JOINT ANNUAL MEETING OF SHAREHOLDERS

JUNE 23, 2004

INTRODUCTION

This Joint Proxy Statement is furnished in connection with the solicitation by the respective Board of Trustees (the "Trustees" or the "Board") of each of the Van Kampen Closed-End Funds listed on Annex A to this Joint Proxy Statement (the "Funds") of proxies to be voted at a Joint Annual Meeting of Shareholders of the Funds, and all adjournments thereof (the "Meeting"), to be held at the offices of Van Kampen Investments Inc., 1 Parkview Plaza, Oakbrook Terrace, Illinois 60181-5555, on Wednesday, June 23, 2004, at 3:00 p.m. The Meeting will be an annual meeting for each Fund. The approximate mailing date of this Joint Proxy Statement and accompanying form of proxy is May 20, 2004.

Participating in the Meeting are holders of common shares of beneficial interest (the "Common Shares") and, where applicable, the holders of preferred shares of beneficial interest (the "Preferred Shares") of each of the Funds as set forth in Annex A to this Joint Proxy Statement. The Common Shares and the Preferred Shares of the Funds sometimes are referred to herein collectively as the "Shares." The Meeting is scheduled as a joint meeting of the shareholders of the Funds because the shareholders of the Funds are expected to consider and vote on similar matters. The Board of Trustees has determined that the use of a joint proxy statement for the Meeting is in the best interest of the shareholders of each of the Funds. In the event that a shareholder of any Fund present at the Meeting objects to the holding of a joint meeting and moves for an adjournment of the meeting of such Fund to a time immediately after the Meeting so that such Fund's meeting may be held separately, the persons named as proxies will vote in favor of the adjournment.

Annex A lists the abbreviated name and stock symbol by which the Funds sometimes are referred to in this Joint Proxy Statement. Please refer to Annex A for any questions you may have regarding whether your Fund is participating at the Meeting, defined terms relating to the Funds and abbreviated Fund names.

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

The Board has fixed the close of business on April 23, 2004 as the record date (the "Record Date") for the determination of holders of Shares of each Fund entitled to vote at the Meeting. The number of issued and outstanding Common Shares and, where applicable, Preferred Shares of each Fund as of the Record Date is shown in Annex B to this Joint Proxy Statement.

The following table summarizes the proposals to be presented at the Meeting for the Funds and the shareholders entitled to vote with respect to the proposals.

ANY SUCH REQUEST SHOULD BE DIRECTED TO THE RESPECTIVE FUND BY CALLING 1-800-341-2929 OR BY WRITING TO THE RESPECTIVE FUND AT 1 PARKVIEW PLAZA, PO BOX 5555, OAKBROOK TERRACE, ILLINOIS 60181-5555.

VOTING

Shareholders of a Fund on the Record Date are entitled to one vote per Share with respect to any proposal submitted to the shareholders of the Fund, with no Share having cumulative voting rights. The voting requirement for passage of a particular proposal depends on the nature of the proposal.

With respect to Proposal 1(a) through (d), holders of Common Shares and Preferred Shares, where applicable, will vote as separate classes for the respective nominee(s) to be elected by such class of Shares. The affirmative vote of a plurality

of the Common Shares of a Fund present at the Meeting in person or by proxy is required to elect each nominee for Trustee of such Fund designated to be elected by the holders of the Common Shares of such Fund. The affirmative vote of a plurality of the Preferred Shares of a Fund present at the Meeting in person or

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

by proxy is required to elect such nominee for trustee of such Fund designated to be elected by the holders of the Preferred Shares of such Fund. Election by plurality means those persons who receive the highest number of votes cast "FOR" up to the total number of persons to be elected as trustees at the Meeting shall be elected.

The Board of Trustees of each Fund recommends that you cast your vote:

- FOR ALL of the nominees for the Board of Trustees listed in the Joint Proxy Statement.

An unfavorable vote on a proposal by the shareholders of one Fund will not affect the implementation of such proposal by another Fund, if the proposal is approved by the shareholders of the other Fund. An unfavorable vote on a proposal by the shareholders of a Fund will not affect such Fund's implementation of other proposals that receive a favorable vote. There is no cumulative voting with respect to the election of Trustees.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon. Proxies received prior to the Meeting on which no vote is indicated will be voted "FOR" each proposal as to which they are entitled to be voted. Abstentions and broker non-votes (i.e., where a nominee such as a broker, holding shares for beneficial owners, indicates that instructions have not been received from the beneficial owners, and the nominee does not exercise discretionary authority) are not treated as votes "FOR" a proposal. With respect to Proposal 1(a) through (d), abstentions and broker non-votes are disregarded since only votes "FOR" are considered in a plurality voting requirement. A majority of the outstanding Shares of a Fund entitled to vote must be present in person or by proxy to have a quorum for such Fund to conduct business at the Meeting. Abstentions and broker non-votes will be deemed present for quorum purposes.

Shareholders who execute proxies may revoke them at any time before they are voted by filing with the respective Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date or by attending the Meeting and voting in person.

The Funds know of no business other than that mentioned in Proposal 1 of the Notice that will be presented for consideration at the Meeting. If any other matters are properly presented, it is the intention of the persons named on the enclosed proxy to vote proxies in accordance with their best judgment. In the event a quorum is present at the Meeting but sufficient votes to approve any of the proposals with respect to one or more Funds or proposals are not received, proxies (including abstentions and broker non-votes) would be voted in favor of one or more adjournments of the Meeting of the concerned Fund with respect to such proposal to permit further solicitation of proxies,

3

provided they determine that such an adjournment and additional solicitation is reasonable and in the interest of shareholders based on a consideration of all relevant factors, including the nature of the relevant proposal, the percentage of votes then cast, the percentage of negative votes then cast, the nature of the proposed solicitation activities and the nature of the reasons for such further solicitation.

