PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS

Edgar Filing: HALLMARK FINANCIAL SERVICES INC - Form DEF 14A

TO BE HELD MAY 20, 2004

SOLICITATION AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Hallmark Financial Services, Inc., a Nevada corporation (the "Company"), to be voted at the 2004 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Thursday, May 20, 2004, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders (the "Notice"), and at any adjournment(s) thereof. When proxies in the accompanying form are properly executed and received, the shares represented thereby will be voted at the Annual Meeting in accordance with the directions noted thereon. If no direction is indicated on the proxy, the shares represented thereby will be voted for the election of each of the nominees for director and in the discretion of the proxy holder on any other matter that may properly come before the meeting.

Submitting a proxy will not affect a shareholder's right to vote in person at the Annual Meeting. Any shareholder who gives a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to the Company, by substituting a new proxy executed on a later date, or by making a written request in person at the Annual Meeting that the proxy be returned. However, mere attendance at the Annual Meeting will not of itself revoke the proxy.

All expenses of preparing, assembling and mailing this Proxy Statement and the enclosed materials and all costs of soliciting proxies will be paid by the Company. In addition to solicitation by mail, proxies may be solicited by officers and regular employees of the Company by telephone or in person. Such officers and employees who solicit proxies will receive no compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares they hold, and the Company may reimburse them for reasonable out-of-pocket expenses they incur in forwarding these materials.

The principal executive offices of the Company are located at 777 W. Main Street, Suite 1000, Fort Worth, Texas 76102. The Company's mailing address is the same as that of its principal executive offices.

This Proxy Statement and the accompanying form of proxy are first being mailed or given to shareholders on or about April 23, 2004. A copy of the Company's Annual Report for the fiscal year ended December 31, 2003, is enclosed herewith. Except as expressly incorporated by reference herein, such Annual Report does not constitute a part of the materials used for the solicitation of proxies.

PURPOSES OF THE MEETING

At the Annual Meeting, the shareholders of the Company will consider and vote on the following matters:

1. Election of five directors to serve until the next annual meeting of shareholders or until their successors are duly elected and qualified; and
2. Transaction of such other business as may properly come before the meeting or any adjournment thereof.

QUORUM AND VOTING

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting was the close of business on April 20, 2004 (the "Record Date"). On the Record Date, there were 36,447,291 shares of Common Stock of the Company, par value \$0.03 per share (the "Common Stock"), issued and outstanding, each of which is entitled to one vote on all matters to be acted upon at the Annual Meeting. There are no cumulative voting rights. The presence, in person or by proxy, of holders of one-third of the outstanding shares of Common Stock entitled to vote at the meeting is necessary to constitute a quorum to transact business. Assuming the presence of a quorum, directors will be elected by a plurality of the votes cast. The affirmative vote of the holders of a majority of the shares of Common Stock actually voted will be required for the approval of all other matters to come before the Annual Meeting.

Abstentions and broker non-votes will be counted solely for purposes of determining whether a quorum is present at the Annual Meeting. Pursuant to the Bylaws of the Company, abstentions and broker non-votes will not be counted in determining the number of shares voted on any matter and will have no effect on the election of directors or the approval of any proposal submitted to a vote of the shareholders at the Annual Meeting.

ELECTION OF DIRECTORS (Item 1)

At the Annual Meeting, five directors will be elected for a term expiring at the 2005 annual meeting of the Company's shareholders or when their successors are elected and qualify. Directors will be elected by a plurality of the votes cast at the Annual Meeting. Cumulative voting is not permitted in the election of directors.

The Company's Board of Directors has proposed the following slate of nominees for election as directors at the Annual Meeting. None of the nominees was selected on the basis of any special arrangement or understanding with any other person. None of the nominees bears any family relationship to any other nominee or to any executive officer of the Company. The Board of Directors of the Company has determined that all of its nominees other than Mark E. Schwarz meet the current independence requirements of the American Stock Exchange.

In the absence of instructions to the contrary, shares represented by proxy will be voted for the election of each nominee named below. Each nominee has accepted nomination and agreed to serve if elected. If any nominee becomes unable to serve before election, shares represented by proxy may be voted for the election of a substitute nominee designated by the Board of Directors.

The Board of Directors recommends a vote FOR election of each nominee below.

