NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

To be held on May 14, 2002

To the Shareholders of Northeast Utilities:

The Annual Meeting of Shareholders of Northeast Utilities will be held on Tuesday, May 14, 2002, at 10:30 a.m., at The Event Center, Bedford, New Hampshire, for the following purposes:

1. To elect Trustees for the ensuing year;
2. To ratify the selection of Deloitte & Touche LLP as independent auditors for 2002; and
3. To transact any other business that may properly come before the meeting or any adjournment thereof.

Only shareholders of record at the close of business on March 15, 2002 are entitled to receive notice of and to vote at the meeting or any adjournment thereof. You are cordially invited to be present at the meeting and to vote. Whether or not you plan to attend the meeting, please complete, date and sign the enclosed proxy card and return it in the envelope enclosed for that purpose.

By order of the Board of Trustees,

/s/ GREGORY BUTLER

107 Selden Street

IMPORTANT

Shareholders can help avoid the necessity and expense of follow-up letters to ensure that a quorum is present at the Annual Meeting by promptly returning the enclosed proxy. The enclosed envelope requires no postage, if mailed in the

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

United States.

PROXY STATEMENT

The accompanying proxy is solicited on behalf of the Board of Trustees of Northeast Utilities for use at the Annual Meeting of Shareholders to be held on May 14, 2002, and at any adjournment thereof.

Please read this proxy statement and fill in, date, sign and return the enclosed form of proxy. The proxy may be revoked at any time before it is voted by filing a letter with the Secretary of Northeast Utilities or by a duly executed proxy card bearing a later date. Properly executed proxies not revoked will be voted according to their terms.

Only holders of common shares of record at the close of business on March 15, 2002 (the record date) are entitled to receive notice of and to vote at the meeting or any adjournment thereof. On the record date, there were 133,672,283 common shares outstanding. Each such share is entitled to one vote on each matter to be voted on at the Annual Meeting of Shareholders.

The principal office of Northeast Utilities is located at 174 Brush Hill Avenue, West Springfield, Massachusetts. The general offices of Northeast Utilities and its subsidiaries are located at 107 Selden Street, Berlin, Connecticut (mailing address: Post Office Box 270, Hartford, Connecticut 06141-0270). This proxy statement and the accompanying proxy card are being mailed to shareholders commencing March 25, 2002.

An affirmative vote of a majority of the common shares outstanding as of the record date will be required to elect the nominees named below.

1. ELECTION OF TRUSTEES

Unless a shareholder specifies otherwise, the enclosed proxy will be voted to elect the nominees named below as Trustees to serve until the next Annual Meeting and until their successors have been elected and shall have qualified. Each nominee has been previously elected as a Trustee by shareholders and is currently serving as a Trustee except for Messrs. Richard H. Booth and James F. Cordes, who were elected to the Board in 2001 to fill vacancies. Mr. William J. Pape II, who was first elected a Trustee by shareholders in 1974, retired from the Board in 2001 and is not a candidate for re-election. Mr. John F. Turner, who was first elected a Trustee by shareholders in 1995, resigned from the Board in 2001 to accept a position with the Federal government.

If one or more of the nominees should become unavailable for election, the proxy may be voted for a substitute person or persons, but not more than the nominees proposed. In accordance with Northeast Utilities' Declaration of Trust, the number of Trustee positions will continue to be thirteen, as set by the shareholders in 2000, in order to afford the Board of Trustees flexibility to add targeted expertise as appropriate between Annual Meetings of Shareholders.

1

The Board of Trustees recommends that shareholders vote FOR election of the nominees listed below.

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

BOARD COMMITTEES AND RESPONSIBILITIES

The Board of Trustees of Northeast Utilities has Audit, Compensation, Corporate Affairs, Corporate Governance, Executive, Finance and Nuclear Committees. The Board of Trustees does not have a Nominating Committee. The Board of Trustees has adopted a written charter for each such Committee.

