PROXY STATEMENT

The board of directors of International Game Technology (IGT) is soliciting the enclosed proxy for use at our annual meeting of shareholders to be held on Tuesday, March 1, 2005, at 1:30 p.m., local time, or at any adjournments of the meeting. This proxy statement and the accompanying Notice of Annual Meeting of Shareholders describe the purposes of the annual meeting. The annual meeting will be held at our headquarters at 9295 Prototype Drive in Reno, Nevada. A map with directions to our headquarters is included with this proxy statement. These proxy solicitation materials were mailed on or about January 21, 2005 to all shareholders entitled to vote at the annual meeting.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Q: What am I being asked to vote on?

- A: (1) The election of nominees to serve on our board of directors;
- (2) An amendment to the International Game Technology 2002 Stock Incentive Plan to increase by 9,000,000 the number of shares of common stock authorized to be issued under the plan and make other amendments to the plan described in this proxy statement; and
- (3) The ratification of the appointment of Deloitte & Touche LLP as our independent auditors for our fiscal year ending September 30, 2005.

Q: How does the board recommend I vote on these proposals?

- A: Our board of directors recommends a vote FOR each of the nominees for director, FOR the amendment to the International Game Technology 2002 Stock Incentive Plan, and FOR the ratification of Deloitte & Touche LLP as our independent auditors.

Q: Who is entitled to vote?

- A: The record date for the annual meeting is January 6, 2005. Shareholders of record as of the close of business on that date are entitled to vote at the annual meeting.

Q: How do I vote?

- A: If you are the record holder of your shares, you may sign and date the enclosed proxy card and return it in the pre-paid envelope, vote via the internet or by telephone following the instructions included below and with your proxy card, or attend and vote at the annual meeting in person.

Q: What if my shares are held by a broker?

A: If your shares are held by your broker as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to discretionary items, but not with respect to non-discretionary items. Discretionary items are proposals considered routine

Table of Contents

under the rules of the New York Stock Exchange (NYSE) on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes. The proposals discussed in this proxy statement, other than the proposal to amend the International Game Technology 2002 Stock Incentive Plan, are considered routine and therefore may be voted upon by your broker if you do not give instructions to your broker.

Q: How can I vote by telephone or the internet?

A: If you are the record holder of your shares, you may grant a proxy to vote your shares at the annual meeting by telephone, by calling (866) 593-3362 and following the simple recorded instructions, twenty-four hours a day, seven days a week, at any time prior to 11:59 p.m. Eastern Time the day before the annual meeting. Alternatively, you may vote via the internet at any time prior to 11:59 p.m. Eastern Time the day before the annual meeting, by going to <https://www.proxyvotenow.com/IGT> and following the instructions to create an electronic ballot. If you vote by telephone or the internet, you will be required to provide the control number contained on your proxy card. If your shares are held in street name, your proxy card may contain instructions from your broker that allow you to vote your shares using the internet or by telephone; please consult with your broker if you have any questions regarding the electronic voting of shares held in street name. The granting of proxies electronically is allowed by Subsection 2(b) of Section 78.355 of the Nevada General Corporation Law.

Q: Can I revoke my proxy later?

A: Yes. You have the right to revoke your proxy at any time before the annual meeting by:

- (1) voting electronically via the internet or by telephone on a subsequent date prior to 11:59 p.m. Eastern Time the day before the annual meeting,
- (2) delivering a signed revocation or a subsequently dated, signed proxy card to the Secretary of IGT before the annual meeting, or
- (3) attending the annual meeting and voting in person.

However, if you have voted electronically or delivered a valid proxy, your mere presence at the annual meeting will not, by itself, revoke that proxy.

Q: How many shares can vote?

A: As of the close of business on the record date of January 6, 2005, 346,980,606 shares of common stock were issued and outstanding. We have no other class of voting securities outstanding. Each share of common stock entitles its holder to one vote.

Q: How is a quorum determined?

A: Our bylaws provide that 33-1/3% of the shareholders entitled to vote, represented in person or by proxy, constitute a quorum at a meeting of the shareholders. For the purposes of determining a quorum, shares held by brokers or nominees will be treated as present even if the broker or nominee does not have discretionary power to vote on a particular matter or if instructions were never received

from the beneficial owner. Abstentions will be counted as present for quorum purposes.

Q: What is required to approve each proposal?

A: Once a quorum has been established, directors are elected by a plurality of the votes cast by holders of shares entitled to vote at the annual meeting. This means that the individuals who receive the largest number of votes are selected as directors up to the maximum number of directors to be elected at the meeting.

Table of Contents

To approve the amendments to the International Game Technology 2002 Stock Incentive Plan, holders of a majority of the shares represented at the annual meeting, either in person or by proxy, must vote in favor of the proposal.

To approve the ratification of Deloitte & Touche LLP as our independent auditors, holders of a majority of the shares represented at the annual meeting, either in person or by proxy, must vote in favor of the proposal.

If a broker indicates on its proxy that it does not have discretionary authority to vote on a particular matter, we will treat the affected shares as not present and entitled to vote with respect to that matter, even though the same shares may be considered present for quorum purposes and may be entitled to vote on other matters.

Q: What happens if I abstain?

A: We will count proxies marked `abstain` as shares present for the purpose of determining the presence of a quorum, but for purposes of determining the outcome of the proposal, the shares represented by these proxies will not be treated as affirmative votes. In other words, abstentions are treated as votes cast against the proposal.

Q: How will my shares be voted if I return a blank proxy card?

A: If you sign and send in your proxy card and do not indicate how you want to vote, we will count your proxy as a vote FOR each of the director nominees named in this proxy statement, FOR approval of the amendment to the International Game Technology 2002 Stock Incentive Plan and FOR the ratification of Deloitte & Touche LLP as our independent auditors. If a broker or nominee who does not have discretion to vote has delivered a proxy but has failed to physically indicate on the proxy card that broker's lack of authority to vote, we will treat the shares as present and count the shares as votes FOR each of the director nominees named in this proxy statement, FOR approval of the amendment to the International Game Technology 2002 Stock Incentive Plan and FOR the ratification of Deloitte & Touche LLP as our independent auditors.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the annual meeting other than the proposals described in this proxy statement, if any other business comes before the annual meeting, your signed proxy card gives authority to the proxyholders, Thomas J. Matthews and David D. Johnson, to vote on those matters at their discretion.

Q: What if a quorum is not present at the meeting?

A: If a quorum is not present at the scheduled time of the annual meeting, we may adjourn the meeting, either with or without the vote of the shareholders. If we propose to have the shareholders vote whether to adjourn the meeting, the proxyholders will vote all shares for which they have authority in favor of the adjournment. We may also adjourn the meeting if for any reason we believe that additional time should be allowed for the solicitation of proxies. An adjournment will have no effect on the business that may be conducted at the annual meeting.

Q: How much stock do IGT's directors and executive officers own?

A: As of January 6, 2005, our current directors and executive officers collectively had the power to vote 5,101,413 shares, constituting approximately 1.5% of the outstanding shares. It is expected that these persons will vote the shares held by them for each of the director nominees named in this proxy statement, in favor of the amendment to the International Game Technology 2002 Stock Incentive Plan and in favor of the ratification of Deloitte & Touche LLP as our independent auditors.

Q: Who will bear the costs of this solicitation?

A: We will pay the cost of this solicitation of proxies by mail. Our officers and regular employees may also solicit proxies in person or by telephone without additional compensation. We will make arrangements with brokerage houses, custodians, nominees and other fiduciaries to send proxy materials to their principals, and we will reimburse these persons for related postage and clerical expenses.

Board of Directors and Committees of the Board

During fiscal 2004, our board of directors held four regular meetings, five special meetings and acted by unanimous written consent on four other occasions. Each director attended at least 75% of the meetings of the board of directors and of each committee on which he or she served as a member during the period in which he or she served. Our non-management directors met seven times during fiscal 2004. We encourage our directors to attend our annual meetings of shareholders. All but two of our directors attended our 2004 annual meeting of shareholders.

