SUMMARY

This summary answers basic questions about the proposals. Please read the rest of the Proxy Statement for full information about the proposals.

This Proxy Statement contains forward-looking statements that involve risks and uncertainties. The words "believe," "anticipate," "expect," "estimate," "intend" and similar expressions identify forward-looking statements. Actual results could differ materially from those discussed in the forward-looking statements as a result of certain factors. See "Forward-Looking Statements" on page of the Proxy Statement.

What are we asking you to approve?

The first proposal for you to consider is the issuance and sale by Katy of convertible preferred stock, \$100 par value per share, to an affiliate of an investment fund managed by Kohlberg & Co., L.L.C. ("Kohlberg"). (We will use the term "convertible preferred stock" to refer to the convertible preferred stock, \$100 par value, that we are proposing to sell. We will use the term "Purchaser" to refer to the buyer of the convertible preferred stock.) As part of this proposal, we are also asking you to approve at this time the issuance of shares of common stock to the holder of the convertible preferred stock upon conversion of the convertible preferred stock in accordance with the terms of the convertible preferred stock.

Purchaser will purchase, for \$100 per share, 400,000 shares of convertible preferred stock. Each share of convertible preferred stock is convertible into 12.5 shares of Katy common stock, so that the purchase price of convertible preferred stock is equivalent to \$8.00 per share of common stock into which the preferred stock is convertible. 400,000 shares of convertible preferred stock would be convertible into 5,000,000 shares of common stock.

The second proposal for you to consider, which is related to the first proposal, is an amendment to Katy's Restated Certificate of Incorporation to authorize 600,000 shares of convertible preferred stock. Katy does not currently have any shares of preferred stock authorized or issued. If stockholders do not approve this proposal, Katy will not be able to sell the convertible preferred stock to Purchaser.

The third proposal, which is a condition to the completion of the transactions with Kohlberg, is an amendment to Katy's Restated Certificate of Incorporation authorizing the classification of the Board of Directors into two classes with staggered terms.

You are also being asked to elect the members of your Board and to ratify the selection of Arthur Andersen LLP as independent auditors of Katy. If the first three proposals are adopted, the nominees for election to the Board include five nominees designated by Purchaser, plus a new Chief Executive Officer, who was also proposed by Purchaser, and directors will be elected in two classes for staggered terms.

Why is Katy selling preferred stock to purchaser?

Your Board has approved the sale of convertible preferred stock to Purchaser because such sale would provide Katy with significant increased cash resources

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

and would permit Katy to refinance its existing bank loans, which otherwise would likely become due June 30, 2001, and to partially redeem a third party's preferred interest in a Katy subsidiary. (We will sometimes refer to the sale of convertible preferred stock to Purchaser as the "Preferred Stock Purchase.") The amount outstanding under Katy's existing bank loans as of April 17, 2001 is approximately \$156 million. The Preferred Stock Purchase would decrease the percentage of Katy's capitalization that consists of debt. The Board has determined that the financial and other terms of the Preferred Stock Purchase are fair to and in the best interests of Katy and its stockholders.

Kohlberg is a private merchant banking firm with offices in New York and California. Founded in 1987, Kohlberg has completed more than 70 acquisitions and recapitalization transactions in a variety of industries. It manages a pool of capital in excess of \$1.5 billion. It has substantial experience in providing companies in which its affiliates invest with financial and managerial advisory services aimed at building value and improving operational, marketing and financial performance.

1

What are the related transactions?

The Preferred Stock Purchase is part of a series of transactions approved by your Board. This series of transactions includes a tender offer by Purchaser for 2,500,000 shares of Katy's common stock at \$8.00 per share (the "Tender Offer").

As part of the series of transactions, Purchaser has obtained a commitment letter from Bankers Trust Company to provide up to \$150 million of senior secured term and revolving loans to Katy, which will replace Katy's existing senior bank loans. In addition, a condition to the Preferred Stock Purchase and the Tender Offer is the completion of the sale of Katy's subsidiary Hamilton Metals, L.P. for gross proceeds in cash, net of liabilities retained by Katy, of at least \$20,000,000. Katy has entered into a non-binding letter of intent with a potential buyer for a sale of substantially all of the assets of Hamilton on terms that Katy believes will satisfy the condition.

Katy and its subsidiary Contico International, LLC have entered into an agreement with Newcastle Industries, Inc for Contico to repurchase 165 of Newcastle's 329 preferred units in Contico for a total of \$9.9 million, plus accrued and unpaid priority return and profit participation on those units, if the transactions with Purchaser close. Katy and Newcastle have also agreed to amendments to the Members Agreement relating to Contico and to Contico's Limited Liability Company Agreement which take effect subject to the transactions with Purchaser closing.

Your Board decided that the transaction with Kohlberg is in the best interests of stockholders for several reasons. While the Preferred Stock Purchase will permit a reduction in Katy's indebtedness and a restructuring of Katy's existing bank loans, the Tender Offer will permit stockholders to choose to receive cash in exchange for a portion of their Katy common stock. The Preferred Stock Purchase and Tender Offer will also bring to Katy's business the managerial assistance and support of Kohlberg.

What factors should you take into account in considering the proposed preferred stock purchase?

Katy's Board unanimously approved the transactions with Kohlberg because it believed they would be in the best interests of Katy and its stockholders. (We will use the term "unanimously" in the Proxy Statement to refer to actions by all current members of Katy's Board, except William F. Andrews, a principal of

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Kohlberg, who did not take part in the discussions relating to the transactions with Kohlberg.) You should consider the factors described at pages below. Positive factors considered by the Board include:

- The Board received an opinion from Bear, Stearns & Co. Inc. that, as of the date of such opinion, the Preferred Stock Purchase and Tender Offer, taken as a whole, were fair from a financial point of view to Katy's stockholders. A copy of the Bear Stearns opinion is attached as Annex A.
- Katy's cash resources and financial strength will be increased as a result of the cash infusion by Purchaser and borrowing availability under the new credit facility with Bankers Trust Company.
- The Tender Offer and Preferred Stock Purchase give stockholders the opportunity to sell shares of Katy in the Tender Offer at a substantial premium to the market price of Katy shares before the transaction with Kohlberg was announced, and also to remain as stockholders in a company that will be financially strengthened by the Purchaser's cash infusion. In concluding that the premium offered was substantial, Katy's Board of Directors considered the closing price of Katy shares on March 29, 2001, the day the Board approved the Purchase Agreement. The \$8.00 offer price represents a premium of 30.1% over the closing sale price of \$6.15 for Katy shares on March 29, 2001.
- Katy's existing credit agreement must be refinanced by June 30, 2001. If the transactions with Kohlberg are not completed, considering the current market environment, a substantive risk exists that Katy will be unable to obtain further waivers of the defaults under the current credit facility and that Katy will be unable to obtain, on reasonable terms or at all, financing necessary to replace its current credit facility. If Katy is unable to refinance its existing bank loans, the entire amount under the existing credit agreement could be declared due and payable not later than June 30, 2001.

2

Negative factors considered by the Board include:

- The issuance of the convertible preferred stock will have a dilutive effect on Katy's existing stockholders. If the 400,000 shares of convertible preferred stock to be purchased by Purchaser are converted, it will receive 5,000,000 shares of common stock, which would represent approximately 35.3% of the outstanding shares (on a fully diluted basis) after giving effect to the conversion. If the Preferred Stock Purchase and the conversion were to have occurred as of December 31, 2000, this would have had the pro forma effect of reducing the book value per share of common stock from \$17.91 to \$14.21.
- If the transactions with Purchaser are completed, Purchaser's significant ownership interests could effectively deter a third party from making an offer to acquire Katy.
- Purchaser's nominees, if elected, will constitute a majority of the Board of Directors, five of whom will serve an initial term of two years.
- Purchaser will nominate the proposed Chief Executive Officer, who is also a nominee for director, and who, if elected as director, will serve for an initial term of one year.
- Purchaser will have the right, so long as it retains any convertible preferred stock, to nominate a majority of the members of the Board of

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Directors in connection with future elections of directors.

--The holders of the convertible preferred stock will have preferential rights with respect to distributions if Katy is liquidated.

--If the Purchase Agreement is terminated, then, under certain circumstances, Katy will be obligated to pay to Purchaser a fee of \$2,000,000 and to reimburse Purchaser's expenses up to \$1,000,000.

The Board believed that, on balance, the possible benefits to Katy stockholders from the positive factors outweighed the possible detriments from the negative factors.

3

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

The Annual Meeting

The Annual Meeting will be held on May 23, 2001 at the Hotel Inter-Continental New York, located at 111 East 48th Street, New York, New York, at 10:00 a.m. local time.

This Proxy Solicitation

Katy is sending you this Proxy Statement because Katy's Board of Directors is seeking your proxy to vote your shares at the Annual Meeting. This Proxy Statement includes information that Katy is required to provide to you under the rules of the Securities and Exchange Commission. It is intended to assist you in voting your shares. On April , 2001, we began mailing information to all people who, according to our stockholder records, owned shares at the close of business on April 23, 2001.

Katy will pay the cost of requesting these proxies. Katy's directors, officers and employees may request proxies in person or by telephone, mail, telecopy or letter. Katy also has retained Innisfree M&A Incorporated to assist in distributing proxy solicitation materials and seeking proxies. Katy will pay Innisfree a fee of approximately \$15,000, plus reasonable out-of-pocket expenses, for this assistance. Katy will reimburse brokers and other nominees their reasonable out-of-pocket expenses for forwarding proxy materials to beneficial owners of stock.

Voting Your Shares

You are entitled to one vote at the Annual Meeting for each share of Katy's common stock that you owned of record at the close of business on April 23, 2001. The number of shares you own (and may vote) is listed on the enclosed proxy card.

You may vote your shares at the Annual Meeting in person or by proxy. To vote in person, you must attend the Annual Meeting and obtain and submit a ballot. We will give you a ballot at the Annual Meeting. To vote by proxy, you must complete and return the enclosed proxy card. By completing and returning the proxy card, you will be directing the persons designated on the proxy card to vote your shares at the Annual Meeting in accordance with the instructions you give on the proxy card.

Your proxy card will be valid only if you sign, date and return it before the Annual Meeting. IF YOU COMPLETE THE PROXY CARD EXCEPT FOR THE VOTING INSTRUCTIONS, THEN YOUR SHARES WILL BE VOTED FOR THE PROPOSED SALE OF CONVERTIBLE PREFERRED STOCK TO PURCHASER AND FOR EACH OF THE OTHER PROPOSALS.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

You may revoke your proxy at any time before it is voted by any of the following means:

- Notifying the Secretary of Katy in writing that you wish to revoke your proxy.
- Submitting a proxy dated later than your original proxy.
- Attending the Annual Meeting and voting. Merely attending the Annual Meeting will not by itself revoke a proxy; you must vote your shares at the Annual Meeting to revoke the proxy.

IF YOU WERE A HOLDER OF SHARES AT THE CLOSE OF BUSINESS ON APRIL 23, 2001, YOU WILL BE ENTITLED TO VOTE YOUR SHARES WHETHER OR NOT YOU SUBSEQUENTLY TENDER YOUR SHARES IN THE TENDER OFFER DESCRIBED ON PAGES OF THIS PROXY STATEMENT. YOU SHOULD THEREFORE SIGN, DATE AND RETURN THE ENCLOSED PROXY CARD EVEN IF YOU HAVE ALREADY TENDERED, OR INTEND TO TENDER, YOUR SHARES IN THE TENDER OFFER.

The Board of Directors does not expect any matter other than the proposals that are discussed in this Proxy Statement to be presented at the Annual Meeting. However, if any other matter properly comes before the Annual Meeting, your proxies will act on such matter in their discretion.

4

Vote Required for Approval

We have agreed with Purchaser that we will ask you to approve the Preferred Stock Purchase. Also, the rules of the New York Stock Exchange (where Katy stock is traded) require stockholders to approve substantial sales of common stock or of securities convertible into common stock.

Proposal 1, regarding the proposed sale of convertible preferred stock to Purchaser, and Proposal 5, regarding the ratification and appointment of Arthur Andersen LLP as the independent auditors of Katy, will be approved if a majority of the votes cast on the proposal are cast in favor of the proposal. Proposals 2 and 3, the proposed amendments to Katy's Restated Certificate of Incorporation to authorize the convertible preferred stock and to classify the Board of Directors, respectively, each require the affirmative vote of the holders of a majority of the voting power of Katy's outstanding capital stock entitled to vote at the Annual Meeting. With respect to Proposal 4, regarding the election of directors, directors will be elected by a plurality of the shares present in person or by proxy and entitled to vote on the election of directors. "Plurality" means that the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be elected at the Annual Meeting. Consequently, any shares not voted (whether by abstention, broker non-vote or withholding authority) will have no impact on the election of directors.

The effectiveness of each of Proposal 1, Proposal 2 and Proposal 3 is contingent on the approval of the others. Katy will not take any action on Proposal 1, Proposal 2 or Proposal 3 unless stockholders approve all three. Therefore, if you vote against approving either of the two amendments to Katy's Restated Certificate of Incorporation, this will have the same effect as voting against the Preferred Stock Purchase.

Certain Katy stockholders have also entered into a Stock Voting and Tender Agreement dated as of March 29, 2001 (the "Voting Agreement"). The Voting Agreement provides, among other things, that those stockholders will tender, in aggregate, at least 1,500,000 shares to Purchaser in the Tender Offer and will vote, in the aggregate, 2,500,000 shares in favor of Proposals 1, 2, 3 and 4.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

The 2,500,000 common shares subject to these voting obligations represent, as of March 29, 2001, approximately 29.8% of the shares of Katy capital stock entitled to vote at the Annual Meeting. The Voting Agreement is included as Annex C to this Proxy Statement.

On the record date for the Annual Meeting, April 23, 2001, shares of Katy's common stock, \$1.00 par value per share, were issued and outstanding. In addition, a "quorum" must be present at the Annual Meeting. Each share of common stock is entitled to one vote. A quorum will be present if a majority of the outstanding shares of common stock are represented at the Annual Meeting, either in person (by the stockholders) or by proxy. If there is no quorum, a vote cannot occur.

In deciding whether there is a quorum, abstentions and "broker non-votes" will be counted as shares that are represented at the Annual Meeting. (A broker non-vote can occur if you hold your shares with a broker and are asked to instruct your broker how to vote your shares. If you do not tell your broker how to vote, your broker will not be able to vote for or against the proposal. If your broker returns a proxy card for your shares without any voting instructions, your shares will be counted as "broker non-vote" shares.) In deciding whether Proposal 1 or Proposal 5 has been approved, abstentions will count as if they were votes against the proposal, but broker non-votes will not count. Since Proposal 2 and Proposal 3 each requires the affirmative vote of the holders of a majority of the voting power of Katy's outstanding capital stock entitled to vote, broker non-votes will count as if they were votes against such proposals. Neither abstentions nor broker non-votes will count in electing directors.

Other Matters

Katy's stockholders are not entitled to appraisal rights under Section 262 of the Delaware General Corporation Law, whether or not they vote against the sale of convertible preferred stock to Purchaser.

Arthur Andersen LLP is Katy's independent accountant. Representatives of Arthur Andersen LLP will attend the Annual Meeting. They will have the opportunity to make a statement if they wish, and to respond to appropriate questions.

PROPOSAL 1--SALE OF CONVERTIBLE PREFERRED STOCK

Introduction

Katy is asking you to approve a sale of 400,000 shares of convertible preferred stock to KKTU Holding Company, L.L.C. ("Purchaser"), an affiliate of an investment fund managed by Kohlberg, for a price of \$100 per share. Katy is also asking you to approve at this time the issuance of shares of common stock to the holder of the convertible preferred stock upon conversion of the convertible preferred stock in accordance with the terms of the convertible preferred stock. On March 29, 2001, Purchaser and Katy signed a Preferred Stock Purchase and Recapitalization Agreement (the "Purchase Agreement") that sets out the terms of the proposed sale of convertible preferred stock. The Purchase Agreement is included as Annex B to this Proxy Statement. You should read the entire Purchase Agreement including the Annexes and Exhibits included with the Purchase Agreement.

Purchaser's purchase of the convertible preferred stock is part of a series of transactions. Concurrently with Katy mailing this Proxy Statement, Purchaser will offer to purchase from Katy stockholders 2,500,000 shares of Katy's common

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

stock, at a price of \$8.00 per share, in a tender offer (the "Tender Offer") provided that, among other things, at least 2,000,000 shares of Katy's common stock are tendered. On the closing of the Tender Offer and assuming stockholder approval, Katy will sell 400,000 shares of Katy's convertible preferred stock, \$100 par value per share, to Purchaser for a price of \$100 per share, on the terms and subject to the conditions in the Purchase Agreement. (We will sometimes refer to the sale of the convertible preferred stock to Purchaser as the "Preferred Stock Purchase.")

As part of the series of transactions, Purchaser has obtained a commitment letter from Bankers Trust Company to provide up to \$150 million of senior secured term and revolving loans to Katy, which will replace Katy's existing bank loans. In addition, the completion of the sale of Hamilton Metals, L.P. ("Hamilton") for cash proceeds, net of liabilities retained by Katy, of \$20,000,000 is a condition to Purchaser's obligation to consummate the Preferred Stock Purchase and the Tender Offer. Katy has entered into a non-binding letter of intent with a potential buyer for a sale of substantially all of the assets of Hamilton on terms that Katy believes will satisfy this condition. The completion of the sale of Hamilton is subject to completion of due diligence and negotiation of a definitive agreement with the potential buyer and satisfaction of any conditions to closing contained therein. Purchaser will determine whether or not this condition is satisfied before the expiration of the Tender Offer. Katy expects to complete the sale of Hamilton before the expiration of the Tender Offer.

Katy engaged Bear Stearns to provide a fairness opinion in connection with the transactions with Kohlberg. On March 29, 2001, Bear Stearns delivered an opinion to the Board of Directors that, as of the date of such opinion, the Preferred Stock Purchase and the Tender Offer, taken as a whole, were fair, from a financial point of view, to Katy's stockholders. Bear Stearns' written opinion is included as Annex A to this Proxy Statement. The opinion sets forth the assumptions made, matters considered and limitations on the review undertaken in connection with the opinion. The opinion of Bear Stearns does not constitute a recommendation as to how any holder of Katy stock should vote with respect to any matter described herein. You should read the entire opinion carefully. Additional information about the opinion can be found at pages .

Required Vote

The affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting that are present in person or by proxy is required to approve Proposal 1. Approval of Proposal 1 is contingent on approval of Proposal 2 and Proposal 3.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE MATTERS SET FORTH IN PROPOSAL 1 AND BELIEVES THAT THEY ARE FAIR TO AND IN THE BEST INTERESTS OF KATY AND ITS STOCKHOLDERS AND RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF PROPOSAL 1.

The Transaction

Subject to the conditions in the Purchase Agreement, Katy has agreed to issue and sell, and Purchaser has agreed to buy, 400,000 shares of newly-issued convertible preferred stock, \$100 par value per share, for a price of \$100 per share. The gross proceeds from the sale will be \$40 million. 400,000 shares of convertible preferred stock would be convertible into 5,000,000 shares of common stock at an exchange ratio of 12.5 shares of common stock per share of

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

convertible preferred stock.

Information about the Purchase Agreement

The important terms of the Purchase Agreement are described below. The Purchase Agreement is included as Annex B to this Proxy Statement. You should read the entire Purchase Agreement including the Annexes and Exhibits included with the Purchase Agreement.

The Tender Offer

Concurrently with the mailing of this Proxy Statement, Purchaser will offer to purchase from Katy stockholders 2,500,000 shares of Katy's common stock, at a price of \$8.00 per share.

The Tender Offer will initially be open for 20 business days after its commencement date, or until May , 2001, if such date is later. Purchaser can extend the Tender Offer for up to an additional 20 business days (but not past June 30, 2001). Purchaser must so extend the Tender Offer if Katy requests this, provided the conditions to Purchaser's obligations to close the purchase of shares pursuant to the Tender Offer are satisfied (with some exceptions, including the condition that stockholders have tendered at least 2,000,000 shares of common stock).

Purchaser's obligation to accept for payment and to pay for shares of common stock validly tendered into the Tender Offer is subject to various conditions in the Purchase Agreement. In any event, Purchaser cannot purchase more than 29.9% of Katy's outstanding common stock. Therefore, if stockholders tender more than 2,500,000 shares of common stock, Purchaser will buy shares from them pro rata up to the 2,500,000 maximum.

The Preferred Stock Issuance

Subject to the conditions in the Purchase Agreement, Katy has agreed to issue and sell, and Purchaser has agreed to buy, 400,000 shares of newly-issued convertible preferred stock, \$100 par value per share, for a price of \$100 per share. 400,000 shares of convertible preferred stock would be convertible into 5,000,000 shares of common stock at an exchange ratio of 12.5 shares of common stock per share of convertible preferred stock (which, based on the \$100 purchase price for a share of convertible preferred stock, is the equivalent of \$8.00 per share of common stock).

The terms and conditions of the convertible preferred stock are set out below in the section entitled "Terms of the Convertible Preferred Stock."

Corporate Governance

Under the Purchase Agreement, Purchaser has the right to nominate five directors for election at the Annual Meeting, subject to election by the holders of common stock present in person or by proxy and voting at the Annual Meeting. The Purchaser's designees have been unanimously approved by the members of the Board currently in office (other than Mr. Andrews, who removed himself from consideration of matters relating to the proposed transaction because of his affiliation with Kohlberg). At any subsequent annual or special meeting of the stockholders of Katy at which an election for members of Katy's Board is held, Purchaser has the right, for so long as it retains any shares of convertible preferred stock, to nominate a number of nominees such that, after the election, the Purchaser's designees constitute a simple majority of the members of Katy's Board, subject to election by vote of the holders of the common shares.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

If stockholders approve Proposal 1, Proposal 2 and Proposal 3, the directors elected at the 2001 annual meeting of stockholders will be classified into two classes as follows:

- One class will comprise three current directors who will continue in office (Robert M. Baratta, Daniel B. Carroll and Wallace E. Carroll, Jr.) plus C. Michael Jacobi, the proposed Chief Executive Officer nominated by Purchaser. This class will initially be elected for a one year term expiring at the annual meeting of stockholders to be held in 2002.
- The second class will comprise the five Purchaser designees, one of whom is William F. Andrews, a current director. This class will initially be elected for a two year term expiring at the annual meeting of stockholders to be held in 2003.

Beginning with the election of directors to be held at the year 2002 annual meeting, each class of directors would be elected for a two-year term.

Purchaser has agreed that it will not sell more than 20% of the Katy common stock (on a fully diluted basis, including the shares of common stock issuable upon the conversion of convertible preferred stock) in any transaction or series of related transactions, unless all holders of Katy common stock except Purchaser and its affiliates (the "Other Holders") have the right to participate in such sale for the same consideration per share of common stock (or common share equivalent) on a pro rata basis. In connection with any merger, consolidation or other business combination involving Katy in which Katy is not the surviving corporation, the Other Holders shall receive the same consideration per share of common stock (or common share equivalent) as Purchaser receives.

All fees paid by Katy to Purchaser (or its affiliates) and any transactions between Katy and Purchaser (or its affiliates) shall be subject to approval of the members of Katy's Board who are not designees of Purchaser or otherwise affiliated with Purchaser (the "Other Directors").

The above governance provisions will be reflected in Katy's by-laws, effective on the closing. Any amendment to Katy's by-laws modifying the terms described above will be subject to approval by a majority of the Other Directors and by a majority of the Other Holders.

Conditions to Accepting Shares Tendered into the Tender Offer and Purchasing the Preferred Stock

Both Purchaser's and Katy's obligations to close the transactions are subject to certain conditions including the absence of a law or judgment that would prevent the transactions from closing and receipt of necessary approvals. A party need not close if the other party has materially breached its representations or warranties, or failed to comply with its obligations, under the Purchase Agreement.

Also, Purchaser need not buy shares of common stock tendered into the Tender Offer nor the convertible preferred stock to be issued by Katy unless certain other conditions in the Purchase Agreement are satisfied. These conditions, which must be satisfied or waived on or before the expiration of the Tender Offer, include:

- (1) there being validly tendered and not withdrawn prior to the expiration of the Tender Offer at least 2,000,000 shares of Katy's common stock;
- (2) the shares of common stock tendered in the Tender Offer, together with

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

the shares of common stock into which Purchaser's convertible preferred stock is convertible, represent a majority of Katy's common stock issuable and outstanding, calculated on a fully diluted basis (excluding outstanding options). The estimated percentage of Katy's common stock represented by the shares of common stock tendered in the Tender Offer (assuming 2,500,000 shares are tendered) and the shares of common stock issuable upon conversion of all of Purchaser's convertible preferred stock is approximately 56% on a fully diluted basis (excluding outstanding options);

- (3) the shares of common stock tendered in the Tender Offer, after proration, if any, represent less than 30% of the combined voting power of the outstanding securities of Katy on the date the purchase of tendered shares closes;

8

- (4) there being no change in the financial condition, businesses, operations, properties, results of operations, assets or prospects of Katy and its subsidiaries that has a material adverse effect on Katy and its subsidiaries;
- (5) absence of a material adverse change after the commencement of the Tender Offer in financial or credit agreement syndication markets that results in Katy not obtaining funding under the Bankers Trust Company loan commitment letter;
- (6) the stockholders have elected the Purchaser's designees, amended Katy's Restated Certificate of Incorporation to authorize the issue of convertible preferred stock and to adopt a classified Board of Directors, and authorized the sale of the convertible preferred stock to Purchaser;
- (7) Katy's board of directors has not withdrawn or materially modified its recommendation of the transactions or approved a competing transaction;
- (8) Katy has obtained an unqualified audit opinion on its financial statements for the year ended December 31, 2000;
- (9) Katy has consummated the sale of its subsidiary Hamilton for gross proceeds in cash, net of liabilities retained by Katy, of at least \$20,000,000;
- (10) no person or group has, after the date of the Purchase Agreement, acquired beneficial ownership of more than 20% of Katy's common stock;
- (11) there shall not have occurred in the United States, a general suspension of trading in securities markets, a banking moratorium or suspension of payments by banks, a limitation by a governmental authority on the extension of credit by banks or other financial institutions, or a declaration of war or commencement of hostilities;
- (12) Bear Stearns has not withdrawn its fairness opinion;
- (13) Katy has entered into definitive documentation for the credit facilities to be established under the terms and conditions of the proposed refinancing with Bankers Trust Company in a term sheet signed by Bankers Trust Company and Purchaser (including any modification of the refinancing terms approved by Purchaser); and

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

(14) Certain members of the Wallace E. Carroll, Jr. family, trusts for the benefit of members of the Carroll family and entities associated with the Carroll family have entered into a stock voting agreement with respect to electing Purchaser designees as directors at stockholder meetings after the 2001 annual stockholder meeting.

The condition referred to in clause (8) has been satisfied. Katy does not currently have notice that any of the other conditions referred to above will not be satisfied on or before the expiration of the Tender Offer.

No Solicitation

Katy has agreed that, prior to closing, it will not solicit, initiate or encourage inquiries or proposals, or participate in discussions or negotiations, about competing transactions meeting certain criteria. However, Katy can give information to, or enter into discussions or negotiations with, anyone making an unsolicited enquiry and who gives Katy a written proposal if a majority of Katy's directors determines that doing so would be reasonably likely to result in a written proposal to acquire more than 50% of Katy's outstanding equity securities that Katy's Board of Directors determines in good faith (after consultation with an independent, nationally recognized investment bank) to be superior to Katy's stockholders from a financial point of view compared to Purchaser's proposal, and that failure to do so would not be consistent with the directors' fiduciary duties.

Katy's Board of Directors cannot withdraw its approval or recommendation of the transactions, approve or recommend certain types of competing transactions or cause Katy to enter into a letter of intent or acquisition agreement for such competing transactions except to comply with securities laws or stock exchange requirements or if the board determines that not doing so would be inconsistent with the directors' fiduciary duties.

9

Termination

Katy and Purchaser can terminate the Purchase Agreement at any time by mutual agreement. Either party can terminate the Purchase Agreement if:

- the transactions have not closed by June 30, 2001 (unless this is due to that party's breach);
- a law or judgment prevents the transactions; or
- the other party materially breaches its representations or does not perform its covenants under the Purchase Agreement (and does not or cannot remedy its breach).

Purchaser can terminate the Purchase Agreement if stockholders do not tender at least 2,000,000 shares of common stock into the Tender Offer or if any of the other conditions to purchasing shares tendered into the Tender Offer and purchasing the convertible preferred stock are not satisfied.

Katy can terminate the Purchase Agreement, in furtherance of its directors' fiduciary duties, to enter into an agreement with a third party relating to a superior proposal to acquire more than 50% of Katy's outstanding equity securities. Katy must have given Purchaser three business days' notice of the competing proposal and negotiate with Purchaser during those three business days if Purchaser wishes to do so.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Termination Fees

Katy must reimburse Purchaser for its documented expenses, up to \$1,000,000, if the Purchase Agreement is terminated because:

- the transactions have not closed by June 30, 2001;
- a law or judgment prevents the transactions;
- the stockholders do not tender at least 2,000,000 shares of common stock into the Tender Offer;
- any of the other conditions to Purchaser closing the transactions are not satisfied;
- Katy has materially breached its representations or not performed its covenants under the Purchase Agreement (and did not or could not remedy its breach); or
- in furtherance of the directors' fiduciary duties, Katy wishes to enter into an agreement with a third party relating to a superior proposal to acquire more than 50% of Katy's outstanding equity securities.

Also, Katy must pay Purchaser a fee of \$2 million if:

- another person proposes to Katy or its stockholders, or publicly proposes, a competing transaction under which that person would buy a business constituting at least 40% of Katy's consolidated net revenues, net income or assets, buy at least 40% of Katy's common stock or enter into a merger, recapitalization or similar transaction involving Katy;
- the Purchase Agreement is terminated after that because:
 - . the stockholders do not tender at least 2,000,000 shares of common stock into the Tender Offer;
 - . any of the other conditions to Purchaser completing the transactions are not satisfied (except for a law or judgment preventing the transactions; an adverse change in the financing or credit agreement syndication markets that results in Katy not obtaining financing; a general suspension of trading in securities markets (or various other disruptions to financial markets); or merely that the Purchase Agreement has been terminated);
 - . Katy has materially breached its representations or not performed its covenants under the Purchase Agreement (and did not or could not remedy its breach); or

10

- . in furtherance of the directors' fiduciary duties, Katy wishes to enter into an agreement with a third party relating to a superior proposal to acquire more than 50% of Katy's outstanding equity securities.
- Katy enters into the competing transaction within 12 months of the termination of the Purchase Agreement, and closes that competing transaction within 18 months of the Purchase Agreement terminating.

Transaction and Monitoring Fee

Katy's Board of Directors has approved Katy paying a transaction fee of \$3

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

million to Kohlberg if the transactions with Kohlberg are completed. Therefore, if the stockholders pass Proposals 1, 2, 3 and 4 and the transactions are completed, Katy will pay Kohlberg this \$3 million fee.

Kohlberg has informed Katy that Kohlberg intends to propose an annual monitoring fee of \$500,000 for investment banking and advisory services on an ongoing basis and in lieu of director fees for the Kohlberg designees. Kohlberg and Katy are currently negotiating the terms and conditions of the management agreement pursuant to which the monitoring fee would be payable.

Voting Agreement

Purchaser and certain members of the Wallace E. Carroll, Jr. family, trusts for the benefit of family members, and entities associated with the Carroll family (the "Agreement Shareholders") have entered into a Stock Voting and Tender Agreement ("Voting Agreement") under which the Agreement Shareholders have agreed to vote 2,500,000 shares, in the aggregate, in favor of, among other things: the election of the directors nominated by Katy's Board of Directors; the authorization and adoption of amendments to Katy's Amended Certificate of Incorporation authorizing 600,000 shares of convertible preferred stock and authorizing the classification of the Board of Directors into two classes with staggered terms; the issuance of convertible preferred stock; and the issuance of shares of common stock on the conversion of the convertible preferred stock. Agreement Shareholders have also agreed to vote 2,500,000 shares, in the aggregate, against any actions intended, or that could reasonably be expected, to impede or delay the transactions.

The Agreement Shareholders also agree to tender into the Tender Offer, in aggregate, not less than 1,500,000 shares of common stock.

The Agreement Shareholders have agreed that, before the closing of the transactions, they will not solicit, initiate or encourage inquiries or proposals, or participate in discussions or negotiations, about competing transactions meeting certain criteria (although an Agreement Shareholder can, in his or her capacity as a Katy director or officer, take any action permitted under the Purchase Agreement).

The 2,500,000 shares subject to being voted in accordance with the Voting Agreement represent approximately 29.8% of Katy's common stock as of March 29, 2001.

A copy of the Voting Agreement is attached as Annex C to this Proxy Statement. You should read the entire Voting Agreement.

Terms of the Convertible Preferred Stock

The complete text of the proposed amendment to Katy's Restated Certificate of Incorporation, which establishes the convertible preferred stock, is included in this Proxy Statement as Annex D. You should read Annex D in its entirety.

The certificate of amendment establishing the convertible preferred stock authorizes 600,000 shares of convertible preferred stock, par value \$100 per share. The convertible preferred stock will rank senior (with respect to liquidation payments) to the common stock and any future preferred stock of Katy.

Conversion Rights

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Each share of convertible preferred stock is convertible, at the holder's option, into 12.5 shares of common stock at any time after the earliest of:

- the fifth anniversary of the closing of the transactions;
- Katy's Board of Directors approving a merger, consolidation or other business combination involving Katy (except where Katy is the surviving entity and there is no change in control of Katy), or a sale or other disposition of all or substantially all of Katy's assets;
- steps being taken to liquidate, dissolve or wind up Katy; and
- a solicitation of proxies, for a stockholder meeting or stockholder consent, in respect of the election of directors, against the election of a person nominated by the holders of the convertible preferred stock or for the removal of any person nominated by the holders of the convertible preferred stock for election as a director.

