Stock and (2) to vote on all other matters on which holders of Common Stock shall be entitled to vote, casting such number of votes in respect of such shares of Series A Preferred Stock as shall equal the largest whole number of shares of Common Stock into which such shares of Series A Preferred Stock are then convertible. The other powers, preferences, rights, qualifications and restrictions of the Series A Preferred Stock are more fully set forth in the Certificate of Designations of Series A Convertible Preferred Stock filed with the Secretary of State of the State of Delaware.

CORPORATE GOVERNANCE

Meetings and Committees of the Board of Directors

The business of the Company is managed under the direction of its Board of Directors. The Board of Directors held three special meetings and took action on two occasions by unanimous written consent during 2005. Each of the directors of the Company attended at least 75% of the aggregate of the total number of meetings of the Board of Directors (held during the period for which he has been a director) and the total number of meetings held by all committees of the Board of Directors on which he served (during the periods that he served) during 2005. Each director is expected to make reasonable efforts to attend Board Meetings, meetings of committees of which such director is a member and the Annual Meeting of Stockholders. All of the Company's directors were present at the previous Annual Meeting of Stockholders to the extent they served as directors at such time. The Board of Directors currently has an Audit Committee, a Compensation Committee and a Special Litigation Committee, but does not have a Nominating Committee. It is the intention of the Board of Directors to establish a Nominating Committee, consisting solely of independent directors.

Audit Committee

The Audit Committee is currently comprised of James Risher, who is not an employee of the Company or any of its subsidiaries. The Audit Committee is only comprised of one director although the Charter of the Audit Committee provides that at least three directors shall serve as members of the Audit Committee. The Audit Committee meets with the independent auditors and management representatives, recommends to the Board of Directors appointment of independent auditors, approves the scope of audits and other services to be performed by the independent auditors, considers whether the performance of any professional services by the auditors other than services provided in connection with the audit function could impair the independence of the auditors and reviews the results of audits and the accounting principles applied in financial reporting and financial and operational controls. The independent auditors have unrestricted access to the Audit Committee and vice versa. The Board of Directors has determined that James Risher satisfies the audit committee financial expert criteria established by the SEC. The Audit Committee held four meetings during the fiscal year ended December 31, 2005. James Risher is independent as independence is defined in Rule 4200(a)(15) of the NASD listing standards. The Board of Directors has adopted a written Charter of the Audit Committee which is attached as Appendix A to the Company's definitive proxy statement on Schedule 14A filed with the SEC on May 2, 2005.

Compensation Committee

The Compensation Committee is comprised of Jonathan Bren, who is not an employee of the Company or any of its subsidiaries. The Compensation Committee's functions include making recommendations to the Board of Directors on policies and procedures relating to compensation and employee stock and other benefit plans of key executives and approval of individual salary adjustments and stock awards. The Compensation Committee did not meet during fiscal year ended December 31, 2005.

Special Litigation Committee

On October 27, 2004, the Board of Directors formed the Special Litigation Committee consisting of Messrs. Pully, Risher and Schwarz for the purpose of investigating the claims of an alleged stockholder who claims that five former and three current directors breached their fiduciary duties to the Company. See the section entitled LEGAL PROCEEDINGS for a further description of this matter. The Special Litigation Committee held one meeting during the fiscal year ended December 31, 2005.

Code of Conduct and Ethics

The Company has adopted a code of conduct and ethics (the Code) that applies to all directors, officers and employees. The Code is reasonably designed to deter wrongdoing and promote (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, (ii) full, fair, accurate, timely and understandable disclosure in reports and documents filed with, or submitted to, the SEC and in other public communications made by the Company, (iii) compliance with applicable governmental laws, rules and regulations, (iv) the prompt internal reporting of violations of the Code to appropriate persons identified in the Code, and (v) accountability for adherence to the Code. Amendments to the Code and any grant of a waiver from a provision of the Code requiring disclosure under applicable SEC rules will be disclosed in a Form 8-K. The Code is filed as Exhibit 14.1 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

