The formal business to be conducted at the meeting is the election of directors and the ratification of the selection of our independent auditors, described in the notice that follows this letter. PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of the board of directors of United Dominion Realty Trust, Inc., a Maryland corporation, for use at our Annual Meeting of Stockholders to be held on May 4, 2004, and at any adjournment, continuation or postponement of the meeting.

We use a number of abbreviations in this proxy statement. We refer to the company as United Dominion, the company, we, us or our. The term proxy solicitation materials includes this proxy statement, as well as the enclosed proxy card. References to fiscal 2003 and fiscal 2004 mean our 2003 fiscal year which began on January 1, 2003 and ended on December 31, 2003 and our 2004 fiscal year which began on January 1, 2004 and will end on December 31, 2004, respectively. Our 2004 Annual Meeting of Stockholders to be held on May 4, 2004 is simply referred to as the meeting.

Our corporate office is located at 400 East Cary Street, Richmond, Virginia 23219-3816 and the telephone number is 804.780.2691. Our principal executive office is located at 1745 Shea Center Drive, Suite 200, Highlands Ranch, Colorado 80129-1540 and the telephone number is 720.283.6120.

These proxy solicitation materials are being mailed on or about April 2, 2004 to all stockholders entitled to vote at the meeting.

Record Date and Shares Outstanding

Stockholders who owned shares of our common stock and/or our Series E preferred stock at the close of business on March 1, 2004, referred to in this proxy statement as the record date, are entitled to notice of, and to vote at, the meeting. At the record date, we had 127,533,292 shares of common stock and 3,425,217 shares of Series E preferred stock issued and outstanding.

Revoking Your Proxy

You may revoke your proxy at any time prior to the date of the meeting by: (1) submitting a later-dated vote, in person at the meeting, via the Internet, by telephone or by mail, or (2) delivering instructions to the attention of the Corporate Secretary at our principal executive office at 1745 Shea Center Drive, Suite 200, Highlands Ranch, Colorado 80129-1540. Any notice of revocation sent to us must include the stockholder's name and must be received prior to the meeting to be effective.

How Your Proxy Will Be Voted

All shares represented by properly executed proxies received in time for the meeting will be voted at the meeting in accordance with the instructions marked thereon or otherwise as provided therein, unless such proxies have previously been revoked. Unless instructions to the contrary are marked, or if no instructions are specified, shares represented by proxies will be voted:

FOR the election of all nominees for director, and

FOR the ratification of the selection of Ernst & Young LLP as independent auditors for fiscal 2004.

Table of Contents

In addition, if any other matters properly come before the meeting, it is the intention of the persons named in the enclosed proxy card to vote the shares they represent as directed by the board of directors. We have not received notice of any other matters that may properly be presented at the meeting.

Quorum

Each share of common stock and each share of our Series E preferred stock outstanding on the record date is entitled to one vote. Cumulative voting is not permitted. A quorum, which is a majority of the outstanding shares as of the record date, must be present in order to hold the meeting and to conduct business. Your shares will be counted as being present at the meeting if you appear in person at the meeting, if you vote your shares by telephone or over the Internet, or if you submit a properly executed proxy card. Votes against a particular proposal will be counted both to determine the presence or absence of a quorum and to determine whether the requisite number of voting shares has been obtained.

Voting

Votes Required

If a quorum is present, (1) the affirmative vote of a plurality of the votes cast regarding the proposal is required to elect directors and (2) the affirmative vote of a majority of the votes cast regarding the proposal is required to ratify the appointment of Ernst & Young LLP as our independent accountants for fiscal 2004.

Tabulation

Our transfer agent will tabulate votes cast by proxy by an automated system. Votes cast by proxy or in person at the meeting will be counted by the persons appointed by us to act as election inspectors for the meeting. Abstentions, broker non-votes, which are explained below, and shares as to which authority to vote on any proposal is withheld, are each included in the determination of the number of shares present and voting at the meeting for purposes of obtaining a quorum. Each will be tabulated separately.