INVESTMENT ADVISER

Van Kampen Asset Management serves as investment adviser to each Fund ("Asset Management" or the "Adviser"). On November 30, 2003, certain of the Funds' former investment adviser, Van Kampen Investment Advisory Corp., was merged with

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

and into its affiliate, Asset Management. The principal business address of the Adviser is 1221 Avenue of the Americas, New York, New York 10020. The Adviser is a wholly owned subsidiary of Van Kampen Investments Inc. ("Van Kampen"). Van Kampen is one of the nation's largest investment management companies, with more than \$87 billion in assets under management or supervision as of March 31, 2004. Van Kampen is a wholly owned subsidiary of Morgan Stanley.

The Adviser, certain affiliates of the Adviser, certain investment companies advised by the Adviser or its affiliates and certain Trustees are named as defendants in a number of recently filed, similar class action complaints. These complaints generally allege that defendants violated their statutory disclosure obligations and fiduciary duties by failing properly to disclose (i) that the Adviser and certain affiliates of the Adviser allegedly offered economic incentives to brokers and others to steer investors to the funds advised by the Adviser or its affiliates rather than funds managed by other companies, and (ii) that the funds advised by the Adviser or its affiliates allegedly paid excessive commissions to brokers in return for their alleged efforts to steer investors to these funds. The complaints seek, among other things, unspecified compensatory damages, rescissionary damages, fees and costs. The defendants intend to move to dismiss these actions and otherwise vigorously to defend them. While the defendants believe that they have meritorious defenses, the ultimate outcome of these matters is not presently determinable at this early stage of the litigation.

OTHER SERVICE PROVIDERS

Each Fund, except VBF, VIN, VKL, VMT, VKC, VIG, VLT and VIT, has entered into an administration agreement between such Fund and Van Kampen Funds Inc. (in such capacity, the "Administrator"). The Administrator's principal business address is 1221 Avenue of the Americas, New York, New York 10020. The Administrator is a wholly owned subsidiary of Van Kampen. With respect to VKS, the Administrator has engaged UBS Global Asset Management (US) Inc. (formerly Brinson Advisors, Inc.) to act as a sub-administrator (the "Sub-Administrator"). The Sub-Administrator's principal place of business is 51 West 52nd Street, New York, New York 10019. With respect to VKL, Asset Management and the Fund have entered into an administration

4

agreement with Princeton Administrators, L.P. ("Princeton") for the provision of certain administrative services. Princeton's principal place of business is 800 Scudders Mill Road, Plainsboro, New Jersey 08536. Each Fund, except VBF and VIN, has entered into an accounting services agreement with Asset Management and a legal services agreement with Van Kampen. Van Kampen's principal business address is 1221 Avenue of the Americas, New York, New York 10020. Each of VMT, VKC, VIG, VLT and VIT has also entered into a support services agreement with Van Kampen Funds Inc.

PROPOSAL 1: ELECTION OF TRUSTEES

Trustees are to be elected by the shareholders at the Meeting in the following manner:

(a) With respect to VIG, VNV, VKI, VKV, VOV, VCV, VPV, VMV, VKS and VOT, five Class II Trustees are to be elected at the Meeting, to serve until the later of each such Fund's Annual Meeting of Shareholders in 2007 or until a successor has been duly elected and qualified. Holders of Common Shares, voting as a separate class, will vote with respect to four Class II Trustees (J. Miles Branagan, Linda Hutton Heagy, Mitchell M. Merin and Wayne W. Whalen) designated to be elected by such class of shares. Holders of Preferred Shares, voting as a separate class, will

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

vote with respect to one Class II Trustee, Rod Dammeyer, designated to be elected by such class of shares. An affirmative vote of a plurality of the Common Shares of each such Fund and a plurality of the Preferred Shares of each such Fund, is required to elect the respective nominees. It is the intention of the persons named in the enclosed proxy to vote the Shares represented by them for the election of the respective nominees listed unless the proxy is marked otherwise.

(b) With respect to VGM, VTJ, VKA, VFM, VIM, VTN, VAP, VOQ, VIC, VTP, VKQ, VNM, VTF, VMO, VQC, VPQ, VLT, VIT, VMT and VKC, four Class III Trustees are to be elected at the Meeting, to serve until the later of each such Fund's Annual Meeting of Shareholders in 2007 or until a successor has been duly elected and qualified. Holders of Common Shares, voting as a separate class, will vote with respect to three Class III Trustees (R. Craig Kennedy, Jack E. Nelson and Richard F. Powers, III) designated to be elected by each such class of shares. Holders of Preferred Shares, voting as a separate class, will vote with respect to one Class III Trustee, Hugo F. Sonnenschein, designated to be elected by such class of shares. An affirmative vote of a plurality of the Common Shares of each such Fund and a plurality of the Preferred Shares of each such Fund is required to elect the respective nominees. It is the intention of the persons named in the enclosed proxy to vote the

5

Shares represented by them for the election of the respective nominees listed unless the proxy is marked otherwise.

(c) With respect to VKL and VIN, four Class I Trustees are to be elected at the Meeting by the holders of Common Shares to serve until the later of such Fund's Annual Meeting of Shareholders in 2007 or until their successors have been duly elected and qualified. Holders of Common Shares, voting as a separate class, will vote with respect to four Class I Trustees (David C. Arch, Jerry D. Choate, Howard J Kerr and Suzanne H. Woolsey) designated to be elected by such class of shares. An affirmative vote of a plurality of the Common Shares of each Fund is required to elect the respective nominees. It is the intention of the persons named in the enclosed proxy to vote the Shares represented by them for the election of the respective nominees listed unless the proxy is marked otherwise.

