PROXY STATEMENT FOR THE ORTHOFIX INTERNATIONAL N.V. 2004 ANNUAL GENERAL MEETING OF SHAREHOLDERS

THIS PROXY STATEMENT AND THE ENCLOSED PROXY ARE BEING MAILED TO SHAREHOLDERS ON OR ABOUT MAY 17, 2004.

ABOUT VOTING

Who can vote

All record holders of shares of Orthofix common stock at the close of business on May 10, 2004 (the "Record Date") have been sent this notice and will be entitled to vote at the Annual General Meeting. Each record holder on such date is entitled to cast one vote per share of common stock. On May 10, 2004, there were 15,241,362 shares of Orthofix common stock outstanding.

Quorum, vote required

The presence, in person or by proxy, of the holders of fifty percent (50%) of the shares of Orthofix common stock outstanding on the Record Date shall be considered a quorum at the Annual General Meeting. An absolute majority of the votes cast will be required in order to approve the proposals before the Annual General Meeting, except that the directors shall be elected by a plurality of the votes cast. Abstentions and "broker non-votes" are counted as shares that are present and entitled to vote on the proposal for purposes of determining the presence of a quorum, but abstentions and broker non-votes will not have any effect on the outcome of voting on the proposals. A broker "non-vote" occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

voting power for that particular item and has not received instructions from the beneficial owner.

Proxies

This Proxy Statement is being furnished to holders of shares of Orthofix common stock in connection with the solicitation of proxies by and on behalf of the Board of Directors of Orthofix for use at the Annual General Meeting.

All shares of Orthofix common stock that are represented at the Annual General Meeting by properly executed proxies received prior to or at the Annual General Meeting and which are not revoked, will be voted at the Annual General meeting in accordance with the instructions indicated on such proxies. If no instructions are indicated on a properly executed proxy, such proxy will be voted in favor of each of the proposals. The Board of Directors of Orthofix does not know of any other matters that are to be presented for consideration at the Annual General Meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by (1) filing with Orthofix, at or before the taking of the vote at the Annual General Meeting, a written notice of revocation bearing a later date than the proxy, or (2) duly executing a subsequent proxy relating to the same shares of Orthofix common stock and delivering it to Orthofix before the Annual General Meeting. Attending the Annual General Meeting will not in and of itself constitute a revocation of a proxy. Any written notice of revocation or subsequent proxy should be sent so as to be delivered to: Orthofix International N.V., 7 Abraham de Veerstraat, Curacao, Netherlands Antilles, at or before the taking of the vote at the Annual General Meeting.

Voting is confidential

We maintain a policy of keeping all the proxies, ballots and voting tabulations confidential.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our insiders--our directors, executive officers, and greater-than-10% shareholders--file reports with the SEC on their initial beneficial ownership of Orthofix common stock and any subsequent changes. They must also provide us with copies of the reports.

To our knowledge, based solely on a review of the copies of such reports furnished to us and, with respect to our officers and directors, written representations that no other reports were required, during the fiscal year ended December 31, 2003, all Section 16(a) filing requirements applicable to our officers, directors and greater-than-ten-percent beneficial owners were complied with except as follows: Mr. Wallner reported on a Form 4 filed on May 21, 2003, shares of common stock he acquired indirectly on May 9, 2003, and Messrs. Benjamin, Brown, d'Abreu de Paulo, Federico, Gero, Hartsuiker, Hein and Henley reported on Form 4s filed on August 26, 2003, option grants to purchase shares of our common stock that they received on August 6, 2003, and Mr. Littlechild reported on a Form 4 filed on August 27, 2003, an option grant to purchase shares of our common stock that he received on August 6, 2003.

In making the above statements, we have relied on the written representations of our directors and officers and copies of the reports that have been filed with the SEC.

INFORMATION ABOUT DIRECTORS

The Board of Directors

The Board of Directors oversees the business of Orthofix and monitors the performance of management. The directors keep themselves informed by discussing matters with the Chief Executive Officer, other key executives and our principal external advisers by reading the reports and other materials that we send them regularly and by participating in Board and committee meetings.

The directors are elected at the annual general meeting of shareholders by a plurality of the votes cast, in person or by proxy by the shareholders. Because we are required by Netherlands Antilles law to hold the annual general meeting in the Netherlands Antilles, we do not have a policy regarding director attendance at the annual general meeting. Last year, Mr. d'Abreu d'Paulo attended the annual general meeting. Our Articles of Association provide that the Board of Directors shall consist of not less than seven and no more than fifteen directors, the exact number to be determined by the annual general meeting of shareholders.

Our Board usually meets four times per year in regularly scheduled meetings, but will meet more often if necessary. The Board met eight times during 2003. All directors attended at least 75% of the Board meetings and meetings of the committees of which they were members. The Board has determined that the following directors and nominee are independent under Nasdaq Rule 4200: Messrs. Gero, Benjamin, d'Abreu de Paulo, Littlechild, Hartsuiker and von

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

Wartburg.

The Committees of the Board

We have three standing committees: the Audit Committee, the Compensation Committee and the Nominating Committee.

The Audit Committee

Our Audit Committee is a separately-designated standing audit committee established in accordance with section 3(a)(38)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee is responsible for the appointment, compensation and oversight of our independent auditors, approves the scope of the annual audit by the independent auditors, reviews audit findings and accounting policies, assesses the adequacy of internal controls and risk management and reviews and approves Orthofix's financial disclosures. The Committee also meets privately, outside the presence of Orthofix management, with the independent auditors. The Audit Committee's Report for 2003 is printed below at page 11.

The Board has adopted a written charter for the Audit Committee, a copy of which was attached as an appendix to our 2003 proxy statement.

The Committee met five times during 2003.

Messrs. Benjamin, Hartsuiker and d'Abreu de Paulo currently serve as members of the Committee. Mr. Benjamin serves as Chairman of the Committee. Under the current rules of the Nasdaq and pursuant to Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934, as amended, Messrs. Benjamin and d'Abreu de Paulo are independent. Although Mr. Hartsuiker is considered independent under Nasdaq Rule 4200, our board of directors has determined that he does not meet the criteria for independence for audit committee members as set forth in the recently promulgated Nasdaq Rule 4350(d)(2). As a result, Mr. Hartsuiker will be stepping down from the Audit Committee as of the date of the annual general meeting and will be replaced by one of our independent directors who meets the requirements of Nasdaq Rule 4350(d)(2). Our Board of Directors has determined that Mr. Benjamin is an "audit committee financial expert" in accordance with current SEC rules.

7

The Compensation Committee

The Compensation Committee establishes and approves all elements of compensation for the executive officers. Each year, as the SEC requires, the Compensation Committee will report to you on executive compensation. The Compensation Committee's Report on Executive Compensation for 2003 is printed below, starting at page 20.

The Compensation Committee administers the Staff Share Option Plan (including the Performance Accelerated Stock Option program), the Executive Share Option Plan and the Employee Stock Purchase Plan, and will administer the Long-Term Incentive Plan upon its adoption, and has sole authority for awards under such plans. The Compensation Committee evaluates existing and proposed employee benefit plans and may approve of plan changes. The Compensation Committee is also responsible for periodically reviewing Orthofix's plans regarding succession of senior management.

The Compensation Committee met four times during 2003.

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

The Compensation Committee acts under a written charter adopted by the Board of Directors.

Messrs. Littlechild and Gero currently serve as members of the Compensation Committee, and each satisfies the independent director standards as defined by current Nasdaq rules and the qualification standards of Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended, and Section 16 of the Securities Exchange Act of 1934, as amended. Mr. Littlechild serves as Chairman of the Compensation Committee.

The Nominating Committee

The Nominating Committee assists the Board in identifying qualified individuals to become Board members, determining the composition of the Board of Directors and its Committees, monitoring a process to assess Board effectiveness and developing Director compensation policy.

The Nominating Committee met four times in 2003 and will meet at least twice annually, and more frequently as circumstances dictate. Committee meetings and communications shall be either in person or by conference telephone call.

The Board has adopted a written charter for the Nominating Committee, a copy of which is attached as Appendix I to this proxy statement.

Messrs. Benjamin, d'Abreu de Paulo, Hartsuiker, Littlechild and Gero currently serve as members of the Committee. Mr. Gero serves as Chairman of the Committee. All of the members of the Nominating Committee are independent as defined by current Nasdaq rules.

Code of Ethics

We have adopted a code of ethics to comply with SEC and Nasdaq rules. Our code of ethics applies to our directors, officers and employees worldwide, including our Chief Executive Officer and Chief Financial Officer. A copy of our Code of Ethics was filed as an exhibit to our 2003 annual report on Form 10-K.

Shareholder Communication with the Board of Directors

To facilitate the ability of shareholders to communicate with our Board of Directors, we have established an electronic mailing address and a physical mailing address to which communications may be sent: boardofdirectors@orthofix.com, or The Board of Directors, c/o Mr. James F. Gero, Director, Orthofix International N.V., 10115 Kinsey Avenue, Suite 250, Huntersville, NC 28078.

Mr. Gero reviews all correspondence addressed to the Board of Directors and regularly presents to the Board a summary of all such correspondence and forwards to the Board or individual directors, as the case may be, copies of all

correspondence that, in the opinion of Mr. Gero, deals with the functions of the Board or committees thereof or that he otherwise determines requires their attention. Examples of communications that would be logged, but not automatically forwarded, include solicitations for products and services or items of a personal nature not relevant to us or our shareholders. Directors may at any time review the log of all correspondence received by Orthofix that is addressed to members of the Board and request copies of any such correspondence.

