Item 2.02. Results of Operations and Financial Condition

Item 7.01 Regulation FD Disclosure

On December 13, 2006, the Company announced a realignment of its businesses to drive strategic growth, group businesses with similar dynamics and growth opportunities, and increase transparency. We will begin reporting our financial results in the new segments beginning with our third quarter 2007 results to be released later this month. In connection with this effort, we are providing quarterly historical financial data in the new reporting segments for fiscal years 2005 and 2006 and for the first two fiscal quarters of 2007. We are including (i) the slide presentation we intend to give to certain of our investors simultaneously with the release of this Current Report and (ii) the accompanying financial tables to provide more detail and to reconcile certain non-GAAP performance measures used in the slide presentation, as Exhibits 99.1 and 99.2, respectively, to this Current Report. The exhibits are incorporated herein solely for purposes of these furnished disclosures. The slide presentation and accompanying financial tables may also be accessed on our website at www.celanese.com through the Investor link.
