Item 1.01. Entry into a Material Definitive Agreement

On May 10, 2005, Capstead Mortgage Corporation (Capstead or the Company), entered into a master agreement with Crescent Real Estate Equities Company (NYSE:CEI) (Crescent) to form up to two partnerships that will invest in a leveraged portfolio of high quality junior liens (mezzanine loans) on commercial real estate over a four-year period.

Capstead is responsible for funding \$75.0 million, representing 75% of the \$100.0 million of the capital commitment by Capstead and Crescent with respect to the first partnership. If the two parties mutually agree to fund a second partnership, then Capstead will again be responsible for funding \$75.0 million of the \$100.0 million of capital committed by Capstead and Crescent.

Crescent will identify investment opportunities and manage the mezzanine portfolio for the investment partnerships and, in consideration for its management services, will receive a management fee and may earn a promoted return. Capstead has certain approval rights regarding individual investments made by the partnerships. Capstead and Crescent will form an advisory committee consisting of four members (two appointed by the Company and two appointed by Crescent) to address other major decisions with respect to the investment partnerships.
