At that date, there were 16,040,550 shares of Common Stock (\$0.10 par value) of the Corporation ("Common Stock") outstanding. Each share of Common Stock is entitled to one vote. PROXIES

HOW YOU CAN VOTE

Shareholders of record can give a proxy to be voted at the meeting either (i) over the telephone by calling the toll-free number identified on the proxy card, (ii) electronically, using the Internet, or (iii) by mailing in the enclosed proxy card. Shareholders who hold their shares in "street name" must vote their shares in the manner prescribed by their brokers.

The telephone and Internet voting procedures have been set up for shareholder convenience and have been designed to authenticate shareholder identity, to allow shareholders to give voting instructions, and to confirm that those instructions have been recorded properly. If shareholders of record would like to vote by proxy by telephone or by using the Internet, please refer to the specific instructions set forth on the enclosed proxy card. If shareholders wish to vote using a paper format and return their signed proxy before the Annual Meeting, their shares will be voted as directed.

Whether shareholders choose to vote by telephone, over the Internet or by mail, they can specify whether their shares should be voted for the Board of Directors' nominees for Director, as shown on the proxy card.

IF SHAREHOLDERS DO NOT SPECIFY ON THEIR PROXY CARD (OR WHEN GIVING THEIR PROXY BY TELEPHONE OR OVER THE INTERNET) HOW THEY WANT TO VOTE THEIR SHARES, IT IS THE INTENTION OF THE PERSONS NAMED ON THE PROXY FORM TO VOTE "FOR" THE ELECTION OF THE NOMINEES FOR DIRECTOR AS SET FORTH UNDER "PROPOSAL NO. 1 - ELECTION OF DIRECTORS" HEREIN. ABSTENTIONS AND BROKER NON-VOTES ARE VOTED NEITHER "FOR" NOR "AGAINST" AND HAVE NO EFFECT ON THE VOTE BUT ARE COUNTED IN THE DETERMINATION OF A QUORUM.

1

REVOCAION OF PROXIES

Shareholders can revoke their proxy at any time before it is exercised in any of three ways:

- (a) by submitting written notice of revocation to the Corporate Secretary;
- (b) by submitting another proxy by telephone, over the Internet, or by mail that is later dated and (if by mail) that is properly signed; or
- (c) by voting in person at the meeting.

COST OF PROXY SOLICITATION

Edgar Filing: CH ENERGY GROUP INC - Form DEF 14A

The cost of preparing, printing, and mailing the notice of meeting, proxy statement, proxy, and annual report will be borne by the Corporation. Proxy solicitation other than by use of the mail may be made by regular employees of the Corporation by telephone and personal solicitation. Banks, brokerage houses, custodians, nominees, and fiduciaries are requested to forward soliciting material to their principal(s) and to obtain authorization for the execution of proxies, and may be reimbursed for their out-of-pocket expenses incurred in that connection. In addition, the Corporation has retained D.F. King & Co., Inc. of New York, NY, a proxy solicitation organization, to assist in the solicitation of proxies. The fee of such organization in connection therewith is estimated to be \$7,000, plus reasonable out-of-pocket expenses.

SHAREHOLDER COMMUNICATIONS

Highlights of the 2003 Annual Meeting will be published on the Corporation's Internet site (www.chenergygroup.com) and in the Corporation's August 1, 2003 Report to Shareholders.

Shareholders' comments related to any aspect of the Corporation's business are welcome. Space for comments is provided on the proxy card given to shareholders of record. Shareholders may submit comments to the Corporation in care of the Corporate Secretary. Although comments are not answered on an individual basis, they do assist the Directors and Management in addressing the needs of shareholders.

SHAREHOLDER PROPOSALS

A shareholder who would like to have a proposal included in the Corporation's 2004 Proxy Statement must submit the proposal so that the Corporate Secretary receives it no later than November 3, 2003. The Rules of the Securities and Exchange Commission contain procedures governing shareholder proposals that may be included in a proxy statement. In addition, the Corporation's By-laws must be followed. The By-laws require any shareholder wishing to make a nomination for Director or to introduce a proposal or other business at the Corporation's 2004 Annual Meeting of Shareholders to give the Corporation advance written notice thereof no earlier than January 1, 2004 and no later than February 1, 2004.

