Such forward-looking statements, and financial or other business targets, are subject to certain risks and uncertainties, which could cause our actual results to differ materially from expected results, performance or achievements expressed or implied by such forward-looking statements. Actual results and trends may differ materially from historical or expected results depending on a variety of factors, including, among others, risks and uncertainties relating to investment in development activities and new production facilities, fluctuations in cost and availability of raw materials; our ability and the ability of our subsidiaries to achieve and sustain targeted cost reductions, including cost synergies expected from the integration of the Paxar Corporation; our ability to generate sustained productivity improvements; successful integration of acquisitions; successful implementation of new manufacturing technologies and installation of manufacturing equipment; the financial condition and inventory strategies of customers; customer and supplier concentrations; changes in customer order patterns; loss of significant contracts or customers; timely development and market acceptance of new products; fluctuations in demand affecting sales to customers; impact of competitive products and pricing; business mix shift; credit risks; our ability to obtain adequate financing arrangements; fluctuations in interest rates; fluctuations in pension, insurance and employee benefit costs; impact of legal proceedings, including, among others, investigations into industry competitive practices, and any related proceedings or lawsuits pertaining to these investigations or to the subject matter thereof, as well as the impact of potential violations of the U.S. Foreign Corrupt Practices Act; changes in government regulations; changes in U.S. or international economic or political conditions; fluctuations in foreign currency exchange rates and other risks associated with foreign operations; impact of epidemiological events on the economy and our customers and suppliers; acts of war, terrorism and natural disasters; and other matters referred to in our SEC filings.

For a more detailed discussion of these and other risk factors, see Part I, Item 1A. Risk Factors and Part II, Item 7. Management's Discussion and Analysis of Results of Operations and Financial Condition in our Annual Report on Form 10-K for the fiscal year ended December 30, 2006 as well as in Part II, Item IA. Headquartered in Pasadena, California, we are a FORTUNE 500 Company with sales of \$5.6 billion for 2006. Following the acquisition of Paxar Corporation in June 2007, we had more than 30,000 employees in over 50 countries worldwide, who develop, manufacture and market a wide range of products for both consumer and industrial markets. Products offered by us include: Fasson brand self-adhesive materials; Avery Dennison and Paxar brand products for the retail and apparel industries; Avery brand office products and graphics imaging media; specialty tapes, peel-and-stick postage stamps, and labels for a wide variety of automotive, industrial and durable goods applications.

Avery Dennison is a Delaware corporation. Our principal executive offices are located at 150 North Orange Grove Boulevard, Pasadena, California 91103. Our main telephone number is (626) 304-2000.

RATIO OF EARNINGS TO FIXED CHARGES

Our ratios of earnings to fixed charges are as follows for the periods indicated:

	Nine Months Ended Sept. 29, 2007	2006	2005	Fiscal Year		
				2004	2003	2002
Ratio of earnings to fixed charges(1)	3.9	5.9	5.1	5.4	4.9	6.1
Pro forma ratio of earnings to fixed charges(2)	2.8	3.4				

(1) The ratios of earnings to fixed charges were computed by dividing earnings by fixed charges. For this purpose, earnings consist of income before taxes plus fixed charges and amortization of capitalized interest, less capitalized interest. Fixed charges consist of interest expense, capitalized interest and the portion of rent expense (estimated to be 35%) on operating leases deemed representative of interest.

(2) The pro forma ratios of earnings to fixed charges reflect the pro forma effects on earnings and fixed charges as defined in note (1) above, giving effect to the Paxar acquisition as if such acquisition had occurred on January 1, 2006, including incremental interest expense attributable to the notes offered pursuant to this offering memorandum and the remaining approximately \$1,300,000,000 of borrowings (at a weighted average interest rate of 5.44% as of the closing date of the Paxar acquisition) utilized to fund the acquisition of Paxar.

USE OF PROCEEDS

We intend to use the net proceeds from the sale of the securities as set forth in the applicable prospectus supplement. We may invest funds not required immediately for such purposes in short-term investment grade securities.

common stock;

preferred stock;

depository shares;

debt securities;

warrants to purchase debt securities, common stock, preferred stock or depository shares;

purchase contracts to purchase common stock, preferred stock or depository shares; and

units.

We will set forth in the applicable prospectus supplement a description of the debt securities, preferred stock, depositary shares, common stock, warrants, purchase contracts and units that may be offered under this prospectus. The terms of the offering of securities, the initial offering price and the net proceeds to us will be contained in the prospectus supplement, and other offering material, relating to such offer. The supplement may also add, update or change

information contained in this prospectus. You should carefully read this prospectus and any supplement before you invest in any of our securities.