OTHER BUSINESS

(Item 2)

The Board of Directors knows of no other business to be brought before the Annual Meeting. If, however, any other business should properly come before the Annual Meeting, the persons named in the accompanying proxy will vote the proxy as they in their discretion may deem appropriate, unless they are directed by the proxy to do otherwise.

BOARD OF DIRECTORS

Board Committees

Standing committees of the Board of Directors of the Company include the Executive Committee, the Audit Committee, the Compensation Committee and the Stock Option Committee.

The Executive Committee is comprised of Messrs. Schwarz (chairman), Graves and Manser. Between meetings of the Board of Directors, the Executive Committee has the full power and authority of the Board in the management of the business and affairs of the Corporation, except as limited by the Bylaws or statute. The Executive Committee meets periodically between meetings of the Board of Directors, but held no such meetings during 2003.

The Audit Committee is comprised of Messrs. Manser (chairman), Berlin and Epstein. The Board of Directors has determined that all members of the Audit Committee satisfy the current independence and experience requirements of the American Stock Exchange and the Securities and Exchange Commission. The Board of Directors has also determined that Mr. Manser satisfies the requirements for an "audit committee financial expert" under applicable rules of the Securities and Exchange Commission and has designated Mr. Manser as its "audit committee financial expert." The Audit Committee oversees the conduct of the financial reporting processes of the Company, including reviewing with management and the outside auditors the audited financial statements included in the Company's Annual Report, the Committee chairman reviewing with the outside auditors the interim financial results included in the Company's quarterly reports filed with the Securities and Exchange Commission, discussing with management and the outside auditors the

Edgar Filing: HALLMARK FINANCIAL SERVICES INC - Form DEF 14A

quality and adequacy of internal controls, and reviewing the independence of the outside auditors. See, Audit Committee Report. The Audit Committee met seven times during 2003.

The Compensation Committee and the Stock Option Committee are comprised of Messrs. Graves (chairman), Berlin and Schwarz. Because the Company is a "controlled company," rules of the American Stock Exchange do not require that members of the Compensation Committee be independent. At the direction of the full Board, the Compensation Committee reviews and makes recommendations with respect to compensation of the executive officers of the Company. See, Compensation Committee Report. The Stock Option Committee administers the Company's 1991 Key Employee Stock Option Plan and 1994 Key Employee Long Term Incentive Plan, including the determination of participants therein and the grant of options thereunder. The Compensation Committee and the Stock Option Committee met once during 2003.

Attendance at Meetings

The Board of Directors held four meetings during 2003. Various matters were also approved by the unanimous written consent of the Board of Directors during the last fiscal year. Each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board on which such director served. The Company has no formal policy with respect to the attendance of Board members at the annual meeting of shareholders, but encourages all incumbent directors and director nominees to attend each annual meeting of shareholders. All but one of the incumbent directors and director nominees attended the Company's last annual meeting of shareholders held on May 19, 2003.

Director Compensation

Each non-employee director receives a fee of \$1,500 for each Board meeting attended and a fee of \$750 for each committee meeting attended. Mr. Epstein was also granted an option to purchase 25,000 shares of the Common Stock at a price of \$0.85 per share in connection with his initial election to the Board of Directors in May, 2003. No other compensation was paid to any non-employee director during 2003.

Nomination of Directors

Because the Company is a "controlled company," rules of the American Stock Exchange do not require that the Company have a nominating committee. The Board of Directors has determined that such a committee is not necessary to identify, evaluate and attract qualified nominees. Therefore, the full Board of Directors acts in place of a nominating committee to investigate qualified nominees for election to the Board when vacancies occur. The Board of Directors has not adopted any charter or formal procedures with respect to its consideration of director nominees.

The Board of Directors strives to identify and attract director nominees with a variety of experience who have the business background and personal integrity to represent the interests of all shareholders. Although the Board of Directors has not established any specific minimum qualifications that must be met by a director nominee, factors considered in evaluating potential candidates include educational achievement, managerial experience, business acumen, financial sophistication, insurance industry expertise and strategic planning and policy-making skills. Depending upon the current needs of the Board, some factors may be weighed more or less heavily than others in the Board's deliberations. The Board of Directors evaluates the suitability of a potential director nominee on the basis of written information concerning the candidate, discussions with persons

Edgar Filing: HALLMARK FINANCIAL SERVICES INC - Form DEF 14A

familiar with the background and character of the candidate and personal interviews with the candidate.

