ITEM 1

TO ELECT THREE DIRECTORS

The Bylaws of the Company provide that the board of directors will determine the number of directors, but shall consist of at least one director and no more than 15 directors. The stockholders of the Company elect the directors. At each annual meeting of stockholders of the Company successors of the class of directors whose term expires at the annual meeting will be elected for a three-year term. Any director elected to fill a vacancy or newly created directorship resulting from an increase in the authorized number of directors shall hold office for a term that shall coincide with the remaining term of that class. In no case will a decrease in the number of directors shorten the term of any incumbent director. Any vacancy on the board howsoever resulting may be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director. The stockholders will elect three directors for the coming year; each nominee presently serves as a director of the Company and will be appointed for a term of three years.

Unless otherwise instructed or unless authority to vote is withheld, the enclosed proxy will be voted for the election of the nominees listed herein. Although the board of directors of the Company does not contemplate that the nominee will be unable to serve, if such a situation arises prior to the Annual Meeting, the person named in the enclosed proxy will vote for the election of such other person as may be nominated by the board of directors.

The board of directors of the Company consists of five directors divided into three classes. At each annual meeting of stockholders, one class is elected to hold office for a term of three years. Directors serving until the earlier of (i) resignation or (ii) expiration of their terms at the annual meeting of stockholders in the years indicated are as follows: 2003 - Messrs. Wessel, Burke and Love; 2004 - Ms. Schuchmann; and 2005 - Mr. Powell. All officers serve at the discretion of the board of directors. No family relationships exist between any director and executive officer, except that Mr. John C. Powell, vice president of information technology, is the brother of Mr. Phillip E. Powell, the chairman of the

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

board and chief executive officer of the Company. The Directors standing for election at the Annual Meeting of Stockholders are as follows:

Rick L. Wessel, age 44, has served as secretary and treasurer of the Company since May 1992, as president since May 1998, as a director since November 1992 and as chief financial officer from May 1992 to December 2002. Richard T. Burke, age 59, has served as a director of the Company since December 1993. Mr. Burke is the founder and former chief executive officer and chairman of UnitedHealth Group. Mr. Burke remains a director of UnitedHealth Group, a company engaged in the managed health care industry, and is a board member of several private, nonprofit and charitable organizations. From 1977 to 1987, Mr. Burke also served as chief executive officer of Physicians Health Plan of Minnesota (now MEDICA), the largest client of UnitedHealth Group. The securities of UnitedHealth Group are registered pursuant to the Exchange Act. Mr. Burke was the former owner and chief executive officer of the Phoenix Coyotes, a professional sports franchise of the National Hockey League.

Joe R. Love, age 64, has served as a director of the Company since December 1991. Mr. Love has served as chairman of CCDC, Inc., a real estate development firm, since October 1976. Mr. Love is the owner of Surrey, LLC, a golf and residential community in Oklahoma City, Oklahoma.

Directors Not Standing For Election

Tara Schuchmann, age 45, has served as a director of the Company since June 2001. Ms. Schuchmann is the founder and managing general partner of Tara Capital Management LP, an investment management and advisory firm. Ms. Schuchmann has 23 years experience in the financial services industry. Ms. Schuchmann holds an MBA from the Harvard University Graduate School of Business Administration.

Phillip E. Powell, age 52, has served as a director of the Company since March 1990, served as president from March 1990 until May 1992, and has served as chief executive officer since May 1992. Mr. Powell has been engaged in the financial services industry for over 27 years.

Board of Directors, Committees and Meetings

The board of directors held two meetings during the year ended December 31, 2002. Each director attended, either telephonically or in person, 100% of the board meetings during the year ended December 31, 2002. The Audit and Compensation Committees consist of Richard T. Burke, Joe R. Love and Tara Schuchmann. The Audit Committee held four meetings during the year ended December 31, 2002 and the Compensation Committee held two meetings during the year ended December 31, 2002. Each member attended at least 75% of the committee meetings, either in person or telephonically.

Audit Committee. The Audit Committee is responsible for making recommendations to the board of directors concerning the selection and engagement of the Company's independent auditors and reviews the scope of the annual audit, audit fees and results of the audit. The Audit Committee also reviews and discusses with management and the board of directors such matters as accounting policies, internal accounting controls, procedures for preparation of financial statements, scope of the audit, the audit plan and the independence of such accountants.

