ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

On January 14, 2002, TeraForce Technology Corporation (the "Company") and its wholly-owned subsidiary, DNA Enterprises, Inc. ("DNA") entered into an Asset Purchase Agreement with Flextronics Design S.D., Inc., a unit of Flextronics International, Ltd. ("Flextronics") whereby Flextronics acquired the design services business conducted by DNA. Concurrently, the Company and Flextronics entered into a Design/Engineering Services Agreement.

Under the Asset Purchase Agreement Flextronics acquired the assets related to DNA's design services business, including tangible assets, software, contracts and customer lists. Consideration for the assets amounted to \$2,800,000, consisting of \$1,800,000 in cash and a hold-back of \$1,000,000 to be applied against amounts related to the Design/Engineering Services Agreement. Of

the \$1,800,000 cash amount, \$140,000 will be retained by Flextronics as a hold-back against potential indemnity claims for a period of six months. As is customary in transactions of this nature, the Company and DNA have indemnified Flextronics for losses it may incur resulting from the breach of representations and warranties contained in the agreement.

Concurrently with the completion of this transaction 25 of DNA's design engineers became employees of Flextronics. The balance of DNA's technical engineering staff has been terminated and DNA no longer provides engineering design services.

Pursuant to the Design/Engineering Services Agreement, Flextronics will provide the Company with design services at a discounted rate for a predetermined number of hours. The Company has agreed to purchase not less than \$1,000,000 worth of such services during a 12 month period following the closing of the transaction.
