## Edgar Filing: FIRST AMERICAN CORP - Form S-4

### Our Company

We are engaged in the business of providing business information and related products and services. Our operations include seven reportable segments segregated into two business groups. The first group, Financial Services, includes title insurance, specialty insurance, and trust and other services. The second group, Information Technology, includes mortgage information, property information, credit information and screening information. The title insurance segment issues policies, which are insured statements of the condition of title to real property, and provides other related services. The specialty insurance segment provides home warranties, which protect homeowners against defects in home fixtures, and also offers property and casualty insurance. The trust and other services segment provides trust, banking and investment advisory services. The mortgage information segment primarily provides to mortgage lender customers flood zone determination reports that provide information on whether or not a property is in a special flood hazard area, the status of tax payments on real property securing loans, default services, and other mortgage information services. The property information segment supplies core real estate data, providing, among other things, property valuation information, title information, tax information and imaged title documents. The credit information segment provides conventional credit information as well as sub-prime credit information. The screening information segment, which comprises First Advantage Corporation, a Nasdaq-listed company, provides drug testing and other occupational health services, pre-employment screening, tenant screening, motor vehicle reports and consumer location services.

We operate through networks of offices nationwide. We provide our title services through both direct operations and agents throughout the United States. We also offer title services in Australia, the Bahama Islands, Canada, England, Guam, Ireland, Mexico, Puerto Rico, Scotland, South Korea, the U.S. Virgin Islands and other countries abroad. To date, the international title operations have not been material to our financial condition or results of operations. Home warranty services are provided in 19 states throughout the United States. Trust services are provided in Southern California. Investment advisory, resident screening, pre-employment screening and property and casualty insurance are offered nationwide.

### About This Prospectus

This prospectus and each prospectus supplement (if any) is part of a registration statement on Form S-4 that we filed with the Securities and Exchange Commission using a "shelf" registration process. Under the shelf registration process, we may offer and sell, from time to time, in one or more offerings, up to a total of 3,000,000 of our common shares for use in connection with acquisitions by us of other businesses, assets or securities of other business entities. The consideration offered by us in such acquisitions, in addition to any shares of common stock offered by this prospectus, may include cash, certain assets and/or assumption by First American of liabilities of the businesses, assets or securities being acquired.

The terms of acquisitions involving the issuance of the shares of common stock covered by this prospectus are expected to be determined by direct negotiations with the owners or controlling persons of the assets, businesses or securities to be acquired. Factors taken into account in acquisitions may include, among other factors, the quality and reputation of the business to be acquired and its management, the strategic market position of the business to be acquired, its proprietary assets, earning power, cash flow and growth potential, and the market value of its equity securities when pertinent. It is anticipated that shares of our common stock issued in any such acquisition will be offered at approximately the then current market value of the common stock. The value will be determined either when the terms of the acquisition are tentatively or finally agreed to, when the acquisition is completed, or during a period of time before we deliver the shares.

We do not expect to pay underwriting discounts or commissions, although we may pay finders' fees from time to time in connection with certain acquisitions. Any person receiving finders' fees may be deemed to be an "underwriter" within the meaning of the Securities Act, and any profit on the resale of shares of common stock purchased by them may be considered underwriting commissions or discounts under the Securities Act.

This prospectus provides you with a general description of the securities we may sell. If necessary, each time we sell securities under this prospectus, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add, update or change information contained in this prospectus. You should read this prospectus, the applicable prospectus supplement and the information incorporated by reference. See "Documents Incorporated by Reference" on page 8.

We may also permit individuals or entities who have received or will receive shares of our common stock in connection with the acquisitions described above, or their transferees or successors-in-interest, to use this prospectus to cover their resale of such shares. See "Selling Shareholders," as it may be amended or supplemented from time to time, for a list of those individuals or entities who are authorized to use this prospectus to sell their shares of our common stock.

In making your investment decision, you should rely only on the information contained or incorporated by reference in this prospectus. We have not authorized anyone to provide you with any other information. If you receive any unauthorized information, you must not rely on it. This prospectus is not an offer to sell these securities and is not soliciting an offer to buy these

securities in any state or jurisdiction where the offer or sale of these securities is not permitted. You should not assume that the information contained or incorporated by reference in this prospectus is accurate as of any date other than the date on which it is released by First American.

