BACKGROUND TO SOLICITATION

- We made our first investment in Shares of SUA in February 2008.
- On February 29, 2008, Mark Schwarz and Mark Morrison, our Executive Chairman and Chief Executive Officer, respectively, met with Courtney Smith, SUA's Chief Executive Officer, along with SUA's Chief Financial Officer and its General Counsel, at SUA's Chicago headquarters to discuss Hallmark's and SUA's respective businesses.
- On March 31, 2008, Mr. Morrison had a telephone conversation with Mr. Smith, during which the benefits and possible structure of a potential Hallmark-SUA business combination, including by way of a stock-for-stock transaction, were discussed.
- On April 9, 2008, SUA disclosed in a Current Report on Form 8-K that the Company had entered into new employment agreements and a change in control agreement with certain key employees, including Courtney Smith and Peter Jokiel.
- On May 30, 2008, Mr. Morrison sent Mr. Smith an email outlining in greater detail our view of the significant and compelling benefits of a potential stock-for-stock business combination between Hallmark and SUA. Mr. Morrison also reiterated a desire to host Mr. Smith in Dallas, and noted that Mr. Schwarz and he would be traveling to Chicago soon and proposed a dinner meeting. Mr. Smith responded to Mr. Morrison's note by email on June 2, 2008 stating the following: "Thanks for your thoughtful note Mark....To be candid, we just do not see the kind of strategic fit which can best benefit SUA with your company. Thank you for your interest and great success in your endeavors."
- Between June 3, 2008 and June 12, 2008, we made significant additional purchases of Shares of SUA.
- On June 13, 2008, Mr. Schwarz sent to Mr. Smith a letter proposing a dinner meeting, and a meeting was confirmed for the evening of June 16, 2008.
- On June 16, 2008, during their dinner meeting, Mr. Schwarz handed to Mr. Smith a private letter addressed to the Board, which also included a specific transaction proposal (the "June 16 Letter"). In the June 16 Letter, we set forth our willingness to enter into discussions with the Board to pursue negotiations of a definitive merger agreement to acquire 100% of the Shares of SUA for a price of \$6.50 per share in Hallmark stock (the "Offer"). This Offer represented a 30% premium to the June 13, 2008 closing price of \$4.99 per Share and an even greater 37% premium to SUA's trailing 30-day average closing price of \$4.74. The June 16 Letter further stated that (i) the Offer was not subject to any financing contingency and (ii) the Offer was subject to confirmatory due diligence, the negotiation of a definitive acquisition agreement and the receipt of all necessary stockholder and regulatory approvals. We expressed in the June 16 Letter that we were prepared to commence due diligence and begin discussions immediately, and because the proposed consideration would consist of Hallmark stock, that we would also provide SUA the opportunity to conduct appropriate due diligence. We emphasized the significant and compelling benefits we believe existed for SUA stockholders through a Hallmark-SUA transaction, and requested a meeting with the Board and/or management of SUA as soon as possible to discuss the Offer in order to facilitate a possible transaction. We noted that our senior management stood ready to meet and answer any questions concerning our Offer.