Our Corporate Governance Guidelines require that a majority of the board of directors consist of independent directors. For a director to be independent, the Nominating and Corporate Governance Committee must affirmatively determine that an individual is independent, taking into account any applicable regulatory requirements (including the requirements set forth in Rule 303A.02 of the NYSE) and such other factors as such Committee may deem appropriate. Our board of directors has made an affirmative determination that the following members of the board,

constituting a majority of our directors, meet the standards for independence set forth in our Corporate Governance Guidelines and applicable NYSE rules: Messrs. Barsky, Burt, Miller and Rentschler and Ms. Heisz. Jones Vargas, of which Mr. Miller is a partner, has provided and continues to provide legal services to IGT. IGT's payments for these services have fallen below the thresholds set forth in NYSE independence standards for at least the past four fiscal years and are not expected to increase materially. After a review of the relevant information concerning these payments, the board determined that they do not constitute a material relationship that affects Mr. Miller's independence.

Our board of directors has four standing committees: the Executive Committee, the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.

The **Executive Committee**, comprised of Messrs. Baker (Chair) and Matthews, exercises the power and authority of our board of directors in the management of IGT's business affairs during the intervals between board meetings. The power and authority of the Executive Committee is subject to the

Table of Contents

provisions of applicable Nevada law and our charter documents. The Executive Committee does not have any power or authority over any of the matters reserved exclusively for the Compensation Committee, the Audit Committee or the Nominating and Corporate Governance Committee under these committees' charters or under any federal laws, the rules and regulations of the Securities and Exchange Commission (SEC), and the rules of the NYSE. During fiscal 2004, the Executive Committee did not hold any meetings, but acted by unanimous written consent on three occasions.

The **Audit Committee**, a separately-designated, standing committee established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists our board of directors in overseeing the accounting and financial reporting processes of IGT and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent registered public accountants' qualifications and independence, the performance of our internal audit function and independent registered public accountants, and such other duties as may be directed by our board of directors. The Audit Committee Charter requires that the Audit Committee consist of three or more board members who satisfy the independence requirements of the SEC and NYSE for audit committee members. The Audit Committee consists of Messrs. Barsky and Burt and Ms. Heisz (Chair), each of whom satisfies these requirements. Our board of directors has determined that Ms. Heisz and Mr. Barsky both meet the definition of an audit committee financial expert, as set forth in Item 401(h)(2) of SEC Regulation S-K. The Audit Committee held twelve regular meetings and two special meetings during fiscal 2004. A copy of the report of the Audit Committee is contained in this proxy statement. A copy of the current charter of the Audit Committee is available on our website at <http://www.IGT.com>.

Compensation Committee Interlocks and Insider Participation

The **Compensation Committee** discharges the responsibilities of our board of directors relating to compensation of IGT's executives and directors, produces an annual report on executive compensation for inclusion in our proxy statements, and takes such other actions deemed necessary or appropriate within the scope of the Compensation Committee Charter. The Charter requires that this Committee consist of three or more board members who satisfy the independence requirements of the NYSE. The Compensation Committee consists of Messrs. Burt, Miller and Rentschler (Chair), each of whom satisfies these requirements. During fiscal 2004, this Committee held four regular meetings and three special meetings. A copy of the report of the Compensation Committee is contained in this proxy statement. A copy of the current charter of the Compensation Committee is available on our website at <http://www.IGT.com>.

Members of our Compensation Committee have never been officers or employees of IGT or its subsidiaries. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or Compensation Committee.

Corporate Governance Matters

The **Nominating and Corporate Governance Committee**, which consists of Messrs. Barsky (Chair) and Rentschler and Ms. Heisz, is responsible for identifying qualified candidates to be presented to our board for nomination as directors, ensuring that our board and our organizational documents are structured in a way that best serves our practices and objectives, and developing and recommending a set of corporate governance principles. The Nominating and Corporate Governance Charter requires that this Committee consist of no fewer than three board members who satisfy the independence requirements of the NYSE. Each member of our Nominating and Corporate Governance Committee meets these requirements. Our Nominating and Corporate Governance Committee held four regular meetings and six special meetings, and acted by unanimous written consent on one other occasion during

fiscal 2004. A copy of the current charter of the Nominating and Corporate Governance Committee is available on our website at <http://www.IGT.com>.

Table of Contents

The Nominating and Corporate Governance Committee will consider nominees for our board of directors recommended by shareholders. Notice of proposed shareholder nominations for director must be delivered not less than 120 days prior to any meeting at which directors are to be elected. Nominations must include the full name of the proposed nominee, a brief description of the proposed nominee's business experience for at least the previous five years, and a representation that the nominating shareholder is a beneficial or record owner of IGT common stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. Nominations should be delivered to the Nominating and Corporate Governance Committee at the following address:

International Game Technology
c/o Corporate Secretary
9295 Prototype Drive
Reno, Nevada 89521-8986

In considering possible candidates for election as a director, the Nominating and Corporate Governance Committee is guided by the principle that each director should:

be an individual of high character and integrity

be accomplished in his or her respective field, with superior credentials and recognition

have relevant expertise and experience upon which to be able to offer advice and guidance to management

have sufficient time available to devote to the affairs of IGT

represent the long-term interests of our shareholders as a whole

be selected such that the board of directors represents a diversity of background and experience

Qualified candidates for membership on the board of directors will be considered without regard to race, color, religion, gender, ancestry, national origin or disability. The Nominating and Corporate Governance Committee will review the qualifications and backgrounds of directors and nominees (without regard to whether a nominee has been recommended by shareholders), as well as the overall composition of the board, and recommend the slate of directors to be nominated for election at the annual meeting of shareholders. IGT does not currently employ or pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential director nominees.

You can contact our board or any of our directors by writing to them at the same address provided above for delivery of director nominations. Such communications can, if desired, be addressed to the Chairman of the Nominating and Corporate Governance Committee in his or her capacity as the presiding director of executive sessions of the non-management directors (as discussed below), or to the non-management directors as a group. Employees and others who wish to contact the board or any member of the Audit Committee to report complaints or concerns with respect to accounting, internal accounting controls or auditing matters, may do so by using this address, or may call IGT's Integrity Action Line at (800) 852-6577. Employees and agents may call the Integrity Action Line anonymously. All calls to the Integrity Action Line are confidential.

We have adopted the International Game Technology Code of Ethics for Executive and Financial Officers (the finance code of ethics), a code of ethics that applies to our Chief Executive Officer, Chief Financial Officer, Corporate Controller and other finance organization employees, and the International Game Technology Code of Conduct (the code of conduct), which applies to all of our employees. The finance code of ethics and the code of conduct are publicly available on our website at <http://www.IGT.com>. If we make any substantive amendments to the finance code

of ethics or the code of conduct or grant any waiver, including any implicit waiver, from a provision of these codes to our Chief Executive Officer, Chief Financial Officer or Corporate Controller, we will disclose the nature of such amendment or waiver on our website.

In addition, we have adopted the International Game Technology Corporate Governance Guidelines, which cover such matters as size and independence of our board of directors, board committees and management succession planning. The Corporate Governance Guidelines are publicly available on our website at <http://www.IGT.com>. Under the Corporate Governance Guidelines, our non-management directors meet without management in regular executive sessions at each meeting of our board of directors. The chairperson of the Nominating and Corporate Governance Committee (currently Mr. Barsky) acts as the presiding director of these executive sessions.

We have established a Compliance Committee to oversee a variety of regulatory issues and implement broad-range investigatory programs where IGT does or seeks to do business. Messrs. Mathewson and Miller serve on this committee, together with various officers of IGT.

Compensation of Directors

During fiscal 2004, non-employee directors received a \$50,000 annual fee and a fee of \$1,500 for each committee meeting attended. Each non-employee director receives non-qualified stock options to purchase 40,000 shares of common stock upon his initial election to the board of directors at an exercise price equal to the closing price of the common stock on the date of grant. Additionally, every year thereafter, each non-employee director receives non-qualified stock options to purchase 24,000 shares of common stock upon his re-election to the board at an exercise price equal to the closing price of the common stock on the date of grant. During fiscal 2004, each non-employee director received non-qualified stock options to purchase 24,000 shares of our common stock at an exercise price of \$42.65 per share. Mr. Mathewson received non-qualified options to purchase 40,000 shares of common stock at an exercise price of \$34.86 per share upon his appointment to the board in December 2003.

In October 2004, Mr. Rentschler, serving in his capacity as chair of the Compensation Committee, assisted extensively in the negotiation of new employment agreements with Messrs. Baker and Matthews. In recognition of these additional services as a director, IGT made a donation of \$50,000 during fiscal 2004 to a non-profit institution which Mr. Rentschler serves as Vice Chairman of the Board of Trustees.