### RISK FACTORS

You should consider carefully the following risk factors, as well as the other information contained elsewhere in this prospectus, each prospectus supplement and the information incorporated by reference before deciding to purchase any of our common shares.

#### OUR REVENUES MAY DECLINE DURING PERIODS WHEN THE DEMAND FOR OUR PRODUCTS DECREASES

Our revenues decrease as the number of real estate transactions in which our products are purchased decreases. We have found that the number of real estate transactions in which our products are purchased decreases in the following situations:

- o when mortgage rates are high;
- o when the mortgage fund supply is limited; and
- o when the United States economy is weak.

We believe that this trend will recur.

#### CHANGES IN GOVERNMENT REGULATION COULD PROHIBIT OR LIMIT OUR OPERATIONS

Our title insurance, property and casualty insurance, home warranty, thrift, trust and investment businesses are regulated by various federal, state and local governmental agencies. Many of our other businesses operate within statutory guidelines. Changes in the applicable regulatory environment or statutory guidelines could prohibit or restrict our existing or future operations. Such restrictions may restrict our ability to implement rate increases, acquire assets or businesses or otherwise have a negative impact on our ability to increase our operating results. Such regulation may adversely affect our financial performance.

#### AS A HOLDING COMPANY, WE DEPEND ON DISTRIBUTIONS FROM OUR SUBSIDIARIES, AND IF DISTRIBUTIONS FROM OUR SUBSIDIARIES ARE MATERIALLY IMPAIRED, OUR ABILITY TO DECLARE AND PAY DIVIDENDS MAY BE ADVERSELY AFFECTED

First American is a holding company whose primary assets are the securities of its operating subsidiaries. Our ability to pay dividends is dependent on the ability of our subsidiaries to pay dividends or repay funds to us. If our operating subsidiaries are not able to pay dividends or repay funds to us, we may not be able to declare and pay dividends to you. Moreover, pursuant to insurance and other regulations under which our insurance subsidiaries operate, the amount of dividends, loans and advances available to us is limited. Under such regulations, the maximum amount of dividends, loans and advances available to us from our insurance subsidiaries in 2003 is \$210.8 million.

#### OUR EARNINGS MAY BE REDUCED IF ACQUISITION PROJECTIONS ARE INACCURATE

## Edgar Filing: FIRST AMERICAN CORP - Form S-4

Our earnings have improved since 1991 in large part because of our acquisition and integration of non-title insurance businesses. These businesses generally have higher margins than our title insurance businesses. For example, pre-tax margins for our title insurance and services segment were 8.5% in 2002, while pre-tax margins for the segments in our information technology group in the same year were 23.9%. The success or failure of acquisitions in this group has depended in large measure upon the accuracy of our projections. These projections are not always accurate. Inaccurate projections have historically led to lower than expected earnings.

-3-

CERTAIN PROVISIONS OF OUR CHARTER AND RIGHTS PLAN MAY MAKE A TAKEOVER OF OUR COMPANY DIFFICULT EVEN IF SUCH TAKEOVER COULD BE BENEFICIAL TO SOME OF OUR SHAREHOLDERS

Our restated articles of incorporation authorize the issuance of "blank check" preferred stock with such designations, rights and preferences as may be determined from time to time by our board of directors. Accordingly, our board is empowered, without further shareholder action, to issue shares or series of preferred stock with dividend, liquidation, conversion, voting or other rights that could adversely affect the voting power or other rights, including the ability to receive dividends, of our common shareholders. The issuance of such preferred stock could be utilized, under certain circumstances, as a method of discouraging, delaying or preventing a change in control. In conjunction with the rights plan discussed below, we have authorized the issuance of our Series A Junior Participating Preferred Shares. Although we have no present intention of issuing any additional shares or series of preferred stock, we cannot guarantee that we will not make such an issuance in the future.

We have adopted a rights plan which could, alone or in combination with our restated articles of incorporation, discourage transactions involving actual or potential changes of control, including transactions that otherwise could involve payment of a premium over prevailing market prices to our shareholders for their common shares.