The Board of Directors will consider candidates for nomination to the Board from any reasonable source, including shareholder recommendations. The Board of Directors does not evaluate candidates differently based on the source of the proposal. The Board of Directors has not, and has no present intention to, use consultants or search firms to assist in the process of identifying and evaluating candidates.

Shareholders may recommend director candidates for consideration by the Board of Directors by writing to the Chairman of the Board of Directors at the Company's headquarters in Fort Worth, Texas, giving the candidate's name, contact information, biographical data and qualifications. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any such recommendation. The Board has not implemented any formal procedures for consideration of director nominees submitted by shareholders of the Company. The Board of Director has not received any recommendations for director nominees from any person or group beneficially owning more than 5% of the Common Stock of the Company.

Shareholder Communications

The Board of Directors of the Company believes that, in light of the accessibility of its directors to informal communications, a formal process for shareholders to communicate with directors is unnecessary. Any shareholder communication sent to the Board of Directors, either generally or in care of the Chairman of the Board, will be forwarded to members of the Board without screening. Any shareholder communication to the Board of Directors should be addressed in care of the Chairman of the Board and transmitted to the Company's headquarters in Fort Worth, Texas. In order to assure proper handling, the transmittal envelope should include a notation indicating "Board Communication" or "Director Communication." All such correspondence should identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or only specified individual directors. The Chairman will circulate all such correspondence to the appropriate directors.

The Chief Executive Officer, President and Chairman of the Company, Mark E. Schwarz, is the managing member of Newcastle Capital Group, L.L.C., which is the general partner of Newcastle Capital Management, L.P., which is in turn the general partner of Newcastle Partners, L.P. In November, 2002, the Company entered into a promissory note with Newcastle Partners, L.P. pursuant to which the Company could borrow up to \$9,000,000. The promissory note provided for a fixed interest rate of 11.75%. The unpaid principal balance and accrued and unpaid interest became due and payable on demand at any time after September 30, 2003.

In November, 2002, the Company borrowed \$6,500,000 from Newcastle Partners, L.P. to purchase from a major bank all of the right, title and interest in a promissory note (the "Millers Note") payable to the bank by Millers American Group, Inc. ("Millers"), together with all related loan documentation and collateral. At the time of such acquisition, the Millers Note was in default and had an outstanding balance of approximately \$15,070,000. The Millers Note was guaranteed by Trilogy Holdings, Inc. ("Trilogy"), a wholly-owned subsidiary of Millers, and was secured by all of the issued and outstanding capital stock of Millers Insurance Company ("MIC"), a Texas-based property and casualty insurance carrier, and Phoenix Indemnity Insurance Company ("Phoenix"), an Arizona-based property and casualty insurance carrier, each of which was a wholly-owned subsidiary of Trilogy at the time of the acquisition. Effective January 1, 2003, the Company acquired all of the outstanding capital stock of Phoenix in satisfaction of \$7,000,000 of the outstanding balance of the Millers Note. Upon its acquisition, Phoenix became a part of the Company's Personal Lines Group of subsidiaries.

In December, 2002, the Company borrowed an additional \$2,100,000 from Newcastle Partners, L.P. to purchase two inactive subsidiaries from Millers and to purchase Millers General Agency, Inc., an active Texas managing general agency, from MIC. Upon their acquisitions, these subsidiaries became the Company's Commercial Lines Group.

In September, 2003, the Company repaid all principal and accrued interest outstanding on its promissory note to Newcastle Partners, L.P. from the proceeds of a rights offering to its shareholders.

PRINCIPAL SHAREHOLDERS AND STOCK OWNERSHIP OF MANAGEMENT

During September, 2003, the Company completed a rights offering to its shareholders. In connection with the rights offering, the Company's largest shareholder, Newcastle Partners, L.P., exercised its maximum basic and over-subscription rights to acquire 18,356,594 shares of the Company's Common Stock for an aggregate purchase price of approximately \$7.3 million, the source of which was the internal capital of Newcastle Partners, L.P. As a result of this transaction, the percentage beneficial ownership of Newcastle Partners, L.P. increased from approximately 43% of the outstanding Common Stock prior to the rights offering to approximately 62% of the outstanding Common Stock following completion of the rights offering. Such increase in the percentage ownership of Newcastle Partners, L.P. could be deemed a change in control of the Company. Since over 50% of the voting power in the Company is held by Newcastle Partners, L.P., the Company is now considered a "controlled company" under the rules of the American Stock Exchange. Newcastle Partners, L.P. is an affiliate of Mark E. Schwarz, the Chief Executive Officer, President and Chairman of the Company.