Directors who are also executive officers do not receive any fees or additional remuneration to serve on our board or its committees.

Recommendation of IGT Board of Directors

A plurality of favorable votes cast is required for election of a nominee to the board of directors.

Our board of directors recommends a vote FOR the election of each of the above nominees as a director.

PROPOSAL 2 APPROVAL OF AMENDMENTS TO THE INTERNATIONAL GAME TECHNOLOGY 2002 STOCK INCENTIVE PLAN

At the annual meeting, shareholders will be asked to approve the following amendments to our 2002 Stock Incentive Plan (the "SIP"), which were adopted by our board of directors on December 7, 2004, subject to shareholder approval:

Increase in Aggregate Share Limit. The SIP currently limits the number of shares of our common stock that may be delivered pursuant to all awards granted under the SIP (other than awards granted to our

non-employee directors) to 14,800,000 shares (all references to numbers of shares in this proposal are presented after giving effect to our four-for-one stock split in June 2003). The proposed amendment would increase this limit by an additional 9,000,000 shares so that the new aggregate share limit for the SIP would be 23,800,000 shares.

Table of Contents

Increase in and Amendment of Sub-Limit on Restricted Stock Awards and Stock Bonuses. The SIP currently limits the number of shares of our common stock that may be delivered pursuant to restricted stock awards and stock bonuses granted under the SIP for services rendered to 1,480,000 shares. The proposed amendment would apply this limit to so-called full-value awards (i.e. awards other than stock options and certain stock appreciation rights) granted under the SIP and increase this limit by an additional 725,000 shares so that the new sub-limit on full-value awards under the SIP would be 2,205,000 shares. (See Operation of the SIP Share Limits below.)

Changes in Share-Counting Provisions. The SIP currently provides that shares exchanged by a participant as full or partial payment of the exercise or purchase price of any award granted under the SIP, as well as shares exchanged by a participant or withheld by the Company to satisfy any tax withholding obligations related to any award, are available for subsequent awards under the SIP. Under the proposed amendment, shares exchanged or withheld to pay the purchase or exercise price of an award or satisfy tax withholding obligations would not be available for future grant purposes under the SIP. The SIP also currently provides that, upon exercise of a stock appreciation right, only shares actually delivered in respect of such exercise count against the SIP's share limits. The proposed amendment would require that all underlying shares to which the exercise of a stock appreciation right relates be counted against the applicable SIP share limits if the stock appreciation right is to be settled in a stock payment.

Extension of Performance-Based Award Feature. One element of the SIP is the flexibility to grant certain performance-based awards designed to satisfy the requirements for deductibility of compensation under Section 162(m) of the U.S. Internal Revenue Code. These awards are referred to as Performance-Based Awards and are in addition to other awards, such as stock options and stock appreciation rights, expressly authorized under the SIP which may also qualify as performance-based compensation for Section 162(m) purposes. Shareholder approval of the foregoing amendments will also constitute approval of the SIP for Section 162(m) purposes and extend the Performance-Based Award feature of the SIP through the first annual meeting of shareholders that occurs in 2010. (This expiration time is earlier than the general expiration date of the SIP and is required under applicable tax rules.) (See Operation of the SIP Performance-Based Awards below.)

As of January 6, 2005, a total of 14,212,220 shares of our common stock were then subject to outstanding awards granted under the SIP, and an additional 972,170 shares of our common stock were then available for new award grants under the SIP.

Our board of directors approved the foregoing amendments based, in part, on a belief that the number of shares of our common stock currently available under the SIP does not give us sufficient authority and flexibility to adequately provide for future incentives. In particular, our board of directors has determined that it is advisable to create greater flexibility under the SIP to grant full-value awards in light of changing market trends in how employees are compensated and changes in the accounting treatment of stock options. Our board of directors believes that these amendments would give us greater flexibility to structure future incentives and better attract, retain and reward key employees.

If shareholders do not approve this proposal, the current share limits under, and other terms and conditions of, the SIP will continue in effect.

Operation of the SIP

The principal terms of the SIP are summarized below. The following summary is qualified in its entirety by the full text of the SIP, which has been filed as an exhibit to the copy of this Proxy Statement that was filed electronically with

the SEC and can be reviewed on the SEC's website at <http://www.sec.gov>. You

may also obtain, free of charge, a copy of the SIP by writing to the Corporate Secretary, International Game Technology, 9295 Prototype Drive, Reno, Nevada 89521.

Awards. The SIP authorizes stock options, restricted stock awards, stock bonuses, stock appreciation rights, and performance-based awards (payable in cash or stock). The SIP retains the flexibility to offer competitive incentives and to tailor benefits to specific needs and circumstances. Generally, an option or other right to acquire stock will expire, or other award will vest, not more than 10 years after the date of grant.

Administration. The Compensation Committee of the board of directors will administer the SIP. However, the board of directors may assume the administration of the SIP or appoint one or more other committees of directors to administer the SIP. The appropriate acting body is referred to as the Committee.

Subject to the express terms and conditions of the SIP, the Committee (1) will determine the number of shares that are to be subject to awards and the terms and conditions of such awards, including the price (if any) to be paid for the shares or the award, (2) may permit the recipient of any award to pay the purchase price of shares of common stock or the award in cash or by check, the delivery of previously owned shares of common stock, a promissory note that satisfies the terms of the SIP, or a cashless exercise, (3) may accelerate the receipt or vesting of benefits pursuant to an award, (4) may designate in each award the effect of a termination of service or employment, and (5) may make adjustments to an outstanding award and authorize the conversion, succession or substitution of an award; in each case subject to the express terms and conditions of the SIP.

No Repricing. In no case (except due to an adjustment to reflect a stock split or similar event or any repricing that may be approved by shareholders) will any adjustment be made to a stock option or stock appreciation right award under the SIP (by amendment, cancellation and regrant, exchange or other means) that would constitute a repricing of the per share exercise or base price of the award.

Eligibility. Persons eligible to receive awards under the SIP include officers (whether or not directors) or key executive, administrative, managerial, production, marketing or sales employees of the Company and our subsidiaries. In addition, non-employee members of the board of directors are eligible to receive stock option grants under the non-employee director option grant program described below. Non-employee directors are not eligible to receive award grants under the SIP except under the non-employee director option grant program.

As of January 6, 2005, approximately 800 officers and employees of the Company and our subsidiaries (including all of the named executive officers) were considered eligible under the SIP, subject to the power of the Committee to determine eligible employees to whom awards will be granted, and 6 non-employee members of the board of directors were considered eligible for automatic option grants under the non-employee director option grant program.

Share Limits. The SIP provides for a limit on the aggregate number of shares of common stock that may be issued or delivered pursuant to awards granted to employees under the SIP. This aggregate employee share limit is currently 14,800,000 shares. If shareholders approve this proposal, this limit would be increased to 23,800,000 shares. The SIP provides that an additional 1,200,000 shares may be issued under the SIP's non-employee director option grant program (in addition to the shares available for employee grants).

The maximum number of shares that may be covered by options and stock appreciation rights that are granted to an individual under the SIP during any fiscal year cannot exceed 4,000,000 shares. Currently, no more than 1,480,000 shares may be issued under the SIP in respect of restricted stock awards or stock bonuses for nominal or no consideration (other than shares issued in respect of compensation earned but deferred). If shareholders approve this proposal, this limit would be increased to 2,205,000 shares and would apply to all full-value awards (that is, all awards granted under the SIP except (1) shares delivered in respect of compensation earned but deferred, (2) shares delivered

Table of Contents

which the initial per share base price of the grant or the per share exercise price of the related award, if applicable, is at least equal to the fair market value of a share of the Company's common stock at the time of grant of the award).

As is customary in incentive plans of this nature, the number and kind of shares available under the SIP and the then outstanding stock-based awards, as well as exercise or purchase prices, performance targets under selected performance-based awards and share limits, may be adjusted in the event of certain reorganizations, mergers, combinations, consolidations, recapitalizations, reclassifications, stock splits, stock dividends, asset sales or other similar events, or extraordinary dividends or distributions of property to the shareholders.