(d) With respect to VBF, four Class III Trustees are to be elected at the Meeting to serve until the later of the Fund's Annual Meeting of Shareholders in 2007 or until a successor has been duly elected and qualified. Holders of Common Shares, voting as a separate class, will vote with respect to four Class III Trustees (R. Craig Kennedy, Jack E. Nelson, Richard F. Powers, III and Hugo F. Sonnenschein) designated to be elected by such class of shares. An affirmative vote of a plurality of the Common Shares of the Fund is required to elect the nominee. It is the intention of the persons named in the enclosed proxy to vote the Shares represented by them for the election of the nominee listed unless the proxy is marked otherwise.

As in the past, only one class of trustees is being submitted to shareholders of each Fund for election at the Meeting. The Declaration of Trust of each Fund provides that the Board of Trustees shall consist of Trustees divided into three classes, the classes to be as nearly equal in number as possible. The Trustees of only one class are elected at each annual meeting so that the regular term of only one class of Trustees will expire annually and any particular Trustee stands for

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

election only once in each three-year period. This type of classification may prevent replacement of a majority of Trustees of a Fund for up to a two-year period. The foregoing is subject to the provisions of the Investment Company Act of 1940, as amended (the "1940 Act"), applicable state law based on the state of organization of each Fund, each Fund's Declaration of Trust and each Fund's Bylaws.

6

REMUNERATION OF TRUSTEES

The compensation of Trustees and executive officers that are affiliated persons (as defined in 1940 Act) of Asset Management or Van Kampen is paid by the respective entity. The funds in the Fund Complex, including the Funds, pay the non-affiliated Trustees an annual retainer and meeting fees.

Each fund in the Fund Complex (except the Van Kampen Exchange Fund) provides a deferred compensation plan to its non-affiliated Trustees that allows such Trustees to defer receipt of compensation and earn a return on such deferred amounts based upon the return of the common shares of the funds in the Fund Complex as selected by the respective non-affiliated Trustees. Each fund in the

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

Fund Complex (except the Van Kampen Exchange Fund) also provides a retirement plan to its non-affiliated Trustees that provides non-affiliated Trustees with compensation after retirement, provided that certain eligibility requirements are met as more fully described below.

Each non-affiliated Trustee generally can elect to defer receipt of all or a portion of the compensation earned by such non-affiliated Trustee until retirement. Amounts deferred are retained by the respective fund and earn a rate of return determined by reference to the return on the common shares of such fund or other funds in the Fund Complex as selected by the respective non-affiliated Trustee, with the same economic effect as if such non-affiliated Trustee had invested in one or more funds in the Fund Complex, including the Funds. To the extent permitted by the 1940 Act, each Fund may invest in securities of those funds selected by the non-affiliated Trustees in order to match the deferred compensation obligation. The deferred compensation plan is not funded and obligations thereunder represent general unsecured claims against the general assets of the respective Fund.

Each Fund has adopted a retirement plan. Under the retirement plan, a non-affiliated Trustee who is receiving Trustee's compensation from a Fund prior to such non-affiliated Trustee's retirement, has at least 10 years of service (including years of service prior to adoption of the retirement plan) for such Fund and retires at or after attaining the age of 60, is eligible to receive a retirement benefit each year for ten years following such Trustee's retirement from such Fund. Non-affiliated Trustees retiring prior to the age of 60 or with fewer than 10 years but more than 5 years of service may receive reduced retirement benefits from a Fund. Each Trustee has served as a member of each Fund's Board of Trustees since the year of such Trustee's appointment or election as set forth on Annex C to this Proxy Statement.

16

Additional information regarding compensation and benefits for Trustees is set forth below. As indicated in the notes accompanying the table, the amounts relate to either the respective Fund's most recently completed fiscal year end in 2003 or the Fund Complex's most recently completed calendar year ended December 31, 2003.

- (1) Trustees not eligible for compensation and retirement benefits are not included in the Compensation Table. Theodore A. Myers retired from the Board of Trustees of the Fund and other funds in the Fund Complex as of December 31, 2003.

- (2) The amount of aggregate compensation payable by each Fund for its most recently completed fiscal year ended in 2003 before deferral by the Trustees under the deferred compensation plan is shown in Annex D. Certain Trustees deferred all or a portion of the aggregate compensation payable by each Fund for its most recently completed fiscal year end in 2003 as shown in Annex E. The deferred compensation plan is described above the table. Amounts deferred are retained by the respective Fund and earn a rate of return determined by reference to either the return on the Common Shares of the Fund or the common shares of other funds in the Fund Complex as selected by the respective Trustee. To the extent permitted by the 1940 Act, the Fund may invest in securities of these funds selected by the Trustees in order to match the deferred compensation obligation. The cumulative deferred compensation (including earnings accrued thereon for each trustee) for each Fund as of the end of its most recently completed fiscal year end in 2003 is shown in Annex F.

- (3) The amounts shown in this column represent the sum of the estimated pension or retirement benefit accruals expected to be accrued by the operating funds in the Fund Complex for their respective fiscal years ended in 2003. The retirement plan is described above the compensation table. In 2003, the boards of the various Van Kampen-related funds in the Fund Complex were combined. Prior to 2003, only Messrs. Whalen and Powers served as trustees/directors/managing general partners of all the various Van Kampen-related funds in the Fund Complex; and during 2003, other trustees/directors/managing general partners were being elected or appointed, as appropriate, to most of the respective boards of the underlying Van Kampen-related funds. The amounts in this column represent amounts for each Trustee based on funds he/she oversaw for the period mentioned above; and thus it is anticipated that the amounts will

17

increase in future compensation tables based on the increased number of funds overseen by such trustees going forward.