The following table and the notes thereto set forth certain information regarding the beneficial ownership of the Common Stock as of the Record Date, by (i) the current executive officers of the Company, (ii) each

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company is composed of three independent directors and operates under a written charter adopted by the Board of Directors in accordance with applicable rules of the Securities and Exchange Commission and the American Stock Exchange. A copy of the Amended and Restated Audit Committee Charter is attached to this Proxy Statement as Appendix A.

The primary purpose of the Audit Committee is to assist the Board in fulfilling its responsibility to oversee management's conduct of the Company's financial reporting process. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and is authorized to retain outside counsel, auditors or other experts for this purpose. Subject to any action that may be taken by the full Board, the Audit Committee also has the authority and responsibility to select, evaluate and, where appropriate, replace the Company's independent certified public accountants.

The Company's management is responsible for preparing the Company's financial statements and the independent accountants are responsible for auditing those financial statements. The role of the Audit Committee is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed the consolidated financial statements with both management and the independent accountants. The Audit Committee also discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee received from the independent accountants the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants their independence.

Based upon the Audit Committee's review and discussions with management and the independent accountants, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB filed with the Securities and Exchange Commission for the year ended December 31, 2003.

INDEPENDENT PUBLIC ACCOUNTANTS

On October 10, 2003, the Company dismissed PricewaterhouseCoopers LLP ("PWC") as its independent accountants and retained KPMG LLP ("KPMG") as its new independent accountants to audit the Company's financial statements for the fiscal year ended December 31, 2003. The decision to change independent accountants was recommended and approved by the Audit Committee.

PWC's reports on the Company's financial statements for the fiscal years ended December 31, 2002 and 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's two preceding fiscal years and through October 10, 2003, there were no disagreements with PWC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to PWC's satisfaction, would have caused them to make reference thereto in connection with their reports on the Company's financial statements. During the Company's two preceding fiscal years and through October 10, 2003, there were no reportable events as defined in Item 304(a)(1)(iv)(B) of Regulation S-B. During the Company's two preceding fiscal years and through October 10, 2003, the Company had not consulted with KPMG regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-B.

The Company provided PWC with a copy of the foregoing disclosures and requested that PWC review such disclosures and provide a letter addressed to the Securities and Exchange Commission stating whether they agree with such statements. A copy of PWC's response letter concurring with such disclosures was attached as Exhibit 16 to the Company's Current Report on Form 8-K filed October 17, 2003.

The Audit Committee has selected KPMG as independent certified public accountants to audit the consolidated financial statements of the Company for the 2004 fiscal year. Representatives of KPMG are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions from shareholders.

The following table presents fees for professional services rendered by the Company's independent accountants for the audit of the Company's consolidated financial statements for the fiscal years ended December 31, 2003, and December 31, 2002, and fees billed for other services rendered by the independent accountants during those periods.

	KPMG in Fiscal 2003 -----	PWC in Fiscal 2003 -----	PWC in Fiscal 2002 -----
Audit Fees 1	\$283,774	\$ 75,837	\$242,542
Audit-Related Fees 1, 2	-0-	\$158,920	\$ 81,000
Tax Fees 3	-0-	\$ 13,250	\$ 37,000
All Other Fees 4	-0-	\$ 67,588	-0-

- 1 Reflects fees for services attributable to the indicated fiscal year, a portion of which fees were paid in the subsequent fiscal year.
- 2 Audit-related fees related to the preparation of required audited financial statements for newly acquired subsidiaries.
- 3 Tax fees related to services in connection with federal, state and local taxes.
- 4 All other fees related to services in connection with the Company's shareholder rights offering and the termination of PWC as the Company's auditors.

The current policy of the Audit Committee is to review and approve all proposed audit and non-audit services prior to the engagement of independent accountants to perform such services. Therefore, the Audit Committee does not presently have any pre-approval policy or procedures. Review and approval of such services generally occur at the Audit Committee's regularly scheduled quarterly meetings. In situations where it is impractical to wait until the next regularly scheduled quarterly meeting, the Audit Committee has delegated to its chairman the authority to approve audit and non-audit services up to a pre-determined level as approved by the Audit Committee. Any audit or non-audit services approved pursuant to such delegation of authority must be reported to the full Audit Committee at its next regularly scheduled meeting. During fiscal 2002 and 2003, all audit and non-audit services performed by the Company's independent accountants were approved in advance by the Audit Committee.

