This Information Statement is being distributed in connection with the 2006 Annual Meeting of Stockholders (the Annual Meeting) of HealthMarkets, Inc., a Delaware corporation (we , our , us or other words of similar import be held at our offices located at 9151 Boulevard 26, North Richland Hills, Texas on October 12, 2006, at 10:00 a.m., Central Daylight Time.

This Information Statement is being furnished to our stockholders for informational purposes only, and we will bear all of the costs of the preparation and dissemination of this Information Statement. Each person who is receiving this Information Statement also is receiving a copy of our Annual Report on Form 10-K for the year ended December 31, 2005. We intend to commence distribution of this Information Statement, together with the notice and any accompanying materials, on or about September 18, 2006.

Our Board of Directors has approved, and has recommended that the stockholders approve, the following proposals (collectively, the Proposals):

1. The election of the slate of ten (10) directors proposed by our Nominating Committee to serve until the next annual meeting of stockholders and until their respective successors are chosen and qualified;
2. The ratification of the change of the Company s corporate name from UICI to HealthMarkets, Inc. ,
3. The approval of the HealthMarkets 2006 Management Stock Option Plan,
4. The ratification of the selection of KPMG LLP as the Company s independent registered public accountants to audit the accounts of the Company for the fiscal year ending December 31, 2006, and
5. Such other business as may properly come before the meeting or any adjournments or postponements thereof.

Recent Merger

On April 5, 2006, HealthMarkets, Inc. (formerly UICI) completed its merger (the Merger) providing for the acquisition of the Company by affiliates of a group of private equity investors, including The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners. The stock ownership of each of these private equity firms is set forth below under the caption Security Ownership of Certain Beneficial Owners and Management. As a result of the Merger, holders of record on April 5, 2006 of HealthMarkets common shares (other than shares held by certain members of management and shares held through HealthMarkets agent stock accumulation plans) received \$37.00 in cash per share.

In the transaction, HealthMarkets public shareholders received aggregate consideration of approximately \$1.6 billion, of which approximately \$985.0 million was contributed as equity by the private equity investors. The balance of the Merger consideration was financed with the proceeds of a \$500.0 million term loan facility extended by a group of banks, the proceeds of \$100.0 million of trust preferred securities issued in a private placement, and Company cash on hand in the amount of approximately \$42.8 million.

Voting

The Board of Directors has selected the close of business on September 12, 2006 (the Record Date) as the time for determining the holders of record of our Class A-1 Common Stock and Class A-2 Common Stock, par value \$0.01 per share (collectively, Common Stock), entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof. Shares of Common Stock outstanding on the record date are the only securities that entitle holders to vote at the annual meeting or any adjournment or postponement thereof. Each share of Class A-1 Common Stock and Class A-2 Common Stock is entitled to one vote per share on all matters to be presented at the meeting.

Members of the Board of Directors, members of management and other significant holders of our Class A-1 Common Stock (collectively, the Consenting Stockholders) own a total of 26,797,368 shares, or approximately 89.8% of our total voting power. Because the Consenting Stockholders have indicated that they will vote in favor of all of the Proposals and because such Consenting Stockholders control more than a majority of the voting power, the Proposals are assured of receiving the required vote and being adopted and, thus, we are not soliciting any proxies.

Stockholders attending the Annual Meeting are welcome to vote at the annual meeting and may address any matters that may properly come before the meeting.

How Many Shares of HealthMarkets Common Stock were Outstanding as of the Record Date?

As of September 12, 2006, our record date, 29,818,044 shares of our Common Stock were issued and outstanding, consisting of 26,838,847 shares of Class A-1 Common Stock and 2,979,197 shares of Class A-2 Common Stock. Each share owned entitles the holder to one vote for each share so held. A list of our Stockholders entitled to vote is available at our executive offices at 9151 Boulevard 26, North Richland Hills, Texas 76180. The telephone number of our executive offices is (817) 255-5200.

How Many Shares are needed to constitute a Quorum at the meeting?

The presence, in person or by proxy, of stockholders holding at least a majority of the voting power are necessary to constitute a quorum at the Annual Meeting. However, the stockholders present at the Annual Meeting may adjourn the meeting despite the absence of a quorum.

What Vote is Required to Approve the Proposals?

A plurality of the votes cast is required to elect directors. For all of the other Proposals, the affirmative vote of the holders of a majority of the voting power of the shares present or represented by proxy is required to approve the other Proposals. Abstentions will have the same effect as votes against the Proposals, although abstentions will count toward the presence of a quorum.

Why Isn't HealthMarkets Required to Solicit Proxies for the Proposals?

As indicated above, the Consenting Stockholders have indicated they will vote in favor of the Proposals, thereby ensuring that such Proposals will be adopted. Therefore, the solicitation of proxies is not necessary, and, in order to eliminate the costs and management time involved, our Board of Directors has decided not to solicit proxies.

When Will Each Proposal Become Effective?

The Proposals will be effective immediately following the completion of the 2006 Annual Meeting, which is at least 20 days after the mailing of this Information Statement. We are mailing this Statement on or about September 18, 2006 and will hold our Annual Meeting on October 12, 2006.

How Can Stockholders Participate in the Meeting?

Each stockholder of record as of the record date can participate in the Annual Meeting personally or through another person or persons designated to act for such stockholder by proxy.

How Will Our Stockholders Know When the Proposals are Effective?

Those stockholders that attend the Annual Meeting will be notified then of the effectiveness of the Proposals. In addition, we will notify our stockholders of the effective dates of the Proposals described in this Information Statement when we file our Form 10-Q for the quarter ended September 30, 2006, which will be the first Quarterly Report on Form 10-Q following the Annual Meeting.

Who Will Pay for the Costs Associated with this Information Statement?

HealthMarkets will pay all costs associated with distributing this Information Statement, including the costs of printing and mailing.

No additional action is required by you in connection with the Proposals. However, Section 14(c) of the Exchange Act requires the mailing to our stockholders of the information set forth in this Information Statement at least twenty (20) days prior to the earliest date on which the corporate action may be taken.

PROPOSAL 1
ELECTION OF DIRECTORS

Election of Directors

Ten (10) directors will be elected at the Annual Meeting, each of whom is expected to serve until our next annual meeting of stockholders and until his successor has been duly elected and qualified. All of the nominees are currently directors of the Company, and each nominee has consented to being named as a nominee and to serve, if elected.

In connection with the Merger, we entered into a stockholders agreement with various investment affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking (the Private Equity Stockholders), as well as certain management stockholders. The Stockholders Agreement provides that the Board of Directors of the Company consist of the following:

up to six directors nominated or designated by the investment affiliates of Blackstone and any permitted transferee thereof (collectively, the Blackstone Investor Group);

up to two directors nominated or designated by the investment affiliates of Goldman Sachs and any permitted transferee thereof (collectively, the GS Investor Group);

up to one director nominated or designated by the investment affiliates of DLJ Merchant Banking and any permitted transferee thereof (collectively, the DLJ Investor Group, and each of the Blackstone Investor Group, the GS Investor Group and the DLJ Investor Group, a Private Equity Investor Group);

one member of management, which we refer to as the management director, to be nominated by Private Equity Stockholders holding a majority of the Class A-1 Common Stock held by Private Equity Stockholders; and

additional directors, including directors who may be considered independent under various SEC and stock exchange definitions to the extent deemed necessary or advisable.

The allocation of board representation to the Private Equity Investor Groups will be reduced as the ownership interest of Class A-1 Common Stock of such Private Equity Investor Group is reduced. The Blackstone Investor Group will have the ability to designate a majority of the directors for so long as it holds a majority of the shares of Class A-1 Common Stock issued to the Private Equity Stockholders in the Merger. Each Private Equity Investor Group will lose its right to designate directors entirely when its ownership of shares of Class A-1 Common Stock is less than the greater of (i) five percent of the shares of Class A-1 Common Stock issued to the Private Equity Stockholders in the Merger and (ii) three percent of the then-outstanding shares of Class A-1 Common Stock.

Generally, each director will have one vote. However, if the Blackstone Investor Group nominates or designates fewer than the maximum number of directors to which it is entitled, then the Blackstone Investor Group's directors will have aggregate voting power on board matters equal to the maximum number of directors that the Blackstone Investor Group is entitled to nominate or designate divided by the number of directors they have actually nominated or designated.

The Blackstone Investor Group has designated Chinh E. Chu and Matthew Kabaker for nomination as directors. The GS Investor Group has designated Adrian M. Jones and Nathaniel Zilkha for nomination as directors. The DLJ Investor Group has designated Kamil M. Salame for nomination as a director. William J. Gedwed has been designated as the management director. Messrs. Allen F. Wise, Mural R. Josephson, and Andrew S. Kahr and Steven J. Shulman have been designated as additional directors.

OUR BOARD OF DIRECTORS HAS NOMINATED THE SLATE OF DIRECTORS TO HEALTHMARKETS BOARD AND HAS RECOMMENDED APPROVAL OF THEIR ELECTION TO SERVE UNTIL HEALTHMARKETS NEXT ANNUAL MEETING OF ITS STOCKHOLDERS OR UNTIL THEIR RESPECTIVE SUCCESSORS ARE ELECTED AND QUALIFIED.

The nominees for director this year are as follows:

directors individually or as a group. All communications should be directed to our Corporate Secretary, c/o HealthMarkets, Inc., 9151 Boulevard 26, North Richland Hills, TX 76180. During the fiscal year ended December 31, 2005 through the completion of the Merger, the Board of Directors met sixteen (16) times and took action on other occasions by unanimous consent of its members. Since the Merger, the Board of Directors met three (3) times and took action on other occasions by unanimous consent of its members. Each member of the Board of Directors who held such position in 2005 attended at least 75% in the aggregate of all meetings of the Board and any committee on which such Board Member served. The Board met in executive session during all regularly scheduled meetings, without management present, and plans to continue that practice going forward.