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

Nomination of Directors

As provided in its charter, the Nominating Committee identifies and recommends to the Board nominees for election or re-election to the Board and will consider nominations submitted by shareholders. The Nominating Committee charter is attached as Appendix I to this proxy statement.

The Nominating Committee seeks to create a Board of Directors that is strong in its collective diversity of skills and experience with respect to finance, leadership, business operations and industry knowledge. The Nominating Committee reviews with the Board of Directors, on an annual basis, the current composition of the Board of Directors in light of the characteristics of independence, age, skills, experience and availability of service to our company of its members and of anticipated needs. If necessary, we will retain a third party to assist us in identifying or evaluating any potential nominees for director. When the Nominating Committee reviews a potential new candidate, they look specifically at the candidate's qualifications in light of the needs of the Board of Directors at that time given the then current mix of director attributes.

Generally, in nominating director candidates, the Nominating Committee strives to nominate directors that exhibit high standards of ethics, integrity, commitment and accountability. In addition, all nominations attempt to ensure that the Board of Directors shall encompass a range of talent, skills and expertise sufficient to provide sound guidance with respect to our operations and activities.

Under our Nominating Committee guidelines, directors must inform the Chairman of the Board and the Chair of the Nominating Committee in advance of accepting an invitation to serve on another public company board. In addition, no director may sit on the Board of Directors, or beneficially own more than 1% of the outstanding equity securities, of any of our competitors in our principal lines of business. The Board of Directors has not established any term limits to an individual's membership as a director.

To recommend a nominee, a shareholder shall give notice to the Board of Directors, at our registered address c/o Mr. James F. Gero, Director, Orthofix International N.V., 10115 Kinsey Avenue, Suite 250, Huntersville, NC 28078. This notice should include the candidate's brief biographical description, a statement of the qualifications of the candidate, taking into account the qualification requirements set forth above and the candidate's signed consent to be named in the proxy statement and to serve as a director if elected. The notice must be given not later than 180 days before the first anniversary of the last Annual General Meeting of Shareholders. Once we receive the recommendation, we will contact the candidate and request that he or she provide us with additional information about the candidate's independence, qualifications and other information that would assist the Nominating Committee in evaluating the candidate, as well as certain information that must be disclosed about the candidate in our proxy statement, if nominated. Candidates must respond to our inquiries within the time frame provided in order to be considered for nomination by the Nominating Committee.

The Nominating Committee did not pay any fees to any third party to assist us in identifying or evaluating any potential nominees for director during 2003. The Nominating Committee has not received any nominations for director from shareholders for the 2004 Annual General Meeting of Shareholders.

Director Compensation

Directors who are our employees do not receive fees for service on the Board of Directors or any Board committee. During 2003, each of our non-employee directors received an annual retainer fee of approximately \$55,000 for their

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of Orthofix is responsible for providing independent, objective oversight of Orthofix's accounting functions, internal controls and risk management. The Audit Committee recommends the selection of the independent auditors to the Board. The Audit Committee operates under a written charter adopted by the Board of Directors, which was filed as an appendix to our 2003 proxy statement.

Management is responsible for Orthofix's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of Orthofix's consolidated financial statements in accordance with auditing standards generally accepted in the United States and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Committee relies without independent verification on the information provided to it and on the representations made by management and the independent auditors.

We held five meetings during fiscal 2003. The meetings were designed, among other things, to facilitate and encourage communication among the Committee, management and Orthofix's independent auditors, Ernst & Young LLP. We discussed with Ernst & Young LLP the overall scope and plans for their audit. We met with Ernst & Young LLP, with and without management present, to discuss the results of their examinations and their evaluations of Orthofix's internal controls.

We have reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2003 with management and Ernst & Young LLP. We also discussed with management and Ernst & Young LLP the process used to support certifications by Orthofix's Chief Executive Officer and Chief Financial Officer that are required by the SEC and the Sarbanes-Oxley Act of 2002 to accompany Orthofix's periodic filings with the SEC.

We also discussed with Ernst & Young LLP matters required to be discussed with audit committees under generally accepted auditing standards, including, among other things, matters related to the conduct of the audit of Orthofix's consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Ernst & Young LLP also provided to us the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

Discussions with Audit Committees), and we discussed with them their independence from Orthofix. When considering Ernst & Young LLP's independence, we considered whether their provision of services to Orthofix beyond those rendered in connection with their audit of Orthofix's consolidated financial statements was compatible with maintaining their independence. We also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, Ernst & Young LLP.

Based upon the review and discussions referred to above, we recommended to the Board of Directors, and the Board of Directors has approved, that Orthofix's audited financial statements be included in Orthofix's Annual Report on Form 10-K for the fiscal year ended December 31, 2003. We also recommended the selection of Ernst & Young LLP as Orthofix's independent auditors for 2004 and, based on that recommendation, the Board has selected Ernst & Young LLP as Orthofix's independent auditors for 2004.

We have been advised by Ernst & Young LLP that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in Orthofix or its subsidiaries.

Equity Compensation Plan Information

We maintain three equity compensation plans, the Staff Share Option Plan (including the Performance Accelerated Stock Option program), the Executive Share Option Plan and the Employee Stock Purchase Plan, which have been approved by our shareholders. There are currently no more shares available for issuance under the Executive Share Option Plan or the Performance Accelerated Stock Option program. We have also granted inducement stock option awards (described below) that have not been approved by our shareholders.

The following table provides aggregate information regarding the shares of our common stock that may be issued upon the exercise of options, warrants and rights under all of our equity compensation plans as of December 31, 2003. The table does not include information about the proposed 2004 Long-Term Incentive Plan, which has not yet been approved by our shareholders and under which no grants have been made. In addition, the table does not include shares subject to outstanding options and warrants that we have assumed in mergers and other acquisitions. Footnote 1 to the table sets forth the total number of

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

shares of common stock issuable upon the exercise of options and warrants granted under plans assumed in mergers and outstanding at December 31, 2003, and the weighted average exercise price of those options. We cannot grant additional awards under those plans.

Plan Category(1)	(a) Number of Securities to Be Issued upon Exercise of Outstanding Options, Warrants and Rights	(b) Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Num Rema Fut Eq P Secu
Equity Compensation Plans Approved by Security Holders	1,819,629 (2)	\$19.67	
Equity Compensation Plans Not Approved by Security Holders	200,000 (4)	\$38.00	
Total	2,019,629	\$21.48	

(1) The table does not include information for equity compensation plans we assumed in mergers and other acquisitions. As of December 31, 2003, a total of 31,873 shares of common stock was issuable upon the exercise of options and warrants assumed in mergers and other acquisitions, including 6,054 shares issuable upon the exercise of options and warrants granted under plans assumed in connection with our acquisition of American Medical Electronics Inc., and 25,819 shares issuable upon the exercise of warrants granted under plans assumed in connection with our acquisition of Kinesis Medical Inc. The weighted average exercise price of all options and warrants granted under plans assumed in mergers and other acquisitions and outstanding at December 31, 2003, was \$30.39. We cannot grant additional awards under these assumed plans.

(2) Options were granted pursuant to the following plans: the Staff Share Option Plan (including the Performance Accelerated Stock Option program) and the Executive Share Option Plan. (4) On December 30, 2003, in conjunction with the acquisition of Breg, Inc., we granted inducement stock option awards to two key executives of Breg, Inc. These option grants were not approved by shareholders, and were granted in reliance on the NASD exception to shareholder approval for equity grants to new hires. The exercise price of \$38.00 per share represents the fair market value of our common stock on November 20, 2003, which was the date we announced the agreement to acquire Breg, Inc. The inducement grants

include both service-based and performance-based vesting provisions. Under the service-based provisions, subject to the continued employment of the executive, the inducement grants become 100% non-forfeitable and exercisable on the fourth anniversary of the grant date. Vesting of a portion of the options under the inducement agreement will be accelerated if certain stock price targets are achieved. The performance-based vesting provisions generally provide for the vesting of one-fifth of the inducement grants for each \$5.00 increase in the price of our common stock above \$40.00 per share. The total number of shares eligible for the accelerated vesting on an annual basis is limited to 25% of the number of shares subject to the inducement grants with a cumulative carryover for the unvested portion of shares eligible for accelerated vesting for each of the prior years. Prior to the expiration of the term of the options, only one-half of the vested options can be exercised in any one year.

Executive Employment Agreements

Executive Employment Agreement for Charles Federico

On July 1, 2001, we entered into an employment agreement with Mr. Charles W. Federico under which Mr. Federico serves as our President and Chief Executive Officer. The initial three-year term of the agreement ends on July 1, 2004, and automatically renews for successive one-year periods, unless either party notifies the other party of its intention not to renew the agreement within the requisite time period. Mr. Federico is entitled to the base salary and bonus as determined by our Board of Directors. For 2003, Mr. Federico received a base salary of \$450,944 and a bonus of \$171,755. Mr. Federico is also eligible to participate in all employee benefit plans, programs and arrangements in effect for senior executives.

If Mr. Federico is terminated without cause or resigns for good reason (as such terms are defined in his employment agreement) during the term of the agreement, he is entitled to convert his current position with us to a consultancy for the remainder of the then-existing term of employment, and receive a consulting fee of at least \$50,000 per year. Upon a change in control of the Company, Mr. Federico agrees to remain employed for at least six months from the effective date of such change in control, unless his employment is terminated earlier by the Company. During the three-month period immediately following such six-month period, Mr. Federico may terminate his employment for good reason and convert his agreement into a consulting agreement as described above. The employment agreement contains a non-solicitation of employees and customers provision that extends through the third anniversary of Mr. Federico's termination of employment, a non-competition provision that remains in effect for so long as Mr. Federico is employed by us and a confidentiality provision that lasts indefinitely.