Any shareholder desiring to submit a proposal for inclusion in the proxy material relating to the 2005 annual meeting of shareholders must do so in writing. The proposal must be received at the Company's principal executive offices by December 24, 2004. In addition, with respect to any matter proposed by a shareholder at the 2005 Annual Meeting but not included in the Company's proxy materials, the proxy holders designated by the Company may exercise discretionary voting authority if appropriate notice of the shareholder proposal is not received by the Company at its principal executive office by March 9, 2005.

HALLMARK FINANCIAL SERVICES, INC. AMENDED AND RESTATED AUDIT COMMITTEE CHARTER

April 12, 2004

The Board of Directors (the "Board") of Hallmark Financial Services, Inc. (the "Company") has adopted the following Amended and Restated Audit Committee Charter for the governance of the Audit Committee of the Board.

Purposes

The purposes of the Audit Committee are to serve as an independent and objective party to:

- * Oversee the quality and integrity of the financial statements and other financial information the Company provides to any governmental body or the public;
- * Oversee the independent auditors' qualifications and independence;
- * Oversee the performance of the Company's independent auditors;
- * Oversee the performance of the Company's internal auditors, if any;
- * Oversee the Company's accounting and financial reporting processes and the audits of the Company's financial statements;
- * Oversee the Company's systems of internal controls regarding finance, accounting, and ethics compliance established by the Board and management of the Company;
- * Provide a means for open communication among the independent auditors, internal auditors, financial and senior management and the Board; and
- * Perform such other duties as are directed by the Board.

The Audit Committee shall prepare annually a report meeting the requirements of any applicable regulations of the Securities and Exchange Commission (the "SEC") to be included in the Company's proxy statement relating to its annual meeting of stockholders.

Membership

The Audit Committee shall be comprised of three or more directors, as determined by the Board, none of whom shall be an affiliate of the Company or any of its subsidiaries or an employee or a person who receives any compensation from the Company or any of its subsidiaries other than fees paid for service as a director. The members of the Audit Committee shall be elected by the Board annually and shall serve until their successors shall be duly elected and qualified. Unless the Board otherwise determines in accordance with the listing standards of the American Stock Exchange. ("Amex") and applicable rules and regulations of the SEC, each member shall be "independent" as defined from time to time by the listing standards of Amex and by applicable rules and regulations of the SEC. The Board shall annually review and determine the independence of each member of the Audit Committee. No member may accept, directly or indirectly, any consulting, advisory, or other compensatory fees from the Company or any of its subsidiaries other than director or committee fees. No member shall serve on an audit committee of more than three public companies unless the Board determines that such simultaneous service would not impair the ability of

Edgar Filing: HALLMARK FINANCIAL SERVICES INC - Form DEF 14A

such director to effectively serve on the Audit Committee.

Each member of the Audit Committee shall be able to read and understand financial statements at the time of his or her appointment. The Company shall appoint at least one member who is "financially sophisticated" as defined under the applicable Amex listing standards and shall use its reasonable efforts to appoint at least one member who qualifies as an "audit committee financial expert" as defined by applicable rules and regulations of the SEC.

An audit committee financial expert shall not be deemed an "expert" for any purpose, including for purposes of Section 11 of the Securities Act of 1933. The designation of an Audit Committee member as an audit committee financial expert does not impose any duties, obligations or liability on the audit committee financial expert that are greater than those imposed on other Audit Committee members, nor does it affect the duties, obligations or liability of any other Audit Committee member.

Notwithstanding the foregoing membership requirements, no action of the Audit Committee shall be invalid by reason of any such requirement not being met at the time such action is taken.

Structure and Meetings

The Board shall appoint one member of the Audit Committee as chairperson. The chairperson shall be responsible for leadership of the Audit Committee and reporting to the Board. The Audit Committee shall meet as many times per year as the members deem necessary, but in any event at least four times per year. The Audit Committee should meet at least annually with management and the independent auditors in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately.