Board Committees

To assist the Board in the discharge of its responsibilities, the Company has established a standing Audit Committee, Executive Compensation Committee, Investment Committee, Nominating Committee, Compliance & Governance Committee, and Executive Committee. The functions and composition of these Board committees are described below:

Audit Committee, Financial Expert

The Audit Committee (of which Mural R. Josephson (Chairman), Matthew Kabaker and Nathaniel Zilkha serve as members) assists the Board of Directors in fulfilling its oversight responsibilities by assessing the processes related to the Company's risks and control environment, overseeing the integrity of the Company's financial statements and financial reporting and compliance with legal and regulatory requirements and evaluating the Company's audit processes. The Audit Committee confers with the Company's independent registered public accounting firm and internal auditors regarding audit procedures, including proposed scope of examination, audit results and related management letters. The Audit Committee reviews the services performed by the independent registered public accounting firm in connection with determining their independence, reviews the reports of the independent registered public accounting firm and internal auditors, and reviews recommendations about internal controls. The Committee selects and appoints the Company's independent registered public accounting firm and approves any significant non-audit relationship with the independent registered public accounting firm. The Audit Committee held eleven (11) meetings during 2005.

KPMG LLP, the Company's independent registered public accounting firm, has direct access to the Audit Committee and may discuss any matters that arise in connection with their audits, the maintenance of internal controls, and any other matters relating to the Company's financial affairs. The Audit Committee may authorize the independent registered public accounting firm to investigate any matters that the Audit Committee deems appropriate and may present its recommendations and conclusions to the Board.

Since joining the Board in May 2003, Mr. Josephson has served as the Audit Committee Chairman. The Board of Directors has determined that Mr. Josephson, who is independent of management of the Company, is an audit committee financial expert, as that term is used in Item 401(h) of Regulation S-K promulgated under the Securities Exchange Act of 1934. Following his retirement in October 2002 as Senior Vice President and Chief Financial Officer of Lumbermens Mutual Casualty Company (the lead company of Kemper Insurance Companies), Mr. Josephson has served as a consultant to various financial institutions. In July 1998, Mr. Josephson retired as a partner with KPMG LLP after 28 years with the firm. Mr. Josephson is a licensed Certified Public Accountant in the State of Illinois, and is a member of the American Institute of Certified Public Accountants. The other members of the Audit Committee are not independent.

The Audit Committee operates under a written charter adopted by the Board of Directors. The charter is available for review on the Corporate Governance page of the Company's website (www.healthmarkets.com.) A copy of the charter is available in print to any stockholder who requests it. Requests for a copy of the charter should be directed to the Corporate Secretary, c/o HealthMarkets, Inc., 9151 Boulevard 26, North Richland Hills, TX 76180. The Committee reviews and assesses the adequacy of its charter on an annual basis.

The Audit Committee has adopted procedures governing the receipt, retention and handling of concerns regarding accounting, internal accounting controls or auditing matters that are reported by employees, stockholders and other persons. Employees may report such concerns confidentially and anonymously by utilizing a toll free hot line number [(877) 778-5463] or by accessing Report-It [www.reportit.net], a third party reporting service. All others may direct such concerns in writing to the Board of Directors, Audit Committee and/or the non-management directors c/o our Corporate Secretary, HealthMarkets, Inc., 9151 Boulevard 26, North Richland Hills, TX 76180.

The Audit Committee's Report appears elsewhere in this Information Statement.

Executive Committee

The Executive Committee (of which Chinh Chu (Chairman), William J. Gedwed, Adrian Jones and Kamil Salame serve as members) has the authority of the full Board of Directors in the management and affairs of the Company, except that the Committee *may not* effect certain fundamental corporate actions, including (a) declaring a dividend, (b) amending the Certificate of Incorporation or By-Laws, (c) adopting an agreement of merger or consolidation, or (d) imposing a lien on substantially all of the assets of the Company. In practice, the Executive Committee meets infrequently and does not act except on matters that are not sufficiently important to require action by the full Board of Directors. During 2005 the Executive Committee did not meet, but the Committee took action on selected occasions by unanimous consent of its members.

Investment Committee

The Investment Committee (of which Matthew Kabaker (Chairman), Adrian Jones and Kamil Salame currently serve as members) coordinates with the Investment/Finance Committees of the Company's insurance subsidiaries in supervising and implementing the investments of the funds of the Company and its insurance subsidiaries. The Investment Committee did not meet during 2005.

Compliance & Governance Committee

The Compliance & Governance Committee (of which Chinh Chu (Chairman), Adrian Jones and Kamil Salame currently serve as members) was established by the Board of Directors on August 30, 2006. The Committee develops and recommends to the Board the Corporate Governance Guidelines applicable to the Company; oversees the evaluation of the Board and management, and reviews the succession plan of the Chief Executive Officer and other key officer positions. The Committee also oversees and monitors the Company's compliance and regulatory functions, including the assessment on a periodic basis of the processes related to the Company's risk and control environment, the oversight of the integrity of the Company's compliance with legal and regulatory requirements and evaluation of the Company's overall compliance program. The Committee also makes recommendations concerning the structure, size and membership of the various committees of the Board of Directors.

The Compliance & Governance Committee operates under a written charter adopted by the Board of Directors.

Nominating Committee

The Nominating Committee (of which Chinh Chu (Chairman), William Gedwed and Kamil Salame serve as members) identifies individuals qualified to become Board members consistent with criteria approved by the Board and recommends that the Board select the director nominees to be voted on at the next annual meeting of stockholders. None of the members of the Nominating Committee are independent.

As a result of the Merger and the terms of the Stockholders' Agreement that provide for the designation of directors by the Private Equity Investor Groups, the Board of Directors has determined that it is not appropriate to

establish specific qualifications for nominees or a formal process for identifying and evaluating such nominees for director.

In carrying out its responsibilities to nominate directors, the Nominating Committee will consider candidates recommended by the Board of Directors and by stockholders of the Company. All suggestions by stockholders for nominees for director for 2007 must be made in writing and received by the Corporate Secretary of the Company, 9151 Boulevard 26, North Richland Hills, Texas 76180 not later than June 14, 2007 (*see* Deadline for Submission of Stockholder Proposals and Nominations for Director). **EXECUTIVE COMPENSATION COMMITTEE
REPORT ON EXECUTIVE COMPENSATION**

Executive Compensation

The Company's compensation objectives include attracting and retaining the best possible executive talent, motivating executive officers to achieve the Company's performance objectives, rewarding individual performance and contributions, and linking to the extent possible executive and stockholder interests through equity-based (stock option and restricted stock) plans. The Company's executive compensation has historically consisted of four components: annual base salary, annual cash incentive bonus compensation, stock option grants and grants of restricted stock under the Company's restricted stock plans. Each component of compensation has been designed to complement the other components and, when considered together, to meet the Company's overall compensation objectives.

- 16 -

Historically, the Executive Compensation Committee of the Board of Directors (the Committee) has approved base compensation for senior executives (including Mr. Gedwed) based on reference to base salaries of comparable executive positions at a peer group of comparably sized insurance and insurance holding companies. Consistent with past practice, in December 2004 and January 2005 the Committee reviewed and approved base compensation to be paid to executives in 2005. In establishing base compensation for 2005 with respect to officers other than the President and CEO, the Committee considered the recommendations of Mr. Gedwed (the Company's President and Chief Executive Officer) and approved, subject to any modifications it deemed appropriate, base compensation to be paid to such executive officers.

During 2005, the Committee also engaged the services of an independent compensation consultant to assess the Company's compensation program and to obtain additional information relative to administering executive compensation decisions for 2005 and 2006.

Mr. Gedwed was named President and Chief Executive Officer effective July 1, 2003, and his annual base salary was then set at \$425,000. On September 15, 2004, the Committee determined to assess Mr. Gedwed's incentive compensation on an annual basis on the anniversary of his July 1 hiring. At a meeting of the Committee held on July 27, 2005, the Committee approved a bonus for Mr. Gedwed for performance in the year ended July 1, 2005 in the amount of \$1,000,000. Mr. Gedwed's bonus granted in July 2005 was based on the returns earned by the Company's stockholders, the Company's return performance compared to that of its peers, and Mr. Gedwed's overall performance during the preceding year. At its November 1, 2005 meeting, the Committee also determined to thereafter assess Mr. Gedwed's incentive compensation on an annual basis as of December 31 of each year. At a meeting of the Committee held on February 15, 2006, the Committee approved a bonus for Mr. Gedwed for performance in the six months ended December 31, 2005 in the amount of \$550,000. Mr. Gedwed's bonus granted in February 2006 was based on the returns earned by the Company's stockholders, the Company's return performance compared to that of its peers, and Mr. Gedwed's overall performance during the period.

The Committee has assessed and intends to continue to assess Mr. Gedwed's annual salary on an annual basis corresponding to the Company's December 31 fiscal year. At a meeting of the Committee held on February 15, 2006, the Committee set and approved Mr. Gedwed's annual salary for 2006 at \$600,000.

The Company has established and implemented an incentive compensation plan for senior executives, pursuant to which the Company has set a maximum bonus potential for each executive as a percentage of base compensation and established quantitative and qualitative bonus criteria. For 2005, the quantitative performance goals included, among other things, HealthMarkets consolidated financial results, business unit profitability and attainment of specific revenue (annualized premium volume) goals. The final determination of incentive compensation awards with respect to 2005 performance was made at a meeting of the Committee held on February 15, 2006, at which the Committee reviewed and approved 2005 incentive bonus compensation for Messrs. Reed, McQuagge and Myhra and four other officers and key employees of the Company.

During 2005, the Company's executive officers were also entitled to participate in the Company's 1987 Amended and Restated Stock Option Plan. Under the 1987 Plan, nonqualified options to purchase Common Stock of the Company were granted at exercise prices not less than the fair market value of the Common Stock at the date of grant. The options generally expired five years and 90 days from the date of grant. Options generally vested in 20% annual increments every twelve months, subject to continuing employment, provided that an option will vest 100% upon death, permanent disability, or change of control of the Company. All options under the 1987 Plan were exercisable over a five-year period. In connection with the Merger, each outstanding option to purchase shares of HealthMarkets common stock granted under the 1987 Plan became fully vested, and (except with respect to 360,030 options granted under the 1987 Plan that were held by certain executive officers and converted into options to acquire shares of Class A-1 Common Stock) each option granted under the 1987 Plan was cancelled and converted into the right to receive a payment (subject to any applicable withholding taxes) equal to the difference between \$37.00 and the exercise price for the option.

