Notes to the Financial Statements

December 31, 2002

1. DESCRIPTION OF THE PLAN

The following description of TechTeam Global, Inc. (the Company) 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

## Edgar Filing: TECHTEAM GLOBAL INC - Form 11-K

### GENERAL

The Plan is a defined contribution plan covering all eligible full-time employees of the Company and its domestic subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### CONTRIBUTIONS

Participants may contribute up to 50% of pretax annual compensation, as defined in the Plan document, subject to the legislated limitations. Participants may also contribute amounts representing distributions from other qualified plans. The Company matches 35% of the first 4% of base compensation. Company contributions are made in the form of Company stock and cannot be redirected to other fund options.

A participant may direct their contributions to any of the Plan's fund options.

### PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested value of the participant's account.

### VESTING

Participants are immediately vested in their contributions. Participants become fully vested in Company contributions upon completion of one year of service. Full vesting also occurs upon death, disability, or retirement at designated ages.

## Edgar Filing: TECHTEAM GLOBAL INC - Form 11-K

### FORFEITURES

During 2002, no forfeitures were used to reduce the Company's contribution to the Plan. At December 31, 2002 and 2001, forfeited account balances totaled \$66,724 and \$20,035, respectively.

### LOANS TO PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer from (to) the investment funds to (from) the loan fund. Loan terms range from 1-5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

### PAYMENT OF BENEFITS

On termination of service, a participant may receive a lump-sum amount equal to the value of his or her account, or upon death, disability or retirement, elect to receive annual installments over a ten-year period. The benefit to which a participant is entitled is the benefit that can be provided from the vested value of the participant's account.

### PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the amount in each participant's account would become 100% vested and be distributed to each participant in accordance with distribution policies set forth in the Plan.

### FEES AND EXPENSES

Administration fees are paid by the Plan.