Abstentions, Broker Non-Votes

In the absence of controlling precedent to the contrary, we intend to treat abstentions and broker non-votes in the following manner:

An abstention occurs when the beneficial owner of shares is present, in person or by proxy, and entitled to vote at the meeting (or when a nominee holding shares for a beneficial owner is present and entitled to vote at the meeting), but such person but does not vote on the particular proposal. Under Maryland law, an abstention is not deemed to be a vote cast for purposes of determining whether stockholder approval of that matter has been obtained. As a result, on proposals requiring a certain percentage of the votes cast, abstentions will have no effect and will not be included in the tabulation of the voting results. On the other hand, on proposals requiring a certain percentage of the shares entitled to vote, abstentions will have the same effect as a vote against such proposal.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Broker non-votes and shares as to which proxy authority has been withheld with respect to any matter are not deemed to be entitled to vote for purposes of determining whether stockholder approval of that matter has been obtained. As a result, broker non-votes are not included in the tabulation of the voting results on any proposals, whether such proposals require a certain percentage of the votes cast or a certain percentage of the shares entitled to vote. Therefore, broker non-votes and shares as to which proxy authority has been withheld for a particular proposal will not be included in the tabulation of the voting results and will not have the effect of a vote in opposition to such proposal.

Table of Contents

With respect to Proposal No. 1 requiring the affirmative vote of a plurality of the votes cast regarding such proposal and Proposal No. 2 requiring the affirmative vote of a majority of the votes cast regarding such proposal, neither abstentions nor broker non-votes will have any effect on the results and neither will be included in the tabulation of the voting results.

Solicitation of Proxies

This solicitation is being made by mail on behalf of our board of directors, but may also be made without additional remuneration by our officers or employees by telephone, telegraph, facsimile transmission, e-mail or personal interview. We will bear the expense of the preparation, printing and mailing of the enclosed form of proxy, notice of annual meeting and this proxy statement and any additional material relating to the meeting that may be furnished to our stockholders by our board subsequent to the furnishing of this proxy statement. We will reimburse banks and brokers who hold shares in their name or custody, or in the name of nominees for others, for their out-of-pocket expenses incurred in forwarding copies of the proxy materials to those persons for whom they hold such shares. To obtain the necessary representation of stockholders at the meeting, supplementary solicitations may be made by mail, telephone or interview by our officers or employees, without additional compensation, or selected securities dealers.

PROPOSAL NO. 1**ELECTION OF DIRECTORS**

Our board of directors is currently comprised of eleven members, ten of whom are to be elected at the meeting. Mr. McCann will be retiring from the board of directors on the expiration of his term at the meeting at which time the number of directors will be reduced from eleven to ten. The board of directors has nominated the persons named below for election as directors at the meeting. Unless otherwise directed, the proxy holders will vote the proxies received by them for the ten nominees named below. If any of the nominees is unable or declines to serve as a director at the time of the meeting, the proxies will be voted for any nominee who is designated by the present board of directors to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director. The directors elected will hold their respective offices until the next annual meeting of stockholders or until their successors are elected and qualified.

Vote Required and Board of Directors Recommendation

The ten nominees receiving the highest number of affirmative votes cast at the meeting shall be elected as directors.

Our board of directors recommends that the stockholders vote FOR the director nominees listed above.

Board of Directors and Committee Meetings

The board of directors held nine meetings (including five telephonic meetings) during fiscal 2003. No director attended fewer than 75% of the aggregate of the (1) total number of meetings of the board of directors and (2) the total number of meetings held by all committees of the board of directors on which he or she served during fiscal 2003. The board of directors has standing audit, compensation and executive committees and a corporate governance committee that serves as our nominating committee.

The board of directors has adopted the following policy on director attendance at meetings: Absent extenuating circumstances, directors are expected to attend in person our Annual Meeting of Stockholders, all regularly scheduled board and committee meetings and to participate telephonically in regularly scheduled board and committee meetings when they are unable to attend in person. All directors attended our 2003 Annual Meeting of Stockholders.