- (4) For each Trustee, the amounts shown in this column represent the sum of the estimated annual benefits upon retirement payable per year by the current operating funds in the Fund Complex for each year of the 10-year period commencing in the year of such Trustee's anticipated retirement. Each Fund is expected to pay benefits each year of the 10-year period commencing in the year of such Trustee's retirement to those Trustees who retire at or over the age of 60 and with at least ten years of service to each Fund. The retirement plan is described above the compensation table.

- (5) The amounts shown in this column are accumulated from the aggregate compensation of the operating investment companies in the Fund Complex for the calendar year ended December 31, 2003 before deferral by the Trustees under the deferred compensation plan. Because the funds in the Fund Complex

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

have different fiscal year ends, the amounts shown in this column are presented on a calendar year basis. In 2003, the boards of the various Van Kampen-related funds in the Fund Complex were combined. Prior to 2003, only Messrs. Whalen and Powers served as trustees/directors/managing general partners of all of the various Van Kampen-related funds in the Fund Complex; and during 2003, other trustees/directors/managing general partners were being elected or appointed, as appropriate, to most of the respective boards of the underlying Van Kampen-related funds. The amounts in this column represent amounts for each Trustee based on funds he/she oversaw for the period mentioned above; and thus it is anticipated that the amounts will increase in future compensation tables based on the increased number of funds overseen by such Trustees going forward.

BOARD COMMITTEES AND MEETINGS

Each Fund's Board of Trustees has three standing committees (an audit committee, a brokerage and services committee and a governance committee). Each committee is comprised solely of "Independent Trustees", which is defined for purposes herein as trustees who: (1) are not "interested persons" of the Fund as defined by the 1940 Act and (2) are "independent" of the respective Fund as defined by the New York Stock Exchange, American Stock Exchange and Chicago Stock Exchange listing standards.

Each Board's audit committee consists of J. Miles Branagan, Jerry D. Choate and R. Craig Kennedy. In addition to being Independent Trustees as defined above, each of these Trustees also meets the additional independence requirements for audit committee members as defined by the New York Stock Exchange, American Stock Exchange and Chicago Stock Exchange listing standards. The audit committee makes recommendations to the Board of Trustees concerning the selection of each Fund's independent public auditors, reviews with such auditors the scope and results of each Fund's annual audit and considers any comments which the auditors may have regarding each Fund's financial statements, books of account or internal controls. Each Board of Trustees has adopted a formal written charter for the audit committee which sets forth the audit committee's responsibilities. The audit committee has reviewed and discussed the financial statements of each Fund with management as well as with the independent auditors of each Fund, and discussed with the independent auditors the matters required to be discussed under the Statement of Auditing Standards No. 61. The audit committee has received the written disclosures and the letter from the independent auditors required under

18

Independence Standard Board Standard No. 1 and has discussed with the independent auditors their independence. Based on this review, the audit committee recommended to the Board of Trustees of each Fund that each Fund's audited financial statements be included in each Fund's annual report to shareholders for the most recent fiscal year for filing with the Securities and Exchange Commission ("SEC").

In accordance with proxy rules promulgated by the SEC, a fund's audit committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The audit committee charter for each of the Funds is attached as Annex K to this Proxy Statement.

Each Board's brokerage and services committee consists of Linda Hutton Heagy, Hugo F. Sonnenschein and Suzanne H. Woolsey. The brokerage and services committee reviews each Fund's allocation of brokerage transactions and soft-dollar practices and reviews the transfer agency and shareholder servicing arrangements with Van Kampen Investor Services.

Each Board's governance committee consists of David C. Arch, Rod Dammeyer,

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

Howard J Kerr and Jack E. Nelson. In addition to being Independent Trustees as defined above, each of these Trustees also meets the additional independence requirements for nominating committee members as defined by the New York Stock Exchange, American Stock Exchange and Chicago Stock Exchange listing standards. The governance committee identifies individuals qualified to serve as Independent Trustees on the Board and on committees of the Board, advises the Board with respect to Board composition, procedures and committees, develops and recommends to the Board a set of corporate governance principles applicable to the respective Fund, monitors corporate governance matters and makes recommendations to the Board, and acts as the administrative committee with respect to Board policies and procedures, committee policies and procedures and codes of ethics. The Independent Trustees of the respective Fund select and nominate any other nominee Independent Trustees for the respective Fund. While the Independent Trustees of the respective Fund expect to be able to continue to identify from their own resources an ample number of qualified candidates for the Board of Trustees as they deem appropriate, they will consider nominations from shareholders to the Board. Nominations from shareholders should be in writing and sent to the Independent Trustees as described below.

In accordance with proxy rules promulgated by the SEC, a fund's nominating committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The governance committee charter for each of the Funds, which includes each Fund's nominating policies, is attached as Annex L to this Proxy Statement.