Compensation Committee. The Compensation Committee approves the

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

standards for salary ranges for executive, managerial and technical personnel of the Company and establishes, subject to existing employment contracts, the specific compensation and bonus plan of all corporate officers. In addition, the Compensation Committee oversees the Company's stock option plans.

The Company has no nominating committee or any committee serving a similar function.

Directors' Fees

For the year ended December 31, 2002, Messrs. Burke and Love each received \$25,000 for the fiscal year ended December 31, 2002 as compensation for attending in person the 2002 meetings of the board of directors or any committee meetings thereof. Ms. Schuchmann received no director fees for fiscal 2002. In addition, the directors are reimbursed for their reasonable expenses incurred for each board and committee meeting attended. See "Compensation - Stock Options and Warrants" for a discussion of options and warrants issued to directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on the reports furnished pursuant to Section 16a-3(e) of the Exchange Act, all reports as required under Section 16(a) of the Exchange Act were filed on a timely basis during the year ending December 31, 2002.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

Our Compensation Committee reviews compensation paid to management and recommends to the board of directors appropriate executive compensation. Ms. Schuchmann and Messrs. Burke and Love serve as members of the Compensation Committee and are not employed by the Company.

THE BOARD HAS NOMINATED THE ABOVE-REFERENCED DIRECTORS FOR ELECTION BY THE STOCKHOLDERS AND RECOMMENDS A VOTE FOR SUCH ELECTION. THE ELECTION OF THESE DIRECTORS REQUIRES A PLURALITY OF THE VOTES OF THE SHARES OF COMMON STOCK PRESENT IN PERSON OR REPRESENTED BY PROXY AT THE ANNUAL MEETING.

ITEM 2

RATIFY THE SELECTION OF DELOITTE & TOUCHE LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2003

The board of directors and the Audit Committee of the board have approved engagement of Deloitte & Touche LLP as independent auditors for the year ending December 31, 2003 consolidated financial statements. The board of directors wishes to obtain from the stockholders a ratification of the board's action in appointing Deloitte & Touche LLP as independent auditors of the Company for the year ending December 31, 2003. Both the Audit Committee of the board of directors and the board itself has approved the engagement of Deloitte & Touche LLP for audit services.

Audit Fees

The aggregate fees billed by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively "Deloitte") for professional services rendered for the audit of the Company's annual financial statements for the year ended December 31, 2002 and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal year were \$135,000.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

Financial Information Systems Design and Implementation Fees

Deloitte rendered no professional services to the Company for information technology services relating to financial information systems design and implementation for the fiscal year ended December 31, 2002.

All Other Fees

The aggregate fees billed by Deloitte for other professional services, primarily tax and accounting related consultations, rendered to the Company, other than the services described above, for the fiscal year ended December 31, 2002 were \$8,800. The Company's Audit Committee has considered that the provision of the services described in the preceding sentence is compatible with maintaining the principal accountant's independence.

In the event the stockholders do not ratify the appointment of Deloitte & Touche LLP as independent auditors for the year ending December 31, 2003, the adverse vote will be considered as a direction to the board of directors to select other auditors for the following year. However, because of the difficulty in making any substitution of auditors so long after the beginning of the year ending December 31, 2003, it is contemplated that the appointment for the year ending December 31, 2003 will be permitted to stand unless the board finds other good reason for making a change.

Representatives of Deloitte & Touche LLP are expected to be present at the meeting, with the opportunity to make a statement if desired to do so. Such representatives are also expected to be available to respond to appropriate questions.

THE BOARD HAS RECOMMENDED THE RATIFICATION OF DELOITTE & TOUCHE LLP AS INDEPENDENT AUDITORS. SUCH RATIFICATION REQUIRES THE AFFIRMATIVE VOTE OF THE MAJORITY OF OUTSTANDING SHARES OF COMMON STOCK PRESENT OR REPRESENTED BY PROXY AT THE ANNUAL MEETING.

ITEM 3

ADOPTION OF THE FIRST CASH FINANCIAL SERVICES, INC. EXECUTIVE PERFORMANCE INCENTIVE PLAN

On January 29, 2003, the board of directors adopted the First Cash Financial Services, Inc. Executive Performance Incentive Plan ("Incentive Plan"), subject to approval of the shareholders. The Incentive Plan provides for the payment of annual incentive compensation to participants based upon the achievement of performance goals established annually by the Compensation Committee based on one or more specified performance criteria.