The Audit Committee meets independently with the internal and independent auditors of Northeast Utilities and its subsidiaries to review the auditors' activities, procedures and recommendations. Following each meeting, the Committee reports to the full Board. The Committee recommends annually the appointment of Northeast Utilities' independent auditors for the coming year. The Audit Committee met five times in 2001. The members of the Committee are Messrs. Swope (Chair), Booth (Vice Chair), and Golden and Drs. de Planque and Kennan, none of whom is an employee of Northeast Utilities or its subsidiaries. A report from the Audit Committee is included in this proxy statement.

The Compensation Committee reviews and adjusts, as appropriate, the compensation policies of Northeast Utilities and its subsidiaries and establishes and implements an evaluation process for the Chief Executive Officer in conjunction with the Corporate Governance Committee. Following each meeting, the Committee reports to the full Board. The Compensation Committee met nine times in 2001. The members of the Committee are Messrs. Patricelli (Chair), Swope (Vice Chair), Cloud and Golden, Ms. Cleveland, and Drs. de Planque and Kennan, none of whom is an employee of Northeast Utilities or its subsidiaries. A report from this Committee with respect to executive compensation is included in this proxy statement.

The Corporate Affairs Committee reviews the policies and practices of Northeast Utilities and its subsidiaries on public issues in areas such as health, safety, environment and equal employment opportunity. Following each meeting, the Committee reports to the full Board. The Corporate Affairs Committee met twice in 2001. The members of the Committee are Ms. Cleveland (Chair), Messrs. Cloud (Vice Chair), Golden and Swope, and Dr. Kennan, none of whom is an employee of Northeast Utilities or its subsidiaries.

The Corporate Governance Committee recommends criteria for new Trustees and identifies prospective Board candidates. The Committee also evaluates the Board's performance and, in conjunction with the Compensation Committee, establishes and implements an evaluation process for the Chief Executive Officer. Following each meeting, the Committee reports to the full Board. The Corporate Governance Committee met four times in 2001. The members of the Committee are Dr. Kennan (Chair), Ms. Cleveland (Vice Chair) and Messrs. Cloud and Cordes, none of whom is an employee of Northeast Utilities or its subsidiaries.

The Executive Committee is empowered to exercise all the authority of the Board, subject to certain limitations set forth in Northeast Utilities' Declaration of Trust, during the intervals between meetings of the Board. The Executive Committee met twice in 2001. The members of the Executive Committee are Mr. Morris (Chair), Dr. Kennan (Vice Chair), Messrs. Patricelli and Swope and Dr. de Planque. Other than Mr. Morris, no Committee member is an employee of Northeast Utilities or its subsidiaries.

The Finance Committee assists the Board in fulfilling its fiduciary responsibilities relating to financial plans, policies and programs for Northeast Utilities and its subsidiaries. Following each meeting, the Committee reports to the full Board. The Finance Committee met six times in 2001. The members of the Finance Committee are Messrs. Golden (Chair), Morris (Vice Chair), Booth, Cloud, Cordes, Forsgren and Patricelli and Dr. Kennan. Other

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

than Messrs. Forsgren and Morris, no Committee member is an employee of Northeast Utilities or its subsidiaries.

6

The Nuclear Committee provides the Board with an independent basis for overseeing the safety and effectiveness of the nuclear program of the Northeast Utilities system. More recently, specific attention has been given to operation of Seabrook Unit 1; decommissioning activities of Connecticut Yankee Atomic Power Station; management's attention to nuclear safety; progress in resolving issues with the Nuclear Regulatory Commission, the Institute of Nuclear Power Operations and other independent evaluations of nuclear operations; and progress in resolving employee and community concerns. Following each meeting the Committee reports to the full Board. The Nuclear Committee met ten times in 2001. The members of the Committee are Dr. de Planque (Chair), Ms. Cleveland (Vice Chair), Messrs. Cordes and Swope, and Dr. Kennan, none of whom is an employee of Northeast Utilities or its subsidiaries.

