INTO GAFISA S.A.

AMONG THE ADMINISTRATORS OF

CONSTRUTORA TENDA S.A.

AND

GAFISA S.A.

DATED NOVEMBER 9, 2009

By this private instrument:

The management of CONSTRUTORA TENDA S.A., a company with headquarters in the City of São Paulo, State of São Paulo, at Av. Engenheiro Luiz Carlos Berrini, 1,376, 9th floor, Brooklin Paulista, enrolled with the CNPJ/MF under No. 71.476.527/0001-35 (“Tenda”); and

The management of GAFISA S.A., a company with headquarters in the City of São Paulo, State of São Paulo, at Avenida das Nações Unidas, 8,501, 19th floor, enrolled with the CNPJ/MF under No. 01.545.826/0001-07 (“Gafisa” and, together with Tenda, the “Companies”);

WHEREAS:

- (i) the management of the Companies presented, through the Material Fact Releases of Gafisa and of Tenda dated as of October 21, 2009 and October 22, 2009, respectively, their intention to present to their shareholders, by the end of the fiscal year of 2009, a proposal for the merger of the totality of the outstanding shares issued by Tenda into its controlling shareholder Gafisa (“Merger of Shares”);
- (ii) on October 22, 2009, the Board of Directors of Tenda established a transitory independent committee (“Independent Committee”), to negotiate with the management of Gafisa, the conditions of the Merger of Shares and to submit its recommendations to the competent corporate bodies of Tenda;
- (iii) the Independent Committee and the management of Gafisa reached an agreement regarding the conditions for the Merger of Shares, especially in relation to the ratio for delivery of Gafisa’s shares in replacement for Tenda’s shares; and
- (iv) the Boards of Directors of Gafisa and of Tenda - the Board of Directors of Tenda having followed the recommendation of the Independent Committee approved the Merger of Shares on November 6, 2009 and have decided to propose the Merger of Shares to the shareholders of the Companies, pursuant to the terms agreed upon by the Independent Committee and the management of Gafisa;

HEREBY AGREE to enter into, in accordance with sections 224, 225 and 252 of Law No. 6,404/76, this Protocol and Justification of Merger of Shares Issued by Construtora Tenda S.A. into Gafisa S.A. (“Protocol and Justification”), which shall be submitted to the Extraordinary General Meetings of the Companies for approval by their respective shareholders, pursuant to the terms and conditions set out below:

1. Reasons for the transaction and interest of the Companies in its accomplishment.

1.1. The management of each of the Companies believe that the Merger of Shares will be advantageous to the shareholders of both Companies, to the extent the Merger of Shares is likely to result in the creation of a national leader in the civil construction sector that is likely to derive benefits arising from scale and an increase in operational, commercial and administrative efficiencies, and permit the

reduction of redundant costs and operational scale gains, allowing for larger investments to be made and a higher sustainable growth rate.

1.2. The Gafisa common shares to be received by Tenda's shareholders will be traded on the BM&FBOVESPA – Bolsa de Valores, Mercadorias e Futuros S.A. (“BM&FBOVESPA”) in the “Novo Mercado”, and Tenda's shareholders should benefit from an increase in the trading liquidity of their shares.

2. Ratio of substitution, number and type of shares to be assigned to Tenda's shareholders and share rights

2.1. Tenda's shareholders shall receive 0,205 common shares issued by Gafisa for each common share issued by Tenda held by them. Said substitution ratio shall be proportionally adjusted in case of split, reverse stock split, bonus shares or any other event that may cause any change to the number of shares in which Tenda's stock capital is divided, provided that there are no corresponding changes to Tenda's net equity.

2.2. Any fractional shares resulting from the substitution of Gafisa's shares in replacement for Tenda's shares held by each shareholder of Tenda that are not aggregated with the fractional shares of other Tenda's shareholders in order to have one share will be rounded downwards to the closest whole number, and the difference will be paid in cash by Gafisa within 30 business days from the receipt of the funds from the sale of the sum of such fractions at BM&FBOVESPA S.A. – Bolsa de Valores, Mercadorias e Futuros.