Nomination of Directors

Currently, the Board of Directors does not have a Nominating Committee and the independent directors of the Board serve such function. The Board of Directors believes it would be appropriate for the Company to have a Nominating Committee. The independent directors of the Board of Directors identify prospective candidates to serve as directors by reviewing candidates' credentials and qualifications, and interviewing prospective candidates before submitting their respective names to the Board of Directors. Each of the independent directors of the Board of Directors that serve the function of the Nominating Committee meet the criteria for being independent set forth under Section 4200(a)(15) of Nasdaq's listing standards.

The independent directors of the Board of Directors consider recommendations for director nominees from a wide variety of sources, including members of the Company's Board

of Directors, business contacts, community leaders, other third-party sources and members of management. The independent directors of the Board of Directors also consider stockholders' recommendations for director nominees that are properly received in accordance with the procedures for contacting directors described in this Proxy Statement.

The Board of Directors believes that all of its directors should have the highest personal integrity and have a record of exceptional ability and judgment. The Board of Directors also believes that its directors should ideally reflect a mix of experience and other qualifications. There is no firm requirement of minimum qualifications or skills that candidates must possess. The independent directors of the Board of Directors evaluate director candidates based on a number of qualifications, including their independence, judgment, leadership ability, expertise in the industry, experience developing and analyzing business strategies, financial literacy, risk management skills, and, for incumbent directors, his or her past performance.

The independent directors of the Board of Directors initially evaluate a prospective nominee on the basis of his or her resume and other background information that has been made available to the Board of Directors. An independent director of the Board of Directors will contact for further review and interview those candidates who the independent directors of the Board of Directors believe are qualified, who may fulfill a specific Board of Directors need and who would otherwise best make a contribution to the Board of Directors. If, after further discussions with the candidate, and other review and consideration as necessary, the independent directors of the Board of Directors believe that they have identified a qualified candidate, they will consider nominating the candidate for election as a director.

EMPLOYEE BENEFIT AND STOCK OPTION PLANS

New Century Equity Holdings Corp. 401(k) Retirement Plan

The Company maintains the New Century Equity Holdings Corp. 401(k) Retirement Plan (the "401(k) Retirement Plan"). Participation in the 401(k) Retirement Plan is offered to all employees of the Company who are 21 years of age and who have completed six months of service during which they worked at least 500 hours (collectively, the "Participants").

The 401(k) Retirement Plan is a 401(k) plan, a form of defined contribution plan, which provides that Participants may make voluntary salary deferral contributions, on a pre-tax basis, of between 1% and 15% of their base compensation in the form of voluntary payroll deductions up to a maximum amount as indexed for cost-of-living adjustments. During 2005, the Company made matching contributions equal to 100% of the first 5% of a Participant's compensation contributed as salary deferral. The Company may from time to time make additional discretionary contributions at the sole discretion of the Company's Board of Directors. The discretionary contributions, if any, are allocated to Participants accounts based on a discretionary percentage of the Participants' respective salary deferrals. During 2005, the Company made no additional discretionary contributions to the 401(k) Retirement Plan.

1996 Employee Comprehensive Stock Plan

The Company has adopted the New Century Equity Holdings Corp. 1996 Employee Comprehensive Stock Plan (the "Employee Stock Plan"). The Employee Stock Plan provides for (i) the grant of incentive stock options ("ISOs") under Section 422 of the Code, (ii) the grant of non-qualified stock options ("NQSOs") that do not qualify under Section 422 of the Code, and (iii) the award of shares of restricted stock of the Company. Under the terms of the Employee Stock Plan, 14,500,000 shares of Common Stock have been reserved for the granting of options and awards of restricted stock. At December 31, 2005, options to purchase 2,214,451 shares were outstanding under the Employee Stock Plan. If any option or award granted under the Employee Stock Plan terminates, expires or is surrendered as to any shares, new options or awards may thereafter be made covering such shares.