Audit Committee

The members of the Audit Committee are Lynne B. Sagalyn (Chair), Robert P. Freeman and Robert W. Scharar. Table of Contents

Compensation Committee

The members of the Compensation Committee are James D. Klingbeil (Chair), Eric J. Foss and Jon A. Grove. The Compensation Committee met six times in fiscal 2003. The Compensation Committee is responsible for administering and approving all elements of compensation for key senior management positions and also reviews and ensures the appropriate administration of our compensation and benefit plans, programs and policies. More specifically, among other things, the committee sets the compensation of our Chief Executive Officer (CEO) and also sets annual objectives for, and evaluates the performance of, our CEO, with input from the full board of directors. The Compensation Committee also approves the compensation of the employees who report directly to our CEO and approves all employment agreements. In addition, the Compensation Committee also develops and administers the contributions and awards, if any, under the 401(k) and profit sharing plans and management incentive programs and other management compensation, if any, including the stock purchase plan, the long-term incentive plan and our out-performance program.

Corporate Governance Committee

The members of the Corporate Governance Committee are Mark J. Sandler (Chair) and Thomas R. Oliver. The corporate governance committee met four times in fiscal 2003. Each of the current members of the Corporate Governance Committee is independent as defined by the current New York Stock Exchange listing standards. The Corporate Governance Committee operates pursuant to a written charter adopted by the board of directors. This charter may be found on the company s website at www.udrt.com.

The Corporate Governance Committee exercises general oversight of board governance matters, reviews the role, composition and structure of our board of directors and its committees, reviews and evaluates the board and its members, serves as the nominating committee for board members and reviews and updates our Statement on Corporate Governance. Our Statement on Corporate Governance can be found on the company s website at www.udrt.com.

In nominating a slate of directors, the Corporate Governance Committee s goal is to select individuals with skills and experience that can assist the company and the board of directors in achieving our objectives. The Corporate Governance Committee will consider, among other things, whether a potential director candidate has the time available, in light of other business and personal commitments, to perform the responsibilities required for effective service. The Corporate Governance Committee has the authority to retain a third-party search firm to assist us in the identification and selection of director candidates and we retained a search firm to assist us in fiscal 2003.

The Corporate Governance Committee also considers director nominees proposed by stockholders. Any stockholder who wants to recommend a prospective nominee for consideration should submit the following information no later than December 31, 2004:

Biographical information about the candidate and a statement about his or her qualifications;

Any other information required to be disclosed about the candidate under the Securities and Exchange Commission s (SEC) proxy rules (including the candidate s written consent to being named in the proxy statement and to serve as a director, if nominated and elected); and

The names and addresses of the stockholder(s) recommending the candidate for consideration and the number of shares of our common stock beneficially owned by each.

Such information should be sent to our principal executive office at 1745 Shea Center Drive, Suite 200, Highlands Ranch, Colorado 80129-1540 in care of our Corporate Secretary.

Executive Committee

The members of the Executive Committee are Robert C. Larson (Chair), James D. Klingbeil and Thomas W. Toomey. The Executive Committee did not meet in fiscal 2003 but acted by unanimous written consent on five occasions. The Executive Committee performs the duties and exercises the powers

Table of Contents

delegated to it by the board of directors. The Executive Committee meets only when board action on a significant matter is required and it is impractical or not feasible to convene a full meeting of the board.

Corporate Governance

We maintain a corporate governance page on our website that includes key information about our corporate governance initiatives, including our Statement on Corporate Governance, Code of Business Conduct and Ethics, Code of Ethics for Senior Financial Officers and charters for the committees of the board of directors, all of which can be found at www.udrt.com by clicking on Investor Relations. The documents noted above will also be provided without charge to any stockholder who requests them. Any changes to these documents, and any waivers granted by us with respect to our Code of Business Conduct and Ethics and our Code of Ethics for Senior Financial Officers, will be posted on our website.

Our policies and practices reflect corporate governance initiatives that are in compliance with the listing requirements of the New York Stock Exchange and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

The board of directors has adopted clear corporate governance policies;

Nine of the ten board members are independent of us and our management;

The independent directors meet regularly without the presence of management;

All members of the Audit Committee, Compensation Committee and Corporate Governance Committee are independent directors;

The Chairman of the board of directors is an independent director;

The charters of the board committees clearly establish their respective roles and responsibilities;

We have a Code of Business Conduct and Ethics that is monitored by our Audit Committee and applies to all of our employees;

We have a Code of Ethics for Senior Financial Officers that applies to our principal executive officer and all members of our finance staff, including the principal financial and accounting officer; and

We have a hotline available to all employees, and our Audit Committee has procedures in place for the anonymous submission of any employee complaint, including those relating to accounting, internal controls, or auditing matters.