Accountability of the Independent Auditors

The independent auditors shall be accountable to and report directly to the Audit Committee. The Audit Committee shall have the sole authority and responsibility with respect to the selection, engagement, compensation, oversight, evaluation and, where appropriate, dismissal of the Company's independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The Audit Committee shall annually select and engage the Company's independent auditors retained to audit the financial statements of the Company. The Audit Committee, or a member thereof, must approve in advance any service, whether an audit or a non-audit service, provided to the Company by the Company's independent auditors, including the plan and scope of any such service and related fees.

Committee Authority and Responsibilities

The Audit Committee shall have the authority to take all actions it deems advisable to fulfill its responsibilities and duties. The Audit Committee has the authority to retain, at the Company's expense and on such terms as the Audit Committee deems necessary or advisable, professional advisors (including, without limitation, special legal counsel, accounting experts, or other consultants) to advise the Audit Committee in connection with the exercise of its powers and responsibilities as set forth in this Audit Committee Charter. Such professional advisors may be the same as or different from the Company's primary legal counsel, accounting experts and other consultants. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of (i) compensation to the independent auditors employed by the Company for the purpose of preparing or

Edgar Filing: HALLMARK FINANCIAL SERVICES INC - Form DEF 14A

issuing an audit report or related work or performing other audit, review or attest services; (ii) compensation to any special legal counsel, accounting experts or other consultants employed by the Audit Committee; and (iii) ordinary administrative expenses of the Audit Committee.

In connection with its purposes, powers and responsibilities, the Audit Committee shall:

Oversee Independent Auditors

- * Annually review the performance, experience and qualifications of the independent auditors' team and the quality control procedures of the independent auditors and discharge the independent auditors when circumstances warrant;
- * Review the disclosures in the Company's periodic reports filed with the SEC regarding any approved non-audit services provided or to be provided by the independent auditors;
- * Periodically obtain and review a report from the independent auditors regarding all relationships between the independent auditors and the Company that may impact the independence of the independent auditors, and discuss such report with the independent auditors. The Audit Committee shall also recommend any appropriate action to the Board in response to the written report necessary to satisfy itself of the independence of the independent auditors;
- * Ensure the rotation, at least every five years, of the lead audit partner having responsibility for the audit and the concurring review partner responsible for reviewing the audit in accordance with applicable Amex listing standards and applicable laws, rules and regulations;

Edgar Filing: HALLMARK FINANCIAL SERVICES INC - Form DEF 14A

internal accounting controls and the extent to which major recommendations made by the independent auditors have been implemented or resolved;

- * Regularly review with the Company's independent auditors any audit problems or difficulties and management's response;
- * Resolve any disagreements between the independent auditors and management regarding the Company's accounting or financial reporting practices;
- * Review and consider with the independent auditors and management the matters required to be discussed by Statement of Auditing Standards Nos. 61, 89 and 90. These discussions shall include consideration of the quality of the Company's accounting principles as applied in its financial reporting, including review of estimates, reserves and accruals, review of judgmental areas, review of audit adjustments (whether or not recorded) and such other inquiries as may be appropriate. These discussions shall also include the review of reports from the independent auditors that include (i) all critical accounting policies and practices used; (ii) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, their ramifications and the preferences of the independent auditors; and (iii) other material written communications between the independent auditors and management. Based on the foregoing review, the Audit Committee shall make its recommendation to the Board as to the inclusion of the Company's audited financial statements in the Company's annual report on Form 10-K;

General

- * Review and approve all related-party transactions;
- * Perform any other activities consistent with this Charter, the Company's Articles of Incorporation and Bylaws, the rules of Amex applicable to its listed companies, and governing law as the Audit Committee or the Board deems necessary or appropriate;
- * Establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal controls, and other auditing matters and for the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing practices.

Review of Committee Charter

At least annually, the Audit Committee shall review and reassess the adequacy of this Charter. The Audit Committee shall report the results of the review to the Board and, if necessary, make recommendations to the Board to amend this Charter.

Limitations

The Audit Committee has the responsibilities and powers set forth in this Charter, and management and the independent auditors for the Company are accountable to the Audit Committee. Management, not the Audit Committee, is responsible for the preparation in accordance with GAAP, and the completeness and accuracy, of the Company's financial statements. The independent auditors, not the Audit Committee, are responsible for the planning and conduct of audits of the Company's financial statements and reviews of the Company's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q.
