PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Administaff, Inc., a Delaware corporation (the Company), for use at the 2006 Annual Meeting of Stockholders to be held on May 3, 2006, and at any reconvened meeting after an adjournment thereof. The Annual Meeting of Stockholders will be held at 4:00 p.m., Central Daylight Savings Time, at the Company s Corporate Headquarters, Centre I in the Auditorium located at 22900 Hwy. 59 N. (Eastex Freeway), Kingwood, Texas 77339.

Stockholders of record may vote in one of four ways:

by attending the meeting and voting in person;

by signing, dating and returning your proxy in the envelope provided;

by submitting your proxy on the Internet at the address listed on your proxy card; or

by submitting your proxy using the toll-free number listed on your proxy card.

If your shares are held in an account at a brokerage firm or bank, you may submit your voting instructions by signing and timely returning the enclosed voting instruction form, by Internet at the address shown on your voting instruction form, by telephone using the toll-free number shown on that form, or by providing other proper voting instructions to the registered owner of your shares.

If you either return your signed proxy or submit your proxy using the Internet or telephone procedures that may be available to you, your shares will be voted as you direct. **If the accompanying proxy is properly executed and returned, but no voting directions are indicated thereon, the shares represented thereby will be voted FOR each of the proposals set forth in this proxy statement.** In addition, the proxy confers discretionary authority to the persons named in the proxy authorizing those persons to vote, in their discretion, on any other matters properly presented at the Annual Meeting of Stockholders. The Board of Directors is not currently aware of any such other matters. Any stockholder of record giving a proxy has the power to revoke it at any time before it is voted by (i) submitting written notice of revocation to the Secretary of the Company at the address listed above, (ii) submitting another proxy that is properly signed and later dated, (iii) voting again on the Internet or by telephone, or (iv) voting in person at the Annual Meeting. Stockholders who hold their shares through a nominee or broker are invited to attend the meeting but must obtain a signed proxy from the broker in order to vote in person.

The expense of preparing, printing and mailing proxy materials to the Company s stockholders will be borne by the Company. The Company s transfer agent, Mellon Investor Services, LLC, will assist in the solicitation of proxies from stockholders at a fee of approximately \$500 plus reimbursement of reasonable out-of-pocket expenses. In addition, proxies may be solicited personally or by telephone by officers or employees of the Company, none of whom will receive additional compensation. The Company will also reimburse brokerage houses and other nominees for their reasonable expenses in forwarding proxy materials to beneficial owners of the Company s Common Stock.

The approximate date on which this proxy statement and the accompanying proxy card will first be sent to stockholders is March 27, 2006.

At the close of business on March 6, 2006, the record date for the determination of stockholders of the Company entitled to receive notice of, and to vote at, the 2006 Annual Meeting of Stockholders or any reconvened meeting after an adjournment thereof, 27,527,765 shares of the Company s Common Stock, par value \$0.01 per share (the Common Stock), were outstanding. Each share of Common Stock is entitled to one vote upon each of the matters to be voted on at the meeting. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock is required for a quorum. If a

Table of Contents

quorum is present at the meeting, under the Company's bylaws, action on a matter (other than the election of directors) shall be approved if the votes cast in favor of the matter exceed the votes cast opposing the matter. In addition, under the rules of the New York Stock Exchange, votes representing more than 50% of the Company's outstanding shares of Common Stock must be cast on the proposal to approve the amendment and restatement of the 2001 Incentive Plan. Directors of the Company shall be elected by a plurality vote. In determining the number of votes cast, shares abstaining from voting or not voted on a matter will not be treated as votes cast. Accordingly, although proxies containing broker non-votes (which result when a broker holding shares for a beneficial owner has not received timely voting instructions on certain matters from such beneficial owner) are considered shares present in determining whether there is a quorum present at the Annual Meeting, they are not treated as votes cast with respect to any matter. Thus, broker non-votes will have the effect of a vote against the proposal to approve the amendment and restatement of the 2001 Incentive Plan if votes representing fewer than 50% of the Company's outstanding stock are cast on the proposal, but will not affect the outcome of the voting on any other proposal.

**PROPOSAL NUMBER 1:
ELECTION OF DIRECTORS**

General

The Company's Certificate of Incorporation and Bylaws provide that the number of directors on the Board shall be fixed from time to time by the Board of Directors but shall not be less than three nor more than 15 persons. The number of members constituting the Board of Directors is currently fixed at eight.

In accordance with the Certificate of Incorporation of the Company, the members of the Board of Directors are divided into three classes and are elected for a term of office expiring at the third succeeding annual stockholders meeting following their election to office, or until a successor is duly elected and qualified. The Certificate of Incorporation also provides that such classes shall be as nearly equal in number as possible. The terms of office of the Class I, Class II and Class III directors expire at the Annual Meeting of Stockholders in 2008, 2006 and 2007, respectively.

The term of office of each of the current Class II directors expires at the time of the 2006 Annual Meeting of Stockholders, or as soon thereafter as their successors are elected and qualified. Messrs. Sarvadi and Young have been nominated to serve an additional three-year term as Class II directors. Both nominees have consented to be named in this proxy statement and to serve as a director if elected.

It is the intention of the person or persons named in the accompanying proxy card to vote for the election of both nominees named below unless a stockholder has withheld such authority. The affirmative vote of a plurality of the votes cast by holders of the Common Stock present in person or by proxy at the 2006 Annual Meeting of Stockholders is required for election of the nominees.

If, at the time of or prior to the 2006 Annual Meeting of Stockholders, either of the nominees should be unable or decline to serve, the discretionary authority provided in the proxy may be used to vote for a substitute or substitutes designated by the Board of Directors. The Board of Directors has no reason to believe that any substitute nominee or nominees will be required. No proxy will be voted for a greater number of persons than the number of nominees named herein.

CORPORATE GOVERNANCE MATTERS

Determinations of Director Independence

Under rules of the New York Stock Exchange, the Company must have a majority of independent directors. No board member qualifies as independent unless the Board of Directors affirmatively determines that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). In evaluating each director's independence, the Board of Directors considered all relevant facts and circumstances and relationships and transactions between each director, her or his family members or any business, charity or other entity in which the director has an interest on the one hand, and the Company, its affiliates, or the Company's senior management on the other. As a result of this review, the Board of Directors affirmatively determined that all of the Company's directors are independent from the Company and its management with the exception of Messrs. Sarvadi and Rawson, both of whom are members of the senior management of the Company.

The Board of Directors has considered what types of disclosure should be made relating to the process of determining director independence. To assist the Board in making disclosures regarding its determinations of independence, the Board has adopted categorical standards as permitted under the listing standards of the New York Stock Exchange. These categorical standards deal only with what types of relationships need to be disclosed and not whether a particular director is independent. The Board considers all relevant facts and circumstances in determining whether a director is independent. However, the relationships satisfying the categorical standards are not required to be disclosed or separately discussed in our proxy statement. A relationship satisfies the categorical standards adopted by the board if it:

is not a relationship that would preclude a determination of independence under Section 303A.02(b) of the New York Stock Exchange Listed Company Manual;

consists of charitable contributions by Administaff to an organization where a director is an executive officer and does not exceed the greater of \$1 million or 2% of the organization's gross revenue in any of the last three years; and

is not required to be, and it is not otherwise, disclosed in Administaff's annual proxy statement.

Mr. Fields owns two companies that are clients of the Company. In 2005, Twenty-First Century Group, which is a Washington, D.C. based lobbying firm owned by Mr. Fields, paid comprehensive service fees of \$1,299,286 (\$108,434 net of payroll costs) to the Company, and Dos Angeles, L.P., a cattle and hunting property owned by Mr. Fields, paid comprehensive service fees of \$71,040 (\$26,140 net of payroll costs) to the Company. The Board of Directors has determined that these relationships are not material. In making this determination, the Board considered the facts that: (i) the two companies pay comprehensive service fees on the same basis as all other Company clients, with no discounts; and (ii) payments net of payroll costs made by each company were less than 2% of such company's revenues and less than 0.1% of Administaff's revenues in each of the last three fiscal years.

You can access the Company's Corporate Governance Guidelines in their entirety on the Company's website at www.administaff.com under *Corporate Governance* in the *Company Information* section.

Committees of the Board of Directors

The Board of Directors has appointed three committees: the Finance, Risk Management and Audit Committee; the Compensation Committee; and the Nominating and Corporate Governance Committee.

The members of the Finance, Risk Management and Audit Committee are Mr. Young, who serves as Chairperson, Mr. Lattanzio and Mr. Brown. All three members are independent under the standards of The New York Stock Exchange and Securities and Exchange Commission Regulations. In addition, the Board of Directors has determined that Mr. Young is an audit committee financial expert as such term is defined in Item 401(h) of Regulation S-K promulgated by the Securities and Exchange Commission. The Finance, Risk Management and Audit Committee assists the Board in fulfilling its responsibility to oversee the financial affairs, risk management, accounting and financial reporting processes and audits of financial statements of the Company by reviewing and monitoring: (i) the financial affairs of the Company; (ii) the integrity of the Company's financial statements and internal controls; (iii) the

Company's compliance with legal and regulatory requirements; (iv) the independent auditor's qualifications and independence; (v) the performance of the personnel responsible for the

Table of Contents

Company's internal audit function and the independent auditors; and (vi) the Company's policies and procedures with respect to risk management, as well as other matters that may come before it as directed by the Board of Directors.

The members of the Compensation Committee are Mr. Fields, who serves as Chairperson, Dr. Jones and Mr. Petsch. All three members are independent under the standards of The New York Stock Exchange. The Compensation Committee: (i) oversees and administers the Company's compensation policies, plans and practices; and (ii) prepares the annual report required by the rules of the Securities and Exchange Commission on executive compensation for inclusion in the Company's annual proxy statement. To carry out these purposes, the Compensation Committee evaluates the performance of and determines the compensation for senior management, administers the Company's compensation programs, and performs such other duties as may from time to time be directed by the Board of Directors.

The members of the Nominating and Corporate Governance Committee are all of the outside directors: Mr. Petsch, who serves as Chairperson; Mr. Brown; Mr. Fields; Dr. Jones; Mr. Lattanzio; and Mr. Young. All members of the Nominating and Corporate Governance Committee are independent under the standards of The New York Stock Exchange. The Nominating and Corporate Governance Committee: (i) identifies individuals qualified to become Board members, consistent with the criteria for selection approved by the Board; (ii) recommends to the Board a slate of director nominees to be elected by the stockholders at the next annual meeting of stockholders and, when appropriate, director appointees to take office between annual meetings; (iii) develops and recommends to the Board a set of corporate governance guidelines for the Company; and, (iv) oversees the evaluation of the Board and management.

