CUSIP NO. 01449J105

Item 4. Purpose of Transaction.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

On April 12, 2013, an affiliate of Coppersmith Capital delivered a letter to the Issuer (the "Nomination Letter") nominating Curt R. Hartman, Jerome J. Lande and Theodore E. Martin, as nominees (the "Nominees") for election to the Board of Directors of the Issuer (the "Board") at the 2013 annual meeting of stockholders of the Issuer (the "2013 Annual Meeting"). The Reporting Persons have engaged, and intend to continue to engage, in discussions with management and the Board of the Issuer regarding the nomination of directors at the 2013 Annual Meeting and the composition of the Issuer's Board, generally, as well as ways to enhance stockholder value.

On May 8, 2013, Coppersmith Capital delivered a letter to the Chairman, Chief Executive Officer and President of the Issuer, Ronald Zwanziger, expressing strong disappointment at the management and Board's failure to address the numerous issues facing Alere or engage in a constructive dialogue with Coppersmith regarding the clear and compelling need for change in the composition of the Board. The full text of the letter is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

In the letter, Coppersmith Capital expressed its concern with Alere's continued depressed valuation and poor stock performance and criticized management for its apparent commitment to remaining a heavily-leveraged, inefficient and disparate organization with a painful, failed and continuously failing experiment in health management. Coppersmith Capital dismissed the steps the Board has announced to address Alere's undervaluation and underperformance as an incoherent series of half-measures, none of which suggest the seriousness needed to restore Alere's credibility as a public company. In Coppersmith Capital's view, for Alere to thrive as a public company and achieve fair value it must undergo a comprehensive strategic and operational rationalization. The letter explained that a comprehensive strategic rationalization must begin with the divestiture or shut-down of the health management division. Coppersmith Capital also stated that comprehensive operational rationalization is required to reverse the worrisome trajectory of diminishing organic growth and margins in the core Diagnostics business, and to produce the integration synergies that have not been realized. Coppersmith Capital expressed its view that maximizing Alere's value requires independent thinking and analytical rigor that the incumbent Board lacks. Accordingly, Coppersmith Capital intends to solicit proxies for the election of its three independent, highly-qualified candidates, including two healthcare industry veterans with high-level operational or board experience at leading, large-cap medical products companies and a direct stockholder representative. Coppersmith Capital concluded that it remains open to a constructive dialogue with the management and Board regarding Board composition and maximizing value at Alere.