Registration Rights

In most cases where Katy registers shares of common stock under a registration statement, holders of convertible preferred stock will have "piggy back" rights to include in that registration their shares of common stock issued on conversion of convertible preferred stock. Holders of shares of common stock issued upon conversion of convertible preferred stock can also require Katy to file a registration statement on up to three occasions.

Liquidation Preference

On liquidation, holders of convertible preferred stock are entitled to be paid the par value (\$100) for each share of convertible preferred stock before holders of common stock receive a distribution.

Redemption

Shares of convertible preferred stock are redeemable in whole, at Katy's option, after the 20th anniversary of the closing date of the transactions, at the par value of \$100 per share.

No Dividends

Convertible preferred stock carry no rights to dividends.

No Voting Rights

Holders of convertible preferred stock do not have the right to vote on any matter to be voted on by stockholders or classes of stockholders, except where this is required by law.

No Preemptive Rights

Holders of convertible preferred stock have no preemptive rights with respect to any shares of Katy's capital stock.

Special Rights

Katy must obtain the approval of the holders of at least a majority of the then outstanding shares of convertible preferred stock before undertaking certain actions including:

- authorizing or issuing equity securities with equal or superior rights to the convertible preferred stock on liquidation, dissolution or winding

up;

12

--amending Katy's Amended Certificate of Incorporation or by-laws in any way or entering into a merger, consolidation, reorganization, recapitalization or sale of all or substantially all of its assets, in any case which adversely affects the rights of holders of convertible preferred stock; and

--engaging in a transaction impairing the rights of holders of convertible preferred stock.

Use of Proceeds

Purchaser will acquire 400,000 shares of convertible preferred stock at a price of \$100 per share. The gross proceeds from the sale will be \$40 million. Katy expects to use these funds, together with the proceeds of the new \$150 million secured loan facility and the net proceeds of the sale of Hamilton (estimated at \$20 million), to refinance its existing bank debt (approximately \$156 million), to partially redeem a third party's preferred interest in a Katy subsidiary for approximately \$10 million and to pay approximately \$8 million towards the transaction costs of the transactions with Kohlberg. The costs of the transactions with Kohlberg include expenses such as financing fees (in connection with the refinancing), professional fees, printing costs and the transaction fee payable to Kohlberg.

Information about the Related Transactions

The Tender Offer

Purchaser has agreed that, concurrently with the mailing of this Proxy Statement, Purchaser will distribute to stockholders a Tender Offer Statement on Schedule TO ("Tender Offer Statement"). Concurrently, Katy will distribute to stockholders a Solicitation/Recommendation Statement on Schedule 14D-9 ("Solicitation/Recommendation Statement"). The Tender Offer Statement and Solicitation/Recommendation Statement contain additional information about the Tender Offer. The section of this Proxy Statement titled "Where to Get Additional Information" explains how to get copies of the Tender Offer Statement and the Solicitation/Recommendation Statement.

In the Tender Offer, Purchaser will offer to purchase 2,500,000 shares of common stock at a price of \$8.00 per share. Purchaser has agreed to commence the Tender Offer concurrently with the mailing of this Proxy Statement and that the Tender Offer will expire on the 20(th) business day after the Tender Offer is commenced or, if later, on May , 2001, unless Purchaser extends the expiration date (but in no event past June 30, 2001). The Purchaser will be required to extend the expiration date, at the request of Katy, if the conditions (other than the minimum condition and specified other conditions) have been satisfied.

The Board approved the Tender Offer to give stockholders the opportunity to receive cash for a portion of their investment in Katy. The Tender Offer price of \$8.00 per share represented a substantial premium over the trading price of Katy common stock immediately before the announcement of the Preferred Stock Purchase and Tender Offer.

Purchaser will not be required to purchase shares of common stock in the Tender Offer unless the following conditions, and other customary conditions, are satisfied:

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

- there being validly tendered and not withdrawn prior to the expiration of the Tender Offer at least 2,000,000 shares of Katy's common stock;
- the shares of common stock tendered into the Tender Offer, together with the shares of common stock into which Purchaser's convertible preferred stock is convertible, represent a majority of Katy's common stock issuable and outstanding, calculated on a fully diluted basis (excluding outstanding options);
- the shares of common stock tendered in the Tender Offer, after proration, if any, represent less than 30% of the combined voting power of the outstanding securities of Katy on the date the purchase of tendered shares closes;

13

- there being no change in the financial condition, businesses, operations, properties, results of operations, assets or prospects of Katy and its subsidiaries that has a material adverse effect on Katy and its subsidiaries;
- absence of a material adverse change in financial or credit agreement syndication markets after the commencement of the Tender Offer that results in Katy not obtaining funding under the Bankers Trust Company loan commitment letter;
- the stockholders have elected the Purchaser's designees, amended Katy's Restated Certificate of Incorporation to authorize the issue of convertible preferred stock and to adopt a classified Board of Directors, and authorized the issuance of the convertible preferred stock to Purchaser;
- Katy's Board of Directors has not withdrawn or materially modified its recommendation of the transactions or approved a competing transaction;
- Katy has obtained an unqualified audit opinion with respect to its financial statements for the year ended December 31, 2000;
- Katy has consummated the sale of its subsidiary Hamilton for gross proceeds in cash, net of liabilities retained by Katy, of at least \$20,000,000;
- no person or group has, after the date of the Purchase Agreement, acquired beneficial ownership of more than 20% of Katy's common stock;
- there shall not have occurred in the United States, a general suspension of trading in securities markets, a banking moratorium or suspension of payments by banks, a limitation by a governmental authority on the extension of credit by banks or other financial institutions, or a declaration of war or commencement of hostilities;
- Bear Stearns has not withdrawn its fairness opinion;
- Katy has entered into definitive documentation for the credit facilities to be established under the terms and conditions of the proposed refinancing with Bankers Trust Company in a term sheet signed by Bankers Trust Company and Purchaser (including any modification of the refinancing terms approved by Purchaser); and
- certain stockholders of Katy have entered into a stock voting agreement with respect to electing Purchaser designees as directors at stockholder

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

meetings after the 2001 annual stockholder meeting.

Bankers Trust Credit Facility

Bankers Trust Company has entered into a commitment letter with Purchaser to provide Katy with up to \$150,000,000 of senior secured term and revolving loan facilities, consisting of a term loan of up to \$40,000,000 and a revolving loan of up to \$110,000,000 upon consummation of the Preferred Stock Purchase and the Tender Offer. The commitment letter provides that Bankers Trust Company may change the terms and conditions, pricing and structure of the facility if it is advisable to ensure successful syndication of the facilities, provided that the total amount of the facilities remains unchanged.

The term loan is proposed to have a final maturity of five years, with mandatory amortization quarterly in annual amounts totaling \$8,000,000. The revolving credit facility would mature in five years. Both facilities would be secured by a grant of security interests in all of the assets of Katy and its subsidiaries, including a pledge of inter-company notes and subsidiary stock (66% in the case of foreign subsidiaries) and by a pledge of all the stock of Katy owned by Purchaser. The loans would bear interest at rates equal to the base rate plus 1.5% or the Euro-Dollar rate plus 2.5% per annum, or at the base rate plus 3.5% in the event of a default. Loans under the revolving credit facility would be subject to a maximum availability determined by reference to a borrowing base consisting of 65% of eligible inventory, not to exceed \$75,000,000, and 85% of eligible accounts receivable. Availability of loans under the term loan would be subject to a maximum availability

14

determined by reference to a borrowing base equal to 90% of orderly liquidation value of eligible machinery and equipment plus 60% of appraised fair market value of eligible real property. The facilities would be subject to mandatory prepayment and reduction of commitments equal to 100% of the net proceeds from asset sales, and net proceeds of equity offerings and certain debt issuances and 75% of excess annual cash flow. The facilities would be made under loan agreements containing customary representations and warranties, covenants and events of default, to be negotiated.

Bankers Trust Company's obligations to fund the commitment is subject to a number of conditions, including, without limitation, negotiation of definitive documentation satisfactory to Bankers Trust, the consummation of the Preferred Stock Purchase and the Tender Offer on terms satisfactory to Bankers Trust, receipt of financial statements and projections substantially consistent with projected financial results for subsequent periods, no material adverse change in Katy having occurred since December 31, 1999, no material disruption of the syndication markets for credit facilities and no material adverse change in the financial, banking or capital markets having occurred, in either case that would have an adverse effect on such syndication market, as determined by Bankers Trust Company in its sole discretion.

Bankers Trust Company would receive a financing fee of \$3,750,000 for providing the facilities and certain other fees for administering the facilities and providing letters of credit under it. The commitment expires on June 30, 2001 unless the transactions are consummated by June 30, 2001.

Partial Redemption of Preferred Interest in Contico International

Katy and its subsidiary Contico International, L.L.C. have entered into an agreement with Newcastle Industries, Inc for Contico to repurchase 165 of Newcastle's 329 preferred units in Contico for a total of \$9.9 million, plus the accrued and unpaid priority return and profit participation on those units,

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

if the transactions with Purchaser close. Newcastle has agreed that the transactions with Purchaser do not trigger Newcastle's put option (that is, Newcastle's right to require Katy to buy its preferred units) under the Members Agreement exercisable on a change of control.

Katy and Newcastle have also agreed to amendments to Contico's Limited Liability Company Agreement and the Members Agreement to take effect subject to the transactions with Purchaser closing. These include:

- Newcastle can exercise its put option during a period beginning on the earlier of the fifth anniversary of the closing of the transactions with Purchaser and the date Katy repays all outstanding indebtedness for borrowed money Katy incurs in connection with those transactions;
- Newcastle has a new put option exercisable if Katy redeems or repurchases preferred stock (or any securities into which it is convertible) or declares a dividend or makes another distribution in respect of its capital stock;
- Katy can require holders of preferred units to sell to Katy all or some of their units (although Katy must buy at least 82 units when it exercises this right);
- on the exercise of a put option, Katy must pay Newcastle in cash, rather than in Katy stock; and
- Newcastle's put option exercisable on a change in control (previously defined to include, among other things, the acquisition of beneficial ownership by any person or group of 30% or more of Katy's common stock) will not be triggered by the purchase by Purchaser or any of its affiliates of up to an additional 1,000,000 shares of Katy common stock (in addition to the shares purchased pursuant to the Tender Offer) following the closing of the transactions with Purchaser.
- Contico is to keep available adequate reserves with respect to working capital, taxes, future capital expenditures and mandatory distributions.

Background of the Transaction

In September 2000, Katy recognized that it would fall out of compliance with its financial ratio covenant under its existing bank credit agreement governing maximum leverage and commenced negotiations with its bank group with respect to a waiver. On September 28, 2000, the bank group agreed to waive the covenant defaults through October 27, 2000, to provide time to arrive at an amendment to the credit agreement satisfactory to Katy and the bank group. Underlying the waiver and the proposed amendment was an understanding that Katy

15

would consider strategic alternatives, including the potential sale of Katy or one or more of its material subsidiaries. Unless the banks' waiver was extended beyond October 27, 2000, Katy would have been in default under the credit agreement, and the banks could have accelerated the debt and demanded immediate payment from Katy.

In early October 2000, the Board of Directors retained Debevoise & Plimpton, as legal counsel, to assist in negotiations with Katy's lenders and with the consideration and negotiation of strategic alternatives.

On October 3, 2000, the Board of Directors determined that Katy should begin

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

exploring possible strategic alternatives, including alternatives to remaining an independent company. The Board of Directors authorized senior management of Katy to contact potential strategic and financial partners and to provide confidential Katy information to such persons. In addition, the Board of Directors requested senior management of Katy to continue to analyze Katy's financial position in order to determine whether a stand-alone alternative, with or without the sale of subsidiaries of Katy, was feasible in the context of the financial covenants in the existing credit agreement.

After the October 3 Board of Directors meeting, management of Katy completed preparation of an information package (the "Information Package") concerning Katy which contained historical financial information, segment information, the information memorandum sent to the Katy's bank group in connection with the proposed amendment to the credit agreement and certain forecasts. The forecasts included an estimate of earnings before interest, taxes, depreciation and amortization ("EBITDA") (from continuing segments and before unusual items) for the fourth quarter of 2000 and for the full year 2000 of \$12.4 million and \$42.0 million, respectively. The forecasts also included an estimate of EBITDA for 2001 of between \$47.4 million and \$50.6 million and EBITDA for 2002 of between \$63.0 million and \$69.4 million.

In early October 2000, Katy contacted a number of potential strategic and financial partners inquiring as to their interest in acquiring Katy. Kohlberg was introduced to Katy by William F. Andrews, a director of Katy, who at that time informed Katy that he was a principal of Kohlberg and received a consulting fee from that company and also served as a director of several companies affiliated with Kohlberg. The Information Package was transmitted to those parties that expressed preliminary interest in Katy, once such parties executed confidentiality agreements with Katy. In total, management contacted 16 potential buyers, including 11 strategic buyers--that is, companies engaged in similar businesses--and 5 financial buyers. Of the parties contacted, 5 strategic buyers and 3 financial buyers expressed preliminary interest and executed confidentiality agreements. These interested recipients included Kohlberg, which signed a confidentiality agreement on October 11, 2000.

On or about October 12, 2000, representatives of Kohlberg met with John R. Prann, Jr., then the Chief Executive Officer and a director of Katy, and with other representatives of senior management at Katy's head office at Englewood, Colorado.

At a meeting of the Board of Directors on October 13, Mr. Prann reported that Kohlberg was interested in acquiring Katy in a transaction in which trusts associated with members of the Carroll family would exchange a portion of their shareholdings in Katy for shares of an affiliate that would acquire the publicly held common shares at a price of \$14.50.

In the second half of October, Kohlberg and two of its prospective financing sources met with representatives of Katy for additional business due diligence discussions.

In late October, of the potential purchasers that had initially expressed interest, only two potential strategic buyers, Public Company 1 and Public Company 2, remained interested in considering a transaction to purchase all or part of Katy.

After negotiations throughout October with Katy's existing lenders on an amendment to the existing credit agreement, on October 27, 2000, an amendment to the credit agreement was signed. As a part of the

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

amendment, compliance with certain covenants required by the credit agreement was waived as of September 30, 2000, and new ratio levels for certain covenants were established for measurement at December 31, 2000. Also as part of the amendment, Katy agreed to grant the lenders under the credit agreement a security interest in all of Katy's and its subsidiaries' material assets on March 31, 2001, if certain events did not occur before February 28, 2001. Under the terms of the amendment, a security interest was not required if (1) on or before February 28, 2001, a letter of intent (satisfactory to the bank group) existed for the sale of (i) Katy as a whole or (ii) one or more of its material subsidiaries if (in the case of clause (ii)) Katy demonstrates that following such sale Katy would be in compliance with a specified leverage ratio, or (2) Katy was in compliance with certain covenants at pre-amendment ratio levels.

On October 26, 2000, based on publicly available information and additional information about Katy that Kohlberg received from Katy, including Katy's estimates for its EBITDA for the fourth quarter and the full year 2000, Kohlberg submitted a draft preliminary indication of interest to acquire Katy for a purchase price of up to \$14.50 per share in cash. At the request of Katy, Kohlberg submitted a revised preliminary indication of interest on October 27, 2000, to provide for a firm purchase price of \$14.50 per share in cash. This signed indication of interest was accompanied by a letter from one of Kohlberg's prospective financing sources indicating that it was confident that it could arrange the financing needed to complete the transaction. The Kohlberg proposal contemplated the entry into a letter of intent with an exclusivity period and an expense reimbursement, together with, in the event that negotiations with certain strategic partners are exempted from the exclusivity covenant, a termination fee.

The Board of Directors considered the Kohlberg draft letter of intent with respect to its proposal at a meeting on October 27, 2000. The proposal was for the acquisition of all of Katy's outstanding shares. Part of the outstanding shares owned by the Carroll trusts would be exchanged for shares of a Kohlberg affiliate, which would acquire the balance of the outstanding shares for cash at the price of \$14.50 per share. Also at this meeting, the Board of Directors authorized the retention of Bear Stearns to render a fairness opinion with respect to a transaction with Kohlberg if requested to do so.

On October 31, 2000, the Board of Directors met with representatives of Bear Stearns and Debevoise & Plimpton to consider the expressions of interest that had been received, to be updated on discussions with the other potential buyers still involved in the process and to consider the steps to be taken. At the start of the meeting, Mr. Christopher Lacovara, a principal of Kohlberg, was present and discussed and answered questions regarding Kohlberg's expression of interest. At the October 31, 2000 meeting, William Andrews, one of the directors, reminded the Board of Directors that he was a principal of Kohlberg, was a director of several of their portfolio companies, had assisted them in making a number of acquisitions and received a retainer for his services. In light of Kohlberg's interest in sponsoring an acquisition of Katy, Mr. Andrews excused himself from the meeting and stated that he would not participate in future board meetings as long as a possible transaction with Kohlberg was under consideration.

At the October 31 meeting, after Mr. Andrews excused himself, the Board of Directors also reviewed other alternatives. While Public Company 1 had signed a confidentiality agreement, it had not submitted an expression of interest. One financial sponsor ("Financial Sponsor 1") which had done only limited due diligence had submitted an expression of interest for an acquisition at a broad indicated price range (\$12 to \$15.50 per share), in a transaction in which the Carroll trusts and management would have the option of retaining a meaningful equity interest in Katy. The expression of interest was unaccompanied by expressions of interest from financing sources and contemplated a period of exclusivity and a break-up fee.

On November 2, 2000, Kohlberg delivered a draft letter of intent to Katy, which included a purchase price of \$14.50 per Share. Representatives of Katy and of Kohlberg negotiated the terms of the draft Letter of Intent between November 2 and November 6, 2000.

On November 6, 2000, representatives of the Financial Sponsor 1, having been informed earlier of the state of negotiations with Kohlberg, had indicated that the timeline for a transaction was too rapid for it and that it had decided not to proceed at that time.

17

On November 6, 2000, the Board of Directors was advised of the decision of Financial Sponsor 1 not to proceed and that Public Company 1 had decided not to make a proposal at that time. Public Company 2 had scheduled some due diligence discussions with Katy. Another potential strategic buyer was interested only in Katy's abrasives businesses. After review of the improvements in the letter of intent since the initial draft received from Kohlberg, the Board of Directors (without the participation of Arthur Miller, a trustee of the Carroll family trusts, or of Wallace Carroll or Amelia Carroll) authorized the execution of the letter of intent (the "First Letter of Intent"), which was executed that day.

The First Letter of Intent provided for an acquisition of all of Katy's common stock. The Carroll family trusts would be permitted to exchange all or part of their shares of Katy common stock for shares of a newly formed Kohlberg affiliate, which would acquire the other shares of common stock at a purchase price of \$14.50 per Share in cash. The First Letter of Intent contemplated a 30 day period during which Kohlberg would complete its due diligence and financing arrangements. The First Letter of Intent provided for a 45 day exclusive negotiation period with Kohlberg, but specifically exempted ongoing discussions between Katy and two named strategic buyers and also permitted discussions with unsolicited other bidders if the Board of Directors determined, after consultation with its legal and financial advisors, that failure to participate in such discussions would be inconsistent with the directors' fiduciary duties. The First Letter of Intent provided for an expense reimbursement not to exceed \$250,000 and a termination fee of \$1.5 million upon the consummation of a competing transaction, if during the term of the First Letter of Intent Katy did not enter into a definitive agreement despite Kohlberg's willingness to do so at the price and substantially on the terms contained in the First Letter of Intent.

Also on November 6, 2000, Katy issued a press release announcing that it was exploring its strategic alternatives, including the possible sale of Katy, and that it was in discussions with a potential purchaser relating to a transaction involving the purchase of Katy at a premium to its then current price.

In mid-November 2000, representatives of Kohlberg and one of its prospective financing sources toured the facilities and met with management of several Katy subsidiaries. During this period, Kohlberg reviewed transaction financing alternatives with five commercial banks and two mezzanine lenders.

In late November 2000, management of Katy informed Kohlberg that it was revising downward its EBITDA forecast for the fourth quarter and for the year 2000 and provided Kohlberg with its revised forecast. The revised forecasts estimated EBITDA (from continuing segments and before unusual items) for the fourth quarter of 2000 and for the full year 2000 at \$7.0 million and \$37.2 million, respectively. The revised forecasts also estimated EBITDA for 2001 at \$47.5 million but did not include revised estimates for 2002.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Kohlberg thereafter revised its financial analysis based on the new information provided by management. Kohlberg also continued discussions with selected financing institutions to discuss financing for the transaction. During this period, most of the commercial banks and both of the mezzanine lenders declined to participate in the financing. Starting in late 2000, an alternative financing source, an asset-backed lender (Bankers Trust Company), commenced its due diligence efforts.

Following the completion of this revised analysis, Kohlberg informed Katy that, primarily because of the decline in expected fourth quarter results, it would not be able to complete a transaction at the price outlined in the First Letter of Intent. On November 28, 2000, Kohlberg circulated a proposed amendment to the First Letter of Intent, but without a specified price per Share, for a transaction with Katy. Mr. Lacovara informed Katy that the offer price would likely be between \$9 and \$10 a share. The Board of Directors on November 30, 2000 decided not to extend the exclusivity period, but to keep working towards a transaction with Kohlberg. The First Letter of Intent was terminated by Katy in early December 2000.

On December 14, 2000, Mr. Lacovara telephoned Mr. Prann and confirmed that Kohlberg had concluded that Katy's operating results and the results of Kohlberg's review of Katy did not support the valuation provided in the First Letter of Intent. At that time, Katy was estimating that its EBITDA (from continuing segments and before unusual items) for the full year 2000 would be approximately \$37.5 million. It also had

18

increased its estimate of its highest expected total required borrowings during 2001 to \$158 million. Based on this information and the results of Kohlberg's due diligence review, including its estimate of payments required in the event of a change of control of Katy, Mr. Lacovara expressed interest in acquiring Katy for a purchase price of \$8.25 per Share in cash.

That day, Mr. Lacovara delivered to Katy a first draft of a merger agreement, and the Board of Directors met with representatives of Debevoise & Plimpton and Bear Stearns. The Board of Directors considered the status of discussions with Kohlberg, and also reviewed Katy's alternatives. There had been discussions with another financial sponsor, which had indicated that because of the current state of the financing markets it would not be able to bid higher than the then trading price for Katy stock (then about \$7.63 a share). That financial buyer later decided it did not wish to proceed further. Katy had not heard back from Public Company 2, which had undertaken some preliminary due diligence with Katy after the November 6 meeting. The Board of Directors also considered the alternative of continuing as an independent company. The Board had real questions as to Katy's ability to restructure its debt, and whether, if Katy sold businesses, the earnings of the remaining businesses would be consistent with Katy remaining a public company.

Because the Kohlberg proposal provided for the possibility of allowing (but not requiring) the Carroll family trusts to exchange their shares of Katy for common stock of a newly formed Kohlberg affiliate that would be the acquisition vehicle, the Board of Directors at the December 14 meeting formed a Special Committee of directors who were not connected with the Carroll family trusts to negotiate with Kohlberg. The members of the Special Committee were Charles W. Sahlman, Jacob Saliba and Daniel B. Carroll. The Special Committee was authorized to consider whether the Kohlberg proposal was in the best interests of Katy stockholders who were not part of the buying group, to negotiate with Kohlberg, and to consider and negotiate any alternatives it believed to be available. It was also authorized to give instructions to Bear Stearns and to

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Debevoise & Plimpton.

On December 20, 2000, Kohlberg submitted to Katy a draft of a second letter of intent (the "Second Letter of Intent"), which included a purchase price of \$8.25 per Share, a renewed exclusivity period, and provision for expense reimbursement and a termination fee. Kohlberg requested that this Second Letter of Intent be executed prior to the commencement of negotiations on the definitive merger agreement.

On December 21, 2000, the Special Committee, Bear Stearns and Debevoise & Plimpton discussed with Mr. Lacovara Kohlberg's insistence on the Second Letter of Intent, the various factors considered by Kohlberg in arriving at the price reduction, and the state of Kohlberg's financing negotiations. Mr. Lacovara indicated that Kohlberg had received an oral expression of interest from an asset-based financing source, Bankers Trust Company, in financing the transaction.

Before the Second Letter of Intent was executed, a member of the Special Committee and subsequently a senior officer of Katy had contacted representatives of Public Company 1, and had been advised that Public Company 1 might well never submit a proposal and in any event would not consider doing so unless a transaction with another party were to be announced. The Special Committee and the Board of Directors also considered the alternative of Katy continuing on a stand-alone basis, with or without sales of businesses.

Following further negotiation of terms, and preliminary exchanges of comments on a draft merger agreement provided by Kohlberg's counsel, on January 2, 2001, Kohlberg and Katy signed the Second Letter of Intent. The Second Letter of Intent, as executed, provided for a renewed exclusivity period until the letter was terminated. Either party could terminate the Second Letter of Intent if, among other things, the definitive agreement was not signed by January 15, 2001. The Second Letter of Intent also provided for an expense reimbursement not to exceed \$500,000 and, to the extent that Kohlberg was able to sign a definitive merger agreement at \$8.25, a termination fee of \$1.5 million payable upon the consummation of a competing transaction.

19

By letter dated January 8, 2001, Bear Stearns was formally engaged to render an opinion as to the fairness of the proposed transaction.

After counsel for the Special Committee gave its comments on a revised draft merger agreement, representatives of Debevoise & Plimpton met on January 12, 2001 with Mr. Lacovara and representatives of Hunton & Williams to discuss the outstanding issues associated with the draft merger agreement. At that meeting, the Kohlberg representatives requested a one week extension of the specified dates in the Second Letter of Intent.

In the evening of January 15, Mr. Lacovara telephoned Mr. Prann and counsel to the Special Committee to inform them that Kohlberg had concerns with the liquidity position of Katy post-closing, based on Katy's projected debt levels (excluding severance and other change in control payments) reaching \$165 million in May 2001, and that Kohlberg was considering an additional equity investment in the transaction. Mr. Lacovara indicated that the Kohlberg partnership would be meeting on January 17, 2001 to determine whether to contribute an additional \$15 million of equity, and that without that contribution, Mr. Lacovara did not feel comfortable that Kohlberg could pursue the transaction. Mr. Lacovara also expressed concern over Katy's debt levels and the lower accounts receivable and inventory balance.

Given the uncertainty raised by Mr. Lacovara's update, on January 16, 2001,

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

the Board of Directors determined to postpone a decision on the proposed amendment to the Second Letter of Intent.

On January 17, 2001, Mr. Lacovara informed Katy that the Kohlberg partners had voted against the proposed additional \$15 million equity investment and that, as a result, Kohlberg would be unable to continue working on the transaction unless an alternative solution to the liquidity concern was found. On each of January 18, 2001 and January 19, 2001, the Special Committee and representatives of Debevoise & Plimpton met with Mr. Lacovara to discuss Kohlberg's concerns and to discuss possible solutions, including the possibility of increasing the level of proposed subordinated debt financing, negotiating a deferral of payments, which would be owed upon a change of control, to the holder of preferred units in Contico, and proceeding with sales of subsidiaries of Katy. On January 19, the Special Committee authorized Mr. Prann to proceed with discussions in respect of the proposed sale of Hamilton, and authorized representatives of Kohlberg to contact directly the holder of the Contico preferred units.

In late January 2001, representatives of the Special Committee and of Kohlberg negotiated the terms of the proposed amendment to the Second Letter of Intent. Changes requested by representatives of the Special Committee included exclusions from the exclusivity covenant for discussions with (i) Public Company 1, (ii) potential purchasers of Contico's retail division, (iii) potential purchasers of Hamilton and (iv) unsolicited bidders.

In January 2001, Katy began discussion with several potential buyers of Hamilton.

In the second half of January 2001, Kohlberg representatives, seeking additional post-closing liquidity for Katy, discussed with the holder of the Contico preferred units the possible deferral of approximately \$33 million otherwise payable to the holder following the closing.

On January 31, 2001, Kohlberg and Katy executed an amended letter of intent (the "Third Letter of Intent"). The Third Letter of Intent contemplated that the Carroll family trusts would convert 727,273 of their shares for shares of a newly formed Kohlberg affiliate, which would acquire the other shares of Katy common stock at a price of \$8.25 per share. The amended letter of intent contained the requested carve-outs on exclusivity during the term of the agreement, and provided for a termination fee of \$1.5 million, if Kohlberg was able to sign the merger agreement by February 5, 2001, payable upon the consummation of a competing transaction.

On February 2, 2001, representatives of Kohlberg met with members of Katy's senior management to provide an overview of the proposed transaction, to review the proposed business plan and to discuss the proposed equity program.

20

In mid-February 2001, Mr. Lacovara informed counsel to Katy of additional obstacles to the proposed transaction to acquire Katy, which consisted of the need to obtain an additional \$15 million in financing because of the reduction in the amount Kohlberg's proposed asset-based lender (Bankers Trust Company) was prepared to lend based on appraisals of the assets, the poor fourth quarter results, the negative earnings outlook for the first quarter of 2001 and the generally poor economic conditions. Based on these four factors, Kohlberg thought it would be difficult to complete the transaction contemplated by the Third Letter of Intent.

As a result of the above, Mr. Lacovara proposed as an alternative to the proposed acquisition transaction with Katy ("Plan A"), a recapitalization

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

("Plan B") under which Kohlberg would buy new equity from Katy with proceeds used to reduce existing debt to a level which could be financed by Bankers Trust Company and would buy a portion of the existing shares. This proposal eventually formed the basis for the Preferred Stock Purchase and Tender Offer.

On February 17, 2001, Mr. Lacovara sent to Katy Kohlberg's analysis of the components of both Plan A and Plan B. On February 18, 2001, Mr. Lacovara reviewed the terms of each of Plan A and Plan B with the Special Committee, and reported on the status of efforts to find the additional financing for Plan A.

On February 21, 2001, Kohlberg sent a draft of a revised letter of intent (the "Fourth Letter of Intent") reflecting Kohlberg's Plan B. The Fourth Letter of Intent contained a proposed price of \$7.50 per share. Kohlberg made clear that its interest in exploring Plan B was conditioned on its acquiring, through purchase of outstanding Katy common stock and through purchase of convertible preferred stock, a majority of the equity interest in Katy, representing a majority of Katy's common stock after giving effect to conversion of the convertible preferred stock, and also acquiring the right to nominate a majority of Katy's Board. Kohlberg informed Katy that it needed these rights to comply with requirements in the partnerships comprising the investment fund with which Purchaser is affiliated. As under Plan A, Kohlberg requested that the Agreement Shareholders agree to support the transaction by entering into a Voting Agreement.

On February 24, Katy responded to Kohlberg, indicating that Katy was interested in exploring Plan B as set forth in the Fourth Letter of Intent, but at a higher price, and provided comments on the Fourth Letter of Intent to Kohlberg.

During February 2001, after the Third Letter of Intent was signed, Katy carried on discussions with Public Company 1 and with a potential strategic buyer of Contico's retail division. In February 2001, Public Company 1 said it was not interested in an acquisition of Katy as a whole, but was interested in Contico. Discussions with both potential buyers broke off by the end of February 2001. While Public Company 1 indicated that it continued to be interested in buying Contico, it concluded that it could not follow through on such a transaction until the second half of 2001. The other company informed Katy that it was not interested in exploring further the possible purchase of part of Contico.

In the latter half of February, Kohlberg informed Katy representatives that it could not complete Plan A because of the negative EBITDA trends, the expected debt financing shortfall and the possibility that without adequate liquidity coverage lenders might not provide financing at closing.

On March 2, 2001, after additional negotiation, Kohlberg and Katy executed the Fourth Letter of Intent. The Fourth Letter of Intent, as executed, incorporated many of the changes requested by Katy, including an increase in the purchase price from \$7.50 to \$8.00 per share, the dropping of a request by Kohlberg that entry into a definitive agreement trigger the reimbursement by Katy of up to \$750,000 of Kohlberg's expenses, and Kohlberg's agreement that the definitive agreement would permit Katy to have discussions with unsolicited competing bidders and to terminate the definitive agreement (upon payment of a \$2 million termination fee in addition to reimbursement of Kohlberg's reasonably documented expenses), if the Katy Board determined after consulting with counsel that failure to take these actions would be inconsistent with the Board's fiduciary duties. The obligation to enter into a definitive agreement was conditioned on, among other things, the execution of a letter of intent relating to the divestiture of Hamilton and the negotiation of a term sheet for the

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

refinancing of Katy's existing bank loans. The Fourth Letter of Intent provided for expense reimbursement to Kohlberg of up to \$750,000. The Fourth Letter of Intent formed the basis for the Purchase Agreement and the Preferred Stock Purchase and Tender Offer.

On March 2, Katy issued a press release announcing that it was engaged in discussions with a potential purchaser of a substantial equity position in Katy. The press release noted that the discussions contemplated a purchase of a substantial minority stake in Katy. The press release also noted that the discussions referred to in Katy's press release of November 6, 2000 had been suspended by these discussions with the same potential purchaser.

In early March 2001, Katy management informed Kohlberg that it was revising downward its EBITDA forecast for 2001 to \$43.9 million.

In March 2001, Kohlberg and Katy engaged in discussions with Katy's existing lenders and with Bankers Trust Company and other potential financing sources concerning refinancing Katy's existing credit facilities.

On March 7, 2001, Katy entered into a non-binding letter of intent with respect to the sale of substantially all of the assets of Hamilton.

