The 2018 Capital Plan includes the repurchase of up to \$4.7 billion of outstanding common stock for the four quarters beginning in the third quarter of 2018 through the end of the second quarter of 2019, and an increase in the Company’s quarterly common stock dividend to \$0.30 per share from the current \$0.25 per share, beginning with the common stock dividend expected to be declared for the third quarter of 2018. The share repurchases may be effected through open market purchases or privately negotiated transactions, including through Rule 10b5-1 plans, and may be suspended at any time. The Company’s Board of Directors intends to increase the Company’s quarterly common stock dividend to \$0.30 per share, beginning in the third quarter of 2018.