The Employee Stock Plan is administered by the Compensation Committee. The Employee Stock Plan grants broad authority to the Compensation Committee to grant options or

award restricted shares to full-time employees and officers of the Company and its subsidiaries (a total of two (2) eligible individuals at December 31, 2005), to determine the number of shares subject to options or awards and to provide for the appropriate periods and methods of exercise and requirements regarding the vesting of options and awards of restricted shares. The option price per share with respect to each option shall be determined by the Compensation Committee, but shall in no instance be less than the par value of the shares subject to the option. In addition, the option price for ISOs may not be less than 100% of the fair market value of the Common Stock on the date of grant. The options are issued to the employees for a term of ten years. An ISO may be granted to a participant only if such participant, at the time the option is granted, does not own stock possessing more than 10% of the total combined voting power of all classes of Common Stock of the Company or a subsidiary. The preceding restriction shall not apply if at the time the option is granted the option price is at least 110% of the fair market value of the Common Stock subject to the option and such option by its terms is not exercisable after the expiration of five years from the date of grant. The aggregate fair market value of the stock (determined at the time the option is granted) with respect to which ISOs are exercisable for the first time by a participant in any calendar year (under all plans of the Company and of any parent or subsidiary), shall not exceed \$100,000. There is no price requirement for NQSOs, other than the option price must exceed the par value of the Common Stock. The Compensation Committee may permit the option purchase price to be payable by transfer to the Company of Common Stock owned by the option holder with a fair market value at the time of exercise equal to the option purchase price.

The Employee Stock Plan permits the Compensation Committee to make awards of restricted shares of Common Stock that are subject to a designated period during which such shares of Common Stock may not be sold, assigned, transferred, pledged or otherwise encumbered, which period shall not be less than one (1) year nor more than two (2) years from the date of grant. As a condition to any award, the Compensation Committee may require an employee to pay to the Company the amount (such as the par value of such shares) required to be received by the Company in order to assure compliance with applicable state law. Any award for which such requirement is established shall automatically expire if not purchased in accordance with the Compensation Committee's requirements within 60 days after the date of grant. The Compensation Committee may, at any time, reduce the restricted period with respect to any outstanding shares of restricted stock and any retained distributions with respect thereto awarded under the Employee Stock Plan. Shares of restricted stock awarded under the Employee Stock Plan shall constitute issued and outstanding shares of Common Stock for all corporate purposes.

Each employee has the right to vote the restricted stock held by such employee, to receive and retain all cash dividends and distributions thereon and exercise all other rights, powers and privileges of a holder of Common Stock with respect to such restricted stock, subject to certain exceptions. Unless otherwise provided in the agreement relating to an award, upon the occurrence of a change of control, as defined in the Employee Stock Plan, all restrictions imposed on the employee's restricted stock and any retained distributions shall automatically terminate and lapse and the restricted period shall terminate; provided, however, that if the change of control occurs within six months of the date of grant, the restrictions and the restricted period shall terminate on the six-month anniversary of the date of grant.

1999 CommSoft Acquisition Stock Option Plan

In December 1998, in connection with the Company's acquisition of Communications Software Consultants, Inc. (CommSoft), the Company adopted the Billing Concepts Corp. 1999 CommSoft Acquisition Stock Option Plan (the CommSoft Employee Stock Plan). The CommSoft Employee Stock Plan provides for the grant of NQSOs. Under the terms of the CommSoft Employee Stock Plan, 173,153 shares of Common Stock were reserved for the granting of options. At December 31, 2005, options to purchase 1,747 shares were outstanding under the CommSoft Employee Stock Plan.