#### SELLING SHAREHOLDERS

In general, the persons to whom we issue shares of common stock under this prospectus will be able to resell such shares in the public market without further registration and without being required to deliver a prospectus. However, certain persons who receive our common shares may want to resell those securities in distributions that would require the delivery of a prospectus. With our consent, this prospectus and a prospectus supplement may be used by certain shareholders who wish to sell our common stock. As used in this prospectus, "selling shareholders" may include shareholders who receive our common shares hereunder in connection with an acquisition and donees and pledgees selling shares received from such people. We may limit our consent to a specified time period and subject our consent to certain limitations and conditions, which may vary by agreement.

Selling shareholders may sell our common shares in any combination of the following:

- o through the New York Stock Exchange or any national securities exchange on which our common stock has been approved for listing in the future;
- o directly to purchasers in negotiated transactions;
- o by or through brokers or dealers, in ordinary brokerage transactions or transactions in which the broker solicits purchases;
- o in block trades in which the broker or dealer will attempt to sell securities as an agent but may position and resell a portion of the block as principal;
- o in a transaction in which a broker or dealer purchases as principal for resale for its own account; or
- o through underwriters or agents.

Resales by selling shareholders may be made directly to investors or through securities firms acting as underwriters, brokers or dealers. The fees earned by or paid to the securities firm may be the normal stock exchange commission or negotiated commissions or underwriting discounts to the extent permissible. Shares of our common stock may be sold at a fixed offering price, which may be changed, at the prevailing market price at the time of sale, at prices related to such prevailing market price or at negotiated prices. The

## Edgar Filing: FIRST AMERICAN CORP - Form S-4

securities firm may resell the shares through other securities dealers, and commissions or concessions to those other dealers may be allowed. Such selling shareholders may indemnify any securities firm participating in such transactions against certain liabilities, including liabilities under the Securities Act and to reimburse them for any expenses in connection with an offering or sale of securities.

The selling shareholders and any broker-dealers who act in connection with the sale of shares hereunder may be deemed to be an "underwriter" within the meaning of the Securities Act. Any commissions received by them and profit on any resale of such shares as principal may be deemed to be underwriting discounts and commissions under the Securities Act.

Selling shareholders may also offer shares of common stock covered by this prospectus by means of prospectuses under other registration statements or pursuant to exemptions from the registration requirements of the Securities Act, including sales that meet the requirements of Rule 144 or Rule 145(d) under the Securities Act. Selling shareholders should seek the advice of their own counsel about the legal requirements for such sales.

In connection with resales of shares sold under this prospectus, a prospectus supplement, if required, will be filed under Rule 424(b) under the Securities Act, to disclose the identity of the selling shareholders, the number of shares to be sold by the selling shareholders, any material relationship a selling shareholder may have with us, and other details of the resale to the extent appropriate. Information concerning the selling shareholders will be obtained from the selling shareholders.

We will not receive any part of the proceeds from the resale by the selling shareholders of any shares under this prospectus. We will bear all expenses other than selling discounts and commissions and fees and expenses of the selling shareholders in connection with the registration of the shares being reoffered by the selling shareholders.

### PART II

#### Information Not Required in Prospectus

Item 20. Indemnification of Directors and Officers.

Subject to certain limitations, Section 317 of the California Corporations Code provides in part that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the corporation to procure a judgment in its favor) by reason of the fact that the person is or was an agent (which term includes officers and directors) of the corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding if that person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of the person was unlawful.

The California indemnification statute, as provided in Section 317 of the California Corporations Code (noted above), is nonexclusive and allows a corporation to expand the scope of indemnification provided, whether by provisions in its Bylaws or by agreement, to the extent authorized in the corporation's articles.

## Edgar Filing: FIRST AMERICAN CORP - Form S-4

The Restated Articles of Incorporation of the Registrant provide that: "The liability of the directors of the Corporation for monetary damages shall be eliminated to the fullest extent permissible under California law." The effect of this provision is to exculpate directors from any liability to the Registrant, or anyone claiming on the Registrant's behalf, for breaches of the directors' duty of care. However, the provision does not eliminate or limit the liability of a director for actions taken in his capacity as an officer. In addition, the provision applies only to monetary damages and is not intended to impair the rights of parties suing on behalf of the Registrant to seek equitable remedies (such as actions to enjoin or rescind a transaction involving a breach of the directors' duty of care or loyalty).