The charters for each of the three committees, which have been adopted by the Board of Directors, contain a detailed description of the respective committee's duties and responsibilities and are available under *Corporate Governance* in the *Company Information* section on the Company's website at www.administaff.com. The Finance, Risk Management and Audit Committee charter is also attached as Appendix A to this proxy statement.

Selection of Nominees for the Board of Directors*Identifying Candidates*

The Nominating and Corporate Governance Committee solicits ideas for potential Board candidates from a number of sources including members of the Board of Directors, executive officers of the Company, individuals personally known to the members of the Board of Directors, and research. The Nominating and Corporate Governance Committee also has sole authority to select and compensate a third-party executive search firm to help identify candidates, if it deems advisable. In addition, the Nominating and Corporate Governance Committee will consider candidates for the Board submitted by stockholders. Any such submissions should include the candidate's name and qualifications for Board membership and should be directed to the Corporate Secretary of Administaff at 19001 Crescent Springs Drive, Kingwood, Texas 77339. Although the Nominating and Corporate Governance Committee does not require the stockholder to submit any particular information regarding the qualifications of the stockholder's candidate, the level of consideration that the Nominating and Corporate Governance Committee will give to the stockholder's candidate will be commensurate with the quality and quantity of information about the candidate that the nominating stockholder makes available to the Committee. The Nominating and Corporate Governance Committee will consider all candidates identified through the processes described above, and will evaluate each of them on the same basis.

In addition, the Bylaws of the Company permit stockholders to nominate directors for election at an annual stockholders meeting whether or not such nominee is submitted to and evaluated by the Nominating and Corporate Governance Committee. To nominate a director using this process, the stockholder must follow the procedures described under *Additional Information - Advance Notice Required for Stockholder Nominations and Proposals* below.

Evaluating Candidates

Each candidate must meet certain minimum qualifications, including:

the ability to represent the interests of all stockholders of the Company and not just one particular constituency;

independence of thought and judgment;

Table of Contents

the ability to dedicate sufficient time, energy and attention to the performance of her or his duties, taking into consideration the prospective nominee's service on other public company boards; and

the skills and expertise of the prospective nominee are complementary to the existing Board members' skills; in this regard, the Board of Directors will consider the Board's need for operational, sales, management, financial, governmental or other relevant expertise.

In addition, the Nominating and Corporate Governance Committee considers other qualities that it may deem to be desirable from time to time, such as the extent to which the prospective nominee contributes to the diversity of the Board of Directors with diversity being construed broadly to include a variety of perspectives, opinions, experiences and backgrounds. The Nominating and Corporate Governance Committee may also consider the ability of the prospective nominee to work with the then-existing interpersonal dynamics of the Board of Directors and her or his ability to contribute to the collaborative culture among Board members.

Based on this initial evaluation, the Chairman of the Nominating and Corporate Governance Committee will determine whether to interview the nominee, and if warranted, will recommend that one or more members of the Committee, other members of the Board and senior management, as appropriate, interview the nominee in person or by telephone. After completing this evaluation and interview process, the Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors, and the Board of Directors determines the nominees after considering the recommendation of the Nominating and Corporate Governance Committee.

Information Regarding Meetings

During 2005, the Finance, Risk Management and Audit Committee had 11 meetings, the Compensation Committee had six meetings, the Nominating and Corporate Governance Committee had one meeting, and the Board of Directors had seven meetings. All of the members of the Board participated in more than 75% of the meetings of the Board and Committees of which they were members during the fiscal year ended December 31, 2005 except that Mr. Brown participated in approximately 30% of the meetings of the Board and the Finance, Risk Management and Audit Committee.

The Company expects its Board members to attend the Annual Meeting of the Stockholders. Last year six of the Company's eight directors attended the Annual Meeting of the Stockholders.

Executive Sessions of the Board of Directors and the Presiding Director

The Company's non-management directors hold executive sessions at which the Company's management is not in attendance at each regularly scheduled Board meeting. The Chairperson of the Nominating and Corporate Governance Committee, currently Mr. Petsch, serves as presiding director at the executive sessions. In the absence of the Chairperson, a majority of the members present at the executive session will appoint a member to preside at the meeting.

Code of Business Conduct and Ethics

The Board of Directors has adopted a Code of Business Conduct and Ethics, which meets the requirements of Rule 303A.10 of the New York Stock Exchange Listed Company Manual and Item 406 of Regulation S-K. You can access the Company's Code of Business Conduct and Ethics on the Company's website at www.administaff.com under *Corporate Governance* in the *Company Information* section. Any stockholder who so requests may obtain a printed copy of the Code of Business Conduct and Ethics by contacting Ruth Holub, Investor Relations Specialist, Administaff, Inc., 19001 Crescent Springs Drive, Kingwood, Texas 77339. Changes in and waivers to the Code of Business Conduct and Ethics for the Company's directors, executive officers and certain senior financial officers will be posted on the Company's Internet website within five business days and maintained for at least 12 months.

Stockholder Communications

Stockholders and other interested parties may communicate directly with the entire Board of Directors or the non-management directors as a group by sending an email to directors@administaff.com. In the subject line of the email, please specify whether the communication is addressed to the entire Board of Directors or to the non-management directors and the message will be directly routed to the named group without any screening.

Directors who are employees of the Company receive no additional compensation for serving on the Board of Directors. Non-employee directors of the Company are compensated as shown in the table below.

	Board	Compensation Committee	Finance, Risk Management and Audit Committee	Nominating and Corporate Governance Committee
Annual retainers	\$ 30,000	\$ 2,000	\$ 3,000	None
Annual Committee Chair Fees	N/A	\$ 3,000	\$ 6,000	\$ 3,000

(1) These fees are also paid to the Chairman for meetings attended with the Company's management or auditors between regular meetings.

Each outside director is also reimbursed for reasonable expenses incurred in serving as a director. All compensation can be taken in cash or Common Stock, at the director's option. In addition, pursuant to the Company's 2001 Incentive Plan, each non-employee director automatically receives, on the date such person first becomes a director, a grant of nonqualified options to purchase 7,500 shares of Common Stock, which have a term of 10 years and vest in increments of one-third of the total grant on the first, second and third anniversaries of the grant. In addition, following each annual meeting of the Company's stockholders, each non-employee director who was not initially elected at such meeting, currently receives an annual grant of nonqualified options to purchase an additional 5,000 shares of Common Stock, all of which have a term of 10 years and are immediately vested and exercisable on the date of grant. The exercise price of all such options is the closing sale price on the New York Stock Exchange of the Common Stock on the date the options are granted.

If Proposal 2 is adopted, the Plan will be amended and restated to provide that each person who is initially appointed or elected as a director of the Company shall receive a grant of shares of restricted Common Stock on the date of election or appointment with an aggregate fair market value, determined the date prior to the date of grant, of \$75,000, rounded up to the next higher whole share amount in the case of a fractional share amount, and such restricted Common Stock shall vest as to one-third of the shares on each anniversary of its grant date, in lieu of an option to purchase 7,500 shares of Common Stock at an exercise price per share equal to the fair market value of the Common Stock on the date of grant which also vested as to one-third of the shares on each anniversary of its grant date. In addition, the Plan will be amended and restated to provide that each non-employee director shall receive on

the date of each annual meeting of the Company's stockholders (unless first elected or appointed at such meeting), in lieu of an immediately vested and exercisable option to purchase 5,000 shares of Common Stock, a grant of shares of Common Stock with an aggregate fair market value, determined the date prior to the date of grant, of \$50,000, or each non-employee director may elect to receive an immediately vested and exercisable option to purchase a number of shares of Common Stock which has an aggregate value, determined the date prior to the date of grant, of \$50,000, calculated using the valuation methodology most recently utilized by the Company for purposes of financial statement reporting. Either award will be rounded up to the next higher whole share amount in the case of a fractional share amount.

Report of the Compensation Committee of the Board of Directors

The Compensation Committee is responsible for evaluating the performance of and determining the compensation for executive officers, including the Chief Executive Officer. It is also responsible for overseeing the Company's 1997 Incentive Plan and 2001 Incentive Plan (the Incentive Plans). The Compensation Committee has furnished the following report on executive compensation for 2005.

The Company's compensation programs are designed to attract and retain key executives responsible for the success of the Company with a pay for performance philosophy, and to motivate management to enhance long-term stockholder value. The annual compensation package for executive officers, including the Chief Executive Officer, generally consists of: (i) an annual base salary payable in cash; (ii) variable compensation, which is targeted as a percentage of base pay and may be payable in cash awards, phantom shares, performance units, bonus stock or other stock-based awards; (iii) long-term stock incentive compensation; and (iv) special or supplemental benefits, including management perquisites.

Compensation Philosophy Statement

Administaff is committed to attracting, motivating, retaining and encouraging long-term employment of individuals with a demonstrated commitment to integrity and exemplary personal standards of performance. The Administaff culture is based upon the value of and respect for each individual, encouraging personal and professional growth, rewarding outstanding individual and corporate performance, and achieving excellence through a high energy, fun work environment. We are convinced these elements contribute to the vision of Administaff to be an employer of choice, which increases the value and potential of the Company for clients, employees, shareholders, and the communities where we live and work. To this end, Administaff adheres to the following compensation strategy.

Establish and maintain a performance-driven culture that generates Company growth by recognizing and rewarding employees who believe in their own ability to reach and exceed their compensation objectives.

As part of our competitive compensation program, Administaff's base salary system will compensate employees based upon job responsibilities, level of experience, individual performance, comparisons to the market and internal

Table of Contents

comparisons. Additionally, we will provide an annual merit increase program to stay competitive with the market based upon employee performance, with care to avoid a high level of fixed cost escalation.

Provide substantial upside for recognition and reward of individual and corporate performance through a variable pay component that is affordable and equitable to both employees and shareholders and directly supports business objectives.

Create a strong mutuality of interest between executives and shareholders through the use of long-term incentive compensation opportunities and the selection of business performance criteria that will result in the attainment of strategic objectives.

Provide a competitive benefits package at the best possible value to the Company that recognizes and encourages work-life balance and fosters a career commitment to Administaff.

All employment opportunities and compensation decisions will be made in a consistent and non-discriminatory manner, without regard to race, sex, religion, age, disability, sexual orientation or marital status. To ensure this philosophy is carried out, policies and training for supervisors and managers are in place to foster consistency in practice with minimal exceptions.

