Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

At a meeting of the Compensation Committee (the Committee) of the Board of Directors (the Board) of Alnylam Pharmaceuticals, Inc. (the Company) held on February 17, 2010, the Committee authorized the implementation of an Annual Incentive Program (the Plan) for 2010. The terms of the Plan are the same as the terms of the 2009 Annual Incentive Program.

Under the Plan, specified employees, including the Company's executive officers (Plan Participants), are eligible to receive an annual cash bonus based upon the achievement of individual and corporate goals and objectives for 2010 that have been specified in writing. The corporate goals for 2010 were proposed by the Company's executive officers and approved by the Board. Individual objectives focus on contributions that facilitate the achievement of the Company's corporate goals. The Committee approved the individual objectives for the Company's executive officers and vice presidents. The individual objectives for the other Plan Participants are approved by the Company's chief executive officer.

Awards under the Plan, if any, will be determined by first establishing a Plan Participant's individual award, which will be based upon performance against individual objectives for 2010. Each Plan Participant has an established target opportunity under the Plan, as set forth in the table below, representing a percentage of the Plan Participant's base salary for 2010. The individual award will range from 0% to 100% of the Plan Participant's target opportunity (capped at 100% of the target opportunity) based upon the Plan Participant's individual performance against his or her 2010 objectives.

2010 Annual Incentive Program Target Opportunities

	Band	Title	Target Opportunity
Chief Executive Officer			50%
President and Chief Operating Officer			30%
Senior Vice President/Vice President			20%
Senior Director/Director			12%
Associate Director			7%

A corporate performance modifier will then be applied to the individual award. The corporate performance modifier will range from 0% to 100% and will be based upon the Company's performance against the 2010 corporate goals approved by the Board; provided, however, that if corporate performance for 2010 falls below a threshold of 50%, the corporate performance modifier will be 0%. The Committee retains the ability under the Plan to exercise its discretion in adjusting an award higher or lower as it deems appropriate under the specific circumstances. At the end of 2010, the Committee will evaluate individual and corporate performance against the established goals and objectives and determine the amount of the awards, if any, to be granted under the Plan. Any awards granted under the Plan will be paid in January 2011.