2.3. Gafisa's common shares to be delivered to Tenda's shareholders in exchange for their Tenda shares, will have the same rights assigned to the then outstanding Gafisa common shares, and all such shares will be entitled to all benefits, including dividends and capital remuneration, that may be declared by Gafisa.

2.4. Tenda does not hold any shares issued by Gafisa.

3. Criteria for the appraisal of Tenda's shares and the treatment of equity variations and rights of withdrawal.

3.1. Tenda's common shares will be exchanged for common shares of Gafisa based on their net worth value on September 30th 2009 (the “Reference Date”).

3.2. The management of Gafisa, subject to further approval at the Extraordinary General Meeting of Gafisa that will examine the Protocol and Justification, appointed Apsis Consultoria Empresarial Ltda., enrolled with the CNPJ/MF under no. 27.281.922/0001-70, with headquarters in the city of Rio de Janeiro, State of Rio de Janeiro, at Rua São José, 90, Grupo 1.802, Centro (“APSIS”) to perform the appraisal of the shares issued by Tenda to be merged into Gafisa. As a result of its work, APSIS delivered to Gafisa an appraisal report.

3.3. The equity variations of Tenda between the Reference Date and the date on which the Merger of Shares is effected shall be supported solely by Tenda and reflected on Gafisa through the equity method of accounting (“método de equivalência patrimonial”).

3.4. According to section 264 of Law No. 6,404/76, APSIS was also requested by Tenda's management to prepare an appraisal report to evaluate the exchange ratio for delivery of Gafisa's shares in replacement for Tenda's shares based on the net worth value on the Reference Date of both Gafisa and Tenda, at market price ("Market Price Shareholders' Equity Report"). As set forth in the Market Price Shareholders' Equity Report, the appraisal resulted in an exchange ratio less favorable to Tenda shareholders than the one proposed by the management of the Companies. For this reason, Tenda's shareholders will be entitled to the reimbursement of their shares, in case of exercise of the right of withdrawal, based on the net worth value of Tenda's shares on December 31st 2008, in the amount of R\$2,65 per share, notwithstanding the right to request a special balance sheet.

3.5. As provided in sections 252, paragraph 2, and 137, paragraph 2, of Brazilian Law No. 6,404/76, the right of withdrawal will be guaranteed exclusively to Tenda's shareholders who dissent from or refrain from voting on the resolution relating to the Merger of Shares or fail to attend the relevant Extraordinary General Shareholders' Meeting and who specifically express their intention to exercise the right of withdrawal within 30 days from the date of publication of the minutes of the Extraordinary General Shareholders' Meeting of Tenda that approves the Merger of Shares. The payment of the respective reimbursement will be subject to consummation of the transaction set forth herein, as provided in section 230 of Brazilian Law No. 6,404/76. Such payment will be made by Tenda on a date to be further informed. The reimbursement of the value of Tenda shares will only be ensured in relation to the shares demonstrably held by said shareholders on October 21st, 2009, the date of the material fact release that disclosed the transaction set forth herein, pursuant to section 137 of Brazilian Law No. 6,404/76.

3.6. Gafisa's shareholders who dissent or refrain from voting on the resolution relating to the Merger of Shares or fail to attend the relevant Extraordinary General Shareholders' Meeting cannot withdraw from Gafisa upon reimbursement of the respective value of shares due to the fact that Gafisa's shares meet the liquidity and dispersion criteria set forth in subparagraph II, section 137 of Brazilian Law No. 6,404/76.

3.7. APSIS represented that (i) there is no conflict or union of interest, whether actual or potential, with shareholders of Tenda or of Gafisa or with regard to the Merger of Shares; and (ii) shareholders or officers of Tenda or of Gafisa have not influenced, limited, made it difficult or performed any acts that compromised or may have compromised access to, use or knowledge of information, properties, documents or work methodology relevant to the quality of its conclusions.

4. Increase in the shareholders' equity of Gafisa. Composition of the capital stock of Gafisa after the Merger of Shares.

4.1. The total issuance price of Gafisa's shares for the capital increase arising out of the Merger of Shares will be the net worth value of all of Tenda's shares to be merged into Gafisa on the Reference Date, provided that a portion of such price may be allocated to the formation of a capital reserve, pursuant to item "a", paragraph 1, of section 182 of Brazilian Law No. 6,404/76. The shares issued by

Gafisa will be subscribed to by the officers of Tenda, on account of the Tenda shareholders, according to the terms of section 252, paragraph 2, of Brazilian Law No. 6,404/76, and paid up upon the merger of the outstanding shares issued by Tenda into the net equity of Gafisa.

