4.1 Books. The Partnership shall maintain complete and accurate books of account of the Partnership's affairs at the Partnership's principal office, including a list of the names and addresses of the Partners and the Percentage Interest of each Partner. The books of account for the Partnership shall be maintained in a manner that provides sufficient assurance that:

(a) transactions of the Partnership are executed in accordance with the general or specific authorization of the officers of the Partnership consistent with the provisions of this Agreement;

(b) transactions of the Partnership are recorded in such form and manner as will (i) permit preparation of federal, state, local and foreign income tax returns and information returns of the Partnership in accordance with this Agreement and as required by law, (ii) permit preparation of the Partnership's financial statements in accordance with generally accepted accounting principles in the United States, and (iii) maintain accountability for Partnership's assets; and

(c) the recorded accountability for assets is compared with the existing assets at reasonable

intervals and appropriate action is taken with respect to any difference.

Each Partner, by or through its duly authorized employees, agents, accountants or attorneys, may, at its own expense, audit, examine and make copies of or extracts from the Partnership's books and records at reasonable times for any purpose reasonably related to the Partner's interest in the Partnership, so long as the same does not interfere in any material respect with the operation of the Partnership.

4.2 Reports and Audits. The books of account shall be closed promptly after the end of each fiscal year. Within ninety (90) days thereafter, a written report shall be delivered to each Partner, which written report shall contain such statements with respect to the status of the Partnership's operations and transactions by the Partnership as are material to the Partnership and as are considered necessary by the President to advise each Partner properly about his investment in the Partnership.

4.3 Preparation of Tax Returns. The appropriate officers of the Partnership shall cause federal, state, local and foreign income tax returns of the Partnership to be prepared. As promptly as practicable after the end of each fiscal year, the appropriate officers of the Partnership shall cause to be prepared and delivered to each Partner a statement of such Partner's share of the Partnership's taxable income or loss for the preceding fiscal year and all other information necessary in preparing such Partner's federal, state, local and foreign income tax returns with respect to the Partnership.

4.4 Capital Accounts and Allocations. (a) A separate capital account (a Capital Account) shall be maintained on the Partnership's books for each Partner. In the event any Interest is transferred in accordance with the terms of this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the transferred Interest.

(b) Definitions. Unless the context requires otherwise, the following terms have the meanings specified in this Section 4.4(b):

(1) Book Value: The Book Value with respect to any asset shall be the asset's adjusted basis for federal income tax purposes, except as follows:

(i) The initial Book Value of any asset contributed by a Partner to the Partnership shall be the Fair Market Value of such asset at the time of contribution, as determined by the contributing Partner and the Partnership.

(ii) The Book Value of all Partnership assets shall be revalued to equal their respective Fair Market Values and the resulting unrecognized gain or loss allocated to the Capital Accounts of the Partners in accordance with their relative Percentage Interests (as determined immediately before such revaluation) as of the following times:

(A) the acquisition of an additional Interest by any new or existing Partner in exchange for a capital contribution; (B) the distribution by the Partnership to a Partner of a non-cash asset, unless all Partners receive simultaneous distributions of either undivided interests in the distributed property or identical Partnership assets in proportion to their Percentage Interests; (C) the date the Partnership is liquidated within the meaning of Treasury Regulation Section 1.704-1(b)(2)(ii)(g); and (D) the termination of the Partnership pursuant to the provisions of this Agreement.

(iii) The Book Value of Partnership assets shall be increased or decreased to the extent required under Treasury Regulation Section 1.704-1(b)(2)(iv)(m) in the event that the adjusted tax basis of Partnership assets are adjusted pursuant to Sections 732, 734 or 743 of the Code.

(iv) The Book Value of Partnership assets shall be adjusted by the depreciation, amortization or other cost recovery deductions, if any, taken into account by the Partnership with respect to such asset in computing Net Income or Net Loss.

(2) Capital Account: Unless otherwise agreed by the Partners, the Capital Account of a Partner shall be increased by:

(i) the Fair Market Value of assets contributed to the Partnership (determined as of the date of contribution) by such Partner;

(ii) the amount of money contributed to the Partnership by such Partner;

(iii) such Partner's share of Net Income (or items thereof) allocated to its Capital Account pursuant to this Agreement;

(iv) Partnership liabilities assumed by such Partner or which are secured by any Partnership property distributed to such Partner; and

(v) any other amounts required by Treasury Regulation Section 1.704-1(b).

and, unless otherwise agreed by the Partners, shall be *decreased* by:

(i) the amount of money and the Fair Market Value of any Partnership property distributed by the Partnership (determined as of the date of distribution) to such Partner pursuant to the provisions of this Agreement;

(ii) such Partner's share of Net Loss (or items thereof) allocated to its Capital Account pursuant to this Agreement; and

(iii) any other amounts required by Treasury Regulation Section 1.704-1(b).

(3) Net Income and Net Loss: Net Income and Net Loss shall mean the taxable income or loss of the Partnership for any relevant period computed in accordance with federal income tax principles, as adjusted pursuant to the following provisions:

(i) including as income any income that is exempt from federal income tax and not otherwise taken into account in computing Net Income or Net Loss pursuant to this Section 4.4;

(ii) including as a deduction any non-capital expenditures described in Section 705(a)(2)(B) of the Code and not otherwise taken into account in computing Net Income or Net Loss pursuant to this Section 4.4;

(iii) including as a deduction when paid or incurred any amounts utilized to organize the Partnership, except that amount for which an election is properly made by the Partnership under Section 709(b) of the Code shall be accounted for as provided therein;

(iv) including as a deduction any losses incurred by the Partnership in connection with the sale or exchange of property, notwithstanding that such losses may be disallowed to the Partnership for federal income tax purposes under the related party rules of Code Sections 267(a)(1) or 707(b); and

(v) calculating the gain or loss on disposition of Partnership assets and the depreciation, amortization or other cost recovery deductions, if any, with respect to Partnership assets by reference in their Book Value rather than their adjusted tax basis.