On March 7, 2001, representatives of Hunton & Williams delivered to Debevoise & Plimpton an initial draft of the Purchase Agreement. The draft Purchase Agreement was based, in large part, on the merger agreement that had previously been negotiated by Kohlberg and Katy in connection with Plan A. On March 8, 2001, representatives of Debevoise & Plimpton, on behalf of Katy, delivered to Hunton & Williams comments on the initial draft of the Purchase Agreement.

On March 9, 2001, representatives of Katy discussed the Purchase Agreement with representatives of Kohlberg and on March 12, 2001, counsel to Kohlberg distributed a revised draft of the Purchase Agreement.

On March 12, 2001, Katy and Kohlberg extended from March 9 to March 26 the date after which either party could terminate the Fourth Letter of Intent if a definitive purchase agreement had not been executed by that date.

On March 13, 2001, counsel to Kohlberg distributed a first draft of the Voting Agreement, based in large part on the stock voting and tender agreement previously negotiated between Kohlberg and Katy in connection with Plan A.

During the period from March 12, 2001 through March 28, 2001 representatives of Katy and its legal advisers finalized the terms of the Purchase Agreement with representatives of Kohlberg and its legal advisers. Representatives of the Agreement Shareholders also negotiated the terms of the Voting Agreement with representatives of Kohlberg.

On March 17, 2001, the Board of Directors met with representatives of Bear Stearns and Debevoise & Plimpton to review the status of discussions with respect to the Purchase Agreement. On March 20, 2001, a revised draft of the Purchase Agreement was prepared and distributed to the Board of Directors. A proposed commitment letter from Bankers Trust Company to a Kohlberg affiliate to refinance the existing loans of Katy on a secured basis was also distributed to the Board of Directors.

On March 22, 2001, after meeting with representatives of Katy's senior management for an update of information about Katy's operating results and prospects, including the prospects of obtaining stand-alone financing without an equity infusion, the Board of Directors and representatives of Bear Stearns

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

and Debevoise & Plimpton met to consider the terms of the Purchase Agreement, as negotiated, and the transactions contemplated in the Purchase Agreement. Bear Stearns presented its financial analyses to the Board of Directors. Representatives of Debevoise & Plimpton reviewed the duties of the Board of Directors and summarized the Purchase Agreement and the improvements, from the perspective of Katy's stockholders, in the terms of the Purchase Agreement negotiated since receiving the initial draft.

22

On March 25, 26, and 29, the Board of Directors met again with representatives of Bear Stearns and Debevoise & Plimpton. At the March 29 meeting, Bear Stearns delivered to the Board of Directors its oral opinion, later confirmed in writing, to the effect that, as of that date, and subject to the matters stated in the opinion, the Preferred Stock Purchase and Tender Offer, taken as a whole, were fair to the stockholders of Katy from a financial point of view. Following further discussion and deliberation, the Board of Directors of Katy, by the unanimous vote of all directors present (Mr. Andrews was not present because of his relationship with Kohlberg): (i) approved the Purchase Agreement, the Preferred Stock Purchase and Tender Offer and the other transactions contemplated by the Purchase Agreement, (ii) determined that the terms of the Preferred Stock Purchase and Tender Offer were fair to and in the best interests of Katy's stockholders, (iii) approved amendments to Katy's Restated Certificate of Incorporation to authorize 600,000 shares of convertible preferred stock and to establish a classified Board of Directors and recommended they be submitted to the stockholders for approval, (iv) approved Purchaser's five designees, and Mr. Jacobi, who Purchaser has proposed be appointed Chief Executive Officer, as nominees for director of Katy, subject to election by the stockholders and (v) adopted an amendment to Katy's by-laws fixing at nine the number of directors constituting the whole Board of Directors.

Authorized representatives of Katy and Purchaser executed and delivered the Purchase Agreement, and Purchaser and the Agreement Shareholders executed and delivered the Voting Agreement, as of March 29, 2001. On March 30, 2001, the execution of the Purchase Agreement was publicly announced through a press release issued by Katy.

On April 20, 2001, the Board of Directors of Katy approved a proposed amendment to Katy's certificate of incorporation creating the convertible preferred stock to be purchased by Purchaser and recommended that Katy shareholders approve this amendment.

We have included projections in this section of the Proxy Statement solely because such projections were furnished to Kohlberg in the course of the discussions that led to the execution of the Purchase Agreement. The inclusion of such projections should not be regarded as an indication that Katy, Kohlberg or any other person who received such information considers it a reliable prediction of future events, and Kohlberg has informed Katy that it has not relied (nor should any other person rely) on them as such.

Katy does not as a matter of course make public any projections as to future performance or earnings. Katy's internal financial forecasts (upon which the projections provided to Kohlberg were based in part) are, in general, prepared solely for internal use and capital budgeting and other management decision-making purposes and are subjective in many respects and thus susceptible to various interpretations and periodic revision based on actual experience and business developments.

The projections given to Kohlberg are based on estimates and assumptions made by Katy's management with respect to industry performance, general

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

business, economic, market and financial conditions and other matters, all of which are subject to significant contingencies and are difficult to predict, and many of which are beyond the control of Katy, Kohlberg or their respective advisors. These projections were prepared by Katy's management based on numerous assumptions including, among others, projections of revenues, operating income, benefits and other expenses, depreciation and amortization, capital expenditures and working capital requirements. No assurances can be given with respect to any such assumptions. These projections do not give effect to the Preferred Stock Purchase and Tender Offer. Risks and uncertainties faced by Katy are discussed in greater detail in Katy's periodic filings with the SEC. Also, many of the assumptions upon which the projections were based are dependent upon economic forecasting (both general and specific to Katy's businesses) which is inherently uncertain and subjective. Accordingly, there can be no assurance that the assumptions made in preparing the projections will prove accurate and actual results may be materially greater or less than those contained in the projections.

None of Katy, Kohlberg or any of their representatives has made, or makes, any representation to any person regarding the information contained in the projections, and none of them intends to update or otherwise

23

revise the projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events even in the event that any or all of the assumptions underlying the projections are shown to be in error. In addition, the projections given to Kohlberg were not prepared in accordance with generally accepted accounting principles, and neither Katy's nor Kohlberg's independent accountants has examined or compiled any of the projections or expressed any conclusion or provided any other form of assurance with respect to the projections and accordingly assume no responsibility for these projections. The projections given to Kohlberg were prepared with a limited degree of precision, and were not prepared with a view to public disclosure or compliance with the published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants regarding projections, which would require a more complete presentation of data than as shown above. The inclusion of the projections in the Proxy Statement should not be regarded as a representation that the projected results will be achieved. These projections should be read in conjunction with Katy's historical financial information.

Factors Considered by the Board of Directors

The Board of Directors has approved the Purchase Agreement, the Preferred Stock Purchase and the Tender Offer and recommends that stockholders approve the Preferred Stock Purchase.

The material factors that the Board of Directors considered in connection with the Purchase Agreement, the Preferred Stock Purchase and the Tender Offer are described below. Except as noted below, the Board considered the following factors to be positive factors supporting its determination that the Preferred Stock Purchase and Tender Offer are fair to, and in the best interests of, the stockholders. The material positive factors the Board considered were:

(1) Katy's cash resources and financial strength will increase as a result of Purchaser's cash infusion and from borrowing availability under the new credit facility with Bankers Trust Company, which would not have been provided unless Katy entered into the Purchase Agreement and the transactions contemplated by the Purchase Agreement.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

(2) The Preferred Stock Purchase will decrease the percentage of Katy's capitalization that consists of debt.

(3) The Tender Offer and Preferred Stock Purchase will give stockholders the opportunity to sell Katy shares at a substantial premium to the market price of Katy shares before the transactions with Purchaser were announced, and also to remain as stockholders in a company that will be financially strengthened by Purchaser's cash infusion. In concluding that the premium offered was substantial, the Board considered the closing price of Katy shares on March 29, 2001, the day the Board of Directors approved the Purchase Agreement. The price offered in the Tender Offer represents a premium of 30.1% over the closing price of \$6.15 for Katy shares on March 29, 2001. The Board also considered that the Tender Offer price represented a premium of 30.6% over the closing price (\$6.125) of Katy shares on November 6, 2000, the last trading day before Katy announced that it was engaged in discussions with a potential purchaser of Katy, and a premium of 39.1% over the closing price (\$5.75) of Katy shares on March 2, 2001, the last trading day before Katy announced that it was engaged in discussions with a potential purchaser of a substantial equity position in the company.

(4) Bear Stearns' oral opinion and supporting analysis, delivered to the Board of Directors at the March 29, 2001 meeting and later confirmed in writing, was that, as of the date of such opinion, the Preferred Stock Purchase and the Tender Offer, taken as a whole, were fair from a financial point of view to Katy's stockholders.

(5) Before committing itself to the transactions, Katy had solicited indications of interest in acquiring Katy from a substantial number of potential buyers (strategic and financial) and held discussions with potential lenders about refinancing its indebtedness, and the Board of Directors believed that the transactions with Purchaser were the only readily available transactions that would give Katy the cash it needs to fund its ongoing operations and offer a reasonable opportunity for Katy to achieve its strategic objectives.

24

(6) Despite seeking indications of interest for a sale of Katy, a number of potential acquirers visiting Katy or receiving information packages, and Katy's public announcements on November 6 and March 2, only Kohlberg submitted a written proposal after November 6, 2000.

(7) The initial discussions with Purchaser contemplated a range of alternatives, including a sale of the entire company at \$8.25 per share, and the structure of the transaction ultimately agreed upon in negotiation allows Katy stockholders to retain a stake in Katy, giving them upside potential.

(8) It is expected that, unless the transactions with Kohlberg are completed, Katy on June 30, 2001 will be in violation of financial covenants of the present credit agreement. If the transactions with Kohlberg are not completed, considering the current market environment, a substantial risk exists that Katy will be unable to obtain further waivers of the defaults under the current credit agreement and that Katy will be unable to obtain, on reasonable terms or at all, financing necessary to replace its current credit agreement. If Katy is unable to refinance its existing bank loans, the entire amount under the existing credit agreement could be declared due and payable not later than June 30, 2001.

(9) Under the terms of the Purchase Agreement:

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

--Katy is permitted to give information to and negotiate with third parties in response to an unsolicited acquisition proposal if a majority of the Board of Directors determines (after consultation with counsel), that failure to do so would not be consistent with the directors' fiduciary duties;

--the Board of Directors can terminate the Purchase Agreement if Katy receives a superior proposal and the Board of Directors determines in good faith (after consulting with outside legal counsel) that not terminating the Purchase Agreement and entering into a new agreement to effect the superior proposal would be inconsistent with its fiduciary duties; and

--while Katy, in order to accept a superior proposal, must reimburse Purchaser up to \$1,000,000 of its expenses, and, on completing the competing proposal, pay Purchaser a termination fee of \$2,000,000, and these fees and expense reimbursement would increase the cost to a third party interested in acquiring Katy, they would not prevent a third party from making a superior proposal or acquiring Katy.

(10) The Board expected that Katy and its stockholders would benefit from Kohlberg's managerial assistance and support. Kohlberg has substantial experience in providing companies in which its affiliates invest with financial and managerial advisory services aimed at building value and improving operational, marketing and financial performance.

The Board also considered the following negative factors in making its determination. You should consider these in deciding whether to vote for the Preferred Stock Purchase:

(11) The issuance of the convertible preferred stock will dilute the holdings of Katy's existing stockholders. Following the closing of the transactions with Purchaser under the Purchase Agreement, existing stockholders will hold a lesser proportion of common equity (calculated on a fully diluted basis). If the 400,000 shares of convertible preferred stock to be purchased by Purchaser are converted, it will receive 5,000,000 shares of common stock, which would represent 35.3% of the outstanding shares (on a fully diluted basis) after giving effect to the conversion. If the Preferred Stock Purchase and the conversion were to have occurred as of December 31, 2000, this would have had the pro forma effect of reducing the book value per share of common stock from \$17.91 to \$14.21.

(12) Purchaser's significant stock ownership in Katy, its rights to nominate directors and to convert its convertible preferred stock, and the classified Board of Directors, could effectively deter a third party from making an offer to acquire Katy, which might involve a premium stock price or other benefits for stockholders, and could otherwise prevent changes in control or management of Katy.

(13) The purchase of shares tendered into the Tender Offer will reduce the number of shares of Katy common stock that are publicly held, which could increase volatility in the price of Katy's stock and adversely affect liquidity in Katy's stock.

25

(14) Purchaser's nominees will constitute a majority of the Board of Directors, five of whom will serve an initial term of two years, (see "Corporate Governance" on page of the Proxy Statement), preventing major actions not supported by the Purchaser-nominated directors.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

(15) Purchaser has proposed a new Chief Executive Officer, who is also a nominee for director, and who, if elected as director, will serve for an initial term of one year.

(16) Purchaser will have the right, so long as it retains any convertible preferred stock, to nominate a majority of the members of the Board of Directors in connection with future elections of directors.

(17) The holders of the convertible preferred stock will have preferential rights on distributions if Katy is liquidated, which means that holder of common stock will not receive any distribution on liquidation until the holders of the convertible preferred stock receive their liquidation preference.

(18) If the Purchase Agreement is terminated then, under certain circumstances, Katy must reimburse Purchaser's expenses (up to \$1,000,000) and pay Purchaser a \$2,000,000 termination fee. For example, Purchaser will be entitled to reimbursement for expenses if stockholders do not approve the sale of convertible preferred stock to Purchaser, and to the termination fee under certain circumstances if, within 12 months after the Purchase Agreement terminates, Katy enters into another transaction for the sale of all or a major part of Katy's voting securities or assets and that other transaction is completed within 18 months of the Purchase Agreement terminating.

The Board of Directors believed that, on balance, the possible benefits to Katy stockholders from the positive factors outweighed the possible detriments from the negative factors summarized above.

In view of the variety of factors considered, the Board of Directors found it impracticable to, and did not, quantify, rank or otherwise assign relative weights to the above factors considered or determine that any factor was of particular importance in reaching its determination. Rather, the Board of Directors views this position and its recommendation as being based upon its judgment, in light of the totality of the information presented and considered, of the overall effect of the Preferred Stock Purchase and Tender Offer on the stockholders compared to any reasonably available alternative transaction.

OPINION OF BEAR STEARNS

Overview

At the March 29, 2001 meeting of Katy's Board of Directors, Bear Stearns presented the analysis of its opinion and then delivered its oral opinion, subsequently confirmed in writing, that, as of March 29, 2001, and based upon and subject to the assumptions, qualifications and limitations set forth in its opinion, the Tender Offer and the Preferred Stock Purchase, taken as a whole, were fair, from a financial point of view, to the stockholders of Katy.

THE FULL TEXT OF THE FAIRNESS OPINION DATED MARCH 29, 2001, WHICH SETS FORTH, AMONG OTHER THINGS, THE ASSUMPTIONS MADE, PROCEDURES FOLLOWED, MATTERS CONSIDERED AND QUALIFICATIONS AND LIMITATIONS ON THE SCOPE OF THE REVIEW UNDERTAKEN BY BEAR STEARNS IN RENDERING ITS FAIRNESS OPINION, IS ATTACHED AS ANNEX A TO THIS DOCUMENT. STOCKHOLDERS ARE URGED TO, AND SHOULD, READ THE FAIRNESS OPINION CAREFULLY AND IN ITS ENTIRETY. THE FAIRNESS OPINION WAS DELIVERED TO THE KATY BOARD OF DIRECTORS FOR ITS USE IN CONNECTION WITH ITS CONSIDERATION OF THE TENDER OFFER AND PREFERRED STOCK PURCHASE AND ADDRESSES ONLY, AS OF THE DATE OF THE FAIRNESS OPINION, THE FAIRNESS OF THE TENDER OFFER AND THE PREFERRED STOCK PURCHASE, TAKEN AS A WHOLE, FROM A FINANCIAL POINT OF VIEW, TO THE STOCKHOLDERS OF KATY. THE FAIRNESS OPINION IS NOT INTENDED TO BE, AND DOES NOT CONSTITUTE, A RECOMMENDATION TO THE BOARD OF DIRECTORS OF KATY OR TO ANY STOCKHOLDER OF KATY AS TO HOW TO VOTE THEIR SHARES OF COMMON STOCK

OF KATY OR WHETHER OR NOT TO TENDER THEIR SHARES OF COMMON STOCK OF KATY. THE FAIRNESS OPINION DOES NOT ADDRESS THE UNDERLYING BUSINESS DECISION OF THE BOARD OF DIRECTORS OF KATY TO RECOMMEND THE TENDER OFFER AND PREFERRED STOCK PURCHASE TO THE STOCKHOLDERS OF KATY OR THE UNDERLYING BUSINESS DECISION OF KATY TO ENTER INTO THE PURCHASE AGREEMENT, THE RELATIVE MERITS OF THE TENDER OFFER AND PREFERRED STOCK PURCHASE AS COMPARED TO ANY ALTERNATIVE BUSINESS STRATEGIES THAT MIGHT EXIST FOR KATY OR THE EFFECTS OF ANY OTHER TRANSACTION IN WHICH KATY MIGHT ENGAGE. THE SUMMARY OF THE FAIRNESS OPINION SET FORTH IN THIS DOCUMENT IS QUALIFIED BY REFERENCE TO THE FULL TEXT OF THE FAIRNESS OPINION.

The terms of the Tender Offer and the Preferred Stock Purchase and the form of the consideration were determined by arm's-length negotiations between Katy and Kohlberg and were not based on any recommendation by Bear Stearns. Katy did not provide specific instructions or impose any limitations on Bear Stearns with respect to the investigations made or the procedures followed by Bear Stearns in rendering its opinion.

Bear Stearns Opinion

In connection with rendering its opinion, Bear Stearns, among other things:

- . reviewed a draft of the Purchase Agreement dated March 28, 2001; reviewed a draft of the Voting Agreement dated March 28, 2001;
- . reviewed a commitment letter from Kohlberg Investors IV, L.P. to Purchaser dated March 27, 2001, relating to the Tender Offer and the Preferred Stock Purchase;
- . reviewed the commitment letter from Bankers Trust Company to Purchaser dated March 27, 2001 ("Commitment Letter");
- . reviewed Katy's Annual Reports to Shareholders and Annual Reports on Form 10-K for the years ended December 31, 1998 and 1999, its Quarterly Report on Form 10-Q for the periods ended March 31, 2000, June 30, 2000 and September 30, 2000, its preliminary results for the year ended December 31, 2000, its Proxy Statement on Schedule 14A dated March 31, 2000, its Report on Form 8-K dated January 15, 1999 and its Report on Form 8-K/A dated March 22, 1999;
- . reviewed the Amended and Restated Credit Agreement dated as of December 11, 1998, among Katy, Bank of America National Trust and Savings Association, as Administrative Agent and Issuing Bank, La Salle National Bank, as Managing Agent, and the other financial institutions party thereto;

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

comparable to Katy;

- . reviewed the terms of selected precedent merger and acquisition transactions of, and investment transactions involving, companies which Bear Stearns deemed generally comparable to Katy or situations which Bear Stearns deemed generally comparable to the Tender Offer and the Preferred Stock Purchase, taken as a whole;
- . performed discounted cash flow analyses based on the projections for Katy furnished to Bear Stearns by the management of Katy;

27

- . reviewed the pro forma financial results, financial condition and capitalization of Katy giving effect to the Tender Offer and the Preferred Stock Purchase, taken as a whole, and the refinancing contemplated by the Commitment Letter; and
- . conducted such other studies, analyses, inquiries and investigations as Bear Stearns deemed appropriate.

Bear Stearns has relied upon and assumed, without independent verification, the accuracy and completeness of the financial and other information, including without limitation the projections, provided to it by Katy. With respect to Katy's projected financial results, Bear Stearns has assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the senior management of Katy as to the expected future performance of Katy. Bear Stearns does not assume any responsibility for the independent verification of any such information or of the projections provided to it, and it has further relied upon the assurances of the senior management of Katy that they are unaware of any facts that would make the information or projections provided to Bear Stearns incomplete or misleading.

In arriving at its opinion, Bear Stearns has taken into account, with Katy's consent, the risks inherent in Katy's current business plans, including the view of the senior management of Katy that in the current capital markets environment there exists a risk that Katy would be unable in the future to obtain continued waivers of the defaults under its current credit facility and that Katy would be unable to obtain, on reasonable terms, financing necessary to replace its current credit facility. Bear Stearns has also considered that, according to the senior management of Katy, (i) no other potential investor or acquiror has made any investment or acquisition proposal to Katy since November 6, 2000 (the date of the public announcement by Katy that it was exploring its strategic alternatives, including the possible sale of Katy, and that it was in discussions with a potential purchaser relating to a possible purchase of Katy) or since March 2, 2001 (the date of the public announcement by Katy that it was engaged in discussions with a potential purchaser of a substantial equity position in Katy) and (ii) the prospects for obtaining access to additional financing in the public or private capital markets are limited.

In arriving at its opinion, Bear Stearns has not performed or obtained any independent appraisal of the assets or liabilities (contingent or otherwise) of Katy, nor has Bear Stearns been furnished with any such appraisals. In connection with its engagement, Bear Stearns was not requested to, and it did not, solicit third party indications of interest involving an investment in, a recapitalization of, or acquisition of all or part of, Katy. Bear Stearns assumed that the Tender Offer and the Preferred Stock Purchase and the refinancing contemplated by the Commitment Letter will be consummated in a timely manner and in accordance with the terms of the Purchase Agreement and the Commitment Letter without any limitations, restrictions, conditions, amendments or modifications that collectively would have a material effect on

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Katy.

Bear Stearns did not express any opinion as to the price or range of prices at which the shares of common stock of Katy may trade subsequent to the announcement of the Tender Offer and the Preferred Stock Purchase and the refinancing contemplated by the Commitment Letter or as to the price or range of prices at which the shares of common stock of Katy may trade subsequent to the consummation of the Tender Offer and the Preferred Stock Purchase and the refinancing contemplated by the Commitment Letter.

Summary of Analysis

The following is a brief summary of all of the material valuation and financial and comparative analyses considered by Bear Stearns in connection with the rendering of its opinion. This summary is qualified in its entirety by reference to the full text of its opinion.

In performing its analysis, Bear Stearns made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Bear Stearns, Katy and Kohlberg. Any estimates contained in the analysis performed by Bear Stearns are not necessarily indicative of actual values or future results, which may be significantly more or less

28

favorable than suggested by such analysis. In addition, as described above, the Bear Stearns opinion was one among several factors taken into consideration by the Katy Board of Directors in making its determination to approve the Tender Offer and Preferred Stock Purchase.

Historical Stock Price Performance of Katy. Bear Stearns reviewed the trading volume and price history of Katy's common stock on the New York Stock Exchange for the period from March 28, 2000 through March 28, 2001 and for the period from March 28, 1996 through March 28, 2001. Bear Stearns also reviewed the relationship between movements in the closing prices of Katy's common stock, the S&P 500 Index and an index of other selected industrial companies (see Comparable Company Analysis below) for the period from March 28, 2000 through March 28, 2001 and for the period from March 28, 1996 through March 28, 2001. Bear Stearns noted that Katy's common stock had underperformed the S&P 500 Index for the period from March 28, 2000 through March 28, 2001 and for the period from March 28, 1996 through March 28, 2001. Additionally, Bear Stearns noted that Katy's common stock had underperformed the index of other selected industrial companies for the period from March 28, 2000 through March 28, 2001 and for the period from March 28, 1996 through March 28, 2001.

Comparative Analysis of Tender Offer and Preferred Stock Purchase Versus Status Quo. Bear Stearns compared the per share value of the Tender Offer and Preferred Stock Purchase, taken as a whole, to the per share value of Katy's common stock as of March 28, 2001. To estimate the value per share of the Tender Offer and Preferred Stock Purchase, Bear Stearns analyzed (i) the cash to be distributed in the Tender Offer and (ii) the pro forma value per share of Katy's common stock after giving effect to the Tender Offer and Preferred Stock Purchase and transaction-related fees and expenses and the sale of Hamilton.

Assuming full participation in the Tender Offer, Bear Stearns calculated the value of the cash to be distributed in the Tender Offer to 29.8% of Katy's common stock to be approximately \$2.38 per share. The pro forma value per share of Katy's common stock, after giving effect to the Tender Offer and Preferred Stock Purchase and transaction related fees and expenses and the sale of Hamilton, was calculated by using a range of multiples of enterprise

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

value/latest twelve month ("LTM") earnings before interest, taxes, depreciation and amortization, referred to as EBITDA. Bear Stearns selected a range of enterprise value/LTM EBITDA multiples of 5.25x to 6.25x based on its review of the following: (i) an analysis of Katy's historical enterprise value/LTM EBITDA multiples, (ii) an analysis of certain publicly traded companies deemed by Bear Stearns to be generally comparable to Katy (see Comparable Company Analysis below) and (iii) a theoretical discounted cash flow analysis, adjusted for the Tender Offer and Preferred Stock Purchase and transaction-related fees and expenses and the sale of Hamilton. This analysis resulted in an implied reference range for the pro forma equity value of Katy's remaining common stock of approximately \$4.33 per share to \$6.38 per share.

Bear Stearns added the cash value per share to be distributed in the Tender Offer to the range of implied pro forma equity values per share to arrive at a range of implied values per share for the Tender Offer and Preferred Stock Purchase, taken as a whole, of approximately \$6.71 per share to \$8.76 per share. Bear Stearns noted that this implied reference range represented a premium of approximately 9.0% to 42.4% over the \$6.15 closing price per share of Katy's common stock on March 28, 2001.

29

Comparable Company Analysis. Bear Stearns analyzed selected historical and projected operating information, stock market performance data and valuation multiples for Katy and compared this data to that of certain publicly traded companies that Bear Stearns deemed to be generally comparable to one or more of Katy's businesses with respect to growth, profitability or size or are diversified industrial micro-cap companies that Bear Stearns deemed to be generally comparable to Katy given its size and diverse industrial profile. Bear Stearns compared, among other things, (i) enterprise value/LTM EBITDA, (ii) enterprise value/LTM earnings before interest and taxes, referred to as EBIT, (iii) market value/LTM net income and (iv) closing stock price/2001 estimated earnings per share, referred to as EPS. All multiples were based on closing stock prices for the comparable companies on March 28, 2001, and LTM is as of September 30, 2000.

above).

It should be noted that companies with financial challenges, similar to Katy, would be expected to trade at multiples close to the bottom end of the range of comparable companies. Additionally, Katy's LTM EBITDA margin of 7.4% is lower than that of all of the comparable companies. Companies with LTM EBITDA margins materially below the comparable companies would be expected to trade at multiples close to the bottom end of the range.

No company utilized in the peer group comparison is identical to Katy, and, accordingly, Bear Stearns' analysis of comparable companies necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors which would necessarily affect the relative trading values of Katy compared to the companies to which Katy was compared.

It should be noted that a number of the 14 transactions involving a target company with a business deemed generally comparable to one or more of Katy's businesses were consummated at multiples above the Katy transaction. This is not unexpected for the following reasons: (i) all of these transactions were strategic in nature, and strategic transactions typically yield synergistic benefits to the acquirer, (ii) all of the transactions were consummated in better economic environments than exist today and (iii) Katy is experiencing a number of financial challenges that were not present in a majority of the target companies. Additionally, a number of the 10 transactions involving

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

target companies that were diversified industrial micro-cap companies were consummated at multiples above the Katy transaction. This is not unexpected for the following reasons: (i) all of the transactions were consummated by financial buyers in significantly better financing environments, (ii) all of the transactions were consummated in better economic environments than exist today and (iii) Katy is experiencing a number of financial challenges that were not present in the majority of the target companies.

Bear Stearns noted that none of the transactions reviewed were identical to the Tender Offer and Preferred Stock Purchase. Bear Stearns further noted that the analysis of mergers and acquisition transactions of comparable companies necessarily involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that would necessarily affect the acquisition value of Katy as compared to the acquisition value of any other comparable company in general and the transactions above in particular.

Theoretical Discounted Cash Flow Analysis. Bear Stearns performed a discounted cash flow analysis for Katy in order to determine a range of equity values per share for Katy. Projected financial data for Katy was based on estimates provided to Bear Stearns by Katy's management assuming the Tender Offer and Preferred Stock Purchase and the related transactions are not entered into and no other comparable transaction is entered into by Katy. In performing its theoretical discounted cash flow analysis, Bear Stearns calculated after-tax cash flows for the seven-year period commencing January 1, 2001, and ending on December 31, 2007. Katy's cash flows were discounted to present value using discount rates ranging from 11.0% to 13.0%. Bear Stearns calculated a terminal value for Katy by applying to Katy's projected EBITDA for 2007 a range of multiples of

32

4.25x to 5.25x. Bear Stearns determined that this range of multiples was appropriate for valuing Katy's business based on the implied perpetual growth rates of free cash flow derived from such multiples. This analysis resulted in an implied reference range for the equity value of approximately \$3.16 per share to \$9.29 per share.

Bear Stearns noted that the theoretical discounted cash flow analysis was highly dependent on growth rates and margin assumptions relating to the underlying projections and that such projections were difficult to forecast due to the rapidly changing nature of Katy's business plan and the capital markets climate. Consequently, Bear Stearns observed that the resulting discounted cash flow valuation is inherently theoretical due to the difficulty in forecasting projected operating results as well as assumptions relating to, among other factors, the availability of sufficient capital, the cost of such capital and assessing implied perpetual growth rates beyond the forecast period.

Leveraged Buyout Analysis. Bear Stearns conducted two leveraged buyout analyses assuming a 100% acquisition of Katy's common stock by a generic financial buyer using the following two financing scenarios: (i) traditional cash flow financing and (ii) asset-based financing. Projected financial data for Katy was based on estimates provided to Bear Stearns by Katy's management. Bear Stearns noted that the proposed transaction did not involve a 100% acquisition of the outstanding common stock of Katy. Bear Stearns further considered Katy's recent financial performance, the current state of the financing markets and the required rates of return for participants in the financial buyer community. Bear Stearns determined that a leveraged buyout under the traditional cash flow financing scenario was not a viable alternative for Katy given Katy's recent financial performance and the current state of the financing markets and that a leveraged buyout under the asset-based financing

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

scenario was only viable at equity values significantly below the closing price per share of Katy's common stock on March 28, 2001.

Theoretical Discounted Future Stock Price Analysis. Bear Stearns performed a discounted future stock price analysis for Katy in order to determine a range of equity values per share of Katy common stock. Projected financial data for Katy was based on estimates provided to Bear Stearns by Katy's management. In calculating its theoretical discounted future stock price, Bear Stearns calculated a range of projected stock prices by using Katy's estimated EPS figure ending December 31, 2003 and applying a range of forward price/earnings ratios, referred to as P/E ratios. Bear Stearns used a range of forward P/E ratios of 6.0x to 8.0x based on the harmonic mean (the reciprocal of the arithmetic mean of reciprocals) of the estimated 2001 P/E ratios of comparable companies ending December 31, 2001 of 6.8x (see Comparable Company Analysis above). Katy's projected stock prices were discounted to present value using discount rates ranging from 13.0% to 17.0%. The analysis resulted in an implied reference range for the equity value of approximately \$4.08 per share to \$5.83 per share.

Bear Stearns noted that the theoretical discounted future stock price analysis was highly dependent on growth rates and margin assumptions relating to the underlying projections and that such projections were difficult to forecast due to the rapidly changing nature of Katy's business plan. Consequently, Bear Stearns observed that the resulting discounted future stock price valuation is inherently theoretical due to the difficulty in forecasting projected operating results as well as assumptions relating to, among other factors, Katy's required rate of return on equity and estimated forward P/E ratio.

Precedent Investment Transactions. Bear Stearns analyzed and summarized three precedent investment transactions in which private equity investors purchased significant equity stakes directly from publicly traded corporations and were granted certain rights, including representation on the Board of Directors of the issuing corporation. These three transactions were (i) the investment by Haas Wheat & Harrison Incorporated in Playtex Products, Inc., (ii) the investment by Kohlberg Kravis Roberts & Co. in TW Holdings, Inc. and (iii) the investment by E.M. Warburg Pincus Ventures, L.P. in Western Publishing Group, Inc. (collectively, the "Precedent Investment Transactions").

33

Bear Stearns observed that the Precedent Investment Transactions involved recapitalizations of three publicly traded corporations in which private equity investors made meaningful equity investments in these corporations, that the proceeds of these investments were used for the purpose of decreasing the leverage or growing the business and that the existing shareholders of these corporations continued to have equity stakes in them. Bear Stearns further observed that the private equity investors obtained certain rights in connection with the investments, including gaining control of the board of directors of the relevant publicly traded corporation.

Bear Stearns noted that none of the Precedent Investment Transactions were identical to the Tender Offer and Preferred Stock Purchase and that, accordingly, any analysis of the Precedent Investment Transactions necessarily involved complex considerations and judgments concerning differences in transaction structures, financial and operating characteristics of the issuing corporation and other factors that would necessarily affect the terms of the Tender Offer and Preferred Stock Purchase versus the terms of the Precedent Investment Transactions. Bear Stearns considered such differences to be sufficiently numerous and significant to make the results of the Precedent

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Investment Transactions of limited utility in reaching the conclusions set forth in its opinion. Notwithstanding the numerous and significant differences between the Tender Offer and Preferred Stock Purchase and the Precedent Investment Transactions, this analysis provided some of the background for evaluating certain of the structural, corporate governance and financial aspects of such investment transactions and was believed to be useful in evaluating some of their qualitative aspects.