Stockholder communications to the Chairman of the board of directors should be sent in care of the company, to our principal executive office at 1745 Shea Center Drive, Suite 200, Highlands Ranch, Colorado 80129-1540.

Compensation of Directors

The board of directors' compensation consists of an annual retainer, an annual restricted common stock retainer, performance-based restricted common stock which vests, if at all, based upon total stockholder return (share price appreciation plus dividends) and cash payments for attendance at meetings of the board of directors and committees of the board of directors.

In fiscal 2003, each non-employee director received an annual retainer fee of \$22,500 (\$32,500 for a non-employee chairman of the board of directors) which may be taken in cash or shares of restricted common stock. In addition, each non-employee director receives \$1,000 for each regular meeting attended and \$300 for each telephonic board meeting attended. Chairpersons of the Executive, Compensation and Governance Committees receive additional annual compensation of \$3,000. The chairperson of the Audit Committee receives additional annual compensation of \$5,000. Additional meeting fees are paid for committee meetings held outside of the normal board schedule in the amount of \$300 for each telephonic meeting, and \$500 for each in-person meeting, or \$500 per day if a meeting lasts beyond one day.

Table of Contents

In 2003, each non-employee director received a grant of 1,000 shares of restricted stock that vest one year from the date of grant. In addition, each non-employee director received a grant of 4,000 shares of restricted stock (the Incentive Shares) that vest one year from the date of grant if the company has met certain performance thresholds. The Incentive Shares will vest based upon our performance during the one-year period as follows:

Number of Shares	Threshold Performance for Expiration of Restrictions
0	Total stockholder return (share price appreciation plus dividends paid) exceeds the Morgan Stanley REIT Index for the year by less than 10%.
4,000	Total stockholder return (share price appreciation plus dividends paid) exceeds the Morgan Stanley REIT Index for the year by 130% or more.

If our performance results fall between these benchmarks, interpolation will be used to determine the number of shares that vest. Directors are entitled to receive dividends during the vesting period; however, any unvested shares at the end of the one-year vesting period will be returned to us and cancelled. All restricted stock granted to our non-employee directors is priced at the closing price of our common stock on the grant date.

We believe that the attraction and retention of quality board members has become more challenging as a result of the Sarbanes-Oxley Act of 2002 and initiatives by the New York Stock Exchange and the SEC. Further, board members in general have seen an increase in time commitments and performance expectations. As a result, in 2004 we will review our non-employee director compensation in order to ensure that we are competitive and to allow us to recruit and retain qualified candidates to serve as directors of the company.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth the shares of our common stock beneficially owned by (1) each of our directors, (2) our CEO and the four other most highly compensated executive officers, (3) all of our directors and executive officers as a group and (4) all persons known by us to beneficially own more than 5% of our outstanding stock. Table of Contents

Preferred Growth Incorporated. Each share of Series D is currently convertible into approximately 1.5385 shares of our common stock. For Mr. Grove, this also includes 277,849 shares beneficially held in ASR Investments Corporation Key Executive Share Option Plan.