- During their dinner meeting, Mr. Schwarz also informed Mr. Smith that we would be required to make an upcoming Schedule 13D filing with the SEC based on our ownership of Shares of SUA.
- Between June 17, 2008 and June 20, 2008, Mr. Schwarz made numerous attempts to speak with Mr. Smith and SUA's advisors regarding the Offer but was consistently rebuffed. In an email on June 20, 2008, Mr. Schwarz posed the following question to Mr. Smith: "if you are endeavoring to make the best decision possible on behalf of shareholders, why deny yourself the benefit of having all information available to you before making an important decision."
- On June 23, 2008, we filed a Schedule 13D with the SEC in which we disclosed our beneficial ownership of 9.6% of the outstanding Shares of SUA, making us the largest SUA stockholder. Pursuant to legal requirements, we also disclosed the fact that we had delivered the Offer to the Board on June 16, 2008.
- On June 23, 2008, following our Schedule 13D filing, SUA publicly acknowledged receipt of the Offer from us.
- On June 26, 2008, by way of a press release, SUA rejected our Offer. The brief press release stated that "[a]fter due deliberation, the [SUA] Board unanimously concluded not to accept this offer, remain independent and continue with the execution of its current business strategy, which the Board believes represents a better long-term value for the company's shareholders."
- On July 1, 2008, we sent a public letter (the "July 1 Letter") to the Board reaffirming the Offer included in the June 16 Letter. We reiterated that the proposed Offer price represented a significant 37% premium to SUA's trailing 30-day average closing price of \$4.74 on June 13, 2008, the trading day prior to the delivery of the Offer. In the July 1 Letter, we also expressed our deep disappointment with SUA's publicly-stated response to our Offer, and asked how, in light of the numerous attempts we had made to speak to representatives of SUA regarding the Offer, it was possible "that, on behalf of [SUA] shareholders, the [SUA] Board fully and fairly considered Hallmark's proposal while at the same time refusing to engage us in any dialogue?" We stated that our Offer was subject only to confirmatory due diligence, the negotiation of a mutually satisfactory definitive agreement and customary stockholder and regulatory approvals. We also restated that our senior management stood ready to meet with SUA to answer any questions regarding the Offer.
- On July 1, 2008, we also amended our Schedule 13D filing to include the June 16 Letter and the July 1 Letter as exhibits. We also reported beneficial ownership of 9.7% of SUA's outstanding Shares as of July 1, 2008.
- On July 2, 2008, SUA sent a public letter to Hallmark stating that, since the Board had previously rejected Hallmark's Offer contained in the June 16 Letter, SUA saw no reason to reconsider that Offer. The letter stated that the Board "thoroughly considered the Hallmark proposal" and restated that "it unanimously concluded that the Hallmark proposal should be rejected..."

- In its Quarterly Report filed on Form 10-Q with the SEC on August 8, 2008, SUA disclosed that the Board had adopted amended and restated bylaws, effective on August 5, 2008 (the “Bylaws”). The Bylaws included certain “defensive” measures including the elimination of stockholders’ rights to fill vacancies on the Board or to call special meetings and the addition of advance notice provisions for nominations by stockholders.
- On January 13, 2009, we delivered a nomination letter to the Secretary of SUA nominating the Nominees for election to the Board at the Annual Meeting.
- On January 16, 2009, we amended our Schedule 13D filing to disclose our nomination of the Nominees and other related agreements. We also reported our beneficial ownership of 9.9% of SUA’s outstanding Shares as of January 16, 2009.
- On February 26, 2009, Mr. Schwarz sent to Mr. Smith a letter proposing a dinner meeting, and a meeting was confirmed for the evening of March 2, 2009. Mr. Schwarz was informed that, in addition to Mr. Smith, Scott Goodreau, SUA’s General Counsel, would also attend the meeting.
- On March 2, 2009, Mr. Schwarz, Mr. Smith and Mr. Goodreau engaged in a dinner meeting. During the meeting a wide-ranging conversation took place that covered a variety of topics, including, but not limited to, general industry, economic and market conditions, recent developments in both Hallmark’s and SUA’s respective businesses, SUA’s formation and early history, Hallmark’s view regarding SUA’s business model, Hallmark’s continuing interest in entering into discussions with the Board to pursue negotiations of a definitive merger, the important differences between a share exchange and a cash merger, and Hallmark’s reasons for delivering a nomination letter to the Secretary of SUA nominating the Nominees for election to the Board at the Annual Meeting.
- On March 23, 2009, Hallmark filed an Acquisition Statement on Form A with the Illinois Department of Insurance seeking approval to increase Hallmark’s ownership position in the Company in excess of 10% of the Company’s outstanding Common Stock through open market purchases of Common Stock.
- On March 26, 2009, Mr. Schwarz delivered a letter to Mr. Smith expressing Mr. Schwarz’s interest in meeting with members of the Board consistent with the suggestion of Mr. Smith to Mr. Schwarz on March 2, 2009. Certain members of the Board have agreed to meet with Mr. Schwarz at the corporate headquarters of SUA on April 7, 2009.

