**Item 15. Recent Sales of Unregistered Securities**

During the past three fiscal years, we have issued securities in the following transactions, each of which was exempt from the registration requirements of Securities Act of 1933, as amended (Securities

Act). All of the below-referenced securities issued pursuant to the exemption from registration under Section 4(2) of the Securities Act are deemed restricted securities for the purposes of the Securities Act and the presentation gives retroactive effect to the 2-for-3 reverse stock split of our common stock effected on October 6, 2006.

During 2003, 2004, 2005 and 2006, we issued the following securities in transactions exempt from registration under Section 4(2) or 3(a)(9) of the Securities Act:

In March 2003, ORBCOMM LLC issued convertible notes in the aggregate principal amount of approximately \$4.5 million to unrelated parties of which notes totaling approximately \$165,000 were issued to a placement agent. ORBCOMM LLC issued additional convertible notes in the aggregate principal amount of approximately \$1.2 million to related parties. Additionally, with the issuance of these notes, ORBCOMM LLC issued warrants to purchase 1,182,580 membership interests units of ORBCOMM LLC with a fair value of approximately \$930,000.

In January and February 2004, ORBCOMM LLC issued convertible notes in the aggregate principal amount of approximately \$1.3 million. ORBCOMM LLC also issued warrants to purchase 131,578 membership interest units of ORBCOMM LLC in connection with these notes.

On February 17, 2004, we completed a private placement of 6,302,817 shares of our Series A preferred stock at a purchase price of \$2.84 per share, or an aggregate of approximately \$17.9 million, to SES Global, S.A., Ridgewood Satellite LLC, OHB Technology A.G., Sagamore Hill Hub Fund Ltd., Northwood Ventures LLC and Northwood Capital Partners LLC, each of which is and was at the time an accredited investor, including conversion of a note in the amount of \$2.6 million issued to Ridgewood Satellite LLC.

In connection with the private placement, approximately \$11.0 million of the outstanding convertible debt of ORBCOMM LLC, which included the notes issued in 2003 and 2004 as well as other notes issued prior to 2003, was converted into approximately 3.9 million shares of our Series A preferred stock.

In connection with the private placement, the corporate structure of ORBCOMM LLC was reorganized such that ORBCOMM LLC became our wholly owned subsidiary and the former members of ORBCOMM LLC were issued 5,657,934 shares of our common stock in exchange for their membership interest units and holders of warrants to purchase membership interest units of ORBCOMM LLC were issued warrants to purchase 1,824,665 shares of our common stock.

In connection with the reorganization, two of our officers contributed all of their interests in Sistron International LLC (representing 100% of Sistron) to us in exchange for 127,414 shares of Series A preferred stock in the amount of approximately \$361,855.

On August 13, 2004, we completed a follow-on sale of 4,051,888 shares of Series A preferred stock in the amount of approximately \$11.5 million to existing holders of Series A preferred stock.

In 2005, we issued Transport International Pool, Inc. 32,083 shares of common stock in the amount of approximately \$136,000 upon Transport International Pool, Inc.'s non-cancellable order for the purchase of our products.

In October 2005, pursuant to an agreement entered into in connection with the 2004 reorganization, we acquired, from two of our officers, a 51% interest of Satcom in exchange for (i) 620,000 shares of Series A preferred stock in the amount of approximately \$1,760,800 and (ii) a contingent payment in the event of a sale of or initial public offering.

In November and December 2005 and January 2006, we completed private placements in the amount of approximately \$72.5 million, consisting of 10% convertible promissory notes due February 16, 2010, warrants to

purchase our common stock and shares of our Series B preferred stock to PCG Satellite Investments, LLC (an affiliate of the Pacific Corporate Group), MH Investors Satellites LLC (an affiliate of MH Equity Investors), Torch Hill Capital and several existing investors, including Ridgewood Capital, OHB Technology A.G., Northwood Ventures and several members of senior management, and certain other private equity investors, each of which is an accredited investor. The 10% convertible notes automatically converted on December 30, 2005 into

shares of Series B preferred stock at a conversion price of \$4.03 per share, and as a result of such conversion, the warrants were cancelled for no consideration. The transactions also included the reinvestment by certain holders of our Series A preferred stock of \$1.3 million of dividends paid to the Series A preferred stock holders in shares of Series B preferred stock at a price of \$4.03 per share. As a result of these transactions, an aggregate of approximately 18.0 million shares of our Series B preferred stock were issued and outstanding as of June 30, 2006.

In July and August 2006, we issued an aggregate of 520,588 shares of common stock upon the exercise of warrants to purchase common stock at per share exercise prices of \$2.33 and \$4.26. We received aggregate gross proceeds of \$1.3 million from the exercise of these warrants.

During 2006, we granted stock options to an officer under our 2004 stock option plan covering an aggregate of 50,000 shares of our common stock, at an average exercise price of \$4.88 per share. In 2006, we awarded 1,058,293 RSUs and 413,333 SARs with a weighted average issuance price equal to the initial public offering price of our common stock in this offering under the 2006 LTIP to employees of the Company. The stock option, RSU and SAR awards described above were made under written compensatory plans or agreements in reliance on the exemption from registration pursuant to Rule 701 under the Securities Act or pursuant to Section 4(2) under the Securities Act.

**Item 17. Undertakings**

The undersigned registrant hereby undertakes:

to provide to the underwriter at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser;

that, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use;

that, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser to the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of

securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

II-5

---

Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser;

that, for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective; and

that, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