The CommSoft Employee Stock Plan is administered by the Compensation Committee. The CommSoft Employee Stock Plan granted authority to the Compensation Committee to grant options to those employees of CommSoft holding stock options to purchase shares of Class B common stock, \$0.001 par value, of CommSoft on the closing date of the Company's acquisition of all of the issued and outstanding capital stock of CommSoft under the terms of the Plan of Merger and Acquisition Agreement (the Merger Agreement). The Merger Agreement closed on December 18, 1998, at which date 88 former employees of CommSoft were eligible for grants under the CommSoft Employee Stock Plan. In addition, the Compensation Committee has the authority to determine methods of exercise. The option price per share with respect to each option was determined by a formula set forth in the Merger Agreement. The Compensation Committee may permit the option purchase price to be payable by transfer to the Company of Common Stock owned by the option holder with a fair market value at the time of exercise equal to the option purchase price.

Executive Qualified Disability Plan

The Company has adopted the New Century Equity Holdings Corp. Executive Qualified Disability Plan (the Disability Plan). The Disability Plan provides long-term disability benefits for certain key employees occupying management positions and/or certain other highly compensated employees of the Company who are determined by the Board of Directors, from time to time, to be eligible to participate. Benefits under the Disability Plan are provided directly by the Company based on definitions, terms and conditions contained in the Disability Plan documents. During 2005, there were no participants in the Executive Qualified Disability Plan.

Compensation of Directors

A total of 1,300,000 shares of Common Stock are subject to the Company's 1996 Non-Employee Director Plan (the "Director Plan"). In November of 2002, the Board of Directors revised the Director Plan to reflect the following (effective with the Board of Directors meetings held in 2003): each non-employee director of the Company will be entitled to annual compensation consisting of \$28,000 or stock options to purchase 100,000 shares of Common Stock. As an alternative, each non-employee director may elect a combination of stock and options. For the year 2005, Mr. Schwarz and Mr. Bren each elected to receive their annual compensation all in cash and Mr. Risher chose to receive his annual compensation half in the form of stock options to purchase 50,000 shares of Common Stock and half in the form of cash compensation equal to \$14,000. In addition to the above, the Chairman of the Audit Committee is awarded stock options on an annual basis to purchase 40,000 shares of Common Stock. In conjunction with the Director Plan, options to purchase Common Stock were awarded to Mr. Risher in October 2004 as compensation for his services.

The awards are for services performed during 2005. For each quarterly Board meeting not attended by a non-employee director, twenty-five percent (25%) of such annual compensation (both cash and stock options) will be forfeited.

Employment Agreements

The Company has not entered into any employment agreements with current employees.

PERFORMANCE GRAPH

The Company's Common Stock has been traded publicly since August 5, 1996. Prior to such date, there was no established market for the Common Stock. Set forth below is a line graph comparing the yearly percentage change in the cumulative total stockholder return on our Common Stock to the cumulative return of the S&P 500 Stock Index and the S&P Data Processing and Outsourced Services Index for the period commencing on December 31, 2000 and ending December 31, 2005 (the Measuring Period). The Company selected the S&P Data Processing and Outsourced Services Index as a basis of comparison as it believes the issuers comprising this index are in the same line of business as Princeton eCom Corporation (Princeton), the investment in which the Company held a 36% interest up until June 2004. The graph assumes that the value of the investment in the Company's Common Stock and each index was \$100 on December 31, 2000. The yearly change in cumulative total return is measured by dividing (1) the sum of (i) the cumulative amount of dividends for the Measuring Period, assuming dividend reinvestment, and (ii) the change in share price between the beginning and end of the Measuring Period, by (2) the share price at the beginning of the Measuring Period.

	Cumulative Total Return

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Parris H. Holmes, Jr. (former Chairman of the Board and Chief Executive Officer of the Company) served on the Board of Princeton from September 1998 until March 2004. Mr. Holmes served as Chairman of the Board of Princeton from January 2002 until December 2002. David P. Tusa (former Chief Financial Officer of the Company) served as a member of the Board of Princeton from August 2001 until June 2002.