- (2) Includes the number of shares of common stock into which limited partnership interests in United Dominion Realty, L.P. (Partnership Interests) beneficially owned by the person are redeemable if the company elects to issue shares of common stock rather than pay cash on such redemption. The holder of the Partnership Interests has the right to require United Dominion Realty, L.P. to redeem all or a portion of the Partnership Interests held by the holder in exchange for a cash payment based on the market value of our common stock at the time of redemption. However, United Dominion Realty, L.P.'s obligation to pay the cash amount is subject to the prior right of the company to acquire such Partnership Interests in exchange for either the cash amount or shares of our common stock. In the case of the Class I Out-Performance Partnership Shares (the LLC Units) of UDR Out-Performance I, LLC (the LLC) that may be exchanged at the LLC's option for Out-Performance Partnership Shares (OPPSs) issued by United Dominion Realty, L.P., and then may be exchanged by their holder for Partnership Interests, such redemption rights will not vest until one year after the date of any such exchange of OPPSs for Partnership Interests.
- (3) Such beneficial ownership calculations assume that all Partnership Interests and LLC Units beneficially owned by the person indicated and outstanding as of March 1, 2004, are redeemed in exchange for shares of common stock (notwithstanding any holding period requirements, exchange rights and, in the case of the LLC Units, the absence of a change of control or termination of employment prior to vesting). See Notes (2) and (6).
- (4) Based on 127,533,292 shares of common stock outstanding at the close of business on March 1, 2004. Shares issuable pursuant to options which are exercisable within 60 days of March 1, 2004, upon conversion of our Series D or upon redemption of Partnership Interests, are deemed outstanding for computing the percentage of the person holding such options or shares, but are not deemed outstanding for computing the percentage of any other person.
- (5) Mr. Klingbeil is deemed to indirectly beneficially own 2,540,072 shares of common stock into which Partnership Interests directly owned by certain limited partnerships and limited liability companies are redeemable if the company elects to issue shares of common stock rather than pay cash on such redemption.

Beginning on June 1, 2004, the LLC Units may be exchanged at the LLC's option for OPPSs on a 1:1 basis. Each OPPS is exchangeable for approximately 1.5 Partnership Interests. The LLC will have the right to repurchase the interest of any participant in the LLC at the original purchase price if prior to the end of the forty-month vesting period such participant's employment with the Company is terminated for any reason other than death or disability.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Our Compensation Committee is responsible for developing and administering compensation programs for (1) executive officers, including base salaries, annual incentives and long-term incentive plans and (2) long-term incentive compensation plans for all associates.

Compensation Design and Philosophy

Our compensation programs are designed to further our primary goal of increasing dividend income and share price appreciation by providing economic motivation to our executive officers and other key employees. More specifically, our compensation program seeks to:

provide appropriate incentives for the executives while aligning their interests with those of our stockholders,

attract and retain management talent, by providing compensation competitive with other publicly and privately held real estate investment companies, and

focus executives on current and long-term business objectives and critical issues.

The company periodically engages a nationally recognized consulting firm to assist it in developing the compensation program for our executive officers and other key employees. In addition, we review information concerning compensation offered by other companies in the REIT industry, as well as other publicly traded companies similar in size and growth rate to the company, is considered among several factors in developing such compensation packages.

Compensation of our executive officers is comprised of three components: (1) base salary, (2) annual discretionary compensation and (3) long-term or incentive compensation. With respect to each of these components, the Compensation Committee has adopted the following specific philosophies:

base salaries should be approximately equal to industry averages when objectives are met and in the upper percentile of the industry averages when performance is superior,

annual incentive compensation, which is tied to company performance and meeting individual objectives, should be designed to bring total compensation to approximately equal to industry averages when performance objectives are met, and

Table of Contents

long-term incentive compensation, which aligns the interests of executive officers with those of long-term stockholders, should be above industry averages when the long-term performance of our common stock is above average.

Annual Incentive Compensation. The primary corporate objectives considered in annual incentive compensation for the named executives are: (1) growth in funds from operations per share, or FFO, (2) our total return to common stockholders compared to other REITs as shown on the performance graph in this proxy statement, (3) our balance sheet strength and flexibility, (4) growth of dividend and (5) key company objectives. With respect to other senior management, our CEO establishes performance measures and targets, which vary based on company, departmental and personal performance objectives.

Long-Term Incentives. During fiscal 2003, the components of our long-term executive incentive compensation were the 1999 Long-Term Incentive Plan and the Series B Out-Performance Program. Each of these programs is intended to align the interests of the executive officers with those of our stockholders.

The Compensation Committee considers the sale of the membership units under the Out-Performance Programs to be the principal method of retaining key members of senior management and incentivising them to focus on achieving superior total returns for our stockholders.