20

SHAREHOLDER APPROVAL

SHAREHOLDER INFORMATION

As of April 23, 2004, to the knowledge of the Funds, no shareholder owned beneficially more than 5% of a class of a Fund's outstanding Shares. As of May 13, 2004, certain Trustees and executive officers owned, directly or beneficially, the number of Common Shares of each Fund as set forth in Annex G. Except as indicated on Annex G, as of May 13, 2004, the Trustees and executive officers of the Funds individually and as a group owned less than 1% of the outstanding Shares of each Fund. Trustees and executive officers who do not own any Common Shares of the Funds or Funds which are not owned by any Trustee or executive officers have been omitted from the table in Annex G. As of May 13, 2004, no Trustees or executive officers owned any Preferred Shares of the Funds. Excluding deferred compensation balances as described in the Compensation Table, as of May 13, 2004, each Trustee beneficially owned equity securities of the Funds and other funds in the Fund Complex overseen by the Trustees in the dollar range amounts as specified in Annex H. Including deferred compensation balances as described in the Compensation Table, as of May 13, 2004, each Trustee owned the dollar ranges of amounts of the Funds and other funds in the Fund Complex as specified in Annex I.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 30(f) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934, as amended, require each of the Funds' Trustees, officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of the Fund's equity securities to file forms with the SEC and the New York Stock Exchange or American Stock Exchange, as applicable, reporting their affiliation with the Fund and reports of ownership and changes in ownership of Fund Shares. These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file. Based on a review of these forms furnished to each Fund, each Fund believes that during its last fiscal year, its Trustees, officers, Adviser and affiliated persons of the Adviser complied with the applicable filing requirements except that, due to clerical errors, Messrs. Dammeyer's and Whalen's Form 4 filings, each regarding a sales transaction of VQC, were not filed in a timely manner.

INDEPENDENT AUDITORS

The Board of Trustees of each Fund, including a majority of the Trustees who are not "interested persons" of each Fund (as defined by the 1940 Act), has selected Deloitte & Touche LLP ("D&T") as the independent auditors to examine the financial statements for the current fiscal year of each Fund. The selection of D&T for the current fiscal year was recommended and approved by each Fund's audit committee and approved by each Fund's Board. Each of the Funds knows of no direct or indirect financial interest of D&T in such Fund.

24

AUDIT AND OTHER FEES

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

Each Fund and certain "covered entities" were billed the amounts listed on Annex J by D&T during such Fund's most recent two fiscal years.

The audit committee of each Board has considered whether the provision of non-audit services performed by D&T to the Funds and "covered entities" is compatible with maintaining D&T's independence in performing audit services. Beginning with non-audit service contracts entered into on or after May 6, 2003, the audit committee also is required to pre-approve services to "covered entities" to the extent that the services are determined to have a direct impact on the operations or financial reporting of the Funds. 100% of such services were pre-approved by the audit committee pursuant to the audit committee's pre-approval policies and procedures. The Board's pre-approval policies and procedures are included as part of the Board's audit committee charter, which is attached to this Proxy Statement as Annex K.

Representatives of D&T will attend the Meeting, will have the opportunity to make a statement if they desire to do so and will be available to answer appropriate questions.

EXPENSES

The expenses of preparing, printing and mailing the enclosed form of proxy, the accompanying Notice and this Proxy Statement and all other costs, in connection with the solicitation of proxies will be borne by the Funds. The total amount of these expenses will be allocated among each of the Funds based upon the total number of shareholders for each Fund in relation to the total number of shareholders for all of the Funds participating in the Meeting. The Funds will also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of the Funds. In order to obtain the necessary quorum at the Meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Funds, the Adviser or Van Kampen, by the transfer agents of the Funds, by dealers or their representatives or by ALAMO direct Mail Services, Inc., a solicitation firm located in Hauppauge, New York that has been engaged to assist in proxy solicitation at an estimated cost of approximately \$1,500 per Fund.

SHAREHOLDER PROPOSALS

To be considered for presentation at a shareholders' meeting, rules promulgated by the SEC generally require that, among other things, a shareholder's proposal must be received at the offices of the relevant Fund a reasonable time before a solicitation is made. Shareholder proposals intended to be presented at the year 2005 Annual Meeting of Shareholders for a Fund pursuant to Rule 14a-8 under the

Timely submission of a proposal does not necessarily mean that such proposal will be included. JOINT AUDIT COMMITTEE CHARTER

OF THE

VAN KAMPEN FUNDS

AS ADOPTED ON JULY 23, 2003(1)

- (1) This Joint Audit Committee Charter, adopted as of the date above, supercedes and replaces all prior versions that may have been adopted from time to time.

1. MISSION STATEMENT

The Audit Committee (the "Audit Committee") is a committee of the Board of Trustees/Directors/Managing General Partners (referred to herein as the "Trustees" and collectively as the "Board") of each Van Kampen Fund (each a "Fund").(2) The purpose of the Audit Committee is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control over financial reporting and legal compliance functions of the Funds, including, without limitation; (a) assisting the Board's oversight of (i) the integrity of the Fund's financial statements, (ii) the Fund's compliance with legal and regulatory requirements, (iii) the qualifications, independence and performance of the Fund's independent auditors (the "Independent Auditors") and (iv) the performance of the Fund's internal audit function, and (b) making the statement by the Audit Committee pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Fund's annual proxy statement, if any.

2. COMPOSITION

The Audit Committee shall be comprised of three or more Trustees of the Board. Audit Committee members shall be designated by the full Board, and the manner of selection of the Audit Committee chair shall also be designated by the full Board.

The duties and responsibilities of an Audit Committee member shall be in addition to those duties set out for a member of the Board. Audit Committee members shall undertake this commitment with the understanding that they are assuming additional responsibilities to prepare for, attend and actively participate in Audit Committee meetings. This may require members to undertake training covering their financial oversight responsibilities.

