This supplement updates the Prospectuses for the Merrill Lynch Consults Annuity(SM) (the "Consults Annuity") issued by Merrill Lynch Life Insurance Company or ML Life Insurance Company of New York. Please retain this supplement with your Consults Annuity Prospectus for your reference.

Effective November 1, 2004, Roszel Advisors, LLC, the investment adviser for the MLIG Variable Insurance Trust (the "MLIG Trust"), changed the name and subadviser of one of the Funds described in your Contract Prospectus.

The Roszel/Credit Suisse International Portfolio of the MLIG Trust is now subadvised by William Blair & Company, L.L.C., and has changed its name to the Roszel/William Blair International Portfolio. Accordingly, effective November 1, 2004, the name of the subaccount corresponding to the Roszel/Credit Suisse International Portfolio changed from the Roszel/Credit Suisse International Subaccount to the Roszel/William Blair International Subaccount. Although the investment objective for this Portfolio has not changed, the subadviser intends to pursue that objective using a slightly different investment strategy. A summary of the investment objective and strategy for the Roszel/William Blair International Portfolio is set forth below.

Investment Objective: The Portfolio seeks long-term capital appreciation.

Investment Strategy: The Portfolio pursues its investment objective by investing primarily in equity securities of foreign issuers that the adviser believes have a potential for strong earnings growth rates. The adviser adheres to a "quality growth" approach to international investing. The goal is to identify stocks with potential earnings growth not reflected in current valuations. The adviser invests in securities of a wide variety of foreign issuers, including depository receipts.
