### 2002 ELECTION OF DIRECTORS

The first matter scheduled to be considered at the annual meeting will be the election of two persons to the Board of Directors of the Corporation. The Corporation's Board of Directors is divided into three classes. Each year, on a rotating basis, the terms of office of the directors in one of the three classes expire. Directors are elected for a three (3) year term. The directors whose terms expire at the annual meeting ("Class II Directors") are Peggy L. Haw-Jury and Russell H. Van Gilder, Jr. The Board has nominated these same individuals for reelection as Class II Directors. If elected, the terms of these directors will expire at the 2005 annual meeting of shareholders.

Except for those individuals nominated by the Board of Directors, no persons may be nominated for election at the 2002 annual meeting. The Corporation's Bylaws require at least 120 days prior written notice of any other proposed shareholder nominations and no such notice has been received.

The proposed nominees are willing to be elected and to serve. In the event that any nominee is unable to serve or is otherwise unavailable for election, which is not now contemplated, the incumbent Board of Directors may or may not select a substitute nominee. If a substitute nominee is selected, all proxies will be voted for the person so selected. If a substitute nominee is not so selected, all proxies will be voted for the election of the remaining nominee. Proxies will

not be voted for a greater number of persons than the number of nominees named.

A vote of shareholders holding a plurality of shares voting is required to elect directors. For the purpose of counting votes on this proposal, abstentions, broker nonvotes, and other shares not voted will not be counted as shares voted.

FOR ELECTION OF ALL NOMINEES AS DIRECTORS**

**PROPOSAL TO CHANGE THE NAME OF THE CORPORATION  
TO FENTURA FINANCIAL, INC.**

The Corporation's Board of Directors has approved an amendment to Article I of the Corporation's Articles of Incorporation changing the Corporation's name from Fentura Bancorp, Inc. to Fentura Financial, Inc.

During 2000, the Corporation elected to become a financial holding company. The Gramm-Leach-Bliley Act, enacted into law on November 12, 1999, and regulations promulgated under that Act, expanded the authority of bank holding companies allowing them to enter into business combinations with other financial institutions, including securities and insurance firms, and other financial activities to offer customers a more complete array of financial products and services. While the Corporation has no immediate plans to engage in any of these combinations or other financial activities, the Board of Directors believes that the change in the Corporation's name will align its name more closely with its relatively new status and permitted business activities.

Required Vote for Approval. The affirmative vote of a majority of the Corporation's Common Stock outstanding is required to approve the amendment. Shares not voted at the meeting, whether by abstention, broker nonvote, or otherwise, will be treated as votes cast against the amendment. Unless otherwise directed by marking the accompanying proxy, the proxy holder named therein will vote for the approval of the amendment.

PROPOSED AMENDMENT TO CHANGE THE CORPORATION'S NAME.**

Each share entitles its holder to one vote on each matter to be voted upon at the meeting.

During 2001, all Committee deliberations were considered by the full Board at regular Board meetings.

### **Audit Committee**

Ms. Haw-Jury and Messrs. Duthie and Karr are the members of the Corporation's Audit Committee. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial reports and other financial information provided by the Corporation to shareholders, governmental agencies or the public, the Corporation's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established, and the Corporation's auditing, accounting and financial reporting processes generally. The Audit Committee is guided by an Audit Committee Charter which was adopted by the Board of Directors during 2001. A copy of the Audit Committee Charter was attached to the Proxy Statement relating to the 2001 Annual Meeting of Shareholders. All of the members of the Audit Committee are independent, as defined in Rule 4200(a) of the NASD Listing Standards. During 2001, the Audit

Committee held two (2) meetings. On February 21, 2002, the Audit Committee submitted to the Board the following report:

***AUDIT COMMITTEE REPORT***

We have reviewed and discussed with management the Corporation's audited financial statements as of and for the year ended December 31, 2001.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Corporation's Form 10-K for the year ended December 31, 2001.

Management is responsible for the Corporation's financial reporting process including its systems of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Corporation's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Corporation and some of us are not, and may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Corporation's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the

-8-

independent auditors do not assure that the Corporation's financial statements are presented in accordance with generally accepted accounting principles, that the audit of our Corporation's financial statements has been carried out in accordance with generally accepted auditing standards or that our Corporation's independent accountants are in fact "independent."

Respectfully submitted,

Peggy L. Haw-Jury  
David L. Duthie

**Compensation/ESOP Committee**

**PROXY STATEMENT**

The members of the Compensation/ESOP Committee are Ms. Haw-Jury and Messrs. Van Gilder and Duthie. This Committee oversees the administration of the Corporation's compensation and benefit programs. All Compensation/ESOP Committee items during 2002, including the performance of the CEO, were considered by the full Board at regular Board meetings.

## REPORT ON COMPENSATION/ESOP COMMITTEE

The Corporation and Affiliate Bank Boards use compensation programs based on the following compensation principles: to provide the level of total compensation necessary to attract and retain quality employees at all levels of the organization; compensation is linked to performance and to the interests of shareholders; incentive compensation programs recognize both individual and corporate performance; and compensation balances rewards for short-term and long-term results.

The Corporation and the Affiliate Banks provide a comprehensive compensation program that is both innovative and competitive in order to attract and retain qualified talent. The Affiliate Banks through their Compensation Committees review market data in order to assess the Affiliate Banks' competitive position and each component of compensation including base salary, annual incentive and long-term incentive compensation.