2

CURRENT DIRECTORS, CLASSES AND TERMS OF OFFICE

The Corporation's Restated Certificate of Incorporation and By-laws require that the Board of Directors be divided into three classes as nearly equal in number as possible with staggered terms so that, at each Annual Meeting of Shareholders, one class of Directors will stand for election to a three year term. The Directors currently in classes and their respective terms of office expire as of the Annual Meeting of the years shown below:

CLASS I - 2004

STOCK PLAN FOR OUTSIDE DIRECTORS

The Corporation's Stock Plan for Outside Directors ("Stock Plan") provides that at least a portion of compensation of the outside Directors of the Corporation be made in the form of the Corporation's Common Stock.

The Stock Plan provides that each Outside Director receives 50 shares of the Corporation's Common Stock for each full quarter of each year of service as an Outside Director. The shares are awarded on a quarterly basis.

When an Outside Director ceases to be a Director for any reason (other than for cause), that Director will continue to receive shares of Common Stock on a quarterly basis for each full quarter of past service (25 shares for each completed service quarter prior to April 26, 2002, and 50 shares for each completed service quarter thereafter). Service as a Director of Central Hudson is included for calculation purposes in the Stock Plan. No distribution will be

Edgar Filing: CH ENERGY GROUP INC - Form DEF 14A

made to a Director's estate under the Stock Plan after that Director's death.

LONG-TERM PERFORMANCE-BASED INCENTIVE PLAN

The Corporation's Long-Term Performance-Based Incentive Plan, approved by shareholders at the 2000 Annual Meeting of Shareholders and subsequently amended, became effective January 1, 2000 (as amended, the "Incentive Plan"). The purposes of the Incentive Plan are to provide key executives with long-term compensation incentives that are tied to performance and to create increased shareholder value, and for Outside Directors, to provide additional equity compensation.

The Incentive Plan provides, in part, that (a) non-qualified stock options covering 3,000 shares be granted to each Outside Director as of January 1, 2001; (b) 1,000 non-qualified stock options, exercisable on and after the date of grant with a term of ten years, be granted to Outside Directors of the Corporation on January 1 of each year, upon authorization of the Compensation Committee; (c) the price of such stock options be the Fair Market Value of the Corporation's Common Stock on the date of the grant. No stock options were granted to Outside Directors under the Incentive Plan in 2002.

THE COMPENSATION AND SUCCESSION COMMITTEE

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation and Succession Committee (the "Compensation Committee") are Steven M. Fetter (Chairman), Jack Effron and Stanley J. Grubel. The Compensation Committee had eight meetings in 2002. The Compensation Committee (a) considers and recommends to the Board of Directors the compensation of (i) Directors and officers of the Board of Directors, (ii) the Chairman of the Board, President and Chief Executive Officer (and special terms, if any, of employment) and of the Chief Operating Officer and Chief Financial Officer, (iii) the senior executive officers of the Corporation, and (b) reviews recommendations on compensation for other officers of the Corporation and its subsidiary companies. Annual salary determinations by the Board of Directors become effective as of the Annual Meeting of Shareholders of each year and continue until the following Annual Meeting. Further, the Compensation Committee reviews the candidates for appointment by the Board of Directors as officers of the Corporation and its subsidiary companies.

The Compensation Committee is also charged with considering and receiving proposed nominees by shareholders for election to the Board of Directors, reviewing and comparing the qualifications of those nominees with other potential nominees, and recommending to the Board of Directors the candidates to be nominated for election to the Board of Directors. Any shareholder desiring to submit the name of a nominee should send it, together with a statement of the candidate's qualifications, to the Compensation Committee, c/o the Corporate Secretary, CH Energy Group, Inc., 284 South Avenue, Poughkeepsie, NY 12601-4879.

No Compensation Committee interlock relationships existed in 2002 for the Corporation or its subsidiary companies.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following disclosure is made over the name of each member of the Compensation Committee, on the date hereof, and shall be considered a report of the Compensation Committee:

Edgar Filing: CH ENERGY GROUP INC - Form DEF 14A

It is the objective of the Compensation Committee to develop an executive compensation program that will attract, retain and motivate directors and executive officers to create long-term shareholder value. For executives, the design of the executive compensation program incorporates base salary, annual short-term incentives, long-term incentives, and retirement benefits which, in aggregate, result in total remuneration that is compensation that is close to the median from comparably-sized electric and natural gas utilities and energy services companies in the United States.