Employment Agreements for Edgar Wallner and Robert Gaines-Cooper

On July 1, 1999, we entered into employment agreements with Messrs. Edgar Wallner and Robert Gaines-Cooper. Mr. Wallner originally served as our President and Chief Executive Officer until January 1, 2001 when he resigned as President and Chief Executive Officer and began serving as our Deputy Chairman of the Board of Directors under the same employment agreement. Mr. Wallner currently serves as Vice Chairman, and Mr. Gaines-Cooper serves as the Chairman of the Board of Directors.

The initial three-year term of these agreements ended on July 1, 2002,

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

but these agreements have been subject to automatic renewal for successive one-year periods since that time. We have notified each of Messrs. Wallner and Gaines-Cooper of our intention not to extend their respective agreements beyond the term currently in effect. Therefore, the employment agreements with Messrs. Wallner and Gaines-Cooper will terminate as of July 1, 2004. Following the termination of these employment agreements, Mr. Wallner will continue to serve as Vice Chairman, and Mr. Gaines-Cooper will continue to serve as the Chairman of the Board of Directors.

The agreements provide that the executives are entitled to base salaries and bonuses as determined by our Board of Directors. For 2003, Mr. Wallner received a base salary of \$183,718 and a bonus of \$0 and Mr. Gaines-Cooper received a base salary of \$200,625 and a bonus of \$0. Messrs. Wallner and Gaines-Cooper are also eligible to participate in all employee benefit plans, programs and arrangements in effect for senior executives.

17

The effects of a termination without cause, a resignation for good reason or a change of control on Messrs. Wallner and Gaines-Cooper's service with the Company would be substantially similar to those described above for Mr. Federico. In addition, the agreements contain a non-solicitation of employees and customers provision that extends through the third anniversary of the executive's respective termination of employment, a non-competition provision that remains in effect for so long as the executive is employed by us and a confidentiality provision that lasts indefinitely.

Executive Employment Agreements for Thomas Hein, Gary Henley and Bradley Mason

We entered into employment agreements with Mr. Hein and Mr. Henley, effective as of March 1, 2003. We also entered into an employment agreement with Mr. Mason, which became effective on December 30, 2003. Mr. Hein serves as the Chief Financial Officer, Mr. Henley serves as the President of Orthofix Americas Division and Mr. Mason serves as the President of Breg, Inc. The initial term of each agreement is two years, but each agreement will be automatically renewed for two successive one-year periods unless either party notifies the other party of its intention not to renew within the requisite time period. Under the agreements, the executives are entitled to base salaries and bonuses as determined by our Board of Directors. The agreements provide annual base salaries of at least \$231,000 for Mr. Hein, \$270,000 for Mr. Henley and \$250,000 for Mr. Mason, which may only be decreased if such decrease is a result of a general reduction (on the same percentage basis) affecting the base salaries of substantially all other executive officers. For 2003, the base salaries of each of Messrs. Hein and Henley were \$239,099 and \$269,673, respectively. In addition, for 2003, Messrs. Hein and Henley received annual bonuses of \$100,000 and \$133,000, respectively. Mr. Mason's employment agreement provides that he was granted an inducement stock option award to purchase 150,000 shares of common stock in accordance with the terms and conditions specified in the Performance Accelerated Stock Option Inducement Agreement, which is described below.

If an executive is terminated without cause, he is entitled to receive a lump sum payment equal to: (1) the average of his base salary at the highest rate in effect in the 90-day period immediately before the termination and his base salary for the year preceding the termination and (2) the average of his annual bonuses for the two years prior to the year in which the termination occurs. Upon a resignation for good reason (as such term is defined in the agreements), the executive is entitled to half the amount that he would receive had he been terminated without cause. In addition, the executives will be

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

entitled to continuation of their welfare benefits for up to one year following their termination without cause or resignation for good reason. Similarly, any stock options held by the executives will remain outstanding for at least one year following a termination without cause and six months following a resignation for good reason (provided, however, that the inducement stock award granted to Mr. Mason will be governed by the terms and conditions of the applicable Performance Accelerated Stock Option Inducement Agreement). We are also obliged to provide the executives with reimbursement for outplacement services of up to \$20,000 upon a termination without cause or resignation for good reason.

If there is a change in control of the Company, (1) the agreements automatically extend for one year from the date of the change in control (unless the then current term is greater than one year), (2) all stock options and stock appreciation rights will vest automatically (provided, however, that the inducement stock award granted to Mr. Mason will be governed by the terms and conditions of the applicable Performance Accelerated Stock Option Inducement Agreement) and (3) any forfeiture provisions included in the executives' restricted stock awards will immediately lapse. In addition, in the event that any of the executives is terminated without cause or resigns for good reason following a change in control, the individual is entitled to receive a lump sum payment equal to: (1) the greater of (a) the average of his base salary at the highest rate in effect in the 90-day period immediately before the termination and his base salary for the year preceding the termination and (b) the average of his base salary in effect immediately before the change in control and his base salary for the year preceding the change in control; (2) the greater of (x) the average of his annual bonuses for the two years before the year in which the termination occurs and (y) the average of his annual bonuses for the two years before the year in which the change in control occurs and (3) the executive's annual automobile allowance. The agreements also provide that, in the event that any payments made to the executive constitute "excess parachute payments" under Section 280G of the Internal Revenue Code of 1986, as amended, then the amounts to be paid to the executives will be reduced so that no excess parachute payments exist.

18

The agreements contain a non-competition provision that lasts for one year following a termination of employment for any reason, and confidentiality and assignment of inventions provisions that last indefinitely. In addition, Mr. Mason's agreement contains a nonsolicitation of clients, customers and employees provision that lasts for two years following a termination of employment for any reason.

Performance Accelerated Stock Option Inducement Agreement with Bradley Mason

On December 30, 2003, in conjunction with the acquisition of Breg, Inc., Mr. Mason was granted an inducement stock option award pursuant to a Performance Accelerated Stock Option Inducement Agreement. The exercise price of \$38.00 per share represents the fair market value of our common stock on November 20, 2003, which was the date we announced the agreement to acquire Breg, Inc. The inducement grant includes both service-based and performance-based vesting provisions. Under the service-based provisions, subject to the continued employment of Mr. Mason, the inducement grant becomes 100% non-forfeitable and exercisable on the fourth anniversary of the grant date. Vesting of a portion of the options under the inducement agreement will be accelerated if certain stock price targets are achieved. The performance-based vesting provisions generally provide for the vesting of one-fifth of the inducement grant for each \$5.00 increase in the price of our common stock above \$40.00 per share. The total number of shares eligible for the accelerated

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

vesting on an annual basis is limited to 25% of the number of shares subject to the inducement grant with a cumulative carryover for the unvested portion of shares eligible for accelerated vesting for each of the prior years. Prior to the expiration of the term of the options, only one-half of the vested options can be exercised in any one year.

Indebtedness of Management

On January 10, 2002 we entered into full-recourse loans with Charles Federico and Gary Henley, each with a principal amount of \$145,200. The loans were entered into to assist the executives in purchasing shares of OrthoRx Inc. common stock. Each loan has an annual interest rate of 3.97%, compounded annually and matures on the earlier of (1) January 10, 2007 and (2) the date that the executive ceases to be our employee, officer or director. The loans are secured by stock pledge agreements covering shares of OrthoRx Inc. common stock owned by Messrs. Federico and Henley. As of December 31, 2003, no payments had been made on either of the loans, and the aggregate amount outstanding under each of the loans was \$156,958 including accrued interest.

Compensation Committee Interlocks and Insider Participation

During 2003, the Compensation Committee of our Board of Directors consisted of two members, John W. Littlechild and James F. Gero. Both Mr. Littlechild and Mr. Gero satisfy the independent director standards as defined by current Nasdaq rules and are "independent directors" for purpose of Rule 162(m) of the U.S. Internal Revenue Code of 1986, as amended, and are "non-employee directors" for purposes of Section 16 of the Securities Exchange Act of 1934, as amended. No interlocking relationship, as defined in the Securities Exchange Act of 1934, as amended, exists between our Board of Directors or Compensation Committee and the board of directors or compensation committee of any other entity.

Mr. Peter Hewett, a non-employee director, serves as a consultant to the Company and as Chairman of Orthofix Inc.'s Board of Directors. In this capacity, he provides consulting and advisory services, at such times and on such special projects, as we request. Mr. Hewett reports directly to the Board of Directors in connection with these consulting and advisory services. In 2003, we paid \$128,675 in consulting fees to Mr. Hewett, which is in addition to his director fees. We also reimbursed Mr. Hewett for travel and other related expenses incurred in connection with the performance of such consulting and advisory services. In 2004, Mr. Hewett will receive a fee of \$1,500 per day for each day of requested consulting and advisory services, in addition to his director fees.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee is responsible for advising on and administering our compensation policies. The Committee has overall responsibility for evaluating and making recommendations to the Board of Directors regarding the compensation of directors, executive officers (including our chief executive officer) and key employees, compensation under our equity incentive plans and other compensation policies and programs. The Compensation Committee acts under a written charter adopted by the Board of Directors.