In 2001, the Board of Trustees held 19 meetings and the Board and Committees of the Board held a total of 57 meetings. All of the nominees for Trustee attended 75 percent or more of the aggregate number of meetings of the Board and the Committees of which they were members.

Notes to Summary Compensation and Option/SAR Grants and Exercises Tables:

- (1) Other annual compensation for Mr. Morris consists of 1999 relocation expense reimbursements.
- (2) The aggregate restricted stock holdings by the five individuals named in the table were, at December 31, 2001, 15,263 shares with a value of \$269,087. Awards shown for 1999 vested one-third on February 23, 2000, one-third on February 23, 2001, and one-third on February 23, 2002. No restricted shares were awarded to these individuals during 2001. Dividends paid on restricted stock are either paid out or reinvested into additional shares.
- (3) "All Other Compensation" for 2001 consists of employer matching contributions under the Northeast Utilities Service Company 401k Plan, generally available to all eligible employees (\$5,100 for each named officer) and matching contributions under the Deferred Compensation Plan for Executives (Mr. Morris--\$21,900, Mrs. Grise--\$5,019, Mr. Kenyon--\$10,350, and Mr. Simon--\$1,996). "All Other Compensation" for Mr. Simon for 2000 consists of \$5,100 in 401k employer matching contributions and \$1,846 in deferred compensation matching contributions, and for 1999 consists of \$4,800 in 401k matching contributions and \$182 in deferred compensation matching contributions.
- (4) These options were granted on February 27, 2001 under the Incentive Plan. All options granted vest one-third on February 27, 2002, one-third on February 27, 2003 and one-third on February 27, 2004. Valued using the Black-Scholes option pricing model, discounted by 5.71% to reflect the risk of forfeiture, with the following assumptions: Volatility: 25.96 percent (36 months of monthly data); Risk-free rate: 5.23 percent; Dividend yield: 0.94 percent; Exercise date: February 27, 2011.
- (5) These options were granted on June 28, 2001 under the Incentive Plan. All options granted vest one-third on June 28, 2002, one-third on June 28, 2003 and one-third on June 28, 2004. Valued using the Black-Scholes option pricing model, discounted by 5.71% to reflect the risk of forfeiture, with the following assumptions: Volatility: 26.38 percent (36 months of monthly data); Risk-free rate: 5.63 percent; Dividend yield: 1.12 percent; Exercise date: June 28, 2011.

PENSION BENEFITS

The tables on the following pages show the estimated annual retirement benefits payable to an executive officer of Northeast Utilities upon retirement, assuming that retirement occurs at age 65 and that the officer is at that time not only eligible for a pension benefit under the Northeast Utilities Service Company Retirement Plan (the Retirement Plan) but also eligible for either the make-whole benefit or the make-whole benefit plus the target benefit under the Supplemental Executive Retirement Plan for Officers of Northeast Utilities System Companies (the Supplemental Plan). The Supplemental Plan is a non-qualified pension plan providing supplemental retirement income to system officers. The make-whole benefit under the Supplemental Plan, available to all officers, makes up for benefits lost through application of certain tax code limitations on the benefits that may be provided under the Retirement Plan, and includes as "compensation" awards under the executive incentive plans and deferred compensation (as earned). The target benefit further supplements these benefits and is available to officers at the Senior Vice President level and higher who are selected by the Board of Trustees to participate in the target benefit and who remain in the employ of Northeast Utilities companies until at least age 60 (unless the Board of Trustees sets an

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

earlier age).

Mr. Forsgren and Mrs. Grise are currently eligible for a make-whole plus a target benefit. Messrs. Kenyon and Simon are eligible for the make-whole benefit but not the target benefit.