Other Considerations

The preparation of a fairness opinion is a complex process that involves various judgments and determinations as to the most appropriate and relevant methods of financial and valuation analysis and the application of those methods to the particular circumstances. The opinion is, therefore, not necessarily susceptible to partial analysis or summary description. Bear Stearns believes that its analysis must be considered as a whole and that selecting portions of its analyses and the factors considered, without considering all of the analyses and factors, would create a misleading and incomplete view of the processes underlying its opinion. Bear Stearns did not form any opinions as to whether any individual analysis or factor, whether positive or negative, considered in isolation, supported or failed to support its opinion. In arriving at its opinion, Bear Stearns did not assign any particular weight to any analysis or factor considered, but rather made qualitative judgments based upon its experience in providing such opinions and on then-existing economic, monetary, market and other conditions as to the significance of each analysis and factor. In performing its analyses, Bear Stearns, at Katy's direction and with Katy's consent, made numerous assumptions with respect to industry performance, general business conditions and other matters, many of which are beyond the control of Bear Stearns, Katy and Kohlberg. Any assumed estimates implicitly contained in Bear Stearns' opinion or relied upon by Bear Stearns in rendering its opinion do not necessarily reflect actual values or predict future results or values. Any estimates relating to the value of a business or securities do not purport to be appraisals or to necessarily reflect the prices at which companies or securities may actually be sold.

Bear Stearns was retained by Katy based upon its qualifications, experience and expertise. Bear Stearns is an internationally recognized investment banking firm that regularly engages in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities, private placements and valuations for estates, corporate and other purposes. In the ordinary course of business, Bear Stearns may actively trade the equity and/or debt securities of Katy for its own account and the account of its customers and, accordingly, may at any time hold a long or short position in such securities.

Pursuant to an engagement letter, Katy agreed to pay to Bear Stearns a total fee of \$900,000 payable to Bear Stearns upon its rendering of its fairness opinion to Katy's Board of Directors. In addition, Katy agreed to reimburse Bear Stearns for all reasonable out-of-pocket expenses incurred by Bear Stearns in connection with the Tender Offer and Preferred Stock Purchase including the reasonable fees of and disbursements to its legal counsel. Katy has also agreed to indemnify Bear Stearns against specific liabilities in connection with its engagement, including liabilities under the federal securities laws.

Information about Purchaser and Kohlberg

Purchaser is a Delaware limited liability company formed by Kohlberg & Co.,

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

L.L.C. for the purpose of making the proposed Preferred Stock Purchase and Tender Offer. As of the consummation of the Tender Offer and the Preferred Stock Purchase, a majority of the outstanding membership interests of Purchaser will be beneficially owned in the aggregate by Kohlberg Investors IV, L.P., Kohlberg TE Investors IV, L.P., Kohlberg Offshore Investors, IV, L.P. and Kohlberg Partners IV, L.P. (collectively referred to as the "Kohlberg Fund IV"). Kohlberg Fund IV has committed to fund Purchaser with \$60 million, to enable it to complete the Preferred Stock Purchase and Tender Offer. Kohlberg is a private merchant banking firm with offices in New York and California that manages a pool of capital of more than \$1.5 billion. Kohlberg has substantial experience in providing companies in which its affiliates invest with financial and managerial advisory services aimed at building value and improving operational, marketing and financial performance.

PROPOSAL 2--TO AUTHORIZE 600,000 SHARES OF CONVERTIBLE PREFERRED STOCK

General

On March 29, 2001, the Board of Directors approved an amendment to Katy's Restated Certificate of Incorporation, subject to the stockholder's authorization and adoption, to authorize 600,000 shares of convertible preferred stock. The terms of the convertible preferred stock are more fully described under "Terms of the Convertible Preferred Stock" on page of the Proxy Statement. The full text of the amendment is included as Annex D to this Proxy Statement.

No shares of preferred stock are currently authorized or outstanding. Katy must authorize the convertible preferred stock in order to create the convertible preferred stock and to consummate the Preferred Stock Purchase. We are asking Katy shareholders to authorize 600,000 shares of convertible preferred stock at this time (rather than just 400,000), in order to afford flexibility in the event that Katy needed to obtain additional financing through the sale of additional convertible preferred stock. Katy is not contemplating additional convertible preferred stock financing at this time.

Required Vote

Under Delaware law, an amendment to Katy's Restated Certificate of Incorporation requires the affirmative vote of the holders of a majority of Katy's outstanding stock entitled to vote at the Annual Meeting. Approval of this proposal is contingent on stockholders approving Proposal 1 (the Preferred Stock Purchase) and Proposal 3 (establishing a classified Board of Directors).

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE MATTERS SET FORTH IN PROPOSAL 2 AND BELIEVES THAT THEY ARE ADVISABLE, FAIR TO AND IN THE BEST INTERESTS OF KATY AND ITS STOCKHOLDERS AND RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF PROPOSAL 2.

PROPOSAL 3--ESTABLISHING A CLASSIFIED BOARD OF DIRECTORS

The Board of Directors has adopted a resolution proposing an amendment to Katy's Restated Certificate of Incorporation classifying the Board of Directors into two classes with staggered terms (the "Classified Board Amendment"). At present, Katy's Board of Directors consists of a single class of nine directors, all of whom are elected at each annual meeting of stockholders. The Classified Board Amendment would classify the Board of Directors into two separate classes as nearly equal in number as possible, with one class being elected each year to serve a staggered two-year term.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Members in each class would be elected at the May 23, 2001 annual meeting. Directors initially elected in Class I (C. Michael Jacobi, Robert M. Baratta, Daniel B. Carroll and Wallace E. Carroll, Jr.) would serve until the annual meeting of stockholders in 2002. Directors initially elected in Class II (Christopher Anderson, William F. Andrews, Samuel P. Frieder, James A. Kohlberg and Christopher Lacovara) would serve until the annual meeting of stockholders in 2003. Beginning with the election of directors to be held at the year 2002 annual meeting, each class of directors would be elected for a two-year term.

To preserve the classified board structure, the proposed amendment to establish a classified Board also provides that a director elected by the Board of Directors to fill a vacancy holds office until the next election of the class for which such director has been chosen, and until that director's successor has been elected and qualified or until his or her earlier resignation, removal and death.

Delaware law provides that, if a corporation has a classified board, unless the corporation's certificate of incorporation specifically provides otherwise, the directors may only be removed by the stockholders for cause. Proposal 3 does not provide for removal of directors other than for cause. Therefore, if Proposal 3 is adopted, stockholders can remove directors of Katy for cause, but not in other circumstances.

The approval of the Classified Board Amendment by Katy's stockholders is a condition to Purchaser's obligations under the Preferred Stock Purchase and Tender Offer. Unless a director is removed or resigns, two annual elections are needed to replace all of the directors on the classified Board. The Classified Board Amendment may, therefore, discourage an individual or entity other than Purchaser from acquiring a significant position in Katy's stock with the intention of obtaining immediate control of the Board of Directors.

The Classified Board Amendment is intended to assure Purchaser that its five nominees will, if the transactions close, constitute a majority of the Board for at least the next two years. It could also:

- encourage persons seeking to acquire control of Katy to initiate the acquisition through arm's-length negotiations with Katy's management and Board of Directors;
- discourage a third party from making a tender offer (or otherwise attempting to obtain control of Katy), even though such an attempt might benefit Katy and its stockholders;
- discourage accumulations of large blocks of Katy's stock and fluctuations in the market price of Katy's stock caused by accumulations (so that stockholders lose opportunities to sell their shares at temporarily higher prices);
- entrench incumbent management by discouraging a proxy contest, a holder of a substantial block of Katy's outstanding shares (other than Purchaser) assuming control of Katy, or the removal of incumbent directors or the change of control of the Board of Directors; and
- reduce the possibility that a third party could effect a sudden or surprise change in control of the Board of Directors without the support of the then incumbent Board of Directors.

At the same time, the Classified Board Amendment would ensure that the Board of Directors and management, if confronted by a surprise proposal from a third

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

party who had acquired a block of Katy's stock, would have time to review the proposal and appropriate alternatives to the proposal and possibly to attempt to negotiate a better transaction.

Moreover, the Classified Board Amendment is a condition to Purchaser completing the Preferred Stock Purchase and Tender Offer, and is an essential part of the transactions with Kohlberg, which the Board of Directors has determined are fair to and in the best interests of Katy and its stockholders. In addition, one of the benefits to Katy and its stockholders the Board of Directors expects from the Kohlberg transactions is access to Kohlberg's managerial experience and talents, and the Classified Board Amendment should help foster that access.

The complete text of the proposed amendment to Keystone's Restated Certificate of Incorporation, which includes the Classified Board Amendment, is attached as Annex D. You should read Annex D in its entirety.

Required Vote

Under Delaware law, an amendment to the Restated Certificate of Incorporation requires the affirmative vote of the holders of a majority of Katy's outstanding stock entitled to vote at the Annual Meeting. Approval of this proposal is contingent on the stockholders approving Proposal 1 (the Preferred Stock Purchase) and Proposal 2 (the authorization of the convertible preferred stock).

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE MATTERS SET FORTH IN PROPOSAL 3 AND BELIEVES THAT THEY ARE ADVISABLE, FAIR TO AND IN THE BEST INTERESTS OF KATY AND ITS STOCKHOLDERS AND RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF PROPOSAL 3.

PROPOSAL 4--ELECTION OF DIRECTORS

Nominees

Katy's business is managed under the direction of its Board of Directors. There are currently nine directors. Stockholders will elect nine directors at the Annual Meeting to serve for a one year term ending at the time of the 2002 annual meeting or, if stockholders adopt Proposals 1, 2 and 3, for the staggered terms specified below.

If stockholders approve Proposal 1, Proposal 2 and Proposal 3, the persons named in the accompanying proxy intend to vote the shares represented by the proxy for the classification of the nine nominees identified below into two classes and their election to serve as Katy directors for the terms set forth below until their successors are elected and qualified.

Nominees for Election Whose Terms Will Expire 2002 (Class I):

C. Michael Jacobi
Robert M. Baratta
Daniel B. Carroll
Wallace E. Carroll, Jr.

Nominees for Election Whose Terms Will Expire 2003 (Class II):

Christopher Anderson

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

William F. Andrews
Samuel P. Frieder
James A. Kohlberg
Christopher Lacovara

If stockholders defeat Proposal 1, Proposal 2 or Proposal 3, the persons named in the accompanying proxy intend to vote in favor of the current directors of Katy to serve for a term of one year and until their successors are elected and qualified. Accordingly, a vote against Proposal 1, Proposal 2 or Proposal 3 should be considered a vote against the above nominees and in favor of the current directors of Katy. The current directors of Katy are: William F. Andrews, Robert M. Baratta, Amelia M. Carroll, Daniel B. Carroll, Wallace E. Carroll, Jr., Arthur R. Miller, Charles W. Sahlman, Jacob Saliba and Glenn W. Turcotte.

If a nominee who has expressed an intention to serve if elected fails to stand for election, the persons named in the proxy intend to vote for a substitute nominee designated by the Board of Directors. For information concerning the nominees for director and the current directors, see "Information Concerning Directors and Executive Officers," "Security Ownership of Management" and "Security Ownership of Certain Beneficial Owners." Nominations are made in order to provide that directors are divided into two classes, as nearly equal in number as possible.

37

As described above (see "Corporate Governance" on page of the Proxy Statement), under the Purchase Agreement Purchaser has the right to nominate five directors for election at the Annual Meeting, subject to their election by the holders of common stock present in person or by proxy and voting at the Annual Meeting. Christopher Anderson, William F. Andrews, Samuel P. Frieder, James A. Kohlberg and Christopher Lacovara are the Purchaser's nominees. In addition, Purchaser has proposed C. Michael Jacobi, the prospective Chief Executive Officer if the transactions with Kohlberg are completed, to serve as director as well. It is a condition of Purchaser's obligations under the Preferred Stock Purchase and Tender Offer that stockholders elect the Purchaser's nominees at the Annual Meeting.

Christopher Anderson, Samuel P. Frieder, James A. Kohlberg and Christopher Lacovara, as well as C. Michael Jacobi, have indicated that they will not stand for election if stockholders defeat any of Proposal 1, Proposal 2 or Proposal 3. If stockholders defeat Proposal 1, Proposal 2 or Proposal 3 the persons named in the proxy intend to vote for the current directors.

If stockholders approve Proposals 1, 2 and 3, and the Kohlberg nominees and Mr. Jacobi are elected to the Board of Directors in accordance with this Proposal 4, but the Preferred Stock Purchase and Tender Offer do not close in accordance with the terms of the Purchase Agreement, the Kohlberg nominees and Mr. Jacobi have indicated that they will immediately resign from the Board of Directors. The remaining directors are expected to fill the vacancies from the other members of the current Board of Directors.

It is anticipated that Mr. Jacobi will become the Chief Executive Officer of Katy effective upon closing. While no employment contract has been entered into with Mr. Jacobi, there is a written understanding between Purchaser and Mr. Jacobi that his annual base salary would be \$500,000 with an annual bonus of up to \$200,000. In addition, Mr. Jacobi would be entitled to severance benefits providing for continuing salary payments for (i) a period of one year in the event of an involuntary termination other than for cause or (ii) for a period of two years in the event of an involuntary termination as a result of or within six months following a change in control (which is defined as (i) a sale

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

of 100% of the Company's outstanding capital stock, (ii) a sale of all or substantially all of Katy's operating assets, or (iii) a transaction or transactions in which any third party acquires a stock ownership greater than that held by Purchaser and in which persons nominated by Purchaser cease to constitute a majority of Katy's Board). As Chief Executive Officer, Mr Jacobi would also be granted options to purchase 650,000 shares of Katy's common stock which would have an exercise price of \$8.00. The options would vest ratably over three years, subject to the achievement of annual performance goals. All options would be subject to accelerated vesting in the event of a sale of Katy or a change in control (as defined above). Mr. Jacobi would also be paid a bonus of \$50,000 on commencement of employment. Purchaser intends to submit to Katy's Board for approval the employment of Mr. Jacobi, commencing on the closing of the transactions with Kohlberg, in accordance with these terms. Purchaser has conditioned its understanding with Mr. Jacobi upon approval by Katy's Board following approval of Proposals 1, 2 and 3.

Required Vote

Directors are elected by the affirmative vote of a plurality of the votes cast at the Annual Meeting.

Recommendation of The Board of Directors

THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE MATTERS SET FORTH IN PROPOSAL 4 AND BELIEVES THAT THEY ARE FAIR TO AND IN THE BEST INTEREST OF KATY AND ITS STOCKHOLDERS AND RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF PROPOSAL 4.

Information Concerning Directors and Executive Officers

The following table shows information with respect to nominees for director, current directors, and executive officers of Katy:

Nominees

The following table shows information about the nominees to Katy's Board of Directors who are not currently Katy directors. Such persons, all of whom have been proposed by Kohlberg, are the Board's nominees subject to stockholders first approving Proposal 1, Proposal 2 and Proposal 3. Kohlberg also proposed Mr. Andrews, a current Katy director. Mr. Andrews is a nominee to the Board irrespective of whether stockholders approve Proposal 1, Proposal 2 and Proposal 3. All the Kohlberg nominees have been nominated as Class II directors. In addition, Robert M. Baratta, Daniel B. Carroll and Wallace E. Carroll, Jr., each of whom are current directors, are also nominees to the Board irrespective of whether stockholders approve Proposal 1, Proposal 2 and Proposal 3. If stockholders do not approve Proposal 1, Proposal 2 and Proposal 3, the Board's nominees are the current Katy directors, information on whom is set out below under "Current Directors", and not the following nominees.

PROPOSAL 5--RATIFICATION OF THE APPOINTMENT OF ARTHUR ANDERSEN LLP AS THE INDEPENDENT AUDITORS OF KATY

The firm of Arthur Andersen LLP, independent accountants, audited Katy's financial statements for the year ended December 31, 2000. The Board of Directors has reappointed, and recommends to the stockholders the ratification of the appointment of, Arthur Andersen LLP as Katy's independent auditors for the year ending December 31, 2001. If you do not ratify the appointment, the Board of Directors may reconsider its recommendation.

A representative of Arthur Andersen LLP is expected to be available at the Annual Meeting to respond to appropriate questions and will be given the opportunity to make a statement if he or she so desires.

Audit Fees

Arthur Andersen LLP has billed Katy aggregate fees of \$217,500 for professional services rendered for the audit of Katy's annual financial statements for the fiscal year 2000 and the review of the financial statements included in Katy's Forms 10-Q filed during fiscal year 2000. Katy expects to be billed an additional \$100,000 in connection with these services.

All Other Fees

Arthur Andersen LLP has billed Katy aggregate fees of \$80,000 for all other services rendered to it during fiscal year 2000. All of these fees related to audits of employee benefit plans. The Audit Committee of the Board of Directors considered whether the provision of the services other than the audit services

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

referred to above is compatible with maintaining the auditors' independence.

Required Vote

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve this Proposal 5.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS HAS REAPPOINTED, AND RECOMMENDS A VOTE "FOR" THE RATIFICATION OF ARTHUR ANDERSEN LLP AS KATY'S INDEPENDENT AUDITORS.

INFORMATION ABOUT KATY STOCK OWNERSHIP

Outstanding Shares

The shares of common stock are the only outstanding class of Katy voting securities. As of March 19, 2001, there were 8,394,058 shares of Katy common stock outstanding and 495,975 options to acquire shares of common stock exercisable within the next 60 days.

Security Ownership of Certain Beneficial Owners

The following table and notes show, as of March 19, 2001, information on the beneficial ownership of those persons or entities (including certain members of the family of Wallace E. Carroll, former Chairman of Katy's board, since deceased (the "Carroll Family")), and related persons and entities, who are known to Katy to be the beneficial owners of more than 5% of the shares of common stock. The notes below the table describe the nature of that beneficial ownership. Unless otherwise indicated, the nature of beneficial ownership is that of sole voting power and sole investment power. In calculating percentages for a given person, shares for which such person has the right to acquire beneficial ownership within 60 days (e.g. through exercising options) are deemed to be outstanding.

Security Ownership Of Management

The following table shows, as of March 19, 2001, the number of shares of common stock that directors and certain executive officers beneficially own, and that directors and executive officers as a group own. Unless otherwise indicated, the nature of beneficial ownership is that of sole voting power and sole investment power. In calculating percentages, shares for which a person has the right to acquire beneficial ownership within 60 days (e.g. through exercising options) are deemed to be outstanding.

Change Of Control

The transactions contemplated by the Purchase Agreement may result in a change of control of Katy if Purchaser were later to exercise its right to convert the convertible preferred stock to be obtained in the Preferred Stock Purchase, because the shares of common stock issuable upon conversion of all of the convertible preferred stock, together with the shares of common stock bought by Purchaser in the Tender Offer, would represent a majority of the outstanding common stock on a fully diluted basis (exclusive of director and employee stock options). Moreover, Purchaser's designees, if elected, will represent a majority of the Board of Directors.

Section 16(A) Beneficial Ownership Reporting Compliance

Under Section 16 of the Exchange Act, Katy's directors, executive officers and persons beneficially owning more than 10% of the shares must file reports of ownership and changes in ownership with the SEC, and copies of these reports with the New York Stock Exchange and Katy. One such report, which was not filed by its due date, was filed in April 2001. Lester I. Miller, a Katy director during part of 2000, reported purchases of 30 shares of Katy common stock in 2000 as a result of reinvested dividends received from shares held in the Directors' Deferred Compensation Plan. Besides this exception, and based solely on reviewing copies of the Section 16 reports, Katy believes that, during its fiscal year ended December 31, 2000, its directors, executive officers and greater than 10% beneficial owners complied with their Section 16 filing requirements.

Termination of Employment, Change of Control and Other Arrangements

Compensation and Benefits Assurance Program

On January 17, 1996, the Board of Directors adopted and approved a compensation and benefits assurance program (the "Program") for Katy's key officers to ensure that Katy retains personnel having particular experience with and knowledge of Katy's business and affairs. As of December 31, 2000, each of the Named Executive Officers, except Glenn W. Turcotte, were participants in this program. The program provides for certain severance benefits following: (a) an involuntary termination without "cause" (as defined under the Program) in the two years after a "Change in Control" (as defined below) of Katy; or (b) a deemed constructive termination in the two years after a "Change in Control" of Katy. Katy believes that the transactions contemplated by the Purchase Agreement will not constitute a "Change of Control" under the Program unless and until the Purchaser exercises its right to convert the convertible preferred stock obtained in the Preferred Stock Purchase, or the occurrence of certain other events which include the acquisition by the Purchaser of additional shares of Katy common stock.

50

Severance benefits include: (i) either three years of base salary for John R. Prann Jr. and Arthur R. Miller or two years of base salary for Roger G. Engle, Michael H. Kane, and Stephen P. Nicholson (increased to two and two-thirds years' base salary for Mr. Nicholson under certain circumstances); (ii) a lump sum payment of annual bonuses; (iii) continuation of health care benefits; (iv) matching contributions under Katy's 401(k) savings plan (three years for Messrs. Prann and Miller; two years for Messrs. Engle, Kane, and Nicholson (increased to two and two-thirds years for Mr. Nicholson under certain circumstances)); (v) advancement of legal fees incurred in enforcing rights under the Program; (vi) out-placement assistance; and (vii) a "gross-up" payment for any excise tax payments due by the officer as a result of receiving these severance benefits. In the event of a "Change of Control," Katy is required to establish and fund a "rabbi trust" in an amount equal to the sum of the above severance benefits (not including health care benefit costs and outplacement assistance).

A "Change in Control" is generally defined as: (i) any person (except persons in control on the effective date) becoming the beneficial owner of Katy securities with at least 30% of the combined voting power of Katy's then outstanding shares; (ii) during any period of two consecutive years, individuals who, at the beginning of that period constitute the board (including any new director, whose election by Katy's stockholders was approved by a vote of at least two-thirds (2/3) of the directors then still in office at the beginning of the period or whose election or nomination for election was so approved), ceasing to constitute a majority of the board; or (iii) Katy's stockholders approving a plan of liquidation, an agreement to dispose of substantially all Katy's assets, or a merger, consolidation, or reorganization of Katy, other than a merger, consolidation, or reorganization that would result in the voting securities of Katy outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least fifty percent (50%) of the combined voting power of the voting securities of Katy (or such surviving entity) outstanding immediately after such merger, consolidation, or reorganization.

In connection with the Preferred Stock Purchase and Tender Offer, Katy currently intends to enter into severance agreements with each of Arthur R. Miller, Roger G. Engle, Michael H. Kane and Stephen P. Nicholson. These

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

severance agreements will generally provide for the substantially similar severance benefits as currently provided under the Program in the event of such individual's termination of employment except for the benefits and protections particularly suited to a "Change of Control," which include the funding of the severance benefits, the "gross up" payment for any excise taxes and the specified amount of legal fees. These severance agreements will supersede the rights of such individuals under the Program.

Other Arrangements

On December 15, 2000, as part of Katy's efforts to retain the services of certain executives following a "Change of Control" (as defined under the Katy Industries, Inc. 1997 Long Term Incentive Plan), Katy agreed to pay Roger G. Engle and Michael H. Kane a bonus in connection with a "Change of Control" which occurs on or prior to June 30, 2002 in the event that the pre-tax proceeds received by such individual in connection with such "Change of Control" from the exercise of all "in the money" options held by such individual at the time of the "Change of Control" and the disposition of shares of common stock issued pursuant to such exercise (or payment of the net value thereof in lieu of such exercise and disposition) does not equal or exceed seventy-five percent (75%) of the individual's then current base salary. The bonus would be equal to the difference between proceeds received by such individual and seventy-five (75%) percent of the individual's base salary. Purchaser has indicated that it may give these individuals the choice either to receive the payments specified above in exchange for the forfeiture of such individual's options, or to retain such options subject to the terms and conditions of the Katy stock incentive plan under which such options were granted.

In connection with his resignation as President and Chief Executive Officer as of February 19, 2001, Katy entered into a separation agreement with John R. Prann, Jr. under which he will receive a payment of \$525,000 and, if Katy enters into a definitive agreement within 180 days of March 2, 2001 that would result in a "Change of Control" of Katy (as defined in the separation agreement) and such "Change of Control" occurs within 270 days of March 2, 2001, Katy will pay Mr. Prann an additional \$1,050,000. In addition, Katy agreed to pay Mr. Prann's account balance (excluding amounts deferred under Katy's Prior Service Retirement Plan

51

(Frozen Plan)) under the Supplemental Plan (as described above), calculated based on the price of Katy's common stock at the close of business on February 16, 2001, in a single lump sum in cash on January 2, 2002. Also, subject to Mr. Prann cooperating with and assisting Katy in the transition of his duties and responsibilities through April 15, 2001, the transfer and forfeiture restrictions on the restricted stock held by Mr. Prann shall lapse on April 16, 2001. Notwithstanding Katy's belief that the transactions contemplated by the Purchase Agreement will not constitute a "Change of Control" under the Separation Agreement absent the occurrence of certain events (as described under the Program), Purchaser has indicated that it may seek additional concessions from Mr. Prann for which it would be willing to pay Mr. Prann the amount under the separation agreement which is contingent upon the signing and consummation of a "Change of Control."

In connection with his resignation as Chief Operating Officer and Executive Vice President as of June 30, 2000, Katy entered into an executive retirement agreement with Glenn W. Turcotte under which he will provide certain advisory services to Katy as a Senior Vice President and receive, in accordance with Katy's ordinary payroll policies, \$300,000 for the period from July 1, 2000 through December 31, 2000, \$100,000 per year for the period from January 1,

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

2001 through December 31, 2003 and \$50,000 per year for the period from January 1, 2004 through December 31, 2005. In addition, Mr. Turcotte agreed to be bound by customary confidentiality, non-competition and works for hire provisions. Mr. Turcotte also relinquished his rights under the Program. The executive retirement agreement generally expires on December 31, 2005.

Directors' Compensation

For 2000, directors who were not employed by Katy or its subsidiaries received: (i) an annual retainer of \$9,000 (\$15,000 for the Chairman of the Board); (ii) options to acquire 2,000 shares (see below); (iii) a stock grant of 500 shares for service on the Board of Directors; and (iv) up to \$2,000 for attending each meeting of the Board or a Board committee.

For 2001, it is expected that directors will receive the same compensation. Katy does not pay separate compensation to directors who are officers.

Under the Katy Industries, Inc. Non-Employee Director Stock Option Plan (the "Directors' Stock Option Plan"), each non-employee director receives on the date immediately following the annual meeting an annual grant of options to acquire 2,000 shares of Katy common stock. The exercise price is the fair market value on the date of grant. The director may exercise these options at any time during the ten years from the date of grant.

Directors may also participate in the Directors' Deferred Compensation Plan which became effective June 1, 1995 (the "Directors' Deferred Compensation Plan"). Under this Plan a director may defer directors' fees, retainers and other compensation paid for services as a director until the later of the director's attainment of age 62 or ceasing to be a director. Each director has 30 days before the beginning of a Plan Year (as defined in the Directors' Deferred Compensation Plan) in which to elect to participate in the Directors' Deferred Compensation Plan. Directors may invest these amounts in one or more investment alternatives offered by Katy. Directors may elect to receive distributions of deferred amounts in a lump sum or five annual installments.

Compensation Committee's Report on Executive Compensation

The Compensation Committee of the Board of Directors (the "Compensation Committee") presents the following executive compensation report for fiscal 2000:

The Compensation Committee consists of Charles W. Sahlman (Chairman), Jacob Saliba and Daniel B. Carroll. It makes decisions on executive officer compensation and reports its decisions to the board. It also seeks the board's approval on the CEO's compensation. The following summarizes the compensation practice and philosophy that was in effect at Katy for the fiscal year ended December 31, 2000. Modifications to such philosophy have and may continue to be made.

Compensation Philosophy

Katy's compensation program aims to align executive officers' economic interests with those of stockholders (including Katy's financial objectives and market performance). The Compensation Committee seeks to adjust compensation levels (through competitive base salaries and bonus payments) based on individual and Katy performance. It reviews the executive compensation program annually in view of Katy's annual strategic and financial objectives and performance.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Compensation Program Components

Annual compensation for Katy's CEO and executive officers (including the Named Executive Officers) consists of two cash compensation components: base salary and annual cash bonuses. A third component, stock options, is used for executive retention, to attract new key people, and to align the long-term interests of eligible executives with those of stockholders.

Salary and bonus levels reflect job responsibility, seniority, Compensation Committee judgments of individual effort and performance, and Katy's financial and market performance (in light of the competitive environment in which Katy operates). Annual cash compensation is also influenced by comparable companies' compensation practices so that Katy remains reasonably competitive in the market. While competitive pay practices are important, the Compensation Committee believes that the most important considerations are individual merit and Katy's financial and market performance. In considering Katy's financial and market performance, the Compensation Committee reviews, among other things, net income, cash flow, working capital and revenues and share price performance relative to comparable companies and historical performance.

The Annual Bonus Plan, effective as of January 1, 1995, compensates employees based on target bonus opportunities established by the Compensation Committee stated as a percentage of annual base salary for recommended key employees each year (including the CEO and the Named Executive Officers). An employee achieves the target bonus opportunity if [he or she/his or her division meets] 100% of pre-established performance goals. He or she can earn a higher or lower bonus if performance exceeds or falls short of targeted levels. The performance goals for 2000 were based on two financial measures for each division and for corporate: operating income and working capital management. For 2000, the performance goals set by the Compensation Committee were not satisfied and, therefore, no bonuses were earned.

The Supplemental Retirement and Deferral Plan (the "Supplemental Deferral Plan"), among other things, allows participants to voluntarily defer up to 100% of their annual bonus and up to 50% of their base salary until retirement or termination of his or her employment. The Supplemental Deferral Plan allows Katy to make a profit sharing allocation to participants' accounts of, in aggregate, 2% of adjusted pre-tax income, as determined by the Compensation Committee. For 2000, Katy did not make an allocation under the Supplemental Deferral Plan. Katy invests voluntary deferrals and profit sharing allocations at the employee's election in several investment alternatives offered by Katy.

The third compensation component is a stock option program. Under Katy's stock option program, the board is allowed to provide compensation in the form of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, performance units or shares, and other incentive awards including cash bonuses, contingent on Katy's share price reaching certain goals specified under the stock option program. The Compensation Committee believes that the stock option program optimizes Katy's growth and profitability through incentives to employees which are consistent with Katy's goals and which link employees' personal interests to those of the stockholders. The stock option program is also intended to give Katy flexibility to attract, motivate, and retain the services of employees and other individuals who contribute to its success. For 2000, no stock options were granted.

Chief Executive Officer Compensation

John R. Prann, Jr. became President in April 1993 and CEO in December 1993. Mr. Prann's salary for 2000 was based upon his experience and qualifications, responsibilities, individual effort and performance and

Katy's performance. For 2000, Mr. Prann did not receive any additional payments, awards or grants, including those based on the satisfaction of performance goals.

Summary

The Compensation Committee believes that the total compensation program for executive officers is appropriately related to individual performance and Katy's performance (including Katy's financial results and stockholder value). The Compensation Committee monitors the executive compensation of comparable companies and believes that Katy's compensation program is competitive and provides appropriate incentives for Katy's executive officers to work towards continued improvement in Katy's overall performance.

Meetings and Committees of the Board of Directors

The Board of Directors met four times during 2000. Each director then in office attended at least 75% of those meetings and of the meetings of the board committees of which he or she is a member.

Katy's By-laws provide for an Executive Committee to which the Board of Directors has assigned all powers delegable by law. The Executive Committee met informally through numerous telephone conferences at intervals between meetings of the full Board of Directors, and acted by unanimous consent without formal meetings. The Executive Committee consists of Wallace E. Carroll, Jr. (Chairman), Arthur R. Miller, Robert M. Baratta, Charles W. Sahlman and Jacob Saliba. William H. Murphy was a member of the Executive Committee prior to his death in 2000 and John R. Prann, Jr. was a member of the Executive Committee prior to his resignation as Chief Executive Officer and director in February 2001.

The Board of Directors also has an Audit Committee and a Compensation Committee. The Audit Committee consists of Daniel B. Carroll (Chairman), Wallace E. Carroll, Jr. and Jacob Saliba, each of whom is independent (as defined by Sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards). The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached as Annex E. Prior to his death in 2000, William H. Murphy was Chairman of the Audit Committee. This Committee met one time during 2000, met informally throughout the year, and held numerous telephone conferences during 2000. The Audit Committee reviews the results of the annual audit with Katy's independent auditors, reviews the scope and adequacy of Katy's internal auditing procedures and its system of internal controls, reviews Katy's financial statements and related financial issues with management and the independent auditors, and reports its findings and recommendations to the Board of Directors.

The Compensation Committee consists of Charles W. Sahlman (Chairman), Jacob Saliba and Daniel B. Carroll. This Committee, which reviews current and deferred compensation for Katy officers and for some officers and key employees of its subsidiaries, held one meeting, met informally throughout the year, and held numerous telephone conferences during 2000. It makes decisions on executive officer compensation and reports its decisions to the board. It also seeks the board's approval on the CEO's compensation.

The entire Board of Directors considers and selects nominees for directors. It does not have a separate nominating committee. On January 17, 1996, the board adopted an advance notice bylaw provision requiring stockholder nominations of directors to be received by Katy not less than 50 days nor more than 90 days before the annual meeting.

