**Item 7.01. Regulation FD Disclosure.****Potential Stock Repurchases**

Alere Inc., or Alere, today issued a press release entitled "Alere Inc. Announces Stock Repurchase Authorization," a copy of which is furnished with this Current Report on Form 8-K as Exhibit 99.1.

**Potential Stock Sales in Connection with Expiring Stock Options**

Several directors and officers of Alere have stock options which will expire during 2011 if not exercised, some as early as February 2011. The list of the directors and officers and their applicable stock options covering a total of 757,516 shares of Alere common stock is set forth below. Other stock options covering an additional 253,984 shares of Alere common stock also expire by their terms during 2011.

The directors and officers of Alere, as well as other option holders, may exercise these stock options prior to their expiration dates either by paying the exercise price in cash, by selling a sufficient number of shares of Alere stock to cover the exercise price and the related tax obligations, or by other methods permitted under the applicable option agreements. The directors, officers or other option holders may establish 10b5-1 plans in order to permit sales of Alere common stock, without regard to whether they may be in possession of material, non-public information at the time of sale, for the purpose of funding the exercise price and any tax obligations related to the exercise of these or other stock options.

Ron Zwanziger, Dave Scott and Jerry McAleer have indicated that they do plan to sell shares of Alere stock on the market in order to cover the exercise price and tax obligations relating to their options expiring during 2011 and that they plan to enter into qualified 10b5-1 plans to facilitate this.