Mr. Kenyon's Employment Agreement provides specially calculated retirement benefits, based on his previous arrangement with South Carolina Electric and Gas, which supplement his make-whole benefit under the Supplemental Plan. If Mr. Kenyon retires with at least three years of service with the Company, he will be deemed to have two extra years of service for purpose of his special retirement benefit. If after achieving three years of service he voluntarily terminates employment following a "substantial change in responsibilities resulting from a material change in the business of Northeast Utilities", he will be deemed to have an additional year of service for purpose of his special retirement benefit, and if he retires with at least three years of service with the Company, he will receive a lump sum payment of \$500,000. Mr. Kenyon has met these service-related milestones.

Mr. Morris's Employment Agreement provides that upon retirement after reaching the fifth anniversary of his employment date (or upon disability or termination without cause or following a change of control, as defined) he will be entitled to receive a special retirement benefit calculated by applying the benefit formula of the CMS Energy/Consumers Energy Company (CMS) Supplemental Executive Retirement Plan to all compensation earned from the Northeast Utilities system (the Company) and to all service rendered to the Company and CMS. If Mr. Morris retires after age 60, his special retirement benefit will be no less than that which he would have received had he been eligible for a make-whole benefit plus a target benefit under the Supplemental Plan.

Mr. Forsgren's Employment Agreement provides for supplemental pension benefits based on crediting up to ten years additional service and providing payments equal to 25 percent of salary for up to 15 years following retirement, reduced by four percentage points for each year that his age is less than 65 years at retirement. In addition, if Mr. Forsgren retires after age 58, he will be eligible for a make-whole plus a target benefit under the Supplemental Plan based on crediting three extra years of service, unreduced for early commencement.

The benefits presented in the tables above are based on a straight life annuity beginning at age 65 and do not take into account any reduction for joint and survivorship annuity payments. Final average compensation for purposes of calculating the target benefit is the highest average annual compensation of the participant during any 36 consecutive months compensation was earned. Final average compensation for purposes of calculating the make-whole benefit is the highest average annual compensation of the participant during any 60 consecutive months compensation was earned. Compensation for these benefits takes into account the annual compensation shown in the Summary Compensation Table and long term incentive compensation but does not include employer matching contributions under the 401k Plan. In the event that an officer's employment terminates because of disability, the retirement benefits shown above would be offset by the amount of any disability benefits payable to the recipient that are attributable to contributions made by Northeast Utilities and its subsidiaries under long term disability plans and policies.

As of December 31, 2001, the executive officers named in the Summary Compensation Table had the following years of credited service for purposes of the Supplemental Plan: Mr. Kenyon--7, Mr. Forsgren--5, Mrs. Grise--21, and Mr. Simon--3. Mr. Morris had 23 years of service for purposes of his special retirement benefit. In addition, Mr. Forsgren had 10 years of service for purposes of his supplemental pension benefit and would have 25 years of service for such purpose if he were to retire at age 65.

TRUSTEE COMPENSATION

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

During 2001, each Trustee who was not an employee of Northeast Utilities or its subsidiaries was compensated at an annual rate of \$20,000 cash plus 500 common shares of Northeast Utilities, and received \$1,000 for each meeting attended of the Board or its Committees. Effective January 1, 2002, the annual payment of 500 shares was increased to 1,000 shares. A non-employee Trustee who participates in a meeting of the Board or any of its Committees by conference telephone receives \$675 per meeting. Also, a non-employee Trustee who is asked by either the Board of Trustees or the Chairman of the Board to perform extra services in the interest of the Northeast Utilities system may receive additional compensation of \$1,000 per day plus necessary expenses. The Chairs of the Audit, the Compensation, the Corporate Affairs, the Corporate Governance, the Finance and the Nuclear Committees were compensated at an additional annual rate of \$3,500. In addition to the above compensation, Dr. Kennan is paid at the annual rate of \$30,000 for the extra services performed as Lead Trustee. The Chair of the Nuclear Committee receives an additional retainer at the rate of \$25,000 per year.