CEO Compensation

Mr. Toomey is our CEO and President. In determining Mr. Toomey's compensation, the Compensation Committee reviewed comparative financial and pay data of selected peer companies in the REIT industry, including compensation packages provided to CEOs of similar companies. Based on this determination and upon negotiation with Mr. Toomey, the Compensation Committee established Mr. Toomey's base salary for 2003 at \$250,000 through March 31, 2003 and \$450,000 effective April 1, 2004, representing the 50th percentile for CEOs of our peer REIT comparison group.

In February 2004, the Compensation Committee awarded Mr. Toomey a bonus of \$950,000 for fiscal 2003 payable in the form of a grant of 51,463 shares of restricted common stock, which shares vest on February 12, 2009. The primary factor considered by the Compensation Committee in determining the bonus amount was Mr. Toomey's significant contributions to the overall performance of our business during the past year as evidenced, in part, by the following achievements:

a Total Stockholder Return, or TSR, of 25.3% for fiscal 2003,

Funds From Operations, or FFO, growth was third best among our peer REIT comparison group,

the improvement in the balance sheet strength and flexibility as evidenced by the increase in fixed charge ratio from 2.19x to 2.52x, representing a 15% increase and which led our peer REIT comparison group,

Dividend Growth led our peer REIT comparison group,

in fiscal 2003 our composite performance in the following categories ranked in the top quartile of our peer REIT comparison group:

Total Stockholder Return;

FFO Growth;

Improvement in Earnings Multiple;

Improvement in Fixed Charge;

Same-Store Revenue Growth;

Same-Store NOI Growth;

Dividend Growth; and

FFO Payout Rate

Other Executive Compensation

Our CEO makes recommendations to, and consults with, the Compensation Committee as to the amount of proposed base salaries for the executive officers who report directly to our CEO. After such consultation, the Compensation Committee sets the base salaries for the year for these executive officers and approves salary ranges for other executive officers based upon salaries paid for similar positions within the real estate and REIT industry (with an emphasis on the multi-family sector) as published in industry statistical surveys and the proposed base salary relative to that of the other executive officers.

In setting executive officer salaries, our CEO and the Compensation Committee consider the individual officer's qualifications, past performance and potential for future contributions. In accordance with our stated compensation philosophy, the executive officers' base salaries for fiscal 2003 were generally within the 40th to 50th percentile range of peer company base salary data obtained by the Compensation Committee.

Annual incentive awards to these executives were recommended by our CEO and reviewed and approved by the Compensation Committee. Primary considerations were the company's FFO and TSR results, as well as the assessed contribution of these individual executives to the company's success.

Series B Out-Performance Program

During fiscal 2003, UDR Out-Performance II, LLC sold 1,000,000 membership units to members of our senior management. The sale of membership units was made pursuant to our Series B Out-Performance Program which was approved by our stockholders at our 2003 Annual Meeting of Stockholders. The Series B Out-Performance Program is designed to provide participants with the possibility of substantial returns on their investment if the total return on our common stock exceeds targeted levels, while putting the participants' investment at risk if those levels are not exceeded.

The membership units have the following features:

They represent equity in United Dominion Realty, L.P. and were sold at a cash price of \$1.00 per unit to the purchasers in fiscal 2003.

The purchase price for the membership units was determined by our board of directors based on the advice of an independent valuation expert.

If a holder of membership units leaves our employ prior to the completion of the performance period and the vesting of the membership units, UDR Out-Performance II, LLC has the right, but not the obligation, to repurchase the membership units for the initial price paid by the purchaser. Should UDR Out-Performance II, LLC choose to resell those membership units, the purchase price will be determined by the company's board of directors based upon the advice of an independent valuation expert.

The membership units will have no value unless the cumulative total return on our common stock for the 24-month period from June 1, 2003 to May 31, 2005 exceeds the cumulative total return of the Morgan Stanley REIT Index peer group index over the same period and is at least the equivalent of a minimum 22% total return or 11% annualized.

If the cumulative total return of our common stock satisfies the above performance criteria at the conclusion of the measurement period, the holders of the membership units will receive distributions and allocations of income and loss from United Dominion Realty, L.P. based on the number of membership units in UDR Out-Performance II, LLC. If on the valuation date the cumulative total return on our common stock does not satisfy the performance criteria then holders of the membership units will forfeit their initial investment.

