Item 1.01 Entry into a Material Definitive Agreement.

As previously reported, on April 13, 2009 Akorn, Inc. ("Akorn") and Akorn (New Jersey), Inc. (together with Akorn, the Borrowers) entered into a Modification, Warrant and Investor Rights Agreement (the Modification Agreement) with EJ Funds LP ("EJ") that, among other things, (i) modified certain terms of the Credit Agreement, dated January 7, 2009, originally among the Borrowers and General Electric Capital Corporation ("GECC") as lender and agent, (ii) granted a security interest in and lien upon all the collateral under the Credit Agreement to the John N. Kapoor Trust dated September 20, 1989 (the Kapoor Trust) as security for the Subordinated Promissory Note dated July 28, 2008 in the principal amount of \$5,000,000 (the Subordinated Note) payable by Akorn to the Kapoor Trust and (iii) provided that the Borrowers would execute security documents, reflecting that security interest and lien, substantially similar to the corresponding security documents under the Credit Agreement.

Pursuant to the Modification Agreement, on May 27, 2009, the Borrowers and the Kapoor Trust entered into a Guaranty and Security Agreement (the Guaranty and Security Agreement) pursuant to which, among other things, each Borrower guaranteed the obligations of the other Borrower under the Subordinated Note and granted a security interest to the Kapoor Trust, in the collateral described in the Guaranty and Security Agreement, as security for the Subordinated Note. The obligations of the Borrowers are secured by substantially all of the assets of the Borrowers, including pledges of the trademarks and patents held by Akorn, and Akorn's ownership interests in Akorn NJ, but excluded Akorn's ownership interest in Akorn-Strides, LLC and in certain licenses and other property in which assignments are prohibited by confidential provisions. The security interests granted by the Borrowers to the Kapoor Trust are junior to those held by EJ (GECC's assignee) as security for the Borrowers' obligations under the Credit Agreement, and the Kapoor Trust's rights to enforce its rights with respect to the collateral are generally subject to the prior rights of EJ. In addition, for so long as EJ (and its affiliates, if any) hold a sufficient interest in the Borrowers obligations under the Credit Agreement to block the taking of actions requiring the consent of the lenders party to that agreement, the Kapoor Trust will be bound by certain decisions made under the Credit Agreement for which it would otherwise have an independent right of consent.

The description of the Guaranty and Security Agreement herein is only a summary and is qualified in its entirety by the full text of that document, which is filed as an exhibit hereto and incorporated by reference herein.
