Any written notice revoking a proxy, and any later dated proxy, should be sent to Somanetics Corporation, 1653 East Maple Road, Troy, Michigan 48083-4208, Attention: Investor Relations Department.

Valid proxies in the enclosed form that are returned in time for the meeting and executed and dated in accordance with the instructions on the proxy will be voted as specified in the proxy. MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During the fiscal year ended November 30, 2003, our Board of Directors held three meetings. Our Board of Directors has determined that each of Messrs. Follis and Henry and Dr. Ausman are independent as independence is defined in the National Association of Securities Dealers' listing standards, as those standards have been modified or supplemented.

Audit Committee

Our Board of Directors has established a separately-designated, standing Audit Committee that consists of three directors and is established for the purpose of overseeing our accounting and financial reporting processes and audits of our financial statements. Robert R. Henry (Chairman), James I. Ausman, M.D., Ph.D., and Daniel S. Follis are the current members of this committee. Each of the members of our Audit Committee is independent as independence for audit committee members is defined in the National Association of Securities Dealers' listing standards, as those standards have been modified or supplemented. The Audit Committee:

- is directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for us, including responsibility for the resolution of disagreements between management and the auditor regarding financial reporting; each such registered public accounting firm must report directly to the Audit Committee;
- ensures that before the independent accountant is engaged by us to render audit or non-audit services, the engagement is approved by the Audit Committee or the engagement to render the service is entered into pursuant to pre-approval policies and procedures established by the Audit Committee; this pre-approval authority may be delegated to one or more members of the Audit Committee;

Edgar Filing: SOMANETICS CORP - Form DEF 14A

- takes, or recommends that the full board takes, appropriate action to oversee the independence of our independent accountants;
- oversees our independent accountants' relationship by discussing with our independent accountants the nature, scope and rigor of the audit process, receiving and reviewing audit and other reports from the independent accountants and providing our independent accountants with full access to the committee and the board to report on any and all appropriate matters;
- reviews and discusses the audited financial statements and the matters required to be discussed by SAS 61 with management and the independent accountants, including discussions concerning the independent accountant's judgments about the quality of our accounting principles, applications and practices as applied in our financial reporting;
- recommends to the board whether the audited financial statements should be included in our Annual Report on Form 10-K;
- reviews with management and the independent accountants the quarterly financial information before we file our Form 10-Qs; this review is performed by the committee or its chairperson;
- discusses with management and the independent accountants the quality and adequacy of our internal controls;
- establishes procedures for (1) the receipt, retention, and treatment of complaints received by us regarding accounting, internal accounting controls, or auditing matters, and (2) confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;
- reviews related party transactions required to be disclosed in our proxy statement for potential conflict of interest situations and approves all such transactions;
- discusses with management the status of pending litigation as it pertains to the financial statements and disclosure and other areas of oversight as the committee deems appropriate; and
- reports committee activities to the full board.

During the fiscal year ended November 30, 2003, our Audit Committee held six meetings. Our Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached as an appendix to this proxy statement.

Audit Committee Financial Expert

Our Board of Directors has determined that we have an Audit Committee financial expert, as defined by the Securities and Exchange Commission, serving on our Audit Committee. Robert R. Henry is our Audit Committee financial expert, and he is independent as independence for audit committee members is defined in the National Association of Securities Dealers' listing standards, as those standards have been modified or supplemented. Mr. Henry's experience that qualifies him as our Audit Committee financial expert includes investment banking experience serving as managing director of Morgan Stanley from 1977 to 1989, corporate securities underwriting experience with Morgan Stanley from 1965 to 1977 and an M.B.A. from Harvard Business School in 1964. See "Biographical Information."

Audit Committee Report

Our Audit Committee has:

- reviewed and discussed our audited financial statements for the fiscal year ended November 30, 2003 with our management;
- discussed with our independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU 380), as it has been modified or supplemented;
- received the written disclosures and the letter from our independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as it has been modified or supplemented; and
- discussed with our independent accountants our independent accountants' independence.

Based on the review and discussions described above in this paragraph, our Audit Committee recommended to our Board of Directors that the audited financial statements for the fiscal year ended November 30, 2003 be included in our Annual Report on Form 10-K for the fiscal year ended November 30, 2003 for filing with the Securities and Exchange Commission.

Management is responsible for the Company's financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company and we may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the field of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of our Company's financial statements has been carried out in accordance with generally accepted auditing standards or that our Company's independent accountants are in fact "independent."

