CELLCOM ISRAEL ANNOUNCES ADDITIONAL SALE OF APPROXIMATELY 1% OF ITS ISSUED SHARE CAPITAL BY CONTROLLING SHAREHOLDER

Netanya, Israel – December 11, 2008 – Cellcom Israel Ltd. (“Company”) (NYSE: CEL) announced today that further to its report earlier today in regards to the sale of approximately 2.3% of its issued share capital by Discount Investment Corporation Ltd. (“DIC”), its controlling shareholder, to a financial institution, DIC has further announced that DIC has entered today into an additional agreement to sell 1,000,000 shares of the Company, constituting approximately 1% of the Company’s issued share capital, for a total consideration of NIS 86.5 million (subject to a certain contingent increase of the consideration) in cash to the same financial institution and that the purchaser has informed DIC of its intention to place such shares for sale outside the United States to non-US investors. The agreement further provides that DIC will not dispose of the Company’s shares during 55 days following the closing date, unless DIC obtains the consent of the said financial institution purchaser. The sale is scheduled to be completed today, following which DIC will hold approximately 46.9% of the Company’s issued share capital and approximately 52.3% of the voting rights in the Company.

The sold shares have not been and will not be registered under the U.S. Securities Act of 1933. Accordingly, these shares may not be offered or sold in the United States.

DIC also notified the Company that it views its holding in the Company as a long term investment, and intends to continue to control the Company. Such intention is subject to future circumstances including conditions in the capital markets and DIC's investment strategy.