Donald L. Grill became President and Chief Executive Officer of the Corporation and The State Bank in December of 1996 and is evaluated annually as to his personal performance, and regarding his role in directing the Corporation's performance. The full Corporation Board annually reviews Mr. Gill's performance. The Board considers Bank performance, community involvement and director/chairman communication, along with employee assessments gathered by the Human Resources Department in evaluating Mr. Grill's performance.

### Stock Option Information

The Corporation's 1996 Employee Stock Option Plan permits the grant of stock options to the officers and other key employees of the Corporation and its subsidiaries. Stock options are believed to help align the interests of employees with the interests of shareholders by promoting stock ownership by employees and rewarding them for appreciation in the price of the Corporation's stock.

The following tables contain information concerning stock options granted during 2001 to and retained by the named executives of the Corporation at December 31, 2001. None of the named executives exercised any stock options during the year 2001.

## RETIREMENT AND CHANGE IN CONTROL ARRANGEMENTS

### Retirement Plans

#### Supplemental Executive Retirement Plan

The Corporation and The State Bank have established a Supplemental Executive Retirement Plan (SERP) for key executives. The plan is designed to encourage executives to remain long term employees of the Corporation and The State Bank, and to provide the executive with supplemental retirement income. Unfunded plan benefits are accrued based on participant longevity and the Corporation's return on equity. In 2001, the SERP accrued \$20,054 on behalf of Donald L. Grill and \$8,562 on behalf of Robert E. Sewick. The SERP target retirement benefit is an annual retirement payment equal to a percentage of the executive's projected final salary, 25% for Mr. Grill and 20% for Mr. Sewick. Estimated annual benefits payable over a period of 15 years following retirement at age 65 are \$62,853 for Mr. Grill and \$35,056 for Mr. Sewick. The retirement benefits accruing on behalf of the executives are backed by prepaid life insurance policies. The Corporation plans to use the investment earnings on these policies to pay all or part of the annual costs for the SERP.

#### Split-Dollar Retirement Plan

The Corporation and the Affiliate Banks have established a Split Dollar Supplemental Retirement Plan (the "Split Dollar Plan") for key executives not covered under the SERP. The plan is designed to encourage executives to remain long term employees of the Corporation and the Affiliate Banks, and to provide the executive with supplemental retirement income. The plan is a life insurance backed product that allows participants to direct the investment of funds through various investment vehicles. During 2001, \$17,082 was invested through the Split Dollar Plan on behalf of Ronald L. Justice and \$15,070 was invested on behalf of John A. Emmendorfer, Jr. Upon retirement, the executives who participate in the plan receive the earnings from funds invested on their behalf and the invested funds are returned to their employer.

### **Qualified Retirement Plans**

The Corporation and the Affiliate Banks offer two separate qualified retirement plans, the first of which is the Employee Stock Ownership Plan (ESOP) and the second is a 401k profit sharing plan. The ESOP is one hundred percent funded by Affiliate Banks. Based on particular Affiliate Bank's earnings the Board approves an amount to be distributed into eligible participants accounts. In order to promote longevity with the Affiliate Banks, this plan includes a vesting schedule of seven years before a participant is fully vested. The 401k profit sharing plan allows participants to defer compensation, before taxes, in order to invest in various investment vehicles. Participants also receive a corporate match of 50% up to a maximum of 6% (participants are allowed to defer up to 15%).

### **Severance Agreement**

The Corporation and The State Bank have entered into a Severance Compensation Agreements with each of Messrs. Grill, Justice and Sewick. Under this agreement, if a "change in control" (as defined in the agreement) occurs while the Executive is an employee of the Corporation or The State Bank, and if within five years thereafter the Executive's employment is terminated by either of them without "cause," by the Executive for "good reason," or by either party because of the Executive's death or "disability" (in each case, as such terms are defined in the agreements), then the Corporation and The State Bank are required to pay the Executive an annual amount equal to 50% of the highest amount of the Executive's "annual compensation" (as defined in the agreement) in the five preceding calendar years, for a period of five years after the

termination date (or until the first day of the month immediately preceding the Executive's "normal retirement date." if earlier). If the Executive dies after this payment obligation begins, or if the Executive so elects, the Corporation and The State Bank will be obligated to make a lump sum payment of these payments, discounted to the then present value using a 10% per year discount rate. In addition, the Corporation and The State Bank are required to provide the Executive with hospital and medical coverage for the full "COBRA" period. However, if the payments exceed the ceiling amount for deductibility under Section 280G of the internal Revenue Code of 1986 (generally, three times the Executive's annual compensation), then the payments shall be reduced to the maximum amount allowable under Section 280G.

## **SHAREHOLDER RETURN PERFORMANCE GRAPH**

The graph compares the cumulative total shareholder return on the Corporation's common stock for the last five years with the cumulative total return of the Midwest Quadrant Pink Bank Index, published by SNL Financial L.C., and the Nasdaq Market Index assuming a \$100 investment at the end of 1996. The Nasdaq Market Index is a broad equity market index. The Midwest Quadrant Pink Bank Index is composed of 69 banks and bank holding companies located in the Midwest and whose shares primarily trade on the Over-the-Counter Bulletin Board.

Cumulative total return is measured by dividing (i) the sum of (A) the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and (B) the difference between the share price at the end and the beginning of the measurement period; by (ii) the share price at the beginning of the measurement period. The graph assumes the investment of \$100 in the Corporation's common stock, the Nasdaq Market Index, and the Midwest Quadrant Pink Bank Index at the market close on December 31, 1996 and the reinvestment of all dividends through the period ending December 31, 2001.