In instances where a stock appreciation right or other award granted under the SIP is settled in cash or a form other than shares, the shares that would have been issued had there been no cash or other settlement will not be counted against the share limits of the SIP for purposes of determining the number of shares that remain available for issuance under the SIP. The payment of cash dividends and dividend equivalents in conjunction with outstanding awards will not be counted against the shares available for issuance under the SIP. In addition, the SIP generally provides that shares issued in connection with awards that are granted by or become obligations of the Company through the assumption of awards (or in substitution for awards) in connection with an acquisition of another company will not count against the shares available for issuance under the SIP. To the extent that a stock appreciation right is exercised, the number of underlying shares as to which the exercise related shall be counted against the applicable SIP share limits (as opposed to only counting the number of shares actually issued).

The SIP will not limit the authority of the board of directors or the Committee to grant awards or authorize any other compensation, with or without reference to the common stock, under any other plan or authority.

Stock Options. An option is the right to purchase common stock at a future date at a specified price (the exercise price). The per share exercise price of an option granted under the SIP may not be less than the fair market value of a share of common stock on the date of grant of the award. We may grant nonqualified and incentive stock options under the SIP. Incentive stock options are taxed differently from nonqualified stock options, as described under Federal Income Tax Consequences below. Incentive stock options are also subject to more restrictive terms and are limited in amount by the Internal Revenue Code and the SIP.

Stock Appreciation Rights. A stock appreciation right is the right to receive a payment based on the appreciation in the fair market value of the common stock from the date of grant to the date of exercise. As determined by the Committee, the payment may be paid in cash, in shares of common stock or a combination thereof.

Restricted Stock Awards. A restricted stock award is an award of a fixed number of shares of common stock subject to restrictions. The Committee specifies the price, if any, the participant must pay for the shares and the restrictions (which may include, for example, continued service only and/or performance standards) imposed on the shares.

Stock Bonuses. The Committee may grant a stock bonus to any eligible employee to reward exceptional or special services, contributions or achievements in the manner and on such terms and conditions (including any restrictions on the shares) as determined from time to time by the Committee. The number of shares so awarded will be determined by the Committee and may be granted independently or in lieu of a cash bonus.

Performance-Based Awards. The Committee may grant to key employees of the Company and our subsidiaries Performance-Based Awards designed to satisfy the requirements for deductibility under Section 162(m) of the Internal Revenue Code. These Performance-Based Awards are in addition to options or stock appreciation rights which may also qualify as performance-based awards for Section 162(m) purposes.

Table of Contents

Performance-Based Awards are earned and payable only if performance reaches specific, pre-established performance goals related to one or more business criteria approved by the Committee. The performance goals must be approved by the Committee in advance of applicable deadlines under the Internal Revenue Code and while the performance relating to the goals remains substantially uncertain. The performance goals may be established based on one or a combination of the following business criteria: earnings per share, cash flow, total shareholder return, revenue growth, operating income, net earnings (before or after interest, taxes, depreciation and/or amortization), return on equity or on assets or on net investment, cost containment or reduction, or any combination of these criteria. The business criteria may be applied based on the performance of the Company and/or one or more of our subsidiaries, business divisions, segments, channels, or other operating groups. The performance measurement period with respect to an award may be from one to ten years. Performance goals may be adjusted to reflect certain changes, including reorganizations, liquidations and capitalization and accounting changes, to the extent permitted by Section 162(m) of the Internal Revenue Code.

Performance-Based Awards may be stock-based (payable in stock only or in cash or stock) or may be cash-only awards. Before any Performance-Based Award is paid, the Committee must certify that the performance goals have been satisfied. The Administrator will have discretion to determine the performance goals and restrictions or other limitations of the individual awards and may reserve negative discretion to reduce payments below maximum award limits. The maximum number of shares of common stock which may be delivered pursuant to all awards that are granted as Performance-Based Awards (other than options and stock appreciation rights) to any participant under the SIP in any fiscal year may not exceed 4,000,000 shares (subject to adjustment). The annual aggregate amount of compensation that may be paid to any participant in respect of cash-based Performance-Based Awards granted to any participant under the SIP in any fiscal year may not exceed \$3,000,000.

Non-Employee Director Options. The SIP provides that when a person (other than an employee of the Company or one of our subsidiaries) is first elected to the board of directors after shareholder approval of the SIP, he or she will receive a stock option under the SIP to acquire 40,000 shares of common stock. The SIP also provides that, commencing in 2003, each non-employee member of the board of directors who is re-elected to office will receive a stock option under the SIP to acquire 24,000 shares of common stock. This program of option grants under the SIP is referred to as the non-employee director option grant program.

The purchase price per share of common stock covered by each option granted under the non-employee director option grant program will be the fair market value of our common stock on the date the option is granted. Options granted under this program vest in three annual installments and generally expire on the tenth anniversary of the date of grant. Upon the occurrence of a Change in Control Event (as defined below), each option granted under the non-employee director option grant program would become exercisable in full.

Deferrals. The SIP authorizes the Committee to permit the deferred payment of awards. The Committee may determine the form and timing of payment, vesting, and other terms applicable to deferrals.

Transferability Restrictions. Participants generally may not transfer SIP awards or subject them in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge. The Committee may, however, permit selected persons or entities related to a participant to exercise awards for estate and/or tax planning purposes.

Acceleration of Awards; Possible Early Termination of Awards. Unless before a Change in Control Event the Committee determines that, upon its occurrence, benefits will not be accelerated, then generally upon the Change in Control Event each option and stock appreciation right will become immediately exercisable, restricted stock will vest, and performance-based awards will become payable. A Change in Control Event under the SIP generally includes (subject to identified exceptions) selected changes in a majority of the board of directors, the dissolution or liquidation of the Company, certain mergers, consolidations or reorganizations in which shareholders before the

transaction do not continue

Table of Contents

to own more than 50% of the company following the transaction, a sale of all or substantially all of our business and/or assets, or the acquisition, directly or indirectly, of shares amounting to more than 50% of combined outstanding shares by any person.

Termination of or Changes to the SIP. The board of directors may amend or terminate the SIP at any time and in any manner. Shareholder approval for an amendment will generally not be obtained unless required by applicable law or deemed necessary or advisable by the board of directors. Unless terminated earlier by the board of directors, the SIP will terminate on December 3, 2011. Outstanding awards generally may be amended, subject to the consent of the holder if the amendment materially and adversely affects the holder.

Securities Underlying Awards. The market value of a share of our common stock as of the close of trading on January 6, 2005 was \$33.35.

Federal Income Tax Consequences

The federal income tax consequences of the SIP under current federal law, which is subject to change, are summarized in the following discussion of the general tax principles applicable to the SIP. This summary is not intended to be exhaustive and, among other considerations, does not describe state, local, or international tax consequences.

With respect to nonqualified stock options, we are generally entitled to deduct and the optionee recognizes taxable income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. With respect to incentive stock options, we are generally not entitled to a similar deduction nor does the optionee recognize income either upon the grant of the option or at the time the option is exercised. The current federal income tax consequences of other awards authorized under the SIP generally follow the following basic patterns: stock appreciation rights are taxed and deductible in substantially the same manner as nonqualified stock options; nontransferable restricted stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value of the stock over the purchase price only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); performance-based awards generally are subject to tax at the time of payment; and unconditional stock bonuses are generally subject to tax measured by the value of the payment received; in each of the foregoing cases, we will generally have a corresponding deduction at the time the participant recognizes income.

If the vesting or payment of an award accelerates under the SIP in connection with a change in control, we may not be permitted to deduct the portion of the compensation attributable to the acceleration. Furthermore, if the compensation attributable to awards is not performance-based within the meaning of Section 162(m) of the Internal Revenue Code, we may not be permitted to deduct this compensation in some circumstances.

Specific Benefits

The Committee has not approved any awards under the SIP that are conditioned upon shareholder approval of the proposed amendments. If the additional shares that will be available under the SIP if shareholders approve the proposed amendments had been available for award purposes in fiscal 2004, the Company expects that its award grants for fiscal 2004 would not have been substantially different from those actually made under the SIP.

The grant of additional stock-based awards under the SIP in the future and the nature of any such awards are subject to the discretion of the Committee (or, in the case of awards to non-employee directors, the board of directors).

Accordingly, the number, amount and type of awards to be received by or allocated to eligible employees and directors under the SIP as a result of the proposed amendments in the future cannot be determined. We are not currently considering any specific additional awards under the SIP.