According to public filings, Mr. Holmes has been a member of the board of directors of Sharps Compliance Corp. (Sharps), an entity in which the Company formerly had an investment, since July 1998. Mr. Tusa was appointed Chief Financial Officer of Sharps in February 2003. A former member of the Company's board of directors, Lee Cooke, served on the board of directors of Sharps from March 1992 until November 2004.

In August 2003, the Company issued 435,484 shares of its common stock to Mr. Holmes in exchange for a salary reduction of \$135,000 for the employment period of October 1, 2003 to September 30, 2004. These shares were issued under the New Century Equity Holdings Corp. 1996 Employee Comprehensive Stock Plan, which allows for this type of issuance without any material amendments.

In November 2001, the Company entered into an Amended and Restated Employment Agreement (Employment Agreement) with Mr. Holmes. As part of the Employment Agreement, the Company entered into a Split-Dollar Life Insurance Agreement (Insurance Agreement) with a trust beneficially owned by Mr. Holmes pursuant to which the Company paid the annual insurance premium of approximately \$172,000. The underlying life insurance policy had a face value of \$4,500,000 and required remaining annual premium payments through March 2012, totaling \$1,500,000. In December 2003, Mr. Holmes and the Company agreed to amend the Employment Agreement and terminate the provisions of the Employment Agreement related to the Insurance Agreement in exchange for payments by the Company to, and on behalf of, Mr. Holmes totaling approximately \$700,000 in cash. Accordingly, the Company assigned to Mr. Holmes, and Mr. Holmes assumed, all future obligations and benefits related to the Insurance Agreement. Mr. Holmes released and discharged the Company from any further obligation to provide or fund any life insurance for the benefit of Mr. Holmes, including the Insurance Agreement. The entire \$700,000 was included in general and administrative expenses during the year ended December 31, 2003. In December 2003, \$200,000 of the total \$700,000 was paid. The remaining \$500,000 was accrued at December 31, 2003 and paid in January 2004. In conjunction with the Insurance Agreement, the Company relinquished its rights under two other split-dollar life insurance policies previously entered into with Mr. Holmes. All premiums had been paid under the two policies prior to 2004. The Company paid approximately \$3,800 on behalf of Mr. Holmes in connection with the transfer of rights to Mr. Holmes.

Prior to Newcastle obtaining control of the Company, during the quarter ended June 30, 2004, the Company sold certain office furniture to Mr. Holmes for approximately \$7,000 and provided Mr. Holmes with title to the automobile that had been furnished to him at no cost by the Company. The Company had purchased the office furniture for approximately \$28,000 during the period October 1994 through April 2003 and the furniture had a book value of \$4,000. Pursuant to the terms of his employment agreement, Mr. Holmes was provided with an

automobile. The automobile was acquired by the Company for \$75,000 in 2000. At the time of transfer, the net book value of the automobile was zero and the fair market value was \$20,000. In accordance with the terms of Mr. Holmes' employment agreement, the income taxes incurred by Mr. Holmes as a result of the transfer of title to him were borne by the Company.

The Company paid Mr. Holmes approximately \$600,000 on June 2, 2004, purportedly as a result of a restricted stock grant as described below. In April 2000, the board of directors of the Company approved a restricted stock grant to Mr. Holmes. The restricted stock grant consisted of 400,000 shares of Princeton common stock and was modified in June 2001 to provide for certain anti-dilution and ratchet protections. The restricted stock grant vested on April 30, 2003. The Company expensed the fair market value of the restricted stock grant over the three-year period ended April 30, 2003. The Company recognized \$150,000 during the year ended December 31, 2003, as compensation expense related to the stock grant. The Company has commenced an investigation of various transactions involving former management, including, among other things, the \$600,000 payment.