During fiscal 2003, UDR Out-Performance II, LLC repurchased a total of 260,000 membership units from members of UDR Out-Performance II, LLC whose employment with the company terminated. As of March 10, 2004, 80,000 of such repurchased membership units had been re-issued to certain officers and

Table of Contents

employees of the company at a cash price of \$1.00 per membership unit. None of these re-issuances were made to our CEO or other most highly compensated executive officers.

Other Compensation Considerations

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, we may not receive a federal income tax deduction for compensation paid to our CEO or any of the four most highly compensated executive officers to the extent that any of the persons receive more than \$1,000,000 in compensation in any one year. However, if we pay compensation that is performance-based under Section 162(m), we can receive a federal income tax deduction for the compensation paid even if such compensation exceeds \$1,000,000 in a single year.

Each of our 1999 Long-Term Incentive Plan, the Series A Out-Performance Program and the Series B Out-Performance Program have been designed to qualify as performance-based plans and therefore compensation realized in connection with these plans is fully tax deductible on our federal income tax return. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy that all compensation must be deductible on our federal income tax returns.

The foregoing policies and programs are subject to change as the Compensation Committee deems necessary from time to time to respond to economic conditions, meet competitive standards and to serve our objectives and our stockholders.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Compensation Committee was at any time during fiscal 2003 or at any other time an officer or employee of the company. In addition, none of our executive officers serves as a member of the board of directors or compensation committee of any company that has one or more executive officers serving as a member of our board of directors or compensation committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires our officers and directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or 5 with the SEC. Such officers, directors and 10% stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of such forms received by us or written representations from certain reporting persons that no Form 5s were required for such persons, we believe that, during fiscal 2003, all Section 16(a) filing requirements applicable to our officers, directors and 10% stockholders were complied with.

AUDIT COMMITTEE REPORT

The following is a report of the Audit Committee with respect to our audited financial statements for fiscal 2003.

The Audit Committee is composed of three non-employee directors. Each of the current members of the Audit Committee is independent as defined by the current New York Stock Exchange listing standards. The board of directors has unanimously determined that Mr. Scharar, a member of the Audit Committee, qualifies as an audit committee financial expert within the meaning of the SEC's regulations and the board of directors has determined that all Audit Committee members are financially literate under the current New York Stock Exchange listing requirements and at least one member has financial management expertise.

The Audit Committee operates pursuant to a written charter adopted by the board of directors. This charter may be found on the company's website at www.udrt.com. In general, the Audit Committee charter sets forth:

the scope of the Audit Committee's responsibilities and the means by which it carries out these responsibilities,

the outside auditor's accountability to the board of directors and the Audit Committee, and

the Audit Committee's responsibility to monitor the independence of the outside auditor.

As described more fully in its charter, the purpose of the Audit Committee is to assist the board of directors in its general oversight of our financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Ernst & Young LLP, our independent auditing firm, is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

The Audit Committee members are not professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent auditor. The Audit Committee serves in a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Audit Committee's members in business, financial and accounting matters.

The Audit Committee members have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of our independent auditor included in their report on our financial statements. The Audit Committee's oversight role does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditor do not assure that our financial statements are presented in accordance with generally accepted accounting principles, that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards or that our independent accountants are in fact independent.

Among other matters, the Audit Committee monitors the activities and performance of our external auditors, including the audit scope, audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. The Audit Committee has the sole responsibility for the appointment, compensation and oversight of our independent auditors. The Audit Committee also reviews the results of the internal and external audit work with regard to the adequacy and appropriateness of our financial, accounting and internal controls. Management and independent auditor presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor.

Table of Contents**Review with Management**

The Audit Committee has reviewed and discussed our audited financial statements with management. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles.