The Bylaws of the Registrant provide that, subject to certain qualifications, "(i) The corporation shall indemnify its Officers and Directors to the fullest extent permitted by law, including those circumstances in which indemnification would otherwise be discretionary; (ii) the corporation is required to advance expenses to its Officers and Directors as incurred, including expenses relating to obtaining a determination that such Officers and Directors are entitled to indemnification, provided that they undertake to repay the amount advanced if it is ultimately determined that they are not entitled to indemnification; (iii) an Officer or Director may bring suit against the corporation if a claim for indemnification is not timely paid; (iv) the corporation may not retroactively amend this Section 1 in a way which is adverse to its Officers and Directors; (v) the provisions of subsections (i) through (iv) above shall apply to all past and present Officers and Directors of the corporation." "Officer" includes the following officers of the Registrant: Chairman of the Board, President, Vice President, Secretary, Assistant Secretary, Chief Financial Officer, Treasurer, Assistant Treasurer and such other officers as the board shall designate from time to time. "Director" of the Registrant means any person appointed to serve on the Registrant's board of directors either by its shareholders or by the remaining board members.

Each of the Registrant's 1996 Stock Option Plan, 1997 Directors' Stock Plan, 401(k) Savings Plan, Pension Plan, Pension Restoration Plan and Employee Profit Sharing and Stock Ownership Plan (for purposes of this paragraph only, each individually, the "Plan") provides that, subject to certain conditions, the Registrant may, through the purchase of insurance or otherwise, indemnify each member of the Board (or board of directors of any affiliate), each member of the committee charged with administering the Plan, and any other employees to whom any responsibility with respect to the Plan is allocated or delegated, from and against any and all claims, losses, damages, and expenses, including attorneys' fees, and any liability, including any amounts paid in settlement with the Registrant's approval, arising from the individual's action or failure to act, except when the same is judicially determined to be attributable to the gross negligence or willful misconduct of such person.

II-1

The Registrant's Deferred Compensation Plan (for purposes of this paragraph only, the "Plan") provides that, "To the extent permitted by applicable state law, the Company shall indemnify and save harmless the Committee and each member thereof, the Board of Directors and any delegate of the Committee who is an employee of the Company against any and all expenses, liabilities and claims, including legal fees to defend against such liabilities and claims arising out of their discharge in good faith of responsibilities under or incident to the Plan, other than expenses and liabilities arising out of willful misconduct. This indemnity shall not preclude such further indemnities as may be available under insurance purchased by the Company or

## Edgar Filing: FIRST AMERICAN CORP - Form S-4

provided by the Company under any bylaw, agreement or otherwise, as such indemnities are permitted under state law."

Each of the Registrant's Management Supplemental Benefit Plan and Executive Supplemental Benefit Plan (for purposes of this paragraph only, each individually, the "Plan") provides that, subject to certain conditions, the Registrant may, through the purchase of insurance or otherwise, indemnify and hold harmless, to the extent permitted by law, the members of the Board of Directors and any other employees to whom any responsibility with respect to the administration of the Plan has been delegated against any and all costs, expenses and liabilities (including attorneys' fees) incurred by such parties in performing their duties and responsibilities under the Plan, provided that such party or parties were not guilty of willful misconduct.

The Registrant has a policy of liability insurance which insures its directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

24.1 Power of Attorney.

Item 22. Undertakings.

The undersigned Registrant hereby undertakes:

(1) To file, during the period in which offers or sales are being made, a post-effective amendment to this Registration Statement to:

(i) include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

(2) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

(3) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this Registration Statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(4) That every prospectus: (i) that is filed pursuant to paragraph (3) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the Registration Statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

(5) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 20 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person

Edgar Filing: FIRST AMERICAN CORP - Form S-4

in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

II-3

(6) To respond to requests for information that is incorporated by reference into this prospectus pursuant to Item 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the Registration Statement through the date of responding to the request.

(7) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the Registration Statement when it became effective.

(8) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