In 2003, the Compensation Committee of the Board of Directors was composed of Messrs. Littlechild and Gero, each of whom is an independent,

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

non-employee, non-affiliated director. The Compensation Committee furnished the following report on executive compensation for 2003:

Compensation Philosophy

The Compensation Committee believes that executive compensation programs should be designed to attract, retain and motivate executive officers and key employees, while enhancing and increasing shareholder value. We accomplish this through incentive compensation plans that link executive and staff compensation to our overall Company performance, thereby aligning their interests with the interests of our shareholders.

Our compensation program for our executive officers and key employees consists of three major components: (1) annual salary; (2) performance-based incentives in the form of bonuses; and (3) long-term equity-based incentives. Long-term equity-based compensation for executive officers and key employees is in the form of stock options that have been granted under our Executive Share Option Plan and our Staff Share Option Plan (including the Performance Accelerated Stock Option program). There are currently no more shares available for issuance under the Executive Share Option Plan or the Performance Accelerated Stock Option program. The Compensation Committee engaged an outside consulting firm in 2003 to undertake a review of our compensation program.

Annual Salary

The Compensation Committee makes annual determinations with respect to executives' salaries. In making these decisions, the Compensation Committee reviews each executive's performance, the market compensation levels for comparable positions, our performance goals and objectives and other relevant information. In addition, the Compensation Committee determines what portion of an executive's compensation should be in the form of salary, performance-based bonus and equity-based compensation.

Performance-Based Incentives

The Compensation Committee believes that a portion of the compensation for each executive should be in the form of annual performance-based incentives. Short-term incentives, such as the annual bonus programs instituted by the Company, tie executive compensation to Company financial performance as well as individual performance in specified areas. The Compensation Committee establishes Company-wide performance goals and targets at the beginning of each fiscal year. An executive's annual cash bonus is determined in part on his or her individual performance and contribution to the furtherance and achievement of the Company's objectives.

Long-Term Incentives

The goal of our equity incentive plans is to create an ownership interest in the Company in order to align the interests of executives with shareholders, to more closely tie executive compensation to Company performance, and to create long-term performance and service incentives for executives and key employees. Pursuant to our Staff Share Option Plan, stock options may be granted to our employees, including our executive officers, our directors, and certain other persons directly or indirectly related to our business. Employee grants under our Staff Share Option Plan are based on the employee's performance and his or her anticipated contributions to the achievement of our goals and objectives. Effective January 1, 1999, certain of our executives were granted Performance Accelerated Stock Options, which include both service-based and performance-based vesting provisions, pursuant to

our Staff Share Option Plan. The exercise price for these options is \$17.875, the price of shares of our common stock on the date this agreement was approved by our shareholders. The Performance Accelerated Stock Options became 100% non-forfeitable and exercisable on January 1, 2004, which was the fifth anniversary of the grant date.

The Compensation Committee approved the 2004 Long-Term Incentive Plan and believes that the approval of the plan is essential to our continuing ability to make equity-based awards to our officers, employees, directors and consultants.

Compliance with Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), limits the deductibility of compensation payments to our named executive officers in excess of \$1 million per year per person, unless certain requirements are met. To the extent that it is practicable and consistent with our executive compensation philosophy, we intend to comply with Section 162(m) of the Internal Revenue Code. Compensation paid to the named executive officers has historically not exceeded deductibility limits under Section 162(m) of the Internal Revenue Code. If compliance with Section 162(m) of the Internal Revenue Code conflicts with our compensation philosophy or is determined not to be in the best interest of our stockholders, the compensation committee will abide by our compensation philosophy.

Chief Executive Officer Compensation

The base salary for Mr. Charles Federico, our President and Chief Executive Officer, was \$450,944 for 2003 and his annual cash bonus was \$171,755. For a description of the employment agreement for Mr. Federico, see "Executive Employment Agreements - Charles Federico" above. In determining the incentive compensation awards for Mr. Federico, the Compensation Committee considered both our performance, as measured by specific targets and performance objectives, as well as Mr. Federico's leadership role in the achievement of these targets and objectives.

PROPOSAL 2: APPROVAL OF ORTHOFIX INTERNATIONAL N.V. 2004 LONG-TERM INCENTIVE PLAN

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

Our Board of Directors of the Company has recommended and asks that you approve the Orthofix International N.V. 2004 Long-Term Incentive Plan (the "Long-Term Incentive Plan"). Our Board adopted the Long-Term Incentive Plan on April 15, 2004, subject to shareholder approval. We propose the approval of the Long-Term Incentive Plan to ensure that we have a sufficient number of shares of our common stock available for equity-based awards that we expect to make to eligible individuals over the next several years. There are currently no more shares of our common stock available for issuance under our Executive Share Option Plan or our Performance Accelerated Stock Option program, and there are only approximately 157,313 shares of our common stock available under our Staff Share Option Plan for future awards. We believe that the ability to make equity-based awards is an essential part of our compensation program and we would be at a significant disadvantage with respect to our competitors if we were unable to offer equity-based awards to our officers, employees, directors and consultants.

The following is a general description of the material features of the Long-Term Incentive Plan. A copy of the Long-Term Incentive Plan is attached as Appendix II to this proxy statement.

Purposes and Eligibility

The purposes of the Long-Term Incentive Plan are to provide an incentive to certain officers, employees, directors and consultants of Orthofix International N.V. (which we refer to as the "Company") and its subsidiaries to increase their interests in the Company's success by offering them an opportunity to obtain a proprietary interest in the Company through the grant of equity-based awards. As of April 15, 2004, we estimate that approximately 988 individuals are eligible to receive awards under the Long-Term Incentive Plan.

Number of Shares of Common Stock Subject to the Long-Term Incentive Plan

The maximum number of shares of our common stock that may be issued pursuant to awards under the Long-Term Incentive Plan, subject to the anti-dilution provisions, will be the aggregate of 2,000,000 shares, the number of shares of our common stock previously authorized but not reserved for options under our Staff Share Option Plan as of the date the Long-Term Incentive Plan is approved by shareholders, and any shares corresponding to an award, or portion thereof, under our Staff Share Option Plan that are forfeited or expire for any reason without having been exercised or settled after the date the Long-Term Incentive Plan is approved. Shares issued upon exercise of awards may be either authorized and unissued shares or shares held by the Company in its treasury.

Special Limits on Stock Options, Restricted Share Units, Performance Share Units, Stock Appreciation Rights and Other Awards

The number of shares of common stock that, in the aggregate, may be subject to nonqualified stock options or stock appreciation rights with an exercise price that is below fair market value on the date of grant or on the date the exercise price is fixed and awards payable in shares of our common stock (including restricted share units and performance share units) under the Long-Term Incentive Plan is limited to 400,000 shares.

The number of shares of common stock subject to stock options that may be awarded to any participant in any calendar year is limited to 200,000 shares (with a carryover of any unused portion to future years). In addition, the number of shares of common stock subject to restricted share units, performance share units, stock appreciation rights or other awards that may be awarded to any participant in any calendar year is limited to 200,000 shares (with a carryover of any unused portion to future years). These maximum individual limits are required to satisfy requirements under Section 162(m) of the Internal

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

Revenue Code of 1986, as amended (which we refer to as the "Code").

Administration

The Compensation Committee of our Board of Directors (or such other committee appointed by our Board to administer the Long-Term Incentive Plan) (which we refer to as the "Committee") administers the Long-Term

26

Incentive Plan, and among other powers, it selects participants from among eligible individuals, determines the number of shares of our common stock that will be subject to each award or the cash amount payable in connection with an award, and determines the terms and conditions of awards. Subject to certain limitations, the Committee may from time to time delegate some or all of its authority to one or more of its members or persons other than its members.

Awards under the Long-Term Incentive Plan

Generally

The Long-Term Incentive Plan authorizes the following awards: stock options, stock appreciation rights, restricted share units, performance share units and other forms of equity-based or equity-related awards that the Committee determines to be consistent with the purposes of the Long-Term Incentive Plan and the interests of the Company. The Committee determines vesting, exercisability, payment and other restrictions that apply to an award. The Committee has the authority to determine the effect, if any, that a participant's termination of service or a change in control of the Company will have on an award. The Committee may determine whether any award is intended to be "performance-based compensation" as that term is used in Section 162(m) of the Code.

Stock Options

Stock options may be either nonqualified stock options or incentive stock options (within the meaning of Section 422 of the Code). The exercise price of a nonqualified stock option generally may not be less than 100% of the fair market value per share on the date of grant. However, the Committee may elect to grant a nonqualified stock option with an exercise price that is below fair market value on the date of grant or the date the exercise price is fixed, subject to the limitation described above. Participants may pay the exercise price of a stock option in any form approved by the Committee at the time of grant. The Committee establishes a vesting schedule for each stock option at the time of grant, as well as the term of such option, which under the Long-Term Incentive Plan cannot exceed ten years from the date the option was granted.

The Long-Term Incentive Plan provides for certain conditions that apply to incentive stock options in accordance with the applicable requirements of Section 422 of the Code and the regulations thereunder. For example, the exercise price per share of an incentive stock option may not be less than 100% of the fair market value per share on the date of grant or on the date the exercise price is fixed.

Stock Appreciation Rights

Stock appreciation rights entitle a participant to receive, upon satisfaction of certain conditions, an amount equal to the excess, if any, of the fair market value on the date of exercise of the number of shares of our common stock for which the stock appreciation right is exercised over the

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

exercise price for such stock appreciation right. The exercise price of a stock appreciation right generally may not be less than 100% of the fair market value per share on the date of grant. However, the Committee may elect to grant a stock appreciation right with an exercise price that is below fair market value on the date of grant or the date the exercise price is fixed, subject to the limitation described above. At the discretion of the Committee, the Committee may make payments to a participant upon exercise of a stock appreciation right in cash, shares of our common stock or a combination of cash and stock. The Committee may grant stock appreciation rights alone or together with stock options.