If the shareholders at the Annual Meeting approve the Incentive Plan, it will become effective as of January 1, 2003 and will continue from year to year until terminated by the board of directors. If the shareholders at the Annual Meeting do not approve the Incentive Plan, certain payments of annual incentive compensation to the Company's executive officers may not be fully deductible by the Company as a compensation expense under Code Section 162(m), as discussed further below.

Summary of the Incentive Plan

The following summary of the Incentive Plan is qualified in its entirety by the full text of the Incentive Plan, a copy of which is attached hereto as Exhibit A. You are encouraged to read the full text of the Incentive Plan if you need more information.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

Consistent with the information regarding Code Section 162(m) presented in the Compensation Committee Report herein, this Incentive Plan is presented for approval by the shareholders in order to preserve the Company's deduction under Code Section 162(m) for certain performance-based compensation that may be paid to its executive officers. Another purpose of the Incentive Plan is to further the Company's ability to attract and retain qualified executives by providing performance-based compensation as an incentive for their efforts to achieve financial and strategic objectives.

The Incentive Plan authorizes the payment of annual incentive compensation to eligible employees of the Company. Participation in the Incentive Plan is limited to the executive officers of the Company and any other employees of the Company or its subsidiaries which the Compensation Committee, at the time it sets performance goals for a particular year, reasonably believes may be deemed to be covered employees for such year under Code Section 162(m), as the same may be amended from time to time. Under Code Section 162(m), a covered employee currently is defined as any individual who, on the last day of the taxable year, is the Chief Executive Officer of the Company or acting in that capacity, or one of the four highest compensated officers of the Company (other than the Chief Executive Officer) determined pursuant to the executive compensation rules under the Exchange Act.

The Incentive Plan will be administered by a committee of the board of directors consisting solely of two or more outside directors, as defined in the regulations under Code Section 162(m). Until specified otherwise, the Compensation Committee will administer the Incentive Plan.

At the beginning of each fiscal year, the Compensation Committee will select the participants in the Incentive Plan for that year. An employee hired or promoted during the year may subsequently be named as a participant. No later than 90 days after the beginning of the year, the Compensation Committee will specify in writing the performance goals and annual performance incentive payments that are to apply for that year. Performance incentive payments may vary among participants and from year to year, but the maximum incentive payment to any participant in a year is \$5,000,000.

The performance goals established by the Compensation Committee will be stated in terms of objective standards or formulae and must be based upon one or more of the following factors: (i) earnings before interest expense, taxes, depreciation and amortization, or "EBITDA;" (ii) earnings before interest expense and taxes "EBIT;" (iii) net earnings; (iv) net income; (v) operating income; (vi) earnings per share; (vii) book value per share; (viii) return on shareholders' equity; (ix) capital expenditures; (x) expenses and expense ratio management; (xi) return on investment; (xii) improvements in capital structure; (xiii) profitability of an identifiable business unit or product; (xiv) maintenance or improvement of profit margins; (xv) stock price; (xvi) market share; (xvii) revenues or sales; (xviii) costs; (xix) cash flow; (xx) working capital; (xxi) return on assets; (xxii) economic value added; (xxiii) expansion of the store base; and (xxiv) gross or net profit. The foregoing criteria may relate to the company as a whole, one or more of our subsidiaries, one or more of our divisions or units, or any combination of the foregoing, and may be applied on an absolute basis or be relative to one or more peer group companies or indices, or any combination thereof, all as the Compensation Committee determines. At the time the performance goals are determined, or at any time prior to the final determination of annual performance incentive compensation, the Compensation Committee may, to the extent permitted under Section 162(m) of the Code and the regulations promulgated thereunder, adjust the performance goals to reflect the impact of specified corporate transactions (such as a stock-split or stock dividend), special charges,

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

foreign currency effects, accounting or tax law changes and other extraordinary or nonrecurring events. In addition, the Compensation Committee retains the sole discretion to decrease, but not increase, the amount of any Performance Award that would otherwise be payable pursuant to the terms of the Plan.

As soon as possible after the end of each year, the Compensation Committee will certify for each participant whether the performance goals for that year have been met. If such goals have been met, the Compensation Committee may authorize payment of the annual performance incentive compensation to the participant. The Compensation Committee has discretion to reduce, but not to increase, the previously established annual performance incentive compensation if the performance goals have been met. Annual performance incentive compensation awards will be paid in cash (or as otherwise determined by the Compensation Committee) as soon as practicable following the close of the performance year. However, such payment may be subject to deferral pursuant to the provisions of any applicable deferred compensation Incentive Plan maintained by the Company or its subsidiaries.