Under the terms of the Northeast Utilities Incentive Plan (Incentive Plan) adopted by shareholders at the 1998 Annual Meeting, each non-employee Trustee is eligible for stock-based grants. During 2001 each such Trustee was granted non-qualified options to purchase 2,500 common shares of Northeast Utilities. Receipt of shares acquired on exercise of these options may be deferred pursuant to the terms of the Northeast Utilities Deferred Compensation Plan for Executives. In February 2002 each non-employee Trustee was granted non-qualified options to purchase 2,500 common shares.

Prior to the beginning of each calendar year, each non-employee Trustee may irrevocably elect to have all or any portion of their retainers and fees paid in the form of common shares of Northeast Utilities. Pursuant to the Northeast Utilities Deferred Compensation Plan for Trustees, each Trustee may also irrevocably elect to defer receipt of some or all cash and/or share compensation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Trustees and certain officers of Northeast Utilities and persons who beneficially own more than ten percent of the outstanding common shares of Northeast Utilities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC) and the New York Stock Exchange. Based on review of copies of such forms furnished to Northeast Utilities, or written representations that no Form 5 was required, Northeast Utilities believes that for the year ended December 31, 2001, all such reporting requirements were complied with in a timely manner except that Mrs. Grise and Mr. Kenyon each reported the exercise of stock appreciation rights in September, 2001 on their Form 5 for 2001 rather than on a Form 4 for September 2001.

14

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT ARRANGEMENTS

Northeast Utilities has entered into an employment agreement with Mr. Morris and Northeast Utilities Service Company (NUSCO) has entered into employment agreements with each of the other named executive officers except Mr. Simon. Mr. Simon participates in the Special Severance Program for Officers of Northeast Utilities Companies. The agreements and the Special Severance Program are also binding on Northeast Utilities and on each majority-owned subsidiary of Northeast Utilities.

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

Each agreement obligates the officer to perform such duties as may be directed by the NUSCO Board of Directors or the Northeast Utilities Board of Trustees, protect the Company's confidential information, and refrain, while employed by the Company and for a period of time thereafter, from competing with the Company in a specified geographic area. Each agreement provides that the officer's base salary will not be reduced below certain levels without the consent of the officer, and that the officer will participate in specified benefits under the Supplemental Executive Retirement Plan or other supplemental retirement programs (see Pension Benefits, above) and/or in certain executive incentive programs at specified incentive opportunity levels.

Each agreement provides for a specified employment term and for automatic one-year extensions of the employment term unless at least six months' notice of non-renewal is given by either party. The employment term may also be ended by the Company for "cause", as defined, at any time (in which case no supplemental retirement benefit, if any, shall be due), or by the officer on thirty days' prior written notice for any reason. Absent "cause", the Company may remove the officer from his or her position on sixty days' prior written notice, but in the event the officer is so removed and signs a release of all claims against the Company, the officer will receive one or two years' base salary and annual incentive payments, specified employee welfare and pension benefits, and vesting of stock appreciation rights, options and restricted stock.

Under the terms of the agreements and the Special Severance Program, upon any termination of employment following a change of control, as defined, between (a) the earlier of the date shareholders approve a change of control transaction or a change of control transaction occurs and (b) the earlier of the date, if any, on which the Board of Trustees abandons the transaction or the date two years following the change of control, if the officer signs a release of all claims against the Company, the officer will be entitled to certain payments including a multiple (not to exceed three) of annual base salary, annual incentive payments, specified employee welfare and pension benefits, and vesting of stock appreciation rights, options and restricted stock. Certain of the change of control provisions may be modified by the Board of Trustees prior to a change of control, on at least two years' notice to the affected officer(s).

Besides the terms described above, the agreements of Messrs. Morris, Kenyon and Forsgren provide for a specified salary, cash, restricted stock and/or stock options upon employment, special incentive programs and/or special retirement benefits. See Pension Benefits, above, for further description of these provisions. The agreements of Mr. Forsgren and Mrs. Grise were supplemented during 2001 to provide for special deferred compensation of \$520,000 and \$500,000, respectively, vesting in even installments (adjusted to reflect investment performance) on June 28, 2002, 2003 and 2004, so long as such officer remains in the employ of Northeast Utilities Service Company, and vesting sooner in the event of a change of control of the Company or involuntary termination without cause.