4.2. Gafisa's net worth, as a result of the Merger of Shares, will be increased in R\$448,548,933.70, upon the issuance of 32,884,592 new shares, and its capital will be divided into 166,517,910 common shares. Such number of shares may be adjusted due to the issuance of new shares by Tenda before the Merger of Shares, resulting in modification of its net equity. As a result of the transaction set forth herein, the totality of shares issued by Tenda will be owned by Gafisa and Tenda shall become a wholly-owned subsidiary thereof.

4.3. The wording of the head of Section 5 of the Bylaws of Gafisa will be amended in order to reflect the capital increase, upon the issuance of new shares, resulting from the approval of the Merger of Shares.

5. Transaction Acts.

5.1. Consummation of the Merger of Shares requires the following acts to be performed:

- (a) Extraordinary General Shareholders' Meeting of Tenda to approve the Protocol and Justification and the Merger of Shares, as well as to authorize the subscription by officers of Tenda of the shares to be issued by Gafisa; and
- (b) Extraordinary General Shareholders' Meeting of Gafisa to (i) approve the Protocol and Justification and authorize the increase of the capital stock to be subscribed to and paid up by the officers of Tenda; (ii) confirm the appointment of APSIS; (iii) approve the appraisal report prepared by APSIS and the Merger of Shares; (iv) approve the assumption by Gafisa of non-exercised stock options granted by Tenda under its Stock Option Plans; and (v) authorize the management of Gafisa to execute all agreements and instruments, and further perform all other acts required to make the Merger of Shares effective.

5.2. Pursuant to the debenture indenture, Tenda will make efforts to obtain favorable pronouncement of its debenture holder on the matter.

6. General Provisions.

6.1. Stock Option Plan. At the Extraordinary General Shareholders' Meeting of Gafisa, the shareholders of Gafisa will resolve on the Merger of Shares and shall also resolve on the assumption, by Gafisa, of the non-exercised stock options granted under the Stock Option Plans of Tenda approved at the Extraordinary General Shareholders' Meetings held on June 3rd, 2008 and on April 27, 2009.

6.2. Gafisa Consultants. Estáter was hired to assist Gafisa in this transaction. The management of Gafisa also hired N M Rothschild & Sons to produce the valuation report of the companies involved.

6.3. Independent Committee Advisors. Banco Itaú BBA S.A. and Ulhôa Canto, Rezende e Guerra - Advogados were hired as financial and legal consultants, respectively, of the Independent Committee.

6.4. Registry of Publicly-Held Company of Tenda. Tenda will remain a publicly-held corporation until further resolution by its controlling shareholder Gafisa. Tenda's shares shall be delisted from the Nov Mercado of BM&FBOVESPA.

6.5. No Succession. The Merger of Shares will not cause Gafisa to absorb any properties, rights, assets, obligations or responsibilities of Tenda, which shall keep its legal identity in full without succession.

6.6. Amendment. This Protocol and Justification shall not be amended unless the amendment is made in writing.

6.7. Other Documents. All documents mentioned in this Protocol and Justification and the audited financial statements of Tenda and of Gafisa prepared on the Reference Date will be available at the headquarters of Gafisa and of Tenda as of the date hereof, as well as on the websites of Brazilian Securities Exchange Commission ("CVM") and BM&FBOVESPA.

6.8. Venue. The courts of the Judicial District of the Capital of the State of São Paulo are hereby elected to settle all disputes arising herefrom, to the exclusion of any other, however privileged it is or may be.

IN WITNESS WHEREOF, the parties execute this Protocol and Justification in six counterparts of identical content and form in the presence of two witnesses identified below.