In June 2004, when Newcastle acquired the Series A Preferred Stock, Mark Schwarz, Chief Executive Officer and Chairman of Newcastle Management, Steven J. Pully, President of Newcastle Management, and John Murray, Chief Financial Officer of Newcastle Management, assumed positions as Chairman of the Board, Chief Executive Officer and Chief Financial Officer, respectively, of the Company. Mr. Pully receives an annual salary of \$150,000 as Chief Executive Officer of the Company. Newcastle Management is the general partner of Newcastle, which owns 4,807,692 shares of Series A Preferred Stock and 150,000 shares of Common Stock of the Company.

The Company's corporate headquarters are currently located at 300 Crescent Court, Suite 1110, Dallas, Texas 75201, which are also the offices of Newcastle Management. Pursuant to an oral agreement, the Company currently occupies a portion of Newcastle Management's space on a month-to-month basis at no charge. The Company also receives accounting and administrative services from employees of Newcastle Management at no charge.

PROCEDURES FOR CONTACTING DIRECTORS

The Board of Directors has established a process for stockholders to send communications to the Board of Directors. Stockholders may communicate with the Board of Directors generally or a specific director at any time by writing to: Corporate Secretary, New Century Equity Holdings Corp., 300 Crescent Court, Suite 1110, Dallas, Texas 75201. The Corporate Secretary reviews all messages received, and forwards any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to the Board of Directors. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board of Directors generally, to the Chairman of the Board. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to the Board of Directors. The Corporate Secretary has the right, but not the obligation, to forward such other communications to appropriate channels within the Company.

LEGAL PROCEEDINGS

On August 11, 2004, Craig Davis, allegedly a stockholder of the Company, filed the Complaint in the Chancery Court of New Castle County, Delaware. The Complaint asserts direct claims, and also derivative claims on the Company's behalf, against five former and three current directors of the Company. The individual defendants named in the Complaint are Parris H. Holmes, Jr., C. Lee Cooke, Jr., Justin L. Ferrero, Gary D. Becker, J. Stephen Barley, Stephen M. Wagner, Mark E. Schwarz and Steven J. Pully. The Company is a nominal defendant. Mr. Davis alleges in the Complaint that different director defendants breached their fiduciary duties to the Company. The allegations involve, among other things, transactions with, and payments to, Mr. Holmes, a former executive officer and director, and whether the Company operated as an unregistered investment company in violation of the Investment Company Act of 1940. Mr. Davis seeks the appointment of a receiver for the Company under Section 226(a) of the Delaware General Corporation Law and other remedies.

The Company and certain of the defendants responded to the Complaint by filing a motion to dismiss or stay the action on October 18, 2004, and on November 3, 2004, filed a memorandum of law in support of such positions. The motion to dismiss filed by the Company and various defendants was heard by the Chancery Court of New Castle County, Delaware on January 18, 2005. The court denied the motion to dismiss. On May 6, 2005, the Company and certain of the defendants filed a response in opposition to plaintiff's motion for receiver. Mediation among parties named in the Complaint took place in Wilmington, Delaware on May 13, 2005. On May 31, 2005, Mr. Davis filed an amendment to the Complaint to include James Risher, a current director, and Newcastle as additional defendants. On July 8, 2005, the Company and certain defendants filed a supplemental response in opposition to plaintiff's motion for appointment of receiver.

The Company is currently funding legal and professional fees of the defendants pursuant to indemnification arrangements that were in place during the respective terms of each of the defendants. The Company has met the \$500,000 deductible as stipulated in the Company's directors and officers' liability insurance policy. The directors' and officers' liability insurance policy carries a maximum coverage limit of \$5,000,000. As of December 31, 2005, the Company has recorded a receivable from the insurance carrier of approximately \$1,522,000 for reimbursement of legal and professional fees incurred in excess of the policy deductible, in accordance with the provisions of the insurance policy. The Company has not received any reimbursement from the insurance carrier and continues to have ongoing discussions with the insurance carrier regarding reimbursement under the provisions of the policy. Nonpayment of the claim for reimbursement of legal and professional fees could have a material adverse effect on the financial condition and results of operations of the Company. The Company intends to vigorously seek enforcement of its rights under the policy.