The descriptions of the various agreements set forth above are for purpose of disclosure in accordance with the proxy and other disclosure rules of the SEC and shall not be controlling on any party; the actual terms of the agreements themselves determine the rights and obligations of the parties.

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

The Compensation Committee of the Board of Trustees (the Committee) is the administrator of executive compensation for the executives of the Northeast Utilities system (the Company) with authority to establish and interpret the terms of the Company's executive salary and incentive programs. The goal of the Committee's executive compensation program for 2001 was to provide a competitive compensation package to enable the Company to attract and retain key executives with an eye towards the future in a more competitive environment. To help achieve this, the Committee drew upon information from a variety of sources, including compensation consultants, utility and general industry surveys, and other publicly available information, including proxy statements. The Committee further sought to align executive interests with those of Northeast Utilities' shareholders and with Company performance by continuing with the use of share-based incentives as a significant part of executives' compensation.

Base Salary

The Committee sets the annual base salary for each executive officer except for the Chief Executive Officer (CEO), whose base salary is set by the Board of Trustees following a recommendation by the Committee pursuant to an evaluation process developed by the Committee in conjunction with the Corporate Governance Committee of the Board of Trustees. The Committee periodically adjusts officers' base salaries to reflect considerations such as changes in responsibility, market sensitivity, individual performance and internal equity. In 2001 the Committee reviewed the average salary growth of officers, as reported by several national surveys, with the goal of maintaining the current competitive salary positions. The CEO's base salary was not increased in 2001 based on the market review that supported a higher proportion of incentive compensation in the CEO's total compensation.

Annual Incentive Awards

The Committee again implemented an Annual Incentive Program during 2001. The Annual Incentive Program was designed to calculate actual aggregate payouts based on the Company's performance against a net income goal and pre-established individual goals. Individual awards were made in cash in February 2002, except that for certain senior officers including the CEO, half of the award was made in the form of restricted NU common shares. The CEO received an award under this program of \$434,903 and 23,407 restricted shares, having an aggregate value equal to 97 percent of base pay. This total amount was less than target for incentive compensation, given the Company's shortfall in the fulfillment of its net income goals.

Long-Term Incentive Grants

Long-term stock-based incentive grants were made in February through June 2001 to each executive officer and other officers and certain key employees of the Company. The Committee targeted these awards, which were made entirely in the form of stock options, such that total incentive awards for the officer group would be at the 50th percentile of general industry. The CEO's grant was targeted at 259 percent of base salary based upon the Committee's dual goals of market competitiveness and alignment with shareholder interests. The CEO received options to purchase 120,000 shares at a price of \$21.03 in February 2001 and options to purchase 100,000 shares at a price of \$20.06 per share in June 2001.

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

The Committee believes that its compensation program adequately responds to issues raised by the deductibility cap placed on executive salaries by Section 162(m) of the Internal Revenue Code because of the use of stock options and qualified performance-based compensation in Company incentive programs.

2. RATIFICATION OF THE SELECTION OF AUDITORS

The firm of Deloitte & Touche LLP, independent public accountants, has been recommended by the Audit Committee to the Board of Trustees to serve as independent auditors of Northeast Utilities and its subsidiaries for 2002, and the Board of Trustees recommends that shareholders ratify the selection by the Board of Trustees of Deloitte & Touche LLP to audit the accounts of Northeast Utilities and its subsidiaries for 2002. Representatives of Deloitte & Touche LLP and Arthur Andersen LLP are expected to be present at the meeting. They will have the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions raised at the meeting.

The Board of Trustees recommends that shareholders vote FOR this proposal.

