### **Input/Output Launches Stock Offering**

Friday, May 28, 9:00 a.m. ET

HOUSTON, TX Input/Output, Inc. (NYSE: IO) announced today that on Wednesday, June 2, 2004 the company will begin a road show for its underwritten public offering of 20 million shares of its common stock. Selling stockholders also intend to sell approximately 210,000 shares of the company's common stock in the offering. The company will not receive any proceeds from the sale of shares of its common stock by the selling stockholders. As part of the offering, the company also intends to grant the underwriters an option to purchase approximately 3 million additional shares to cover over-allotments, if any.

The company intends to use the net proceeds from the offering to fund the cash portion of the purchase price for its proposed acquisition of GX Technology Corporation. Completion of the company's proposed offering is conditioned upon the closing of its acquisition of GX Technology Corporation.

### **ADDITIONAL INFORMATION**

Morgan Stanley & Co. Incorporated is acting as book-running manager for the common stock offering. Copies of the common stock offering prospectus may be obtained from Morgan Stanley & Co. Incorporated, Attention: Prospectus Department, 1585 Broadway, New York, NY 10036.