MATERIAL FACT RELEASE

GAFISA S.A. (BOVESPA: GFSA3; NYSE: GFA) (“Gafisa”) and CONSTRUTORA TENDA S.A. (BOVESPA: TEND3) (“Tenda”), to comply with the provisions of CVM Instructions No. 358/2002 and 319/1999 and to complement the information of the Material Fact Releases dated as of October 21st 2009 and October 22nd 2009, respectively, inform the following, to whom this may concern:

With the purpose to consolidate the business of Gafisa and of Tenda (together referred to as the “Companies”), a proposal of merger by Gafisa of all outstanding shares issued by Tenda (“Merger of Shares”) will be submitted to the shareholders of the Companies, as described below.

1. Reasons for the transaction and interest of the Companies in its accomplishment.

1.1. The management of each of the Companies believe that the Merger of Shares will be advantageous to the shareholders of both Companies, to the extent it is likely to result in the creation of a national leader in the civil construction sector that is likely to derive benefits arising from scale and an increase in operational, commercial and administrative efficiencies, and permit the reduction of redundant costs and operational scale gains, allowing for larger investments to be made and a higher sustainable growth rate.

1.2. Gafisa’s shares to be received by Tenda’s shareholders will be traded on the BM&FBOVESPA – Bolsa de Valores, Mercadorias e Futuros S.A. (“BM&FBovespa”) in the “Novo Mercado”, and Tenda’s shareholders should benefit from an increase in the trading liquidity of their shares.

2. Acts Preceding the Transaction.

2.1. On October 22nd 2009, the Board of Directors of Tenda established a transitory independent committee (the “Independent Committee”), to negotiate with the management of Gafisa, the conditions of the Merger of Shares and to submit its recommendations to the competent bodies of Tenda.

2.2. The Independent Committee and the management of Gafisa reached an agreement regarding the conditions for the Merger of Shares, especially in relation to the ratio for delivery of Gafisa’s shares in replacement for Tenda’s shares.

2.3. The Boards of Directors of Gafisa and of Tenda - the Board of Directors of Tenda having followed the recommendation of the Independent Committee – approved the Merger of Shares on November 6th 2009, and have decided to propose the Merger of Shares to the shareholders of the Companies, pursuant to the terms agreed upon by the Independent Committee and the management of Gafisa, which are reflected in the Protocol and Justification of Merger of Shares Issued by Construtora Tenda S.A. into Gafisa S.A. (“Protocol and Justification”).

3. Ratio of substitution, number and type of shares to be assigned to Tenda's shareholders and share rights

3.1. Tenda's shareholders shall receive 0,205 common share issued by Gafisa for each common share issued by Tenda held by them. Said substitution ratio shall be proportionally adjusted in case of split, reverse stock split, bonus shares or any other event that may cause any change to the number of shares in which Tenda's stock capital is divided, provided that there are no changes to Tenda's net equity.

3.2. The ratio for delivery of Gafisa's shares in replacement for Tenda's shares was independently negotiated between the Independent Committee and the management of Gafisa. In this regard, the management of Gafisa analyzed the recommendation of the Independent Committee and considered the studies presented by Gafisa's financial advisor, Estáter Assessoria Financeira Ltda., in the course of the discussions with the Independent Committee, and agreed to establish an exchange ratio 2.5% higher than the maximum exchange ratio originally considered to be proper by the management of Gafisa, as set forth in the Material Fact Release of October 21, 2009. This analysis was carried out by the management of Gafisa based on additional studies prepared by Estáter Assessoria Financeira Ltda. Taking into consideration the arguments presented in the course of the negotiations with the Independent Committee, the management of Gafisa decided to propose to the shareholders the ratio of substitution determined at last and mentioned in item 3.1 above, since the management of Gafisa considered it to be equitable and proper.

3.3. The fraction resulting from delivery of Gafisa's shares in replacement for Tenda's shares held by each shareholder of Tenda that is not aggregated with fraction of other Tenda's shareholders in order to have one share will be rounded downwards to the closest whole number, and the difference will be paid in cash by Gafisa within 30 business days from the receipt of the funds from the sale of the sum of such fractions at BM&FBOVESPA S.A. – Bolsa de Valores, Mercadorias e Futuros.

3.4. Gafisa's common shares to be assigned to Tenda's shareholders in substitution for their Tenda's shares, will have the same rights assigned to the then outstanding Gafisa's common shares, and all such shares will be entitled to all benefits, including dividends and capital remuneration, that may be declared by Gafisa.