The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1, and has discussed with the independent accountants the independent accountants' independence. The Board of Directors
Katy Industries, Inc.
6300 South Syracuse Way, Suite 300
Englewood, CO 80111-6723

Ladies and Gentlemen:

We understand that Katy Industries, Inc. ("Katy") and KKTY Holding Company, L.L.C., an affiliate of Kohlberg Investors IV, L.P. ("Purchaser") will enter into a Preferred Stock Purchase and Recapitalization Agreement (the "Recapitalization Agreement") pursuant to which Purchaser will (i) commence a cash tender offer to purchase up to 2,500,000 outstanding shares of common stock of Katy (the "Common Stock") at a price of \$8.00 per share (the "Tender

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Offer") and (ii) purchase from Katy 400,000 shares (the "Preferred Stock Purchase") of newly issued preferred stock (the "Convertible Preferred Stock") at \$100 per share. We also understand that, pursuant to the Recapitalization Agreement, the terms of the Convertible Preferred Stock as set forth in the term sheet relating to the Convertible Preferred Stock (the "Preferred Term Sheet") would provide that (i) each share of the Convertible Preferred Stock would be convertible into Common Stock at a ratio of twelve and one-half shares of Common Stock per share of Convertible Preferred Stock (equivalent to \$8.00 per share of Common Stock), subject to certain adjustments, (ii) shares of the Convertible Preferred Stock would not be entitled to receive any dividends, and (iii) shares of the Convertible Preferred Stock would be non-voting, subject to certain exceptions. We further understand that certain holders of Common Stock (the "Participating Shareholders") will enter into a Stock Voting and Tender Agreement with the Purchaser (the "Voting Agreement") pursuant to which the Participating Shareholders will agree to vote certain of their shares of Common Stock with respect to certain matters relating to the Tender Offer and the Preferred Stock Purchase and other matters and to tender certain of their shares of Common Stock in the Tender Offer.

We understand that, immediately upon the consummation of the transactions contemplated by the Tender Offer and the Preferred Stock Purchase, Purchaser and its affiliates will hold approximately 29.8% of the outstanding Common Stock and at least a majority of Katy's common equity on a diluted basis, assuming conversion of the Convertible Preferred Stock. We also note certain governance arrangements contemplated by the Recapitalization Agreement, including that, upon the consummation of the transactions contemplated by the Tender Offer and the Preferred Stock Purchase, designees of Purchaser will represent a majority of the Board of Directors of Katy.

In addition, we understand that, in connection with the Tender Offer and the Preferred Stock Purchase, Purchaser will enter into senior secured credit facilities with a syndicate of lenders pursuant to the commitment letter from Bankers Trust Company to Purchaser dated March 27, 2001 (the "Commitment Letter") and that the Commitment Letter will provide that, subject to certain conditions, Katy would borrow up to \$150.0 million under these credit facilities (consisting of a term loan of up to \$40.0 million and a revolving loan of up to

[ART]

A-1

\$110.0 million) on interest rates and other terms and conditions set forth in the Commitment Letter (collectively, the "Refinancing"). We understand that, upon consummation of the Tender Offer and the Preferred Stock Purchase and the Refinancing, substantially all of the outstanding existing indebtedness of Katy would be repaid in full and the only material outstanding indebtedness of Katy immediately thereafter would be the indebtedness contemplated by the Commitment Letter and certain capital leases of Katy.

You have provided us with copies of the Recapitalization Agreement (including the Preferred Term Sheet), the Voting Agreement and the Commitment Letter, and advised us that each of them is in substantially final form.

You have asked us to render our opinion as to whether the Tender Offer and the Preferred Stock Purchase, taken as a whole, are fair, from a financial point of view, to the shareholders of Katy.

In the course of performing our review and analyses for rendering this opinion, we have:

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

- . reviewed a draft of the Recapitalization Agreement dated March 28, 2001 (including the Preferred Term Sheet);
- . reviewed a draft of the Voting Agreement dated March 28, 2001;
- . reviewed a commitment letter from Kohlberg Investors IV, L.P. to Purchaser dated March 27, 2001, relating to the Tender Offer and the Preferred Stock Purchase;
- . reviewed the Commitment Letter;
- . reviewed Katy's Annual Reports to Shareholders and Annual Reports on Form 10-K for the years ended December 31, 1998 and 1999, its Quarterly Report on Form 10-Q for the periods ended March 31, 2000, June 30, 2000 and September 30, 2000, its preliminary results for the year ended December 31, 2000, its Proxy Statement on Schedule 14A dated March 31, 2000, its Report on Form 8-K dated January 15, 1999 and its Report on Form 8-K/A dated March 22, 1999;
- . reviewed the Amended and Restated Credit Agreement dated as of December 11, 1998, among Katy, Bank of America National Trust and Savings Association, as Administrative Agent and Issuing Bank, La Salle National Bank, as Managing Agent, and the other financial institutions party thereto;

A-2

We have relied upon and assumed, without independent verification, the accuracy and completeness of the financial and other information, including

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

without limitation the projections, provided to us by Katy. With respect to Katy's projected financial results, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the senior management of Katy as to the expected future performance of Katy. We have not assumed any responsibility for the independent verification of any such information or of the projections provided to us, and we have further relied upon the assurances of the senior management of Katy that they are unaware of any facts that would make the information or projections provided to us incomplete or misleading.

In arriving at our opinion, we have taken into account, with your consent, the risks inherent in Katy's current business plans, including the view of the senior management of Katy that in the current capital markets environment there exists a risk that Katy would be unable in the future to obtain continued waivers of the defaults under its current credit facility and that Katy would be unable to obtain, on reasonable terms, financing necessary to replace its current credit facility. We have also considered that, according to the senior management of Katy, (i) no other potential investor or acquiror has made any investment or acquisition proposal to Katy since November 6, 2000 (the date of the public announcement by Katy that it was exploring its strategic alternatives, including the possible sale of Katy, and that it was in discussions with a potential purchaser relating to a possible purchase of Katy) or since March 2, 2001 (the date of the public announcement by Katy that it was engaged in discussions with a potential purchaser of a substantial equity position in Katy) and (ii) the prospects for obtaining access to additional financing in the public or private capital markets are limited.

In arriving at our opinion, we have not performed or obtained any independent appraisal of the assets or liabilities (contingent or otherwise) of Katy, nor have we been furnished with any such appraisals. In connection with our engagement, we were not requested to, and we did not, solicit third party indications of interest involving an investment in, a recapitalization of, or acquisition of all or part of, Katy. We have assumed that the Tender Offer and the Preferred Stock Purchase and the Refinancing will be consummated in a timely manner and in accordance with the terms of the Recapitalization Agreement and the Commitment Letter without any limitations, restrictions, conditions, amendments or modifications that collectively would have a material effect on Katy.

We do not express any opinion as to the price or range of prices at which the shares of common stock of Katy may trade subsequent to the announcement of the Tender Offer and the Preferred Stock Purchase and the Refinancing or as to the price or range of prices at which the shares of common stock of Katy may trade subsequent to the consummation of the Tender Offer and the Preferred Stock Purchase and the Refinancing.

In the ordinary course of business, Bear Stearns may actively trade the equity and debt securities of Katy for our own account and for the account of our customers and, accordingly, may at any time hold a long or short position in such securities.

It is understood that this letter is intended for the benefit and use of the Board of Directors of Katy and does not constitute a recommendation to the Board of Directors of Katy or any holders of Katy common stock as to how to vote their shares of common stock of Katy in connection with the Tender Offer and the Preferred Stock Purchase or whether or not to tender their shares of common stock of Katy in connection with the Tender Offer. This opinion does not address Katy's underlying business decision to pursue the Tender Offer and the Preferred Stock Purchase and the Refinancing, the relative merits of the Tender Offer and the Preferred Stock Purchase, taken as a whole, and the Refinancing, as compared to any alternative business strategies that might exist for Katy or the effects of any other transaction (including the Refinancing) in which Katy

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

might engage. This letter is not to be used for any other purpose, or be reproduced, disseminated, quoted from or referred to at any time, in whole or in part, without our prior written consent; provided, however, that this letter may be included in its entirety in any statement on Schedule 14D-9 to be distributed to the holders of shares of common stock of Katy in connection with the Tender Offer and in any proxy statement to be distributed to the holders of shares of common stock of Katy in connection with the Tender Offer and the Preferred Stock

Purchase. Our opinion is subject to the assumptions and conditions contained herein and is necessarily based on economic, market and other conditions, and the information made available to us, as of the date hereof. We assume no responsibility for updating or revising our opinion based on circumstances or events occurring after the date hereof.

Based on and subject to the foregoing, it is our opinion that, as of the date hereof, the Tender Offer and the Preferred Stock Purchase, taken as a whole, are fair, from a financial point of view, to the shareholders of, Katy.

Very truly yours,

BEAR, STEARNS & CO. INC.

NOW, THEREFORE, in consideration of the mutual agreements, provisions and covenants contained in this Agreement, the parties hereby agree as follows:

ARTICLE I

The Offer

Section 1.1. The Offer.

(a) Concurrently with the date the definitive proxy statement for the Shareholder Meeting is first mailed to Katy's shareholders (the "Offer Commencement Date"), Purchaser shall commence (within the meaning of Rule 14d-2 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) an offer to purchase (the "Offer") the Offer Shares at a price of \$8.00 per Share, net to the seller of such Offer Shares in cash (such amount, or any greater amount per Offer Share paid pursuant to the Offer, being hereinafter referred to as the "Offer Consideration"), subject to the provisions of this Agreement, provided that this Agreement shall not have been terminated pursuant to Article VII and that no fact, occurrence or circumstance shall exist which would result in a failure to satisfy any of the conditions (to the extent not waived by Purchaser) set forth in Annex I (the "Purchaser Closing Conditions"), and provided further that the Offer Shares shall in no event represent more than 29.9% of the outstanding voting securities of Katy.

The obligation of Purchaser to consummate the Offer, accept for payment and to pay for the Offer Shares validly tendered in the Offer and not withdrawn shall be expressly subject to (i) satisfaction of the Purchaser Closing Conditions (to the extent not waived by Purchaser), including, without limitation, the condition that the number of Offer Shares (up to the maximum of 2,500,000)

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

which shall have been validly tendered and not withdrawn prior to the expiration of the Offer, together with the Common Shares into which the Convertible Preferred Stock to be purchased by Purchaser are convertible, shall represent not less than a majority of the Katy Common Stock issuable and outstanding, calculated on a fully diluted basis (exclusive of outstanding Options), on the Closing Date, and (ii) pro rata acceptance for payment of Common Shares tendered as specified in Section 1.4(b) if the total number of Common Shares tendered exceeds the maximum of 2,500,000. The initial expiration date of the Offer shall be midnight, New York City time, on the later of (i) the date immediately succeeding the date of the Shareholder Meeting fixed in the definitive proxy statement and (ii) the 20th Business Day after the Offer Commencement Date; provided, however, that, subject to the requirements of applicable law, the term of the Offer shall be extended by Purchaser if so requested by Katy if the Purchaser Closing Conditions (other than the Minimum Condition, the condition set forth in paragraph (ii) of the first paragraph of Annex I and the conditions set forth in subclauses (j), (n) and (p) of Annex I) shall have been satisfied as of the date of the request, and may in any case be extended in the sole discretion of Purchaser, for a period of up to twenty (20) Business Days, provided, however, that in no event shall the Offer be extended beyond June 30, 2001. For purposes of this Agreement, the term "Business Day" shall mean any day, other than Saturday, Sunday or a United States federal holiday.

(b) [Reserved]

(c) Without the prior written consent of Katy, Purchaser shall not decrease the Offer Consideration or change the form of consideration payable in the Offer, reduce the minimum number of Offer Shares that is a condition to the Offer, increase the maximum number of Offer Shares to be purchased pursuant to the Offer, impose additional conditions to the Offer or amend any other term of the Offer in any manner adverse to Katy or to the holders of Katy Common Stock.

Purchaser and Katy each agrees promptly to correct any information provided by them for use in the Offer Documents if and to the extent that such information shall have become false or misleading in any material respect and to promptly notify in writing each other party hereto of the nature and cause of such changes. To the extent information in the Offer Documents needs to be modified or corrected pursuant to applicable law, the parties hereto agree to cooperate in good faith to make such modifications or corrections and to file and disseminate them as required by applicable law.

Section 1.3. Certain Actions.

(a) Katy hereby approves of and consents to the Offer and represents and warrants that Katy's Board of Directors (at a meeting duly called and held) has (i) determined that each of this Agreement and the transactions contemplated hereby, including the Offer and the Preferred Stock Purchase, are fair to and in the best interests of Katy and its shareholders, (ii) Unanimously approved (with all references to the term "Unanimously" being deemed to refer to actions taken by all current members of Katy's Board of Directors, except for William F. Andrews) this Agreement and the transactions contemplated hereby, including the Offer and the Preferred Stock Purchase, so that section 203 of the General Corporation Law of Delaware ("DGCL") shall not prevent any business combination (as defined in section 203 of the DGCL) between Katy and any person that becomes an interested stockholder (as defined in section 203 of DGCL) of Katy as a result of the Offer, the Preferred Stock Purchase, or any other transaction contemplated by the Agreement, (iii) Unanimously recommended that the holders of Common Shares consider acceptance of the Offer and the tender of all or part of their Common Shares pursuant to the Offer, (iv) taken all actions necessary or appropriate so that the execution of this Agreement and the consummation of the transactions contemplated hereby (including without limitation the Offer, the Preferred Stock Purchase, the conversion of the Convertible Preferred Stock and the Voting Agreement) do not and will not result in the ability of any person to exercise any rights under the Rights Agreement or enable or require the rights to separate from the Common Shares to which they are attached or to be triggered or become exercisable, (v) Unanimously nominated and recommended for election as directors of Katy the nominees designated by Purchaser (the "Purchaser Designees"), who, if elected by the shareholders, will constitute a majority of such Board of Directors, (vi) Unanimously approved and recommended that the holders of Common Shares approve and adopt an amendment to Katy's Certificate of Incorporation authorizing (A) election of directors in two classes, with staggered terms of office, and (B) 600,000 shares of Convertible Preferred Stock, on substantially the terms and conditions set forth in Exhibit C, (vii) Unanimously recommended that the holders of Common Shares approve the Preferred Stock Purchase and the issuance of Common Shares upon the conversion of the Convertible Preferred Stock in accordance with the terms of the Convertible Preferred Stock, (viii) authorized Katy to prepare and file with the SEC within five (5) Business Days after the date of this Agreement (and Katy shall use its reasonable best efforts to cause such filing within five (5) Business Days) a preliminary proxy statement with respect to the election of directors and the approvals by the holders of Common Shares referred to in clauses (vi) and (vii) at the Shareholder Meeting, directed the officers of Katy to use their reasonable best efforts to have the proxy statement cleared by the SEC under the Exchange Act, and authorized and directed the distribution of the definitive form of such proxy statement to the holders of the Common Shares and the solicitation of proxies from such holders (such definitive proxy statement, the accompanying notice of the Shareholder Meeting and the form of proxy, and any documents, instruments or other proxy materials used in the solicitation of proxies, including any documents required to be filed with the SEC as part of or incorporated by reference in such proxy materials, together with

B-3

any supplements or amendments thereto, the "Proxy Statement"), and (ix) Unanimously approved an amendment to the By-Laws of Katy reducing the number of directors constituting the whole board of Katy to nine (9).

(b) Katy hereby consents to the inclusion in the Proxy Statement (unless the Board of Directors, after consultation with outside legal counsel determines that this would be inconsistent with the directors' fiduciary duties under

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

applicable law) of the recommendation of its Board of Directors referred to in Section 1.3(a). Katy hereby agrees to use its reasonable best efforts to file with the SEC, within five (5) Business Days of the date of this Agreement, the preliminary Proxy Statement, which will contain (subject to the fiduciary duties of the Board of Directors as advised by outside legal counsel) such recommendation of the Board of Directors of Katy with respect to the election of directors, the Recapitalization and the other transactions contemplated hereby and otherwise comply with section 14(a) of the Exchange Act, the rules and regulations thereunder and other applicable law. Katy covenants that the Proxy Statement shall contain (or shall be amended in a timely manner to contain) the information which is required to be included therein in accordance with the Exchange Act and the rules and regulations thereunder and other applicable law and shall otherwise comply in all material respects with the Exchange Act and the rules and regulations thereunder and any other applicable law. Katy and Purchaser each agree promptly to correct any information provided by them for use in the Proxy Statement if and to the extent that such information shall have become false or misleading in any material respect and Katy further agrees to take all lawful action necessary to cause the Proxy Statement as so corrected to be filed promptly with the SEC and disseminated to the holders of Common Shares, in each case as and to the extent required by applicable law. Purchaser and its counsel shall be given an opportunity to review and comment upon the Proxy Statement and any amendments thereto prior to the filing thereof with the SEC. In addition, Katy agrees to provide Purchaser and its counsel in writing with any comments or other communications that Katy or its counsel may receive from time to time from the SEC or its staff with respect to the Proxy Statement promptly after the receipt of such comments or other communications.

(c) Katy hereby consents to the inclusion in the Offer Documents (unless the Board of Directors, after consultation with outside legal counsel determines that this would be inconsistent with the directors' fiduciary duties under applicable law) of the recommendation of its Board of Directors referred to in Section 1.3(a). Katy hereby agrees to file with the SEC, simultaneously with the filing by Purchaser of the Offer Documents, a Solicitation/Recommendation Statement on Schedule 14D-9 (together with all amendments and supplements thereto, the "Schedule 14D-9") which, in itself or by reference to the Offer Documents, will contain (subject to the fiduciary duties of the Board of Directors as advised by outside legal counsel) such recommendation of the Board of Directors of Katy with respect to the Offer and otherwise comply with Rule 14d-9 under the Exchange Act. Katy covenants that the Schedule 14D-9 shall contain (or shall be amended in a timely manner to contain) the information which is required to be included therein in accordance with the Exchange Act and the rules and regulations thereunder and other applicable law and shall otherwise comply in all material respects with the Exchange Act and the rules and regulations thereunder and any other applicable law. Katy and Purchaser each agree promptly to correct any information provided by them for use in the Schedule 14D-9 if and to the extent that such information shall have become false or misleading in any material respect and Katy further agrees to take all lawful action necessary to cause the Schedule 14D-9 as so corrected to be filed promptly with the SEC and disseminated to the holders of Common Shares, in each case as and to the extent required by applicable law. Purchaser and its counsel shall be given an opportunity to review and comment upon the Schedule 14D-9 and any amendments thereto prior to the filing thereof with the SEC. In addition, Katy agrees to provide Purchaser and its counsel in writing with any comments or other communications that Katy or its counsel may receive from time to time from the SEC or its staff with respect to the Schedule 14D-9 promptly after the receipt of such comments or other communications. In connection with the Offer, Katy shall (or shall cause its transfer agent to) promptly furnish Purchaser with mailing labels, security position listings and all available listings or computer files containing the names and addresses of the record holders of Common Shares as of the latest practicable date and shall furnish Purchaser with such information and assistance (including updated lists of shareholders,

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

mailing labels and lists of security positions) as Purchaser or its agents may reasonably request in communicating the Offer to the record and beneficial holders of Common Shares. Subject to the requirements of applicable law, and except for such actions as are necessary to

B-4

disseminate the Offer Documents and any other documents necessary to consummate the Offer, the Preferred Stock Purchase and the election of the directors, Purchaser shall hold in confidence the information contained in such labels and lists or other form, shall use such information only in connection with the Offer, the Preferred Stock Purchase and the election of the directors, and, if the Offer or this Agreement is terminated in accordance with its terms, shall deliver promptly to Katy (or destroy and certify to Katy the destruction of) all copies of such information then in its possession.

(d) Purchaser covenants that the Offer Documents shall contain (or shall be amended in a timely manner to contain) the information which is required to be included therein in accordance with the Exchange Act and the rules and regulations thereunder and other applicable law and shall otherwise comply in all material respects with the Exchange Act and the rules and regulations thereunder and any other applicable law. Purchaser agrees promptly to correct any information provided by it for use in the Offer Documents if and to the extent that such information shall have become false or misleading in any material respect and Purchaser further agrees to take all lawful action necessary to cause the Offer Documents as so corrected to be filed promptly with the SEC and disseminated to the holders of Katy Common Stock, in each case as and to the extent required by applicable law. Katy and its counsel shall be given an opportunity to review and comment upon the Offer Documents and any amendments thereto prior to the filing thereof with the SEC. In addition, Purchaser agrees to provide Katy and its counsel in writing with any comments or other communications that Purchaser or its counsel may receive from time to time from the SEC or its staff with respect to the Offer Documents promptly after the receipt of such comments or other communications.

Section 1.4. Payment for Offer Shares Tendered and Accepted

(a) Depository. On the Closing Date, Purchaser shall deliver (or cause to be delivered) to La Salle Bank N.A., or another bank or trust company designated by it (the "Depository"), for the benefit of the holders of Common Shares who have tendered pursuant to the Offer in accordance with this Article I, funds sufficient to make payment of the Offer Consideration payable pursuant to Section 1.1(a).

(b) Payment Procedures. Upon surrender of the certificates evidencing the Offer Shares (the "Certificates") to the Depository, together with a letter of transmittal, duly executed, and such other documents as may reasonably be requested by the Depository in accordance with the terms of the Offer, and upon the Purchaser's determination to accept the Offer Shares evidenced thereby, subject to pro rata acceptance of tendered Common Shares as set forth below, the holder of such Certificate shall be entitled to receive the Offer Consideration for each such Offer Share and the Certificate so surrendered shall forthwith be registered in the name of Purchaser. In the event of a transfer of ownership of any Offer Share which is not registered in the transfer records of Katy, cash may be paid to a person other than the person in whose name the Certificate so surrendered is registered if such Certificate shall be properly endorsed or otherwise be in proper form for transfer. In the event the Common Shares tendered pursuant to the Offer exceed 2,500,000 Common Shares and Purchaser has determined to accept the Offer Shares for payment, the Depository shall reduce the number of Common Shares accepted for payment from each holder of Common Shares so tendered on a pro rata basis, so that the

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

number of Offer Shares accepted for payment does not exceed 2,500,000.

(c) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by Purchaser, the posting by such person of a bond in such reasonable amount as the Purchaser may direct as indemnity against any claim that may be made against Purchaser or the Depository with respect to such Certificate, the Depository will issue in exchange for such lost, stolen or destroyed Certificate the Offer Consideration pursuant to this Agreement.

(d) Withholding Rights. Purchaser shall be entitled but not required to deduct and withhold, or cause the Depository to deduct and withhold, from consideration otherwise payable pursuant to this Agreement to any holder of securities such amounts as are required to be deducted and withheld with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "Code"), or any provision of state,

B-5

local or foreign tax law. To the extent that amounts are so withheld, (A) such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Certificates in respect of which such deduction and withholding was made, and (B) Purchaser shall provide, or cause the Depository to provide, to the holders of such securities written notice of the amounts so deducted or withheld.

ARTICLE II

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Katy's shareholders, no other corporate proceedings on the part of Katy or any Subsidiary are necessary to authorize this Agreement and the transactions contemplated hereby. The Board of Directors of Katy has determined that the Recapitalization is in the best interest of Katy and its shareholders. This Agreement has been duly and validly executed and delivered by Katy and, assuming this Agreement constitutes a valid and binding agreement of the other party hereto, this Agreement constitutes a valid and binding agreement of Katy, enforceable against Katy in accordance with its terms, except insofar as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally or by general equitable principles, whether applied in a proceeding at law or in equity. Except as set forth on Schedule 3.3, neither Katy nor any Subsidiary is subject to or obligated under any charter, by-law or contract provision or any license, franchise or permit, or subject to any law, order or decree, that would be breached or violated by Katy's execution or performance of this Agreement or the consummation of the transactions contemplated hereby. Other than in connection with or in compliance with the provisions of Delaware law, the Securities Act of 1933, as amended (the "Securities Act"), and the Exchange Act (collectively, the "Katy Required Approvals"), no authorization, consent or approval of, or filing with, any governmental body or authority in the United States of America is necessary for the consummation by Katy of the Recapitalization.

Section 3.4. Reports and Financial Statements.

Since January 1, 1998, Katy has timely filed all reports, registration statements and other filings, together with any amendments required to be made with respect thereto, that it has been required to file with the SEC under the Securities Act and the Exchange Act. All such reports, registration statements and other filings (including all notes, exhibits and schedules thereto and documents incorporated by reference therein) filed by Katy with the SEC, together with any amendments thereto, are collectively referred to as the "Katy SEC Reports". As of the respective dates of their filing (and, in the case of registration statements and proxy statements, on the dates of effectiveness and the dates of mailing, respectively) with the SEC, the Katy SEC Reports complied in all material respects with the Securities Act, the Exchange Act and the rules and regulations of the SEC thereunder, and did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. Each of the consolidated financial statements (including any related notes or schedules) included in the Katy SEC Reports was prepared in accordance with generally accepted accounting principles ("GAAP") applied on a consistent basis (except as may be noted therein or in the notes or schedules thereto) and complied in all material respects with the rules and regulations of the SEC, and such consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Katy Group as of the dates thereof and the results of operations, cash flows and changes in shareholders' equity for the periods then ended (subject, in the case of the unaudited interim financial statements, to normal year-end audit adjustments on a basis consistent with past periods).

The term "Inventory" shall mean inventory, raw materials, work-in-progress, finished goods, consigned goods, merchandise, products under research and development, demonstration equipment, packaging materials and other accessories related thereto which are held at, or are in transit from or to, the locations at which the business of Katy or any Subsidiary is conducted, or located at supplier's premises or customer's premises on consignment, in each case, which are used or held for use in the conduct of the business of Katy or any Subsidiary, including any of the foregoing purchased subject to any conditioned sales or title retention agreement in favor of any other person, together with all rights against suppliers of such inventories. All Accounts Receivable (net of allowances for doubtful accounts) reflected on the September 30, 2000 balance sheet attached hereto as Schedule 3.5(a) (the "Reference Balance Sheet"), and all Accounts Receivable arising subsequent to September 30, 2000 (net of allowances for doubtful accounts), (a) have arisen from bona fide sales transactions in the ordinary course of business on ordinary trade terms, (b) represent valid and binding obligations due to Katy, enforceable in accordance with their terms, and (c) have been collected or are collectible in the ordinary course of business in the aggregate recorded amounts thereof in accordance with their terms, except to the extent reserved against and except for such lack of enforceability or collectibility, individually or in the aggregate, as would not have a Material Adverse Effect on the Katy Group. Schedule 3.5(b) lists any obligor which together with all of its affiliates owed uncollected amounts to Katy or any Subsidiary in an aggregate amount of \$100,000 or more as of September 30, 2000. Section 3.14. Absence of Certain Changes or Events.

Since September 30, 2000, except as contemplated by this Agreement or except as disclosed in the Katy SEC Reports or in this Agreement (including the schedules hereto) and except as permitted pursuant to Section 5.1, Katy and the Subsidiaries have conducted their businesses only in the ordinary and usual course, and there has not been (i) any Material Adverse Effect on the Katy Group; (ii) any material change by Katy or any Subsidiary in its accounting methods, principles or practices other than as required by GAAP or applicable law; (iii) any revaluation by Katy or any Subsidiary of any of their respective assets, including, without limitation, writing down the value of inventory or writing off notes or accounts receivable other than in the ordinary course of business; (iv) any entry by Katy or any Subsidiary into any material commitment or transaction, other than in the ordinary course of business; (v) any declaration, setting aside or payment of any dividends or distributions in respect of Common Shares or any redemption, purchase or other acquisition of any of its securities or any securities of Katy or any Subsidiary, except for regular dividends not in excess of \$0.075 per Common Share per quarter; (vi) any damage, destruction or loss (whether or not covered by insurance) materially adversely affecting the properties or business of Katy or any Subsidiary; (vii) any increase in indebtedness for borrowed money other than an increase as a result of indebtedness for borrowings incurred in the ordinary course of business; (viii) any granting of a security interest in or lien on any material property or assets of Katy or any Subsidiary, other than any such security interest or lien permitted by the Amended and Restated Credit Agreement dated as of December 11, 1998 among Katy, Bank of America National Trust and Savings Association, La Salle National Bank, and the other parties named therein (including, without limitation, such security interests or liens contemplated by the definitions of "Perfection Date" and "Permitted Liens" under that Agreement); or (ix) except as disclosed in Schedule 3.14, any increase in or establishment of any bonus, insurance, severance, deferred compensation, pension, retirement, profit sharing, stock option (including, without limitation, the granting of stock options, stock appreciation rights, performance awards or restricted stock awards), stock purchase or other employee benefit plan or any other increase in the compensation payable or to become payable to any officers or key employees of Katy or any Subsidiary other than those that are required under existing contractual arrangements and other than increases in base salaries in the ordinary course of business.

(b) there are no actions, suits or proceedings pending (or, to Katy's Knowledge, threatened) against or affecting Katy or any Subsidiary, or any of their respective properties, at law or in equity, before any federal, state, local or foreign governmental body or authority.

With respect to each matter set forth on Schedule 3.15, such Schedule sets forth a summary of the subject matter together with a description of action

taken by Katy or its Subsidiaries with respect thereto.

Section 3.16. Products.

Except as set forth on Schedule 3.16, neither Katy nor any Subsidiary has experienced product recall or warranty claims in excess of 2% of the aggregate gross sales for such company in any of the past five years.

B-13

Except as set forth on Schedule 3.16, with regard to products and goods manufactured by Katy or any Subsidiary prior to the Closing Date, there is no liability with regard to the sale, purchase or consumption of such products or goods which will have a Material Adverse Effect on the Katy Group and, to Katy's Knowledge, there are no circumstances or events which are likely to give rise to such a liability.

Section 3.17. Securities Filings.

None of the information with respect to the Katy Group to be included in any of the Offer Documents, the Schedule 14D-9, the Proxy Statement or any other filings made with the SEC in connection with the Recapitalization (collectively, the "Securities Filings") contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that no representation is made hereby with respect to information supplied in writing by or on behalf of Purchaser or any of the Purchaser Designees specifically for inclusion in the Securities Filings.

Section 3.18. Tax Matters.

(a) (i) All Tax Returns required to be filed by or on behalf of Katy or any of its Subsidiaries, and each affiliated, combined, consolidated or unitary group of which Katy or any of its Subsidiaries is a member (a "Current Katy Group"), or (ii) to Katy's Knowledge, all Tax Returns required to be filed on behalf of each combined, consolidated or unitary tax group of which Katy or any of its Subsidiaries has been a member within ten years prior to the date hereof but is not currently a member, but only insofar as any such Tax Return relates to a taxable period which includes Katy or any of its Subsidiaries and which ends on a date within the last ten years (a "Past Katy Group", together with Current Katy Groups, a "Katy Affiliated Group") have been timely filed and are complete and accurate except to the extent any failure to file or any inaccuracies in such filed Tax Returns would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. All Taxes due and owing by Katy or any of its Subsidiaries, any Current Katy Group or, to Katy's Knowledge, any Past Katy Group have been accurately and timely paid, or are being contested in good faith, and appropriate reserves therefor, determined in accordance with GAAP, have been included in the financial statements referred to in Section 3.4, except to the extent any failure to pay or reserve would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. There is no audit examination, deficiency, refund litigation, proposed adjustment or matter in controversy with respect to any Taxes due and owing by Katy, any Current Katy Group or, to Katy's Knowledge, any Past Katy Group which would, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. All assessments for Taxes due and owing by Katy, any Current Katy Group or, to Katy's Knowledge, any Past Katy Group with respect to completed and settled examinations or concluded litigation have been paid. As soon as practicable after the public announcement of this Agreement, Katy will provide Purchaser with written schedules of (i) the taxable years of Katy for which the statutes of limitations with respect to federal income Taxes have not

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

expired, and (ii) with respect to federal income Taxes those years for which examinations have been completed, those years for which examinations are presently being conducted, and those years for which examinations have not yet been initiated. Katy and each Subsidiary has complied with all rules and regulations relating to the withholding of Taxes, except to the extent any such failure to comply would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group.

For purposes of this Agreement: (i) "Taxes" means any and all federal, state, local, foreign or other taxes of any kind (together with any and all interest, penalties, additions to tax and additional amounts imposed with respect thereto) imposed by any taxing authority, including, without limitation, taxes or other charges on or with respect to income, franchises, windfall or other profits, gross receipts, property, sales, use, capital stock, payroll, employment, social security, workers' compensation, unemployment compensation, or net worth, and taxes or other charges in the nature of excise, withholding, ad valorem or value added, and (ii) "Tax Return" means any return, filing, report or similar statement (including the attached schedules) required to be filed with respect to any Tax, including, without limitation, any information return, claim for refund, amended return or declaration of estimated Tax.

B-14

Section 3.19. Intellectual Property.

"Intellectual Property" means foreign and domestic patents, patent applications, designs, utility models, and all improvements and developments relating thereto, trademarks (common law and registered), trademark registration applications, service marks (common law and registered), service mark registration applications, trade names, copyrights, copyright registrations, copyright applications, domain names, domain registrations, trade secrets, know-how, and other proprietary information. Katy or a Subsidiary owns, or holds licenses or sublicenses for, or otherwise has the right to use, all of the Intellectual Property used by Katy or such Subsidiary in the conduct of its respective business as currently conducted, except where such failure to do so would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. Except as set forth on Schedule 3.19, Schedule 3.19 includes all of the owned, issued, registered, licensed or sublicensed Intellectual Property used by Katy or a Subsidiary in the conduct of their respective businesses as currently conducted, except for such Intellectual Property that is not, individually or in the aggregate, material to the Katy Group. Except as set forth on Schedule 3.19, to Katy's Knowledge, neither Katy nor any Subsidiary is currently in receipt of any written notice of infringement or written notice of conflict with the asserted Intellectual Property rights of other persons in connection with or relating to any Intellectual Property owned or held by such persons, except, in each case, for matters that would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. Except as set forth in Schedule 3.19, to Katy's Knowledge, no third party has infringed or violated the Intellectual Property as to which Katy or a Subsidiary has rights as listed on Schedule 3.19, except, in each case, for matters that would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. Except as set forth on Schedule 3.19, neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby will cause any cancellation of or material change in any material license or sublicense held by Katy or any Subsidiary in connection with any Intellectual Property.

