Form: Global Note.

Interest Reset Dates: Quarterly, on August 12, 2005, November 12, 2005 and February 12, 2006, provided that if any such day would otherwise fall on a day that is not a Business Day, then the Interest Reset Date will be the next succeeding Business Day, except that if such Business Day is in the next succeeding calendar month, such Interest Reset Date will be the immediately preceding Business Day.

Interest Payment Dates: Interest will be paid on August 12, 2005, November 12, 2005, February 12, 2006, and on the Maturity Date provided that if any such day (other than the Maturity Date) is not a Business Day, then the Interest Payment Date will be postponed to the following day which is a Business Day, except that if such Business Day is in the next succeeding calendar month, such Interest Payment Date will be the immediately preceding Business Day. If the Maturity Date falls on a day which is not a Business Day, then the required payment of principal, premium, if any, and/or interest will be made on the following day which is a Business Day as if it were made on the date such payment was due, and no interest shall accrue as a result of such delayed payment.

Accrual of Interest: Accrued interest will be computed by adding the Interest Factors calculated for each day from the Original Issue Date or from the last date to which interest has been paid or duly provided for up to but not including the day for which accrued interest is being calculated. The "Interest Factor" for any note for each such day will be computed by multiplying the face amount of the note by the interest rate applicable to such day and dividing the product thereof by 360.

Interest Determination Date: Two London Business Days prior to each Interest Reset Date.

Maximum Interest Rate: Maximum rate permitted by New York law.

Minimum Interest Rate: 0.0%