REASONS FOR OUR SOLICITATION

We believe SUA has failed to create value for its stockholders.

We believe SUA's stock price performance during the more than four-year period, from its initial public offering on November 23, 2004 through December 31, 2008, demonstrates the Company's inability to create value for its stockholders.

On November 23, 2004, the Company completed its initial public offering at \$9.50 per Share. On December 31, 2008, SUA's Share price closed at \$2.63, resulting in a -72% cumulative total stockholder return during this period. The Share price closed at \$3.35 on April 1, 2009.

The following graph illustrates, for the period of November 23, 2004 through December 31, 2008, the significant under-performance of the cumulative total stockholder return on SUA's Shares compared to the cumulative total return of the Standard & Poor's 500 Stock Index and the S&P 500 Property & Casualty Insurance Index.¹

We believe SUA's inability to create value for its stockholders is also reflected in its low growth in book value per Share.

The table below depicts SUA's reported book value per Share for each of the five years ending December 31, 2008. As illustrated in this table, book value per Share has only grown 1.6% annually during this period.

¹ The graph assumes that the Shares were purchased at the price of \$100 per Share and that the value of the investment in each Share and the indices was \$100 at the beginning of the period. The graph further assumes the reinvestment of dividends when paid. The graph is reprinted from SUA's Annual Report on Form 10-K for the year ended December 31, 2008.

Year	Book Value Per Share
2004	\$ 8.09
2005	\$ 6.76
2006	\$ 7.42
2007	\$ 8.42
2008	\$ 8.62
Annual growth	1.6%

Certain characteristics of SUA's business may contribute to the Company's inability to create value for its stockholders.

We believe SUA is overly dependent on a limited number of partner agents and has demonstrated an inability to meaningfully grow its partner agent relationships.

According to SUA's Annual Report on Form 10-K for the year ended December 31, 2008 (the "2008 10-K"), SUA has only nine partner agents. As illustrated in the table below, the top five partner agents in 2008 make up over 90% of SUA's written premiums, based on information contained in the 2008 10-K. This is relatively unchanged from 2005, when these same five partner agents made up 100% of SUA's written premium, based on information contained in SUA's Annual Report on Form 10-K for the year ended December 31, 2006 (the "2006 10-K"). This table in our view demonstrates SUA's inability to meaningfully expand its partner agent relationships. We believe a lack of premium production from any one of these partner agents could adversely affect SUA's business. Similarly, a reliance on any one partner agent to produce premiums may adversely affect SUA's business. For the year ended December 31, 2008, SUA's partner agent Risk Transfer Holdings, Inc. produced approximately 44.7% of total gross written premiums as compared to approximately 55.3% for the year ended December 31, 2005, based on information contained in the 2008 10-K and the 2006 10-K. We believe any deterioration of SUA's relationship with Risk Transfer Holdings, Inc. or decrease in its premium production could have a material adverse effect on the Company's results in future periods.

	2008 Percentage of Gross Written Premium	2005 Percentage of Gross Written Premium
Top-5 Partner Agents		
Risk Transfer Holdings, Inc.	44.7%	55.3%
American Team Managers	16.0%	24.4%
AEON Insurance Managers	13.4%	12.1%
Appalachian Underwriters, Inc.	5.6%	0.5%
Specialty Risk Solutions, LLC	11.7%	7.7%
Top-5 Total	91.4%	100.0%

We believe SUA's "B+" rating from A.M. Best places it at a competitive disadvantage.

We believe competition in the types of insurance business that SUA underwrites is based on many factors, including the perceived financial strength of the insurer and ratings assigned by independent rating agencies. A.M. Best is generally considered to be a significant rating agency with respect to the evaluation of insurance companies.