Base Salary

The base salary is intended to provide a stable annual salary at a level that attracts and retains talented executive officers. Changes in base salary for executive officers, including the Chief Executive Officer, depend upon the Company's performance, projected changes in the external market, and the individual's contributions to Administaff's long-term performance. Under this approach, a significant component of the officers' annual compensation is tied to the Company's performance and is, therefore, at risk. For 2005, the Compensation Committee approved an increase in salary for executive officers of an average of 8%. In setting base salary for executives other than the Chief Executive Officer, the Compensation Committee also considered the Chief Executive Officer's subjective evaluation of each executive's performance.

Variable Compensation

Variable compensation is intended to link executives' compensation to the Company's performance as well as to their individual performance. As an incentive, for 2005, the Compensation Committee set a target for variable compensation that was computed as a percentage of base salary. The percentage of target variable compensation awarded depended on whether the executive met her or his threshold, target or maximum goal for performance measurements. If the executive reached the threshold goal for performance measurements, he was paid 50% of the targeted variable compensation. If the executive reached the targeted goal for performance measurement, he was paid 100% of the targeted variable compensation, and if the executive reached a maximum goal for performance measurement, he was paid 150% of the targeted variable compensation. The targeted variable compensation for the Chief Executive Officer was 100% of his annual salary and the targeted variable compensation for other executives ranged from 60% to 80% of their annual salary.

For 2005, the target variable compensation was based on three types of performance measurements: corporate, division and individual. The corporate performance measurement was based 90% on the Company's operating income per worksite employee per month and 10% on the implementation and training of all employees on the new CRM system; the division performance measurements were based on various projects to be completed within each department that would have a major impact upon the Company's operations as a whole; and the individual performance measurements were based on annual performance reviews. Criteria considered in evaluation of individual performance of executives included generating revenue, mobilizing talent, personal and professional development, ability to run the business, servant leadership and setting the course of the business. The variable compensation for senior management was weighted more heavily toward the corporate performance. The variable compensation plan provided a payout scale with high up-side opportunity for high performance and zero payout for low performance.

Long-term Incentive Compensation

Long-term incentive compensation is provided through the Incentive Plans, the objectives of which are to promote the interests of the Company by encouraging employees of the Company and its subsidiaries to acquire or increase their equity interest in the Company and to provide a means whereby such persons may develop a sense of proprietorship and personal

Table of Contents

involvement in the development and financial success of the Company, and to encourage them to remain with and devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its stockholders. Awards under the Incentive Plans have historically generally been made in the form of stock options or restricted stock, although in the future such awards may include phantom shares, performance units, bonus stock or other stock-based awards. The Company may periodically grant new options, restricted stock, or other long-term equity-based incentives to provide continuing incentive for future performance.

For 2005, the Compensation Committee approved grants of restricted stock to the Company's executives and certain key employees instead of stock options. The primary purpose of granting restricted stock for 2005 instead of stock options was that the Company believes restricted stock awards are a better way to provide significant equity compensation to employees that provides more predictable long-term rewards than stock options. In determining whether to grant stock or options, the Compensation Committee first considers the number of shares available for distribution under the program for the year under consideration and the overall dilutive effect of the total grant. Based on these factors, the Compensation Committee then allots a targeted portion of those shares to the various executive grade levels, with higher grade levels being allotted a greater portion. In determining the number of options or shares to grant to each executive, the Compensation Committee considers factors including an executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with additional incentives for future performance, the likelihood that the grant of those options or shares would encourage the executive to remain with the Company and the value of the executive's service to the Company. The Board of Directors has authorized a Common Stock repurchase plan under which the Company purchases shares of Common Stock that are used to fund stock option and restricted stock grants, in an effort to minimize dilution.

In 2005, the Company granted an aggregate of 158,800 shares of restricted Common Stock to executive officers of the Company, including the Chief Executive Officer. The Company repurchased 649,100 shares of Common Stock during 2005.

CEO Compensation

The compensation of the Chief Executive Officer is determined in the same manner as the other executives of the Company, as set forth above, and includes stock options and restricted stock. In 2005, Mr. Sarvadi received a 9% increase in base salary.

Mr. Sarvadi's variable compensation, shown in the third column of the Summary Compensation Table, was determined by the Board, upon recommendation of the Compensation Committee, to be in conformance with the provisions of the variable compensation plan as described above and was based upon the payout of the corporate performance goal component at the maximum level of 150%, which was weighted at 80% for the Chief Executive Officer, and his exceeding the established target for his individual performance goal, which was weighted at 20% for the Chief Executive Officer.

In 2005, the Compensation Committee granted Mr. Sarvadi 40,000 shares of restricted Common Stock. In making the grant, the Compensation Committee considered Mr. Sarvadi's large ownership position in the Company. Although the Compensation Committee believes that the grant of options or restricted stock to Mr. Sarvadi further aligns his interests with those of stockholders, the Compensation Committee considered the grant to Mr. Sarvadi to be more in the nature of variable compensation than a long-term incentive.

Section 162(m) of the Internal Revenue Code

The Compensation Committee has taken action, where possible and considered appropriate, to preserve the deductibility of compensation paid to the Company's executive officers. The Compensation Committee has also awarded compensation that might not be fully tax deductible when such grants were nonetheless in the best interest of the Company and its stockholders. The Company generally will be entitled to take tax deductions relating to compensation that is performance-based, which may include cash incentives, stock options, restricted stock, and other performance-based awards.

THE ADMINISTAFF, INC. 2001 INCENTIVE PLAN**

The Company's Board of Directors has unanimously adopted a resolution to submit to a vote of the Company's stockholders a proposal to approve the amendment and restatement of the 2001 Incentive Plan (the Plan), as set forth in Appendix B to this proxy statement. Among other things, the amendment and restatement of the Plan will:

increase the number of shares of Common Stock reserved for issuance under the Plan by approximately 1,400,000; increase the per person limits for each Award category with respect to Awards payable in Common Stock to 200,000 shares per Award category, and with respect to cash Awards, to \$2,000,000; and provide for stock Awards to non-employee directors.

Currently, the 2001 Incentive Plan has 47,097 shares available for future Awards. This number of Awards is insufficient to carry out the purposes of the Plan, discussed below. Although the Company also maintains the Nonqualified Stock Option Plan, which, on March 6, 2006 had 623,820 shares available for Awards, the plan provides for stock option Awards to non-officer employees only, which limits the Company's flexibility with respect to other types of share-based Awards, such as restricted stock, and also limits the Company's ability to issue additional share-based Awards to its officers and directors.

If Proposal 2 is adopted, the shares reserved for the 2001 Incentive Plan will be increased by another 1,400,000 shares. If Proposal 2 is adopted, no new grants will be made under the Nonqualified Stock Option Plan.

The Plan's purposes remain unchanged and are to: (i) retain and attract persons of training, experience and ability to serve as employees of the Company and its subsidiaries and to serve as non-employee directors of the Company; (ii) encourage the sense of proprietorship of such persons; and, (iii) stimulate the active interest of such persons in the development and financial success of the Company and its subsidiaries. The Company's stockholders approved the 2001 Incentive Plan at the annual meeting of stockholders held on May 8, 2001. The Board of Directors believes that the Plan is achieving its objectives and believes that to continue to carry out its objectives, it is necessary to increase the number of shares of Common Stock reserved for issuance under the Plan.

Required Affirmative Vote

If the votes cast in person or by proxy at the Annual Meeting in favor of Proposal 2 exceed the votes cast opposing the proposal, the Plan, as amended and restated, will be approved; provided that votes representing more than 50% of the Company's outstanding shares of Common Stock are cast on the proposal. If Proposal 2 is not approved by the stockholders, the Plan will continue in its present form.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSAL TO APPROVE THE AMENDMENT AND RESTATEMENT OF THE 2001 INCENTIVE PLAN, AND PROXIES EXECUTED AND RETURNED WILL BE SO VOTED UNLESS CONTRARY INSTRUCTIONS ARE INDICATED THEREON.

Summary of the Plan

The following summary of the Plan, as amended and restated, is qualified by reference to the full text thereof, which is attached as Appendix B to this proxy statement.

Table of Contents***Eligibility for Participation***

All employees of the Company and its subsidiaries and non-employee directors of the Company are eligible for Awards under the Plan.

Administration

The Plan is administered by the Compensation Committee of the Company's Board of Directors or any other committee that may be designated by the Board of Directors (the "Committee"). Except with respect to the grants to non-employee directors, the Committee will select the employees who will receive Awards, determine the type and terms of Awards to be granted, and interpret and administer the Plan. Awards under the Plan may be granted in tandem with other compensation. Without prior stockholder approval, Awards issued under the Plan will not be repriced, replaced or regranted through cancellation or by decreasing the exercise price of a previously granted Award held by the same recipient, except as provided by the Plan's adjustment provisions. The Board of Directors or the Committee may delegate to the Chairman of the Board the duties of the Committee under the Plan pursuant to such conditions or limitations as it may establish, except that it may not delegate to any person the authority to grant Awards to, or take other action with respect to, participants who are subject to Section 16 of the Exchange Act. The Board of Directors has designated the Chairman of the Board as the sole member of a Special Awards Committee for the purpose of making Awards under the Plan to participants other than officers of the Company.

Shares of Common Stock Reserved

The aggregate number of shares of Common Stock that may currently be issued under the Plan with respect to Awards may not exceed 1,500,000. The Plan is being amended and restated to increase this number of shares to 2,900,000. No Awards relating to any of the additional 1,400,000 shares will be granted under the Plan if the Plan, as amended and restated, is not approved by stockholders. The proposed share limit is subject to adjustment for certain transactions affecting the Common Stock. Lapsed, forfeited or canceled Awards, as well as shares withheld to pay taxes for an Award, will not count against this limit and can be regranted under the Plan.

Terms, Conditions and Limitations of Employee Awards

Performance Objectives. The Committee may condition any employee Award under the Plan on the achievement of one or more performance objectives. The Committee shall determine the performance objectives to be achieved and the length of time allowed to achieve any performance objectives. The term "performance objectives" means the objectives established by the Committee that are to be achieved with respect to an Award, which may be described in terms of Company-wide objectives, in terms of objectives that are related to performance of a division, subsidiary, department, geographic market or function within the Company or a subsidiary in which the person receiving the Award is employed, or in individual or other terms, and which will relate to the period of time determined by the Committee. The performance objectives intended to qualify under Section 162(m) of the Internal Revenue Code shall be with respect to one or more of the following: (a) net earnings; (b) operating income; (c) earnings before interest and taxes; (d) earnings before interest, taxes, depreciation, and amortization expenses; (e) earnings before taxes and unusual or nonrecurring items; (f) total revenue; (g) return on investment; (h) return on equity; (i) return on total capital; (j) return on assets; (k) total stockholder return; (l) return on capital employed in the business; (m) stock price performance; (n) earnings per share growth; (o) cash flows; (p) total profit; (q) operating expenses; (r) fee revenue; (s) total revenue less bonus payroll; (t) the number of paid worksite employees; and (u) gross mark-up per worksite employee.