DESCRIPTION OF COMMON STOCK AND PREFERRED STOCK

The following description of our common stock and preferred stock is only a summary and is qualified in its entirety by reference to our certificate of incorporation and bylaws. Therefore, you should read carefully our Restated Certificate of Incorporation (the Restated Certificate) and our Bylaws, as amended, copies of which are incorporated by reference as exhibits to the registration statement of which this prospectus is a part.

General

This prospectus describes certain general terms of our capital stock. For a more detailed description of these securities, we refer you to the applicable provisions of Delaware law and our Restated Certificate. When we offer to sell a particular series of our preferred stock, we will describe the specific terms of the series in a supplement to this prospectus. Accordingly, for a description of the terms of any series of our preferred stock, you must refer to both the prospectus supplement relating to that series and the description of our preferred stock set forth in this prospectus.

Pursuant to our Restated Certificate, our authorized capital stock consists of 400,000,000 shares of common stock, par value \$1.00 per share, and 5,000,000 shares of preferred stock, par value \$1.00 per share. As of October 27, 2007, we had 106,480,795 shares of common stock outstanding and no shares of preferred stock outstanding.

Common Stock

Subject to any preferential rights that our board of directors may grant in connection with the future issuance of preferred stock, each holder of common stock is entitled to one vote per share on all matters voted upon by the stockholders. Each holder of common stock is entitled to receive ratably any dividends declared on the common stock by the board of directors from funds legally available for distribution. In the event of our liquidation, dissolution or winding up, after we pay all debts and other liabilities and any liquidation preference on the preferred stock, each holder of common stock would be entitled to share ratably in all of our remaining assets. The common stock has no subscription, redemption, conversion or preemptive rights. All shares of common stock are fully paid and nonassessable.

Delaware General Corporation Law Section 203

As a corporation organized under the laws of the State of Delaware, we are subject to Section 203 of the General Corporation Law of the State of Delaware (the DGCL), which restricts certain business combinations between us and an interested stockholder (in general, a stockholder owning 15% or more of our outstanding voting stock) or that stockholder s

affiliates or associates for a period of three years following the date on which the stockholder becomes an interested stockholder. The restrictions do not apply if:

prior to an interested stockholder becoming such, our board of directors approves either the business combination or the transaction in which the stockholder becomes an interested stockholder;

upon consummation of the transaction in which the stockholder becomes an interested stockholder, the interested stockholder owns at least 85% of our voting stock outstanding at the time the transaction commenced, subject to certain exceptions; or

on or after the date an interested stockholder becomes such, the business combination is both approved by our board of directors and authorized at an annual or special meeting of our stockholders (and not by written consent) by the affirmative vote of at least 66²/₃% of the outstanding voting stock not owned by the interested stockholder.

Preferred Stock

Under the Restated Certificate, our board of directors is authorized generally without stockholder approval to issue shares of preferred stock from time to time, in one or more classes or series. Prior to the issuance of shares of each series, the board of directors is required by the DGCL and the Restated Certificate to adopt resolutions and file a certificate of designation with the Secretary of State of the State of Delaware. The certificate of designation fixes for each class or series the designations, powers, preferences, rights, qualifications, limitations and restrictions, including, but not limited to, the following:

the number of shares constituting each class or series;

voting rights;

rights and terms of redemption (including sinking fund provisions);

dividend rights and rates;

dissolution;

terms concerning the distribution of assets;

conversion or exchange terms;

redemption prices; and

liquidation preferences.

All shares of preferred stock offered hereby will, when issued, be fully paid and nonassessable and will not have any preemptive or similar rights. Our board of directors could authorize the issuance of shares of preferred stock with terms and conditions which could have the effect of discouraging a takeover or other transaction that might involve a premium price for holders of the shares or which holders might believe to be in their best interests.

We will set forth in a prospectus supplement relating to the class or series of preferred stock being offered the specific terms of each series of our preferred stock.

Preferred Share Purchase Rights

On October 23, 1997, our board of directors adopted a Rights Agreement (Rights Plan) and declared a dividend distribution of one preferred share purchase right (a Right) on each outstanding share of our common stock. The Rights expired on October 31, 2007. The company has not yet redesignated the Series A Junior Participating preferred stock underlying the Rights.

Registrar and Transfer Agent

Computershare is the registrar and transfer agent for our common stock.

VALIDITY OF THE SECURITIES

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii), and (a)(1)(iii) above do not apply if the registration statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is apart of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona

bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of securities:

The undersigned registrant undertake that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, each of the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted for directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to

a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act (the Act) in accordance with the rules and regulations prescribed by the SEC under section 305(b)(2) of the Act.