The closing price of a share of our common stock as of January 6, 2005 was \$33.35 per share.

Equity Compensation Plan Information

The following table sets forth our compensation plans under which shares of our common stock are authorized for issuance, other than our tax-qualified Profit Sharing (401(k)) Plan, as of September 30, 2004:

⁽¹⁾ Of these shares, 3,118,600 were available for award grant purposes under the SIP and 3,494,671 were available under our Employee Stock Purchase Plan (the ESPP). Subject to certain express limits of the SIP, shares available for award purposes under the SIP generally may be used for any type of award authorized under that plan including options, stock appreciation rights, and other forms of awards granted or denominated in shares of our common stock or units of our common stock including, without limitation, stock bonuses, restricted stock, and performance shares.

⁽²⁾ These shares were made available for purchase under the Barcrest Savings Related Share Option Scheme (ShareSave) established in January 1999. ShareSave is a broad-based employee stock purchase program available to certain of our employees in the UK. ShareSave was designed to satisfy certain tax requirements under applicable UK tax law. ShareSave is generally intended to replicate for our UK employees the same incentives that are made available to our US employees through the ESPP. Shareholder approval for ShareSave was not required.

Recommendation of IGT Board of Directors

Our board of directors believes that the approval of the proposed amendments to the SIP will promote the interests of the Company and our shareholders and continue to enable us to attract, retain and reward persons important to our success and to provide incentives based on the attainment of corporate objectives and increases in shareholder value.

Table of Contents

All members of our board of directors are eligible for awards under the SIP and thus have a personal interest in the approval of the proposed amendments.

Approval of the proposed amendments requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote at the annual meeting. Abstentions will have the effect of a no vote. Broker non-votes will have no effect on the results.

Our board of directors recommends a vote FOR the proposed amendments to the SIP as described above.

Employment Contracts and Change in Control Arrangements

We entered into a three-year employment agreement with G. Thomas Baker, our former President and Chief Executive Officer, under which he assumed the position of Chairman, effective as of October 27, 2003. The term of employment will be automatically extended for one year on each anniversary after the initial three-year term unless either we or Mr. Baker provides at least 60 days' written notice that the term will not be extended. In November 2004, Mr. Baker informed IGT that he will resign as a director and officer effective as of the 2005 annual meeting. The agreement provides for a base salary of \$750,000 through December 6, 2003 and \$600,000 per year for the balance of the term of employment. In addition, Mr. Baker will have an annual bonus opportunity that will be established each year by the Compensation Committee of the Board (but not to exceed 150% of base salary). Fifty percent (50%) of the bonus opportunity will be based on our annual year-over-year increase in operating income, twenty-five percent (25%) will be based on annual operating performance of our international operations, and twenty-five percent (25%) will be payable based upon other objectives determined by the Compensation Committee. If we terminate Mr. Baker's employment without cause (as defined in the agreement) or because he dies or becomes disabled, or if he elects at his discretion to sever his relationship with IGT upon a transfer to a third party of 40% or more of our outstanding stock, we will pay Mr. Baker (or his estate) a severance payment equal to two years' base salary at the highest annualized rate in effect at any time during the term, payable in twenty-four (24) equal monthly installments, plus any applicable deferred bonus, and any unvested stock options held by him at that time will immediately vest in full. In addition, if we terminate Mr. Baker's employment without cause or if he elects to sever his relationship following a transfer to a third party of 40% or more of our outstanding stock, but not in the case of death or disability, we shall pay Mr. Baker a one-time lump sum equal to a pro-rata portion of the bonus he would have been entitled to in the year in which the termination occurs, under the bonus plan described above, as determined by the Board. Upon termination for any reason, with or without cause, we will continue to provide Mr. Baker with medical benefits or a payment equal to the reasonable cost of obtaining medical benefits equivalent or similar to the benefits being received on the last day of employment. We will pay or reimburse Mr. Baker for all co-pays or deductibles. This benefit terminates upon Mr. Baker's death and is secondary to Medicare or any other insurance during Mr. Baker's life. Mr. Baker agrees to enroll in Medicare as soon as he is eligible. Mr. Baker is also eligible to participate in our profit sharing, cash sharing, and employee stock purchase plans, as well as other employee benefit plans and programs for which he is otherwise eligible under the terms of such plans or programs. On October 27, 2003, Mr. Baker was granted an option to purchase 1,500,000 shares of our common stock at a price of \$31.57 per share. The option vests in three annual installments, with 300,000 shares vesting on the first anniversary of the grant, 525,000 shares vesting on the second

anniversary and 675,000 shares vesting on the third anniversary of the grant date. Additionally, under his prior employment agreement Mr. Baker was granted an option to purchase 2,000,000 shares of our common stock at \$11.25 per share

(after adjusting for the stock split effected in June 2003). Those stock options vested in three equal annual installments upon the first, second and third anniversaries of the award, ending on December 5, 2003. Mr. Baker will retire as Chairman, effective as of March 1, 2005.

We entered into a three-year employment agreement with Thomas J. Matthews, under which he assumed the positions of President and Chief Executive Officer, effective as of October 27, 2003. The term of employment will be automatically extended for one year on each anniversary after the initial three-year term unless either we or Mr. Matthews provides at least 60 days' written notice that the term will not be extended. The agreement provides for a minimum annual base salary of \$650,000 per year, subject to annual review and increase by the Compensation Committee of the Board. In addition, Mr. Matthews will have an annual bonus opportunity that will be established each year by the Compensation Committee of the Board (but not to exceed 300% of base salary). Seventy percent (70%) of the bonus opportunity will be based on our annual year-over-year increase in operating income, and thirty percent (30%) will be payable based upon other objectives determined by the Compensation Committee. If we terminate Mr. Matthews' employment without cause (as defined in the agreement) or because he dies or becomes disabled, or if he elects at his discretion to sever his relationship with IGT upon a transfer to a third party of 40% or more of our outstanding stock, we will pay Mr. Matthews (or his estate) a severance payment equal to two years' base salary at the highest annualized rate in effect at any time during the term, payable in twenty-four (24) equal monthly installments, plus any applicable deferred bonus, and any unvested stock options held by him at that time will immediately vest in full. In addition, if we terminate Mr. Matthews' employment without cause or if he elects to sever his relationship following a transfer to a third party of 40% or more of our outstanding stock, but not in the case of death or disability, we shall pay Mr. Matthews a one-time lump sum equal to a pro-rata portion of the bonus he would have been entitled to in the year in which the termination occurs, under the bonus plan described above, as determined by the Board. Mr. Matthews is also eligible to participate in our profit sharing, cash sharing, and employee stock purchase plans, as well as other employee benefit plans and programs for which he is otherwise eligible under the terms of such plans or programs. On October 27, 2003, Mr. Matthews was granted an option to purchase 600,000 shares of our common stock at a price of \$31.57 per share. The award vests in three annual installments, with 100,000 shares vesting on the first anniversary of the grant, 200,000 shares vesting on the second anniversary and 300,000 shares vesting on the third anniversary of the grant date. Additionally, under his prior employment agreement Mr. Matthews was granted an option to purchase 2,000,000 shares of our common stock at a price of \$17.50 per share (after adjusting for the stock split effected in June 2003). That award vests in five equal annual installments beginning on the first anniversary of the award.

