Item 1.01 Entry into a Material Definitive Agreement.

Credit Agreement

On October 20, 2006, Universal Compression Holdings, Inc. (the Company), and three of its wholly owned subsidiaries, Universal Compression, Inc. (UCI), together with the Company, the US Borrowers and UC Canadian Partnership Holdings Company and Universal Compression Canada, Limited Partnership (together with the US Borrowers, the Borrowers), entered into a senior secured credit agreement (the Credit Agreement) with a syndicate of lenders and financial institutions named therein as parties thereto and Wachovia Bank, National Association, as Administrative Agent, Deutsche Bank Trust Company Americas, as Syndication Agent, and JPMorgan Chase Bank, N.A. and The Bank of Nova Scotia, as Co-Documentation Agents.

The new credit facility under the Credit Agreement consists of a five-year \$500 million revolving credit facility. Borrowings under the Credit Agreement are secured by substantially all of the personal property assets of the US Borrowers. In addition, all of the capital stock of the domestic restricted subsidiaries, except for subsidiaries used in connection with the asset backed securitization facility, and 65% of the capital stock of the first tier foreign subsidiaries has been pledged to secure the obligations under the Credit Agreement. The new credit facility is not secured by the capital stock of Universal Compression Partners, L.P. (UCLP) or any assets or subsidiaries owned by UCLP. Under the Credit Agreement, the revolving credit facility currently bears interest at the Borrowers' option, at the Administrative Agent's prime rate plus 0.25%, or LIBOR plus 1.25%, in each case based on the new credit facility's current debt rating of Ba1 by Moody's Investors Services, Inc.

The US Borrowers used approximately \$330 million advanced under the Credit Agreement, together with debt assumed by UCLP in connection with its initial public offering (the Offering) and proceeds received from UCLP in connection with the redemption by UCLP of 825,000 common units representing limited partner interests in UCLP issued to UCI in connection with the Offering, to repay all balances under the prior senior secured credit facility. Additionally, approximately \$28 million of the letter of credit subfacility to the revolving credit facility was utilized to replace the letters of credit outstanding under the prior revolving credit facility. The US Borrowers intend to use the remainder of the proceeds of the Credit Agreement for working capital, acquisitions and general corporate purposes.

Under the Credit Agreement, the Borrowers are subject to certain limitations, including limitations on their ability: to incur additional debt or sell assets, with restrictions on the use of proceeds; to make certain investments and acquisitions; to grant liens; and to pay dividends and distributions. In addition, the Borrowers will be required to pay down the facilities under certain circumstances if they sell certain assets or property. The Credit Agreement contains certain affirmative covenants to provide guarantees from any domestic subsidiary with gross assets exceeding \$50 million. The Borrowers are also subject to financial covenants which include a total debt to EBITDA ratio, interest coverage ratio and a senior secured leverage ratio. The Credit Agreement specifies a number of events of default (many of which are subject to applicable cure periods), including, among others, the failure to make payments when due, defaults under other agreements or instruments of indebtedness, change of control and noncompliance with covenants. Upon the occurrence of an event of default, the lenders may terminate the facility and declare all amounts outstanding to be immediately due and payable.

A copy of the Credit Agreement is filed as Exhibit 10.1 to this Form 8-K and is incorporated in this Item 1.01 by reference.

On October 23, 2006, the Company issued a press release with respect to the foregoing. A copy of the press release is filed as Exhibit 99.1 to this Form 8-K.

Omnibus Agreement

On October 20, 2006, the Company entered into an omnibus agreement (the Omnibus Agreement) with UCLP, UC Operating Partnership, L.P., UCO GP, LLC, UCO General Partner, LP, UCI and UCLP OLP GP LLC. The Omnibus Agreement governs several relationships between the Company and UCLP, including:

- i. Certain agreements not to compete between the Company, UCLP and their respective affiliates;
- ii. The Company's obligation to provide all operational staff, corporate staff and support services reasonably necessary to run the Partnership's business and UCLP's obligation to reimburse the Company for the provision of such services;

- iii. The terms under which the Company, UCLP and their respective affiliates may transfer compression equipment among one another to meet their respective compression services obligations;
 - iv. The terms under which UCLP may purchase newly-fabricated compression equipment from the Company;
 - v. The Company's license of certain intellectual property to UCLP, including UCLP's logo; and
-

- vi. The Company's obligation to indemnify UCLP for certain liabilities and UCLP's obligation to indemnify the Company for certain liabilities.

A copy of the Omnibus Agreement is filed as Exhibit 10.1 to this Form 8-K and is incorporated in this Item 1.01 by reference.

Relationships

Some of the underwriters of the Offering and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Company and its subsidiaries or with UCLP and its subsidiaries. Merrill Lynch, Pierce, Fenner & Smith Incorporated, an underwriter of the Offering, provided a fairness opinion to UCI, in connection with UCI's contribution of assets to UCLP in connection with the Offering, and received a structuring fee from the Company in connection with the completion of the Offering. In addition, affiliates of Merrill Lynch, Lehman Brothers, Deutsche Bank Securities Inc. (Deutsche) and Wachovia Capital Markets, LLC (Wachovia), each Underwriters of the Offering, were lenders under the Credit Agreement and Deutsche and Wachovia were lenders under the senior secured credit agreement that UCLP and its subsidiaries entered into on October 20, 2006.