Specific annual short-term incentives are developed which reward achievement of that year's business plan goals that are consistent with the strategy of the Corporation to create shareholder value.

Long-term incentives may include two components:

- (1) Stock options, the value of which are directly tied to the long-term increase in the market value of the Corporation's Common Stock; and
- (2) Performance shares, the number and value of which are directly tied to the total return of the Corporation's Common Stock relative to an industry index.

The compensation of individual executives is determined by evaluating the contribution of each executive to achievement of the Corporation's business plan and the responsibility level of the executive's position. The Compensation Committee also reviews executive succession plans in the determination of executive compensation. In addition, the Compensation Committee reviews and evaluates the performance of Mr. Ganci, based on the degree to which he (i) meets the criteria set forth in his position description and (ii) accomplishes the Corporation's strategic goals and objectives for which he was responsible.

For Directors, total compensation is also tied to the median practice of comparable companies. Total compensation for a Director of the Corporation consists of retainers and Board and Committee meeting fees, payable in cash and equity compensation, as described herein.

SECTION 162(M) OF THE INTERNAL REVENUE CODE ("CODE")

The Compensation Committee and the Board of Directors have considered the federal income tax deduction limitations established under Section 162(m) of the Code, which provide that, unless an appropriate exemption applies, a tax deduction for the Corporation for remuneration of any officer named in the caption "Executive Compensation" will not be allowed to the extent this remuneration in any taxable year exceeds \$1 million. To the extent Code section 162(m) would limit the Corporation's federal income tax deductions, the Compensation Committee intends to qualify the performance-based compensation of the executive officers for full deductibility whenever possible and consistent with the goals of the Compensation Committee's policies.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's officers and Directors and persons who own more than ten percent (10%) of a registered class of the Corporation's equity securities ("Reporting Persons") to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange. These Reporting Persons are required by SEC regulations to furnish the Corporation with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these forms furnished to the Corporation and written representations from the Corporation's officers and Directors, all of the Reporting Persons made all requisite filings on a timely basis in 2002 with respect to shares of the Corporation, with the exception of Mr. Kruse in filing his Initial Statement of Beneficial Ownership (which disclosed no ownership or transactions), which filing has since been made.

PENSIONS/DEFERRED COMPENSATION PLANS

DIRECTORS AND EXECUTIVES DEFERRED COMPENSATION PLAN

The Directors and Executives Deferred Compensation Plan ("Deferred Plan") applies to Directors, officers and other executives of the Corporation and of

Edgar Filing: CH ENERGY GROUP INC - Form DEF 14A

its subsidiary companies. It permits the participants to elect to defer all or part of their compensation for services rendered to the Corporation and/or its subsidiary companies. Under the Deferred Plan, compensation is defined to include (a) base salary, (b) certain bonuses, and (c) payments for (i) the Supplementary Retirement Plan described herein, (ii) Change of Control agreements described herein, (iii) Directors' fees for services rendered as a member of the Board of Directors and any Committee of the Board, (iv) services rendered as an officer of the Board of Directors, (v) services rendered as an officer of the Corporation or its subsidiary companies, and (vi) for any other services rendered individually by agreement with the Corporation or its subsidiary companies. The Corporation can make discretionary contributions to the Deferred Plan. Compensation deferred in accordance with the Deferred Plan is paid to Directors and officers (adjusted to reflect investment earnings and losses) at the time the Director or officer ceases being a member of the Board of Directors or an officer of the Corporation or its subsidiary companies, or prior to such time under certain circumstances, either in a lump sum or over a period of time depending on the circumstances of cessation and/or distribution elections.

CENTRAL HUDSON RETIREMENT INCOME PLAN

The Retirement Income Plan of Central Hudson Gas & Electric Corporation (the "Retirement Plan") is a "defined benefit" plan which is intended to meet the requirements of the Code and generally provides benefits to all employees of Central Hudson and those subsidiary companies that have adopted the Retirement Plan, including the named executive officers.

