## RELEASE

### PORTUGAL TELECOM CREATES CONSULTIVE COUNCIL

**Lisbon, Portugal, July 8, 2003** In the context of its governance model, Portugal Telecom, SGPS, S.A. ( PT ) (NYSE: PT; Euronext Lisbon: PTCO.IN) announces the creation of a new consultive body, the Consultive Council with the aim of advising the management on the key strategic issues of the Group.

The Consultive Council will identify together with the management the major issues that may impact PT, namely in the regulatory and competitive fields, international investments, mergers and acquisitions and disposals. In line with international best management practice, this new Council will enhance the governance model of PT Group.

The Consultive Council is not a statutory body, as its members are not elected by the Shareholders Meeting and it is not a Committee of the Board, i.e., its members are not PT directors, and its recommendations will not be binding.

The Consultive Council is composed by the following members: Estanislau Mata Costa (Chairman), Manuel Barbosa, Diogo Homem de Lucena, Aníbal dos Santos, José Manuel Neves Adelino, José Manuel Tribolet, João Confraria Jorge, Luís Todo Bom and Luís Filipe Nazaré.

## **FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