Compensation Committee

Our Board of Directors has a standing Compensation Committee which consists of three directors. Daniel S. Follis (Chairman), James I. Ausman, M.D., Ph.D. and Robert R. Henry are the current members of this committee. Each of the members of our Compensation Committee is independent as independence is defined in the National Association of Securities Dealers' listing standards, as those standards have been modified or supplemented. The Compensation Committee makes recommendations to the Board of Directors with respect to compensation arrangements and plans for senior management, officers and directors of the Company and administers the Company's 1991 Incentive Stock Option Plan and 1997 Stock Option Plan. During the fiscal year ended November 30, 2003, the Compensation Committee held five meetings.

Nominating Committee

Our Board of Directors has a standing Nominating Committee which consists of three directors. James I. Ausman, M.D., Ph.D. (Chairman), Robert R. Henry and Daniel S. Follis are the current members of this committee. The Nominating Committee identifies individuals to become board members and selects, or recommends for the board's selection, director nominees to be presented for shareholder approval at the annual meeting of shareholders or to fill any vacancies. During the fiscal year ended November 30, 2003, the Nominating Committee held no meetings, because it was not formed until December 12, 2003, although on December 12, 2003, it met and recommended Bruce J. Barrett for re-election as a director at this meeting.

Our Board of Directors has adopted a written charter for the Nominating Committee, a copy of which is attached as an appendix to this proxy statement and is also available to shareholders on our website, at <http://www.somanetics.com>. Each of the members of our Nominating Committee is independent as independence is defined in the National Association of Securities Dealers' listing standards, as those standards have been modified or supplemented.

The Nominating Committee's policy is to consider any director candidates recommended by shareholders. Such recommendations must be made pursuant to timely notice in writing to our Secretary, at Somanetics Corporation, 1653 East Maple Road, Troy, Michigan 48083-4208. To be timely, the notice must be received at our offices at least 120 days before the anniversary of the mailing of our proxy statement relating to the previous annual meeting of shareholders. The notice must set forth:

- with respect to the director candidate,
 - the candidate's name, age, business address and residence address,
 - the candidate's principal occupation or employment,
 - the number of our common shares beneficially owned by the candidate,
 - information with respect to the candidate's independence, as defined under Nasdaq's listing standards for independent directors in general and with respect to Audit Committee members,
 - information with respect to other boards on which the candidate serves,

- information with respect to direct or indirect transactions, relationships, arrangements and understandings between the candidate and us and between the candidate and the shareholder giving the notice, and
 - any other information relating to the candidate that we would be required to disclose in our proxy statement if we were to solicit proxies for the election of the candidate as one of our directors or that is otherwise required under Securities and Exchange Commission rules, including the candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if elected, and
- with respect to the shareholder giving the notice,
- the name and address of the shareholder as they appear on our stock transfer records, and
 - the number of our common shares beneficially owned by the shareholder (and the period they have been held).

The Nominating Committee has not established specific, minimum qualifications for recommended nominees or specific qualities or skills for one or more of our directors to possess. The Nominating Committee uses a subjective process for identifying and evaluating nominees for director, based on the information available to, and the subjective judgments of, the members of the Nominating Committee and our then current needs, although the committee does not believe there would be any difference in the manner in which it evaluates nominees based on whether the nominee is recommended by a shareholder. Historically, nominees have been existing directors or business associates of our directors or officers.

CODE OF BUSINESS CONDUCT AND ETHICS

We adopted a Code of Business Conduct and Ethics on December 12, 2003 that applies to all of our employees, officers and directors, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Business Conduct and Ethics contains written standards that we believe are reasonably designed to deter wrongdoing and to promote:

- Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- Full, fair, accurate, timely, and understandable disclosure in reports and documents that we file with, or submit to, the Securities and Exchange Commissions and in other public communications we make;
- Compliance with applicable governmental laws, rules and regulations;
- The prompt internal reporting of violations of the code to an appropriate person or persons named in the code; and

Edgar Filing: SOMANETICS CORP - Form DEF 14A

- Accountability for adherence to the code.