There are several components to the benefit provided under the Retirement Plan. First, the Retirement Plan provides retirement benefits generally related to a participant's annual base salary for each year of eligible employment. These benefits depend upon length of service, age at retirement, and eligible earnings during years of participation in the Retirement Plan and any predecessor plans. This portion of a participant's benefit is determined based on the accumulation over that participant's career of a percentage of each year's eligible earnings. For periods on and after October 1, 1989, the percentage is 2% of eligible earnings, except that for years in which the participant is over 50 years of age, the percentage is increased to 2.5%. Second, the Retirement Plan provides a benefit for service prior to October 1, 2001 based on a percentage of a participant's average earnings at October 1, 2001 (being 50% of each of the base salaries at October 1, 1998 and 2001 and 100% of each of the base salaries at October 1, 1999 and 2000) and the number of years of service while a member of the Retirement Plan prior to October 1, 2001, all subject to certain limitations. Finally, a cash balance account benefit is also available upon retirement under the Retirement Plan, and provides for a credit to those participants in the Retirement Plan on January 1, 1987 of 10% of their base salary on that date, a credit to those participants in the Retirement Plan on September 30, 1991 of 5% of their base salary as of that date, a credit to those participants in the Retirement Plan on September 30,

12

1997 of 5% of their base salary as of that date and a further credit to those participants in the Retirement Plan on September 30, 1999 of 5% of their base salary as of that date with, in all four cases, annual interest earned thereon. In 2002, the Corporation made a \$32 million contribution to the Retirement Plan to maintain its fully-funded status for federal income tax purposes.

While the amount of the contribution payment or accrual with respect to a specified person is not and cannot readily be separately or individually calculated by the actuaries for the Retirement Plan, estimated annual benefits

Edgar Filing: CH ENERGY GROUP INC - Form DEF 14A

under the Retirement Plan upon retirement at age 65 for the named executive officers, assuming continuation of current annual salary levels and giving effect to applicable benefit limitations in the Code, are as follows: Mr. Ganci - \$154,029; Mr. Lant - \$158,047; Mr. Meyer - \$160,000; Mr. DeVirgilio - \$160,000; Mr. Upright - \$135,269; and Mr. Page - \$21,415(1).

CENTRAL HUDSON RETIREMENT BENEFIT RESTORATION PLAN

The Central Hudson Retirement Benefit Restoration Plan ("RBRP") is an unfunded, uninsured pension benefit plan for a select group of highly compensated employees. The RBRP provides an annual retirement benefit to those participants in the Retirement Plan who hold the following offices with the Corporation and Central Hudson: Chairman of the Board and Chief Executive Officer, President, Vice President (including all levels thereof), Secretary, Chief Financial Officer, Treasurer, Controller, and Assistant Treasurer. This benefit is equal to the difference between (i) that received under the Retirement Plan, giving effect to applicable salary and benefit limitations under the Code and (ii) that which would have been received under the Retirement Plan, without giving effect to the limitations under the Code. Enhanced benefits are payable under certain circumstances following a Change of Control. The named executive officers have a current salary level which, if continued to retirement at age 65, would provide a benefit under the RBRP. The estimated annual benefits under the RBRP upon retirement at age 65 for those individuals, assuming the continuation of current annual salary levels, are as follows: Mr. Ganci - \$130,525; Mr. Lant - \$42,469; Mr. Meyer - \$51,241; Mr. DeVirgilio - \$6,452; Mr. Upright - \$0; and Mr. Page - \$82,682 (1).

SUPPLEMENTARY RETIREMENT PLAN

The Corporation's Supplementary Retirement Plan ("SRP") covers a select group of highly compensated employees as an incentive for them to remain with the Corporation or its subsidiary companies. Under the SRP, an annual benefit is payable for 10 years, commencing on retirement, to eligible participants (generally those who retire at age 60 or older and with 10 or more years of service) of the following percentage of annual base compensation at retirement: 60 to 63 - 10%; 63 to 65 - 15%; 65 or over - 20%. Enhanced benefits are payable under certain circumstances following a Change of Control. No amounts were paid under the SRP for the named executive officers for the year 2002. Estimated annual benefits under the SRP upon retirement at age 65 for the named individuals, assuming continuation of current annual salary levels, are as follows: Mr. Ganci - \$90,000; Mr. Lant - \$58,000; Mr. DeVirgilio - \$39,700; Mr. Meyer - \$54,000; Mr. Upright - \$39,000; and Mr. Page - not applicable.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS

The Corporation has an Employment Agreement ("Agreement") with each of the named executive officers. Until a Change of Control occurs, each Agreement is automatically renewed for one year on each July 31, unless a notice not to extend is given.

