Item 2.05. Costs Associated with Exit or Disposal Activities

As previously announced in our press release dated November 6, 2007, Primus Guaranty, Ltd. (the Company) decided to discontinue the operations of Harrier Credit Strategies Fund L.P. (Harrier), a fund formed by the Company in April 2007, due in part to Harrier 's trading losses and difficulty in raising third-party capital for Harrier given the current market environment. The Company expects to reallocate approximately \$65 million of capital it has invested in Harrier to the Company 's credit swap business. The Company expects to incur total costs in the range of \$2 million to \$3 million in connection with Harrier 's discontinuation. These expected costs are comprised of severance costs of approximately \$0.3 million to \$0.5 million and certain technology related costs in the range of \$1.7 million to \$2.5 million. Total cash expenditures resulting from the discontinuance of operations are expected to be two-thirds of the charge or approximately \$1.3 million to \$2 million. The majority of these activities are expected to be completed during the quarter ending December 31, 2007.