Maureen T. Mullarkey entered into a five-year employment agreement with us on January 12, 2001, and was appointed as our Senior Vice President and Chief Financial Officer effective March 2, 2001. The agreement was amended on January 27, 2003, and Ms. Mullarkey was promoted to the positions of Executive Vice President and Chief Financial Officer. The amended agreement provides for an annual base salary of \$400,000, and extended the term of her employment for five years from the effective date of the agreement. At the end of the five-year term, Ms. Mullarkey's employment will be at will. Ms. Mullarkey will receive minimum annual salary increases of at least \$25,000 and is eligible to participate in our profit sharing, cash sharing, management bonus and employee stock purchase plans, as well as other employee benefit plans and programs for which she is otherwise eligible under the terms of such plans or programs. In addition, we will reimburse Ms. Mullarkey for up to \$30,000 for financial advisory services over the term of the employment agreement. The bonus earned by Ms. Mullarkey through the management bonus program may not exceed 200% of base salary, and for each year that a bonus is earned, 25% of that bonus shall be accrued and paid two years later, provided that she remains employed by us at that time. IGT waived its right to require Ms. Mullarkey to defer the bonuses earned pursuant to her employment agreement in fiscal 2004. The management bonus is payable based upon the increase in our operating profits before incentives over the previous fiscal year, attainment of our fiscal year ERP program goals, and various management objectives set by the Chief Executive Officer in consultation with Ms. Mullarkey. In addition to the bonuses under her agreement, Ms. Mullarkey received a bonus of \$50,000 for fiscal 2002, payment of which was deferred until December 2004. We

may terminate Ms. Mullarkey for cause or upon her disability (in each case, as defined in the agreement). If we terminate Ms. Mullarkey's employment without cause, or if she elects at her discretion to sever her relationship with IGT upon a transfer to a third party of 40% or more of our outstanding stock, she will be

Table of Contents

entitled to receive a lump sum payment equal to one year's base salary and any applicable deferred bonus. Any stock options held by her at that time will immediately vest in full. We will also pay any premiums for Ms. Mullarkey's health benefits under COBRA, to the extent she is eligible for COBRA benefits, for the shorter of one year or until she secures new employment. If Ms. Mullarkey dies during the term of the agreement, her estate (or other person as she has directed in writing) will be entitled to receive one year's base salary and any deferred bonus. Additionally, in her employment agreement Ms. Mullarkey was granted an option to purchase 400,000 shares of our common stock at a price of \$11.1875 per share (as adjusted in connection with our June 2003 stock split), and in the amended agreement, she was granted an option to purchase 600,000 shares of our common stock at a price of \$19.10. Both of the options vest in five equal annual installments beginning on the first anniversary of the awards.

Our 1993 Stock Option Plan and our 2002 Stock Incentive Plan contain provisions that would be triggered by a change of control of IGT. Unless before a Change in Control Event, as defined in the plans, the Compensation Committee of our board of directors determines that, upon its occurrence, benefits will not be accelerated, then generally upon the Change in Control Event each option will become immediately exercisable, restricted stock will vest, and performance-based awards will become payable.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 and regulations of the SEC require our executive officers, directors, and persons who beneficially own more than 10% of our common stock, as well as certain affiliates of those persons, to file initial reports of ownership and monthly transaction reports covering any changes in ownership with the SEC and NYSE. SEC regulations require these persons to furnish us with copies of all reports they file pursuant to Section 16(a). Based solely upon a review of the copies of the reports received by us, we believe that, during fiscal 2004, except as described in the next sentence, all filing requirements applicable to executive officers and directors were complied with in a timely manner. Two Forms 4 reporting exempt grants of stock options to Anthony Ciorciari and a restricted stock award to Mr. Ciorciari's spouse, an employee of IGT, were inadvertently filed late.

**BOARD COMPENSATION COMMITTEE REPORT
ON EXECUTIVE COMPENSATION**

The role of the Compensation Committee of the board of directors is to oversee our compensation programs and policies, review and approve all executive officers' compensation, and administer certain incentive compensation programs. The Committee's membership is determined by the Nominating and Corporate Governance Committee of the board of directors and is composed entirely of independent directors. The Compensation Committee regularly reports on its actions and recommendations at board meetings, and has the authority to engage the services of independent consultants and other advisors and experts as may be required for the Committee to carry out its duties.

Compensation Philosophy

Generally, IGT's compensation programs are designed to attract, retain, motivate and appropriately reward individuals who are responsible for IGT's short- and long-term profitability, growth and return to shareholders. The overall compensation philosophy followed by the Committee is to pay competitively while emphasizing qualitative indicators of corporate and individual performance.

In 2004, the Compensation Committee directly engaged an outside compensation consulting firm to provide an independent analysis of our equity based compensation practices. Their assessment included a competitive analysis of IGT practices, dilution, expense tolerance, dividend yields, fair value accounting, and investor perspectives. The results of the analysis indicated that IGT is competitive with the practices of other comparably-sized companies and companies within our industry.

Executive Compensation

IGT's management bonus plan is a cash-based incentive program to motivate and reward eligible employees for their contributions to IGT's performance, and for fiscal 2004, was based on IGT's income from operations. Individual cash bonus awards were made to the executive officers because the Committee believes such awards provide appropriate performance incentives. Individual cash bonus awards for executive officers other than the Chief Executive Officer were determined for fiscal 2004 by IGT's Chief Executive Officer, Mr. Matthews, based upon his subjective evaluation of each officer's individual performance.

The Committee also uses stock option and restricted stock awards made under the International Game Technology 2002 Stock Incentive Plan to provide various incentives for key personnel, including executive officers. Stock options are priced at the market value of IGT common stock on the date of grant, and typically vest at the rate of 20% per year over five years with exercisability dependent on continued employment. Stock options require IGT stock price appreciation in order for the employees to realize any benefit, thus directly aligning employee and stockholder interests.

G. Thomas Baker, Robert A. Bittman, Ward Chilton, Anthony Ciorciari, David D. Johnson, Thomas J. Matthews, Maureen T. Mullarkey and Richard Pennington all received stock option awards, and Messrs. Bittman, Chilton, Ciorciari, Johnson, Pennington and Ms. Mullarkey received restricted stock awards, in fiscal 2004. These awards were granted based upon the Committee's subjective evaluation of individual current performance, assumption of significant responsibilities, anticipated future contributions, ability to impact overall corporate and/or business unit financial results, each executive's total compensation package, options and other stock awards previously granted, dilution effects, and industry practices and trends. The stock option granted to Mr. Baker in fiscal 2004 was also based on Mr. Baker's acceptance of the position of Chairman and his contributions to IGT in that role.

Table of Contents

As one of the factors in its consideration of compensation matters, the Compensation Committee also considers the anticipated tax treatment to IGT and to the executives of various payments and benefits, specifically in consideration of Section 162(m) of the Internal Revenue Code. The Committee will not, however, limit executive compensation to that which is deductible.

Chief Executive Compensation

Mr. Baker was Chief Executive Officer of IGT from December 2000 until October 27, 2003. During the period of fiscal 2004 prior to October 27, 2003, Mr. Baker received an annualized base salary of \$750,000 under his then-current employment agreement.

Mr. Matthews succeeded Mr. Baker as Chief Executive Officer effective as of October 27, 2003. At that time, Mr. Matthews entered into an employment agreement with IGT, the primary terms of which are detailed in IGT's 2005 proxy statement under the heading "Other Information - Employment Contracts and Change in Control Arrangements." The agreement provides for a minimum annual base salary of \$650,000 per year, subject to annual review and increase by the Compensation Committee. In connection with the employment agreement, Mr. Matthews was granted an option to purchase 600,000 shares of IGT's common stock at a price of \$31.57 per share (the closing price of IGT's common stock on the date of issuance). The award vests in three annual installments, with 100,000 shares vesting on the first anniversary of the grant, 200,000 shares vesting on the second anniversary and 300,000 shares vesting on the third anniversary of the grant date. In approving the terms of Mr. Matthews's employment agreement, including Mr. Matthews's annual base salary rate and his stock option covering 600,000 shares of IGT common stock, the Committee considered the stock option grant factors outlined above, Mr. Matthews's new position as Chief Executive Officer, as well as comparative compensation information of other comparably-sized companies and companies within IGT's industry. During the portion of fiscal 2004 in which Mr. Matthews acted as Chief Executive Officer, he received an annualized base salary of \$650,000 pursuant to the terms of his employment agreement and a management bonus of \$1,579,955.

Under Mr. Matthews's employment agreement, Mr. Matthews was eligible to receive a bonus for fiscal 2004 not to exceed 300% of his base salary, 70% of which was to be based on IGT's annual year-over-year increase in operating income, and 30% of which was payable based upon other objectives determined by the Compensation Committee. The Compensation Committee determined that IGT's increases in operating income and Mr. Matthews's performance had met or exceeded expectations for fiscal 2004 and, accordingly, that Mr. Matthews should receive the maximum bonus he is eligible for under his employment contract. However, Mr. Matthews voluntarily requested that his bonus for fiscal 2004 not exceed the amount of his bonus for fiscal 2003. Accordingly, the Compensation Committee determined that Mr. Matthews's bonus for fiscal 2004 would equal \$1.5 million (exclusive of payments under IGT's annual cash sharing program), an amount equal to Mr. Matthews's bonus (exclusive of annual cash sharing) for fiscal 2003.