3.5. Tenda does not hold any shares issued by Gafisa.

4. Criteria for the appraisal of Tenda's shares, appraiser, treatment of equity changes and right of withdrawal.

4.1. Tenda's shares will be merged into Gafisa at their net worth value on September 30th 2009 (the "Reference Date").

4.2. The management of Gafisa, subject to further approval at the Extraordinary General Meeting of Gafisa that will examine the Protocol and Justification, appointed Apsis Consultoria Empresarial Ltda., enrolled with the CNPJ/MF under no. 27.281.922/0001-70, with headquarters in the city of Rio de Janeiro, State of Rio de Janeiro, at Rua São José, 90, Grupo 1.802, Centro ("APSIS") to perform the appraisal of

the shares issued by Tenda to be merged into Gafisa. As a result of its work, APSIS delivered to Gafisa an appraisal report.

4.3. The equity variations at Tenda between the Reference Date and the date on which the Merger of Shares is effected shall be supported solely by Tenda and reflected on Gafisa through the equity method of accounting (“método de equivalência patrimonial”).

4.4. According to section 264 of Law No. 6,404/76, APSIS was also appointed by Tenda’s management to prepare an appraisal report to evaluate the exchange ratio for delivery of Gafisa’s shares in replacement for Tenda’s shares based on net worth value on the Reference Date of both Gafisa and Tenda, at market price (“Market Price Shareholders’ Equity Report”). As set forth in the Market Price Shareholders’ Equity Report, the appraisal resulted in an exchange ratio less favorable than the one effectively proposed by the management of the Companies. For this reason, shareholders holding shares of Tenda will be entitled to the reimbursement of their shares, in case of exercise of the right of withdrawal, based on the net worth value of the share of Tenda on December 31st 2008, in the amount of R\$2,65 per share, notwithstanding the right to request a special balance sheet.

4.5. As provided in sections 252, paragraph 2, and 137, paragraph 2, of Brazilian Law No. 6,404/76, the right of withdrawal will be guaranteed exclusively to Tenda’s shareholders who dissent from or refrain from voting on the resolution relating to the Merger of Shares or fail to attend the relevant Extraordinary General Shareholders’ Meeting and who specifically express their intention to exercise the right of withdrawal within 30 days from the date of publication of the minutes of the Extraordinary General Shareholders’ Meeting of Tenda that approves the Merger of Shares. The payment of the respective reimbursement will be subject to consummation of the transaction set forth herein, as provided in section 230 of Brazilian Law No. 6,404/76. Such payment will be made by Tenda on a date to be further informed. The reimbursement of the value of shares will only be ensured in relation to the shares demonstrably held by said shareholders on October 21st, 2009, date of the material fact release that disclosed the transaction set forth herein, pursuant to section 137 of Brazilian Law No. 6,404/76.

4.6. Gafisa’s shareholders who dissent or refrain from voting on the resolution relating to the Merger of Shares or fail to attend the relevant Extraordinary General Shareholders’ Meeting cannot withdraw from Gafisa upon reimbursement of the respective value of shares due to the fact that Gafisa’s shares meet the liquidity and dispersion criteria set forth in subparagraph II, section 137 of Brazilian Law No. 6,404/76.

4.7. APSIS represented that (i) there is no conflict or union of interest, whether actual or potential, with shareholders of Tenda or of Gafisa or with regard to the Merger of Shares; and (ii) shareholders or officers of Tenda or of Gafisa have not influenced, limited, made it difficult or performed any acts that compromised or may have compromised access to, use or knowledge of information, properties, documents or work methodology relevant to the quality of its conclusions.

5. Increase in the shareholders' equity of Gafisa. Composition of the capital stock of Gafisa after the Merger of Shares.

5.1. The total issuance price of Gafisa's shares on the capital increase arising out of the Merger of Shares will be the net worth value of all Tenda's shares to be merged into Gafisa on the Reference Date, provided that a portion of such price may be allocated to the formation of a capital reserve, pursuant to item "a", paragraph 1, of section 182 of Brazilian Law No. 6,404/76. Such shares will be subscribed by the officers of Tenda, on account of the shareholders thereof, according to the terms of section 252, paragraph 2, of Brazilian Law No. 6,404/76, and paid up upon the merger of the outstanding shares issued by Tenda into the net equity of Gafisa.