To provide an additional equity-based vehicle to incentivize officers and other key employees, the Board of Directors of the Company previously approved and adopted the HealthMarkets 2000 Restricted Stock Plan, the 2001 Restricted Stock Plan and the 2005 Restricted Stock Plan, pursuant to which the Company from time to time and

subject to the terms thereof made awards of restricted shares of the Company's Common Stock to eligible

- 17 -

participants in the Plan. Shares of Common Stock granted to eligible participants generally vested on the second anniversary of the date of grant and were otherwise forfeitable if the participant ceases to provide material services to the Company as an employee, independent contractor, consultant, advisor, director or otherwise for any reason other than death prior to vesting. Shares of restricted stock also vest upon a Change of Control (as defined) or upon the death of the participant. The Committee determined not to award restricted stock to any eligible participant with respect to 2005 performance. At December 31, 2005, an aggregate of 268,696 shares of HealthMarkets common stock were available to be granted under the terms of the 2000, 2001 and 2005 Restricted Stock Plans to eligible employees. In connection with the Merger, all applicable forfeiture provisions of the outstanding restricted shares lapsed, to the extent not already lapsed, and, effective August 30, 2006, the Company's Board of Directors authorized the termination of each of the 2000 Restricted Stock Plan, the 2001 Restricted Stock Plan and the 2005 Restricted Stock Plan.

The Company's executive officers are also entitled to participate in an incentive program (the BOB II Program) which was established in August 2002. Pursuant to the BOB II Program, the Company agreed to distribute to eligible participants on August 15, 2006, in cash, an aggregate of the dollar equivalent value of 200,000 HealthMarkets shares. Eligible participants in the BOB II Program consisted of full-time employees of HealthMarkets and its subsidiaries and independent agents associated with HealthMarkets insurance subsidiaries who were employed by or contracted with HealthMarkets and its subsidiaries, as the case may be, at the close of business on August 15, 2002 and who remain employed by or contracted with HealthMarkets and its subsidiaries at the close of business on August 15, 2006. In accordance with the BOB II Program, each eligible participant is entitled to receive his or her portion of the aggregate cash payment determined by reference to a formula based on, among other things, such eligible participant's tenure with HealthMarkets and its subsidiaries and level of compensation. As a result of the Merger, each eligible participant in the BOB II Program received on August 15, 2006 an amount (subject to any applicable withholding tax) in cash equal to the number of shares subject to such awards held by such participant multiplied by \$38.37 per share.

Section 162(m) of the U.S. Internal Revenue Code limits the deductibility of compensation in excess of \$1.0 million paid to the Company's Chairman, chief executive officer and president or to any of the Company's four highest-paid other executive officers unless certain specific and detailed criteria are satisfied. The Committee considers the anticipated tax treatment to the Company and its executive officers in its review and establishment of compensation programs and payments, but has determined that it will not necessarily seek to limit compensation to that amount otherwise deductible under Section 162(m).

Employment and Consulting Agreements

Under the terms of separate employment agreements with the Company (the principal terms of which were requested by and negotiated with The Blackstone Group after the key terms of the Merger were agreed upon), each of William J. Gedwed (President and Chief Executive Officer), Mark D. Hauptman (Vice President, Chief Financial and Accounting Officer), Troy A. McQuagge (President, Agency Marketing Group), Phillip J. Myhra (Executive Vice President, Insurance Operations and Risk Management), James N. Plato (President, Life Insurance Division), and William J. Truxal (President, Student Insurance Division) (collectively, the Continuing Executives) continue to serve in each of their respective positions and receive an annual base salary in an amount not less than their respective base salary immediately before the Merger. The Continuing Executives are also eligible for an annual target bonus ranging from a minimum of 75% of annual base salary to a maximum of 200% of annual base salary. Each of the Continuing Executives is also entitled to new equity award grants and participation in employee benefit plans and has agreed to retain all or a portion of their respective HealthMarkets equity and equity-based awards.

The employment agreements have an initial employment term of two or three years from the Merger that automatically renews annually upon the expiration of the initial employment term, unless either party gives notice.

In addition, under the terms of their employment agreements, the Continuing Executives are entitled to severance payments in the event of their termination in certain specified circumstances. The Continuing Executives would be entitled to receive severance equal to two times the executive's base salary plus target bonus payable in monthly installments, continuation of welfare benefits for two years, as well as a pro-rata bonus, based on the executive's target bonus, if such termination occurs after the last day of the first quarter of the applicable fiscal year. The Continuing Executives are entitled to full change-of-control parachute excise tax gross up protection on all payments and benefits due to the executive, including such payments and benefits due to the executive in connection with the Merger; *provided, however*, that following a change of control of HealthMarkets (other than in connection with the Merger), the surviving corporation will be entitled to reduce the executive's payments (but not by more than 10%) if the reduction would allow the avoidance of the imposition of any excise tax associated with the change of control. In addition, each of the Continuing Executives has agreed to two-year post-termination non-competition and non-solicitation covenants.

In connection with the Merger, Timothy L. Cook (former President of the Company's Star HRG Division) also executed an employment agreement with the Company, which agreement terminated effective July 11, 2006, upon the sale of substantially all of the assets comprising the Company's Star HRG operations.

On May 24, 2006, HealthMarkets, Inc. (the Company) entered into an agreement (the Agreement) with Glenn W. Reed, the former Executive Vice President and General Counsel of the Company. The Agreement provides, among other things, that Mr. Reed's employment with the Company would extend from the date of the Agreement through the later of June 30, 2006 or such date to which the Company and Mr. Reed shall mutually agree (the termination date), during which term Mr. Reed will continue to receive his annualized base salary. The termination date was subsequently established by Mr. Reed and the Company as August 31, 2006. Following termination of the employment term, the Company will pay to Mr. Reed termination payments in the aggregate amount of \$1,600,008, which will be paid in 24 monthly installments. Mr. Reed will also be entitled to receive, at the Company's expense, the Company-paid portion of the premium for continued participation in the Company's medical, prescription drug, vision, dental and life insurance coverage for the two-year period commencing on the termination date. Upon the termination date, Mr. Reed resigned from all offices, committees and/or directorships that he then held with the Company, its subsidiaries and their respective affiliates.

During the period commencing on the termination date and ending on December 31, 2006, Mr. Reed will be available upon request of the Company to provide twenty hours per month of consulting services to the Company. The Agreement also provides for full change of control parachute excise tax gross-up protection on all payments and benefits due to Mr. Reed. In addition, he is subject to two-year post-termination non-competition and non-solicitation restrictions.

Certain Other Employees

Under the terms of separate employment agreements with the Company, certain other HealthMarkets employees (in addition to Messrs. Gedwed, Hauptman, McQuagge, Myhra, Plato and Truxal), including members of our senior management team, continue to serve in their respective positions and receive an annual base salary, which is not be less than the employee's base salary immediately before the Merger. These employees will be eligible for an annual bonus ranging from a target of 35% to 50% of annual base salary and a maximum of 65% to 100% of annual base salary, as the case may be. Furthermore, these employees will also be entitled to receive new equity award grants and participate in employee benefit plans.

Upon termination of employment in certain specified circumstances, these employees are entitled to receive severance payments equal to one or two times the employee's base salary plus target bonus payable in monthly installments, depending upon the employee's particular position with the surviving corporation; continuation of welfare benefits for one or two years, depending upon the employee's particular position with the surviving corporation; as well as a pro-rata bonus, based on his or her target bonus, if such termination occurs after the last day of the first quarter of the applicable fiscal year; and full change of control parachute excise tax gross up protection on all payments and benefits due to the employee; provided, that the surviving corporation will be entitled to reduce the

executive's payments (but not by more than 10%) if the reduction would allow the avoidance of the imposition of any excise tax associated with the change of control. Further, each of these employees has agreed to one or two-year post-termination non-competition and non-solicitation covenants, the duration of which coincides with the term during which they will be entitled to receive severance payments.

(2) Grant date present value is determined using the Black-Scholes Model. The Black-Scholes Model is a mathematical formula widely used to value exchange-traded options. The Black-Scholes Model relies on several key assumptions to estimate the present value of options,

including the volatility of, and dividend yield on, the security underlying the option, the risk-free rate of return on the date of grant and the estimated time period until exercise of the option.

However, stock options granted by the Company are long-term, non-transferable and subject to vesting in equal annual increments over a five-year period, while exchange-traded options are short-term and can be exercised or sold immediately in the liquid market. Based on the Black-Scholes option valuation model with the actual option price, the key weighted average input variables used in valuing the options granted on June 24, 2005 were as follows: risk-free interest rate 3.59%; dividend yield 1.74%; stock price volatility 0.503; option

term 3 years;
option exercise
price \$31.68;
and stock price
on date of grant
\$28.80. The
volatility
variable reflects
actual daily
stock price
trading data for
the period equal
to the expected
life of the
options
immediately
preceding the
grant date. The
actual value, if
any, that a
grantee may
realize will
depend on the
excess of the
stock price over
the exercise

the option is
exercised, so
there is no
assurance the

COMPARISON OF TOTAL STOCKHOLDER RETURN

The following graph compares the cumulative total stockholder return on HealthMarkets Common Stock for the five years in the period ended December 31, 2005 with the cumulative return for the same period of the S&P 600 Small Cap Market Index and the S&P Insurance Index. The graph assumes the investment of \$100 at the beginning of the period in the Company's Common Stock.

Upon completion of the Merger on April 5, 2006, shares of the Company's Common Stock were delisted from trading on the New York Stock Exchange.