The Committee shall determine, at the time the Award is granted, which objectives to use with respect to an Award, the weighting of the objectives if more than one is used, and whether the objective is to be measured against a Company-established budget or target, an index or a peer group of companies. A performance objective need not be based on an increase or a positive result and may include, for example, maintaining the status quo or limiting economic losses.

Employee Stock Options. Stock options granted to employees are subject to such terms and conditions as may be established by the Committee, except that the option exercise price cannot be less than the fair market value per share of the Common Stock on the date of grant. Stock options may be granted either as incentive stock options ("ISOs") under Section 422 of the Internal Revenue Code, nonqualified stock options or a combination thereof. No ISO may be exercised more than ten years after the date of grant. Payment of the option exercise price may be by: (i) cash or

check; (ii) transfer of shares of Common Stock already owned by the optionee, if permitted by the Committee; or, (iii) a cashless broker exercise procedure.

Table of Contents

Stock Award (including Restricted Stock). The Committee may grant an Award of Common Stock, which may be restricted stock, or an Award that is denominated in units of Common Stock.

Phantom Stock Award. The Committee may grant phantom shares of Common Stock to employees, which may be payable in cash, shares of Common Stock or a combination thereof, subject to the achievement of specified performance goals.

Stock Appreciation Right. The Committee may grant an Award that is in the form of a stock appreciation right (SAR). A SAR is the right to receive an amount of Common Stock equal to the appreciation in value of a specified number of shares of Common Stock over a particular period of time.

Cash Award. The Committee may grant an Award in cash.

Performance Awards. The Committee may grant a performance Award consisting of any type of Award or combination of Awards. A performance Award is subject to the achievement of one or more performance objectives.

Performance Units. The Committee may grant an Award in Performance Units. Performance Units are units equivalent to \$100 (or such other value as the Committee determines) and may consist of payments in cash, shares of Common Stock or a combination thereof, payable upon the achievement of specified performance goals.

Other Stock-Based Awards. The Committee, in its discretion, may grant other forms of Awards based on, or payable in, shares of Common Stock.

Annual Award Limits. During any one calendar year, Awards with respect to Common Stock to any individual participant are limited to 200,000 shares from each of the following categories: (i) options or SARs; (ii) stock Awards (excluding restricted stock), phantom stock Awards or other stock-based Awards; and (iii) restricted stock. During any one calendar year, no participant may receive an aggregate payment under cash Awards or performance Awards payable in cash in excess of \$2,000,000.

Terms, Conditions and Limitations of Non-employee Director Awards

The Plan currently provides that each person who is initially appointed or elected as a director of the Company shall be automatically granted an option to purchase 7,500 shares of Common Stock on the date of election or appointment at an exercise price per share equal to the fair market value of the Common Stock on the date of grant, and such option shall vest as to one-third of the shares on each anniversary of its grant date. The Plan also currently provides that each director shall automatically receive on the date of each annual meeting of the Company's stockholders (unless first elected or appointed at such meeting) an immediately vested and exercisable option to purchase 5,000 shares of Common Stock at an exercise price per share equal to the fair market value of the Common Stock on the date of grant. Each director option shall have a term of 10 years, subject to earlier termination depending upon continuity of service on the Board.

If Proposal 2 is adopted, the Plan will be amended and restated to provide that each person who is initially appointed or elected as a director of the Company shall receive a grant of shares of restricted Common Stock on the date of election or appointment with an aggregate fair market value, determined the date prior to the date of grant, of \$75,000, rounded up to the next higher whole share amount in the case of a fractional share amount, and such restricted Common Stock shall vest as to one-third of the shares on each anniversary of its grant date, in lieu of an option to purchase 7,500 shares of Common Stock at an exercise price per share equal to the fair market value of the Common Stock on the date of grant, which also vested as to one-third of the shares on each anniversary of its grant date. In addition, the Plan will be amended and restated to provide that each non-employee director shall receive on the date of each annual meeting of the Company's stockholders (unless first elected or appointed at such meeting), in lieu of an immediately vested and exercisable option to purchase 5,000 shares of Common Stock, a grant of shares of Common Stock with an aggregate fair market value, determined the date prior to the date of grant, of \$50,000, or each non-employee director may elect to receive an immediately vested and exercisable option to purchase a number of shares of Common Stock which has an aggregate value, determined the date prior to the date of grant, of \$50,000, calculated using the valuation methodology most recently utilized by the Company for purposes of financial statement reporting. Either award will be rounded up to the next higher whole share amount in the case of a fractional share amount.

Table of Contents***Other Terms and Limitations***

Transferability. Awards under the Plan generally will not be transferable other than by will or the laws of descent and distribution or pursuant to a qualified domestic relations order; provided, however, the Committee may, in its discretion, permit a participant to transfer all or a portion of any Award that is not an ISO to the participant's immediate family members, as defined in the Plan.

Deferral. The Committee may permit participants to elect to defer payment of some or all types of Awards or provide for the deferral of an Award. A deferral may be in the form of an installment payment or a future lump-sum payment. Deferrals will only be permitted in compliance with Section 409A of the Internal Revenue Code.

Dividends and Interest. An Award denominated in Common Stock may include dividends or dividend equivalent rights. The Committee may also establish rules for the crediting of interest on deferred cash payments and dividend equivalents for deferred payment denominated in Common Stock or units of Common Stock. No outstanding option has been granted with a dividend equivalent right.

Adjustments to Awards Following Grant. The Committee may provide for adjustment of Awards following grant under the Plan in the following circumstances. In the event of any Common Stock distribution or split, recapitalization, extraordinary distribution, merger, consolidation, combination or exchange of shares of Common Stock or similar change or upon the occurrence of any other event that the Committee, in its sole discretion, deems appropriate, the Committee may adjust: (i) the number of shares; (ii) the Award exercise price; (iii) the appropriate value and other price determinations of Awards; (iv) the per person limitations on Awards; and, (v) the type of shares covered by the Award. In the event of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Committee shall be authorized to: (i) issue or assume Awards, regardless of whether in a transaction to which Section 424(a) of the Code applies, by means of substitution of new Awards, as appropriate, for previously issued Awards or to assume previously issued Awards as part of such adjustment; (ii) make provision, prior to the transaction, for the acceleration of the vesting and exercisability of, or lapse of restrictions with respect to, Awards (to the extent not otherwise provided under Sections 7 or 8 of the Plan) and the termination of options that remain unexercised at the time of such transaction; or, (iii) provide for the acceleration of the vesting and exercisability of any Awards and the cancellation thereof (to the extent not otherwise provided under Sections 7 or 8 of the Plan) and to deliver to the Participants cash in an amount that the Board shall determine in its sole discretion is equal to the fair market value of such Awards on the date of such event, which in the case of Options or SARs shall be the excess of the Fair Market Value of Common Stock on such date over the exercise or strike price of such Award. The Committee, in its sole discretion, may amend any stock-based Award to reflect a change in accounting rules required by the Financial Accounting Standards Board, and with respect to any Award that is not intended to meet the requirements of Section 162(m) of the Internal Revenue Code, may amend any Award to reflect a significant event if the Committee believes amendment is appropriate to reflect the original intent in the grant of the Award.

Tax Withholding. The Plan permits the Committee to allow a participant, upon exercise of an option or payment or vesting of an Award, to satisfy any applicable federal tax withholding requirements in the form of shares of Common Stock, including shares issuable upon exercise or payment or vesting of such Award.

Change in Control. The Plan provides that upon a change in control of the Company (as defined in the Plan), all Awards shall become immediately exercisable or payable, as the case may be. The Plan states that the Committee may provide in an agreement with the participant for a supplemental payment to mitigate the effect of golden parachute excise taxes, and in the absence of such an agreement, the acceleration of vesting and exercisability of Awards will be limited so as to avoid the impact of the golden parachute excise tax.

Amendment and Termination. The Board of Directors may amend, alter or discontinue the Plan, except that no amendment or alteration that would impair the rights of a holder of any Award shall be made without the holder's consent, and no amendment or alteration shall be effective prior to approval by the stockholders to the extent the Board of Directors determines such approval is required by applicable laws, regulations or exchange requirements.

Federal Income Tax Consequences

The Internal Revenue Code provides that a participant receiving a nonqualified option ordinarily does not realize taxable income upon the grant of the option. A participant does, however, realize compensation income taxed at ordinary

Table of Contents

income tax rates upon the exercise of a nonqualified option to the extent that the fair market value of the Common Stock on the date of exercise exceeds the option price. Subject to the discussion under Certain Tax Code Limitations on Deductibility below, the Company is entitled to a federal income tax deduction for compensation in an amount equal to the ordinary income so realized by the participant. When the participant sells the shares acquired pursuant to a nonqualified option, any gain or loss will be capital gain or loss. This assumes that the shares represent a capital asset in the participant's hands, although there will be no tax consequences for the Company.

The grant of an ISO does not result in taxable income to a participant. The exercise of an ISO also does not result in taxable income, provided that the circumstances satisfy the employment requirements in the Internal Revenue Code. However, the exercise of an ISO may give rise to alternative minimum tax liability for the participant. In addition, if the participant does not dispose of the Common Stock acquired upon exercise of an ISO during the statutory holding period, then any gain or loss upon subsequent sale of the Common Stock will be a long-term capital gain or loss. This assumes that the shares represent a capital asset in the participant's hands. The statutory holding period lasts until the later of: (i) two years from the date the option is granted; or, (ii) one year from the date the Common Stock is transferred to the participant pursuant to the exercise of the option.

If the employment and statutory holding period requirements for an ISO are satisfied, the Company may not claim any federal income tax deduction upon either the exercise of the ISO or the subsequent sale of the Common Stock received upon exercise. If these requirements are not satisfied (a disqualifying disposition), the amount of ordinary income taxable to the participant is the lesser of: (i) the fair market value of the Common Stock on the date of exercise minus the option price; or, (ii) the amount realized on disposition minus the option price. Any excess is long-term or short-term capital gain or loss, assuming the shares represent a capital asset in the participant's hands. Subject to the discussion under Certain Tax Code Limitations on Deductibility below, in the case of a disqualifying disposition, the Company is entitled to a federal income tax deduction in an amount equal to the ordinary income realized by the participant.