Each member of the Audit Committee shall be qualified to serve on the Audit Committee pursuant to the requirements of the Sarbanes-Oxley Act of 2002 (the "Act") and the rules and regulations promulgated by the SEC pursuant to the Act and any requirements and rules of the New York Stock Exchange (the "NYSE"), the American Stock Exchange (the "AMEX") and/or the Chicago Stock Exchange ("CHX") as applicable to the Fund. Each member of the Audit Committee shall be "independent" as defined by the Act and any rules and regulations

- (2) This Joint Audit Committee Charter has been adopted by each Fund. Solely for the sake of clarity and simplicity, this Joint Audit Committee Charter has been drafted as if there is a single Fund, a single Audit Committee and a single Board. The terms "Audit Committee," "Trustees" and "Board" mean the

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

Audit Committee, Trustees and the Board of each Fund, respectively, unless the context otherwise requires. The Audit Committee, Trustees and the Board of each Fund, however, shall act separately and in the best interests of its respective Fund.

K-2

promulgated by the SEC pursuant to the Act and any requirements and rules of the NYSE, AMEX and/or CHX as applicable to the Fund.

According to the rules and regulations promulgated by the SEC pursuant to the Act, a member is independent (an "Independent Trustee") if he or she, other than in his or her capacity as a member of the Board, the Audit Committee or any other board committee, (a) does not accept directly or indirectly any consulting, advisory or other compensatory fee from the Fund, other than receipt of Trustee's fees (including additional amounts, if any, paid to chairs of committees and committee members) and any pension or other forms of deferred compensation from the Fund for prior service, so long as such compensation is not contingent in any way on continued service, and (b) is not an "interested person" of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act"). [The requirements of the NYSE, AMEX and CHX are set forth in Appendix A hereto.]

Each member of the Audit Committee must be "financially literate" as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee. In addition, at least one member of the Audit Committee must have "accounting or related financial management expertise" as the Board interprets such qualification in its business judgment. Further, either (a) at least one member of the Audit Committee must be determined to be an "audit committee financial expert" (as such term is defined in the rules and regulations promulgated by the SEC pursuant to the Act) by the Board, or (b) if no member of the Audit Committee is an "audit committee financial expert," such fact must be disclosed in the Fund's annual report filed with the SEC. The Audit Committee shall recommend to the Board whether one or more of its members should be deemed to be an "audit committee financial expert" or, if not, why not, and the Board shall make the final determinations in this regard.

No Trustee may serve as a member of the Audit Committee if such Trustee serves on the audit committee of more than two other public issuers, unless the Board determines that such simultaneous service would not impair the ability of such Trustee to serve effectively on the Audit Committee. Any such determination must be disclosed in the Fund's annual proxy statement, if any.

3. MEETINGS OF THE AUDIT COMMITTEE

The Audit Committee shall fix its own rules of procedure, which shall be consistent with the Fund's organizational documents and this Joint Audit Committee Charter. The Audit Committee shall meet on a regular basis and special meetings may be called as circumstances require. The Audit Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary. The Audit

K-3

Committee shall meet separately on a periodic basis with (a) the principal financial officer of the Fund and persons assisting with the preparation of the Fund's financial statements, (b) the internal auditors (or personnel responsible for the Fund's internal audit function) and (c) the Independent Auditors, in each case to discuss any matters that the Audit Committee or any of the above persons or firms believe should be discussed privately.

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

The Audit Committee shall cause to be maintained minutes of all meetings and records relating to those meetings and provide copies of such minutes to the Board and the Fund.

4. AUTHORITY

5. DUTIES AND RESPONSIBILITIES OF THE AUDIT COMMITTEE

In carrying out its duties and responsibilities, the Audit Committee's policies and procedures will remain flexible, so that it may be in a position to react or respond to changing circumstances or conditions. The following are the duties and responsibilities of the Audit Committee:

a. Oversight of the Auditor's Engagement/Independence

K-4

ongoing services to the Fund; but in the case of the services described in subsection (B)(1) or (2), only if the engagement relates directly to the operations and financial reporting of the Fund (clauses (A) and (B), collectively, the "Covered Services" and the entities referred to in clause (B), collectively, the "Covered Entities"); provided that pre-approval by the Audit Committee of Covered Services be effected pursuant to the procedures described below in Section VI captioned "PRE-APPROVAL PROCEDURES"; and provided that this Joint Audit Committee Charter shall not be violated if pre-approval of any non-audit Covered Service is not obtained in circumstances in which the pre-approval requirement is waived under rules promulgated by the SEC under the Act or the NYSE or Amex listing standards.

- (4) the Funds' exposure to risk, as well as the Funds' major financial risk exposures and steps to control such exposures;

- (8) for securities valued at "fair value" as determined in good faith under procedures established by the Board, inquire as to Independent Auditors' conclusions as to the reasonableness of the "fair value" procedures, management's adherence to such procedures, and the adequacy of supporting documentation for any valuation offered under the procedures;

Internal Revenue Code) and their effect on amounts distributed and reported to shareholders for Federal tax purposes;

- (10) review with counsel legal and regulatory matters that may have a material effect on the Funds' financial statements, related compliance policies and programs, and any reports received from regulators; and
 - (11) the effect of regulatory, accounting and financial reporting initiatives on the financial statements of the Fund.
- iv. Review on a regular basis with the Independent Auditors any problems or difficulties encountered by the Independent Auditors in the course of any audit work, including management's response with respect thereto, any restrictions on the scope of the Independent Auditors' activities or on access to requested information, and any significant disagreements with management. presentation to be made) and need not precede each earnings release or earnings guidance.

e. Miscellaneous

- i. Perform an annual performance evaluation of the Audit Committee, which evaluation shall compare the performance of the Audit Committee with the requirements of this Joint Audit Committee Charter and consider the goals and objectives of the Audit Committee for the upcoming year. The performance evaluation by the Audit Committee shall be conducted in such manner as the Audit Committee deems appropriate;
- ii. Report regularly to the Board on its activities, as appropriate; and
- iii. Perform such additional activities, and consider such other matters, within the scope of its duties and responsibilities, as the Audit Committee or the Board deems necessary or appropriate.