Section 3.20. Severance Payments.

Except for the conversion of the Convertible Preferred Stock into Common

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Shares, neither Katy nor any Subsidiary will owe a severance payment, change of control payment, parachute payment or similar obligation to any of their respective employees, officers or directors as a result of the Offer, the Preferred Stock Purchase or the other transactions contemplated by this Agreement, nor will any of such persons be entitled to severance payments or other benefits (including without limitation any additional payments or benefits supplementary to their regular compensation and benefits in effect immediately prior to the date hereof) as a result of the Offer, the Preferred Stock Purchase or the other transactions contemplated by this Agreement in the event of the subsequent termination of their employment.

Section 3.21. Title to Properties.

Schedule 3.21 lists all real property owned by the Katy Group with a value of \$500,000 or more and each lease of real property to which Katy or any Subsidiary is a party with \$500,000 or more still payable. Katy and its Subsidiaries have good and marketable title to all of the assets and properties reflected in the Reference Balance Sheet as being owned by the Katy Group (other than any assets or properties (i) specified in the Reference Balance Sheet that have been sold or otherwise disposed of since September 30, 2000 in the ordinary course of business consistent with past practice or (ii) that are not, individually or in the aggregate, material to Katy) free and clear of encumbrances, security interests or liens, other than liens the existence of which is set forth in Schedule 3.21 or is specifically reflected in the Reference Balance Sheet, and other than any other encumbrances, security interests or liens that do not exceed \$100,000 in the aggregate. Katy and its Subsidiaries hold under valid lease agreements all real and personal properties reflected in the Reference Balance Sheet as being held under capitalized leases, and all real and personal property that is subject to operating leases, and enjoys peaceful and undisturbed possession of such properties under such leases, other than (i) any properties as to which such leases have expired in accordance with their terms without any liability of any party thereto since September 30, 2000 and (ii) any properties that, individually or in the aggregate, are not material to Katy. Katy and the Subsidiaries have not received any written notice of any adverse claim to the title (both fee and any leasehold) to any properties owned or leased by them, other than any claims that, individually or in the aggregate, would not have a Material Adverse Effect on the Katy Group.

B-15

Section 3.22. Licenses.

Except as set forth in Schedule 3.22, all permits, licenses and other authorizations issued by the federal government and any applicable state agencies (the "Licenses") required for the operation of the businesses of Katy and the Subsidiaries are in full force and effect, and there are no pending modifications, amendments or revocation proceedings, except for such failure to be so in effect and such modifications, amendments or proceedings as would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. All fees due and payable to governmental authorities pursuant to the rules governing the Licenses have been paid, and no event has occurred with respect to the Licenses held by Katy and the Subsidiaries which, with the giving of notice or the lapse of time or both, would constitute grounds for revocation thereof, except for any such revocation as would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. Katy and the Subsidiaries are in compliance in all material respects with the terms of their respective Licenses, as applicable (except where any such failure so to comply would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group), and there is no condition, event or occurrence existing, nor is there any proceeding being conducted of which Katy or any

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Subsidiary has received notice, nor, to Katy's Knowledge, is there any proceeding threatened by any governmental authority, which would cause the termination, suspension, cancellation or nonrenewal of any of the Licenses, or the imposition of any penalty or fine by any regulatory authority, except for such as would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group. No capital expenditures in excess of \$500,000 are anticipated or foreseen by Katy or its Subsidiaries in order to maintain compliance with any Licenses. Katy and its Subsidiaries reasonably expect that all Licenses are fully renewable, except for any such nonrenewal as would not, individually or in the aggregate, have a Material Adverse Effect on the Katy Group.

Section 3.23. Insurance.

The insurance coverage maintained by Katy and any of its Subsidiaries is reasonably adequate for the operation of the business of Katy and the Subsidiaries, and, except as set forth in Schedule 3.23, the transactions contemplated hereby will not adversely affect such coverage.

Section 3.24. Material Contracts.

Schedule 3.24 sets forth in reasonable detail a list of all written and a description of all oral contracts, agreements, leases, instruments or legally binding contractual commitments ("Contracts") that are of a type described below (collectively, the "Material Contracts"), other than Contracts set forth on Schedules 3.10, 3.13 or 3.21 and Contracts entered into after the date hereof not in violation of Section 5.1 hereof:

(iii) any Contract for the purchase or lease of goods or services (including, without limitation, equipment, materials, software, hardware, supplies, merchandise, parts or other property, assets or services) requiring aggregate future payments in excess of \$250,000, other than standard inventory purchase orders executed in the ordinary course of business;

(iv) any Contract relating to the borrowing of money or guaranty of indebtedness (other than any Contracts that do not, individually or in the aggregate, relate to the borrowing of money or guaranty of indebtedness totaling more than \$250,000);

(v) any collective bargaining or other arrangement with any labor union;

(vi) any Contract granting a first refusal, first offer or similar preferential right to purchase or acquire any of the capital stock or assets of Katy or any Subsidiary;

B-16

(vii) any Contract limiting, restricting or prohibiting Katy or any Subsidiary from conducting business anywhere in the United States or elsewhere in the world or any Contract limiting the freedom of Katy or any Subsidiary to engage in any line of business or to compete with any other person;

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

(viii) any joint venture or partnership Contract;

(ix) Contracts requiring, or reasonably likely to require, future payments of an amount greater than \$250,000; and

(x) any employment Contract, severance agreement or other similar binding agreement or policy with any employee of Katy or any Subsidiary other than any such employment contracts providing for a base salary of less than \$100,000 or any such severance agreements or other such binding agreements or policies providing for payments of less than \$100,000 in the aggregate.

Katy has made available to Purchaser a true and complete copy of each written Material Contract (and a written description of each oral Material Contract), including all amendments or other modifications thereto. Except as set forth on Schedule 3.24, each Material Contract is, assuming it is a valid and binding contract of the other parties to it, a valid and legally binding obligation of Katy or a Subsidiary, as the case may be, enforceable against such entity in accordance with its terms, except insofar as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally or by general equitable principles, whether applied in a proceeding at law or in equity. Except as set forth on Schedule 3.24, Katy has performed in all material respects obligations required to be performed by it under the Material Contracts and, as of the date of this Agreement, is not in breach or default thereunder. Except as set forth on Schedule 3.24, neither Katy nor any Subsidiary has received notice of termination with respect to any Material Contract.

Section 3.25. Rights Agreement.

Katy and the Board of Directors of Katy have taken all necessary action including, without limitation, all action required to be taken by Katy to amend the Rights Agreement with respect to all outstanding Rights issued pursuant to the Rights Agreement, if necessary, to (a) render the Rights Agreement inapplicable with respect to the Voting Agreement, the Offer, the Preferred Stock Purchase, any conversion of the Convertible Preferred Stock, this Agreement and the other transactions contemplated hereby and ensure that they thereby do not trigger Rights exercisable under the Rights Agreement, (b) ensure that (i) Purchaser shall not be deemed an Acquiring Person (as defined in the Rights Agreement) and (ii) the provisions of the Rights Agreement, including the occurrence of a Distribution Date (as defined in the Rights Agreement) or the Stock Acquisition Date (as defined in the Rights Agreement), are not and shall not be triggered by reason of the execution and delivery of this Agreement, the announcement or consummation of the Offer, the conversion of the Convertible Preferred Stock, the authorization and consummation of the Preferred Stock Purchase or the consummation of any of the other transactions contemplated by this Agreement and the Voting Agreement, and (c) ensure that Katy will have no obligations under the Rights or the Rights Agreement in connection with the Offer, the Preferred Stock Purchase and the conversion of the Convertible Preferred Stock, and the holders of Katy Common Stock will have no rights under the Rights or the Rights Agreement in connection with the Offer, the Preferred Stock Purchase and the conversion of the Convertible Preferred Stock. Katy has made available to Purchaser a complete and correct copy of the Rights Agreement as amended and supplemented to the date of this Agreement.

Representations and Warranties of Purchaser

Purchaser represents and warrants to Katy that:

Section 4.1. Organization, Qualification, Etc.

Purchaser is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and has the limited liability company power and authority to own its properties and assets and to carry on its business as it is now being conducted and is duly qualified to do business and is in good standing in each jurisdiction in which the ownership of its properties or the conduct of its business requires such qualification, except for jurisdictions in which such failure to be so qualified or to be in good standing would not, individually or in the aggregate, have a Material Adverse Effect on Purchaser. The copy of Purchaser's Certificate of Formation, which has been delivered to Katy is complete and correct and in full force and effect as of the date hereof. A complete and correct copy of the Limited Liability Company Agreement will be delivered to Katy promptly after the date hereof. Purchaser was formed solely for the purpose of engaging in the Recapitalization, and, except for obligations or liabilities and activities contemplated by this Agreement, Purchaser has, and through the closing of the Offer and the Preferred Stock Purchase shall not have, incurred any obligation or liability or engaged in any business activity of any kind.

Section 4.2. Corporate Authority Relative to this Agreement; No Violation.

Purchaser has the limited liability company power and authority to enter into this Agreement, to carry out its obligations hereunder and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by the Board of Directors of Purchaser, and no other limited liability company proceedings on the part of Purchaser are necessary to authorize this Agreement and the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Purchaser and, assuming this Agreement constitutes a valid and binding Agreement of the other party hereto, this Agreement constitutes a valid and binding agreement of Purchaser, enforceable against Purchaser in accordance with its terms, except insofar as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally, or by general equitable principles, whether applied in a proceeding at law or in equity. Purchaser is not subject to or obligated under any provision of its Certificate of Formation or Limited Liability Company Agreement or any contract provision or any license, franchise or permit, or subject to any law, order or decree, that would be breached or violated by its execution or performance of this Agreement or the consummation of the transactions contemplated hereby, except for any breaches or violations which would not, individually or in the aggregate, have a Material Adverse Effect on Purchaser. Other than in connection with or in compliance with the provisions of Delaware law, the Exchange Act and the securities or blue sky laws of the various states (collectively, the "Purchaser Required Approvals"), no authorization, consent or approval of, or filing with, any governmental body or authority in the United States of America is necessary for the consummation by Purchaser of the Recapitalization.

Section 4.3. Litigation.

There are no claims, suits, actions or proceedings pending, or, to the knowledge of Purchaser, threatened against, relating to or affecting Purchaser or any of its subsidiaries before any court, governmental department, commission, agency, instrumentality or authority or any arbitrator that seek to restrain or enjoin the consummation of the Offer or the Preferred Stock

Purchase. Neither Purchaser nor any of its subsidiaries is subject to any judgment, decree, injunction, rule or order of any court, governmental department, commission, agency, instrumentality or authority, or any arbitrator, which prohibits or restricts the consummation of the Recapitalization.

Section 4.4. Ownership of Katy Stock.

Except as contemplated by this Agreement, as of the date of this Agreement neither Purchaser nor any affiliate or associate (as such terms are defined under the Exchange Act) of Purchaser, other than William F.

Andrews, a director of Katy, beneficially owns, directly or indirectly, or is party to any agreement, arrangement or understanding with respect to acquiring, holding, voting or disposing of, any Common Shares or other capital stock of Katy.

Section 4.5. No Required Vote of Purchaser Shareholders.

No vote of the members of Purchaser is required by law or the Certificate of Formation of Purchaser or otherwise in order for Purchaser to consummate the Preferred Stock Purchase and the transactions contemplated hereby.

Section 4.6. Securities Filings.

None of the information with respect to the Purchaser to be included in any of the Offer Documents or any other filings made with the SEC in connection with the transactions contemplated by this Agreement (collectively, the "Purchaser Securities Filings") contains or will contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that no representation is made hereby with respect to information supplied in writing by Katy or any affiliate of Katy specifically for inclusion in Purchaser Securities Filings.

Section 4.7. Loan Commitments.

The Purchaser has received a letter dated March 27, 2001 from Kohlberg Investors IV, L.P. and a letter dated March 27, 2001 from Bankers Trust Company, true and complete copies of which have been provided to Katy, committing to provide to Purchaser or to Katy, upon the terms and subject to the conditions set forth in those letters, up to an aggregate of two hundred ten million dollars (\$210,000,000) in financing for the Recapitalization and for ongoing general corporate purposes of Katy. Such commitment letters are in full force and effect subject to the terms and conditions set forth therein and have not been amended or terminated as of the date of this Agreement.

Section 4.8. Purchase for Investment.

B-19

(iv) shall notify Purchaser of any emergency or other change in the normal course of any of the respective businesses of Katy and the Subsidiaries or in the operation of the respective properties of Katy and the Subsidiaries and of any complaints, investigations or hearings (or communications indicating that the same may be contemplated) of any governmental body or authority if such emergency, change, complaint, investigation or hearing would have a Material Adverse Effect on the Katy Group, except with the approval of Purchaser, such approval not to be unreasonably withheld;

(vi) shall not enter into or amend any employment, severance or similar agreements or arrangements with its respective directors or executive officers, except with the approval of Purchaser, such approval not to be unreasonably withheld;

(viii) shall not propose or adopt any amendments to its Certificate of Incorporation, By-laws or the Rights Agreement (other than the authorization of the Convertible Preferred Stock or as otherwise contemplated by this Agreement);

Option Plans), or effect any stock split or otherwise change its capitalization (other than the authorization of the Convertible Preferred Stock) as it existed on the date hereof, other than as specifically permitted by this Agreement;

(x) shall not, except as specifically permitted by this Agreement, grant, confer or award (A) any options, warrants, conversion rights or other rights, not existing on the date hereof, to acquire any Common Shares (other than in connection with the issuance of the Convertible Preferred Stock) or (B) any other awards under the Katy Stock Option Plans;

(xi) shall not purchase or redeem any Common Shares;

(xii) shall not materially amend the terms of its respective employee benefit plans, programs or arrangements or any severance or similar agreements or arrangements in existence on the date hereof, except as may be required by applicable law, or adopt any new employee benefit plans, programs or arrangements or any severance or similar agreements or arrangements except as contemplated by this Section 5.1 or Section 5.4;

(xiii) shall not enter into any collective bargaining agreement which contains terms and conditions which cause, or with the passage of time would cause, a Material Adverse Effect on the Katy Group including, without limitation, entering into any collective bargaining agreement which contains a successorship provision or any provision which requires a purchaser to assume the collective bargaining agreement;

(xiv) shall not enter into any material loan agreement except for letters of credit in the ordinary course of business;

(xv) shall not make any Tax election or settle or compromise any material Tax liability other than in the ordinary and usual course of business consistent with past practice;

(xvii) shall not grant, confer or award any monetary or non-monetary bonus;

B-20

(xviii) shall not settle, compromise or otherwise terminate any material litigation, claim or other settlement negotiation except with the approval of Purchaser, such approval not to be unreasonably withheld; and

(xix) shall not fail to maintain insurance under substantially the same terms and conditions as it currently maintains.

If Katy wishes to seek Purchaser's consent to take action otherwise prohibited by this Section 5.1, Katy shall give notice to Purchaser pursuant to Section 8.5 and Purchaser shall notify Katy within three (3) Business Days whether it will grant such consent. Failure so to notify Katy shall be deemed to be consent by Purchaser, but such consent shall not operate as a waiver of, or estoppel with respect to, any subsequent or other action Katy proposes to take that is governed by this Section 5.1.

Section 5.2. Investigation.

Subject to appropriate confidentiality agreements and reasonable notice

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

provided to Katy in advance, Katy shall, and shall cause the Subsidiaries to, afford to Purchaser and to Purchaser's officers, employees, accountants, counsel and other authorized representatives reasonable access, throughout the period prior to the earlier of the Closing Date or the Termination Date, to their respective plants, properties, contracts, commitments, books, and records (including but not limited to Tax Returns) and any report, schedule or other document filed or received pursuant to the requirements of federal or state securities laws and shall use its reasonable best efforts to cause their respective representatives to furnish promptly to one another such additional financial and operating data and other information as Purchaser or its duly authorized representatives may from time to time reasonably request, subject to compliance with third party confidentiality obligations and as may be required to maintain any material attorney-client privilege. The terms and conditions of the Confidentiality Agreement, dated October 10, 2000, between Katy and Kohlberg & Company, LLC (the "Confidentiality Agreement") shall apply to information obtained pursuant to this Section 5.2 with references to Kohlberg & Company, LLC being deemed to be references to Purchaser.

Section 5.3. Cooperation.

Katy and Purchaser shall together, or pursuant to an allocation of responsibility to be agreed upon between them:

(a) prepare and file with the SEC as soon as is reasonably practicable a proxy statement, and shall use their reasonable best efforts to have the proxy statement cleared by the SEC under the Exchange Act;

(b) as soon as is reasonably practicable take all such action as may be required under state blue sky or federal or state securities laws in connection with the transactions contemplated by this Agreement; and

(c) cooperate with one another in order to lift any injunctions or remove any other impediment to the consummation of the transactions contemplated herein.

Section 5.4. Employee Benefit Plans

Subject to applicable law and obligations under collective bargaining agreements, for a period of not less than twelve months immediately following the Closing Date, the compensation, benefits and coverage provided to those individuals who continue to be employees of Katy or its Subsidiaries (the "Continuing Katy Employees") pursuant to employee benefit plans or arrangements maintained by Katy or its Subsidiaries shall be substantially comparable in the aggregate to those provided to such employees immediately prior to the Closing Date (it being understood that, after the Closing Date, (i) Options need not be granted under any Katy Benefit Plan, (ii) Katy and its Subsidiaries may enforce the employment agreements by which Katy or any Subsidiary is a party in accordance with their respective terms, including, without limitation, any right to amend, modify, suspend, revoke or terminate such employment agreements, and (iii) this Section 5.4 shall not give any employee a right to continued employment with Katy or its Subsidiaries). Notwithstanding the foregoing (i) any Katy Benefit Plan that provides as of the date hereof for a continuation period longer than

B-21

twelve months shall be honored by Katy or any of its Subsidiaries; and (ii) Purchaser and Katy shall use their reasonable best efforts to implement the adjustments to the employment arrangements reflected in the management term sheet agreed to between the parties prior to the date hereof, effective as of the Closing.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Section 5.5. Filings; Other Action.

Subject to the terms and conditions provided herein and subject to the fiduciary duties of the directors of Katy (as determined by such directors in good faith after consultation with counsel), Katy and Purchaser shall use reasonable efforts to (i) cooperate with one another in (A) determining whether any filings are required to be made with, or consents, permits, authorizations or approvals are required to be obtained from, any third party, the United States government or any agencies, departments or instrumentalities thereof or other governmental or regulatory bodies or authorities of federal, state, local and foreign jurisdictions in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby and (B) timely making all such filings and timely seeking all such consents, permits, authorizations or approvals, and (ii) take, or cause to be taken all other actions and do, or cause to be done, all other things necessary, proper or advisable to consummate and make effective the transactions contemplated hereby, including, without limitation, taking all such further action as reasonably may be necessary to resolve such objections, if any, as the Federal Trade Commission, the Antitrust Division of the Department of Justice, state antitrust enforcement authorities or competition authorities of any other nation or other jurisdiction or any other person may assert under relevant antitrust or competition laws with respect to the transactions contemplated hereby.

Section 5.6. [Reserved].

Section 5.7. Anti-takeover Statute.

If any "fair price", "moratorium", "control share acquisition" or other form of anti-takeover statute or regulation shall become applicable to the transactions contemplated hereby, each of Katy and Purchaser and the members of their respective Boards of Directors shall grant such approvals and take such actions as are reasonably necessary so that the transactions contemplated hereby may be consummated as promptly as practicable on the terms contemplated hereby and otherwise act to eliminate or minimize the effects of such statute or regulation on the transactions contemplated hereby.

Section 5.8. No Solicitation by Katy.

(a) Katy shall not, nor shall it permit any of the Subsidiaries to, nor shall it authorize or permit any of its directors, officers or employees or any investment banker, financial advisor, attorney, accountant or other representative retained by it or any of its Subsidiaries to, directly or indirectly through another person, (i) solicit, initiate or encourage (including, without limitation, by way of furnishing information or by taking any action which would make the Rights Agreement inapplicable to any Katy Takeover Proposal (as defined below) other than the Offer and the Preferred Stock Purchase), or take any other action designed to facilitate, any inquiries or the making of any proposal which constitutes any Katy Takeover Proposal or (ii) participate in any discussions or negotiations regarding any Katy Takeover Proposal, in each case without the prior written consent of the Purchaser; provided that prior to the acceptance for payment of Offer Shares pursuant to the Offer, in response to an unsolicited Katy Takeover Proposal that did not result from the breach of this Section 5.8, following delivery to Purchaser of notice of the Katy Takeover Proposal in compliance with its obligations under Section 5.8(c) hereof, Katy may participate in discussions or negotiations with or furnish information (pursuant to a confidentiality agreement with customary terms) to any third party which makes a bona fide written Katy Takeover Proposal if (A) a majority of Katy's Board of Directors determines in good faith (after consultation with an independent, nationally recognized investment bank) that taking such action would be reasonably likely to lead to the

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

delivery to Katy of a Superior Proposal and (B) a majority of Katy's Board of Directors determines in good faith (after consultation with outside legal counsel) that failure to take such actions would not be consistent with the fiduciary duties of the directors under applicable law. For purposes of this Agreement, "Katy Takeover Proposal" means any inquiry, proposal or offer from any person relating to

B-22

any direct or indirect acquisition or purchase of a business that constitutes 25% or more of the net revenues, net income or assets of Katy and its Subsidiaries, taken as a whole, or 25% or more of any class of equity securities of Katy (other than purchases made without the prior authorization or approval of Katy), any tender offer or exchange offer that if consummated would result in any person beneficially owning 25% or more of any class of equity securities of Katy, or any merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving Katy, other than the Recapitalization. "Superior Proposal" means a bona fide written Katy Takeover Proposal made by a third party to purchase or otherwise acquire more than 50% of the outstanding equity securities of Katy pursuant to a tender offer, exchange offer, merger, recapitalization or other business combination or similar transaction on terms which a majority of Katy's Board of Directors determines in good faith (after consultation with an independent, nationally recognized investment bank) to be superior to Katy's shareholders (in their capacity as shareholders) from a financial point of view (taking into account, among other things, the length of time necessary to complete the proposed transaction, the risk of non-completion, all legal, financial, regulatory and other aspects of the proposal, and the identity of the offeror) as compared to the transactions contemplated hereby (including any alternative proposed by Purchaser pursuant to Section 7.1(h) in response to such Katy Takeover Proposal), which is reasonably capable of being consummated.

(b) Neither the Board of Directors of Katy nor any committee thereof shall (i) withdraw or modify, or propose publicly to withdraw or modify, in a manner adverse to Purchaser, the approval or recommendation by such Board of Directors or such committee of or with respect to the Offer, the Preferred Stock Purchase or this Agreement, (ii) approve or recommend, or propose publicly to approve or recommend, any Katy Takeover Proposal, or (iii) cause Katy to enter into any letter of intent, agreement in principle, acquisition agreement or other similar agreement (each, a "Katy Acquisition Agreement") related to any Katy Takeover Proposal. Nothing in the foregoing sentence shall prevent Katy, its Board of Directors, or a committee, from (A) complying with the requirements of rule 14e-2 and rule 14d-9 under the Exchange Act, (B) making such disclosure to stockholders or otherwise which the Board of Directors after consultation with counsel, concludes is necessary under applicable law or the rules of the New York Stock Exchange or (C) withdrawing or modifying an approval or recommendation of or with respect to the Offer, the Preferred Stock Purchase or this Agreement, or approving or recommending a Katy Takeover Proposal from a third party or causing Katy to enter into a Katy Acquisition Agreement, if the Board of Directors of Katy after consultation with outside legal counsel, determines that not doing so would not be consistent with the fiduciary obligations of the directors under applicable law.

(c) In addition to the obligations of Katy set forth in paragraphs (a) and (b) of this Section 5.8, Katy shall promptly advise Purchaser orally and in writing of any request for information or of any Katy Takeover Proposal, the material terms and conditions of such request or Katy Takeover Proposal and the identity of the person making such request or Katy Takeover Proposal. Katy will keep Purchaser reasonably informed of the status and details (including amendments or proposed amendments) of any such request or Katy Takeover Proposal on a daily basis or more frequently as may be reasonably requested by

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Purchaser.

Section 5.9. Rights Agreement.

Katy shall not, unless required to do so by a court of competent jurisdiction, (i) redeem the Rights, (ii) amend (other than to delay the Distribution Date and the Stock Acquisition Date (as such terms are defined therein) or as required to comply with Section 1.3(a)(iv) hereof) or terminate the Rights Agreement prior to the Closing Date without the consent of Purchaser, or (iii) take any action which would allow any Person (as such term is defined in the Rights Agreement) other than Purchaser and the Agreement Shareholders to be the Beneficial Owner (as such term is defined in the Rights Agreement) of 15% or more of the Katy Common Stock without causing a Distribution Date (as such term is defined in the Rights Agreement) or a Triggering Event (as such term is defined in the Rights Agreement) to occur.

Section 5.10. Public Announcements.

Except as may be required by applicable law, no party hereto shall make any public announcements or otherwise communicate with any news media or any other party with respect to this Agreement or any of the

B-23

transactions contemplated hereby without prior consultation with the other party as to the timing and contents of any such announcement or communications; provided, however, that nothing contained herein shall prevent any party from (i) promptly making all filings with governmental authorities or disclosures by the stock exchange on which such party's capital stock is listed, as may, in its judgment, be required or advisable in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby or (ii) disclosing the terms of this Agreement to such party's legal counsel, financial advisors or accountants in furtherance of the Recapitalization.

Section 5.11. Indemnification of Directors and Officers.

(a) Purchaser agrees that the indemnification obligations set forth in Katy's Certificate of Incorporation or By-laws, in each case as of the date of this Agreement, shall survive the consummation of the Recapitalization and shall not be amended, repealed or otherwise modified for a period of six years after the Closing Date in any manner that would adversely affect the rights thereunder of the individuals who on or prior to the Closing Date were directors, officers, employees or agents of Katy or its Subsidiaries.

(b) For six years from the Closing Date, Purchaser agrees that Katy will provide to the directors and officers of Katy as of the date of this Agreement liability insurance protection of the same kind and scope as that provided by Katy's directors' and officers' liability insurance policies (copies of which have been made available to Purchaser), with respect to claims arising from facts or events that occurred prior to the Closing Date; provided, however, that in no event shall Katy be required to expend more than 200% of the amount currently expended by Katy (the "Insurance Amount") to maintain or procure its current directors and officers liability insurance coverage; provided, further, that if Katy is unable to maintain or obtain the insurance called for by this Section 5.11, Katy shall use its best efforts to obtain as much comparable insurance as available for the Insurance Amount.

(c) In the event Purchaser or Katy or any of their respective successors or assigns (i) consolidates with or merges into any other person or shall not be the continuing or surviving corporation or entity in such consolidation or

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

merger or (ii) transfers all or substantially all its properties and assets to any person, then, and in each case, proper provision shall be made so that the successors and assigns of Purchaser or Katy, as the case may be, honor the indemnification obligations set forth in this Section 5.11.

(d) Purchaser agrees that the obligations of Katy under this Section 5.11 shall not be terminated or modified in such a manner as to adversely affect any director, officer, employee, agent or other person to whom this Section 5.11 applies without the consent of such affected director, officer, employee, agent or other person (it being expressly agreed that each such director, officer, employee, agent or other person to whom this Section 5.11 applies shall be third-party beneficiaries of this Section 5.11).

Section 5.12. Additional Reports.

Katy shall furnish to Purchaser copies of any reports of the type referred to in Section 3.4 which it files with the SEC on or after the date hereof. Katy represents and warrants that as of the respective dates thereof, such reports will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statement therein, in light of the circumstances under which they were made, not misleading. Any unaudited consolidated interim financial statements included in such reports (including any related notes and schedules) will fairly present the financial position of Katy as of the dates thereof and the results of operations and changes in financial position or other information included therein for the periods or as of the date then ended (subject, where appropriate, to normal year-end adjustments), in each case in accordance with past practice and GAAP consistently applied during the periods involved (except as otherwise disclosed in the notes thereto).

Section 5.13. Update Disclosure; Breaches.

From and after the date of this Agreement until the Closing Date, each party hereto shall promptly notify the other party hereto in writing of (i) the occurrence, or non-occurrence, of any event that would be likely to

B-24

cause any condition to the obligations of any party to effect the Offer, the Preferred Stock Purchase and the other transactions contemplated by this Agreement not to be satisfied, or (ii) the failure of Katy or Purchaser, as the case may be, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it pursuant to this Agreement which would be likely to result in any condition to the obligations of any party to effect the Offer, the Preferred Stock Purchase and the other transactions contemplated by this Agreement not to be satisfied; provided, however, that the delivery of any notice pursuant to this Section 5.13 shall not cure any breach of any representations or warranty requiring disclosure of such matter prior to the date of this Agreement or otherwise limit or affect the remedies available hereunder to the party receiving such notice.

Section 5.14. Corporate Governance.

(a) Purchaser shall have the right to nominate for election at the Shareholder Meeting, and, so long as Purchaser owns Convertible Preferred Stock, at any subsequent annual or special meeting of the shareholders of Katy at which an election for members of Katy's Board of Directors is held, a number of Purchaser Designees such that, after the election, Purchaser Designees represent a simple majority of Katy's Board of Directors, subject to approval by a vote of a majority of the holders of Common Shares present in person or by proxy and voting at such meeting.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

(b) All directors elected at the Shareholder Meeting shall be classified, with respect to the time for which they severally hold office, into two classes, one class comprising the four (4) directors who are not Purchaser Designees to be initially elected for a one-year term expiring at the annual meeting of Katy's shareholders to be held in 2002, and a second class comprising the five (5) Purchaser Designees to be elected initially for a two-year term expiring at the annual meeting of Katy's shareholders to be held in 2003, with the directors in each class to hold office until their respective successors are duly elected and qualified. At each succeeding annual meeting of Katy's shareholders, directors elected to succeed those directors whose terms then expire shall be elected for a term of office to expire at the second succeeding annual meeting of shareholders after such election. Katy shall amend its By-Laws to reduce the number of directors constituting the whole board of Katy to nine (9) and, so long as Purchaser owns Convertible Preferred Stock, shall not subsequently increase the size of its Board of Directors, unless at the time of such increase Purchaser has been afforded the opportunity to nominate the number of additional directors necessary, together with incumbent directors nominated by Purchaser, to constitute a simple majority of Katy's Board of Directors.

(c) Purchaser shall not, directly or indirectly (including through any Person who is an "affiliate" of Purchaser within the meaning of Rule 405 under the Securities Act ("Purchaser Affiliate")), in any transaction or series of related transactions, sell, transfer or otherwise dispose of more than 20% of the Katy Common Stock (on a fully diluted basis, including for such purpose the Common Shares issuable upon the conversion of Convertible Preferred Stock), unless all holders of Katy Common Stock other than Purchaser and any Purchaser Affiliate (the "Other Holders") have the right to participate in such sale, transfer or other disposition on the same terms and conditions and for the same consideration per Common Share or Common Share equivalent on a pro rata basis. In connection with any merger, consolidation or other business combination involving Katy in which Katy is not the surviving corporation, the Other Holders shall receive the same consideration per Common Share or Common Share equivalent as that received by Purchaser.

(d) All fees paid by Katy to Purchaser or to any Purchaser Affiliate and any transactions between Katy and Purchaser or any Purchaser Affiliate shall be subject to approval of the members of Katy's Board of Directors who are not Purchaser Designees or Purchaser Affiliates (the "Other Directors").

(e) Prior to the Closing, the By-Laws of Katy shall be amended to reflect the restrictions set forth in paragraphs (b) through (d) of this Section 5.14 and to require that any amendment to the By-Laws of Katy modifying the terms set forth in paragraphs (a) through (d) of this Section 5.14 shall be subject to approval by a majority of the Other Directors and by a majority of the Other Holders.

B-25

Section 5.15. Registration Rights.

Purchaser shall have registration rights with respect to the Common Shares purchased pursuant to the Offer and the Common Shares issued upon conversion of the Convertible Preferred Stock (collectively, the "Registrable Securities") on the terms and conditions set forth in Annex II.

ARTICLE VI

Conditions to Closing

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Section 6.1. Conditions to Each Party's Obligation to Close.

The respective obligations of each party to consummate the Recapitalization shall be subject to the fulfillment on or prior to the Closing Date of the following conditions:

(a) No statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or enforced by any court or other tribunal or governmental body or authority which prohibits the consummation of the Recapitalization substantially on the terms contemplated hereby. In the event any order, decree or injunction shall have been issued, each party shall use its reasonable efforts to remove any such order, decree or injunction.

(b) All Katy Required Approvals and Purchaser Required Approvals shall have been obtained, except where the failure to obtain such other Katy Required Approvals and Purchaser Required Approvals would not have a Material Adverse Effect on the Katy Group or Purchaser, as the case may be.

Section 6.2. Conditions to Obligations of Katy to Close.

The obligation of Katy to consummate the Recapitalization is further subject to the conditions that (a) the representations and warranties of Purchaser contained herein shall be true and correct as of the Closing Date with the same effect as though made as of the Closing Date except (i) for changes specifically permitted by the terms of this Agreement, (ii) for the accuracy of representations and warranties that by their terms speak as of the date of this Agreement or some other date, which will be determined as of such date and (iii) where any such failure of the representations and warranties in the aggregate to be true and correct in all respects would not have a Material Adverse Effect on Purchaser or on the Katy Group, (b) Purchaser shall have performed in all material respects all obligations and complied with all covenants required by this Agreement to be performed or complied with by it prior to the Closing Date, (c) Purchaser shall have delivered to Katy the Preferred Purchase Price for the Convertible Preferred Stock as set forth in Section 2.1, (d) Purchaser shall have delivered to Katy a certificate, dated the Closing Date and signed by an executive officer, certifying to the effects set forth in clauses (a) and (b) above and (e) Purchaser's counsel shall have delivered to Katy a legal opinion in the form set forth on Schedule 6.2.

