ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Articles of Incorporation of the Company provides that the liability of the directors of the Company shall be to the fullest extent permitted by California law. The Articles of Incorporation also provide that the Company may, through Bylaw provision, agreements with agents, vote of shareholders or disinterested directors or otherwise, indemnify all of its directors, officers, employees, and agents in excess of the indemnification otherwise permitted by Section 317 of the California Corporations Code, subject only to the applicable limits set forth in Section 204 of the California Corporations Code with respect to actions for breach of duty to a corporation and its shareholders.

The Bylaws give the Company the power to indemnify each of its officers, directors, employees and agents, against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding arising by reason of the fact that such person is or was an agent of the corporation, except in such case wherein the director, officer or employee is adjudged guilty of willful malfeasance or malfeasance in the performance of his duties; provided that in the event of a settlement the indemnification shall apply only when the Company's board of directors approves such settlement and reimbursement as being in the best interests of the Company. Such indemnity extends to any person who is or was a director, officer, employee, or other agent of the corporation; who is or was serving at the request of the corporation as a director, officer, employee, or agent of another corporation or enterprise. The Company has the right to purchase and maintain insurance on behalf of its directors, officers, and employees to implement these indemnification provisions.

Such right to indemnification or advancement of expenses shall continue as to a person who has ceased to be a director, officer, employee, or agent of the corporation, and shall inure to the benefit of the heirs, executives, and administrators of such persons. The indemnification and advancement of expenses provided for herein shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement may be entitled under any bylaw, agreement, vote of stockholders or of disinterested directors or otherwise.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent,

Edgar Filing: QUINTEK TECHNOLOGIES INC - Form S-8

submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