The exercise of an option through the exchange of previously-acquired stock will generally be treated as a non-taxable like-kind exchange as to the number of shares given up and the identical number of shares received under the option. That number of shares will take the same tax basis and, for capital gain purposes, the same holding period as the shares that are given up. The value of the shares received upon such an exchange which are in excess of the number given up will be taxed to the participant at the time of the exercise as ordinary income, taxed as compensation. The excess shares will have a new holding period for capital gains purposes and a tax basis equal to the value of such shares determined at the time of exercise. If the tendered shares were acquired through the prior exercise of an ISO and do not satisfy the statutory two-year and one-year holding periods (disqualified shares), then the tender will result in compensation income to the optionee taxed as ordinary income equal to the excess of the fair market value of the disqualified shares, determined when the prior ISO was exercised, over the exercise price of the disqualified shares. The optionee will increase his tax basis in the number of shares received on exercise equal to the number of shares of disqualified shares tendered by the amount of compensation income recognized by the optionee with respect to the disqualified shares. Generally, the federal income tax consequences to the optionee are similar to those described above relating to the exercise of an option through the exchange of non-disqualified shares.

If an optionee exercises an option through the cashless exercise method by authorizing a broker designated by the Company to sell a specified number of the shares to be acquired through the option exercise having a market value equal to the sum of the option exercise plus any transaction costs (the cashless shares), the optionee should be treated as constructively receiving the full amount of option shares, followed immediately by a sale of the cashless shares by the optionee. In the case of an ISO, the cashless exercise method would result in the cashless shares becoming disqualified shares and taxed in a manner described above for disqualified shares.

In the case of a nonqualified option, the cashless exercise method would result in compensation income to the optionee with respect to both the cashless shares and remaining option shares as discussed above relating to nonqualified options. Since the optionee's tax basis in the cashless shares that are deemed received and simultaneously sold on exercise of the option is equal to the sum of the exercise price and the compensation to the optionee, no additional gain should be recognized by the optionee upon the deemed sale of the cashless shares.

Under Section 83(b) of the Internal Revenue Code, a participant may elect to include in ordinary income, as compensation at the time restricted stock is first issued, the excess of the fair market value of the stock at the time of issuance over the amount paid, if any, by the participant. In this event, any subsequent change in the value of the shares will be recognized for tax purposes as capital gain or loss upon disposition of the shares, assuming that the shares represent a capital asset in the hands of the participant. A participant makes a Section 83(b) election by filing the election with the IRS no later

Table of Contents

than 30 days after the restricted stock is transferred to the participant. If a Section 83(b) election is properly made, the participant will not be entitled to any loss deduction if the shares with respect to which a Section 83(b) election was made are later forfeited. Unless a Section 83(b) election is made, no taxable income will generally be recognized by the recipient of a restricted stock Award until the shares are no longer subject to the restrictions or the risk of forfeiture. When either the restrictions or the risk of forfeiture lapses, the participant will recognize ordinary income, taxable as compensation, in an amount equal to the excess of the fair market value of the Common Stock on the date of lapse over the amount paid, if any, by the participant for the stock. Absent a Section 83(b) election, any cash dividends or other distributions paid with respect to the restricted stock prior to the lapse of the restrictions or risk of forfeiture will be included in the participant's ordinary income as compensation at the time of receipt and subsequent appreciation or depreciation will be recognized as capital gain or loss, assuming that the shares represent a capital asset in the hands of the participant.

Generally, a participant will not recognize any taxable income upon the award of stock appreciation rights, stock award or phantom stock. At the time the participant receives the payment for the stock appreciation right, stock award or phantom stock, the fair market value of shares of Common Stock or the amount of any cash received in payment for such Awards generally is taxable compensation to the participant taxed as ordinary income.

Subject to the discussion under **Certain Tax Code Limitations on Deductibility** below, the Company or one of its subsidiaries will be entitled to a deduction for federal income tax purposes at the same time and in the same amount that a participant recognizes ordinary income from Awards under the Plan.

The exercisability of an option or a stock appreciation right, the payment of stock award or phantom stock awards or the elimination of restrictions on restricted stock, may be accelerated, and special cash settlement rights may be triggered and exercised, as a result of a change in control. If any of the foregoing occurs, all or a portion of the value of the relevant Award at that time may be a parachute payment. This is relevant for determining whether a 20% excise tax (in addition to income tax otherwise owed) is payable by the participant as a result of the receipt of an excess parachute payment pursuant to the Internal Revenue Code. The Company will not be entitled to a deduction for that portion of any parachute payment that is subject to the excise tax.

Certain Tax Code Limitations on Deductibility

Section 162(m) of the Internal Revenue Code generally disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1,000,000 in any taxable year to the chief executive officer or any of the four other most highly compensated executive officers who are employed by the corporation on the last day of the taxable year, but does not disallow a deduction for performance-based compensation the material terms of which are disclosed to and approved by stockholders. The Company has structured the Plan so that resulting compensation can be designed to qualify as performance-based compensation. To allow the Company to qualify the compensation, it is seeking stockholder approval of the Plan and the material terms of the related performance goals.

Effect of American Jobs Protection Act of 2004

On October 22, 2004, the American Jobs Creation Act of 2004 (H.R. 4520) (**AJCA**) was signed into law by the President. The AJCA significantly alters the rules relating to the taxation of deferred compensation.

The AJCA adds a new Section 409A to the Internal Revenue Code, which generally provides that any deferred compensation arrangement which does not meet specific requirements regarding: (i) timing of payouts; (ii) advance election of deferrals; and, (iii) restrictions on acceleration of payouts, results in immediate taxation of any amounts deferred to the extent not subject to a substantial risk of forfeiture. In addition, tax on the amounts included in income as a result of not complying with the new Section 409A are increased by an interest component as specified by statute, and the amounts included in income are also subject to a 20% excise tax. In general, to avoid a Section 409A violation, amounts deferred may only be paid out on separation from service, disability, death, a specified time, a change in control (as defined by the Treasury Department) or an unforeseen emergency. Furthermore, the election to defer generally must be made in the calendar year prior to performance of services, and any provision for accelerated payout other than for reasons specified by the Treasury may cause the amounts deferred to be subject to early taxation and to the imposition of the excise tax.

The AJCA is broadly applicable to any form of deferred compensation other than tax-qualified retirement plans and bona fide vacation, sick leave, compensatory time, disability pay or death benefits, and may be applicable to

certain Awards under the Plan. The new Section 409A is effective with respect to amounts deferred after December 31, 2004. The Company

Table of Contents

intends that any Awards granted under the Plan satisfy the requirements of new Section 409A to avoid the imposition of excise tax thereunder.

THE ABOVE SUMMARY OF THE EXPECTED EFFECT OF THE FEDERAL INCOME TAX UPON PARTICIPANTS IN THE PLAN IS NOT COMPLETE, AND THE COMPANY RECOMMENDS THAT THE PARTICIPANTS CONSULT THEIR OWN TAX ADVISORS FOR COUNSELING. MOREOVER, THE ABOVE SUMMARY IS BASED UPON CURRENT FEDERAL INCOME TAX LAWS, WHICH ARE SUBJECT TO CHANGE. THE TAX TREATMENT UNDER FOREIGN, STATE OR LOCAL LAW IS NOT COVERED IN THE ABOVE SUMMARY.

The allocation of Awards in 2006 under the Plan for persons other than non-employee directors is not currently determinable because Awards will be made in accordance with future decisions of the Compensation Committee following the general guidelines of the Plan. For a description of the options granted during 2005 to Named Executive Officers under the Plan, please see the Summary Compensation Table and the Option/SAR Grants in Last Fiscal Year table. The following table sets forth the Awards that will be made to non-employee directors under the Plan for the calendar year beginning January 1, 2006, assuming that six non-employee Directors are then serving on the board:

(*) Beginning in 2006, if Proposal 2 is adopted, each of the six non-employee directors will receive an annual grant of a number of shares of Common Stock with an aggregate fair market value, determined on the date prior to the date of grant, of \$50,000, or alternatively may elect to receive an immediately vested and exercisable option to purchase a number of shares of Common Stock with an aggregate value, determined on the date prior to the date of grant, of \$50,000, calculated using the valuation methodology most recently utilized by the Company for purposes of financial statement reporting. Either grant shall be rounded up to the next higher whole share amount in the case of a fractional share amount. The number of shares is not determinable at this time.

- (4) Shares of Common Stock may be issued pursuant to the 1997 Employee Stock Purchase Plan (ESPP), which enables employees of

the Company to purchase Administrastaff Common Stock through payroll deductions each calendar month. After the end of each calendar month, shares of Common Stock are purchased by the ESPP. Participants may enroll, change or discontinue payroll deductions at any time. The Company pays all expenses of the ESPP other than brokerage commissions for sales. The ESPP was not approved by stockholders, and does not include a limitation on the number of shares that may be issued thereunder.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO APPROVE THE AMENDMENT AND RESTATEMENT OF THE 2001 INCENTIVE PLAN, TAKING INTO ACCOUNT THE FOLLOWING:

The Company believes that its employees are recognized as the best in the industry and that equity-based compensation is critical to their recruitment and retention.

The Compensation Committee believes that restricted stock grants are a strategically favorable means of assuring employee alignment with stockholders. If the amended and restated Plan is not approved by the stockholders, the Company will have 47,097 shares available for restricted stock grants under the Plan. This will be insufficient to provide an appropriate level of restricted stock compensation to employees, and will unduly hamper the Company's attempts at structuring a compensation package that fully aligns employees with the interests of stockholders.

Since becoming a publicly-traded company, options and restricted stock awards covering 9,116,691 shares have been granted, 4,008,957 options have been exercised, 1,919,204 options and restricted shares have

been cancelled, 94,706 restricted shares have vested, and options and restricted stock awards covering 3,093,824 shares remain outstanding collectively under the incentive plans. Since the inception of the repurchase program, the Company has repurchased 7,426,534 shares.

