Completion of Alberta Acquisition and Related Transactions

On July 5, 2006, U.S. Concrete, Inc. completed its previously announced acquisition of all the outstanding equity interests in Alberta Investments, Inc. and Alliance Haulers, Inc. pursuant to the Stock Purchase Agreement, dated as of June 27, 2006, by and among U.S. Concrete, Alberta Investments, Inc., Alliance Haulers, Inc., Atlas Concrete Inc. and Wild Rose Holdings, Ltd. The purchase price for the acquisition, which is subject to specified postclosing adjustments, was \$165 million.

Under a related Promissory Note, dated July 3, 2006, U.S. Concrete made a loan of \$33 million to Atlas Investments, Inc., a wholly owned subsidiary of Alberta Investments, to enable Alberta Investments to make a \$33 million distribution to its parent entity. U.S. Concrete also entered into a Pledge and Security Agreement with Atlas Concrete, Wild Rose and Alberta Investments under which those entities agreed to pledge all of their capital stock in certain entities involved in the acquisition transaction as security for the loan. At the closing of the acquisition, an amount equal to the loan was offset against the purchase price U.S. Concrete paid, and the pledgors obligations under the Pledge and Security Agreement were terminated.

Issuance and Sale of Senior Subordinated Notes

On July 5, 2006, U.S. Concrete completed its private placement of \$85,000,000 aggregate principal amount of its 8-3/8% Senior Subordinated Notes due 2014 pursuant to, and subject to the terms and conditions set forth in, a Purchase Agreement, dated June 29, 2006, among U.S. Concrete, the guarantors named therein, Citigroup Global Markets Inc., Banc of America Securities LLC, Capital One Southcoast, Inc. and Comerica Securities, Inc. as initial purchasers. The notes were priced at 98.26% of their principal amount. The notes were issued under an Indenture dated as of March 31, 2004, as supplemented by the First Supplemental Indenture dated as of July 5, 2006, among U.S. Concrete, the guarantors named therein and Wells Fargo Bank, National Association, as trustee. In connection with the private placement, U.S. Concrete granted the initial purchasers certain registration rights under a Registration Rights Agreement dated July 5, 2006.

Amendment of Credit Agreement

On June 29, 2006, U.S. Concrete entered into an amendment to its Credit Agreement among Citicorp North America Inc., as administrative agent, Bank of America, N.A., as syndication agent, JPMorgan Chase Bank, as documentation agent, and the several lenders and issuers named therein. The purpose of the credit agreement amendment was to enable U.S. Concrete to make the \$33 million loan to Atlas Investments referred to above.

increases the maximum permitted leverage ratio applicable to the incurrence of additional subordinated indebtedness;

extends the scheduled termination date of the revolving credit commitments to March 2011 from March 2009;

releases the real estate mortgages that secure the obligations under the agreement;

consents to the Alberta acquisition and the financing of that acquisition; and

decreases the commitment fee applicable to the unused portion of the facility by 12.5 basis points, to an annual rate of 0.25% of the average daily unused commitments.
