Approval by the Shareholders for the Proposed Amendments to the Articles of Association

Pursuant to the Articles of Association and applicable law, the proposed amendments to the Articles of Association are subject to the approval of the Shareholders by way of special resolution at the AGM to be held on 24 May 2011 at Concord Room, 8/F, Renaissance Harbour View Hotel, 1 Harbour Road, Wan Chai, Hong Kong.

None of the Shareholders has a material interest in the proposed amendments to the Articles of Association. Accordingly, none of the Shareholders are required to abstain from voting at the AGM on the resolution relating to such matter.

Recommendation

The Board considers that the proposed amendments to the Articles of Association are in the interest of the Company and the Shareholders as a whole. Accordingly, the Board recommends that the Shareholders vote in favour of the special resolution to be proposed at the AGM to approve the proposed amendments to the Articles of Association, as detailed in the AGM Notice.

3. EXPLANATORY STATEMENT ON REPURCHASE MANDATE

Exercise of the Repurchase Mandate

The Directors believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company. It is proposed that up to 10% of the issued and outstanding Shares on the date of the passing of the ordinary resolution to approve the Repurchase Mandate may be repurchased. As at the Latest Practicable Date, 23,562,176,959 Shares were in issue and outstanding. On the basis of such figure, the Directors would be authorised to repurchase up to 2,356,217,695 Shares during the period up to the date of the next annual general meeting in 2012, or the expiration of the period within which the next annual general meeting of the Company is required by law to be held, or the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders at a general meeting, whichever of these three events occurs first.

Reasons for Repurchases

Repurchases of Shares will only be made when the Directors believe that they will benefit the Company and its Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or its earnings per Share.

Funding of Repurchases

Repurchases pursuant to the Repurchase Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any repurchases will be made out of funds of the Company legally permitted to be utilised for such purpose in accordance with its Memorandum and Articles of Association and the laws of Hong Kong, including profits otherwise available for distribution. Under the Companies Ordinance, a company's profits available for distribution are its accumulated, realised profits, so far as not previously utilised by distribution or capitalisation, less its accumulated, realised losses, so far as not previously written off in a reduction or reorganisation of capital duly made.

Table of Contents

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited accounts for the year ended 31 December 2010) in the event that the Repurchase Mandate is exercised in full.

However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the Company's working capital or gearing position, which in the opinion of the Directors are from time to time appropriate for the Company.

Disclosure of Interests

None of the Directors, and to the best of their knowledge, having made all reasonable enquires, none of their associates, have any present intention to sell Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

No connected persons of the Company have notified the Company that they (i) have a present intention to sell Shares to the Company or (ii) have undertaken not to sell Shares to the Company, if the Repurchase Mandate is approved by the Shareholders.

Directors Undertaking

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.

Share Repurchases Made by the Company

No repurchases of Share have been made by the Company (whether on the Stock Exchange or otherwise) during the six months preceding the date of this circular.

Takeovers Code Consequences

If as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of its or their shareholding, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Table of Contents

As at the Latest Practicable Date, the immediate controlling shareholders of the Company are, Unicom BVI and Netcom BVI. Unicom BVI, was recorded in the register required to be kept by the Company under Part XV of the Securities and Futures Ordinance as having an interest in 9,725,000,020 Shares, representing approximately 41.27% of the issued and outstanding share capital of the Company as at that date. If the Repurchase Mandate is exercised in full, Unicom BVI will be interested in approximately 45.86% of the reduced issued and outstanding share capital of the Company based on Unicom BVI's interest in the issued and outstanding share capital of the Company and the total number of issued and outstanding Shares as at the Latest Practicable Date. Netcom BVI, was recorded in the register required to be kept by the Company under Part XV of the Securities and Futures Ordinance as having a beneficial interest in 7,008,353,115 Shares, representing approximately 29.74% of the issued and outstanding share capital of the Company as at that date. If the Repurchase Mandate is exercised in full, Netcom BVI will be interested in approximately 33.05% of the reduced issued and outstanding share capital of the Company based on Netcom BVI's interest in the issued and outstanding share capital of the Company and the total number of issued and outstanding Shares as at the Latest Practicable Date. Unicom BVI and Netcom BVI are presumed to be acting in concert with each other in respect of their aggregate 71.02% shareholding in the Company pursuant to class (1) of the definition of "acting in concert" in the Takeovers Code as they are both ultimately controlled by Unicom Parent. Therefore, as the aggregate shareholding in the Company held by Unicom BVI and Netcom BVI, being persons acting in concert, exceeds 50%, exercise of the Repurchase Mandate should, subject to the specific circumstances in the particular case, not result in a mandatory offer obligation upon Unicom BVI and Netcom BVI under Rule 26 of the Takeovers Code. Furthermore, if the Repurchase Mandate is exercised in full, the percentage of the reduced issued and outstanding share capital of the Company in public hands will not fall below the minimum prescribed level of 10%, such level being the minimum prescribed level applied to the Company pursuant to a waiver granted by the Stock Exchange. Save as disclosed above, the Directors are not aware of any other consequences that may arise under the Takeovers Code as a result of a repurchase of the Shares.

Table of Contents**Market Prices**