Restricted Share Units

The Committee has the authority to grant restricted share units to participants pursuant to the Long-Term Incentive Plan. A restricted share unit generally represents the right of the participant to receive one or more shares of our common stock, subject to the terms and conditions established by the Committee, in consideration of the participant's employment with the Company or any of its subsidiaries. If and when these terms and conditions are satisfied and any forfeiture provisions lapse, the restricted share units will, at the discretion of the Committee, become shares of our common stock owned by the respective participant or be payable in cash, shares of our

27

common stock or a combination of cash and stock, with a value equal to the fair market value of the shares at the time of payment.

Performance Share Units

The Committee has the authority to grant performance share units to participants pursuant to the Long-Term Incentive Plan. A performance share unit generally entitles a participant to receive, subject to terms and conditions established by the Committee, a target number of shares of our common stock based upon the achievement of performance targets over a performance period. Performance share units are subject to conditions of vesting and time of payment as the Committee may determine. At the discretion of the Committee, performance share units will be settled through the delivery of shares of our common stock, cash or a combination of cash and stock, with a value equal to the fair market value of the shares as of the last day of the applicable performance period.

Other Equity Awards

The Committee has the authority to specify the terms and provisions of other forms of equity-based or equity-related awards not described above that the Committee determines to be consistent with the purposes of the Long-Term Incentive Plan and the interests of the Company. These awards may provide for cash payments based in whole or in part on the value (or future value) of shares of our common stock, for the acquisition (or future acquisition) of shares of our common stock, or for any combination thereof.

Amendment and Termination of Long-Term Incentive Plan

Our Board of Directors may amend or terminate the Long-Term Incentive Plan at any time. However, we must obtain stockholder approval to:

- o increase the maximum number of shares issuable under the plan, or
- o reduce the exercise price of a stock option or stock appreciation

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

right, except for changes effected under the anti-dilution provisions.

Also, we may not amend or terminate the Long-Term Incentive Plan without a participant's consent if it would adversely affect the participant's rights to previously-granted awards.

Certain U.S. Federal Income Tax Consequences

The federal income tax consequences of issuing and exercising stock options under the Long-Term Incentive Plan may be summarized as follows:

Nonqualified Stock Options

The grant of a nonqualified stock option has no immediate federal income tax effect. The participant will not recognize any taxable income and we will not receive a tax deduction.

When the participant exercises the option, the participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares of our common stock on the date of exercise over the exercise price. We are required to withhold tax on the amount of income recognized. We will receive a tax deduction equal to the amount of income recognized.

When the participant sells the shares of our common stock obtained from exercising a nonqualified stock option, any gain or loss will be taxed as a capital gain or loss (long-term or short-term, depending on how long the shares have been held). Certain additional rules apply if the exercise price for an option is paid in shares previously owned by the participant.

28

Incentive Stock Options

When a participant is granted an incentive stock option, or when the participant exercises the incentive stock option, the participant will generally not recognize taxable income (except for purposes of the alternative minimum tax) and we will not receive a tax deduction.

If the participant holds the shares of our common stock for at least two years from the date of grant, and one year from the date of exercise, then any gain or loss will be treated as long-term capital gain or loss. If, however, the shares are disposed of during this period, the option will be treated as a nonqualified stock option. We will only receive a tax deduction if the shares are disposed of during this period. The deduction will be equal to the amount of taxable income the participant recognizes.

New Plan Benefits under the Long-Term Incentive Plan

No grants have been made under the Long-Term Incentive Plan. Furthermore, because awards under the Long-Term Incentive Plan are determined by the Committee in its sole discretion, we cannot determine the benefits or amounts that will be received or allocated in the future under the Long-Term Incentive Plan.

The Board recommends that you vote "FOR" the approval of the Orthofix International N.V. 2004 Long-Term Incentive Plan.

29

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

PROPOSAL 3: APPROVAL OF INCREASE IN MAXIMUM NUMBER OF SHARES OF COMMON STOCK AVAILABLE FOR ISSUANCE AND OTHER AMENDMENTS TO ARTICLES OF ASSOCIATION

Our Board of Directors has approved and recommended for submission to the shareholders an amendment in full to Orthofix International N.V.'s Articles of Association. A marked copy of the Articles of Association as proposed to be amended is attached as Appendix III to this proxy statement, and reference is made to that appendix for the complete text of the provisions of the Articles of Association.

The Board adopted the amendment in full to the Articles of Association on April 15, 2004, subject to shareholder approval. The revisions to the Articles of Association are intended to provide the company with additional flexibility and were prompted in part by changes in Netherlands Antilles corporate law, which became effective March 1, 2004. As a result of these changes, several provisions in the current Articles of Association of Orthofix International N.V. have become obsolete or are no longer necessary. The new Netherlands Antilles corporate laws provide greater flexibility in constructing the Articles of Association. The following summarizes the principal changes to be effected by the proposed amendment in full:

Proposal 3(a): Increase in Maximum Number of Shares of Common Stock Available for Issuance

The most significant of the proposed amendments approved by the Board is an amendment to the Articles of Association to increase the maximum number of shares of common stock available for issuance from 30,000,000 shares to 50,000,000 shares. The Board believes it is in the best interest of the stockholders to increase the number of shares to provide sufficient availability of shares for issuance from time to time for purposes which the Board may determine to be in Orthofix International N.V.'s best interest. These purposes could include stock splits and stock dividends, providing shares for awards under employee incentive plans, possible future acquisitions and other general corporate purposes. We have no current plans to pursue any of these transactions and issue additional shares. However, the Board believes it will be advantageous to enable the company to act promptly with respect to investment or acquisition opportunities without the expense or delay involved in convening a special stockholder meeting to authorize additional shares, which may be issued in connection with such opportunities. As of May 4, 2004, there were 15,230,962 shares of our common stock issued and outstanding, and an additional 1,953,232 shares were reserved for issuance under our stock option plans.

If this amendment to the Articles of Association is adopted and the authorized common stock is increased to 50,000,000 shares, the Board of Directors would not anticipate obtaining further shareholder approval prior to issuing any of the newly authorized shares, unless required by the Articles of Association, Netherlands Antilles law or the rules of the SEC or Nasdaq. In particular, Nasdaq rules generally require that we obtain shareholder approval prior to the issuance of shares of our common stock (1) when we establish or materially amend our stock option or purchase plans or equity compensation arrangements, subject to certain exceptions; (2) when the issuance of our common stock would result in a change of control of our company; (3) in connection with the acquisition of stock or assets of another company if any of our directors, officers or substantial shareholders has at least a 5% interest in the company to be acquired, or in the consideration to be paid in connection with such acquisition, and the issuance of our common stock could result in an increase in the number of our outstanding common stock or its voting power of 5% or more;

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

(4) in connection with the acquisition of stock or assets of another company if, other than in a public offering for cash, the issuance of our common stock would result in a 20% increase in its number or its voting power; or (5) other than in connection with a public offering, the sale or issuance of 20% or more, whether in number or in voting power, of our common stock outstanding prior to such sale or issuance for less than the greater of the book or market value of our stock, in each case, subject to certain conditions.

Because holders of the common stock of the company have no preemptive rights, the issuance of additional shares of common stock without further stockholder approval may, among other things, have a dilutive effect on earnings per share and on equity of the present holders of common stock and their voting rights.

While the Board believes it advisable to increase the maximum number of shares of common stock available for issuance for the reasons set forth above, the Board realizes that the increase in the number of available shares of common stock could be used for anti-takeover purposes as Orthofix International N.V. could issue additional shares to make more difficult or discourage an attempt to acquire control of Orthofix International N.V. For example, the approval of the amendment could discourage a potential merger, tender offer or proxy contest, or the assumption of control by a holder of a larger block of the company's stock and make more difficult the removal of the incumbent members of the Board and management even if such actions would be favorable to company shareholders. Orthofix International N.V. is not aware of any effort to accumulate its securities or obtain control by means of a tender offer, proxy contest or otherwise. The amendment is being proposed to provide additional flexibility to finance growth. However, although the amendment could be viewed as an anti-takeover measure, it also provides the Board with tools to promptly act to protect the shareholders from third party actions that could have an adverse impact on the shareholders and the company. Our Articles of Association do not presently contain any other provisions which could be viewed as having material anti-takeover effects. In particular, the Articles of Association do not provide for cumulative voting. We do not currently intend to propose other amendments which may have anti-takeover effects, and this amendment is not part of a plan to adopt a series of such amendments.

30

The amendment to increase the authorized common stock will be voted on as a separate Proposal 3(a) on the proxy card, while the amendment in full to make all other proposed changes to the Articles of Association will be voted on as Proposal 3(b).

Proposal 3(b): Other Amendments to Articles of Association

The other proposed amendments to the Articles of Association can be categorized into two types of changes: (i) amendments that we are voluntarily adopting in order to either take advantage of the flexibility provided by the recent changes in Netherlands Antilles law or to update and clarify certain provisions of the Articles of Association, which has not been amended since 1995 and (ii) amendments required in order to comply with the recent changes in Netherlands Antilles law.

The amendments we are voluntarily electing to adopt are as follows:

- o The description of the purpose of the company would be amended to clarify the scope of activities that can be conducted by the company to reflect the company's current business model in

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

light of the recent acquisition of Breg, Inc. In connection with our acquisition of Breg in December 2003, we repositioned the focus of our manufacturing, sales and marketing activities to target three specific market sectors, Spine, Reconstruction and Trauma, and expanded the scope of our activities to include the manufacture, marketing and sale of bracing products and pain management products.

