ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On February 2, 2006, The TJX Companies, Inc., or TJX, announced its early adoption of the Statement of Financial Accounting Standards (SFAS) No. 123R relating to accounting for stock based compensation in the fourth quarter of the fiscal year ended January 28, 2006, which TJX expects will reduce earnings per share by \$.03 in the fourth quarter of fiscal 2006 and by \$.12 for the full fiscal 2006 year. TJX has elected the modified retrospective transition method. Accordingly, prior period financial statements will be adjusted to reflect the effect of stock option expense on a consolidated basis, as previously disclosed in the pro forma footnote to the TJX financial statements. Additionally, segment data will be adjusted to reflect the related stock option expense. A copy of TJX's press release announcing this information, which includes schedules showing the impact of SFAS 123R on several prior periods, is furnished as Exhibit 99.1 hereto.

ITEM 8.01 OTHER EVENTS.

TJX has also announced that it expects to realize a one-time tax benefit from the repatriation of foreign earnings in the fourth quarter and the fiscal year ended January 28, 2006. The TJX Board of Directors approved the repatriation of approximately US\$260 million of accumulated earnings from its Canadian subsidiary, Winners Merchants International L.P., which was completed during January 2006. Recent U.S. tax legislation allows multinationals a one-time opportunity to repatriate accumulated earnings from foreign subsidiaries at a significantly reduced income tax rate. As a result, TJX's repatriation of foreign earnings will result in a one-time tax benefit to net income of approximately \$47 million, or \$.10 per share, which TJX will recognize in the fourth quarter of the fiscal year ended January 28, 2006. A copy of TJX's press release announcing this information is furnished as Exhibit 99.1 hereto.