The HealthMarkets 401(k) and Savings Plan

The Company maintains for the benefit of its and its subsidiaries' employees the HealthMarkets 401(k) and Savings Plan (formerly the UICI Employee Stock Ownership and Savings Plan) (the "Employee Plan"). The Employee Plan enables eligible employees to make pre-tax contributions to the Employee Plan (subject to overall salary limitations) and to direct the investment of such contributions among several investment options. Prior to the Merger, a second feature of the Employee Plan constituted an employee stock ownership plan (the "ESOP"), contributions to which were invested primarily in shares of HealthMarkets common stock. The ESOP feature allowed participants to receive from HealthMarkets and its subsidiaries discretionary matching contributions and to share in certain supplemental contributions made by HealthMarkets and its subsidiaries.

Effective upon completion of the Merger, the Employee Plan was amended to eliminate the ESOP feature. The Company now makes certain matching contributions and supplemental contributions to participants' accounts in cash. Company contributions are allocated to the participant's account on a monthly basis, and forfeitures are allocated to employees who are participants on the last day of the plan year based upon the ratio of each participant's annual credited compensation (up to \$75,000) to the total annual credited compensation of all participants entitled to share in such contributions for such Plan Year. Contributions by the Company and its subsidiaries to the Employee Plan currently vest in prescribed increments over a six-year period.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the securities laws of the United States, the Company's directors, executive and certain other officers, and any persons holding more than ten percent of the Company's Common Stock, are required to report their ownership of the Company's Common Stock and any changes in that ownership to the Securities and Exchange Commission (the Commission). Specific due dates for these reports have been established and the Company is required to report in this Information Statement any failure to file by these dates during 2005. Based solely upon a review of Reports on Forms 3, 4 and 5 and any amendments thereto furnished to the Company pursuant to Section 16 of the Securities Exchange Act of 1934, as amended, and written representations from the executive officers and directors that no other reports were required, and except as otherwise stated in the next sentence, the Company believes that all of such reports were filed on a timely basis by executive officers and directors during 2005. During 2005, one transaction for the acquisition of stock for director's fees for Dennis McCuiston (a former director) was reported approximately one day late.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

On April 5, 2006, the Company completed its previously announced Merger providing for the acquisition of the Company by affiliates of a group of private equity investors, including The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners. As a result of the merger, holders of record on April 5, 2006 of HealthMarkets common shares (other than shares held by certain members of management and shares held through HealthMarkets agent stock accumulation plans) received \$37.00 in cash per share.

Following the merger, affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners hold approximately 55.1%, 22.6% and 11.3%, respectively, of the Company's outstanding equity securities. Certain members of the Board of Directors of the Company are affiliated with The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners; in particular, Chinh E. Chu and Matthew Kabaker serve as Senior Managing Director and a Principal, respectively, of The Blackstone Group, Adrian M. Jones and Nathaniel Zilkha serve as a Managing Director and Vice President, respectively, of Goldman, Sachs & Co., and Kamil M. Salame is a partner of DLJ Merchant Banking Partners.

In connection with the closing of the Merger, HealthMarkets entered into separate Transaction and Monitoring Fee Agreements with advisory affiliates of each of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners. In accordance with the terms of the Transaction and Monitoring Fee Agreements, HealthMarkets agreed to pay to advisory affiliates of each of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners a one-time transaction fee in the amount of \$18.9 million, \$6.0 million and \$3.0 million, respectively. The Company also agreed to assume and pay loan commitment and other fees in the amount of \$13.0 million previously incurred by affiliates of The Blackstone Group in connection with the merger. In addition, the advisory affiliates of each of The Blackstone Group, Goldman Sachs Capital Partners and

DLJ Merchant Banking Partners have agreed to provide to the Company ongoing monitoring, advisory and consulting services, for which the Company has agreed to pay to affiliates of each of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners an annual monitoring fee in an amount equal to \$7.7 million, \$3.2 million and \$1.6 million, respectively, in each case subject to upward adjustment in each year based on the ratio of consolidated earnings before interest, taxes, depreciation and amortization (EBITDA) in such year to consolidated EBITDA in the prior year. Notwithstanding the foregoing, the aggregate monitoring fees paid to all advisors pursuant to the Transaction and Monitoring Fee Agreements in any year shall not exceed the greater of \$15.0 million or 3% of consolidated EBITDA in such year. In accordance with the terms of the Transaction and Monitoring Fee Agreements, the Company agreed to reimburse the advisory affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners for out-of-pocket expenses incurred in connection with the monitoring services and to indemnify the advisory affiliates for certain claims and expenses incurred in connection with the engagement.

In accordance with the terms of separate Future Transaction Fee Agreements, each dated as of May 11, 2006, affiliates of each of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners have agreed to provide to the Company certain financial and strategic advisory services with respect to future acquisitions, divestitures and recapitalizations. For such services, affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners will be entitled to receive 0.6193%, 0.2538% and 0.1269%, respectively, of the aggregate enterprise value of any units acquired, sold or recapitalized by the Company. In connection with the sale on July 11, 2006 of substantially all of the assets comprising its Star HRG operations, the Company will remit to affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners the amount of \$929,000, \$381,000 and \$190,000, respectively, pursuant to the terms of the Future Transaction Fee Agreements.

In connection with its sale on July 11, 2006 of substantially all of the assets comprising its Star HRG operations, an affiliate of the Company has also agreed to pay to an advisory affiliate of The Blackstone Group a one-time investment banking fee in the amount of \$1.52 million. The Company has also agreed to pay to an advisory affiliate of The Blackstone Group a fee in the amount of \$1.52 million for securities placement and structuring services in connection with a private placement of securities effected on August 16, 2006.

The Company is party to a registration rights and coordination committee agreement, dated as of April 5, 2006 (the Registration Rights Agreement), with the Private Equity Stockholders, providing for demand and piggyback registration rights with respect to the class A-1 common stock. Certain management stockholders are also expected to become parties to the Registration Rights Agreement. Following an initial public offering of the Company's stock, the Blackstone Investor Group will have the right to demand such registration under the Securities Act of its shares for public sale on up to five occasions, the GS Investor Group will have the right to demand such registration on up to two occasions, and the DLJ Investor Group will have the right to demand such registration on one occasion. No more than one such demand is permitted within any 180-day period without the consent of the board of directors of the Company.

In addition, the Private Equity Investor Groups have, and, if they become parties to the Registration Rights Agreement, the management stockholders will have, so-called piggy-back rights, which are rights to request that their shares be included in registrations initiated by the Company or by any Private Equity Investor Group. Following an initial public offering of the Company's stock, sales or other transfers of the Company's stock by parties to the Registration Rights Agreement will be subject to pre-approval, with certain limited exceptions, by a Coordination Committee that will consist of representatives from each of the Private Equity Investor Groups. In addition, the Coordination Committee shall have the right to request that the Company effect a shelf registration.

Effective June 1, 2006, the Company agreed to participate in a group purchasing organization (GPO) that acts as its agent to negotiate with third party vendors the terms upon which the Company will obtain goods and services in various designated categories that are used in the ordinary course of the Company's business. On behalf of the various participants in its group purchasing program, the GPO extracts from such vendors pricing terms for such goods and service that are believed to be more favorable than participants could obtain for themselves on an individual basis. In consideration for such favorable pricing terms, each participant has agreed to obtain from such vendors not less than a specified percentage of the participant's requirements for such goods and services in the designated categories. In

connection with purchases by participants, the GPO receives a commission from the

- 27 -

vendor in respect of such purchases. In consideration of The Blackstone Group's facilitating the Company's participation in the GPO and in monitoring the services that the GPO provides to the Company, the GPO has agreed to remit to an affiliate of The Blackstone Group a portion of the commission received from vendors in respect of purchases by the Company under the GPO purchasing program.

On September 14, 2005, our board of directors adopted the UICI Success Bonus Award Plan as an employee incentive and retention program to help retain and provide an incentive to employees (including executive officers) who were expected to be key to a successful completion of the Merger. Under the terms of the UICI Success Bonus Award Plan, a participant was entitled to receive his or her award if the participant continued to be employed by us or any of our subsidiaries through the date of completion of any transaction resulting in a change of control of UICI (including the Merger). If a participant ceased to be employed before that date, he or she would not be entitled to an award, unless the Executive Compensation Committee determined otherwise. If the Merger (or another transaction that would qualify as a change of control under the plan) was not completed before June 30, 2006, participants would not have been entitled to receive awards under the plan.

Awards under the UICI Success Bonus Award Plan were payable 60% on the date of the Merger and the remaining 40% will be payable on a date that is not later than 180 days following the Merger. If a participant's employment is terminated as a result of his or her death or disability, the participant or his or her designated beneficiary will be entitled to receive 75% of the amounts to which the participant otherwise would have been entitled. The Continuing Executives (*i.e.*, Messrs. Gedwed, Hauptman, McQuagge, Myhra, Plato and Truxal) collectively were eligible to receive 67% of the bonus pool, or approximately \$13.6 million.

The total pool available for award to participants under the plan was \$20.3 million. In accordance with the terms of the plan, on November 1, 2005 the Committee designated participants in the plan and awarded success bonuses to be paid to such participants at the times and in the manner as prescribed by the plan. Designated participants under the plan included William J. Gedwed, Glenn W. Reed, Phillip J. Myhra, Troy A. McQuagge and William J. Truxal, who were allocated success bonuses in the amounts of \$2,026,490, \$2,533,113, \$3,378,160, \$3,378,160 and \$1,126,728, respectively. The remaining portion of the pool (\$7,822,256) was allocated among seven additional designated participants. The success bonuses were paid in full to participants on April 7, 2006.