If a participant's employment is terminated for cause during a performance year, he or she will not receive any annual performance incentive compensation for that year. To the extent not governed by an applicable contractual arrangement between the Company and the participant, upon a change in control (as defined in the Incentive Plan) the Company will pay to each individual who was a participant in the Plan immediately prior to the change in control a pro-rated performance award based on performance results achieved through the date of the change in control.

The board of directors may amend or terminate the Incentive Plan at any time, but no such amendment or termination will affect the payment of annual performance incentive compensation for a year already ended, and no such amendment may, without the approval of the shareholders, change the material terms of a performance goal or effect any other change that would cause the loss of a tax deduction to the Company under Code Section 162(m) absent shareholder approval.

Federal Income Tax Consequences.

A participant will recognize ordinary income, and the Company will be allowed a tax deduction, at the time annual performance incentive compensation is paid or payable. Code Section 162(m) provides that no federal income tax deduction is allowed for compensation paid to a covered employee in any taxable year to the extent that such compensation exceeds \$1,000,000. This deduction limitation does not apply to compensation that is performance-based compensation within the meaning of the Code Section 162(m) regulations. The Incentive Plan is intended to preserve the Company's federal income tax deduction for annual performance incentive compensation payments under the Incentive Plan by meeting the requirements for performance-based compensation under Code Section 162(m).

Benefits to Named Executive Officers and Others

Only the executive officers are currently eligible to participate in the Incentive Plan. It is not possible at this time to determine with respect to the named executive officers or the executive officers as a group the benefits or amounts that will be received by such persons under the Incentive Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE EXECUTIVE PERFORMANCE INCENTIVE PLAN. SUCH RATIFICATION REQUIRES THE AFFIRMATIVE VOTE OF THE MAJORITY OF OUTSTANDING SHARES OF COMMON STOCK PRESENT OR REPRESENTED BY PROXY AT THE ANNUAL MEETING.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

In accordance with its written charter adopted by the board, the committee reviews the Company's financial reporting process on behalf of the board of directors and is responsible for ensuring the integrity of the financial information reported by the Company. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, the committee has met and held discussions with management and Deloitte & Touche LLP ("Deloitte"), the Company's independent public accountants. Management represented to the committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the committee has reviewed and discussed the consolidated financial statements with management and Deloitte. Report of the Compensation Committee

Overview

The Compensation Committee of the board of directors supervises the Company's executive compensation. The Company seeks to provide executive compensation that will support the achievement of the Company's financial goals while attracting and retaining talented executives and rewarding superior performance. In performing this function, the Compensation Committee reviews executive compensation surveys and other available information and may from time to time consult with independent compensation consultants.

The Company seeks to provide an overall level of compensation to the Company's executives that are competitive within the pawnshop industry and other companies of comparable size and complexity. Compensation in any particular case may vary from any industry average on the basis of annual and long-term Company performance as well as individual performance. The Compensation Committee will exercise its discretion to set compensation where in its judgment external, internal or individual circumstances warrant it. In general, the Company compensates its executive officers through a combination of base salary, annual incentive compensation in the form of cash bonuses and long-term incentive compensation in the form of stock options and warrants.

Base Salary

Base salary levels for the Company's executive officers are set generally to be competitive in relation to the salary levels of executive officers in other companies within the pawn shop industry or other companies of comparable size, taking into consideration the position's complexity, responsibility and need for special expertise. In reviewing salaries in individual cases the Compensation Committee also takes into account individual experience and performance.

Annual Incentive Compensation

The Compensation Committee has historically structured employment arrangements with incentive compensation. Payment of bonuses has generally depended upon the Company's achievement of pre-tax income targets established at the beginning of each fiscal year or other significant corporate objectives. Individual performance is also considered in determining bonuses. In addition to incentive bonus compensation, the Company has adopted, subject to shareholder approval, an executive

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form DEF 14A

performance incentive plan that provides for the payment of annual incentive compensation to participants based upon the achievement of performance goals established annually by the Compensation Committee based on one or more specified performance criteria. If approved, the plan will administered by the Compensation Committee.