**PROPOSAL NUMBER 3:
RATIFICATION OF APPOINTMENT OF
INDEPENDENT PUBLIC ACCOUNTANTS**

General

The Finance, Risk Management and Audit Committee has appointed the firm of Ernst & Young LLP as the Company's independent public accountants for the year ending December 31, 2006, subject to ratification by the Company's stockholders. Ernst & Young has served as the Company's independent public accountants since 1991. Representatives of Ernst & Young are expected to be present at the Annual Meeting of Stockholders and will have an opportunity to make a statement, if they desire to do so, and to respond to appropriate questions from those attending the meeting.

Fees of Ernst & Young LLP

Ernst & Young's fees for professional services totaled \$1,019,052 for 2005 and \$1,283,249 for 2004. During 2005, Ernst & Young's fees for professional services included the following:

Audit Fees fees for audit services, which relate to the consolidated audit, internal control audit in compliance with Sarbanes-Oxley Section 404, quarterly reviews, subsidiary audits and related matters were \$827,770 in 2005 and \$1,120,895 in 2004.

Audit-Related Fees fees for audit-related services, which consisted primarily of the SAS 70 report, the retirement plan audits, and quarterly agreed-upon procedures were \$188,882 in 2005 and \$160,479 in 2004.

Tax Fees there were no fees for tax services in 2005 or in 2004.

Other Fees there were other fees for other services of \$2,400 in 2005 and \$1,875 in 2004.

Subsequent to the completion of the March 25, 2005 Proxy Statement, Ernst & Young's 2004 professional service fee amounts were finalized resulting in an additional \$153,967. Such amounts have been included in the 2004 fee amounts noted above. The Finance, Risk Management and Audit Committee reviewed the non-audit services provided to the Company and considered whether Ernst & Young's provision of such services was compatible with maintaining its independence.

Finance, Risk Management and Audit Committee Pre-Approval Policy for Audit and Non-Audit Services

The Finance, Risk Management and Audit Committee has established a policy that requires pre-approval of the audit and non-audit services performed by the independent auditor. Unless a service proposed to be provided by the independent auditor has been pre-approved by the Finance, Risk Management and Audit Committee under its pre-approval policies and procedures, it will require specific pre-approval of the engagement terms by the Finance, Risk Management and Audit Committee. Under the policy, pre-approved service categories are generally provided for up to 12 months and must be detailed as to the particular services provided and sufficiently specific and objective so that no judgments by management are required to determine whether a specific service falls within the scope of what has been pre-approved. In connection with any pre-approval of services, the independent auditor is required to provide detailed back-up documentation concerning the specific services to be provided.

The Finance, Risk Management and Audit Committee may delegate pre-approval authority to one or more of its members, including to a subcommittee of the Finance, Risk Management and Audit Committee. The member or members to whom such authority is delegated shall report any pre-approval actions taken by them to the Finance, Risk Management and Audit Committee at its next scheduled meeting. The Finance, Risk Management and Audit Committee does not delegate to management any of its responsibilities to pre-approve services performed by the independent auditor.

If the appointment of Ernst & Young is not ratified, the Finance, Risk Management and Audit Committee will reconsider the appointment.

THE FINANCE, RISK MANAGEMENT AND AUDIT COMMITTEE RECOMMENDS THAT STOCKHOLDERS VOTE FOR RATIFICATION OF ERNST & YOUNG LLP'S APPOINTMENT AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2006, AND PROXIES EXECUTED AND RETURNED WILL BE SO VOTED UNLESS CONTRARY INSTRUCTIONS ARE INDICATED THEREON.

ADDITIONAL INFORMATION

Delivery of Proxy Statement

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (*e.g.*, brokers) to satisfy the delivery requirements for proxy statements with respect to two or more security holders sharing the same address by delivering a single proxy statement addressed to those security holders. This process, which is commonly referred to as householding, potentially means extra convenience for securityholders and cost savings for companies. This year, a number of brokers with accountholders who are Administaff stockholders will be householding the Company's proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholder. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker or direct your written request to Administaff, Inc., Attention: Ruth Holub, Investor Relations Specialist, 19001 Crescent Springs Drive, Kingwood, Texas 77339 or contact Ruth Holub at 800-237-3170. The Company will promptly deliver a separate copy to you upon request.

Stockholder Proposals for 2006 Meeting

In order for director nominations and stockholder proposals to have been properly submitted for presentation at the 2006 Annual Meeting of Stockholders, notice must have been received by the Company between the dates of October 26, 2005 and November 25, 2005. The Company received no such notice, and no stockholder director nominations or proposals will be presented at the Annual Meeting of Stockholders.

Stockholder Proposals for 2007 Proxy Statement

Any proposal of a stockholder intended to be considered for inclusion in the Company's proxy statement for the 2007 Annual Meeting of Stockholders must be received at the Company's principal executive offices no later than the close of business on November 27, 2006.

Advance Notice Required for Stockholder Nominations and Proposals

The Bylaws of the Company require timely advance written notice of stockholder nominations of director candidates and of any other proposals to be presented at an annual meeting of stockholders. Notice will be considered timely for the Annual Meeting of Stockholders to be held in 2007 if it is received not later than the close of business on November 27, 2006 and not earlier than the close of business on October 28, 2006. In addition, the Bylaws require that such written notice set forth: (a) for each person whom the stockholder proposes to nominate for election, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or as otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, including, without limitation, such person's written consent to be named in the proxy statement as a nominee and to serve as a director if elected; and, (b) as to such stockholder: (i) the name and address, as they appear on the Company's books, of such stockholder; (ii) the class and number of shares of the Company's capital stock that are beneficially owned by such stockholder; and, (iii) a description of all agreements, arrangements or understandings between such stockholder and each such person that such stockholder proposes to nominate as a director and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by such stockholder.

In the case of other proposals by stockholders at an annual meeting, the Bylaws require that such written notice set forth as to each matter such stockholder proposes to bring before the annual meeting: (a) a brief description of the business desired to be brought before the annual meeting; (b) the reasons for conducting such business at the annual meeting; (c) the name and address, as they appear on the Company's books, of such stockholder; (d) the class and number of shares of the Company's stock which are beneficially owned by such stockholder; and (e) any material interest of such stockholder in such business.

APPENDIX A
Finance, Risk Management and
Audit Committee Charter

Purpose

The Finance, Risk Management and Audit Committee (the Committee) has been appointed by the Board of Directors (the Board) of Administaff, Inc. (the Company) to assist the Board in fulfilling its responsibility to oversee the financial affairs, risk management, accounting and financial reporting processes and audits of financial statements of the Company by reviewing and monitoring (i) the financial affairs of the Company, (ii) the integrity of the Company's financial statements, (iii) the Company's compliance with legal and regulatory requirements, (iv) the independent auditor's (the external auditors) qualifications, independence and performance, (v) the performance of the personnel responsible for the Company's internal audit function (the internal auditors) and the external auditors, and (vi) the Company's policies and procedures with respect to risk management, as well as other matters which may come before it as directed by the Board. Pursuant to the Sarbanes-Oxley Act of 2002 and the rules and regulations of the Securities and Exchange Commission (the Commission), the Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of the Company's external auditors.

The Committee shall have and may exercise all the powers of the Board, except as may be prohibited by law, with respect to all matters encompassed by this Charter, and all the power and authority required under the Sarbanes-Oxley Act of 2002. The Committee shall prepare the report required by the rules of the Commission to be included in the Company's annual proxy statement.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. The Board and the Committee recognize that the Company's management is responsible for preparing the Company's financial statements and the external auditors are responsible for auditing those financial statements. Therefore, the Board and the Committee's responsibility is one of oversight.

Membership and Meetings

The Committee shall consist of the number of directors fixed from time to time by the Board, but not less than three. The members of the Committee shall be appointed and may be removed by the Board in its discretion and upon the recommendation of the Nominating and Corporate Governance Committee. The Committee's composition shall meet the independence and experience requirements of the New York Stock Exchange (NYSE), Section 10A(m)(3) of the Securities Exchange Act of 1934 (the Exchange Act) and the rules and regulations of the Commission, in each case after giving effect to any applicable phase-in requirements. At least one member of the Committee shall be an audit committee financial expert, as defined by Item 401(h)(2) of Regulation S-K promulgated by the Commission.

The Committee shall meet as often as its members shall determine to be necessary, or as meetings may be called by the Chair of the Committee, any two members of the Committee or the Chairman of the Board, but in any event shall meet not less frequently than quarterly. In addition, the Committee will make itself available to the external and internal auditors of the Company as requested. The Committee shall meet separately, periodically, with the management, with the internal auditors and with the external auditors. The Committee may invite members of management, other employees of the Company, the Company's outside counsel, the Company's external auditor or others to attend meetings with, and furnish pertinent information to, the Committee. The Committee shall also meet in executive session as required. The Board shall appoint one member of the Committee as Chair. The Chair of the Committee shall be responsible for scheduling all meetings of the Committee, determining the agenda for each meeting (following consultation with other members of the Committee and with management), presiding over meetings of the Committee and coordinating reporting to the Board. In the absence of the Chair, the majority of the members of the Committee present at a meeting shall appoint a member to preside at the meeting.

Authority and Responsibilities

The Committee is empowered to investigate any matter relating to the financial affairs and risk management of the Company brought to its attention, and shall have full access to all books, records, facilities and personnel of the Company. The

Committee shall have the authority to retain and obtain advice and assistance from independent counsel, accounting and other advisors without seeking Board approval. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the external auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

The Committee has the sole responsibility and authority to select (subject to stockholder ratification), evaluate and, where appropriate, replace the Company's external auditors. The Committee shall preapprove all audit, review or attest engagements and permissible non-audit services, including the fees and terms thereof, to be performed by the external auditors, subject to, and in compliance with, the *de minimis* exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act and the applicable rules and regulations of the Commission. The Committee shall be directly responsible for the compensation and oversight of the work of the external auditor (including resolution of disagreements between management and the external auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services. The external auditor shall report directly to the Committee.

The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services. The Committee also may delegate such preapproval authority to any of its members. Any decisions of such subcommittees or members to grant preapprovals shall be presented to the full Committee at its next scheduled meeting.

In addition to the foregoing, the Committee shall:

Oversight of the External Auditors

1. Review and discuss with the external auditor the planning and staffing of the annual audit and any other services provided by the Company's external auditors, and approve the terms of and any fees related to the audit and such other services.
2. Review and evaluate the lead partner of the external auditors.
3. At least annually, obtain and review a report by the external auditors describing (i) the external auditors' internal quality-control procedures, (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the external auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues, and (iii) all relationships between the external auditor and the Company as contemplated by Independence Standards Board Standard Number 1. Evaluate the external auditors' qualifications, performance and independence, including considering whether the external auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the external auditor's independence. In making this evaluation, the Committee shall take into account the opinions of management and the internal auditor. The Committee shall present its conclusions with respect to the external auditors to the full Board.
4. Assure the regular rotation of the audit partners as required by law. Consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself.
5. Establish hiring policies for the Company's employment of the external auditors' employees or former employees.

