FOR IMMEDIATE RELEASE

TURKCELL ANNOUNCEMENT REGARDING NEW ACTION BY TURK TELEKOM

Istanbul, Turkey: February 28, 2003--Turkcell (NYSE:TKC, ISE: TCELL), the leading provider of mobile communications services in Turkey, has today announced developments in its relations with Turk Telekom, the Turkish fixed-line monopoly.

In a case filed by Turk Telekom against the Turkish Telecommunications Authority, the Danistay, the highest administrative court of Turkey has granted an injunction limiting the applicability of Clause 13 of the License Agreement signed between the Turkish Telecommunication Authority and Turkcell. Clause 13 regulates the base unit price, the minimum price charged by the Turk Telekom to its customers for calls originating on fixed lines and terminating on Turkcell's network. Turk Telekom keeps a portion of the amount and then pays the remainder to Turkcell on a monthly basis. Pursuant to the injunction by the Danistay, Turk Telekom has informed Turkcell that it will recalculate and make its monthly payments to Turkcell on an ongoing basis beginning from the January 2003 payment.

Although, Turkcell is currently unable to assess the full financial impact of this development, Turkcell will take necessary legal action against the Dany(0)tay's injunction. Furthermore, once the payment for the month of January 2003 is received from Turk Telekom in relation to the base unit price, Turkcell will determine the difference and will take necessary actions against Turk Telekom's claim.