- o The provisions relating to the circumstances under which the Board of Directors may fill a vacancy on the Board would be clarified to provide that in the event a director resigns, the Board of Directors may fill the vacancy created thereby until the next annual meeting, allowing the company to maintain a full membership on the Board and its Committees at all times.
- o Under Netherlands Antilles law, the shareholders are required to approve the company's financial statements. The provision in our Articles of Association stating that the adoption of the financial statements by the shareholders has the effect of acquitting and discharging the Board of Directors for their actions with respect to such financial statements would be deleted. The adoption of the financial statements no longer has this effect under Netherlands Antilles law. As a result, we believe it is appropriate from a corporate governance perspective to delete this provision from our Articles of Association as well.
- o The provision regarding the agenda for the annual meeting would be revised to set forth with more specificity the matters that are to be discussed at the financial statements, including (i) a report by the Board on the business of the company and the administration thereof conducted during the preceding fiscal year; (ii) submission of the financial statements for approval; (iii) election of the Board of Directors; (iv) ratification of the appointment of the company's accountants; and (v) the introduction of any other necessary related items of business.
- o The provision requiring that books and records must remain in the custody of a liquidator or designated custodian for 30 years after the liquidation would be revised to state that such books and records need only remain in the custody of a liquidator or custodian for 10 years. Netherlands Antilles law now provides more flexibility with regard to the required length of retention of books and records after a liquidation and we believe it is more practical to retain such records for 10 years.

31

- o The methods for giving notice for special board meetings and for appointing proxies to act at a meeting of the Board of Directors would be expanded to provide for e-mail and telefax communications.
- o The official version of the Articles of Association would be prepared in English rather than Dutch, as it is no longer a requirement of Netherlands Antilles law that the articles be prepared in Dutch. We believe that the presentation of the

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

articles in English is more practical given that it is the more commonly spoken language.

The amendments required by Netherlands Antilles law are as follows:

- o The provision relating to the transfer of the company's domicile to another jurisdiction must be deleted, as the corresponding provisions relating to transfer of domicile in the Netherlands Antilles law have been repealed and the provision contained in the Articles of Association which referred to this repealed law is no longer appropriate.
- o The provision requiring that 20% of the company's authorized capital must remain outstanding must be deleted. Netherlands Antilles corporate law no longer recognizes the term "authorized capital", and, as a result, no longer requires that a certain amount of a company's authorized capital remain outstanding.
- o The provision regarding the maintenance of a shareholders register must be revised to require additional information in the register, including the date of acquisition of the shares, as the requirements under Netherlands Antilles corporate law for the maintenance of a shareholders register have become more detailed.
- o The provision relating to the procedures to effect transfers of shares must be revised, as a result of changes in Netherlands Antilles law, to provide that such transfers be made by a deed of transfer between parties or, when shares are listed on a stock exchange, pursuant to the rules of that stock exchange.
- o The provision regarding the notice of the Annual Meeting must be revised to provide that such notice be given not less than 12 days prior to the date of the annual meeting, rather than 10 days, in accordance with the new requirements of Netherlands Antilles corporate law. We have elected to require that the notice be given not less than 15 days prior to the meeting in order to provide more time to shareholders to review and respond to the materials relating to the Annual Meeting.
- o The provision requiring that the financial statements be prepared within eight months after the end of the fiscal year and submitted to the shareholders for approval must be revised as a result of changes in the Netherlands Antilles corporate law. The provision must now provide that the shareholders may extend this eight-month period for up to an additional six months.

32

In connection with the foregoing amendments, a vote in favor of either or both of Proposal 3(a) and Proposal 3(b) will include a power of attorney to each lawyer of STvB Advocaten (Curacao) N.V., Netherlands Antilles counsel to the company, to execute and file in the Netherlands Antilles the notarial deed of amendment effectuating the foregoing amendments, as approved by the shareholders.

The Board recommends that you vote "FOR" the approval of the amendment in full to the Articles of Association, including (a) the amendment to increase the maximum number of shares of common stock available for issuance and (b) the other proposed amendments to the Articles of Association.

33

PROPOSAL 4: APPROVAL OF FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2003

Shareholders will be asked to consider, and, if thought fit, approve the balance sheet and income statement at and for the year ended December 31, 2003.

Pursuant to Article 116 of Book 2 Civil Code of the Netherlands Antilles, the Board of Directors is required to draw up the company's balance sheet and income statement within eight months after the end of the fiscal year and to submit the same to the general meeting of shareholders for approval.

A copy of the company's balance sheet and income statement at and for the year ended December 31, 2003 is included in our Annual Report, a copy of which accompanies this proxy statement, and in our Annual Report on Form 10-K for the year ended December 31, 2003 filed with the SEC. If you would like additional copies of our Annual Report or a copy of our Annual Report on Form 10-K, please contact our Investor Relations department.

The Board of Directors recommends that you vote "FOR" the proposal to approve the balance sheet and income statement at and for the year ended December 31, 2003.

PROPOSAL 5: RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR 2004

We are asking you to ratify the Board's selection of Ernst & Young LLP as independent auditors for 2004. The Audit Committee recommended the selection of Ernst & Young LLP to the Board. Ernst & Young LLP has served as the independent auditors of Orthofix since 2002. They have unrestricted access to the Audit Committee to discuss audit findings and other financial matters.

We do not anticipate that representatives of Ernst & Young LLP will be at the annual meeting. The work performed by Ernst & Young LLP during 2003 and 2002 and the related fees are set forth below.

The Board recommends that you vote "FOR" ratification of the selection of Ernst & Young

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

LLP as independent auditors for 2004.

Principal Accountant Fees and Services

The following table sets forth by category of service the total fees for services performed by Ernst & Young LLP during the fiscal years ended December 31, 2003 and December 31, 2002:

	2003 -----
Audit Fees.....	\$638,312
Audit-Related Fees.....	200,396
Tax Fees.....	1,048,725
All Other Fees.....	7,912

Total.....	\$1,895,345

Audit Fees

Audit fees in 2003 and 2002 consisted of the aggregate fees, including expenses, billed in connection with the audit of our annual consolidated financial statements, quarterly reviews, statutory audits of our subsidiaries and accounting consultations on audit matters.

Audit-Related Fees

Audit-related fees in 2003 and 2002 were for acquisition-related due diligence services, employee benefit plan audits and accounting consultations. A substantial portion of the increase in audit-related fees in 2003 from 2002 was due to acquisition-related due diligence services in connection with our December 2003 acquisition of Breg, Inc.

Tax Fees

Tax fees in 2003 and 2002 related to services for tax compliance, tax planning and tax advice. The increase in tax fees in 2003 from 2002 was due to tax consulting services related to our acquisition of Breg, Inc.

All Other Fees

The remaining fees paid to Ernst & Young LLP in 2003 were related to access to professional reference materials and publications.

35

Pre-Approval Policies and Procedures

The Audit Committee approves all audit, audit-related services, tax services and other services provided by Ernst & Young LLP. Any services provided by Ernst & Young LLP that are not specifically included within the scope of the audit must be either (i) pre-approved by the entire Audit Committee in advance of any engagement or (ii) pre-approved by the Chairman of the Audit Committee pursuant to authority delegated to him by the other independent members of the Audit Committee, in which case the Audit Committee is then informed of his

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

decision. Under the Sarbanes-Oxley Act of 2002, these pre-approval requirements are waived for non-audit services where (i) the aggregate of all such services is no more than 5% of the total amount paid to the external auditors during the fiscal year in which such services were provided, (ii) such services were not recognized at the time of the engagement to be non-audit services and (iii) such services are approved by the Audit Committee prior to the completion of the audit engagement. In 2003, less than 2% of the fees paid to Ernst & Young LLP for non-audit services were approved pursuant to the above exception.

In making its recommendation to appoint Ernst & Young LLP as our independent auditor for the fiscal year ending December 31, 2004, the Audit Committee has considered whether the services provided by Ernst & Young LLP are compatible with maintaining the independence of Ernst & Young LLP and has determined that such services do not interfere with that firm's independence in the conduct of its auditing function.

Change in Accountants

On February 15, 2002, we announced the selection of Ernst & Young LLP as new independent accountants to audit our financial statements for the year ending December 31, 2002. The selection was based upon the recommendation of our Audit Committee and approval of the Board of Directors. Ernst & Young LLP replaced PricewaterhouseCoopers, or PwC, our previous accounting firm. During 2001, PwC concluded that it had violated the auditor independence rules of the Securities and Exchange Commission, or SEC, by providing bookkeeping services to a subsidiary of Orthofix International, and reported this violation to the SEC. The SEC permitted PwC to complete its audit of our financial statements for the year ending December 31, 2001, but did not permit PwC to remain as our independent accountants for the year ending December 31, 2002. Accordingly, PwC resigned upon completion of its audit of the financial statements for the year ended December 31, 2001.

The report of PwC on our consolidated financial statements for the year ended December 31, 2001 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principle. In addition, in connection with the audit of our consolidated financial statements for the year ended December 31, 2001, and through June 25, 2002, there were no disagreements between Orthofix and PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PwC would have caused PwC to make reference thereto in its reports on our consolidated financial statements for such years.

We furnished the above disclosure to PwC prior to filing this proxy statement with the SEC and PwC agreed that such disclosure was correct and complete.