Selection and Oversight of the Internal Auditors

6. Discuss and approve the appointment and replacement of the internal auditors.
 7. Review and discuss with the internal auditors significant reports that the internal auditors prepare for management as well as management's responses to those reports.
 8. Discuss with management and the external auditors the responsibilities, budget, staffing and qualifications of the internal auditors and any recommended changes in the planned scope of the internal audit. The internal audit function (which may be outsourced to a third-party service provider other than the external auditor) is intended to provide management and the Committee with ongoing assessments of the Company's risk management processes and system of internal control over financial reporting.

 15. Review and discuss with management any earnings press releases, including the use of any non-GAAP financial measure as defined by the rules of the Commission, as well as financial information and earnings guidance provided to analysts and rating agencies. Notwithstanding anything herein to the contrary, without the prior approval of the Company's stockholders, Awards issued under the Plan will not be repriced, replaced or regranted through cancellation or by decreasing the Exercise Price of a previously granted Award except as provided by the adjustment provisions of Section 14.

No member of the Committee shall be liable for anything done or omitted to be done by him or her, by any member of the Committee or by any officer of the Company in connection with the performance of any duties under this Plan, except for his or her own willful misconduct or as expressly provided by statute.

4. **Delegation of Authority.** The Board or Committee may delegate to the Chairman of the Board the duties of the Committee under this Plan pursuant to such conditions or limitations as each may establish, except that neither may delegate to any person the authority to grant Awards to, or take other action with respect to, Participants who are subject to Section 16 of the Exchange Act.

5. **Award Agreement.** Each Award granted hereunder shall be described in an Award Agreement, which shall be subject to the terms and conditions of this Plan and shall be accepted in such manner as is deemed acceptable by the Committee by the Participant and by the appropriate officer for and on behalf of the Company.

6. **Shares of Common Stock Reserved for this Plan.** Subject to adjustment as provided in Section 14 hereof, a total of 2,900,000 shares of Common Stock, shall be reserved for issuance upon the exercise or payment of Awards granted pursuant to this Plan. exchange or transaction reporting system on which shares of Common Stock are listed or quoted in order to make shares of Common Stock available for issuance pursuant to this Plan. Awards that are forfeited or terminated or expire unexercised in such a manner that all or some of the shares of Common Stock subject thereto are not issued to a Participant or are exchanged for Awards that do not involve Common Stock, shall again immediately become available for the granting of Awards under this Plan. If the tax withholding obligation resulting from the settlement of any such option or other Award is satisfied by withholding shares of Common Stock, only the number of shares of Common Stock issued net of the shares of Common Stock withheld shall be deemed delivered for purposes of determining usage of shares against the maximum number of shares of Common Stock available for delivery under the Plan or any sublimit set forth above. The Committee may from time to time adopt and observe such rules and procedures concerning the counting of shares against the Plan maximum or any sublimit as it may deem appropriate, including rules more restrictive than those set forth above to the extent necessary to satisfy the requirements of any national stock exchange on which the Common Stock is listed or any applicable regulatory requirement.

7. *Employee Awards.*

Any ISO granted shall expire not later than ten (10) years after the Grant Date, with the expiration date to be specified by the Committee in the Award Agreement. Any ISO granted must, in addition to being subject to applicable terms, conditions and limitations established by the Committee, comply with Code Section 422. All other terms, conditions and limitations applicable to ISOs shall be determined by the Committee.

All other terms, conditions and limitations applicable to nonqualified stock options shall be determined by the Committee.

(b) ***Performance Award.*** An Employee Award may be in the form of a Performance Award, such as a Performance Unit. (h) The following limitations shall apply to any Award made hereunder:

(i) Notwithstanding anything herein to the contrary, no Participant may be granted, during any one calendar year period, Options or SARs covering more than 200,000 shares of Common Stock.

(ii) Notwithstanding anything herein to the contrary, no Participant may receive, during any one calendar year period, an aggregate payment under Cash Awards or Performance Awards payable in cash in excess of \$2,000,000.

(iii) Notwithstanding anything herein to the contrary, no Participant may be issued, during any one calendar year period, more than 200,000 shares of Common Stock pursuant to Stock Awards (excluding Restricted Stock), Phantom Stock Awards or Other Stock-Based Awards.

(iv) Notwithstanding anything herein to the contrary, no Participant may be issued, during any one calendar year period, Restricted Stock covering more than 200,000 shares of Common Stock.

(8) **Directors Awards.** Directors of the Company shall be granted Director Awards in accordance with this Section 8 and subject to applicable terms and limitations set forth in this Plan and the applicable Award Agreements. Notwithstanding anything herein to the contrary, if the number of shares of Common Stock available for Awards under this Plan is insufficient to make all automatic grants of Director Awards provided for in this Section 8 on the applicable Grant Date, then all Directors who are entitled to a Director Award on such date shall share ratably in the number of shares then available for Awards under this Plan, all Directors shall have no right to receive a Director Award with respect to the deficiencies in the number of available shares, and all future Director Awards under this Section 8 shall terminate.

(a) **Initial Director Award.** Each Director who is elected or appointed to the Board for the first time after February 24, 2006, shall be automatically granted, on the date of his or her election or appointment to the Board, a Director Stock Award of a number of shares of Restricted Stock with an aggregate Fair Market Value, determined as of the date prior to the Grant Date, of \$75,000, rounded up to the next higher whole share amount in the case of a fractional share amount, which shall become vested as to one-third (1/3) of the shares on each anniversary of the Grant Date unless such Director gives advance written notice to the Committee that he or she does not wish to receive such Director Stock Award. Notwithstanding the foregoing, if the Director terminates his service as a member of the Board, his or her unvested portion of such Director Stock Award, if any, shall terminate immediately on such termination date, unless such termination of service is due to death or Disability, in which event the unvested portion of such Director Stock Award shall become immediately 100% vested on such termination date.

(b) **Annual Director Award.** On the Annual Director Award Date, each Director who is in office immediately after the annual meeting on such date and who was not elected or appointed to the Board for the first time on such date shall be granted a Director Stock Award of a number of shares of Common Stock with an aggregate Fair Market Value, determined as of the date prior to the Grant Date, of \$50,000. In lieu of such Director Stock Award, each Director may elect prior to the issuance of such Director Stock Award, in a time and manner determined acceptable by the Committee, to receive on the Annual Director Award Date, a Director Option to purchase a number of shares of Common Stock which has an aggregate value, determined as of the date prior to the Grant Date, of \$50,000, calculated using the valuation methodology most recently utilized by the Company for purposes of financial statement reporting. The Exercise Price of Director Options issued under this Plan shall not be less than the Fair Market Value of the Common Stock at the Grant Date. Awards granted pursuant to this subsection shall be 100% vested and exercisable and shall be rounded up to the next higher whole share amount in the case of a fractional share amount. No awards will be made to an individual Director pursuant to this subsection (b) if such Director gives advance written notice to the Committee that he or she does not wish to receive such award.

(c) **Termination of Director Options.** Any Director Option granted to each Director shall terminate and be of no force and effect with respect to any shares of Common Stock not previously purchased by the Director upon the first to occur of:

(i) the tenth (10th) anniversary of the Grant Date for such Award; or

- (ii) the expiration of (A) three months following the Director's termination of service for Cause or (B) three years following the Director's termination of service for any other reason.

Notwithstanding anything herein to the contrary, the normal expiration date for Director Options shall not be extended.

(d) **Forfeiture of Director Stock Award.** Any portion of a Director Stock Award which has not become vested on or before the date of the Director's termination of service shall be forfeited.

(e) **Exercise Price.** The Exercise Price of the Common Stock under the Director Options granted to each Director shall be the Fair Market Value of the shares of Common Stock subject to such Director Option on the Grant Date for such Director Option.

(f) **Award Agreement.** Each Director Option and Director Stock Award granted to a Director shall be evidenced by an Award Agreement between the Company and such Director that sets forth the terms, conditions and limitations described above, if any, and any additional terms, conditions and limitations applicable to the Director Option or the Director Stock Award. Such Award Agreements shall be consistent with the terms and conditions of this Plan.

9. Payment of Awards.

(a) **General.** Payment of Awards may be made in the form of cash or, if permitted, by the Committee by transfer of Common Stock or combinations thereof and may include such restrictions as the Committee shall determine, including, in the case of Common Stock, restrictions on transfer and forfeiture provisions.

(b) **Deferral.** The Committee may, in its discretion, (i) permit selected Participants to elect to defer payments of some or all types of Awards in accordance with procedures established by the Committee or (ii) provide for the deferral of an Award in an Award Agreement or otherwise.

(c) **Dividends and Interest.** Dividends or dividend equivalent rights may be extended to and made part of any Award denominated in Common Stock or units of Common Stock, subject to such terms, conditions and restrictions as the Committee may establish. The Committee may also establish rules and procedures for the crediting of interest on deferred cash payments and dividend equivalents for deferred payment denominated in Common Stock or units of Common Stock.

(d) **Substitution of Awards.** At the discretion of the Committee, a Participant who has been granted an Employee Award may be offered an election to substitute an Employee Award for another Employee Award or Employee Awards of the same or different type, subject to the overall limits expressed in this Plan; provided, however, that except as provided in Section 3, in no event may the Exercise Price of an outstanding option or SAR be reduced by modification, substitution or any method without the prior approval of the Company's stockholders.

(e) **No Fractional Shares.** The Committee shall not be required to issue any fractional shares of Common Stock under this Plan. The Committee, in its sole discretion, may provide for the elimination of fractions for the settlement of fractions in cash.

10. **Option Exercise.** The price at which shares of Common Stock may be purchased under an Option shall be paid in full at the time of exercise in cash or, if permitted by the Committee, by means of tendering Common Stock or surrendering all or part of that or any other Award, including Restricted Stock, valued at Fair Market Value on the date of exercise, or any combination thereof. The Committee shall determine acceptable methods for tendering Common Stock or Awards to exercise a stock option as it deems appropriate. The Committee may provide for procedures to permit the exercise or purchase of Awards by use of the proceeds to be received from the sale of Common Stock issuable pursuant to an Award. Unless otherwise provided in the applicable Award Agreement, in the event shares of Restricted Stock are tendered as consideration for the exercise of a stock option, a number of the shares issued upon the exercise of the stock option, equal to the number of shares of Restricted Stock used as consideration therefor, shall be subject to the same restrictions as the Restricted Stock so submitted as well as any additional restrictions that may be imposed by the Committee.