This Code of Business Conduct and Ethics is attached to our Annual Report on Form 10-K for the fiscal year ended November 30, 2003 as Exhibit 14.1. We have also posted it on our Web site at <http://www.somanetics.com>. We will provide to any person without charge, upon request, a copy of our Code of Business Conduct and Ethics. Requests for a copy of our

10

Code of Business Conduct and Ethics should be made to our Secretary at Somanetics Corporation, 1653 East Maple Road, Troy, Michigan 48083-4208. We intend to satisfy the disclosure requirement under Item 10 of Form 8-K regarding an amendment to, or a waiver from, a provision of our Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions and that relates to any element of the code definition enumerated in Securities and Exchange Commission, Regulation S-K, Item 406(b) by posting such information on our Web site at <http://www.somanetics.com> within five business days following the date of the amendment or waiver.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Our Board of Directors has a process for shareholders to send communications to the Board of Directors, its Nominating Committee or its Audit Committee, including complaints regarding accounting, internal accounting controls, or auditing matters. Communications can be sent to the Board of Directors, its Nominating Committee or its Audit Committee or specific directors either by regular mail to the attention of the Board of Directors, its Nominating Committee, its Audit Committee or specific directors, at our principal executive offices at 1653 East Maple Road, Troy, Michigan 48083-4208, or by e-mail to directors01@somanetics.com. All of these communications will be reviewed by our Secretary (1) to filter out communications that our Secretary deems are not appropriate for our directors, such as spam and communications offering to buy or sell products or services, and (2) to sort and relay the remainder (unedited) to the appropriate directors.

We encourage all of our directors to attend the annual meeting of shareholders, if possible. All five of our continuing directors attended the 2003 annual meeting of shareholders.

Barrett, Scheuing and Spadafore, Ms. Victor and Ms. Winters in fiscal 2003 under our 1997 Stock Option Plan (except for 54,880 nonqualified stock options granted to Mr. Barrett), exercisable at the then current fair market value of the underlying common shares. Each of these options is exercisable in one-third cumulative annual increments beginning August 13, 2004. Each option also becomes 100% exercisable immediately 10 days before or upon specified changes in control of the Company. For the nonqualified stock options granted to Mr. Barrett, the portion of these options that is exercisable at the date of termination of employment remains exercisable until the expiration date of the option, unless termination is for cause.

If, upon exercise of any of the options described above, we must pay any amount for income tax withholding, in the Compensation Committee's or the Board of Directors' sole discretion, either the optionee will pay such amount to us or we will appropriately reduce the number of common shares we deliver to the optionee to reimburse us for such payment. The Compensation Committee or the Board may also permit the optionee to choose to have these shares withheld or to tender common shares the optionee already owns. The Compensation Committee or the Board may also make such other arrangements with respect to income tax withholding as it shall determine.

Compensation of Directors

We refer to our directors who are not our officers or employees as Outside Directors. Our Outside Directors receive \$1,000 for each Board meeting attended in person, \$250 for each telephonic Board meeting attended, and \$250 for each Board committee meeting attended on a date other than the date of a Board meeting. We also reimburse Outside Directors for their reasonable expenses of attending Board and Board committee meetings. In addition, our Board of Directors has determined to grant Outside Directors who continue to serve as our directors after each annual meeting of shareholders, 10-year options to purchase 3,500 common shares each year on the date of the annual meeting of shareholders, exercisable at the fair market value of the common shares on the date of grant.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Bruce J. Barrett. As of May 13, 1994, we entered into an employment agreement with Bruce J. Barrett, pursuant to which, as amended, he is employed as President and Chief Executive Officer, or in such other position as the Board of Directors determines, for a period ending April 30, 2006. Mr. Barrett's annual salary is currently \$234,507, which may be increased by the Board of Directors. Mr. Barrett is also entitled to participate in any bonus plan established by the Compensation Committee of the Board of Directors. We adopted a bonus plan for fiscal 2003 and for fiscal 2004 that covers officers. Mr. Barrett is entitled to various fringe benefits under the agreement, including 12 months of compensation and six months of benefits if his employment under the agreement is terminated without cause or if the agreement expires without being renewed. Mr. Barrett has agreed not to compete with us during specified periods following the termination of his employment.

Richard S. Scheuing. As of January 11, 2002, we entered into a three-year agreement with Richard S. Scheuing, pursuant to which he is entitled to a bonus equal to six months of salary if he stays employed with our successor after a change in control for at least three months or if, during that period, the successor terminates his employment without cause or he quits for good reason. Mr. Scheuing's current annual salary is \$113,300, which may be increased by the Board of Directors. Mr. Scheuing has agreed not to compete with us and not to solicit our

employees during specified periods following the termination of his employment, and he has agreed to various confidentiality obligations.