The Audit Committee, in its discretion, may elect to delegate to one or more of its members authority to pre-approve non-audit services to the Fund and Covered Services between regularly scheduled meetings of the Audit Committee. Any such pre-approval decision must be presented to the Committee at its next scheduled meeting. The Audit Committee shall review and approve its pre-approval procedures at least annually. The pre-approval procedures in effect from time-to-time shall be attached to this Joint Audit Committee Charter as Appendix B.

7. REPORTING

The Audit Committee shall report its activities to the Board on a regular basis, so that the Board is kept informed of its activities on a current basis. In connection therewith, the Audit Committee will review with the Board any issues that arise with respect to the quality or integrity of the Fund's financial statements, the Fund's compliance with legal or regulatory requirements, the performance and independence of the Independent Auditors, or the performance of the Fund's internal audit function. In particular, the Audit Committee will also report to the Board its conclusions or recommendations with respect to matters the Audit Committee

JOINT AUDIT COMMITTEE
AUDIT AND NON-AUDIT SERVICES
PRE-APPROVAL POLICY AND PROCEDURES

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

OF THE VAN KAMPEN FUNDS

AS ADOPTED JULY 23, 2003(1)

1. STATEMENT OF PRINCIPLES

The Audit Committee of the Board is required to review and, in its sole discretion, pre-approve all Covered Services to be provided by the Independent Auditors to the Fund and Covered Entities in order to assure that services performed by the Independent Auditors do not impair the auditor's independence from the Fund.(2)

The SEC has issued rules specifying the types of services that an independent auditor may not provide to its audit client, as well as the audit committee's administration of the engagement of the independent auditor. The SEC's rules establish two different approaches to pre-approving services, which the SEC considers to be equally valid. Proposed services either: may be pre-approved without consideration of specific case-by-case services by the Audit Committee ("general pre-approval"); or require the specific pre-approval of the Audit Committee ("specific pre-approval"). The Audit Committee believes that the combination of these two approaches in this Policy will result in an effective and efficient procedure to preapprove services performed by the Independent Auditors. As set forth in this Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee (or by any member of the Audit Committee to which pre-approval authority has been delegated) if it is to be provided by the Independent Auditors. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence. The Audit Committee will also consider whether the Independent Auditors are best positioned to provide the most effective and efficient services, for reasons such as its familiarity with the Fund's business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Fund's ability to manage or

- (1) This Joint Audit Committee Audit and Non-Audit Services Pre-Approval Policy and Procedures (the "Policy"), adopted as of the date above, supercedes and replaces all prior versions that may have been adopted from time to time.
- (2) Terms used in this Policy and not otherwise defined herein shall have the meanings as defined in the Joint Audit Committee Charter.

K-13

control risk or improve audit quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative.

The Audit Committee is also mindful of the relationship between fees for audit and nonaudit services in deciding whether to pre-approve any such services and may determine for each fiscal year, the appropriate ratio between the total amount of fees for Audit, Audit-related and Tax services for the Fund (including any Audit-related or Tax service fees for Covered Entities that were subject to pre-approval), and the total amount of fees for certain permissible non-audit services classified as All Other services for the Fund (including any such services for Covered Entities subject to pre-approval).

The appendices to this Policy describe the Audit, Audit-related, Tax and All Other services that have the general pre-approval of the Audit Committee. The

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers and provides a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the Independent Auditors without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add to or subtract from the list of general pre-approved services from time to time, based on subsequent determinations.

The purpose of this Policy is to set forth the policy and procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the Independent Auditors to management.

The Fund's Independent Auditors have reviewed this Policy and believes that implementation of the Policy will not adversely affect the Independent Auditors' independence.

2. DELEGATION

As provided in the Act and the SEC's rules, the Audit Committee may delegate either type of pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

3. AUDIT SERVICES

The annual Audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. Audit services include the annual financial statement audit and other procedures required to be performed by the Independent Auditors to be able to form an opinion on the Fund's financial statements. These other procedures include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal

K-14

control, and consultations relating to the audit. The Audit Committee will monitor the Audit services engagement as necessary, but no less than on a quarterly basis, and will also approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Fund structure or other items.

In addition to the annual Audit services engagement approved by the Audit Committee, the Audit Committee may grant general pre-approval to other Audit services, which are those services that only the Independent Auditors reasonably can provide. Other Audit services may include statutory audits and services associated with SEC registration statements (on Forms N-1 A, N-2, N-3, N-4, etc.), periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings.

The Audit Committee has pre-approved the Audit services in Appendix B.1. All other Audit services not listed in Appendix B.1 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

4. AUDIT-RELATED SERVICES

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements or, to the extent they are Covered Services, the Covered Entities' financial statements, or that are traditionally performed by the Independent

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

Auditors. Because the Audit Committee believes that the provision of Audit-related services does not impair the independence of the auditor and is consistent with the SEC's rules on auditor independence, the Audit Committee may grant general pre-approval to Audit-related services. Audit-related services include, among others, accounting consultations related to accounting, financial reporting or disclosure matters not classified as "Audit services"; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters; and assistance with internal control reporting requirements under Forms N-SAR and/or N-CSR.

