The Senior Notes and the Corporate Units have been issued pursuant to the Company’s Registration Statement on Form S-3 (Registration No. 333-210556) (as amended, the “Registration Statement”), which became effective upon filing with the Securities and Exchange Commission, and the related Prospectus dated September 28, 2016 and Prospectus Supplements each dated September 29, 2016. Each Corporate Unit has a stated amount of \$50 and is comprised of (i) a purchase contract obligating the holder to purchase from the Company for a price in cash of \$50, on the purchase contract settlement date, or October 1, 2019, subject to earlier termination or settlement, a certain number of shares of common stock; and (ii) a 1/20, or 5%, undivided beneficial ownership interest in \$1,000 principal amount of the Company’s 2016 Series C 1.50% Remarketable Senior Notes due 2024 (the “Remarketable Notes”). A holder of Corporate Units, at its option, may elect to create “Treasury Units” by substituting pledged U.S. Treasury securities for any pledged ownership interests in the Remarketable Notes. The Remarketable Notes will be remarketed, subject to certain terms and conditions, prior to the purchase contract settlement date pursuant to the terms of the Purchase Contract and Pledge Agreement and a remarketing agreement to be executed in the future.