For purposes of determining the number of Common Shares that remain available for issuance under the Plan, the number of Common Shares corresponding to Awards under the Plan that are forfeited or expire for any reason without having been exercised or settled, the number of Common Shares tendered or withheld to pay the exercise price of an Award and the number of shares withheld from any Award to satisfy a Participant's tax withholding obligations shall be added back to the Plan Limit and again be available for the grant of Awards.

(c) Special Limits. Anything to the contrary in Section 5(a) above notwithstanding, but subject to Section 13(b), the following special limits shall apply to Common Shares available for Awards under the Plan:

(i) the maximum number of Common Shares that, in the aggregate, may be subject to Discounted Options, Restricted Stock Units payable in Common Shares, Performance Share Units payable in Common Shares, and Other Awards payable in Common Shares shall equal 400,000 shares;

II-4

(ii) the maximum number of Common Shares that may be subject to Options granted to any Eligible Individual in any calendar year shall equal 200,000 shares, plus any shares which were available under this Section 5(c) (ii) for Awards to such Eligible Individual in any prior calendar year but which were not covered by such Awards; and

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

(iii) the maximum number of Common Shares that may be subject to Restricted Share Units, Performance Share Units, Stock Appreciation Rights or Other Awards granted to any Eligible Individual in any calendar year shall equal 200,000 shares, plus any shares which were available under this Section 5(c)(iii) for Awards to such Eligible Individual in any prior calendar year but which were not covered by such Awards.

6. Awards in General

(a) Types of Awards. Awards under the Plan may consist of Options, Restricted Share Units, Performance Share Units, Stock Appreciation Rights and Other Awards. Any Award described in Sections 7 through 11 of the Plan may be granted singly or in combination or tandem with any other Awards, as the Committee may determine. Awards under the Plan may be made in combination with, in replacement of, or as alternatives to awards or rights under any other compensation or benefit plan of the Company, including the plan of any acquired entity.

(b) Terms Set Forth in Award Document. The terms and conditions of each Award shall be set forth in an Award Document in a form approved by the Committee for such Award, which shall contain terms and conditions not inconsistent with the Plan. Notwithstanding the foregoing, the Committee may, in its sole discretion, accelerate (i) the vesting or payment of any Award, (ii) the lapse of restrictions on any Award or (iii) the date on which any Award first becomes exercisable. The terms of Awards may vary among Participants and the Plan does not impose upon the Committee any requirement to make Awards subject to uniform terms. Accordingly, the terms of individual Award Documents may vary.

(c) Termination of Employment and Change in Control. The Committee shall specify at or after the time of grant of an Award the provisions governing the disposition of an Award in the event of a Participant's termination of employment with the Company or any of its Subsidiaries. In connection with a Participant's termination of employment, the Committee shall have the discretion to accelerate the vesting, exercisability or settlement of, eliminate the restrictions and conditions applicable to, or extend the post-termination exercise period of an outstanding Award, which provisions may be specified in the applicable Award Document or determined at a subsequent time. Similarly, the Committee shall have full authority to determine the effect, if any, of a change in control of the Company on the vesting, exercisability, settlement, payment or lapse of restrictions applicable to an Award, which effect may be specified in the applicable Award Document or determined at a subsequent time.

(d) Dividends and Dividend Equivalents. The Committee may provide Participants with the right to receive dividends or payments equivalent to dividends or interest with respect to an outstanding Award, which payments can either be paid currently or deemed to have been reinvested in Common Shares, and can be made in Common Shares, cash or a combination thereof, as the Committee shall determine.

(e) Rights of a Shareholder. A Participant shall have no rights as a shareholder with respect to Common Shares covered by an Award until the date the Participant or his nominee becomes the holder of record of such shares. No adjustment shall be made for dividends or other rights for which the record date is prior to such date, except as provided in Section 13(b).

(f) Performance-Based Awards. The Committee may determine whether any Award under the Plan is intended to be "performance-based compensation" as that term is used in Section 162(m) of the Code. Any such Awards designated to be "performance-based compensation" shall be conditioned on the achievement of one

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

or more Performance Targets, to the extent required by Section 162(m) of the Code. The Performance Targets that may be used by the Committee for such Awards will be based on measurable and attainable financial goals for the Company, one or more of its operating divisions or Subsidiaries or any combination of the above such as net income, net revenue, cash flow, operating margin, operating revenue, pre-tax income, pre-tax operating income,

II-5

operating income growth, return on assets, total shareholder return, share price, return on equity, diluted earnings per share or earnings per share growth, or a combination thereof as selected by the Committee, and quantifiable non-financial goals. Each Participant is assigned a Target Number payable if Performance Targets are achieved. If a Participant's performance exceeds such Participant's Performance Targets, Awards may be greater than the Target Number, but may not exceed 200% of such Participant's Target Number. The Committee retains the right to reduce any Award if it believes that individual performance does not warrant the Award calculated by reference to the result. In the event that all members of the Committee are not "outside directors" as that term is defined in Section 162(m) of the Code, the grant and terms of Awards intended to qualify as "performance-based compensation" will be made by a subcommittee of the Committee consisting of two or more "outside directors" for purposes of Section 162(m) of the Code.

7. Terms and Conditions of Options

(a) General. The Committee, in its discretion, may grant Options to eligible Participants and shall determine whether such Options shall be Incentive Stock Options or Nonqualified Stock Options. Each Option shall be evidenced by an Award Document that shall expressly identify the Option as an Incentive Stock Option or Nonqualified Stock Option, and be in such form and contain such provisions as the Committee shall from time to time deem appropriate.

(b) Exercise Price. The exercise price of an Option shall be fixed by the Committee at the time of grant or shall be determined by a method specified by the Committee at the time of grant; provided, however, that the exercise price of an Option shall not be less than 100% of the Fair Market Value per share on the date of grant unless, subject to the limitations on Discounted Options set forth in Section 5(c)(i), the Committee elects to set the exercise price below Fair Market Value on the date of grant (or, if the exercise price is not fixed on the date of grant, on such date as the exercise price is fixed). Payment of the exercise price of an Option shall be made in any form approved by the Committee at the time of grant.

(c) Term. An Option shall be effective for such term as shall be determined by the Committee and as set forth in the Award Document relating to such Option, and the Committee may extend the term of an Option after the time of grant; provided, however, that the term of an Option may in no event extend beyond the tenth anniversary of the date of grant of such Option.

(d) Incentive Stock Options. The exercise price per share of an Incentive Stock Option may not be less than 100% of the Fair Market Value per share on the date of grant. No Incentive Stock Option may be issued pursuant to the Plan to any individual who, at the time the Incentive Stock Option is granted, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, unless (i) the exercise price determined as of the date of grant is at least 110% of the Fair Market Value on the date of grant of the Common Shares subject to such

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

Incentive Stock Option and (ii) the Incentive Stock Option is not exercisable more than five years from the date of grant thereof. No Participant shall be granted any Incentive Stock Option which would result in such Participant receiving a grant of Incentive Stock Options that would have an aggregate Fair Market Value in excess of \$100,000, determined as of the time of grant, that would be exercisable for the first time by such Participant during any calendar year. The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code, or any successor provision thereto, and any regulations promulgated thereunder.

8. Terms and Conditions of Restricted Share Units

The Committee is authorized to grant Restricted Share Units to Eligible Individuals. A Restricted Share Unit shall entitle a Participant to receive, subject to the terms, conditions and restrictions set forth in the Plan and applicable Award Document, one or more Common Shares in consideration of the Participant's employment with the Company or any of its Subsidiaries. If and when the forfeiture provisions lapse, the Restricted Share Units shall become Common Shares owned by the corresponding Participant or, at the sole discretion of the Committee, cash, or a combination of cash and Common Shares, with a value equal to the Fair Market Value of the shares at the time of payment.

II-6

9. Terms and Conditions of Performance Share Units

The Committee is authorized to grant Performance Share Units to Eligible Individuals. A Performance Share Unit shall entitle a Participant to receive, subject to the terms, conditions and restrictions set forth in the Plan and applicable Award Document, a Target Number of Common Shares based upon the achievement of Performance Targets over the applicable Performance Period. At the sole discretion of the Committee, Performance Share Units shall be settled through the delivery of Common Shares or cash, or a combination of cash and Common Shares, with a value equal to the Fair Market Value of the Common Shares as of the last day of the applicable Performance Period.

10. Stock Appreciation Rights

(a) General. The Committee is authorized to grant Stock Appreciation Rights to Eligible Individuals. A Stock Appreciation Right shall entitle a Participant to receive, upon satisfaction of the conditions to payment specified in the applicable Award Document, an amount equal to the excess, if any, of the Fair Market Value on the exercise date of the number of Common Shares for which the Stock Appreciation Right is exercised, over the exercise price for such Stock Appreciation Right specified in the applicable Award Document. The exercise price per share of Common Shares covered by a Stock Appreciation Right shall be fixed by the Committee at the time of grant or, alternatively, shall be determined by a method specified by the Committee at the time of grant, provided, however, that the exercise price of a Stock Appreciation Right shall not be less than 100% of the Fair Market Value per share on the date of grant unless, subject to the limitations on Discounted Options set forth in Section 5(c)(i), the Committee elects to set the exercise price below Fair Market Value on the date of grant (or, if the exercise price is not fixed on the date of grant, on such date as the exercise price is fixed). At the sole discretion of the Committee, payments to a Participant upon exercise of a Stock Appreciation Right may be made in cash or Common Shares, or in a combination of cash and Common Shares, having an aggregate Fair Market Value as of the date of exercise equal to such cash amount.