PROPOSAL 3 - RATIFICATION OF INDEPENDENT AUDITORS

Deloitte & Touche LLP were our independent auditors for the year ended September 30, 2004 and have reported on our consolidated financial statements included in the annual report which accompanies this proxy statement. Our independent auditors are appointed by our board of directors in consultation with the Audit Committee. The board has reappointed Deloitte & Touche LLP as our independent auditors for the year ending September 30, 2005. In the event that the shareholders do not approve Deloitte & Touche LLP as independent auditors, the selection of independent auditors will be reconsidered by the board. A representative of Deloitte & Touche LLP will be present at the annual meeting, will have an opportunity to make a statement and will be available to respond to appropriate questions.

THE FOLLOWING REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SEC UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

AUDIT COMMITTEE REPORT

In accordance with its written charter, which was restated by the Board of Directors in December 2002, the Audit Committee assists the board of directors in fulfilling its responsibility for oversight of the quality of IGT's accounting, auditing and financial reporting practices.

The Audit Committee consists of three members, each of whom satisfy the independence, financial literacy and experience requirements of the NYSE. Management is responsible for the financial reporting process, the preparation of consolidated financial statements in accordance with generally accepted accounting principles and the system of internal controls and procedures designed to insure compliance with accounting standards and applicable laws and regulations. IGT's independent auditors are responsible for auditing IGT's financial statements. The Audit Committee's responsibility is to monitor and review these processes and procedures. The members of the Audit Committee are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditors that the financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

During fiscal 2004, the Audit Committee had twelve regular meetings and two special meetings. The Audit Committee met and held discussions with management, the internal auditors and the independent auditors, Deloitte & Touche LLP. The meetings were conducted so as to encourage communication among the members of the Audit Committee, management, the internal auditors and the independent auditors. The Audit Committee discussed with Deloitte & Touche LLP matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communications with Audit Committees.

The Audit Committee reviewed and discussed the audited consolidated financial statements of IGT as of and for the year ended September 30, 2004 with management, the internal auditors and the independent auditors. The Board of Directors, including the Audit Committee, received an opinion of Deloitte & Touche LLP as to the conformity of such audited consolidated financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee discussed with IGT's internal auditors and Deloitte & Touche LLP the overall scope and plans for their respective audits. The Audit Committee met regularly with the internal auditors and Deloitte & Touche LLP, with and without management present, to discuss the results of their examinations, the evaluations of IGT's

internal controls and the overall quality of IGT's accounting principles.

Table of Contents

In addition, the Audit Committee obtained from Deloitte & Touche LLP written documentation describing all relationships between Deloitte & Touche LLP and IGT that might bear on Deloitte & Touche LLP's independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee discussed with Deloitte & Touche LLP any relationships that may have an impact on their objectivity and independence and satisfied itself as to Deloitte & Touche LLP's independence. The Audit Committee also considered whether the provision of information technology and similar services and other non-audit services by Deloitte & Touche LLP to IGT is compatible with maintaining Deloitte & Touche LLP's independence. The Audit Committee also reviewed, among other things, the amount of fees paid to Deloitte & Touche LLP for audit and non-audit services.

Based on the above-mentioned review and discussions with management, the internal auditors and Deloitte & Touche LLP, and subject to the limitations on our role and responsibility described above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that IGT's audited consolidated financial statements be included in IGT's Annual Report on Form 10-K for the fiscal year ended September 30, 2004, for filing with the SEC. The Audit Committee also recommended the selection of IGT's independent auditors, and based on our recommendation, the Board of Directors has selected Deloitte & Touche LLP as IGT's independent auditors for the fiscal year ending September 30, 2005, subject to shareholder ratification.

Fees Paid to Independent Registered Public Accountants

SEC rules effective May 6, 2003 require our Audit Committee to pre-approve all audit and permissible non-audit services provided by our independent auditor, Deloitte & Touche LLP, with certain limited exceptions. Our Audit Committee has concluded that the non-audit services provided by Deloitte & Touche LLP are compatible with maintaining auditor independence. Aggregate fees for which we have been or expect to be billed for services rendered by Deloitte & Touche LLP are presented below.

Years ended September 30, <i>(in millions)</i>	2004	2003
Audit ⁽¹⁾	\$ 1.1	\$ 1.2

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent public accountants, Deloitte & Touche LLP. The policy generally pre-approves certain specific services in the defined categories of audit services, audit-related services, and tax services up to specified amounts, and sets requirements for specific case-by-case pre-approval of discrete projects, those which may have a material effect on our operations or services over certain amounts. Pre-approval may be given as part of the Audit Committee's approval of the scope of the engagement of our independent auditor or on an individual basis. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be presented to the full Audit Committee at its next scheduled meeting. The policy prohibits retention of the independent public accountants to perform the prohibited non-audit functions defined in Section 201 of the Sarbanes-Oxley Act or the rules of the SEC and also considers whether proposed services are compatible with the independence of the public accountants.

Recommendation of IGT Board of Directors

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote at the annual meeting. Abstentions will have the effect of a no vote. Broker non-votes will have no effect on the results.

Our board of directors recommends a vote FOR approval of Deloitte & Touche LLP as our independent auditors for the year ending September 30, 2005.

SHAREHOLDER PROPOSALS FOR THE 2006 ANNUAL MEETING

Proposals of shareholders intended to be presented at our next annual meeting must be received by us by September 23, 2005 to be considered for inclusion in our proxy statement relating to that meeting. Shareholders desiring to present a proposal at the next annual meeting but who do not desire to have the proposal included in the proxy materials distributed by us must deliver written notice of such proposal to us prior to December 7, 2005 or the persons appointed as proxies in connection with the next annual meeting will have discretionary authority to vote on any such proposal.

Table of Contents

1.3 Participation

Awards may be granted by the Committee only to those persons that the Committee determines to be Eligible Employees. An Eligible Employee who has been granted an Award may, if otherwise eligible, be granted additional Awards if the Committee shall so determine. Non-Employee Directors shall be eligible to receive the Nonqualified Stock Options granted automatically without action of the Committee under the provisions of Article VII but shall not be eligible for any other Awards under this Plan.

1.4 Shares Available for Awards; Share Limits

Subject to the provisions of Section 6.2, the capital stock that may be delivered under this Plan shall be shares of the Corporation's authorized but unissued Common Stock and any shares of its Common Stock held as treasury shares. The shares may be delivered for any lawful consideration. Subject to adjustment as provided in or pursuant to this Section 1.4 or Section 6.2:

(a) *Aggregate Share Limits.* The maximum number of shares of Common Stock that may be delivered pursuant to all Awards granted under this Plan, other than Nonqualified Stock Options granted to Non-Employee Directors pursuant to Article VII, shall not exceed 23,800,000¹ shares of Common Stock. The maximum number of shares of Common Stock that may be delivered pursuant to all Nonqualified Stock Options granted to Non-Employee Directors pursuant to Article VII shall not exceed 1,200,000 shares of Common Stock.

(b) *Individual Limits.* The maximum number of shares of Common Stock subject to Options and Stock Appreciation Rights that are granted under this Plan during any fiscal year to any individual shall not exceed 4,000,000 shares. Additional limits are in Section 5.2(c).

(c) *Incentive Stock Option Limit.* The maximum number of shares of Common Stock that may be delivered pursuant to Options intended as Incentive Stock Options granted under this Plan shall not exceed 23,800,000.

(d) *Limit on Full-Value Awards.* The maximum number of shares of Common Stock that may be delivered pursuant to Awards granted under this Plan, other than those described in the next sentence, is 2,205,000² shares. This limit on so-called full-value awards does not apply, however, to (1) shares delivered in respect of compensation earned but deferred, (2) shares delivered in respect of Option grants, or (3) shares delivered in respect of Stock Appreciation Right grants (provided that the exercise price per share of Common Stock under the related Award, if applicable, or the initial share value specified in such Stock Appreciation Right is not less than the fair market value of a share of Common Stock on the date of grant).

¹ The current aggregate share limit is 14,800,000 shares. Stockholders are being asked to approve an amendment to the Plan that would increase the aggregate share limit by an additional 9,000,000 shares so that the new aggregate share limit for the Plan would be 23,800,000 shares.