Immediately before the completion of the Merger, each outstanding option to purchase shares of UICI common stock granted under our benefit plans became fully vested, and except with respect to those options that were retained by certain executive officers, each option was cancelled and converted into a right to receive a payment from the surviving corporation (subject to any applicable withholding taxes) equal to the difference between \$37.00 and the exercise price for the option multiplied by the number of shares subject to such option, to the extent the difference is a positive number. Immediately prior to the Merger, the aggregate number of shares of stock subject to unvested stock options held by the Continuing Executives as a group and our non-employee directors as a group was 424,030 and 5,351, respectively, and the number of such shares of stock subject to unvested stock options that was in-the-money (*i.e.*, the merger consideration exceeded the applicable exercise price per share of the stock option) was 424,030 and 5,351. The weighted average per share exercise prices of these 424,030 and 5,351 options were \$25.10 and \$14.05, respectively.

Immediately before the completion of the Merger, the forfeiture provisions of each then outstanding restricted share issued under our employee benefit plans lapsed. At the completion of the Merger, each holder of restricted shares was treated as a holder of the corresponding number of shares of common stock and in the same manner as other outstanding common shares issued and outstanding immediately before the Merger was completed, except with respect to those shares that were retained by certain members of senior management described above. Immediately prior to the completion of the Merger, the aggregate number of restricted shares held by our continuing executives and our non-employee directors as a group was approximately 12,000 and -0-, respectively.

AUDIT COMMITTEE REPORT

The Audit Committee consists of three directors and operates under a written charter. On August 8, 2006, the Committee reviewed its charter and, after assessing the adequacy thereof, approved an amended Charter.

The Audit Committee held eleven (11) meetings in 2005. The meetings facilitated communication with senior management and employees, the Company's internal auditor and KPMG LLP, the Company's independent registered public accounting firm. The Committee held discussions with the internal auditor and independent registered public accounting firm, both with and without management present, on the results of their examinations and the overall quality of the Company's financial reporting and internal controls.

The Audit Committee has the sole authority to appoint or replace the independent registered public accounting firm, and the Committee is responsible for the oversight of the scope of the independent registered public accounting firm's role and the determination of its compensation. The Committee regularly evaluates the performance and independence of the Company's independent registered public accounting firm and, in addition, has reviewed and pre-approved all services provided by KPMG LLP during 2005.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management, however, has the primary responsibility to establish and maintain a system of internal controls over financial reporting, to plan and conduct audits and to prepare consolidated financial statements in accordance with generally accepted accounting principles.

KPMG LLP, the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements in conformity with the auditing standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit Committee is responsible for monitoring and reviewing these procedures. It is not the Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The members of the Audit Committee are not employees of the Company and are not necessarily accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the consolidated financial statements of the Company have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and on the representations of the independent registered public accounting firm included in their report on the Company's consolidated financial statements.

In fulfilling its oversight responsibilities, the Committee has met and held discussions with management and representatives of KPMG LLP regarding the fair and complete presentation of the Company's financial results, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee has discussed significant accounting policies applied by the Company in its financial statements, as well as alternative treatments. The Committee has reviewed and discussed with the Company's management and representatives of KPMG LLP the annual audited and quarterly unaudited consolidated financial statements of the Company for the 2005 fiscal year (including the disclosures contained under the caption "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 and each of the Company's Quarterly Reports on Form 10-Q filed during 2005).

The Committee has also reviewed with representatives of KPMG LLP such matters as are required to be discussed with the Committee under Statement on Auditing Standards No. 61, *Communications with Audit Committees* and under the applicable rules of the New York Stock Exchange. In addition, the Committee has discussed with the independent registered public accounting firm its independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and considered the compatibility of non-audit services with the registered public accounting firm's independence. The Audit Committee has also received a written report from KPMG LLP regarding its independence and other matters. The Audit Committee has determined that the provision of non-audit services should not compromise KPMG LLP's independence.

The Audit Committee has also monitored the Company's progress in complying with Section 404 of the Sarbanes-Oxley Act of 2002 regarding the reporting related to and audit of internal control over financial reporting. This monitoring process has included regular reports and presentations by financial management of the Company, the internal auditors, and by KPMG LLP. The Audit Committee has also reviewed the certifications of Company executive officers contained in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 filed with the SEC, as well as reports issued by KPMG LLP, included in the Company's Annual Report on

Form 10-K related to its audit of (i) the consolidated financial statements, (ii) management's assessment of the effectiveness of internal control over financial reporting, and (iii) the effectiveness of internal control over financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission. The Committee has selected and appointed the Company's independent registered public accounting firm, subject to stockholder ratification.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

In addition to retaining KPMG LLP to audit HealthMarkets' consolidated financial statements for 2005, HealthMarkets and its affiliates retained KPMG LLP and other accounting and consulting firms to provide advisory, auditing and consulting services in 2005. The Company understands the need for KPMG LLP to maintain objectivity and independence in its audit of the Company's consolidated financial statements. To minimize relationships that could appear to impair the objectivity of KPMG LLP, the HealthMarkets Audit Committee has restricted the non-audit services that KPMG LLP may provide to HealthMarkets primarily to tax services and merger and acquisition due diligence and audit services, and the Audit Committee has determined that HealthMarkets will obtain non-audit services from KPMG LLP only when the services offered by KPMG LLP are more effective or economical than comparable services available from other service providers.

The Audit Committee Charter provides that the Committee shall approve all non-audit engagement fees and terms with the independent registered public accounting firm and all other compensation to be paid to the independent registered public accounting firm. The Committee has the authority to delegate pre-approvals of non-audit services to a single member of the Audit Committee, and the Chairman of the Committee has been authorized to pre-approve non-audit services up to \$75,000 for any one transaction, not to exceed an aggregate of \$250,000 in any one year. Fees for non-audit services exceeding these amounts must be approved by the full Committee. As a matter of policy the Chairman requests the Committee to ratify his approval of the non-audit fees at the next quarterly meeting.

In determining the appropriateness of a particular non-audit service to be performed by the registered public accounting firm, the Audit Committee shall consider whether the service facilitates the performance of the audit, improves the Company's financial reporting process or is otherwise in the public interest.

The aggregate fees billed for professional services by KPMG LLP in 2005 and 2004 were as follows:

Type of Fees	2005	2004
Audit Fees (a)	\$ 3,845,000	\$ 3,852,000

PROPOSAL 3

**PROPOSAL TO APPROVE HEALTHMARKETS
2006 MANAGEMENT OPTION PLAN**

The following is a summary of the HealthMarkets 2006 Management Option Plan and does not cover all aspects of the 2006 Plan. The summary is qualified in its entirety by the terms of the 2006 Plan set forth as Exhibit A to this Information Statement. Stockholders are encouraged to review Exhibit A in its entirety.

On May 8, 2006, the Board of Directors of HealthMarkets adopted the HealthMarkets 2006 Management Stock Option Plan (the 2006 Plan), in accordance with which options to purchase shares of the Company s Class

- 31 -

A-1 Common Stock may be granted from time to time to officers, employees and non-employee directors of the Company or any subsidiary.

Purpose

The purpose of the 2006 Plan is to attract and retain officers and other key employees for the Company and its subsidiaries and to provide to such persons incentives and rewards for superior performance. The Board recognizes the importance of attracting and retaining outstanding individuals as outside directors, officers and key employees and stimulating the active interest of those individuals in the Company's growth and financial success. The HealthMarkets Board of Directors believes that the 2006 Plan is important to the furtherance of these objectives. The Board believes that the Company will be able to enhance the prospects for its business objectives and more closely align the interests of outside directors, officers and key employees with those of the Company's stockholders by providing those individuals with the opportunity to increase their equity interests in the Company on meaningful terms.

Administration

The 2006 Plan will be administered by the Board of Directors of the Company, which may from time to time delegate all or any part of its authority under the 2006 Plan to a committee of the Board (or subcommittee thereof) consisting of not less than two directors appointed by the Board. If such directors constitute outside directors for purposes of the exemption set forth in Section 162(m)(4)(C) of the Internal Revenue Code (the Code) from the limitation on deductibility imposed by Section 162(m) of the Code, then in such event such directors (or a subset thereof) shall be delegated authority to administer the 2006 Plan. The Board (or, as delegated by the Board, a committee or subcommittee thereof) is authorized to interpret the 2006 Plan and related agreements or documents. Any determination by the Board pursuant to any provision of the 2006 Plan or any related agreements or documents will be final and conclusive. No member of the Board will be liable for any such action or determination made in good faith.

Eligibility

All employees of the Company or any of its subsidiaries, non-employee directors of the Company and any person who has agreed to commence serving in any such capacities within ninety (90) days of the date of grant may be selected by the Board to receive awards under the 2006 Plan. The Board has sole and complete discretion in determining which individuals will participate in the 2006 Plan and the number of shares of Class A-1 Common Stock subject to such awards. While the persons to whom awards will be made in future years and the amounts and nature of such awards cannot be determined at this time, it is presently estimated that approximately 2,300 individuals are eligible to participate in the 2006 Plan. Participants may receive successive awards under the 2006 Plan while restrictions on prior awards are still outstanding.

Maximum Number of Shares; Anti-Dilution Adjustments

Subject to adjustment as discussed below, the number of shares of Class A-1 Common Stock that may be issuable pursuant to option rights under the 2006 Plan may not exceed in the aggregate 1,489,741 shares of Class A-1 Common Stock. Subject to adjustment as discussed below, and to satisfy the requirements of Section 162(m) of the Code, the number of shares of Class A-1 Common Stock that may be issuable to any single participant during the term of the 2006 Plan pursuant to option rights shall not exceed in the aggregate 1,489,741 shares of Class A-1 Common Stock. The total number of available shares of Class A-1 Common Stock that may be issuable upon exercise of option rights intended to be incentive stock options may not exceed 1,489,741. Shares issuable under the 2006 Plan may be shares of original issuance, treasury shares or a combination thereof.

The number of shares available for issuance shall be adjusted to account for shares relating to options that expire, are forfeited or are transferred, surrendered or relinquished upon the payment of any option price by the transfer to the Company of shares of Class A-1 Common Stock or upon satisfaction of any withholding amount. Upon payment in cash of the benefit provided by any award granted under the 2006 Plan, any shares that were covered by that award shall again be available for issue or transfer thereunder; *provided, however*, that shares of Class A-1 Common Stock withheld to satisfy tax withholding obligations shall be deemed delivered.