(b) Stock Appreciation Rights in Tandem with Options. A Stock

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

Appreciation Right granted in tandem with an Option may be granted either at the same time as such Option or subsequent thereto. If granted in tandem with an Option, a Stock Appreciation Right shall cover the same number of Common Shares as covered by the Option (or such lesser number of shares as the Committee may determine) and shall be exercisable only at such time or times and to the extent the related Option shall be exercisable, and shall have the same term and exercise price as the related Option (which, in the case of a Stock Appreciation Right granted after the grant of the related Option, may be less than the Fair Market Value per share on the date of grant of the tandem Stock Appreciation Right). Upon exercise of a Stock Appreciation Right granted in tandem with an Option, the related Option shall be canceled automatically to the extent of the number of shares covered by such exercise; conversely, if the related Option is exercised as to some or all of the shares covered by the tandem grant, the tandem Stock Appreciation Right shall be canceled automatically to the extent of the number of shares covered by the Option exercise.

11. Other Awards

The Committee shall have the authority to specify the terms and provisions of other forms of equity-based or equity-related Awards not described above that the Committee determines to be consistent with the purpose of the Plan and the interests of the Company, which Awards may provide for cash payments based in whole or in part on the value or future value of Common Shares, for the acquisition or future acquisition of Common Shares, or any combination thereof.

12. Certain Restrictions

(a) Transfers. Unless the Committee determines otherwise on or after the date of grant, no Award shall be transferable other than by will or by the laws of descent and distribution or pursuant to a domestic relations order; provided, however, that the Committee may, in its discretion and subject to such terms and conditions as it shall specify, permit the transfer of an Award for no consideration to a Participant's family members or to one or more trusts or partnerships established in whole or in part for the benefit of one or more of such family members (collectively, "Permitted Transferees"). Any Award transferred to a Permitted Transferee shall be further transferable only by will or the laws of descent and distribution or, for no consideration, to another Permitted

II-7

Transferee of the Participant. The Committee may in its discretion permit transfers of Awards other than those contemplated by this Section 12(a).

(b) Award Exercisable Only by Participant. During the lifetime of a Participant, an Award shall be exercisable only by the Participant or by a Permitted Transferee to whom such Award has been transferred in accordance with Section 12(a). The grant of an Award shall impose no obligation on a Participant to exercise or settle the Award.

13. Recapitalization or Reorganization

(a) Authority of the Company and Stockholders. The existence of the Plan, the Award Documents and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or business, any merger or

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Shares or the rights thereof or which are convertible into or exchangeable for Common Shares, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

(b) Change in Capitalization. Notwithstanding any provision of the Plan or any Award Document, the number and kind of shares authorized for issuance under Section 5, including the maximum number of shares available under the special limits provided for in Section 5(c), may be equitably adjusted in the sole discretion of the Committee in the event of a stock split, stock dividend, recapitalization, reorganization, merger, consolidation, extraordinary dividend, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Shares at a price substantially below Fair Market Value or other similar corporate event affecting the Common Shares in order to preserve, but not increase, the benefits or potential benefits intended to be made available under the Plan. In addition, upon the occurrence of any of the foregoing events, the number of outstanding Awards and the number and kind of shares subject to any outstanding Award and the exercise price per share, if any, under any outstanding Award may be equitably adjusted (including by payment of cash to a Participant) in the sole discretion of the Committee in order to preserve the benefits or potential benefits intended to be made available to Participants granted Awards. Such adjustments shall be made by the Committee, in its sole discretion, whose determination as to what adjustments shall be made, and the extent thereof, shall be final. Unless otherwise determined by the Committee, such adjusted Awards shall be subject to the same restrictions and vesting or settlement schedule to which the underlying Award is subject.

14. Term of the Plan

Unless earlier terminated pursuant to Section 16, the Plan shall terminate on the 10th anniversary of the Effective Date, except with respect to Awards then outstanding. No Awards may be granted under the Plan after the 10th anniversary of the Effective Date.

15. Effective Date

The Plan shall become effective on the Effective Date; provided, however, that, if the Plan is not approved by the shareholders upon submission to them for approval, the Plan shall be void ab initio and of no further force and effect.

16. Amendment and Termination

Notwithstanding anything herein to the contrary, the Board may, at any time, terminate or, from time to time, amend, modify or suspend the Plan; provided, however, that no termination, amendment, modification or suspension of the Plan shall materially and adversely alter or impair the rights of a Participant in any Award previously made under the Plan without the consent of the holder thereof and no amendment which (i) increases the Plan Limit or (ii) permits a reduction in the exercise price of Options or Stock Appreciation Rights under

II-8

circumstances other than in connection with a transaction or event described in Section 13(b), shall be effective without shareholder approval.

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

17. Miscellaneous

(a) Tax Withholding. The Company or a Subsidiary, as appropriate, may require any individual entitled to receive a payment in respect of an Award to remit to the Company, prior to such payment, an amount sufficient to satisfy any applicable tax withholding requirements. In the case of an Award payable in Common Shares, the Company or a Subsidiary, as appropriate, may permit such individual to satisfy, in whole or in part, such obligation to remit taxes by directing the Company to withhold shares that would otherwise be received by such individual or to repurchase shares that were issued to such individual to satisfy the minimum statutory withholding rates for any applicable tax withholding purposes, in accordance with all applicable laws and pursuant to such rules as the Committee may establish from time to time. The Company or a Subsidiary, as appropriate, shall also have the right to deduct from all cash payments made to a Participant (whether or not such payment is made in connection with an Award) any applicable taxes required to be withheld with respect to such payments.

(b) No Right to Awards or Employment. No person shall have any claim or right to receive Awards under the Plan. Neither the Plan, the grant of Awards under the Plan, nor any action taken or omitted to be taken under the Plan shall be deemed to create or confer on any Eligible Individual any right to be retained in the employ of the Company or any Subsidiary or other affiliate thereof, or to interfere with or to limit in any way the right of the Company or any Subsidiary or other affiliate thereof to terminate the employment of such Eligible Individual at any time.

(c) Section 16(b) of the Exchange Act. The Plan is intended to comply in all respects with Section 16(b) of the Exchange Act. Notwithstanding anything contained in the Plan or any Award Document under the Plan to the contrary, if the consummation of any transaction under the Plan, or the taking of any action by the Committee in connection with a change in control of the Company, would result in the possible imposition of liability on a Participant pursuant to Section 16(b) of the Exchange Act, the Committee shall have the right, in its sole discretion, but shall not be obligated, to defer such transaction or the effectiveness of such action to the extent necessary to avoid such liability, but in no event for a period longer than 180 days.

(d) Section 162(m) of the Code. The Plan is intended to comply in all respects with Section 162(m) of the Code.

(e) Awards to Individuals Subject to Non-U.S. Jurisdictions. To the extent that Awards under the Plan are awarded to individuals who are domiciled or resident outside of the United States or to persons who are domiciled or resident in the United States but who are subject to the tax laws of a jurisdiction outside of the United States, the Committee may adjust the terms of the Awards granted hereunder to such persons (i) to comply with the laws of such jurisdiction and (ii) to permit the grant of the Award not to be a taxable event to the Participant. The authority granted under the previous sentence shall include the discretion for the Committee to adopt, on behalf of the Company, one or more sub-plans applicable to separate classes of Eligible Individuals who are subject to the laws of jurisdictions outside of the United States.

(f) Securities Law Restrictions. An Award may not be exercised or settled and no Common Shares may be issued in connection with an Award unless the issuance of such shares has been registered under the Securities Act of 1933, as amended, and qualified under applicable state "blue sky" laws and any applicable foreign securities laws, or the Company has determined that an exemption from registration and from qualification under such state "blue sky" laws is available. The Committee may require each Participant purchasing or acquiring Common Shares pursuant to an Award under the Plan to represent to and

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

agree with the Company in writing that such Eligible Individual is acquiring the Common Shares for investment purposes and not with a view to the distribution thereof. All certificates for Common Shares delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any exchange upon which the Common Shares are then listed, and any applicable securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

II-9

(g) Award Document. In the event of any conflict or inconsistency between the Plan and any Award Document, the Plan shall govern and the Award Document shall be interpreted to minimize or eliminate any such conflict or inconsistency.

(h) Application of Funds. The proceeds received by the Company from the sale of Common Shares pursuant to Awards will be used for general corporate purposes.

(i) Governing Law. The Plan and all agreements entered into under the Plan shall be construed in accordance with and governed by the laws of the State of New York and without giving effect to principles of conflicts of laws.

Directors may be removed or suspended at any time by the General Meeting of Shareholders. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company.

- 11.2 The Company shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise or entity, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been finally adjudged to be liable to the Company for improper conduct unless and only to the extent that the court in which such action or suit was brought or any other court having appropriate jurisdiction shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses, judgments, fines and amounts paid in settlement which the court in which the action or suit was brought or such other court having appropriate jurisdiction shall deem proper.

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form DEF 14A

- 11.3 To the extent that a director, officer, employee or agent of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in paragraphs 1 and 2 of this Article, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.
- 11.4 Any indemnification under paragraphs 1 and 2 of this Article (unless ordered by a court) shall be made by the Company only as authorized by contract approved, or by-laws, resolution or other action adopted or taken, by the Board of Directors or by the shareholders.
- 11.5 Expenses incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Company as authorized by this Article.
- 11.6 The indemnification and advancement of expenses provided by or granted pursuant to the other paragraphs of this Article shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any law, by-law, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director,

- 11.8 For purposes of this Article, reference to the Company shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger, and which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article with respect to the resulting or surviving corporation if its separate existence had continued.