ARTICLE VII

Termination, Waiver, Amendment and Closing

Section 7.1. Termination or Abandonment.

Notwithstanding anything contained in this Agreement to the contrary, this Agreement may be terminated and abandoned at any time prior to the Closing Date, whether before or after any approval of the matters presented in connection with the Recapitalization by the shareholders of Katy:

(a) by the mutual written consent of Katy and Purchaser;

(b) by either Katy or Purchaser if the Closing Date shall not have occurred on or before June 30, 2001; provided, that the party seeking to terminate this Agreement pursuant to this Section 7.1(b) shall not have breached in any material respect its obligations under this Agreement in any manner that shall have substantially contributed to the failure to consummate the Recapitalization on or before such date;

(c) by either Katy or Purchaser if (i) a statute, rule, regulation or executive order shall have been enacted, entered or promulgated prohibiting the consummation of the Recapitalization substantially on the terms contemplated hereby or (ii) an order, decree, ruling or injunction shall have been entered permanently restraining, enjoining or otherwise prohibiting the consummation of the Recapitalization substantially on the terms contemplated hereby and such order, decree, ruling or injunction shall have become final and non-appealable; provided that the party seeking to terminate this Agreement pursuant to this clause (ii) of Section 7.1(c) shall have used its reasonable best efforts to remove such order, decree, ruling or injunction;

(d) by Purchaser if the Purchaser Closing Conditions are not satisfied on or prior to the Closing Date;

(e) [reserved];

(f) by Katy, if Purchaser shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform (i) would give rise to the failure of a condition set forth in Section 6.2(a) or (b), and (ii) is incapable of being cured by Purchaser or is not cured within 30 days of notice of such breach or failure;

(g) by Purchaser, if Katy shall have breached or failed to perform, or shall have failed to cause any Subsidiary to perform, in any material respect any of

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

its representations, warranties, covenants or other agreements contained in this Agreement, which breach or failure to perform (i) would give rise to the failure of a condition set forth in Section 6.3(a), and (ii) is incapable of being cured by Katy or is not cured within 30 days of notice of such breach or failure;

(h) by Katy, if at any time prior to the Closing Date, a Superior Proposal is received by Katy and Katy's Board of Directors determines in good faith (after consultation with outside legal counsel) that failure to terminate this Agreement and enter into an agreement to effect the Superior Proposal would be inconsistent

B-27

with its fiduciary duties under applicable law; provided that Katy may not terminate this Agreement pursuant to this Section 7.1(h) unless and until (i) three (3) Business Days have elapsed following delivery to Purchaser of a written notice of such good faith determination by Katy's Board of Directors and during such three (3) Business Day period Katy has fully cooperated with Purchaser, including without limitation, informing Purchaser of the terms and conditions of such Superior Proposal, and the identity of the person making such Superior Proposal, with the intent of enabling both parties to agree to a modification of the terms and conditions of this Agreement so that the transactions contemplated hereby may be effected; (ii) at the end of such three (3) Business Day period the Katy Takeover Proposal continues to constitute a Superior Proposal and Katy's Board of Directors confirms its good faith determination (after consultation with outside legal counsel) that failure to terminate this Agreement and enter into an agreement to effect the Superior Proposal would be inconsistent with its fiduciary duties under applicable law; and (iii) (A) at or prior to such termination, Purchaser has received payment of any amounts required by Section 7.2 to be paid at or prior to termination, but only if and when such amounts are payable under Section 7.2, by wire transfer in same day funds, and (B) as soon as practicable following such termination Katy enters into a definitive acquisition, merger or similar agreement to effect the Superior Proposal.

(i) Except as provided in Sections 7.2 and 8.2 hereof, in the event of the termination of this Agreement pursuant to Section 7.1, this Agreement shall forthwith become void, there shall be no liability on the part of Purchaser or Katy or any of their respective officers or directors to the other and all rights and obligations of any party hereto shall cease, except that nothing herein shall relieve any party from liability for any misrepresentation or breach of any covenant or agreement under this Agreement or from the confidentiality obligations in Section 5.2 hereof.

Section 7.2. Termination Fee.

(a) If this Agreement is terminated by Purchaser or Katy, as the case may be, pursuant to Sections 7.1(b), 7.1(c), 7.1(d) or 7.1(g), or by Katy pursuant to Section 7.1(h), then Katy shall promptly reimburse Purchaser for Purchaser's documented expenses (including, without limitation, fees and expenses of or associated with Purchaser's lenders and their counsel in this transaction) up to \$1,000,000, payable by wire transfer of same day funds within five Business Days of the receipt by Katy of a statement itemizing and reasonably documenting such expenses.

(b) In the event that a Katy Takeover Proposal shall have been made known to Katy or has been made directly to its shareholders generally or any person shall have publicly announced an intention (whether or not conditional) to make a Katy Takeover Proposal and thereafter this Agreement is terminated by either Purchaser or Katy pursuant to Sections 7.1(d) (insofar as it relates to failure

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

to satisfy the Minimum Condition, the conditions set forth in clauses (ii) or (iii) of the first paragraph of Annex I, or any one or more of the conditions set forth in clause (b), (c), (d), (g), (h), (i), (j), (k), (m), (n), (o), (p), (q) or (r) as the case may be, of Annex I), 7.1(g) or 7.1(h), then Katy shall promptly pay Purchaser a fee equal to \$2,000,000 (the "Termination Fee") payable by wire transfer of same day funds; provided, however, that no Termination Fee shall be payable to Purchaser pursuant to this Section 7.2 unless and until within 12 months of such termination, Katy or any of its Subsidiaries enters into any Katy Acquisition Agreement or a Katy Takeover Proposal is made, and, within 18 months of such termination, Katy or any of its Subsidiaries consummates any Katy Takeover Proposal (for the purposes of the foregoing proviso the terms "Katy Acquisition Agreement" and "Katy Takeover Proposal" shall have the meanings assigned to such terms in Section 5.8, except that the references to 25% in the definition of "Katy Takeover Proposal" in Section 5.8(a) shall be deemed to be references to 40%, in which event the Termination Fee shall be payable within two Business Days of the consummation of the Katy Takeover Proposal). Katy acknowledges that the agreements contained in this Section 7.2 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Purchaser would not enter into this Agreement; accordingly, if Katy fails promptly to pay the amount due pursuant to this Section 7.2, and, in order to obtain such payment, Purchaser commences a suit which results in a judgment against Katy for the fee set forth in this Section 7.2, Katy shall pay to Purchaser its costs and expenses (including reasonable attorneys' fees and expenses) in connection with such suit, together with interest on the amount of the fee at the prime rate of Citibank N.A. in effect on the date such payment was required to be made.

B-28

Section 7.3. Approval of Board of Directors Required.

Subject to Sections 5.11 and 5.14, the approval of the Board of Directors of Katy shall be required for any amendment or modification of the Agreement, any waiver of any condition to the obligations of Katy under this Agreement, any waiver of any of Katy's rights under this Agreement, any consent by Katy to a reduction in the Minimum Condition to the Offer or to the imposition of additional conditions to the Offer, any amendment to the Offer that is in any manner adverse to Katy or holders of Common Shares and any extension by Katy of the time for performance of any acts by Purchaser under this Agreement.

ARTICLE VIII

Miscellaneous

Section 8.1. Non-Survival of Representations and Warranties; Specific Enforcement; Limitation.

None of the representations and warranties in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Closing Date. The parties agree that an award of money damages would be inadequate for any breach of this Agreement by any party and that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity. In the event that any party to this Agreement should be entitled to damages for breach of any representation, warranty or covenant, the parties hereby agree that the party alleging any such breach shall be entitled to damages only to the extent that such breach (without regard to any materiality exceptions or provisions in such

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

representation or warranty) is determined, individually or in the aggregate, to have or to have had a Material Adverse Effect on the Katy Group or Purchaser, as the case may be.

Section 8.2. Expenses.

Except as set forth in Section 7.1 and 7.2, whether or not the Recapitalization is consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses, except that (a) the expenses incurred in connection with the printing and mailing of the Offer shall be shared equally by Katy and Purchaser and (b) all transfer taxes shall be paid by Katy.

Section 8.3. Counterparts; Effectiveness.

This Agreement may be executed in two or more consecutive counterparts, each of which shall be an original, with the same effect as if the signatures thereto were upon the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties and delivered (by telecopy or otherwise) to the other party.

Section 8.4. Governing Law.

This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without regard to the principles of conflicts of laws thereof.

Section 8.5. Notices.

All notices and other communications hereunder shall be in writing (including telecopy or similar writing) and shall be effective (a) if given by telecopy, when such telecopy is transmitted to the telecopy number specified in this Section 8.5 and the appropriate telecopy confirmation is received or (b) if given by any other means, when delivered at the address specified in this Section 8.5:

Subject to the preceding sentence, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

Section 8.7. Severability.

Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the terms and provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

Section 8.8. Miscellaneous.

This Agreement (including, for the avoidance of doubt, the exhibits and annexes to it):

(a) and the disclosure schedules to this Agreement, and the Confidentiality Agreement constitute the entire agreement, and supersede all other prior agreements and understandings, both written and oral, between the parties or their affiliates with respect to the subject matter hereof and thereof; and

Section 8.9. Headings.

Headings of the Articles and Sections of this Agreement are for convenience of the parties only, and shall be given no substantive or interpretive effect whatsoever.

Section 8.10. Finders or Brokers.

Except for the engagement of Bear, Stearns & Co. Inc. by Katy pursuant to the Agreement dated January 8, 2001, previously provided to Purchaser, neither Katy nor any of its Subsidiaries, nor Purchaser, has employed any investment banker, broker, finder or intermediary in connection with the transactions

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

contemplated hereby who might be entitled to any fee or any commission in connection with or upon consummation of the Recapitalization payable by Katy or any of its Subsidiaries or Purchaser, as the case may be.

Section 8.11. Amendment.

This Agreement may be amended by the parties hereto by action taken by or on behalf of their respective Boards of Directors at any time prior to the Closing Date; provided, however, that no amendment may be made which would reduce the amount or change the type of consideration offered for each Offer Share pursuant to this Agreement upon consummation of the Recapitalization. This Agreement may not be amended except by an instrument in writing signed by the parties hereto.

Section 8.12. Waiver.

Subject to Section 7.3, at any time prior to the Closing Date, the parties hereto may (a) extend the time for the performance of any of the obligations or other acts of the other party hereto, (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered pursuant hereto and (c) waive compliance by the other party with any of the agreements or conditions contained herein; provided, however, that after the approval of shareholders of Katy of the Recapitalization is obtained, there may not be, without further approval of such shareholders, any extension or waiver of this Agreement or any portion thereof which reduces the amount or changes the form of the consideration to be delivered to the holders of Offer Shares hereunder other than as contemplated by this Agreement. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

ANNEX II

REGISTRATION RIGHTS

(a) In connection with any conversion of the Convertible Preferred Stock into Common Shares, the holders (the "Converting Holders") of any Registrable Securities shall have the right to request that Katy file a registration statement (on Form S-3 ("Form S-3"), if available to Katy at the time) pursuant to the Securities Act (the "Registration Statement"), provided that the Converting Holders shall not be entitled to demand a registration on more than three (3) occasions. Katy shall (i) within 10 days after receiving notice from any Converting Holder requesting a demand for registration give notice thereof to all other Converting Holders known to Katy and (ii) promptly and in any event within 45 days of receipt of such request file a Registration Statement to effect a registration under the Securities Act covering all Registrable Securities for which Katy receives a request from the Converting Holders within 30 days of the delivery of the notice by Katy as required in clause (i) above;

(b) In connection with any registration effected pursuant to paragraph (a) of this Annex II, if the majority of the Converting Holders elect to offer and sell Registrable Securities in an underwritten offering, they shall be entitled to select the underwriter, subject to Katy's consent (such consent not to be unreasonably withheld), and Katy shall enter into an underwriting agreement (together with the Converting Holders electing to sell their Registrable Securities in an underwritten offering) with such underwriter. In the event the underwriter has not limited the number of Registrable Securities or other securities to be underwritten, Katy may include its securities for its own account in such registration and underwriting if the underwriter so agrees and if the number of Registrable Securities included in such underwriting will not be limited;

(c) In the event Katy registers Common Shares pursuant to a Registration Statement (other than registrations on Form S-4 or Form S-8), the Converting Holders shall have the right to include all or part of the Registrable Securities owned by them at the time in such registration. Katy shall promptly (i) give each Converting Holder written notice of such registration and (ii) include in such registration, and in any underwriting involved therein, all the Registrable Securities specified in a written request delivered to Katy by any such Converting Holder within 20 days after delivery of such written notice by Katy;

(d) If Katy elects to offer and sell the Common Shares registered pursuant to paragraph (c) in an underwritten offering, Katy shall so advise the Converting Holders as part of the notice given to the Converting Holders. In such event the right of the Converting Holders to such registration of their Registrable Securities shall be conditioned upon such underwriting being effected and the inclusion of any Converting Holder's Registrable Securities in such underwriting shall be subject to paragraph (e) hereof. All Converting Holders proposing to distribute their Registrable Securities through such underwriting shall (together with Katy) enter into an underwriting agreement with the underwriter for such offering. The Converting Holders shall have no right to participate in the selection of the underwriters for an offering

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

pursuant to this paragraph (d), provided that the underwriter is of recognized national standing;

(e) In the event the underwriter limits the number of Common Shares to be offered and sold in connection with a registration pursuant to paragraph (c), the number of Registrable Securities to be included in the registration and the underwriting shall be reduced on a pro rata basis among the Converting Holders requesting registration. If any Converting Holder disapproves of the terms of such underwriting, such Holder may elect to withdraw therefrom by written notice to Katy and the underwriter delivered at least five days prior to the effective date of the registration statement. Any Registrable Securities excluded or withdrawn from such underwriting shall be withdrawn from such registration;

(f) In the event any Registrable Securities are included in a Registration Statement pursuant to this Agreement, Katy will indemnify and hold harmless each Converting Holder whose Registrable Securities are so included, each person, if any, who "controls" such Converting Holder (within the meaning of the Securities Act or the Exchange Act) and their respective directors, officers, employees and agents against all losses,

B-36

claims, damages, or liabilities, joint or several, or actions in respect thereof to which such Converting Holder or other person entitled to indemnification hereunder may become subject under the Securities Act, the Exchange Act, state securities or blue sky law, common law or otherwise, insofar as such losses, claims, damages, liabilities or actions in respect thereof arise out of, or are based upon, any untrue statement or alleged untrue statement of any material fact contained in such Registration Statement, any related preliminary prospectus, or any related prospectus or any amendment or supplement thereto, offering circular or other document (including any related notification or the like) incident to any such registration, qualification or compliance, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or any violation by Katy of the Securities Act, the Exchange Act, state securities or blue sky law, common law or otherwise and relating to action or inaction required of Katy in connection with any such registration, qualification or compliance, and Katy will reimburse each such Converting Holder or other person entitled to indemnification hereunder for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that Katy will not be so liable to the extent that any such loss, claim, damage, liability or action arises out of, or is based upon, an untrue statement or alleged untrue statement of a material fact or an omission or alleged omission to state a material fact in such Registration Statement, such preliminary prospectus, or such prospectus, or any such amendment or supplement thereto, offering circular or other document (including any related notification or the like) incident to any registration, qualification or compliance, in reliance upon, and in conformity with, written information furnished to Katy by any Converting Holder specifically for use therein. Katy will also indemnify underwriters and dealer managers participating in the distribution, each person who "controls" such persons (within the meaning of the Securities Act or the Exchange Act), and their respective officers, directors, employees and agents to the same extent as provided above with respect to the indemnification of the Converting Holders, if so requested, except (i) with respect to information furnished in writing specifically for use in any prospectus or Registration Statement by any selling Converting Holders or any such underwriters, or (ii) to the extent that any such loss, claim, damage, liability or action is solely attributable to such underwriter's failure to deliver a final prospectus (or amendment or

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

supplement thereto) that corrects an actual or alleged material misstatement or omission contained in the preliminary prospectus (or final prospectus);

(g) With respect to written information furnished to Katy by a Converting Holder specifically for use in a Registration Statement, any related preliminary prospectus, or any related prospectus or any supplement or amendment thereto, offering circular or other document (including any related notification or the like) incident to any registration, qualification or compliance, if Registrable Securities held by it are included in the securities as to which such registration, qualification or compliance is being effected, such Converting Holder will severally indemnify and hold harmless Katy and its directors, officers, employees, agents and each person, if any, who "controls" Katy (within the meaning of the Securities Act or the Exchange Act) and any other Converting Holder against any losses, claims, damages or liabilities, joint or several, or actions in respect thereof, to which Katy or such other person entitled to indemnification hereunder may become subject under the Securities Act, the Exchange Act, state securities or blue sky laws, common law or otherwise, insofar as such losses, claims, damages, liabilities or actions in respect thereof arise out of, or are based upon, any untrue statement or alleged untrue statement of any material fact contained in such Registration Statement, such preliminary prospectus, or such prospectus, or any such amendment or supplement thereto, offering circular or other document (including any related notification or the like) incident to any registration, qualification or compliance, or arise out of, or are based upon, the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; and such Converting Holder will reimburse Katy and such other persons for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action, in each case to the extent, but only to the extent, that the same arises out of, or is based upon, an untrue statement or alleged untrue statement of material fact or an omission or alleged omission to state a material fact in such Registration Statement, such preliminary prospectus, or such prospectus or any such amendment or supplement thereto, offering circular or other document (including any related notification or the like) incident to any registration, qualification or compliance, in reliance upon, and in conformity with, such written information; provided,

B-37

however, that the obligations of each of the Converting Holders hereunder shall be limited to an amount equal to the net proceeds to such Converting Holder of Registrable Securities sold as contemplated herein. Katy shall be entitled to receive indemnities from underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, to the same extent as provided above with respect to the information so furnished in writing by such persons specifically for inclusion in any prospectus or Registration Statement. The Converting Holder shall also indemnify underwriters and dealer managers participating in the distribution and each person who "controls" such persons (within the meaning of the Securities Act or the Exchange Act), their officers, directors, employees and agents to the same extent as provided herein with respect to the indemnification of Katy, if so requested;

(h) Promptly after receipt by an indemnified party of notice of any claim or the commencement of any action, the indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party, notify the indemnifying party in writing of the claim or the commencement of that action; provided, however, that the failure to notify the indemnifying party will not relieve it from any liability that it may have to the indemnified party except to the extent it was actually damaged or suffered any loss or incurred any

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

additional expense as a result thereof. If any such claim or action is brought against an indemnified party, and it notifies the indemnifying party thereof, the indemnifying party shall be entitled to assume the defense thereof with counsel selected by the indemnifying party and reasonably satisfactory to the indemnified party. After notice from the indemnifying party to the indemnified party of its election to assume the defense of such claim or action, (i) the indemnifying party will not be liable to the indemnified party for any legal or other expense subsequently incurred by the indemnified party in connection with the defense thereof, (ii) the indemnifying party will not be liable for the costs and expenses of any settlement of such claim or action unless such settlement was effected with the written consent of the indemnifying party or the indemnified party waived any rights to indemnification hereunder in writing, in which case the indemnified party may effect a settlement without such consent, and (iii) the indemnified party will be obligated to cooperate with the indemnifying party in the investigation of such claim or action; provided, however, that the indemnified party who may be subject to liability arising out of any claim in respect of which indemnity may be sought by such indemnified party may employ its own counsel if such indemnified party has been advised by counsel in writing that, in the reasonable judgment of such counsel, it is advisable for such indemnified party to be represented by separate counsel due to the presence of actual or potential conflicts of interest, and in that event the fees and expenses of such separate counsel will also be paid by the indemnifying party; provided that the indemnifying party shall not be liable for the reasonable fees and expenses of more than one separate counsel at any time for all such indemnified parties. An indemnifying party shall not, without the prior written consent of the indemnified parties, settle, compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes a release of such indemnified party reasonably acceptable to such indemnified party from all liability arising out of such claim, action, suit or proceeding and unless the indemnifying party shall confirm in a written agreement reasonably acceptable to such indemnified party, that notwithstanding any federal, state or common law, such settlement, compromise or consent shall not adversely affect the right of any indemnified party to indemnification or contribution as provided in this Agreement as such rights may be limited by applicable law without regard to such settlement, compromise or consent;

(i) If for any reason the indemnification provided for in paragraphs (f) or (g) is unavailable to an indemnified party or is insufficient to hold such indemnified party harmless as contemplated therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by the indemnifying party and the indemnified party, but also the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue (or alleged untrue) statement of a material fact or the omission (or alleged omission) to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the

B-38

parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; provided, however, that the obligations of each of the Converting Holders hereunder shall be limited to an amount equal to the net proceeds to such Converting Holder of Registrable Securities sold as contemplated herein. No person guilty of fraudulent

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

misrepresentation (within the meaning of section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation;

(j) The obligations under this Annex II shall survive the completion of any offering of Registrable Securities in a Registration Statement pursuant to this Agreement, and otherwise;

(k) Notwithstanding the foregoing provisions of this Annex II, to the extent that the provisions regarding indemnification and contribution contained in the underwriting agreement entered into in connection with any underwritten public offering contemplated by this Agreement are in conflict with the foregoing provisions, the provisions in such underwriting agreement shall be controlling, provided that each Converting Holder, each person, if any, who controls such Converting Holder (within the meaning of the Securities Act or the Exchange Act) and their respective directors, officers, employees and agents receive protection in all material respects as extensive and are subject to obligations that are not materially more extensive, than those set forth in this Annex II;

(l) In the case of any demand registration pursuant to paragraph (a), Katy shall pay all registration expenses. In the case of any registration pursuant to paragraph (c), the requesting Converting Holders shall bear the pro rata share of underwriter's fees, discounts and commissions incurred in such registration and any incremental registration expenses, in each case, including (i) incremental registration and qualification fees and expenses, and (ii) any incremental costs and disbursements (including legal fees and expenses) that result from the inclusion of the Registrable Securities included in such registration, with such incremental expenses being borne by the requesting Converting Holders on a pro rata basis.

Unless otherwise defined herein, capitalized terms used herein shall have the meaning ascribed to them in the Agreement to which this Annex II is attached.

At each succeeding annual meeting of Keystone's shareholders, directors elected to succeed those directors whose terms then expire shall be elected for a term of office to expire at the second succeeding annual meeting of shareholders after such election.
Name of security.....	Convertible Preferred Stock, \$100 par value
Par value.....	\$100
Number of shares to be authorized.....	600,000
Number of shares to be validly issued, fully paid and nonassessable at the Closing Date.....	400,000
Preferred Purchase Price...	\$100 per share, or an aggregate amount of \$40,000,000
Conversion rights.....	At the option of the holder of Convertible Preferred Stock, a holder can convert any whole number of shares of Convertible Preferred Stock, at any time after the earlier of: (a) the fifth anniversary of the Closing Date; (b) the approval by Keystone's Board of Directors of a merger, consolidation or other business combination between Keystone and another entity (except where Keystone is the surviving entity and no change of control of Keystone occurs as a result of the

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

transaction) or a sale or other disposition of all or substantially all of Keystone's assets;

(c) the authorization by Keystone's Board of Directors of, or other corporate action taken to effect, the liquidation, dissolution or winding up of Keystone; and

(d) the solicitation of proxies from the holders of any class or classes of capital stock of Keystone for any annual or special meeting of shareholders, however called, at which an election for directors of Keystone is held, or any solicitation of written consent of the holders of any class or classes of capital stock of Keystone with respect to the election of directors, against the election as director of any nominee designated by the holders of the Convertible Preferred Stock or for removal of any incumbent director originally nominated by the holders of the Convertible Preferred Stock.

B-43

Conversion ratio..... For each share of Convertible Preferred Stock converted the holder will receive twelve and one-half Common Shares (the "Conversion Ratio"). The Conversion Ratio will be adjusted for any stock split, stock combination, stock dividend or other recapitalization and will be subject to protection provisions in the event of dilutive transactions involving the sale of shares of Keystone Common Stock at a price per share, the grant of rights, options or warrants having an exercise per share, or the sale of securities convertible into Keystone Common Stock having a conversion price per share, in each case, less than \$8.00 per Common Share.

Procedure for conversion... Standard conversion procedures, including the following:

The holder is to give Keystone a notice specifying the number of shares of Convertible Preferred Stock to be converted, the conversion date and the names of persons to become the holders of the Common Shares issued on conversion.

There will be no fractional issues of Keystone Common Stock upon conversion. In lieu of fractional shares Keystone will pay the conversion value of such fractional share in cash.

Keystone will pay any documentary, stamp or similar tax on issuing the certificates for Common Shares (except that if the certificate is to be issued to a person other than the holder,

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

then that person must pay any such tax payable on the transfer).

Covenants of Keystone..... The shares of Convertible Preferred Stock will be validly issued, fully paid and nonassessable on the Closing Date.

The Common Shares that Keystone issues upon the conversion of the Convertible Preferred Stock will be validly issued, fully paid and nonassessable.

Keystone will reserve and keep available out of its unauthorized but unissued shares of Keystone Common Stock, for the purpose of issuing Common Shares on conversion of the Convertible Preferred Stock, the number of Common Shares issuable on conversion of the outstanding shares of Convertible Preferred Stock.

Dividends..... None

Liquidation preference..... If Keystone is liquidated, dissolved or wound up, no distribution will be made to the holders of shares of Keystone Common Stock or any other class of equity security authorized hereafter, until the holders of the Convertible Preferred Stock have received their liquidation preference equal to the par value for each share of Convertible Preferred Stock held (the "Liquidation Preference"). If, when Keystone is liquidated, dissolved or wound up, the assets available for distribution among the holders of the Convertible Preferred Stock are insufficient to pay the Liquidation Preference, the assets legally available for distribution to such holders shall be distributed ratably among them in accordance with their holdings of Convertible Preferred Stock.

B-44

A merger, consolidation or other business combination between Keystone and any other entity, or a sale or other disposition of all or substantially all of Keystone's assets, will not be treated as a liquidation, dissolution or winding up of Keystone.

Maturity..... Perpetual, subject to redemption by Keystone.

Redemption..... The Convertible Preferred Stock will not be subject to a sinking fund or other obligations of Keystone to redeem or retire the Convertible Preferred Stock. The holder shall have no right to compel Keystone to redeem the Convertible Preferred Stock. The Convertible Preferred Stock shall be redeemable in whole, but not in part, at Keystone's option at any time on or after the 20th anniversary of the Closing Date. The redemption price per share of Convertible

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Preferred Stock shall equal the par value thereof, and shall be payable in cash to the order of the holder on the 30th day after notice of redemption shall have been given to the holders, subject to each holder's right to convert any or all of its shares of Convertible Preferred Stock into Common Shares.

Preemptive rights..... The holders have no preemptive rights with respect to any shares of Keystone's capital stock or any other securities of Keystone convertible into or carrying rights or option to buy shares of capital stock, without prejudice to the provisions for adjustment of the Conversion Ratio in the event of dilutive transactions.

Registration rights..... In the event of a registration of Common Shares by Keystone pursuant to a registration statement under the Securities Act of 1933, the holder shall have customary piggy-back rights in respect of the Common Shares issuable upon conversion of the Convertible Preferred Stock. In connection with the conversion of the Convertible Preferred Stock the holders shall have the right to demand a registration of the underlying Common Shares, provided that the holders shall not be entitled to demand a registration on more than three (3) occasions.

Voting rights..... None (except as required by law).

Special rights..... Keystone shall not, without first obtaining the approval (by vote or written consent) of the holders of at least a majority of the then outstanding shares of Convertible Preferred Stock:

- (a) authorize or issue any class or series of equity security having equal or superior rights as to payment upon liquidation, dissolution or a winding up of Keystone;
- (b) amend its Certificate of Incorporation or By-Laws in any way, or enter into a merger, consolidation, reorganization, recapitalization or sale of all or substantially all of its assets, in any case which adversely affects the rights and preferences of the holders of Convertible Preferred Stock as a class (except that Keystone may complete a reverse-split of the Keystone Common Stock without the consent of the holders of the Convertible Preferred Stock);
- (c) engage in any transaction which would impair or reduce the rights of the holders of the Convertible Preferred Stock as a class.

W I T N E S S E T H :

WHEREAS, simultaneously with entering into this Agreement, Purchaser and Katy Industries, Inc., a Delaware corporation ("Katy"), are entering into a Preferred Stock Purchase and Recapitalization Agreement (the "Recapitalization Agreement"), pursuant to which Purchaser will (i) commence a cash tender offer (the "Offer") to purchase up to 2,500,000 outstanding shares of common stock, \$1 par value per share, of Katy and (ii) purchase from Katy not less than 400,000 newly issued shares of preferred stock, \$100 par value per share (the "Convertible Preferred Stock"), convertible at a ratio of twelve and one half Common Shares per share of Convertible Preferred Stock (equivalent to \$8.00 per Common Share) into an aggregate of not less than 5,000,000 Common Shares for an aggregate purchase price of \$40,000,000 (the "Preferred Stock Purchase") (the Offer, the Preferred Stock Purchase and the other transactions contemplated by the Recapitalization Agreement are collectively referred to herein as the "Recapitalization");

WHEREAS, as of the date hereof, each Shareholder is the record and, except in the case of a Shareholder who is a trustee and owns the Common Shares for the benefit of a beneficiary, beneficial owner of the number of Common Shares set forth opposite such Shareholder's name on Schedule I hereto;

WHEREAS, the Shareholders have agreed that such Shareholders shall vote 2,500,000 Common Shares owned (whether of record or beneficially) by such Shareholders, as of the date hereof (these 2,500,000 Common Shares owned (whether of record or beneficially) as of the date hereof, the "Securities") with respect to certain questions that may be put to the Shareholders, in each case, in accordance with the terms and conditions of this Agreement; and

WHEREAS, as an inducement and a condition to entering into the Recapitalization Agreement, Purchaser has required that the Shareholders enter into this Agreement;

NOW, THEREFORE, in consideration of the foregoing and the mutual premises, representations, warranties, covenants and agreements contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

2. Tender of Securities. The Shareholders hereby severally and jointly agree to tender (or to cause the record owner to tender) for acceptance by Purchaser pursuant to the Offer not less than 1,500,000 of the Securities and not to revoke such tender.

3. Provisions Concerning the Securities.

(a) Agreement To Vote the Securities. The Shareholders, hereby severally and jointly agree that during the period commencing on the date hereof and continuing until the earlier of the Closing Date or the termination of this Agreement (such period, the "Voting Period"), at any meeting of the holders of any class or classes of the capital stock of Katy, however called, or in connection with any solicitation of written consent of the holders of any class or classes of the capital stock of Katy, the Shareholders shall vote (or cause to be voted) the Securities (but for the avoidance of doubt not more or less than 2,500,000 Common Shares) in favor of any actions required to authorize and effect the Recapitalization and any actions required in furtherance thereof, including, without limitation, to vote (A) in favor of the election of all of the directors nominated by

(b) Grant of Proxy. Each Shareholder severally and not jointly hereby appoints Purchaser, and any designee of Purchaser, each of them individually, such Shareholder's proxy and attorney-in-fact, with full power of substitution and resubstitution, to vote, to act by written consent or to request that the chairman or secretary of Katy call a special meeting of stockholders, during the Voting Period with respect to such Shareholder's Securities in accordance with paragraph (a) of this Section. This proxy is given to secure the performance of the duties of each Shareholder during the Voting Period under

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

this Agreement. Each Shareholder severally and not jointly affirms that this proxy and power of attorney are coupled with an interest and shall be irrevocable during the Voting Period. Each Shareholder severally and not jointly shall take such further action or execute such other instruments as may be necessary to effectuate the intent of this proxy.

(c) Other Proxies Revoked. Each Shareholder severally and not jointly represents and warrants that any proxies heretofore given in respect of such Shareholder's Securities are not irrevocable, and that all such proxies have been or are hereby revoked.

4. Representations and Warranties of Each Shareholder. Each Shareholder, severally and not jointly, hereby represents and warrants to Purchaser as follows:

(a) Power, etc. Such Shareholder has all necessary power and authority to execute and deliver this Agreement, appoint the proxies and attorneys-in-fact referred to in Section 3(b) hereof and to consummate the transactions contemplated by this Agreement. This Agreement has been duly and validly executed and delivered by such Shareholder and, assuming its due authorization, execution and delivery by each other party hereto, constitutes the legal, valid and binding obligation of such Shareholder, enforceable against such Shareholder in accordance with its terms, except insofar as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally or by general equitable principles, whether applied in a proceeding at law or in equity.

(b) Ownership of Common Shares. Such Shareholder is the record and, except in the case of a Shareholder who is a trustee and owns the Common Shares for the benefit of a beneficiary, beneficial owner of the number of Common Shares listed beside such Shareholder's name on Schedule I attached hereto. All of such Common Shares are issued and are outstanding. Such Shareholder has sole voting power and sole power to issue instructions with respect to the matters set forth in Section 2, Section 3 and Section 5 hereof, as the

C-2

case may be, sole power of disposition and sole power to agree to all of the matters set forth in this Agreement, in each case with respect to all of such Common Shares, with no limitations, qualifications or restrictions on such rights, subject only to applicable laws, Katy's Certificate of Incorporation, and the terms of this Agreement.

