EXPLANATORY NOTE

This Quarterly Report on Form 10-QSB for the quarter ended September 30, 2002 (the Report) is being filed solely to include Item 3 of Part I, which was inadvertently omitted from the original filing of the Report.

This Form 10-QSB/A constitutes Amendment No. 1 to the Report.

PART I

Item 3. Disclosure Controls and Procedures

Within 90 days prior to the date of the Report, we carried out an evaluation, under the supervision and with the participation of our chief executive and chief financial officers, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rules 13a-14(c) and 15d-14(c) of the Securities Exchange Act of 1934). Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective in alerting them on a timely basis to material information required to be disclosed in our periodic reports to the Securities and Exchange Commission. There have been no significant changes in our internal controls or in other factors which could significantly affect internal controls subsequent to such evaluation.