11. ***Termination of Employment or Service.*** Upon the termination of employment or service by a Participant, any unexercised, deferred or unpaid Awards shall be treated as provided in the specific Award Agreement evidencing the Award or, in the case of Director Awards, as provided in this Plan. Unless otherwise specifically provided in the Award Agreement, each Award granted pursuant to this Plan that is an Option shall immediately terminate to the extent the Option is not vested (or does not become vested as a result of such termination of employment or service) on the date the Participant terminates employment or service with the Company or its Subsidiaries.

12. ***Acceleration Upon a Change in Control.*** Notwithstanding anything herein to the contrary, all conditions and/or restrictions relating to the continued employment or service of a Participant and/or the achievement of Performance Objectives with respect to the vesting and exercisability or full entitlement to any Award shall immediately lapse upon a Change in Control.

13. ***Assignability.*** Unless otherwise permitted by the Committee, no Award granted under this Plan shall be sold, transferred, pledged, assigned or otherwise alienated or hypothecated by a Participant other than by (a) will or the laws of descent and distribution or (b) a qualified domestic relations order. During the lifetime of a Participant, any Award shall be exercisable only by him, or in the case of a Participant who is mentally incapacitated, the Award shall be exercisable by his guardian or legal representative. The Committee may prescribe and include in applicable Award Agreements other restrictions on transfer. Any attempted assignment or transfer in violation of this Section 13 shall be null and void. Upon the Participant's death, the personal representative or other person entitled to succeed to the rights of the Participant (the Successor Participant) may exercise such rights. A Successor Participant must furnish proof satisfactory to the Company of his or her right to exercise the Award under the Participant's will or under the applicable laws of descent and distribution.

Subject to approval by the Committee in its sole discretion, other than with respect to ISOs, all or a portion of the Awards granted to a Participant under this Plan may be transferable by the Participant, to the extent and only to the extent specified in such approval, to (a) the spouse, children or grandchildren (including adopted and stepchildren and grandchildren) of the Participant (Immediate Family Members), (b) a trust or trusts for the exclusive benefit of such Immediate Family Members and, if applicable, the Participant or (c) a partnership or partnerships in which such Immediate Family Members and, if applicable, the Participant are the only partners. Subsequent transfers of transferred Awards shall be prohibited except by will or the laws of descent and distribution, unless such transfers are made to the original Participant or a person to whom the original Participant could have made a transfer in the manner described herein. No transfer shall be effective unless and until written notice of such transfer is provided to the Committee, in the form and manner prescribed by the Committee. Following transfer, any such Awards shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer, and except as otherwise provided herein, the term Participant shall be deemed to refer to the transferee. No transferred Options shall be exercisable unless arrangements satisfactory to the Company have been made to satisfy any tax withholding obligations the Company may have with respect to the Options. The consequences of termination of employment or service shall continue to be applied with respect to the original Participant, following which the Awards shall be exercisable by the transferee only to the extent and for the periods specified in this Plan and the Award Agreement.

14. ***Adjustments.***

(a) The existence of outstanding Awards shall not affect in any manner the right or power of the Company or its stockholders to make or authorize (i) any or all adjustments, recapitalization, reorganizations or other changes in the ownership of the Company or its business, (ii) any merger or consolidation of the Company, (iii) any issue of bonds, debentures or other obligations, (iv) the dissolution or liquidation of the Company, (v) any sale or transfer of all or any part of its assets or business or (vi) any other Company act or proceeding of any kind, whether or not of a character similar to that of the acts or proceedings enumerated above.

(b) In the event of any Common Stock distribution or split, recapitalization, extraordinary distribution, merger, consolidation, combination or exchange of shares of Common Stock or similar change or upon the occurrence of any other event that the Committee, in its sole discretion, deems appropriate, (i) the number of shares of Common Stock reserved under this Plan and covered by outstanding Awards, (ii) the Exercise Price in respect of such Awards, (iii) the appropriate value and price determinations for such Awards, (iv) the per person limitation on Awards of Options and SARs and (v) the kind of shares covered thereby (including shares of another issuer) shall be adjusted as

appropriate.

(c) In the event of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Committee shall be authorized (i) to issue or assume Awards, regardless of whether

in a transaction to which Section 424(a) of the Code applies, by means of substitution of new Awards, as appropriate, for previously issued Awards or to assume previously issued Awards as part of such adjustment, (ii) to make provision, prior to the transaction, for the acceleration of the vesting and exercisability of, or lapse of restrictions with respect to, Awards (to the extent not otherwise provided under Sections 7 or 8) and the termination of options that remain unexercised at the time of such transaction or (iii) to provide for the acceleration of the vesting and exercisability of any Awards and the cancellation thereof (to the extent not otherwise provided under Sections 7 or 8) and to deliver to the Participants cash in an amount that the Board shall determine in its sole discretion is equal to the fair market value of such Awards on the date of such event, which in the case of Options or SARs shall be the excess of the Fair Market Value of Common Stock on such date over the exercise or strike price of such Award.

(d) The Committee, in its sole discretion and without the consent of the Participant, may amend (i) any stock-based Award to reflect a change in accounting rules required by the Financial Accounting Standards Board and (ii) any Award that is not intended to meet the requirements of Code Section 162(m), to reflect a significant event that the Committee, in its sole discretion, believes to be appropriate to reflect the original intent in the grant of the Award.

15. **Tax Withholding.** The Company shall have the right to deduct applicable taxes from any Award payment and withhold, at the time of delivery or vesting of cash or shares of Common Stock under this Plan, an appropriate amount of cash or number of shares of Common Stock or a combination thereof for payment of taxes required by law or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of such taxes. The Committee may also permit withholding to be satisfied by the transfer to the Company of shares of Common Stock theretofore owned by the holder of the Award with respect to which withholding is required. If shares of Common Stock are used to satisfy tax withholding, such shares shall be valued as provided in the applicable Award Agreement or as otherwise determined by the Committee.

16. **Amendments or Termination.** The Board may amend, alter or discontinue this Plan, except that (a) no amendment or alteration that would impair the rights of any Participant under any Award that he has been granted shall be made without his consent and (b) no amendment or alteration shall be effective prior to approval by the Company's stockholders to the extent such approval is required by applicable legal requirements or the requirements of the securities exchange on which the Company's Common Stock is listed.

17. **Restrictions.** No shares of Common Stock or other form of payment shall be issued with respect to any Award unless the Company shall be satisfied based on the advice of its counsel that such issuance will be in compliance with applicable federal and state securities laws and the requirements of any securities exchange or transaction reporting system upon which the Common Stock is then listed.

18. **Unfunded Plan.** Insofar as it provides for Awards of cash, Common Stock or rights thereto, this Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are entitled to cash, Common Stock or rights thereto under this Plan, any such accounts shall be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by cash, Common Stock or rights thereto, nor shall this Plan be construed as providing for such segregation, nor shall the Company, the Board or the Committee be deemed to be a trustee of any cash, Common Stock or rights thereto to be granted under this Plan. Any liability or obligation of the Company to any Participant with respect to a grant of cash, Common Stock or rights thereto under this Plan shall be based solely upon any contractual obligations that may be created by this Plan and any Award Agreement, and no such liability or obligation of the Company shall be deemed to be secured by any pledge or other encumbrance on any property of the Company. None of the Company, the Board or the Committee shall be required to give any security or bond for the performance of any obligation that may be created by this Plan.

19. **Parachute Payment Limitation.** Notwithstanding any contrary provision of the Plan, the Committee may provide in the Award Agreement or in any other agreement with the Participant for a limitation on the acceleration of vesting and exercisability of unexpired Awards to the extent necessary to avoid or mitigate the impact of the golden parachute excise tax under Section 4999 of the Code on the Participant or may provide for a supplemental payment to be made to the Participant as necessary to offset or mitigate the impact of the golden parachute excise tax on the Participant. In the event the Award Agreement or other agreement with the Participant does not contain any contrary provision regarding the method of avoiding or mitigating the impact of the golden parachute excise tax under

Section 4999 of the Code on the Participant, then notwithstanding any contrary provision of this Plan, the aggregate present value of all parachute payments payable to or for the benefit of a Participant, whether payable pursuant to this Plan or otherwise, shall be limited to three times the Participant's base amount less one dollar and, to the extent necessary, the exercisability of an unmatured Award shall be reduced in order that this

Table of Contents

limitation not be exceeded. For purposes of this Section 19, the terms parachute payment, base amount and present value shall have the meanings assigned thereto under Section 280G of the Code. It is the intention of this Section 19 to avoid excise taxes on the Participant under Section 4999 of the Code or the disallowance of a deduction to the Company pursuant to Section 280G of the Code.

20. **Code Section 409A Compliance.** The Board intends that any Awards under the Plan satisfy the requirements of Section 409A of the Code and related regulations and Treasury pronouncements (Section 409A) to avoid the imposition of excise taxes thereunder. If any provision of the Plan or an Award Agreement under the Plan would result in the imposition of an excise tax under Section 409A, that provision will be reformed to avoid imposition of the excise tax and no action taken to comply with Section 409A shall be deemed to impair the rights of any Participant under the Plan or an Award Agreement under the Plan.

21. **Indemnification.** The Company shall indemnify and hold harmless any member of the Board or the Committee and other individuals, including Employees and Directors, performing services on behalf of the Committee, against any liability, cost or expense arising as a result of any claim asserted by any person or entity under the laws of any state or of the United States with respect to any action or failure to act of such individuals taken in connection with this Plan, except claims or liabilities arising on account of the willful misconduct or bad faith of such Board member, Committee member or individual .

22. **Right to Employment or Service.** The granting of any Award shall not impose upon the Company any obligation to maintain any Participant as an Employee or a Director and shall not diminish the power of the Company to terminate any Participant s employment or service at any time.

23. **Governing Law.** This Plan and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by mandatory provisions of the Code or the securities laws of the United States, shall be governed by and construed in accordance with the laws of the State of Texas.

24. **Effective Date of Plan.** This Plan shall be effective as of February 24, 2006, subject to approval of this Plan by the stockholders of the Company within one year of the date this Plan is adopted by the Board. If the stockholders of the Company should fail to so approve this Plan within one year of the adoption date, this amendment and restatement shall terminate and cease to be of any further force or effect and all grants of Awards hereunder shall be null and void.