The Audit Committee has pre-approved the Audit-related services in Appendix B.2. All other Audit-related services not listed in Appendix B.2 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

5. TAX SERVICES

The Audit Committee believes that the Independent Auditors can provide Tax services to the Fund and, to the extent they are Covered Services, the Covered

K-15

Entities, such as tax compliance, tax planning and tax advice without impairing the auditor's independence, and the SEC has stated that the Independent Auditors may provide such services. Hence, the Audit Committee believes it may grant general pre-approval to those Tax services that have historically been provided by the Independent Auditors, that the Audit Committee has reviewed and believes would not impair the independence of the Independent Auditors, and that are consistent with the SEC's rules on auditor independence. The Audit Committee will not permit the retention of the Independent Auditors in connection with a transaction initially recommended by the Independent Auditors, the sole business purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations. The Audit Committee will consult with Director of Tax or outside counsel to determine that the tax planning and reporting positions are consistent with this policy.

Pursuant to the preceding paragraph, the Audit Committee has pre-approved the Tax Services in Appendix B.3. All Tax services involving large and complex transactions not listed in Appendix B.3 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated), including tax services proposed to be provided by the Independent Auditors to any executive officer or trustee/director/managing general partner of the Fund, in his or her individual capacity, where such services are paid for by the Fund (generally applicable only to internally managed investment companies).

6. ALL OTHER SERVICES

The Audit Committee believes, based on the SEC's rules prohibiting the Independent Auditors from providing specific non-audit services, that other types of non-audit services are permitted. Accordingly, the Audit Committee believes it may grant general pre-approval to those permissible non-audit services classified as All Other services that it believes are routine and recurring services, would not impair the independence of the auditor and are consistent with the SEC's rules on auditor independence.

The Audit Committee has pre-approved the All Other services in Appendix 13.4. Permissible All Other services not listed in Appendix B.4 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

which pre-approval has been delegated).

A list of the SEC's prohibited non-audit services is attached to this policy as Appendix B.5. The SEC's rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

K-16

7. PRE-APPROVAL FEE LEVELS OR BUDGETED AMOUNTS

Pre-approval fee levels or budgeted amounts for all services to be provided by the Independent Auditors will be established annually by the Audit Committee. Any proposed services exceeding these levels or amounts will require specific pre-approval by the Audit Committee. The Audit Committee is mindful of the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services. For each fiscal year, the Audit Committee may determine the appropriate ratio between the total amount of fees for Audit, Audit-related, and Tax services for the Fund (including any Audit-related or Tax services fees for Covered Entities subject to pre-approval), and the total amount of fees for certain permissible non-audit services classified as All Other services for the Fund (including any such services for Covered Entities subject to pre-approval).

8. PROCEDURES

All requests or applications for services to be provided by the Independent Auditors that do not require specific approval by the Audit Committee will be submitted to the Fund's Chief Financial Officer and must include a detailed description of the services to be rendered. The Fund's Chief Financial Officer will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the Independent Auditors. Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the Independent Auditors and the Fund's Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has designated the Fund's Chief Financial Officer to monitor the performance of all services provided by the Independent Auditors and to determine whether such services are in compliance with this Policy. The Fund's Chief Financial Officer will report to the Audit Committee on a periodic basis on the results of its monitoring. A sample report is included as Appendix B.7. Both the Fund's Chief Financial Officer and management will immediately report to the chairman of the Audit Committee any breach of this Policy that comes to the attention of the Fund's Chief Financial Officer or any member of management.

9. ADDITIONAL REQUIREMENTS

The Audit Committee has determined to take additional measures on an annual basis to meet its responsibility to oversee the work of the Independent Auditors and to assure the auditor's independence from the Fund, such as reviewing a formal written statement from the Independent Auditors delineating all relationships between the Independent Auditors and the Fund, consistent with Independence

K-17

Edgar Filing: VAN KAMPEN HIGH INCOME TRUST - Form DEF 14A

Standards Board No. 1, and discussing with the Independent Auditors its methods and procedures for ensuring independence.

10. COVERED ENTITIES

Covered Entities include the Fund's investment adviser(s) and any entity controlling, controlled by or under common control with the Fund's investment adviser(s) that provides ongoing services to the Fund(s). Beginning with non-audit service contracts entered into on or after May 6, 2003, the Fund's audit committee must pre-approve non-audit services provided not only to the Fund but also to the Covered Entities if the engagements relate directly to the operations and financial reporting of the Fund. This list of Covered Entities would include:

- Van Kampen Investments, Inc.
- Van Kampen Investment Advisory Corporation
- Van Kampen Asset Management Inc.
- Van Kampen Advisors Inc.
- Van Kampen Funds Inc.
- Van Kampen Trust Company
- Van Kampen Investor Services Inc.

2. COMPOSITION

The Governance Committee shall be comprised of three or more Trustees of the Board. Governance Committee members shall be designated by the full Board, and the manner of selection of the Governance Committee chair shall also be designated by the full Board.

Members of the Committee shall also qualify as "non-employee directors" within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended, and "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, and shall satisfy any other necessary standards of independence under applicable laws or regulations.

- (1) This Joint Governance Committee Charter has been adopted by each Fund. Solely for the sake of clarity and simplicity, this Joint Governance Committee Charter has been drafted as if there is a single Fund, a single Governance Committee and a single Board. The terms "Governance Committee," "Trustees" and "Board" mean the Governance Committee, Trustees and the Board of each Fund, respectively, unless the context otherwise requires. The Governance Committee, Trustees and the Board of each Fund, however, shall act separately and in the best interests of its respective Fund.

3. MEETINGS OF THE GOVERNANCE COMMITTEE

L-3