In our experience as an insurer, we are aware that certain financial institutions and banks require property owners with loans to be insured by insurers with at least an "A-" rating by A.M. Best. Certain other insureds choose to insure their own property and casualty risks only with such higher-rated insurers. It is also our experience that, due to financial responsibility laws, we are aware some states and the federal government require certain regulated entities to purchase mandatory insurance from insurers holding a minimum of "A-" rating by A.M. Best. Accordingly, some agents may be unwilling or unable to underwrite certain lines of business such as property, long-tail liability lines and automobile liability with insurers that are not rated at least "A-" by A.M. Best. As a result, SUA may be at a competitive disadvantage in competing with other insurance companies that are rated at least "A-".

We believe SUA is narrowly concentrated in the types of business it underwrites and in the geographic markets it serves.

SUA primarily chooses types and lines of businesses that do not require "A-" level A.M. Best ratings, such as tow trucks and workers' compensation. Based on information contained in the 2008 10-K, workers' compensation comprised approximately 54.8% and commercial automobile comprised approximately 23.6% of total gross written premiums in 2008. Together these two lines of business account for approximately 78% of the Company's 2008 total gross premiums written.

Furthermore, based on information contained in the 2008 10-K, approximately 63% of SUA's business is concentrated in the states of California and Florida. According to the 2008 10-K, Florida experienced an 18.4% rate decrease in workers' compensation in 2008 and an additional rate decrease of 18.6% went into effect January 1, 2009.

We believe SUA's narrow concentration in the type of business it underwrites and in geographic markets makes it difficult for the Company to compete with the large number of U.S. and non-U.S. insurers, insurance agencies and intermediaries, and diversified financial services companies, most of which possess greater financial resources, broader product lines, higher ratings and stronger financial performance than SUA. In our opinion, these factors may impair SUA's ability to retain existing customers and maintain or grow its profitability and financial strength.

We believe SUA's expense ratio is high when compared to the average expense ratio of the industry.

The table below depicts SUA's annual and average expense ratios during the last four completed fiscal years as compared to the industry averages for the same period, based on information provided by SNL Financial. This table shows that SUA's expense ratio has been significantly higher than the industry average for each year during this period and that SUA's expense ratio has averaged more than fourteen percentage points higher than the industry average during this period. We believe SUA's high expense ratio is an inefficiency that results from the lack of scale achieved by the Company in its business.

Year	SUA Expense Ratio	Industry Expense Ratio	Difference SUA vs. Industry
2005	48.8%	25.8%	23.0%
2006	37.4%	26.4%	11.0%
2007	36.7%	27.2%	9.5%
2008	40.6%	27.0%	13.6%
Average	40.9%	26.6%	14.3%

We believe SUA needs improved corporate governance.

We believe that corporate governance practices and the level of board and management accountability to stockholders are highly relevant to SUA’s Share price and its financial performance. We believe the state of SUA’s corporate governance is inadequate and requires significant improvement.

We do not believe the members of the Board have a meaningful ownership interest in SUA.

According to SUA’s proxy materials in connection with the Annual Meeting (the “2009 Proxy Materials”), the directors of the Company held 612,023 Shares as of March 25, 2009 (including Shares underlying currently exercisable options and restricted stock that vests within 60 days of March 20, 2009), constituting slightly over 4% of the then outstanding Shares. Moreover, as the following table illustrates, the directors’ ownership of Shares held outright (i.e., exclusive of Shares underlying options and restricted stock) as of March 25, 2009 constituted slightly over 1% of the then outstanding Shares, based on information contained in the 2009 Proxy Materials.

Director	Total	Options and	Shares held
		Restricted	Outright
Courtney C. Smith	226,481	202,000	24,481
Peter E. Jokiel	247,542	144,400	103,142
Robert E. Dean	28,500	20,000	8,500
Raymond C. Groth	27,000	20,000	7,000
Paul A. Philp	27,000	20,000	7,000
Robert H. Whitehead	28,000	20,000	8,000
Russell E. Zimmerman	27,500	20,000	7,500
Total	612,023	446,400	165,623
Ownership Percentage	4.06%	2.96%	1.10%
Outstanding Shares (1)	15,076,095	15,076,095	15,076,095

(1) represents (a) 14,437,355 Shares outstanding reported as of March 25, 2009 and (b) (i) 594,400 Shares issuable upon exercise of options that are currently exercisable and (ii) 44,340 shares of restricted stock of SUA which vest within 60 days of March 20, 2009, held in each case by all executive officers and directors as a group (13 people), as set forth in the 2009 Proxy Materials.