RELATIONSHIP WITH INDEPENDENT AUDITORS

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form DEF 14A

Prior to 2002, Arthur Andersen LLP had been the independent accounting firm that audits the financial statements of Northeast Utilities and its subsidiaries since 1977. In March 2002, following an evaluation of several auditing firms, Deloitte & Touche LLP was selected by the Board to audit the accounts of Northeast Utilities and its subsidiaries for 2002.

Audit services performed by Arthur Andersen LLP for fiscal year 2001 consisted of an audit and report on the financial statements of Northeast Utilities and its principal subsidiaries with respect to filings with government agencies such as the Securities and Exchange Commission, the Federal Energy Regulatory Commission, and the Connecticut Department of Public Utility Control.

The Audit Committee has considered whether the provision of non-audit services by Arthur Andersen LLP is compatible with maintaining auditor independence.

During fiscal year 2001, Northeast Utilities retained Arthur Andersen LLP to provide services in the following categories and amounts:

Audit fees.....	\$1,045,000
Financial information systems design and implementation fees	0
All other fees:	
Audit-related fees*.....	\$ 515,900
Other fees, primarily tax consultations.....	447,100

Total all other fees.....	\$ 963,000
	=====

* Audit-related fees include benefit plan financial statement audits, financings-comfort letters and consents, accounting consultation, agreed-upon procedures and advisor to internal controls committee.

19

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is responsible for oversight of the relationship of Northeast Utilities with its independent accountants on behalf of the Board of Trustees. As part of its responsibilities, the Audit Committee has received the written disclosures and the letter from the independent accountants required by the Independence Standards Board, has discussed these matters and the independent accountant's independence with the independent accountants as required pursuant to generally accepted auditing standards, and has reviewed and discussed the audited financial statements of Northeast Utilities for the year ended December 31, 2001 with management. The Audit Committee is aware of the recent increased scrutiny of financial statement disclosures of publicly held companies and related disclosure guidance issued by the Securities and Exchange Commission. The Audit Committee has discussed the appropriateness and adequacy of disclosures in the financial statements with management and the independent auditors in light of this guidance. Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in Northeast Utilities' Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission.

3. OTHER MATTERS

The Board of Trustees knows of no matters other than the foregoing to come before the meeting. However, if any other matters come before the meeting, the persons named in the enclosed proxy will vote in their discretion with respect to such other matters.

ANNUAL REPORT

Northeast Utilities' Annual Report to Shareholders for the year ended December 31, 2001, including financial statements, is being mailed with or prior to this proxy statement. An additional copy of the Annual Report will be mailed to any shareholder upon request.

20

COST OF SOLICITATION OF PROXIES

The cost of soliciting proxies on behalf of the Board of Trustees will be borne by Northeast Utilities. In addition to the use of the mails, proxies may be solicited by personal interview, telephone or telegraph, by Trustees, officers or employees of Northeast Utilities or Northeast Utilities Service Company, by employees of The Bank of New York, Transfer Agent and Registrar, or by an independent company, Morrow & Co., Inc., which has been retained to assist in the solicitation of proxies from banks, brokerage firms, nominees and individual shareholders for a fee of \$12,000 plus reimbursement for expenses. Arrangements will be made to reimburse brokerage firms, nominees, custodians and fiduciaries for expenses incurred in forwarding solicitation materials to the beneficial owners of common shares held as of March 15, 2002.

SHAREHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

To be included in the proxy statement and form of proxy for the 2003 Annual Meeting of Shareholders, proposals by shareholders must be received no later than December 1, 2002, and must satisfy the conditions established by the SEC. Shareholder proposals submitted to be considered at the 2003 Annual Meeting without inclusion in next year's proxy materials must be received no later than February 14, 2003. If Northeast Utilities is not notified of a shareholder proposal by February 14, 2003, then proxies held by management may provide the discretion to vote against such proposal, even though such proposal is not discussed in the proxy statement. Proposals should be addressed to O. Kay Comendul, Assistant Secretary, Northeast Utilities, Post Office Box 270, Hartford, Connecticut 06141-0270.