Long-Term Incentive Compensation

The Company provides long-term incentive compensation through its stock option plan and the issuance of warrants, which is described elsewhere in this proxy statement. The number of shares covered by any grant is generally determined by the then current stock price, subject in certain circumstances, to vesting requirements. In special cases, however, grants may be made to reflect increased responsibilities or reward extraordinary performance.

Chief Executive Officer Compensation

Mr. Powell was elected to the position of chief executive officer in May 1992. Mr. Powell's salary was increased from \$500,000 to \$600,000 effective January 1, 2003. Mr. Powell received a bonus in the amount of \$500,000 during the year ended December 31, 2002. Mr. Powell received common stock option grants based upon the overall performance of the Company during the year ended December 31, 2002.

The overall goal of the Compensation Committee is to insure that compensation policies are established that are consistent with the Company's strategic business objectives and that provide incentives for the attainment of those objectives. This is affected in the context of a compensation program that includes base pay, annual incentive compensation and stock ownership.

earnings per share; (vii) book value per share; (viii) return on shareholders' equity; (ix) capital expenditures; (x) expenses and expense ratio management; (xi) return on investment; (xii) improvements in capital structure; (xiii) profitability of an identifiable business unit or product; (xiv) maintenance or improvement of profit margins; (xv) stock price; (xvi) market share; (xvii) revenues or sales; (xviii) costs; (xix) cash flow; (xx) working capital; (xxi) return on assets; (xxii) economic value added; (xxiii) expansion of the store base; and (xxiv) gross or net profit. Performance measures may relate to the Company and/or one or more of its subsidiaries, one or more of its divisions or units or any combination of the foregoing, on a consolidated or nonconsolidated basis, and may be applied on an absolute basis or be relative to one or more peer group companies or indices, or any combination thereof, all as the Committee determines. These factors will not be altered or replaced by any other criteria without ratification by the shareholders of the Company if failure to obtain such approval would result in jeopardizing the tax deductibility of Performance Awards to Participants.

- 4.4 Permissible Adjustments. At the time the Performance Measures are determined for a Plan Year, or at any time prior to the final determination of Performance Awards in respect of that Plan Year, the Committee may, to the extent permitted under Section 162(m) of the Code and the regulations promulgated thereunder, adjust the Performance Measures to reflect the impact of specified corporate transactions (such as a stock-split or stock dividend), special charges, foreign currency effects, accounting or tax law changes and other extraordinary or nonrecurring events. In addition, the Committee retains the sole discretion to decrease, but not increase, the amount of any Performance Award that would otherwise be payable pursuant to the terms of the Plan.

Section 5. Determination of Amount of Performance Awards.

- 5.1 Committee Certification Regarding Performance Measures. As soon as possible following the end of each Plan Year, the Committee shall certify for each Participant whether the Performance Measures for that Plan Year have been met. If such Measures have been met, the Committee will award such Participant the Performance Award established under Section 4 hereof, subject to the discretion reserved in Section 5.3 to reduce such awards, but with no discretion to increase the Performance Award.
- 5.2 Maximum Award. No Performance Award to a Participant for a Plan Year may exceed the Maximum Performance Award.
- 5.3 Reduction of Award Amount. The Committee in its sole discretion may award to a Participant less than the Performance Award regardless of the fact that the Performance Measures for the Plan Year have been met. However, the Committee's decision to award a lesser Performance Award to an individual Participant cannot result in an increase to a Performance Award otherwise earned by any other Participant.

Section 6. Payment of Awards.

Performance Awards for a given Plan Year shall be paid in cash (or as otherwise determined by the Committee) as soon as practicable following the close of that Plan Year. However, such payment may be subject to deferral pursuant to the provisions of any applicable deferred compensation plan maintained by the Company or a Subsidiary.

Section 7. Termination of Employment.

Except as provided in Section 8 of the Plan or as otherwise provided in a Participant's employment agreement if applicable, if a Participant's employment with the Company (and its Subsidiaries, if applicable) terminates prior to the end of a Plan Year for Cause, such Participant shall not receive any Performance Award for such Plan Year. Unless otherwise provided by the Committee, if a Participant's employment is terminated as result of death, disability or retirement with the consent of the Company prior to the end of the Plan Year, such Participant shall receive a pro rata portion of his or her Performance Award that he or she would have received with respect to the applicable Plan Year, which shall be payable at such time that Performance Awards are payable to other Participants.