We believe current employment agreements with SUA executives may also deter actions that are in the best interests of stockholders.

At the same time that SUA revealed that its Board had adopted certain Bylaw amendments in August 2008 (see discussion in “Background to Solicitation”), the Company also disclosed the full terms of eight new employment agreements and change of control agreements the Company had recently entered into with SUA’s senior management team, including Courtney Smith (Chairman and Chief Executive Officer), Peter Jokiel (Chief Financial Officer), Gary Ferguson (Chief Claims Officer), Barry Cordeiro (Chief Information Officer), Scott Goodreau (General Counsel), Scott Charbonneau (Chief Actuary), Daniel Cacchione (Chief Underwriting Officer) and Daniel Rohan (Controller).

Under these agreements, SUA is obligated to make one-time payments to executives after they depart from the Company under certain circumstances, including following a change of control of the Company. In the case of Messrs. Smith and Jokiel, if the executive voluntarily decides to resign following a sale of the Company in a situation deemed to be a “material diminution in his authority, duties or responsibility”, the executive has the right to, in addition to his accrued salary and bonus, a lump sum payment of three times his base salary (which salary was \$463,050 for Smith and \$405,200 for Jokiel in 2008 according to SUA’s Current Report on Form 8-K filed on April 9, 2008), as well as the acceleration of all equity awards. Other executives also receive payments based on multiples of salary under these agreements following a change of control. Moreover, if either Mr. Smith or Mr. Jokiel is terminated (other than for “cause”), but such termination does not follow a change of ownership of SUA, severance payments equal 225% of base salary. We believe these golden parachutes serve to entrench current management and could deter a potential value enhancing sale of SUA by making such a sale more expensive.

We believe the lack of separation of the Chairman and CEO roles is a fundamental weakness at SUA.

Mr. Smith holds both the position of CEO and Chairman of the Board. We generally believe it is a fundamental responsibility of the Board of Directors of any public company to protect stockholders' interests by providing independent oversight of management, including the CEO and the other principal executives. This role may be strongly compromised when the CEO is also the Chairman of the very Board charged with negotiating the CEO's compensation arrangements and evaluating his or her performance. Separating the positions of Chairman of the Board and CEO in our opinion prevents this conflict of interest, yet SUA fails to provide for such vital separation.

We believe the Board's behavior last summer – refusing to engage with Hallmark and become more educated about a credible transaction proposal – further demonstrates the weaknesses of the Board.

Last summer, Hallmark made a proposal to acquire SUA in a stock-for-stock transaction that would have delivered a substantial premium to SUA stockholders at the time. Hallmark is an insurance company nearly three times as large as SUA, with the scale and relationships that, in our view, would greatly enhance SUA stockholders' prospects for future returns.

The offer price of \$6.50 in Hallmark stock for each outstanding Share of SUA represented a significant 30% premium to SUA's closing price of \$4.99 per Share on June 13, 2008, the business day prior to delivery of the offer, and represented an even greater 37% premium to SUA's trailing 30-day average closing price of \$4.74 per Share on June 13, 2008. In addition, the offer in Hallmark stock meant that stockholders' upside potential would not be capped. In addition to realizing an immediate significant 30% premium for their Shares, SUA stockholders would have retained a continuing ownership interest in Hallmark and would participate in any future gains in Hallmark shares.

Despite Hallmark's best efforts, including delivering and reaffirming its proposal and its numerous attempts to meet with the SUA Board and management to discuss the Offer, SUA's Board rejected Hallmark's proposal and refused to enter into discussions with Hallmark. Hallmark was disappointed and surprised by such a reaction.