On October 27, 2004, the Board of Directors appointed Messrs. Pully, Risher and Schwarz to a special litigation committee to investigate the claims of the plaintiff. Prior to the filing of the Complaint, the Company had commenced an investigation of various transactions involving former management, including, among other things, the payment of approximately \$600,000 to Mr. Holmes in connection with a restricted stock agreement and the reimbursement of various expenses involving meals and entertainment, travel and other reimbursed expenses.

As part of the investigative work commenced by the Company prior to the filing of the Complaint, the Company sought reimbursement from Mr. Holmes for various amounts paid to him. The Company and Mr. Holmes were unable to agree on the amount that Mr. Holmes should reimburse the Company.

The Company had been notified by counsel to both Mr. Holmes and Mr. Tusa that each of Messrs. Holmes and Tusa believed that approximately \$60,000 and \$34,000, respectively, are owed to each of them under their respective consulting agreements. In addition to notifying both Messrs. Holmes and Tusa that their consulting services were not required and that no obligation therefore existed under their respective agreements, both had also been notified that the Company is investigating various transactions, including, among other things, the payment of approximately \$600,000 to Mr. Holmes in connection with a restricted stock agreement and the reimbursement of various expenses involving meals and entertainment, travel and other reimbursed expenses. The Company disputes that any additional amounts are owed under the consulting agreements.

On April 13, 2006, the Company announced that it reached an agreement with all of the parties to the litigation to settle the lawsuit and all claims relating thereto. The principal terms of the settlement include, but are not limited to, the following: (a) the Company's insurance carrier will contribute to a settlement fund in connection with the settlement and also reimburse the Company for certain legal and professional fees, which will also be contributed to the settlement fund, (b) Mr. Holmes will contribute \$150,000 to the settlement fund, (c) counsel for the plaintiff in the litigation has requested payment of \$935,000 for fees and expenses relating to the litigation from the settlement fund and the defendants in the lawsuit have agreed not to object to the award of such fees and expenses, (d) the balance in the settlement fund after payment of legal fees to counsel for the plaintiff is estimated to be approximately \$2.26 million, which amount will be distributed to stockholders of the Company after the final approval of the settlement by the Delaware Chancery Court. A record date will be established following approval of the settlement by the Delaware Chancery Court. Stockholders of the Company as of the record date will be entitled to participate in the distribution from the settlement fund, however, the former directors of the Company who were parties to the settlement will not be entitled to receive any distributions from the settlement fund. Approval of the settlement by the Delaware Chancery Court is expected to take two to four months.

Pursuant to the transaction which resulted in Newcastle obtaining control of the Company, the Company agreed to indemnify Newcastle from any liability, loss or damage, together with all costs and expenses related thereto that the Company may suffer which arises out of affairs of the Company, its board of directors or employees prior to the transaction. The Company's obligation to indemnify may be satisfied at the option of the purchaser by issuing additional Series A Preferred Stock to the purchaser, modifying the conversion price of the Series A Preferred Stock, a payment of cash or a redemption of Series A Preferred Stock or a combination of the foregoing. The Company and the purchaser have not yet determined whether events that have arisen since the closing will trigger the indemnity provisions.

On December 12, 2005, the Company received a letter from the SEC, based on a review of the Company's Form 10-K filed for the year ended December 31, 2004, requesting that the Company provide a written explanation as to whether the Company is an investment company

(as such term is defined in the Investment Company Act of 1940). The Company provided a written response to the SEC, dated January 12, 2005, stating the reasons why it believes it is not an investment company. The Company continues to provide certain confirmatory information requested by the SEC.

During February 2006, the Company entered into an agreement with a former employee to settle a dispute over a severance agreement that the employee had entered into with the Company. The severance agreement, which was executed by former management, provided for a payment of approximately \$98,000 upon the occurrence of certain events. The Company paid approximately \$85,000 to settle all claims associated with the severance agreement.