(c) Allocations.

(1) As of the end of each fiscal year of the Partnership, the Net Income of the Partnership (and each item thereof) shall be allocated in proportion to distributions of cash. The Net Loss of the Partnership (and each item thereof) shall be allocated to the Partners in accordance with their relative Percentage Interests.

(2) The allocation of each item of income, gain, loss, deduction or credit earned, realized or available by or to the Partnership, shall be allocated to the Partners for federal income tax purposes as provided in Section 4.4(c)(1) hereof, except as otherwise required by Section 704 of the Code in the reasonable determination of the Tax Matters Partner; provided, however, that (i) income, gain, loss and deduction with respect to property contributed by a Partner to the Partnership shall be shared among the Partners so as to take

account of the variation between the tax basis of the property to the Partnership and the Fair Market Value of the property at the time of contribution to the extent and in the manner required by Section 704(c) of the Code and (ii) if the assets of the Partnership shall be revalued to their respective fair market valued in accordance with Section 4.4(b) hereof, allocations of income, gain, loss and deduction for federal income tax purposes shall be made in accordance with the principles of Section 704(c) of the Code between the Partners to take into account the variation between the assets adjusted tax basis and their Fair Market Value as of the date of the revaluation in accordance with Treasury Regulations Sections 1.704-1(b)(1)(i) and 1.704-1(b)(4)(iv).

(3) If there is a change in the Percentage Interest of a Partner during a taxable period of the Partnership, the allocations set forth in this Section 4.4(c) shall be made on the basis of an interim closing of the books of the Partnership as of the close of business on the day immediately preceding the effective date of such change. Allocations shall be made for the portion of any period prior to the change in Percentage Interest in accordance with the Percentage Interest in effect prior to such change and, for the portion of the period beginning on the date such change is effective, in accordance with the Percentage Interest in effect after such change.

(4) Allocations pursuant to this Section 4.4 are not in any way to be taken into account in computing distributions pursuant to any provisions of this Agreement.

4.5 Tax Matters. (a) Czyzyk shall be the Tax Matters Partner of the Partnership as such term is defined in Section 6231(a)(7) of the Code. The Tax Matters Partner shall cause all federal, state and local tax returns of the Partnership to be prepared for each taxable period for which such returns are required to be filed and shall cause such returns to be timely filed. The Tax Matters Partner shall provide copies of all such returns to all Partners at a reasonable time prior to the time of filing of such returns. The Tax Matters Partner, at the direction of the Partnership, shall determine the accounting methods and conventions under the tax laws of the United States, the several states and other relevant jurisdictions as to the treatment of income, gain, loss, deduction and credit of the Partnership or any other method or procedure related to the preparation of such tax returns. The Tax Matters Partner, at the direction of the Partnership, may cause the Partnership to make or refrain from making any and all elections permitted by such tax laws (including, without limitation, an election under Section 754 of the Code).

(b) Each Partner agrees that it shall not:

(i) treat, on its individual income tax returns, any item of income, gain, loss, deduction, or credit relating to its interest in the Partnership in a manner inconsistent with the treatment of such item by the Partnership as reflected on the Form K-1 or other information statement furnished by the Partnership to such Partner for use in preparing its income tax returns; or

(ii) file any claim for refund relating to any such item based on, or which would result in, such inconsistent treatment.

(c) In the event of an income tax audit of any tax return of the Partnership, the filing of any amended return or claim for refund in connection with any item of income, gain, loss, deduction or credit reflected on any tax return of the Partnership, or any administrative or judicial proceedings arising out of or in connection with any such audit, amended return, claim for refund or denial of such claim:

(i) the Tax Matters Partner shall be authorized to act for, and its decision shall be final and binding upon, the Partnership and all Partners and

(ii) no other Partner shall have the right to

(e) The Partners intend that the Partnership shall be treated as a partnership for federal, state, local and foreign income tax purposes and agree to take all reasonable actions, including the amendment of this Agreement and the execution of other documents, as may be reasonably required to qualify for and receive such treatment as a partnership for such income tax purposes.

(f) Each Partner agrees to indemnify and hold harmless the Partnership and all other Partners from and against any and all liabilities, obligations, damages, deficiencies and expenses resulting from any breach or violation by such Partner of the provisions of this Section 435 and from all actions, suits, proceedings, demands, assessments, judgments, costs and expenses, including reasonable attorneys' fees and disbursements, incident to any such breach or violation.

ARTICLE 5

5.1 Transfers. None of the Partners may sell, assign, or otherwise transfer or mortgage, hypothecate, or otherwise dispose of or encumber or permit or suffer any encumbrance of all or any part of its Interest unless approved by the other Partners in writing; provided, however, that notwithstanding the foregoing, each Partner may transfer or sell all, but not less than all, of its Interest to a Permitted Transferee. No such transfer shall constitute the transferee a partner or entitle the transferee to any of the rights of a partner, other than the right to receive as much of the transferor's share of partnership distribution as is transferred to the transferee. Such a transfer shall not terminate any of the transferor's obligations.

ARTICLE 6

In the event of such liquidation, each Partner shall promptly pay to the Partnership any amounts owned to the Partnership, whether or not then due and payable, together with its proportionate share of all contributions required by law to be paid by the Partners for the payment, or other provision for the satisfaction, of the debts and liabilities of the Partnership.
