EXPLANATORY NOTE

This Form 8-K/A amends the Current Report on Form 8-K filed by Ashford Hospitality Trust, Inc. on May 21, 2010 (the Original Filing). The Original Filing incorrectly classified the disclosure under Item 8.01 (Other Events) rather than Item 7.01 (Regulation FD Disclosure). This amendment sets forth the identical disclosure information and exhibits as the Original Filing but provides the disclosure under Item 7.01 rather than Item 8.01, and clarifies that the information in this Form 8-K/A and exhibits attached hereto are being furnished rather than filed for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended.

ITEM 7.01 REGULATION FD DISCLOSURE

The information in this Form 8-K/A and exhibits attached hereto are being furnished and shall not be deemed filed for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as may be expressly set forth by specific reference in such filing.

Certain statements and assumptions in the exhibits attached hereto contain or are based upon forward-looking information and are being made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to risks and uncertainties. Such forward-looking statements include, but are not limited to, our future financial condition and projected capital expenditures. Such statements are subject to numerous assumptions and uncertainties, many of which are outside of our control.

These forward-looking statements are subject to known and unknown risks and uncertainties, which could cause actual results to differ materially from those anticipated, including, without limitation: general volatility of the capital markets and the market price of our common stock; changes in our business or investment strategy; availability, terms and deployment of capital; availability of qualified personnel; changes in our industry and the market in which we operate, interest rates or the general economy; and the degree and nature of our competition. These and other risk factors are more fully discussed in our filings with the Securities and Exchange Commission.