Dominic J. Spadafore. As of August 1, 2002, we entered into an employment agreement with Dominic J. Spadafore, pursuant to which he is employed as Vice President of Sales and Marketing, or in such other position as the Board of Directors determines, for a period ending upon his death, termination by us upon his disability or with or without cause or termination by Mr. Spadafore. Mr. Spadafore's annual salary is currently \$132,600, which may be increased by the Board of Directors. Mr. Spadafore is also entitled to participate in

Edgar Filing: SOMANETICS CORP - Form DEF 14A

incentive plans, and during the first year of his employment, he was entitled to receive minimum incentive compensation of \$70,000 payable monthly in arrears. Mr. Spadafore also received an option to purchase 100,000 common shares as an inducement essential to his entering into the employment agreement.

Mr. Spadafore is entitled to various fringe benefits under the agreement. If, during the first two years of his employment, we terminate Mr. Spadafore's employment under the agreement without cause (as defined in the agreement), he is entitled to 12 months of his salary, unless the termination is in connection with a change in control (as defined in the agreement) and (1) the successor is bound by and performs the employment agreement, (2) the successor offers Mr. Spadafore employment on the same terms and conditions without any substantial decrease in salary without his consent, or (3) Mr. Spadafore accepts employment with the successor. If, after the first two years of his employment, we terminate (or our successor terminates) Mr. Spadafore's employment under the agreement without cause within 90 days before, or one year after, a change in control, he is entitled to 12 months of his salary, unless (1) the successor is bound by and performs the employment agreement, (2) the successor offers Mr. Spadafore employment on the same terms and conditions without any substantial decrease in salary without his consent, or (3) Mr. Spadafore accepts employment with the successor. Mr. Spadafore has agreed not to compete with us and not to solicit our employees during specified periods following the termination of his employment, and he has agreed to various confidentiality obligations.

Stock Option Terms. All options granted under our stock option plans through February 2, 2004, that are not already 100% exercisable immediately, including options granted to Messrs. Barrett, Scheuing and Spadafore, Ms. Victor and Ms. Winters, become 100% exercisable immediately ten days before or upon specified changes in control of the Company.

Compensation Committee Interlocks and Insider Participation

During the fiscal year ended November 30, 2003, James I. Ausman, M.D., Ph.D., H. Raymond Wallace (until April 10, 2003), and, beginning April 10, 2003, Daniel S. Follis (Chairman) and Robert R. Henry, served as the members of our Compensation Committee. None of the members of our Compensation Committee was, during the fiscal year ended November 30, 2003, one of our officers or employees, or one of our former officers, except that Mr. Wallace became our non-salaried Chairman of the Board on January 27, 1995 and became a non-officer Chairman of the Board effective April 6, 1995. None of the committee members had

15

any relationship with us requiring disclosure by us pursuant to Securities and Exchange Commission rules regarding disclosure of related-party transactions.

EQUITY COMPENSATION PLAN INFORMATION

Total.....	5,308,819		117,541

(1) These plans consist of: (a) the 1991 Incentive Stock Option Plan, which terminated in 2001 except for the options granted before that date, (b) the 1993 Director Stock Option Plan, terminated in 1998, except for the options granted before that date, (c) the Somanetics Corporation 1997 Stock Option Plan, (d) the remaining warrants held by Kingsbridge Capital Limited to purchase an aggregate of 105,097 common shares at \$4.25 a share, after 100,000 warrants were exercised in fiscal 2003; such warrants were originally granted in connection with the March 6, 2000 Private Equity Line Agreement, and (e) the Warrants granted to CorRestore LLC and its agent Wolfe & Company to purchase an aggregate of 2,500,000 common shares at \$3.00 a share in connection with the June 2, 2000 CorRestore License Agreement.

(2) These plans consist of: (a) non-qualified options to purchase 236,311 common shares granted to 16 of our directors, officers, employees and advisors, including five current executive officers, two former executive officers and one current director, granted independent of our stock option plans (including one option granted in fiscal 2002 to purchase 100,000 common shares as an inducement essential to a new executive officer entering into an employment agreement with us), and (b) warrants to purchase an aggregate of 100,000 common shares at \$5.10 a share through January 11, 2007 granted to Brean Murray & Co., Inc. in connection with our public offering of common shares that closed in January 2002. The options and warrants are subject to

anti-dilution adjustments. Brean Murray & Co., Inc. has demand and piggyback registration rights with respect to its warrants to purchase 100,000 common shares.

The options granted independent of our stock option plans were granted on May 16, 1994, July 21, 1994, December 22, 1995, January 5, 1996, April 24, 1997 and August 1, 2002. All of the options have vested, except for an option to purchase 100,000 common shares granted on August 1, 2002, which vests in one-third cumulative annual installments beginning August 1, 2003, and also 100% immediately 10 business days before or upon specified changes in control of us. Options granted to four current and former officers and vested at the time of termination of employment, continue to be exercisable until the original termination date notwithstanding such termination, unless such termination is for cause, in which case such options expire at the date of such termination. Other options expire at the date of termination of employment, unless extended in the discretion of the Compensation Committee of our Board of Directors.

