**Item 2.02 Results of Operations and Financial Condition**

On February 3, 2011, we issued a press release reporting our financial results for the three and twelve months ended December 31, 2010 (the "Press Release"). We also hosted a conference call and webcast on February 3, 2011 during which we made a presentation on our financial results for the three and twelve months ended December 31, 2010 (the "Presentation"). The Press Release and the Presentation are available on our website at [www.ryder.com](http://www.ryder.com).

The Press Release and Presentation include information regarding comparable earnings from continuing operations and comparable earnings per share from continuing operations for both fourth quarter and full year 2010 and 2009, which are non-GAAP financial measures as defined by SEC regulations. We believe that these non-GAAP financial measures provide useful information to investors, and allow for better year-over-year comparison, as the measures exclude from our GAAP earnings from continuing operations and earnings per share from continuing operations, as applicable, (1) restructuring charges in 2009, (2) certain tax benefits, including a benefit in the fourth quarter of 2010 related to the settlement of prior tax years and the expiration of a statute of limitations, and a benefit in the fourth quarter of 2009 related to changes in Canadian income tax laws, (3) the gain on the sale of an international asset in the fourth quarter of 2010, and impairment charges on the same international asset in the fourth quarter of 2009 and (4) costs related to an acquisition in the fourth quarter of 2010, all of which are unrelated to our ongoing business operations.

Additional information regarding non-GAAP financial measures can be found in the Press Release, the Presentation and our reports filed with the SEC.

The information in this Report, including Exhibits 99.1 and 99.2, is being furnished pursuant to Item 2.02 of Form 8-K and General Instruction B.2 thereunder and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except as expressly set forth by specific reference to such filing.