Review and Discussions with Independent Accountants

During fiscal 2003, the Audit Committee held meetings with management and the independent auditors to discuss the overall scope and plans for the audit. We also met with the independent auditors, with and without management present, to discuss the results of their examinations and their evaluations of our internal controls. In addition, the Audit Committee has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2003 and held discussions with management and Ernst & Young LLP on the quality, not just the acceptability, of our accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee has also discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards (SAS) No. 61, *Communication with Audit Committees*, as amended by SAS No. 89, *Audit Adjustments*, and SAS No. 90, *Audit Committee Communications*, which includes, among other items, matters related to the conduct of the audit of our financial statements and matters relating to the auditor's judgments about the acceptability and the quality of the company's accounting principles. The Audit Committee has also received written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (which relates to the accountant's independence from us and our related entities) and has discussed with Ernst & Young LLP their independence from the company. In addition, the Audit Committee has also considered whether the provision of those services set forth in the table below are compatible with Ernst & Young LLP maintaining its independence from the company.

In reliance on the reviews and the meetings, discussions and reports noted above, the Audit Committee recommended to the full board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the SEC.

The Pre-Approval Policy of the Audit Committee is attached to this Proxy Statement as Appendix A. The Audit Committee pre-approved all audit and non-audit services provided by Ernst & Young LLP during fiscal 2003.

No portion of this Audit Committee Report shall be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, through any general statement incorporating by reference in its entirety the Proxy Statement in which this report appears, except to the extent that the company specifically incorporates this report or a portion of it by reference. In addition, this report shall not be deemed to be filed under either the Securities Act or the Exchange Act.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Our Audit Committee has selected Ernst & Young LLP, independent accountants, to audit our financial statements for fiscal 2004. We expect that a representative of Ernst & Young LLP will be present at the meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to answer any appropriate questions.

Vote Required and Board of Directors Recommendation

Although it is not required to do so, the board of directors is submitting the Audit Committee's selection of our independent auditors for ratification by the stockholders at the meeting in order to ascertain the view of our stockholders regarding such selection. The affirmative vote of a majority of the votes cast at the meeting will be required to approve this proposal. Whether the proposal is approved or defeated, the Audit Committee may reconsider its selection.

Our board of directors recommends that the stockholders vote FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for fiscal 2004.

APPENDIX A

UNITED DOMINION REALTY TRUST, INC.

**PRE-APPROVAL POLICY
OF THE AUDIT COMMITTEE**

I. Policy Statement

By approval and adoption of this Policy, the Audit Committee of the Board of Directors of United Dominion Realty Trust, Inc., following a review with the lead partner of the company's independent auditors of proposed services and anticipated costs, has pre-approved engagements between the company and its independent auditor for the types of services described below. If a type of service proposed to be provided by the independent auditor is not described below, the Audit Committee must provide explicit pre-approval of that service prior to any engagement with the company with respect to that type of service. If a type of service proposed to be provided would exceed the pre-approved cost limit listed below with respect to that service, the Audit Committee must provide explicit pre-approval of that service prior to any engagement with the company with respect to that type of service.

Exhibit A to this Policy describes Audit, Audit-related, Tax and All Other services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is for 12 months unless the Audit Committee specifically provides for a different period. The Chief Financial Officer, or in his absence, the Chief Accounting Officer, at each meeting of the Audit Committee, shall provide a reconciliation to the Audit Committee of expenses actually incurred as compared to the approved fee limits for each category of services.

II. Pre-Approval Fee Limits

Pre-approval fee limits for all services to be provided by the independent auditor will be established annually by the Audit Committee, upon a review with the lead partner of the company's independent auditors of proposed services and anticipated costs. The Audit Committee will review this policy annually and may revise the list of pre-approved services from time to time, based on subsequent determinations.

III. Procedures

If the Audit Committee's explicit pre-approval is required for any service, the Chief Financial Officer, or in his absence, the Chief Accounting Officer, and the independent auditors shall submit a joint request to the Audit Committee, or its authorized delegate, describing the nature of the proposed services and the anticipated costs, as well as a statement as to whether, in their view, provision of the proposed services would be consistent with the SEC's rules relating to auditor independence.

IV. Delegation

The Audit Committee has delegated to the Chairman of the Audit Committee (and not management) the authority to explicitly pre-approve the company's engagements with its independent auditors and any variance in the pre-approved fee limits.