5.2. Gafisa's net worth, as a result of the Merger of Shares, will be increased in R\$448,548,933.70, upon the issuance of 32,884,592 new shares, and its capital will be divided into 166,517,910 common shares. Such number of shares may be adjusted due to the issuance of new shares by Tenda before the Merger of Shares, resulting in modification of its net equity. As a result of the transaction set forth herein, the totality of shares issued by Tenda will be owned by Gafisa and Tenda shall become a wholly-owned subsidiary thereof.

5.3. The wording of the head of Section 5 of the Bylaws of Gafisa will be amended in order to reflect the capital increase due to the issuance of new shares as a result of the approval of the Merger of Shares.

6. Transaction Acts.

6.1. Consummation of the Merger of Shares requires the following acts to be performed:

- (a) Extraordinary General Shareholders' Meeting of Tenda to approve the Protocol and Justification and the Merger of Shares, as well as to authorize the subscription by officers of Tenda of the shares to be issued by Gafisa; and
- (b) Extraordinary General Shareholders' Meeting of Gafisa to (i) approve the Protocol and Justification and authorize the increase of the capital stock to be subscribed and paid in by the officers of Tenda; (ii) confirm the appointment of APSIS; (iii) approve the appraisal report prepared by APSIS and the Merger of Shares; (iv) approve the assumption by Gafisa of non-exercised stock options granted by Tenda under its Stock Option Plans; and (v) authorize the management of Gafisa to execute all agreements and instruments, and further perform all other acts required to make the Merger of Shares effective.

6.2. Pursuant to the debenture indenture, Tenda will make efforts to obtain favorable pronouncement of its debenture holder on the matter.

7. Costs.

7.1. Each of the management of Gafisa and of Tenda estimate that the costs of the Merger of Shares shall be up to R\$15,000,000.00 and R\$5,000,000.00, respectively, including expenses with publications, auditors, appraisers, lawyers and other technical professionals to be hired to assist in the transaction.

8. Stock Option Plan.

8.1. The Extraordinary General Shareholders' Meeting of Gafisa that will resolve on the Merger of Shares shall also resolve on the assumption, by Gafisa, of the non-exercised stock options granted under the Stock Option Plans of Tenda approved at the Extraordinary General Shareholders' Meetings held on June 3rd, 2008 and on April 27, 2009.

9. Other Information Concerning the Transaction.

9.1. Estáter Assessoria Financeira Ltda. was hired to assist Gafisa in this transaction. The management of Gafisa also hired N M Rothschild & Sons to prepare an appraisal report of the companies involved in the transaction.

9.2. Banco Itaú BBA S.A. and Ulhôa Canto, Rezende e Guerra – Advogados were hired as financial and legal consultants, respectively, of the Independent Committee.

9.3. Tenda will be kept as a publicly-held corporation until further resolution by its controlling shareholder Gafisa. Tenda's shares shall no longer be traded in the Novo Mercado of BM&FBOVESPA.

9.4. The Merger of Shares will not cause Gafisa to absorb any properties, rights, assets, obligations or responsibilities of Tenda, which shall keep its legal identity in full without succession.

10. Transaction Documents.

10.1. The Protocol and Justification and the audited financial statements of Tenda and of Gafisa prepared on the Reference Date, as well as other documents referred to in this Material Fact Release and in article 3rd of CVM Instruction No. 319/99, will be available at the headquarters of the Companies as of the date hereof, as well as on the websites of Brazilian Securities Exchange Commission ("CVM") and of BM&FBOVESPA.

Their recommendation follows several meetings and negotiation rounds with the management of Gafisa S.A., receipt of all clarification and information necessary for the exercise of its decision and a review of the documentation prepared for the transaction, as well as the reports and opinions were submitted to them. Therefore, in summary, after making an informed, reflected and independent opinion, the Independent Committee understood that the exchange ratio of 0.205 for delivery of Gafisa’s shares in replacement for Company’s shares is adequate and fair, and recommended to the Company’s Board of Directors the submission of the Merger of Shares for shareholders’ resolution, with a favorable proposal.