Hallmark believes that if a Board truly endeavors to act in the best interests of its stockholders, it cannot deny itself the benefit of having all information available before making an important decision for stockholders, particularly when a transaction proposal is on the table from a credible buyer which has real prospects to enhance stockholder value.

The Nominees have the experience and qualifications to address SUA's numerous financial, business and corporate governance deficiencies.

Hallmark's Nominees are independent and have extensive experience in the insurance industry, business management, finance and corporate governance. Specifically, Robert M. Fishman and Mark E. Pape are highly seasoned insurance industry executives as further discussed in their biographical extracts below. C. Gregory Peters has extensive experience analyzing insurance companies and their strategies as a financial analyst. Both Mr. Pape and Mr. Peters possess the skills and experience necessary to qualify as audit committee financial experts, given their background in investment banking and research. All of the Nominees have significant experience working for or with public companies and all of the Nominees are entirely independent of SUA. If elected to the SUA Board, these experienced Nominees will seek to improve SUA's financial performance, address the Company's business and strategic issues and enhance its corporate governance, while also remaining open to exploring all available alternatives to maximize stockholder value. There can be no assurance that the election of the Nominees will improve financial performance or corporate governance or otherwise maximize stockholder value. If elected, the Nominees will represent a minority of the members of the entire SUA Board and a [majority/minority] of the independent directors of the SUA Board. Accordingly, if elected, the Nominees will not be in a position to compel the other directors to consider initiatives to maximize stockholder value.

Each of the Nominees, as a member of a "group" for the purposes of Rule 13d-5(b)(1) of the Securities Exchange Act of 1934, as amended, may be deemed to be a beneficial owner of the 1,429,615 Shares beneficially owned by the Hallmark Parties. Each of the Nominees disclaims beneficial ownership of such Shares. For information regarding purchases and sales during the past two years by the Hallmark Parties of securities of SUA that may be deemed to be beneficially owned by the Nominees, see Schedule I.

The Nominees will not receive any compensation from Hallmark for their services as directors of SUA.

On January 12, 2009, the Hallmark Parties (other than Mr. Schwarz) and the Nominees (collectively, the "Group") entered into a Joint Filing and Solicitation Agreement in which, among other things, (i) the parties agreed to the joint filing on behalf of each of them of statements on Schedule 13D with respect to the securities of SUA, (ii) the parties agreed to solicit proxies to elect the Nominees or any other person designated by the Group as directors of SUA and to take all other action necessary or advisable to achieve the foregoing (the "Solicitation"), and (iii) Hallmark agreed to bear all expenses incurred in connection with the Group's activities, including approved expenses incurred by any of the parties in connection with the Solicitation, subject to certain limitations. None of the Nominees is a party adverse to SUA or any of its subsidiaries or has a material interest adverse to SUA or any of its subsidiaries in any material pending legal proceedings.

PROPOSAL NO. 2

SUA PROPOSAL TO RATIFY APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in SUA's proxy statement, the Company's Audit Committee has selected PricewaterhouseCoopers LLP as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2009.

WE DO NOT OBJECT TO THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS SUA'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2009.

-17-

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Each Share is entitled to one vote. Stockholders who sell Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such Shares after the Record Date. Based on publicly available information, we believe that the only outstanding classes of securities of SUA entitled to vote at the Annual Meeting are the Shares.

Shares represented by properly executed GOLD proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the Nominees, FOR the election of the candidates who have been nominated by the Company other than _____, _____ and _____, FOR the ratification of the appointment of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009 and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

