EXHIBIT 99

Waste Connections Announces Private Placement Offering of \$150 Million Convertible Subordinated Notes

FOLSOM, CA, April 24, 2002 - Waste Connections, Inc. (NASDAQ: WCNX) today announced the sale of \$150 million aggregate principal amount of its Floating Rate Convertible Subordinated Notes due 2022 with an option to issue up to an additional \$25 million of Notes, in a private placement pursuant to Rule 144A and Regulation S under

Edgar Filing: WASTE CONNECTIONS INC/DE - Form 8-K

the Securities Act of 1933. The Notes will be convertible into shares of Waste Connections' common stock at a conversion price of \$48.39 per share.

The Company expects that the net proceeds of this offering will be used to repay debt under its credit agreement facility with a group of banks and for general corporate purposes.

This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities. The Notes have not been registered under the Securities Act of 1933 or applicable state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

Waste Connections, Inc. is a regional, integrated, solid waste services company that provides solid waste collection, transfer, disposal and recycling services in secondary markets of the Western U.S. The Company serves more than 925,000 commercial, industrial and residential customers. Waste Connections, Inc. was founded in September 1997 and is headquartered in Folsom, California.

Certain statements contained in this press release are forward-looking in nature. These statements can be identified by the use of forward-looking terminology such as "believes," "expects," "may," "will," "should," or "anticipates" or the negative thereof or comparable terminology, or by discussions of strategy. Waste Connection's business and operations are subject to a variety of risks and uncertainties and, consequently, actual results may materially differ from those projected by any forward-looking statements. Factors that could cause actual results to differ from those projected include, but are not limited to, the following: (1) competition or unfavorable industry conditions could lead to a decrease in demand for the Company's services and to a decline in prices realized by the Company for its services, (2) the Company may be required to pay increased prices for acquisitions, and it may experience difficulty in integrating and deriving synergies from acquisitions, (3) the Company cannot be certain that it will always have access to the additional capital that it may require for its growth strategy or that its cost of capital will not increase, (4) governmental regulations may require increased capital expenditures or otherwise affect the Company's business, (5) companies that Waste Connections acquires could have undiscovered liabilities, and (6) the Company is highly dependent on the services of senior management. These risks and uncertainties, as well as others, are discussed in greater detail in the Company's filings with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K and its subsequent Quarterly Reports on Form 10-Q. The Company makes no commitment to revise or update any forward-looking statements in order to reflect events or circumstances after the date any such statement is made.
