REPORT OF INDEPENDENT ACCOUNTANTS

To the Participants and Administrator of the  
Visteon Investment Savings Plan for Hourly Employees

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Visteon Investment Savings Plan for Hourly Employees (the "Plan") at December 30, 2001, and the changes in net assets available for benefits for the year then ended, in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets (Held at End of Year) and Schedule of Reportable Transactions are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. DESCRIPTION OF THE PLAN

The following description of the Visteon Investment Savings Plan for Hourly Employees (the "Plan") provides only general information. The Plan was established effective July 1, 2000. The provisions of the Plan are governed in all respects by the detailed terms and conditions contained in the Plan document. Participants should refer to the Plan document for a complete description of the Plan's provisions.

TYPE AND PURPOSE OF THE PLAN

The Plan is a defined contribution plan established to encourage and facilitate systematic savings and investment by eligible hourly employees of Visteon Corporation ("Visteon") and to provide them with an opportunity to become stockholders of Visteon. The Plan includes provisions for voting shares of Visteon stock. It is subject to certain provisions of the Employee Retirement Income Security Act of 1974, as amended, ("ERISA") applicable to defined contribution pension plans.

ELIGIBILITY AND VESTING

Hourly employees are eligible to participate in the Plan three months after their date of hire. Certain other part-time and temporary employees may also be eligible to participate in the Plan. Participation in the Plan is voluntary. Participants are immediately 100% vested in their contributions and actual earnings thereon, regardless of length of service.

CONTRIBUTIONS

Under the Plan, and subject to limits required to be imposed by the Internal Revenue Code of 1986, as amended (the "Code"), participants may

elect to contribute up to 25% of their eligible wages. Participants may also elect to reduce their annual profit sharing bonus, if any, to be contributed to the Plan. Such contributions are excluded from participants' taxable income.

### PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of (a) company matching contributions, (b) certain fund expenses. Allocations are based on participant earnings or account balances. Under the Plan, certain funds will charge a fee on short term transfers which is paid from the participant's account. The benefit to which a participant is entitled is determined from the participant's account.

### PLAN ADMINISTRATIVE EXPENSES

Plan administrative expenses are paid by Visteon and not charged to participants' accounts.

It is the Trustee's responsibility to invest Plan assets and to distribute benefits to participants. The Trustee is also responsible for daily administration of Plan activity.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

#### INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan investments are stated as determined by the Trustee. Purchases and sales are recorded on the trade-date basis.

Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on an accrual basis.

#### CONTRIBUTIONS

Contributions to the Plan from employees are recorded in the period that payroll deductions are made from participants.

#### PAYMENT OF BENEFITS

Benefits are recorded when paid.

#### USE OF ESTIMATES IN THE PREPARATION OF FINANCIAL STATEMENTS

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### RISKS AND UNCERTAINTIES

The Plan's invested assets ultimately consist of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for benefits.

### 3. MASTER TRUST (IN THOUSANDS)

All assets of the Plan are held by the Visteon Corporation Master Trust (the "Master Trust"). The Visteon Investment Plan also has all of its investments in the Master Trust. A summary of the assets of the Master Trust as of December 30, 2001 is as follows:

	=====

Common stock fund	4,426

### 5. RELATED PARTY TRANSACTIONS

Participants have the option to invest in the Visteon Stock Fund, which consists of investments in Visteon common stock. These transactions are exempt transactions with a party-in-interest.

### 6. TAX STATUS

A request was made on February 7, 2002 for favorable determination from the Internal Revenue Service ("IRS") for compliance with applicable sections of the Code. As of June 17, 2002, the IRS had not yet issued a favorable determination letter for the Plan.

The Plan has been designed to be in compliance with applicable requirements of the Code. The Plan administrator and Plan tax counsel believe that the Plan satisfies and is being operated in compliance with applicable provisions of the Code.

### 7. PLAN TERMINATION

Visteon, by action of the Board of Directors, may terminate the Plan at any time. Termination of the Plan would not affect the rights of a participant as to the continuance of investment, distribution or withdrawal of the securities, cash and cash value of the Visteon Stock Fund units in the account of the participant as of the effective date of such termination. There are currently no plans to terminate the Plan.