The Board may make or provide for substitution or adjustments in the numbers of shares of Class A-1 Common Stock covered by outstanding option rights granted, and in the kind and option price of shares covered by outstanding option rights and/or such other equitable substitution or adjustments as the Board, in its sole discretion, exercised in good faith, may determine to prevent dilution or enlargement of the rights of participants or optionees that otherwise would result from (a) any stock dividend, extraordinary cash-dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, or (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reclassification, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or similar event. In addition, in the event of any such transaction or event, the Board (or, as delegated by the board, a committee or subcommittee thereof) may in its discretion provide for substitutions and adjustments that may include, without limitation, canceling any and all option rights in exchange for cash payments equal to the excess, if any, of the value of the consideration paid to a shareholder of a share of Class A-1 Common Stock over the option price per share subject to such option right in connection with an adjustment event. The Board may also make or provide for adjustments in the aggregate number and class of shares available for issuance under the 2006 Plan as the Board in its sole discretion, exercised in good faith, may determine is appropriate to reflect any transaction or event described above; *provided, however*, that any such adjustment to the number of incentive stock options available for grant shall be made only if and to the extent that such adjustment would not cause any option intended to qualify as an incentive stock option to fail so to qualify.

Description of Awards

The Board may, from time to time and upon such terms and conditions as it may determine, authorize the granting to participants of options to purchase shares of Class A-1 Common Stock. Each such grant may utilize any or all of the authorizations, and shall be subject to all of the requirements discussed below.

Option rights granted under the 2006 Plan may be (i) options rights that are intended to qualify as incentive stock options under Section 422 of the Code or any successor provision, (ii) options rights that are not intended to be incentive stock options, or (iii) combinations of the foregoing. Each grant will specify the number of shares of Class A-1 Common Stock to which it pertains, subject to the limitations and adjustments discussed above, and also will specify an option price per share. The option price may not be less than 100% of the Fair Market Value (as defined in the 2006 Plan) on the date of grant, except that the option price of an incentive stock option issued to a Ten Percent Employee (as defined in the 2006 Plan) may not be less than 110% of the Fair Market Value on the date of grant.

The option price will be payable in (i) cash in the form of currency or check or by wire transfer as directed by the Company or (ii) such other form of consideration as is deemed acceptable by the Board. The Company may provide for payment of the option price by the optionee, in installments, if the optionee so elects, with or without interest, upon terms determined by the Board.

Successive grants may be made to the same participant whether or not any option rights previously granted to such participant remain unexercised. Each grant will specify the period or periods of continuous service by the optionee with the Company or any subsidiary that is necessary before the option rights or installments thereof will become exercisable and may provide for the earlier exercise of such option rights in the event of a Change of Control (as defined in the 2006 Plan) or such other times as the Board may determine. The Board may, at or after the date of grant of any option rights (other than incentive stock options), provide for the payment of dividend equivalents to the optionee.

Any grant of option rights may specify Management Objectives (as defined in the 2006 Plan) that must be achieved as a condition to the exercise of such rights. Management Objectives are measurable performance objective or objectives established, when so determined by the Board, for participants who have received grants of option rights pursuant to the 2006 Plan. Management Objectives may be described in terms of Company-wide objectives or objectives that are related to the performance of the individual participant or of the subsidiary, division, department, region or function within the Company or subsidiary in which the participant is employed. The Management Objectives may be made relative to the performance of other corporations. If the Board determines that a change in the business, operations, corporate structure or capital structure of the Company, or the manner in

which it conducts its business, or other events or circumstances render any Management Objectives unsuitable, the Board may in its discretion modify any such Management Objectives or the related minimum acceptable level of achievement, in whole or in part, as the Board deems appropriate and equitable.

No option right will be exercisable more than 10 years from the date of grant (5 years with respect to incentive stock options granted to a Ten Percent Employee) and each grant will be evidenced by an agreement executed on behalf of the Company by an officer and delivered to the optionee and containing such terms and provisions, consistent with the 2006 Plan, as the Board may approve.

Upon termination of a Participant's employment with the Company prior to an IPO (as defined in the 2006 Plan), any shares of Class A-1 Common Stock acquired as a result of the exercise of an option right shall be subject to the Call Rights as provided in the Stockholders Agreement (as defined in the 2006 Plan). With respect to option rights granted to non-employee directors, in the event of the termination of service on the Board by the holder of any such option rights, other than by reason of disability or death, the then outstanding options rights of such holder may be exercised to the extent that they would be exercisable on the date that is ninety (90) days after the date of such termination and shall expire ninety (90) days after such termination, or on their stated expiration date, whichever occurs first. In the event of the death or disability of the non-employee director, each of the then outstanding option rights of such holder may be exercised at any time within one (1) year after such death or disability, but in no event after the expiration date of the term of such option rights. If a non-employee director subsequently becomes an employee of the Company or a subsidiary while remaining a member of the Board, any option rights held under the 2006 Plan by such individual at the time of such commencement of employment will not be affected thereby.

Any grant of option rights may require, as a condition to the exercise, grant or sale thereof, that the participant agree to be bound by (i) any shareholders agreement among all or certain shareholders of the Company that may be in effect at the time of exercise, grant or sale or certain provisions of any such agreement that may be specified by the Company or (ii) any other agreement requested by the Company.

Duration; Amendment

No grant shall be made under the 2006 Plan more than 10 years after the date on which the 2006 Plan is first approved by the shareholders of the Company, but all grants made on or prior to such date will continue in effect thereafter subject to the terms thereof and of the 2006 Plan.

The Board may at any time and from time to time amend the 2006 Plan in whole or in part, including, without limitation, to comply with applicable law, stock exchange rules or accounting rules; *provided, however*, that any amendment which must be approved by the stockholders of the Company in order to comply with applicable law shall not be effective unless and until stockholder approval has been obtained. The Board may, with the concurrence of the affected participant and as otherwise permitted by the anti-dilution provisions of the 2006 Plan, cancel any agreement evidencing option rights granted under the 2006 Plan. In the event of such cancellation, the Board may authorize the granting of new option rights under the 2006 Plan (which may or may not cover the same number of shares of Class A-1 Common Stock that had been the subject of the prior option) in such manner, at such option price and subject to such other terms, conditions and discretions as would have been applicable under the 2006 Plan had the canceled option rights not been granted.

Certain Termination and Other Events

In case of termination of employment or, if the participant is a non-employee director, termination of service on the Board by reason of death, disability or normal or early retirement (as determined by the Board), or in the case of hardship or other special circumstances, of a participant who holds an option right not immediately exercisable in full, or who holds shares of Class A-1 Common Stock subject to any transfer restriction imposed by the 2006 Plan, the Board may, in its sole discretion, accelerate the time at which such option right may be exercised or the time when such transfer restriction will terminate or may waive any other limitation or requirement under any such award.

To the extent that any provision of the 2006 Plan would prevent any option right that was intended to qualify as an incentive stock option from qualifying as such, that provision shall be null and void with respect to

such option right. Such provision, however, shall remain in effect for other option rights and there shall be no further effect on any provision of the 2006 Plan.

Transferability

Except as the Board may otherwise determine or as set forth in the Stockholders Agreement, no option right granted under the 2006 Plan will be transferable by a participant other than by will or the laws of descent and distribution. In addition, except as the Board may otherwise determine, option rights will be exercisable during the optionee's lifetime only by the optionee or by the optionee's guardian or legal representative. The Board also may specify at the date of grant that part or all of the shares of Class A-1 Common Stock that are to be issued or transferred by the Company upon the exercise of option rights shall be subject to further restrictions on transfer.

Federal Income Tax Consequences

The following is a brief summary of certain of the federal income tax consequences of certain transactions under the 2006 Plan based on federal income tax laws in effect on January 1, 2006. This summary is not intended to be exhaustive and does not describe state, local or foreign tax consequences.

Tax Consequences to Participants

In general, (a) no income will be recognized by an optionee at the time a nonqualified option right is granted; (b) at the time of exercise of a nonqualified option right, ordinary income will be recognized by the optionee in an amount equal to the difference between the option price paid for the shares and the fair market value of the shares if they are nonrestricted on the date of exercise; and (c) at the time of sale of shares acquired pursuant to the exercise of a nonqualified option right, any appreciation (or depreciation) in the value of the shares after the date of exercise will be treated as a capital gain (or loss).

No income generally will be recognized by an optionee upon the grant or exercise of an incentive stock option. However, the excess of the fair market value of the shares on the exercise date over the option price is included in the optionee's income for alternative minimum tax purposes. If shares of Class A-1 Common Stock are issued to an optionee pursuant to the exercise of an incentive stock option and no disqualifying disposition of the shares is made by the optionee within two years after the date of grant or within one year after the transfer of the shares to the optionee, then upon the sale of the shares any amount realized in excess of the option price will be taxed to the optionee as a capital gain and any loss sustained will be a capital loss. If shares of Class A-1 Common Stock acquired upon the exercise of an incentive stock option are disposed of before the expiration of either holding period described above, the optionee generally will recognize ordinary income in the year of disposition in an amount equal to any excess of the fair market value of the shares at the time of exercise (or, if less, the amount realized on the disposition of the shares in a sale or exchange) over the option price paid for the shares. Any further gain (or loss) realized by the optionee generally will be taxed as a capital gain (or loss).

Tax Consequences to the Company

To the extent that a participant recognizes ordinary income in the circumstances described above, the Company or the subsidiary for which the participant performs services will be entitled to a corresponding deduction provided that, among other things, the income (1) meets the test of reasonableness, is an ordinary and necessary business expense and is not an excess parachute payment within the meaning of Section 280G of the Code and (2) is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Code.

