**Item 2.05. Costs Associated with Exit or Disposal Activities**

On December 27, 2006, Corillian Corporation sublet a portion of its corporate headquarters. Under the sublease agreement, Corillian will receive approximately \$657,000 in rent from the sublessor from February 1, 2007 through September 30, 2010. Pursuant to Statement No. 146, *Accounting for Costs Associated with Exit or Disposal Activities*, and Statement No. 144, *Accounting for the Impairment or Disposal of Long-Lived Assets*, Corillian anticipates recognizing an aggregate charge of approximately \$330,000, all of which will be recognized in the fourth quarter of 2006. The charge includes approximately \$110,000 of remaining book value of the long-lived assets in the space Corillian has vacated and approximately \$220,000 to account for the difference between the rental rates to be paid by the sublessee compared to the lease rental rates that Corillian pays. In addition, Corillian anticipates incurring approximately \$100,000 of future cash expenditures as a result of vacating this space which will be capitalized as leasehold improvements.