(c) No Conflicts. (i) No filing with, and no permit, authorization, consent or approval of, any state or federal public body or authority is necessary for the execution of this Agreement by such Shareholder and the consummation by such Shareholder of the transactions contemplated by this Agreement and (ii) none of the execution and delivery of this Agreement by such Shareholder, the consummation by such Shareholder of the transactions contemplated by this Agreement or compliance by such Shareholder with any of the provisions of this Agreement shall (A) conflict with or result in any breach of or constitute (with or without notice or lapse of time or both) a default (or give rise to any third party right of termination, cancellation, material modification or acceleration) or result in the creation of a lien or encumbrance on the assets of such Shareholder (including the such Shareholder's Common Shares) under any of the terms, conditions or provisions of any note, bond, mortgage, indenture, license, contract, trust instrument, commitment, arrangement, understanding, agreement or other instrument or obligation of any kind to which such Shareholder is a party or by which such Shareholder or any of such Shareholder's properties or assets may be bound, or (B) violate any order, writ, injunction, decree, judgment, order, statute, rule or regulation

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

applicable to such Shareholder or any of such Shareholder's properties or assets.

(d) No Finder's Fees. Except as disclosed pursuant to the Recapitalization Agreement, no broker, investment banker, financial advisor or other person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of such Shareholder in its capacity as a holder of Katy Common Stock. Such Shareholder, on behalf of itself and its affiliates, hereby acknowledges that it is not entitled to receive any broker's, finder's, financial advisor's or other similar fee or commission in connection with the transactions contemplated by this Agreement or by the Recapitalization Agreement.

(e) No Encumbrances. The Common Shares listed beside such Shareholder's name on Schedule I attached hereto and the certificates representing such Common Shares are now, and at all times during the term hereof will be, held by such Shareholder, or by a nominee or custodian for the benefit of such Shareholder, free and clear of all liens, claims, security interests, proxies, voting trusts or agreements, understandings or arrangements or any other encumbrances whatsoever, except for any such encumbrances or proxies arising hereunder.

(f) Reliance by Purchaser. Such Shareholder understands and acknowledges that Purchaser is entering into the Recapitalization Agreement in reliance upon such Shareholder's execution and delivery of this Agreement.

5. Additional Covenants of Each Shareholder. Each Shareholder severally and not jointly covenants and agrees as follows:

(a) No Solicitation. During the Voting Period such Shareholder shall not, in its capacity as such, directly or indirectly through another person (i) solicit, initiate or encourage (including, without limitation, by way of furnishing information), or take any other action designed to facilitate, any inquiries or the making of any proposal which constitutes any Katy Takeover Proposal, (ii) participate in any discussions or negotiations regarding any Katy Takeover Proposal, (iii) withdraw or modify, or propose publicly to withdraw or modify, in a manner adverse to Purchaser, the approval or recommendation of such Shareholder of the Recapitalization (including for the avoidance of doubt the Shareholders' agreement to vote the Securities in accordance with Section 3 hereof), (iv) approve or recommend, or propose publicly to approve or recommend, any Katy Takeover Proposal, or (v) enter into a Katy Acquisition Agreement or any agreement, arrangement or understanding requiring such Shareholder to abandon, terminate or fail to consummate this Agreement or any other transaction contemplated hereby, in each case without the prior written consent of the Purchaser. Such

C-3

Shareholder shall promptly advise Purchaser orally and in writing of any request for information or of any Katy Takeover Proposal, the material terms and conditions of such request or Katy Takeover Proposal and the identity of the person making such request or Katy Takeover Proposal. Such Shareholder will keep Purchaser reasonably informed of the status and details (including amendments or proposed amendments) of any such request or Katy Takeover Proposal on a daily basis or more frequently as may be reasonably requested by Purchaser. For the avoidance of doubt, nothing in this Section 5(a) restricts a Shareholder, in his or her capacity as a director or officer of Katy, from taking action permitted under the Recapitalization Agreement.

(b) Restriction on Transfer, Proxies and Non-Interference. Such Shareholder shall not (i) except as contemplated in this Agreement, directly or indirectly,

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

offer for sale, sell, transfer, tender, pledge, encumber, assign or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to or consent to the offer for sale, transfer, tender, pledge, encumbrance, assignment or other disposition of, any or all of such Shareholders Securities or any interest therein during the Voting Period; (ii) except as contemplated by this Agreement, grant any proxies or powers of attorney, deposit any of such Securities into a voting trust or enter into a voting agreement with respect to any of such Securities; or (iii) take any action that would make any representation or warranty of such Shareholder contained in this Agreement untrue or incorrect or have the effect of preventing or disabling such Shareholder from performing such Shareholder's obligations under this Agreement.

(c) [Reserved].

(d) Stop Transfer; Changes in Subject Shares. Such Shareholder agrees with, and covenants to, Purchaser that such Shareholder shall not request that Katy register the transfer (book-entry or otherwise) of any certificate or uncertificated interest representing any of such Shareholder's Securities during the Voting Period, unless such transfer is made in compliance with this Agreement. In the event of a stock dividend or distribution, or any change in any class of capital stock of Katy by reason of any stock dividend, split-up, recapitalization, combination, exchange of shares or the like, the term "Securities" shall be deemed to refer to and include the Securities as well as all such stock dividends and distributions and any shares into which or for which any or all of the Securities may be changed or exchanged.

(e) Cooperation. Such Shareholder, in its capacity as a shareholder, shall cooperate fully with Purchaser and Katy in connection with their respective efforts to fulfill the conditions to the Recapitalization set forth in Article VI of the Recapitalization Agreement and the Purchaser Closing Conditions set forth in Annex I to the Recapitalization Agreement.

(f) Releases. Such Shareholder hereby fully, unconditionally and irrevocably releases, effective as of the Closing Date, any and all claims and causes of action that such Shareholder, in its capacity as a shareholder, has or may have against Katy or any present or former director, officer, employee or agent of Katy arising or resulting from or relating to any act, omission, event or occurrence prior to the date hereof and that have arisen or resulted as of the Closing Date. The foregoing release does not include a release by any Shareholder of such Shareholder's rights to indemnification and advancement of expenses under Katy's Certificate of Incorporation or By-Laws, by agreement, by law, or pursuant to insurance policies or any claim by that Shareholder in any other capacity (including as a director, officer or employee). If requested by Purchaser, such Shareholder shall execute an additional release at the Closing Date releasing such claims as may arise between the date hereof and the Closing Date.

6. Fiduciary Duties. Notwithstanding anything in this Agreement to the contrary, the covenants and agreements set forth herein shall not prevent any Shareholder or any representative of Purchaser serving on Katy's Board of Directors or as an officer of Katy from taking any action, subject to the applicable provisions of the Recapitalization Agreement, while acting in his or her capacity as a director or officer of Katy.

7. Miscellaneous.

(a) Further Assurances. From time to time, at Purchaser's request and without further consideration, each Shareholder shall execute and deliver such additional documents and take all such further lawful action as

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

may be necessary or desirable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Agreement.

(b) Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally, mailed, certified or registered mail with postage prepaid, sent by overnight courier or telecopied to the parties at the following addresses (or at such other address for a party as shall be specified by like notice):

(c) Interpretation. When a reference is made in this Agreement to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation."

(d) Counterparts. This Agreement may be executed in counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

(e) Entire Agreement; No Third-Party Beneficiaries. This Agreement, including the documents and instruments referred to herein (i) constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof and (ii) except in respect of Section 9, is not intended to confer upon any person or entity other than the parties any rights or remedies hereunder.

(f) Governing Law. This Agreement shall be governed by, and construed in

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

accordance with, the laws of the State of Delaware, without regard to the conflict of laws rules thereof.

C-5

(g) Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties without the prior written consent of the other parties, except that Purchaser may assign, in its sole discretion, any of or all their rights, interests and obligations under this Agreement to any direct or indirect wholly owned subsidiary of Purchaser. Subject to the preceding sentences, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

(h) Binding Agreement. Each Shareholder agrees that this Agreement and such Shareholder's obligations under it shall attach to such Shareholder's Securities and shall bind any person to which legal or beneficial ownership of the Securities passes, whether by operation of law or otherwise, including such Shareholder's heirs, guardians, administrators or successors. Notwithstanding any transfer of Securities, the transferor shall remain liable for the performance of all its obligations under this Agreement.

(i) Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy in any particular situation or in any jurisdiction, that term or provision shall nevertheless remain in full force and effect in other situations or jurisdictions, and all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect, so long as the economic or legal substance of the transactions contemplated hereby are not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions be consummated as originally contemplated to the fullest extent possible.

(j) Enforcement of this Agreement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity.

(k) Amendments. This Agreement may not be amended except by an instrument in writing signed by the parties.

8. Termination. This Agreement shall terminate, and neither Purchaser nor any Shareholder shall have any rights or obligations hereunder and this Agreement shall become null and void and have no effect, upon the termination of the Recapitalization Agreement in accordance with its terms without the Recapitalization having occurred, except nothing in this Section 8 shall relieve any party of liability for breach of this Agreement.

9. Publication. Each Shareholder hereby agrees to permit Purchaser and Katy to publish and disclose in the Offer Documents and the Proxy Statement relating to the transactions contemplated by the Recapitalization Agreement (including all documents and schedules filed with the SEC) its identity and intent with respect to the Securities and the nature of its commitments under this Agreement.

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

10. Scope of Obligations. Notwithstanding anything to the contrary in this Agreement, no obligation of the Shareholders under this Agreement (including their obligations under Section 2, Section 3 and Section 5 hereof) shall apply or in any way affect any shares of capital stock or other securities owned by the Shareholders other than the Securities. For the purposes of several (but not joint) obligations of Shareholders under this Agreement, the number of Securities owned by each Shareholder with respect to which such Shareholder is committing to make such obligations, is the number calculated by multiplying 2,500,000 by the number of Common Shares owned by such Shareholder (as set forth on Schedule I hereto), then dividing the product by the total number of Common Shares owned by all Shareholders (as set forth on Schedule I hereto).

ANNEX D

CERTIFICATE OF AMENDMENT
 TO
 THE CERTIFICATE OF INCORPORATION
 OF
 KATY INDUSTRIES, INC.

KATY INDUSTRIES, INC., a corporation organized and existing under and by virtue of the General Corporation Law of the State of Delaware (the "Corporation"), DOES HEREBY CERTIFY:

FIRST: That the Board of Directors of the Corporation at a meeting on April [], 2001 adopted a resolution setting forth a proposed amendment of the Certificate of Incorporation of the Corporation, as amended (the "Certificate of Incorporation") declaring said amendment to be advisable and directing that said amendment be submitted to the stockholders of the Corporation for consideration thereof at the next annual meeting of stockholders. The proposed amendment to the Certificate of Incorporation is as follows:

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

RESOLVED, that Article Fourth of the Certificate of Incorporation shall be deleted and amended in its entirety to read as follows:

"FOURTH: The aggregate number of shares of all classes of stock which the corporation shall have the authority to issue is twenty-five million six hundred thousand (25,600,000) shares, divided into two classes, one class consisting of six hundred thousand (600,000) shares of Preferred Stock of the par value of one hundred dollars (\$100.00) per share, and the other class consisting of twenty-five million (25,000,000) shares of Common Stock of the par value of one dollar (\$1.00) per share.

1. Preferred Stock. The Preferred Stock of the Corporation shall have the following relative rights and references which are fixed and determined as set forth herein.

2. Rank. The Preferred Stock shall be prior in right with respect to distribution of the Corporation's assets upon redemption and upon the voluntary or involuntary liquidation, dissolution or winding up of the Corporation to all other equity securities of the Corporation, including, without limitation, the Common Stock, whether now or hereafter authorized.

3. Certain Definitions. As used in this Article Fourth and elsewhere in this Certificate of Amendment, unless the context otherwise requires:

(a) "Act" shall mean the Securities Act of 1933, as amended.

(b) "Beneficial Ownership" shall have the meaning set forth in Rule 13d-3 under the Exchange Act or any corresponding provision of a successor law.

(c) "Change in Control" shall mean the acquisition by a person or group of persons, whether in a single transaction or a series of related transactions, of Beneficial Ownership of thirty percent (30%) or more, after giving effect to such transaction or transactions, of the combined voting power of the outstanding capital stock of the Corporation.

(d) "Common Stock" shall mean the Corporation's authorized Common Stock, \$1.00 par value, and any stock into which such Common Stock may thereafter be changed or converted, and shall also include stock of the Corporation of any other class, which is not preferred as to dividends or the distribution of assets upon liquidation, dissolution or winding up over any other class of stock of the Corporation, issued to the holders of shares of Common Stock upon any reclassification thereof.

(e) "Conversion Factor" shall mean eight (8), as adjusted from time to time in accordance with Section 6(c) of this Article Fourth.

D-1

(f) "Conversion Rate" shall mean one hundred (100) divided by the Conversion Factor, as adjusted from time to time in accordance with Section 6(c) of this Article Fourth.

(g) "Effective Date" shall mean May , 2001.

(h) "Exchange Act" shall mean the United States Securities Exchange Act of 1934, as amended.

(i) "Liquidation" shall mean any voluntary or involuntary liquidation, winding up, or dissolution of the Corporation. A merger, consolidation or other business combination between the Corporation and any other entity or a sale or other disposition of all or substantially all of the assets of the Corporation

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

will not be treated as a Liquidation.

4. Liquidation Preference.

(a) In the event of any Liquidation, holders of Preferred Stock shall be entitled to receive out of the assets of the Corporation, prior to and in preference of any distribution or payment upon the Common Stock, an amount in cash per share of Preferred Stock equal to the par value thereof. If, upon the occurrence of a Liquidation, the assets and funds thus distributed among the holders of the Preferred Stock shall be insufficient to permit the payment in full of the par value thereof for each share of Preferred Stock, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Preferred Stock in proportion to their respective ownership of shares of Preferred Stock.

(b) Written notice of such Liquidation stating a payment date and the place where payment in respect of Liquidation shall be payable, shall be given by mail, postage prepaid, not less than twenty (20) days prior to the payment date stated therein, to the holders of record of Preferred Stock, such notice to be addressed to each such holder at its address as shown by the records of the Corporation.

5. Dividends. The Preferred Stock shall not be entitled to receive dividends.

6. Conversion. The holders of the Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

(a) Optional Conversion Rights. After the earlier of (i) the fifth anniversary of the Effective Date, (ii) the approval of the Board of Directors of the Corporation of a merger, consolidation or other business combination between the Corporation and another entity (except where the Corporation is the surviving entity and no Change in Control of the Corporation occurs as a result of the transaction) or a sale or other disposition of all or substantially all of the Corporation's assets, (iii) the authorization by the Board of Directors of the Corporation of, or other corporate action taken to effect, a Liquidation, and (iv) the solicitation of proxies from the holders of any class or classes of capital stock of the Corporation for any annual or special meeting of shareholders, however called, at which an election for directors of the Corporation is held, or any solicitation of written consent of the holders of any class or classes of capital stock of the Corporation with respect to the election of directors, against the election as director of any nominee designated by the holders of the Preferred Stock or for removal of any incumbent director originally nominated by the holders of the Preferred Stock, each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time, and from time to time, into the number of fully paid and nonassessable shares of Common Stock equal to the Conversion Rate, as adjusted from time to time in accordance with Article Fourth, Section 6(c).

(b) Mechanics of Conversion. If a holder of shares of Preferred Stock desires to exercise its right of conversion, such holder shall give written notice to the Corporation (the "Conversion Notice") of such holder's election to convert a stated number of shares of such Preferred Stock (the "Conversion Shares") into shares of Common Stock, and surrender to the Corporation such holder's certificate or certificates representing such Conversion Shares. The Conversion Notice shall state the name or names (with addresses) in which the certificate or certificates for Common Stock shall be issued. Notwithstanding the foregoing, the Corporation shall not be required to issue any certificates to any person other than the holder thereof unless (i) the holder

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

has paid to the Corporation the amount of any documentary stamp or similar taxes payable in respect of transfer involved in the issue or delivery of the certificate upon conversion to a person other than the holder or has established to the satisfaction of the Corporation that such tax has been paid; and (ii) the Corporation has obtained reasonable assurance that such transaction is exempt from the registration requirements of, or is covered by an effective registration statement under, the Act and all applicable state securities laws, including, if necessary in the reasonable judgment of the Corporation or its legal counsel, receipt of an opinion to such effect from counsel reasonably satisfactory to the Corporation. As soon as is practicable after the receipt of the Conversion Notice and the surrender of the certificate or certificates representing the Conversion Shares, the Corporation shall issue and deliver, or cause to be delivered, to the holder of the Conversion Shares or his nominee or nominees, a certificate or certificates for the number of shares of Common Stock issuable upon the conversion of such Conversion Shares and a certificate or certificates evidencing any shares of Preferred Stock represented by the certificates so tendered by the holder that were not to be converted. Such conversion shall be deemed to have been effected as of the close of business on the date the Corporation received the Conversion Notice and the certificate or certificates representing the Conversion Shares, and the person or persons entitled to receive the shares of Common Stock issuable upon conversion shall be treated for all purposes as the holder or holders of record of such shares of Common Stock as of the close of business on such date. If the conversion is in connection with an underwritten offering of securities registered pursuant to the Act, the conversion may, at the option of any holder tendering Preferred Stock for conversion, be conditioned upon the closing with the underwriters of the sale of securities pursuant to such offering in which event the person(s) entitled to receive Common Stock upon conversion of such Preferred Stock shall not be deemed to have converted such Preferred Stock until immediately prior to the closing of such sale of securities.

(c) Conversion Factor and Conversion Rate Adjustments. The Conversion Factor and, correspondingly, the Conversion Rate shall be subject to adjustment as follows:

(i) Dividends and Distributions. In the event the Corporation should at any time or from time to time after the Effective Date fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock, then, as of such record date (or, if no record date is fixed, as of the close of business on the date on which the Board of Directors adopts the resolution relating to such dividend, distribution, split or subdivision), the Conversion Factor in effect immediately prior to such date shall be multiplied by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior thereto and the denominator of which shall be the number of shares of Common Stock outstanding immediately thereafter.

(ii) Combinations. If the number of shares of Common Stock outstanding at any time after the Effective Date is decreased by a combination of the outstanding shares of Common Stock, then following such combination, the Conversion Factor in effect immediately prior thereto shall be multiplied by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior thereto and the denominator of which shall be the number of shares of Common Stock outstanding immediately thereafter.

(iii) Recapitalizations, etc. If any capital reorganization or reclassification of the Common Stock of the Corporation (other than a consolidation or merger of the Corporation with or into another corporation

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

provided for elsewhere in this Article Fourth, Section 6(a) or other than a Liquidation as set forth in Article Fourth, Section 4), shall be effected, then, as a condition of such reorganization, reclassification, consolidation or merger, lawful and adequate provision shall be made whereby the holders of the Preferred Stock then outstanding shall have the right to receive, in lieu of the shares of Common Stock of the Corporation immediately theretofore receivable with respect to such shares of Preferred Stock, such shares of stock, securities, properties or assets, including cash, as would have been issued or payable with respect to or in exchange for the shares of Common Stock which such holders would have held had the shares of Preferred Stock been converted immediately prior to such reorganization, reclassification, consolidation or merger. In connection with any provision made pursuant to the terms of the preceding sentence, provision

D-3

shall also be made for adjustments to have effect thereafter which shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 6. The above provisions of this Section 6(c)(iii) shall similarly apply to successive reorganizations, reclassifications, consolidations or mergers.

(iv) Dilutive Transactions. If the Corporation shall issue or sell shares of Common Stock (including shares now or hereafter held in the treasury of the Corporation) at a price per share, or shall grant rights, options or warrants having an exercise price per share, or securities convertible into Common Stock having a conversion price per share, less than the Conversion Factor, expressed in dollars, in effect at that time, then, upon such issue, sale or grant, the Conversion Factor shall be adjusted to the amount (calculated to the nearest one hundredth of a cent) determined by dividing: (x) an amount equal to the sum of (A) the existing Conversion Factor multiplied by the sum of (1) the number of shares of Common Stock outstanding immediately prior to such issue, sale or grant and (2) the number of shares of Common Stock issuable upon conversion, exercise or exchange of any rights, options, warrants and convertible securities outstanding immediately prior to such issue, sale or grant, and (B) the aggregate consideration, if any, received by the Corporation upon such issue, sale or grant (including, in the case of rights, options, warrants or convertible securities, the consideration to be received on conversion, exercise or exchange thereof) by (y) the total number of shares of Common Stock outstanding and issuable upon conversion, exercise or exchange of any rights, options, warrants and convertible securities immediately after such issue, sale or grant; provided, however, that no such adjustment shall be made with respect to (I) the issuance of shares of Common Stock upon the exercise or conversion of rights, options, warrants or other securities convertible into Common Stock outstanding as of the Effective Date, (II) shares of Common Stock, rights, options or warrants granted or awarded by the Corporation, with the approval of its Board of Directors or the Compensation Committee thereof, to employees, directors and consultants of the Corporation as compensation for service to the Corporation in any such capacities, if such rights, options or warrants are granted at an exercise price or value not less than the fair market value of a share as of the date of grant ("Compensatory Securities"), or (III) the issuance of Common Stock upon the conversion of any Preferred Stock by a holder thereof. The securities described in subclauses (I), (II) and (III) of this Article Fourth, Section 6(c)(iv) are referred to below as "Exempted Securities".

For purposes of this Article Fourth, Section 6(c)(iv) above, the following clauses 1. through 3., inclusive, shall also be applicable:

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

1. If the Corporation shall grant any rights, options or warrants to purchase Common Stock or to purchase securities convertible into Common Stock (other than Exempted Securities), and the purchase price per share for which Common Stock is issuable upon the exercise or conversion of such securities (determined by dividing (x) the total amount, if any, received or receivable by the Corporation as consideration for the granting of all such rights, options or warrants, plus the minimum aggregate amount of additional consideration payable to the Corporation upon the exercise of all such rights, options or warrants, plus, in the case of convertible securities, the minimum aggregate amount of additional consideration payable upon the conversion thereof, by (y) the maximum aggregate number of shares of Common Stock issuable upon the exercise of such rights, options or warrants or upon the conversion of any such convertible securities issuable upon the exercise of such rights, options or warrants) shall be less than the Conversion Factor, expressed in dollars, in effect immediately prior to the time of the granting of such rights, options, warrants or convertible securities, then the maximum aggregate number of shares of Common Stock issuable upon the exercise of such rights, options or warrants or upon the conversion of the total maximum amount of such convertible securities issuable upon the exercise of such rights, options or warrants shall (as of the date of grant thereof) be deemed to be outstanding and to have been issued for such price per share. No further adjustments of the Conversion Factor shall be made upon the actual issuance of such Common Stock or convertible securities upon the exercise or conversion of such securities, except as otherwise provided in clause 3. below;

2. If the Corporation shall issue or sell any convertible securities (other than Exempted Securities), and the purchase per share for which Common Stock is issuable upon such conversion (determined by

D-4

dividing (x) the total amount received or receivable by the Corporation as consideration for the issue or sale of all such convertible securities, plus the minimum aggregate amount of additional consideration, if any, payable to the Corporation upon the conversion thereof, by (y) the maximum aggregate number of shares of Common Stock issuable upon the conversion of all such convertible securities) shall be less than the Conversion Factor, expressed in dollars, in effect immediately prior to the time of such issue or sale, then the maximum number of shares of Common Stock issuable upon conversion of all such convertible securities shall (as of the date of the issue or sale thereof) be deemed outstanding and to have been issued for such price per share, provided that, except as otherwise specified in clause 3. below, (A) no further adjustments of the Conversion Factor shall be made upon the actual issuance of such Common Stock upon conversion of such convertible securities, and (B) if any such issue or sale of such convertible securities is made upon the exercise of any rights to subscribe for or to purchase or upon exercise of any option or warrant to purchase any such convertible securities, no further adjustment of the Conversion Factor shall be made by reason of such issue or sale; and

3. If the purchase price or number of shares purchasable provided for in any right, warrant or option referred to in clause 1. above, or the rate at which any convertible securities referred to in clause 1. or 2. above are convertible into Common Stock shall change at any time (other than under or by reason of provisions designed to protect against dilution in connection with events for which provision for adjustments in the Conversion Factor are provided for herein), the Conversion Factor then in effect hereunder shall forthwith be readjusted to such Conversion Factor as would have been obtained had the adjustments made upon the issuance of such rights,

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

warrants, options or convertible securities been made upon the basis of the changed terms; and on the expiration of any such right, warrant or option referred to in clause 1. above or the termination of any such right to convert such convertible securities referred to in clause 1. or 2. above, the Conversion Factor then in effect hereunder shall forthwith be readjusted to such Conversion Factor as would have been obtained had the adjustments made upon the issuance of such rights, warrants or options or convertible securities been made upon the basis of the issuance of only the number of shares of Common Stock, if any, theretofore actually delivered upon the exercise of such rights, warrants or options or upon the conversion of such convertible securities.

(d) No Impairment. The Corporation will not, by amendment of its Certificate of Incorporation or through any reorganization, reclassification, recapitalization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Section 6 and in the taking of all such action as may be necessary or appropriate in order to protect the conversion rights of the holders of the Preferred Stock against impairment.

(e) No Fractional Shares: Certificate as to Adjustments.

(i) No fractional shares of Common Stock shall be issued upon conversion of the Preferred Stock. In lieu of fractional shares, the Corporation shall pay the holder the fair market value of such fractional share of Common Stock in cash.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Factor and the corresponding Conversion Rate for the Preferred Stock pursuant to this Section 6, the Corporation, at its expense, shall as soon as practicable compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (A) such adjustment and readjustment, (B) the Conversion Factor and Conversion Rate at the time in effect, and (C) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of a share of Preferred Stock.

D-5

(f) Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock solely for the purpose of effecting the conversion of the shares of the Preferred Stock, free from any preemptive right or other obligation, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Preferred Stock; and if at any time the number of authorized but unissued shares of the Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Preferred Stock, in addition to such other remedies as shall be available to the holder of such Preferred Stock, the Corporation shall as soon as practicable take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes. The Corporation shall prepare and shall use its best efforts to obtain and keep in force such governmental or regulatory permits or other authorizations as may be required

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

by law, and shall comply with all requirements as to registration, qualification or listing of the Common Stock, in order to enable the Corporation lawfully to issue and deliver to each holder of record of Preferred Stock such number of shares of its Common Stock as shall from time to time be sufficient to effect the conversion of all Preferred Stock then outstanding and convertible into shares of Common Stock.

(g) Notices. Any notice required by the provisions of this Article Fourth, Section 6 to be given to the holders of shares of Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, or by a recognized commercial delivery service (e.g., United Parcel Service), delivery prepaid and addressed to each holder of record at his address appearing on the books of this Corporation.

7. Voting Rights. Except as provided in Section 8 below, and except as otherwise required by law, a holder of Preferred Stock shall have no voting rights.

8. Protective Provisions. The Corporation shall not, without first obtaining the approval (by vote or written consent) of the holders of at least a majority of the then outstanding shares of Preferred Stock:

(a) authorize or issue any class or series of equity security having equal or superior rights as to payment upon liquidation, dissolution or a winding up of the Corporation;

(b) amend its Certificate of Incorporation or By-Laws in any way, or enter into a merger, consolidation, reorganization, recapitalization or sale of all or substantially all of its assets, in any case which adversely effects the rights and preferences of the holders of the Preferred Stock as a class (except that the Corporation may complete a reverse-split of its Common Stock without the consent of the holders of the Preferred Stock);

(c) engage in any transaction which would impair or reduce the rights of the holders of the Preferred Stock as a class.

9. Optional Redemption of the Preferred Stock. The Convertible Preferred Stock will not be subject to a sinking fund or other obligations of the Corporation to redeem or retire the Preferred Stock. The holders of Preferred Stock shall have no right to compel the Corporation to redeem the Preferred Stock. The Preferred Stock shall be redeemable in whole, but not in part, at the Corporation's option at any time on or after June 30, 2021. The redemption price per share of Preferred Stock shall equal the par value thereof, and shall be payable in cash to the order of the holder on the 30th day after notice of redemption shall have been given to the holders, subject to each holder's right to convert any or all of its shares of Preferred Stock into Common Stock in lieu of such payment.

10. Cancellation of Shares. No Preferred Stock acquired by the Corporation by reason of redemption, purchase, conversion or otherwise shall be reissued, and all such acquired Preferred Stock shall be canceled, retired, and eliminated from the shares which the Corporation shall be authorized to issue. The Corporation shall from time to time take such appropriate corporate action as may be necessary to reduce the authorized number of Preferred Shares accordingly."

KATY INDUSTRIES, INC.
AUDIT COMMITTEE CHARTER

The Board of Directors of Katy Industries, Inc. (Katy or the Company) hereby defines and establishes the role of its Audit Committee (the Committee) with authority, responsibility, and specific duties as described in the following text.

The Audit Committee

Composition

The Committee shall be comprised of three or more directors who are independent of management and operating executives. One of the members shall be appointed Committee Chairman by the Chairman of the Board of Directors.

Authority

The Audit Committee is granted the authority to investigate any activity of the Company, and all employees are directed to cooperate as requested by members of the Committee. The Committee is empowered to retain persons having special competence as necessary to assist the Committee in fulfilling its responsibility.

Responsibility

The Audit Committee is to serve as a focal point for communication between noncommittee directors, the independent accountants, internal audit, and Katy's management, as their duties relate to financial accounting, reporting, and controls. The Audit Committee is to assist the Board of Directors in fulfilling its fiduciary responsibilities as to accounting policies and reporting practices of Katy and all subsidiaries and the sufficiency of auditing relative thereto. It is to be the Board's principal agent in assuring the independence of the corporation's independent accountants, the integrity of management, and the adequacy of disclosures to stockholders. The opportunity for the independent accountants to meet with the entire Board of Directors as needed is not to be restricted.

Meetings

The Audit Committee is to meet at least two times per year and as many times as that committee deems necessary.

Attendance

Members of the Audit Committee are to be present at all meetings; however, a quorum of two, including the Chairman, suffices for a meeting. As necessary or desirable, the Chairman may request that members of management, internal auditors, and representatives of the independent accountants be present at meetings of the Committee.

Minutes

Minutes of each meeting are to be prepared and sent to Committee members and the Katy directors who are not members of the Committee, and/or matters reviewed at each committee meeting will be discussed with the Board of

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

Directors.

Specific Duties

The Audit Committee is to:

1) Inform the independent accountants and management that the independent accountants and the Committee may communicate with each other at all times; and the Committee Chairman may call a meeting whenever he deems necessary.

E-1

2) Review with the Company's management, independent accountants, and internal auditors, as deemed necessary by the Committee, the Company's policies and procedures to reasonably assure the adequacy of internal accounting and financial reporting controls.

3) Have familiarity, through the individual efforts of its members, with the accounting and reporting principles and practices applied by the Company in preparing its financial statements. Further, the Committee is to make, or cause to be made, all necessary inquiries of management and the independent accountants concerning established standards of corporate conduct and performance, and deviations therefrom.

4) Review, prior to the annual audit, the scope and general extent of the independent accountant's audit examination, including the engagement letter. The auditor's fees are to be arranged with management and annually summarized for Committee review. The Committee's review should entail an understanding from the independent accountant of the factors considered by the accountant in determining the audit scope, including:

- a) Industry and business risk characteristics of the Company
- b) External reporting requirements
- c) Materiality of the various segments of the Company's consolidated and nonconsolidated activities
- d) Quality of internal controls
- e) Extent of involvement of internal audit in the audit examination
- f) Other areas to be covered during the audit engagement

5) Review and approve requests for any management consulting engagement to be performed by the Company's independent auditor and be advised of any other study undertaken at the request of management that is beyond the scope of the audit engagement letter.

6) Review with management and the independent accountants, upon completion of their audit, financial results for the year, prior to their release to the public. This review is to encompass:

- a) The Company's annual report to shareholders and Form 10-K, including the financial statements, and financial statement and supplemental disclosures required by generally accepted accounting principles and the Securities and Exchange Commission
- b) Significant transactions not a normal part of the Company's operations

Edgar Filing: KATY INDUSTRIES INC - Form PRER14A

c) Changes, if any, during the year in the Company's accounting principles or their application

d) Significant adjustments proposed by the independent accountants

e) All other communications required to be made by professional standards

7) Review quarterly results before their release with management and the independent public accountants. This can be accomplished by a discussion between the Chairman of the Committee, the engagement partner of the independent accountants, and any other individuals they deem appropriate. The independent accountants should be instructed to communicate with the Committee if there is a probability that any quarterly review report, if one is to be issued, will be other than standard.

8) Evaluate the cooperation received by the independent accountants during their audit examination, including their access to all requested records, data, and information. Also, elicit the comments of management regarding the responsiveness of the independent accountants to the Company's needs. Inquire of the independent accountants whether there have been any disagreements with management that if not satisfactorily resolved would have caused them to modify their report on the Company's financial statements.

E-2

9) Discuss with the independent accountants the quality of the Company's financial and accounting personnel, and any relevant recommendations that the independent accountants may have (including those in their "letter of comments and recommendations"). Topics to be considered during this discussion include improving internal financial controls, the selection of accounting principles, and management reporting systems. Review written responses of management to letter of comments and recommendations from the independent accountants.

10) Discuss with Company management the scope and quality of internal accounting and financial reporting controls in effect.

11) Review and concur in the appointment, replacement, reassignment or dismissal of the Director of Internal Audit.

12) Apprise the Board of Directors, through minutes and special presentations as necessary, of significant developments in the course of performing the above duties.

13) Recommend to the Board of Directors any appropriate extension or changes in the duties of the Committee.

14) Recommend to the Board of Directors the independent accountants to be nominated, approve the compensation of the independent accountants and review and approve the discharge of the independent accountants.