The provisions of Section 162(m) of the Code generally disallow a tax deduction to a publicly-held company for compensation in excess of \$1,000,000 paid to its CEO or any of its other four most highly compensated executive officers in any fiscal year, unless the plan and awards pursuant to which any portion of the compensation is paid meet certain requirements. The 2006 Plan is intended to comply generally with rules for deductibility under Section 162(m) of the Code and will be administered in accordance with Section 162(m). Awards under the 2006 Plan may not automatically comply with Section 162(m), but such awards are expected to be administered in a way that will usually permit deductibility; *provided, however*, that where the Board or the committee administering the

2006 Plan has determined that such requirements may not necessarily be in the best interests of the Company, the committee may modify any grants that could cause the loss of a deduction under Section 162(m) of the Code.

Compliance with the American Jobs Creation Act of 2004 (Section 409A of the Code)

The American Jobs Creation Act of 2004, enacted on October 22, 2004 and effective on January 1, 2005 (the AJCA), revised the federal income tax law applicable to certain types of awards that may be granted under the 2006 Plan. Section 409A of the Code imposes an additional 20% income tax and interest on payments of deferred compensation to recipients that fail to meet certain payment and distribution requirements of Section 409A. To the extent applicable, it is intended that the 2006 Plan and any grants made under the 2006 Plan comply with the provisions of Section 409A of the Code. The 2006 Plan and any grants made under the 2006 Plan will be administered in a manner consistent with this intent, and any provision of the 2006 Plan that would cause the 2006 Plan or any grant made under the 2006 Plan to fail to satisfy Section 409A shall have no force and effect until amended to comply with Section 409A (which amendment may be retroactive to the extent permitted by Section 409A). Any reference to Section 409A will also include any proposed, temporary or final regulations, or any other guidance issued by the Secretary of the Treasury or the Internal Revenue Service with respect thereto. There is no penalty imposed on the Company for failure to comply with the payment and distribution requirements of Section 409A.

New Plan Benefits

In May 2006, non-qualified options to acquire an aggregate of 687,900 shares of Class A-1 Common Stock were granted under the 2006 Plan to an aggregate of 16 employees, in June 2006 non-qualified options to acquire an aggregate of 85,134 shares of Class A-1 Common Stock were granted under the 2006 Plan to three non-employee members of the Board of Directors, and in August 2006 non-qualified options to acquire an aggregate of 239,500 shares of Class A-1 Common Stock were granted under the 2006 Plan to an aggregate of 61 employees. THE BOARD OF DIRECTORS RECOMMENDS THE ADOPTION OF THE HEALTHMARKETS 2006 MANAGEMENT OPTION PLAN

**PROPOSAL 4
PROPOSAL TO RATIFY THE APPOINTMENT OF
KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Although Delaware law does not require that the selection by the Audit Committee of the Company's independent registered public accounting firm be approved each year by the stockholders, the Board of Directors

believes it is appropriate to submit the Audit Committee's selection to the stockholders for their approval and to abide by the result of the stockholders' vote. Subject to ratification by the stockholders, the Audit Committee reappointed the firm of KPMG LLP as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2006. In recommending ratification by the stockholders of the appointment of KPMG LLP, the Board of Directors has satisfied itself as to that firm's professional competence and standing. However, if the stockholders do not ratify the appointment of KPMG LLP, the Audit Committee may investigate the reasons for the stockholders' rejection and may consider whether to retain KPMG LLP or to appoint another independent registered public accounting firm. Furthermore, even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of KPMG LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they so desire. Such representatives will also be available to respond to appropriate questions from stockholders at the meeting.

THE AUDIT COMMITTEE AND THE BOARD OF DIRECTORS RECOMMEND THE RATIFICATION OF THE SELECTION OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.

5. OTHER BUSINESS

Neither the Board nor management is aware of any matters to be presented at the Annual Meeting other than those referred to in the Notice of Annual Meeting and this Information Statement.

STOCKHOLDER PROPOSALS FOR THE 2007 ANNUAL MEETING

Unless we indicate otherwise, proposals that stockholders intend to present at the next annual meeting of stockholders must comply with Rule 14a-8 of the Securities and Exchange Commission issued under the Securities Exchange Act of 1934 and must be received at the principal executive offices of the Company, 9151 Boulevard 26, North Richland Hills, Texas 76180 not later than June 14, 2007, which is 120 days prior to the date of the first anniversary of our 2006 Stockholders Meeting.

By Order of the Board of Directors,

The total number of available shares of Class A-1 Common Stock that may be issuable upon exercise of Option Rights intended to be Incentive Stock Options shall not exceed 1,489,741, plus any shares issuable (not to exceed 849,600 shares) pursuant to the Tandem Options to the extent that the Option Rights with respect to which the Tandem Options are granted are not cancelled upon grant of the Tandem Options. Such shares may be shares of original issuance or treasury shares or a combination thereof.

(b) The number of shares available in Section 3(a) above shall be adjusted to account for shares relating to options that expire, are forfeited or are transferred, surrendered or relinquished upon the payment of any Option Price by the transfer to the Company of shares of Class A-1 Common Stock or upon satisfaction of any withholding amount. Upon payment in cash of the benefit provided by any award granted under this Plan, any shares that were covered by that award shall again be available for issue or transfer hereunder; provided, however, that shares of Class A-1 Common Stock withheld to satisfy tax withholding obligations shall be deemed delivered for purposes of the limitation set forth in the third sentence of Section 3(a).

4. **Option Rights.** The Board may, from time to time and upon such terms and conditions as it may determine, authorize the granting to Participants of options to purchase shares of Class A-1 Common Stock. Each such grant may utilize any or all of the authorizations, and shall be subject to all of the requirements contained in the following provisions:

(a) Option Rights granted under this Plan may be (i) Incentive Stock Options, (ii) Non-Qualified Stock Options, or (iii) combinations of the foregoing.

(b) Each grant shall specify the number of shares of Class A-1 Common Stock to which it pertains subject to the limitations set forth in Section 3 of this Plan.

(c) Each grant shall specify an Option Price per share. The Option Price of an Option Right may not be less than 100% of the Fair Market Value on the Date of Grant, except that the Option Price of an Incentive Stock Option issued to a Ten Percent Employee may not be less than 110% of the Fair Market Value on the Date of Grant.

(d) The Option Price shall be payable in (i) cash in the form of currency or check or by wire transfer as directed by the Company or (ii) such other form of consideration as is deemed acceptable by the Board.

(e) The Company may provide for payment of the Option Price by the Optionee, in installments, if the Optionee so elects, with or without interest, upon terms determined by the Board.

(f) Successive grants may be made to the same Participant whether or not any Option Rights previously granted to such Participant remain unexercised.

(g) Each grant shall specify the period or periods of continuous service by the Optionee with the Company or any Subsidiary that is necessary before the Option Rights or installments thereof will become exercisable and may provide for the earlier exercise of such Option Rights in the event of a Change of Control or such other times as the Board shall determine.

(h) Any grant of Option Rights may specify Management Objectives that must be achieved as a condition to the exercise of such rights.

(i) The Board may, at or after the Date of Grant of any Option Rights (other than Incentive Stock Options), provide for the payment of dividend equivalents to the Optionee.

(j) No Option Right shall be exercisable more than 10 years from the Date of Grant (5 years with respect to Incentive Stock Options granted to a Ten Percent Employee).

(k) Each grant of Option Rights shall be evidenced by an agreement executed on behalf of the Company by an officer and delivered to the Optionee and containing such terms and provisions, consistent with this Plan, as the Board may approve.

(l) Upon termination of a Participant's employment with the Company prior to an IPO, any shares of Class A-1 Common Stock acquired as a result of the exercise of an Option Right shall be subject to the Call Rights as provided in the Stockholders Agreement.

5. Awards to Non-Employee Directors. The Board may, from time to time and upon such terms and conditions as it may determine, authorize the granting to Non-Employee Directors of Option Rights.

(a) Each grant of Option Rights awarded pursuant to this Section 5 shall be upon terms and conditions consistent with Section 4 of this Plan and shall be evidenced by an agreement in such form as shall be approved by the Board. Each grant shall specify an Option Price per share, which shall not be less than 100% of the Fair Market Value on the Date of Grant. Each such Option Right granted under the Plan shall expire not more than 10 years from the Date of Grant and shall be subject to earlier termination as hereinafter provided. Unless otherwise determined by the Board, such Option Rights shall be subject to the following additional terms and conditions:

(i) Each grant shall specify the number of shares of Class A-1 Common Stock to which it pertains subject to the limitations set forth in Section 3 of this plan.

(ii) In the event of the termination of service on the Board by the holder of any such Option Rights, other than by reason of disability or death, the then outstanding Options Rights of such holder may be exercised to the extent that they would be exercisable on the date that is ninety days after the date of such termination and shall expire ninety days after such termination, or on their stated expiration date, whichever occurs first.

(iii) In the event of the death or disability of the holder of any such Option Rights, each of the then outstanding Option Rights of such holder may be exercised at any time within one (1) year after such death or disability, but in no event after the expiration date of the term of such Option Rights.

(iv) If a Non-Employee Director subsequently becomes an employee of the Company or a Subsidiary while remaining a member of the Board, any Option Rights held under the Plan by such individual at the time of such commencement of employment shall not be affected thereby.

(v) Option Rights may be exercised by a Non-Employee Director only upon payment to the Company in full of the Option Price of the shares of Class A-1 Common Stock to be

delivered. Such payment shall be made in (i) cash in the form of currency or check or by wire transfer as directed by the Company or (ii) such other form of consideration as is deemed acceptable by the Board.

6. Transferability.

(a) Except as otherwise determined by the Board or as set forth in the Stockholders Agreement, no Option Right granted under this Plan shall be transferable by a Participant other than by will or the laws of descent and distribution. Except as otherwise determined by the Board, Option Rights shall be exercisable during the Optionee's lifetime only by him or her or by his or her guardian or legal representative.

(b) The Board may specify at the Date of Grant that part or all of the shares of Class A-1 Common Stock that are to be issued or transferred by the Company upon the exercise of Option Rights shall be subject to further restrictions on transfer.