Section 8. Change in Control.

Upon the occurrence of a Change in Control, (i) the effect of such Change in Control on any Participant's Performance Award for the Plan Year shall first be determined by any applicable contractual arrangements, including but not limited to any continuity agreement, between the Company and the Participant; and (ii) to the extent not governed by any applicable contractual arrangements between the Company and the Participant, the Company shall, within 10 days thereafter, pay to each individual who was a Participant in the Plan immediately prior to the Change in Control (regardless of whether the Participant remains employed after the Change in Control) a pro-rated Performance Award (based on the number of days that have elapsed during the Plan Year though the date of the Change in Control) which is calculated based on the Performance Measures achieved through the date of the Change in Control, and interpolated over the entire Plan Year, provided, however, that in no event shall such Performance Award be less than the amount that would have been paid had the Performance Measures achieved the "target level" as such term is defined in the applicable Plan Year.

Section 9. Plan Administration.

9.1 Administration by Committee. The Plan shall be administered by the Committee, which shall have the authority in its sole discretion, subject to the provisions of the Plan, to administer the Plan and to exercise all the powers either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan.

9.2 Appointment of Committee. The Board shall appoint the Committee from among its members to serve at the pleasure of the Board. The Board from time to time may remove members from, or add members to, the Committee and shall fill all vacancies thereon. The Committee shall at all times consist solely of two or more Outside Directors and initially shall be the Compensation Committee.

9.3 Interpretation of Plan Provisions. The Committee shall have complete discretion to construe and interpret the Plan and may adopt rules and regulations governing administration of the Plan. The Committee may consult with the management of the Company but shall retain responsibility for administration of the Plan. The Committee's decisions, actions and interpretations regarding the Plan shall be final and binding upon all Participants.

Section 10. Compliance with Section 162(m) of the Code.

The Company intends that Performance Awards under this Plan satisfy the applicable requirements of Section 162(m) of the Code so that such Code section does not deny the Company a tax deduction for such Performance

Awards. It is intended that the Plan shall be operated and interpreted such that Performance Awards remain tax deductible by the Company, except to the extent set forth in Section 11.

Section 11. Nonassignability.

No Performance Award granted to a Participant under the Plan shall be assignable or transferable, except by will or by the laws of descent and distribution.

Section 12. Effective Date and Term of Plan.

The Plan shall be effective as of January 1, 2003, subject to approval by the shareholders of the Company. The Plan shall continue from year to year until terminated by the Board. The Company is under no obligation to continue the Plan.

Section 13. Amendment of the Plan.

The Board may amend, modify or terminate the Plan at any time and from time to time. Notwithstanding the foregoing, no such amendment, modification or termination shall affect the payment of a Performance Award for a Plan Year already ended. In addition, any material amendment or modification of the Plan shall be subject to shareholder approval if necessary for purposes of qualifying compensation paid under the Plan as "performance-based compensation" under Code section 162(m).

Section 14. General Provisions.

14.1 Unfunded Plan. The Plan shall be an unfunded incentive compensation arrangement for a select group of key management employees of the Company and its participating Subsidiaries. Nothing contained in the Plan, and no action taken pursuant to the Plan, shall create or be construed to create a trust of any kind. A Participant's right to receive a Performance Award shall be no greater than the right of an unsecured general creditor of the Company. All Performance Awards shall be paid from the general funds of the Company, and no segregation of assets shall be made to ensure payment of Performance Awards.

14.2 Governing Law. The Plan shall be interpreted, construed and administered in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of law.

14.3 Section Headings. The section headings contained in the Plan are for purposes of convenience only and are not intended to define or limit the contents of the Plan's sections.

14.4 Effect on Employment. Nothing contained in the Plan shall affect or be construed as affecting the terms of employment of any Eligible Employee except as expressly provided in the Plan. Nothing in the Plan shall affect or be construed as affecting the right of the Company or a Subsidiary to terminate the employment of an Eligible Employee at any time for any reason, with or without cause.

14.5 Successors. All obligations of the Company with respect to Performance Awards granted under the Plan shall be binding upon any successor to the Company, whether such successor is the result of an acquisition of stock or assets of the Company, a merger, a consolidation or otherwise.

14.6 Withholding of Taxes. The Company shall deduct from each Performance Award the amount of any taxes required to be withheld by any
