EXHIBIT 1

Excerpts from Quarterly Report on Form 10-Q of Support.com, Inc. for the Three Months Ended March 31, 2016 Commenting on the Contested Solicitation at the 2016 Annual Meeting by VIEX Opportunities Fund, LP — Series One, VIEX GP, LLC, VIEX Capital Advisors, LLC, BLR Partners LP, BLRPart, LP, BLRGP Inc., Fondren Management, LP, FMLP Inc., Eric Singer, Bradley L. Risk Factor Related to Proxy Contest

Actions of activist stockholders against us could be disruptive and costly and the possibility that activist stockholders may wage proxy contests or gain representation on or control of our Board could cause uncertainty about the strategic direction of our business.

Stockholders may from time to time engage in proxy solicitations, advance stockholder proposals or board nominations or otherwise attempt to effect changes, assert influence or acquire some level of control over us. On March 25, 2016, VIEX Opportunities Fund, LP — Series One, an affiliate of VIEX Capital Advisors, LLC, a Delaware limited liability company (“VIEX”), which owns together with BLR Partners LP, a Texas limited partnership, Bradley L. Radoff, Joshua E. Schechter and Richard A. Bloom (collectively, the “VIEX 13D Group”), approximately 14.9% of the Company’s Common Stock, notified the Company that it intends to nominate five (5) candidates for election to our Board at our 2016 Annual Meeting of Stockholders (the “2016 Annual Meeting”) which, if elected, would represent more than a majority of the members of our Board. While our Board and management team strive to maintain constructive, ongoing communications with all of the Company’s stockholders, including the VIEX 13D Group and other activist stockholders, and welcomes their views and opinions with the goal of enhancing value for all stockholders and the depth and breadth of our Board, activist campaigns that contest, or conflict with, our strategic direction or seek changes in the composition of our Board could have an adverse effect on us because:

Responding to proxy contests and other actions by activist stockholders can disrupt our operations, be costly and time-consuming, and divert the attention of our Board and senior management from the pursuit of business strategies, which could adversely affect our results of operations and financial condition;

Perceived uncertainties as to our future direction as a result of changes to the composition of our Board may lead to the perception of a change in the direction of the business, instability or lack of continuity which may be exploited by our competitors, cause concern to our current or potential clients, may result in the loss of potential business opportunities and make it more difficult to attract and retain qualified personnel and business partners;

These types of actions could cause significant fluctuations in our stock price based on temporary or speculative market perceptions or other factors that do not necessarily reflect the underlying fundamentals and prospects of our

business; and

If individuals are elected to our Board with a specific agenda, it may adversely affect our ability to effectively implement our business strategy and create additional value for our stockholders.