7. **Adjustments.** The Board may make or provide for such substitution or adjustments in the numbers of shares of Class A-1 Common Stock covered by outstanding Option Rights granted hereunder, and in the kind and Option Price of shares covered by outstanding Option Rights and/or such other equitable substitution or adjustments as the Board, in its sole discretion, exercised in good faith, may determine to prevent dilution or enlargement of the rights of Participants or Optionees that otherwise would result from (a) any stock dividend, extraordinary cash-dividend, stock split, combination of shares, recapitalization or other change in the capital structure of the Company, or (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reclassification, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or event having an effect similar to any of the foregoing. Such substitutions and adjustments may include, without limitation, canceling any and all Option Rights in exchange for cash payments equal to the excess, if any, of the value of the consideration paid to a shareholder of a share of Class A-1 Common Stock over the Option Price per share subject to such Option Right in connection with such an adjustment event. The Board may also make or provide for such adjustments in the aggregate number and class of shares specified in Section 3 of this Plan as the Board in its sole discretion, exercised in good faith, may determine is appropriate to reflect any transaction or event described in this Section 7; provided, however, that any such adjustment to the number of Incentive Stock Options available for grant specified in Section 3(a) shall be made only if and to the extent that such adjustment would not cause any Option intended to qualify as an Incentive Stock Option to fail so to qualify.

8. **Change of Control.** For purposes of this Plan, except as may be otherwise prescribed by the Board in an agreement evidencing a grant made under the Plan, a Change of Control shall mean if at any time any of the following events shall have occurred:

(a) the acquisition by any individual entity or group, within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act (an Individual), other than Blackstone, DLJ Merchant Banking Partners IV, L.P. and Goldman, Sachs & Co. and their respective Affiliates (the Permitted Holders), directly or indirectly, of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of equity securities of the Company representing more than 50% of the voting power of the Outstanding Company Voting Securities; provided, however, that for purposes of this subsection (a), the following acquisitions will not constitute a Change of Control: (i) any acquisition by the Company, (ii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any corporation controlled by the Company, or (iii) any acquisition by any Person pursuant to a transaction which complies with clauses (i) and (ii) of subsection (b) below; or

(b) the consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the Company or the purchase of assets or stock of another entity (a Business Combination), in each case, unless immediately following such Business Combination, (i) all or substantially all of the individuals and entities who were the beneficial owners of the Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of the then-outstanding combined voting power of the then-outstanding securities entitled to vote generally in the election of directors of the entity resulting from such Business Combination (including an entity which as a result of such transaction owns the Company or all

or substantially all of the Company's assets either directly or through one or more Subsidiaries) in substantially the same proportion as their ownership immediately prior to such Business Combination of the Outstanding Company Voting Securities, and (ii) no Person (excluding the Permitted Holders) beneficially owns, directly or indirectly, more than a majority of the combined voting power of the then-outstanding voting securities of such entity except to the extent that such ownership of the Company existed prior to the Business Combination.

(c) Notwithstanding paragraphs (a) and (b) above, in no event will a Change of Control be deemed to occur if the Permitted Holders maintain a direct or indirect Controlling Interest in the Company or in an entity that maintains a direct or indirect Controlling Interest in the Company.

9. **Fractional Shares.** The Company shall not be required to issue any fractional shares of Class A-1 Common Stock pursuant to this Plan. The Board may provide for the elimination of fractions or for the settlement of fractions in cash.

10. **Withholding Taxes.** The Company may withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local or foreign taxes (including the Participant's FICA obligation) in connection with any payment made or benefit realized by a Participant or other person under this Plan or otherwise, and the amounts available to the Company for such withholding are insufficient, it shall be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other person make arrangements satisfactory to the Company for payment of the balance of such taxes required to be withheld. The Company may elect to have such withholding obligation satisfied by having the Participant surrender to the Company or any Subsidiary a portion of the Class A-1 Common Stock that is issued or transferred to the Participant upon the exercise of an Option Right (but only to the extent of the minimum withholding required by law), and the Class A-1 Common Stock so surrendered by the Participant shall be credited against any such withholding obligation at the Fair Market Value of such shares on the date of such surrender.

11. **Foreign Employees.** In order to facilitate the making of any grant or combination of grants under this Plan, the Board may provide for such special terms for options to Participants who are foreign nationals or who are employed by the Company or any Subsidiary outside of the United States of America as the Board may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Board may approve such supplements to or amendments, restatements or alternative versions of this Plan as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such document as having been approved and adopted in the same manner as this Plan. No such special terms, supplements, amendments or restatements, however, shall include any provisions that are inconsistent with the terms of this Plan as then in effect unless this Plan could have been amended to eliminate such inconsistency without further approval by the shareholders of the Company.

12. **Stockholders Agreement.** Class A-1 Common Stock acquired upon exercise of an Option Right will be subject to the terms and conditions of the Stockholders' Agreement. The Company and Participants acknowledge that they will agree to provide the Company with the right to require a Participant to waive any registration rights with regard to such shares of Class A-1 Common Stock upon an IPO, in which case the Company will implement an IPO bonus plan in cash, stock or additional Option Rights to compensate for any such Participant's loss of liquidity.

13. **Administration of this Plan.**

(a) This Plan shall be administered by the Board, which may from time to time delegate all or any part of its authority under this Plan to a committee of the Board (or subcommittee thereof) consisting of not less than two Directors appointed by the Board. If Directors constitute outside directors for purposes of the exemption set forth in Section 162(m)(4)(C) of the Code from the limitation on deductibility imposed by Section 162(m) of the Code, then in such event such Directors (or a subset thereof) shall be delegated authority to administer the Plan. A majority of the committee (or subcommittee) shall constitute a quorum, and the action of the members of the committee (or subcommittee) present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the

committee (or subcommittee). To the extent of any such delegation, references in this Plan to the Board shall be deemed to be references to any such committee or subcommittee.

(b) The interpretation and construction by the Board of any provision of this Plan or of any agreement, notification or document evidencing the grant of Option Rights and any determination by the Board pursuant to any provision of this Plan or of any such agreement, notification or document shall be final and conclusive. No member of the Board shall be liable for any such action or determination made in good faith.

14. **Amendments, Etc.**

(a) The Board may at any time and from time to time amend this Plan in whole or in part, including, without limitation, to comply with applicable law, stock exchange rules or accounting rules; provided, however, that any amendment which must be approved by the shareholders of the Company in order to comply with applicable law shall not be effective unless and until such approval has been obtained. Presentation of this Plan or any amendment hereof for shareholder approval shall not be construed to limit the Company's authority to offer similar or dissimilar benefits under other plans without shareholder approval.

(b) The Board may, with the concurrence of the affected Participant and as otherwise permitted by Section 7 hereof, cancel any agreement evidencing Option Rights granted under this Plan. In the event of such cancellation, the Board may authorize the granting of new Option Rights under this Plan (which may or may not cover the same number of shares of Class A-1 Common Stock that had been the subject of the prior option) in such manner, at such Option Price and subject to such other terms, conditions and discretions as would have been applicable under this Plan had the canceled Option Rights not been granted.

(c) In case of termination of employment or, if the Participant is a Non-Employee Director, termination of service on the Board by reason of death, disability or normal or early retirement (as determined by the Board), or in the case of hardship or other special circumstances, of a Participant who holds an Option Right not immediately exercisable in full, or who holds shares of Class A-1 Common Stock subject to any transfer restriction imposed pursuant to Section 6(b) of this Plan, the Board may, in its sole discretion, accelerate the time at which such Option Right may be exercised or the time when such transfer restriction will terminate or may waive any other limitation or requirement under any such award.

(d) This Plan shall not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary, nor shall it interfere in any way with any right the Company or any Subsidiary would otherwise have to terminate such Participant's employment or other service at any time.

(e) To the extent that any provision of this Plan would prevent any Option Right that was intended to qualify as an Incentive Stock Option from qualifying as such, that provision shall be null and void with respect to such Option Right. Such provision, however, shall remain in effect for other Option Rights and there shall be no further effect on any provision of this Plan.

(f) Any grant of Option Rights may require, as a condition to the exercise, grant or sale thereof, that the Participant agree to be bound by (i) any shareholders agreement among all or certain shareholders of the Company that may be in effect at the time of exercise, grant or sale or certain provisions of any such agreement that may be specified by the Company or (ii) any other agreement requested by the Company.

A-7

15. **Termination.** No grant shall be made under this Plan more than 10 years after the date on which this Plan is first approved by the shareholders of the Company, but all grants made on or prior to such date shall continue in effect thereafter subject to the terms thereof and of this Plan.

16. **Compliance with Section 409A of the Code.** The Plan is intended to comply and shall be administered in a manner that is intended to comply with Section 409A of the Code and shall be construed and interpreted in accordance with such intent. To the extent that a payment and/or benefit owed or due to a Participant under the Plan is subject to Section 409A of the Code, it shall be paid in a manner that complies with Section 409A of the Code, including proposed, temporary or final regulations or any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto (the 409A Guidance). Any provision of the Plan that would cause a payment and/or benefit to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Code Section 409A (which amendment may be retroactive to the extent permitted by the 409A Guidance).

17. **Successors.** All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, spin-off, or otherwise, of all or substantially all of the business and/or assets of the Company.

18. **Unfunded Status of Plan.** It is presently intended that the Plan constitute an unfunded plan for incentive and deferred compensation. The Board may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Class A-1 Common Stock or make payments; provided, however, that unless the Board otherwise determines, the existence of such trusts or other arrangements shall be consistent with the unfunded status of the Plan.

19. **Gender and Number.** Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

20. **Severability.** If one or more of the provisions of the Plan is invalidated for any reason by a court of competent jurisdiction, any provision so invalidated shall be deemed to be separable from the other provisions hereof, and the remaining provisions hereof shall continue to be valid and fully enforceable.

21. **Governing Law.** The interpretation, performance, and enforcement of the Plan shall be governed by the laws of the State of Delaware, without giving effect to the principles of conflict of laws thereof and all parties, including their successors and assigns, consent to the jurisdiction of the state and federal courts of Delaware.