According to SUA's proxy statement for the Annual Meeting, the Board intends to nominate seven candidates for election as directors at the Annual Meeting. This Proxy Statement is soliciting proxies to elect not only our Nominees, but also the candidates who have been nominated by the Company other than _____, _____ and _____. This gives stockholders who wish to vote for our Nominees and such other persons the ability to do so. Under applicable proxy rules we are required either to solicit proxies only for our Nominees, which could result in limiting the ability of stockholders to fully exercise their voting rights with respect to SUA's nominees, or to solicit for our Nominees and for fewer than all of the Company's nominees, which enables a stockholder who desires to vote for our Nominees to also vote for those of the Company's nominees for whom we are soliciting proxies. The names, backgrounds and qualifications of the Company's nominees, and other information about them, can be found in the Company's proxy statement. There is no assurance that any of the Company's nominees will serve as directors if our Nominees are elected. To the extent SUA's nominees choose not to serve as directors if our Nominees are elected, there will be vacancies on the Board, which may be filled by a vote of a majority of the members of the Board. We do not know whether any vacancies created will be filled by the remaining members of the Board.

QUORUM

The presence in person or by proxy of holders of a majority of the aggregate voting power of the stock issued and outstanding and entitled to vote at the Annual Meeting will constitute a quorum. In accordance with Delaware law, abstentions are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

VOTES REQUIRED FOR APPROVAL

Election of Directors. Directors are elected by a plurality of the votes cast at the Annual Meeting and the seven nominees who receive the most votes at the Annual Meeting will be elected. Abstentions will have no effect on the outcome of the election.

Ratification of Appointment of PricewaterhouseCoopers LLP. The affirmative vote of the majority of the Shares present in person or by proxy at the Annual Meeting and entitled to vote on the matter is required to ratify the appointment of PricewaterhouseCoopers LLP as the Company's registered public accounting firm for the fiscal year ending December 31, 2009. Abstentions will have the same effect as a vote against the approval of this proposal.

DISCRETIONARY VOTING

Shares held in "street name" and held of record by banks, brokers or nominees may not be voted by such banks, brokers or nominees unless the beneficial owners of such Shares provide them with instructions on how to vote.

REVOCAION OF PROXIES

Stockholders of SUA may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Hallmark in care of MacKenzie Partners, Inc. at the address set forth on the back cover of this Proxy Statement or to SUA at Specialty Underwriters' Alliance, Inc., 222 South Riverside Plaza, Suite 1600, Chicago, Illinois 60606, or any other address provided by SUA. Although a revocation is effective if delivered to SUA, Hallmark requests that either the original or photostatic copies of all revocations be mailed to Hallmark in care of MacKenzie Partners, Inc. at the address set forth on the back cover of this Proxy Statement so that Hallmark will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding Shares. Additionally, MacKenzie Partners, Inc. may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD OR FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by Hallmark. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

Hallmark has entered into an agreement with MacKenzie Partners, Inc. for solicitation and advisory services in connection with this solicitation, for which MacKenzie Partners, Inc. will receive a fee not to exceed \$____,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. MacKenzie Partners, Inc. will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Hallmark has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Shares they hold of record. Hallmark will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that MacKenzie Partners, Inc. will employ approximately 30 persons to solicit SUA's stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by Hallmark pursuant to the terms of the Joint Filing and Solicitation Agreement (as defined above). Costs of this solicitation of proxies are currently estimated to be approximately \$____,000. Hallmark estimates that through the date hereof, its expenses in connection with this solicitation are approximately \$____,000. Hallmark intends to seek reimbursement from SUA of all expenses it incurs in connection with the solicitation of proxies for the election of the Nominees to the Board at the Annual Meeting. Hallmark does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

There are no material proceedings to which any of the Hallmark Parties or the Nominees or any of their associates are a party adverse to SUA or any of its subsidiaries or have a material interest adverse to SUA or any of its subsidiaries. With respect to each of the Nominees, none of the events enumerated in Item 401(f)(1)-(6) of Regulation S-K of the Securities Exchange Act of 1934, as amended, occurred during the past five years.

OTHER MATTERS AND ADDITIONAL INFORMATION

Other Matters

Other than those discussed above, Hallmark is unaware of any other matters to be considered at the Annual Meeting. However, should other matters, which Hallmark is not aware of a reasonable time before this solicitation, be brought before the Annual Meeting, the persons named as proxies on the enclosed GOLD proxy card will vote on such matters in their discretion.