The non-plan options expire 10 years after they were granted, except for two options to purchase 21,500 common shares granted on December 22, 1995,

Edgar Filing: SOMANETICS CORP - Form DEF 14A

which expire March 13, 2005. The exercise prices of these options, which were at least the fair market value of the underlying common shares on the date of grant, range from \$2.30 to \$13.125. At the time these options are exercised, the optionee must pay the full option price for all shares purchased:

- in cash, or
- with the consent of the Compensation Committee or the Board of Directors, in its discretion, and to the extent permitted by applicable law,
 - in common shares,
 - by a promissory note payable to the order of us that is acceptable to the Compensation Committee or the Board of Directors,
 - by a cash down payment and a promissory note for the unpaid balance,
 - subject to any conditions established by the Compensation Committee or the Board of Directors, by having us retain from the shares to be delivered upon exercise of the stock option that number of shares having a fair market value on the date of exercise equal to the option price,
 - by delivery to us of written notice of the exercise, in such form as the Compensation Committee or the Board of Directors may prescribe, accompanied by irrevocable instructions to a stock broker to promptly deliver to us full payment for the shares with respect to which the option is exercised from the proceeds of the stock broker's sale of the shares or loan against them,
 - in such other manner as the Compensation Committee or the Board of Directors determines is appropriate, in its discretion.

Specified consolidations, mergers, transfers of substantially all of our properties and assets, dissolutions, liquidations, reorganizations or reclassifications in such a way that holders of common shares are entitled to receive stock, securities, cash or other assets with respect to, or in exchange for, their common shares, are each referred to as a "Transaction." If we engage in a Transaction, then each holder of a non-plan option after consummation of the Transaction will be entitled to receive (for the same aggregate exercise price) the stock and other securities, cash and

17

assets the holder would have received in the Transaction if he or she had exercised the option in full immediately before consummation of the Transaction.

In addition, in connection with a Transaction, the Compensation Committee or the Board of Directors, acting in its discretion without the consent of any holder of any non-plan option and regardless of any other provision of the option, may:

- permit such options to be exercised in full for a limited period of time, after which all unexercised options and all rights of holders of such options would terminate,

Edgar Filing: SOMANETICS CORP - Form DEF 14A

- permit such options to be exercised in full for their then remaining terms, or
- require all such options to be surrendered to us for cancellation and payment to each holder in cash of the excess of the fair market value of the underlying common shares as of the date the Transaction is effective over the exercise price, less any applicable withholding taxes.

The Compensation Committee or the Board of Directors may not select an alternative for a holder that would result in his or her liability under Section 16(b) of the Exchange Act, without the holder's consent. If all of the alternatives have such a result, the Compensation Committee or Board of Directors will take action to put the holder in as close to the same position as he or she would have been in if one of the alternatives described above had been selected, but without resulting in any payment by the holder under Section 16(b) of the Exchange Act. With the consent of each holder, the Compensation Committee or Board of Directors may make such provision with respect to any Transaction as it deems appropriate.

The options may not be transferred other than by will or by the laws of descent and distribution, and during the optionee's lifetime, the option is exercisable only by the optionee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten-percent shareholders are required by Securities and Exchange Commission regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on review of the copies of such reports furnished to us during or with respect to fiscal 2003, or written representations that no Forms 5 were required, we believe that during the fiscal year ended November 30, 2003 all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were complied with, except that each of our outside directors in 2003, James I. Ausman, M.D., Ph.D., Daniel S. Follis, Robert R. Henry, A. Brean Murray and Joe B. Wolfe, inadvertently filed one Form 4, reporting one option grant, two or three days late.

- Ensuring that (pursuant to, and subject to the exceptions contained in, Section 10A(i) of the Exchange Act) before the independent accountant is engaged by the corporation to render audit or non-audit services, the engagement is approved by the Audit Committee or the engagement to render the service is entered into pursuant to pre-approval policies and procedures established by the Audit Committee pursuant to Regulation S-X, Item 2-01(c)(7)(i). - Overseeing the independent accountants relationship by discussing with the independent accountants the nature, scope and rigor of the audit process, receiving and reviewing audit and other reports from the independent accountants, and providing the independent accountants full access to the committee (and the board) to report on any and all appropriate matters.