If a Change of Control (as defined in the Agreement) occurs during the term of an Agreement, then the Agreement becomes operative for a fixed three year period. Upon a Change of Control, each Agreement provides generally that such officers' terms and conditions of employment then in effect (including position, location, base salary, bonus and benefits) will not be adversely changed during the three year period after a Change of Control. If such officer's employment is terminated (i) by the Corporation or a subsidiary for reasons other than death, cause or disability (as those terms are defined in each Agreement), (ii) by such officer for good reason (as that term is defined in each

(1) Based on actual numbers post-retirement.

13

Agreement), (iii) by such officer regardless of reason (during the 30-day period beginning on the first anniversary of the Change of Control), (iv) upon certain terminations prior to a Change of Control, or (v) in connection with or in anticipation of a Change of Control, such officer, in addition to all amounts accrued to the date of termination, will receive a lump-sum payment equal to the sum of (a) the officer's base salary through the date of termination to the extent not previously paid, (b) a proportionate bonus based on the higher of the officer's most recent annual bonus and the officer's annual bonus for the last fiscal year ("Highest Annual Bonus"), (c) accrued vacation, (d) outplacement services, and (e) three times the sum of the officer's base salary and the officer's Highest Annual Bonus. In addition, such officer would be entitled to continued employee welfare benefits and to a credit for pension purposes for the three years from the date of the termination.

In the event any payments made to any such officers as a result of a Change of Control, whether under an Agreement or otherwise, would subject such officer to the excise tax on certain "excess parachute payments" payable under Code Section 4999, or interest or penalties with respect to this tax, the officer generally will be entitled to be made whole for the payment of any taxes, interest or penalties. Each such officer, while covered by an Agreement, is not entitled to participate in the Corporation's Change of Control Severance Policy. In the event of a Change of Control, the Agreements will supersede any individual employment and/or severance agreements entered into by the Corporation with such officers, except in certain instances.

In connection with his retirement from the Corporation and its affiliates, Mr. Page received a payment of \$230,000 in 2002 and will receive payments in 2003 of \$200,000 and \$100,000.

REPORT OF THE AUDIT COMMITTEE

The members of the Audit Committee are Heinz K. Fridrich (Chairman), Edward F. X. Gallagher, Steven M. Fetter, and E. Michel Kruse. The Audit Committee had five meetings during 2002. The Audit Committee (i) examines the adequacy of the Corporation's and its subsidiary companies' internal audit activities, (ii) reviews the scope of the audit by the Corporation's independent accountants, PricewaterhouseCoopers LLP, and related matters pertaining to the examination of the financial statements, (iii) reviews the nature and extent of any non-audit services and pre-approves any such services provided by the Corporation's independent accountants, (iv) consults at least three times a year with the independent accountants regarding financial issues, (v) makes recommendations to the Board of Directors on the foregoing matters as well as on the appointment of the Corporation's independent accountants, (vi) meets regularly with the Corporation's Internal Auditing Manager and Controller, and (vii) reviews quarterly and annual financial statements filed with the SEC.

For 2002, the Audit Committee has:

1. reviewed and discussed the audited financial statements with management;
2. discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of

Edgar Filing: CH ENERGY GROUP INC - Form DEF 14A

Statements on Auditing Standards), as may be modified or supplemented;

3. received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as may be modified or supplemented, and has discussed with and affirmed the independence of PricewaterhouseCoopers LLP from the management of the Corporation and its subsidiary companies; and
4. received the reports of the Chief Executive Officer and the Chief Financial Officer relating to their evaluation of the Corporation's internal controls.

14

Based on the review and discussions referred to above and additional matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Corporation's Board of Directors that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the last fiscal year for filing with the SEC.

The Audit Committee has also determined that all Directors serving on the Audit Committee during 2002 are "independent" for purposes of the current New York Stock Exchange listing standards and that none of the Audit Committee members have a relationship with the Corporation or its subsidiary companies which would interfere with that Audit Committee member's independence from the management of the Corporation and its subsidiary companies. The Audit Committee has also considered whether the provision of services for which fees were paid under the captions "Financial Information Systems Design and Implementation Fees" and "All Other Fees" is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

In April 2000, the appointment of the firm of PricewaterhouseCoopers LLP to examine the Corporation's financial statements for the five year period beginning in 2000 was ratified by the shareholders of the Corporation. Representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting. They will be given the opportunity to make a statement if desired and will be available to respond to appropriate questions from shareholders.
