**Item 1.01. Entry into a Material Definitive Agreement**

On August 31, 2009 (the Closing Date), with the objective of availing itself of the benefits of an improved credit market in an ongoing unstable macroeconomic environment, Monster Worldwide, Inc. (the Company) amended certain terms and increased its borrowing capability under its existing credit agreement. On the Closing Date, the Company's existing credit agreement was amended pursuant to that certain amended and restated credit agreement (the Amended Credit Agreement), dated the Closing Date, by and among the Company, Bank of America, N.A., in its capacity as administrative agent (the Agent), and the lenders identified therein (the Lenders). In addition, on the Closing Date, the Company's domestic subsidiaries entered into an amended and restated Subsidiary Guaranty (the Amended Guaranty) in favor of the Agent, and the Company and its wholly-owned subsidiary, Monster (California), Inc., entered into (and certain of the Company's other subsidiaries may from time to time be required to enter into) the U.S. Pledge Agreement (the U.S. Pledge Agreement) in favor of the Agent.

The Amended Credit Agreement maintains the Company's existing \$250 million revolving credit facility and provides for a new \$50 million term loan facility, providing for total of \$300 million in credit available to the Company. The Company drew the full \$50 million of the term loan facility on the Closing Date and used the proceeds thereof to pay down \$50 million of the Company's borrowings under the revolving credit facility. Following these transactions, the Company has \$47 million of borrowings outstanding under the revolving credit facility and \$50 million of borrowings outstanding under the term loan facility. The revolving credit facility and the term loan facility each mature on December 21, 2012. The term loan is subject to annual amortization of principal with \$5 million payable on each anniversary of the Closing Date and the remaining \$35 million due at maturity. The borrowings under the Amended Credit Agreement can be used for general corporate purposes and while the Company has no current plans to fully utilize the entire amount available under the credit facility, the Amended Credit Agreement provides ample liquidity for the Company to capitalize on potential business opportunities.

The Amended Credit Agreement provides for increases in the interest rates applicable to borrowings and increases in certain fees. Borrowings under the Amended Credit Agreement will bear interest at a rate equal to (i) LIBOR plus a margin ranging from 300 basis points to 400 basis points depending on the Company's ratio of consolidated funded debt to trailing four-quarter consolidated earnings before interest, taxes, depreciation and amortization (the

Consolidated Leverage Ratio) and (ii) for Dollar-denominated loans only, the sum of (A) the highest of (1) the Agent's prime rate, (2) the sum of 0.50% plus the overnight federal funds rate on such day or (3) subject to certain exceptions, the sum of 1.00% plus the 1-month LIBOR rate, plus (B) a margin ranging from 200 basis points to 300 basis points depending on the Company's Consolidated Leverage Ratio. In addition, the Company will be required to pay the following fees: (i) a fee on all outstanding amounts of letters of credit at a rate per annum ranging from 300 basis points to 400 basis points (which rate is based on the Consolidated Leverage Ratio); and (ii) a commitment fee on the unused portion of the revolving credit facility at a rate per annum ranging from 50 basis points to 75 basis points (which rate is based on the Consolidated Leverage Ratio). The Company is no longer required to pay a utilization fee on outstanding loans and letters of credit under any circumstances.

The Amended Credit Agreement also increases the maximum permitted Consolidated Leverage Ratio to: (a) 3.50:1.00 for the period beginning on August 31, 2009 and ending on September 29, 2010; (b) 3.00:1.00 for the period beginning on September 30, 2010 and ending on September 29, 2011; and (c) 2.75:1.00 beginning on September 30, 2011 and any time thereafter.

The foregoing summary of the Amended Credit Agreement is not complete and is qualified in its entirety by the terms and provisions of the Amended Credit Agreement. A copy of the Amended Credit Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Pursuant to the Amended Guaranty, the obligations of all of the loan parties under the Amended Credit Agreement are guaranteed by all of the Company's domestic subsidiaries, other than certain inactive subsidiaries. The foregoing summary of the Amended Guaranty is not complete and is qualified in its entirety by the terms and provisions of the Amended Guaranty. A copy of Amended Guaranty is filed as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.

The obligations of the loan parties under the Amended Credit Agreement, under the Amended Guaranty and under certain hedging and cash management agreements entered into with the Lenders or the Lenders' affiliates are secured

by a pledge of: (a) all of the equity interests of the Company's domestic subsidiaries (other than certain specified inactive subsidiaries) pursuant to the U.S. Pledge Agreement; and (b) 65% of the equity interests of each first-tier material foreign subsidiary of the Company, which pledge will be accomplished through the subsequent execution and delivery of one or more separate pledge agreements.