² The Plan currently includes a limit on restricted stock and stock bonus awards of 1,480,000 shares. Stockholders are being asked to approve an amendment to the Plan that would apply this limit to all full-value awards granted under the Plan and increase this limit by an additional 725,000 shares so that the new limit on full-value awards under the Plan would be 2,205,000 shares.

Table of Contents

(e) *Share Reservation; Replenishment and Reissue of Unvested Awards.* No Award may be granted under this Plan unless, on the date of grant, the sum of (i) the maximum number of shares issuable at any time pursuant to such Award, plus (ii) the number of shares that have previously been issued pursuant to Awards granted under this Plan, other than reacquired shares available for reissue consistent with any applicable legal limitations, plus (iii) the maximum number of shares that may be issued at any time after such date of grant pursuant to Awards that are outstanding on such date, does not exceed the applicable limit under Section 1.4(a) or other any other limit set forth above in this Section 1.4. Shares that are subject to or underlie Awards which expire or for any reason are cancelled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under this Plan shall again, except to the extent prohibited by law, be available for subsequent Awards under this Plan and shall not count against the applicable limit under Section 1.4(a) or any other limit set forth above in this Section 1.4. In instances where a Stock Appreciation Right or other Award is settled in cash or any form other than shares of Common Stock, no shares shall be counted against the applicable limit under Section 1.4(a) or any other limit set forth above in this Section 1.4. The payment of cash dividends and dividend equivalents in conjunction with outstanding Awards shall not be counted against the shares available for issuance under this Plan. Any shares that are issued by the Company, and any awards that are granted by, or become obligations of, the Company, through the assumption by the Company or an affiliate of, or in substitution for, outstanding awards previously granted by an acquired company (or previously granted by a predecessor employer (or direct or indirect parent thereof) in the case of persons that become employed by the Company (or a subsidiary or affiliate) in connection with a business or asset acquisition or similar transaction) shall not be counted against the shares available for issuance under this Plan.

(f) *Section 162(m).* Adjustments to the share limit set forth in Section 1.4(a) as well as the other limits set forth above are subject to any applicable limitations under Section 162(m) of the Code with respect to Awards intended as performance-based compensation thereunder.

1.5 Grant of Awards

Subject to the express provisions of this Plan, the Committee shall determine the number of shares of Common Stock subject to each Award, the price (if any) to be paid for the shares or the Award and, in the case of Performance Share Awards, in addition to matters addressed in Section 1.2(b), the specific objectives, goals and performance criteria (such as an increase in sales, market value, earnings or book value over a base period, the years of service before vesting, the relevant job classification or level of responsibility or other factors) that further define the terms of the Performance Share Award. Each Award shall be evidenced by an Award Agreement signed by the Corporation and, if required by the Committee, by the Participant. The Award Agreement shall set forth the material terms and conditions of the Award established by the Committee consistent with the specific provisions of this Plan.

1.6 Award Period

Each Award and all executory rights or obligations under the related Award Agreement shall expire on such date (if any) as shall be determined by the Committee, but in the case of Options or other rights to acquire Common Stock not later than ten (10) years after the Award Date.

Table of Contents

1.7 Limitations on Exercise and Vesting of Awards

(a) *Exercise.* Unless the Committee expressly provides otherwise, no Award shall be exercisable or shall vest until at least six months after the initial Award Date, and once exercisable an Award shall remain exercisable until the expiration or earlier termination of the Award.

(b) *Procedure.* Any exercisable Award shall be deemed to be exercised when the Secretary of the Corporation receives written notice of such exercise from the Participant, together with any required payment made in accordance with Section 2.2(b) or 7.3, as the case may be.

(c) *Fractional Shares/Minimum Issue.* Fractional share interests shall be disregarded, but may be accumulated. The Committee, however, may determine that cash, other securities or other property will be paid or transferred in lieu of any fractional share interests. No fewer than 100 shares may be purchased on exercise of any Award at one time unless the number purchased is the total number at the time available for purchase under the Award.

1.8 Acceptance of Notes to Finance Exercise

The Corporation may, with the Committee's approval, accept one or more notes from any Eligible Employee in connection with the exercise or receipt of any outstanding Award; provided that any such note shall be subject to the following terms and conditions:

- (a) The principal of the note shall not exceed the amount required to be paid to the Corporation upon the exercise or receipt of one or more Awards under this Plan and the note shall be delivered directly to the Corporation in consideration of such exercise or receipt.
- (b) The initial term of the note shall be determined by the Committee; provided that the term of the note, including extensions, shall not exceed a period of 10 years.
- (c) The note shall provide for full recourse to the Participant and shall bear interest at a rate determined by the Committee but not less than the applicable imputed interest rate specified by the Code.
- (d) If the employment of the Participant terminates, the unpaid principal balance of the note shall become due and payable on the 10th business day after such termination; provided, however, that if a sale of such shares would cause such Participant to incur liability under Section 16(b) of the Exchange Act, the unpaid balance shall become due and payable on the 10th business day after the first day on which a sale of such shares could have been made without incurring such liability assuming for these purposes that there are no other transactions by the Participant subsequent to such termination.
- (e) If required by the Committee or by applicable law, the note shall be secured by a pledge of any shares or rights financed thereby in compliance with applicable law.

Table of Contents

- (f) The terms, repayment provisions, and collateral release provisions of the note and the pledge securing the note shall conform with applicable rules and regulations of the Federal Reserve Board as then in effect.

1.9 No Transferability

(a) *Limit On Exercise and Transfer.* Unless otherwise expressly provided in (or pursuant to) this Section 1.9, by applicable law and by the Award Agreement, as the same may be amended, (i) all Awards are non-transferable and shall not be subject in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge; (ii) Awards shall be exercised only by the Participant; and (iii) amounts payable or shares issuable pursuant to an Award shall be delivered only to (or for the account of) the Participant.

(b) *Exceptions.* The Committee may permit Awards to be exercised by certain persons or entities related to the Participant, including but not limited to members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be approved by the Committee, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes on a gratuitous or donative basis and without consideration (other than nominal consideration).

(c) *Further Exceptions to Limits On Transfer.* The exercise and transfer restrictions in Section 1.9(a) shall not apply to:

(i) transfers to the Corporation,

(ii) the designation of a beneficiary to receive benefits in the event of the Participant's death or, if the Participant has died, transfers to or exercise by the Participant's beneficiary, or, in the absence of a validly designated beneficiary, transfers by will or the laws of descent and distribution,

(iii) transfers pursuant to a QDRO if approved or ratified by the Committee,

(iv) if the Participant has suffered a disability, permitted transfers or exercises on behalf of the Participant by his or her legal representative, or

(v) the authorization by the Committee of cashless exercise procedures with third parties who provide financing for the purpose of (or who otherwise facilitate) the exercise of Awards consistent with applicable laws and the express authorization of the Committee.

(d) *Limitations on Incentive Stock Options and Restricted Stock Awards.* Notwithstanding the foregoing, Incentive Stock Options and Restricted Stock Awards shall be subject to any and all applicable transfer restrictions under the Code.

II. EMPLOYEE OPTIONS

2.1 Grants

One or more Options may be granted under this Article to any Eligible Employee. Each Option granted may be either an Option intended to be an Incentive Stock Option, or an Option not so intended, and such intent shall be indicated in the applicable Option Agreement.

2.2 Option Price

(a) *Pricing Limits.* The purchase price per share of the Common Stock covered by each Option shall be determined by the Committee at the time the Option is granted, but in no case shall such purchase price be less than 100% (110% in the case of an Option intended as an Incentive Stock Option granted to a Participant described in Section 2.4) of the Fair Market Value of the Common Stock on the Award Date.

(b) *Payment Provisions.* The purchase price of any shares purchased on exercise of an Option granted under this Article shall be paid in full at the time of each purchase in one or a combination of the following methods: (i) in cash or by electronic funds transfer; (ii) by check payable to the order of the Corporation; (iii) if authorized by the Committee or specified in the applicable Option Agreement, by a promissory note of the Participant consistent with the requirements of Section 1.8; (iv) by notice and third party payment in such manner as may be authorized by the Committee; or (v) by the delivery of shares of Common Stock of the Corporation already owned by the Participant, *provided, however*, that the Committee may in its absolute discretion limit the Participant's ability to exercise an Option by delivering such shares. Shares of Common Stock used to satisfy the exercise price of an Option shall be valued at their Fair Market Value on the date of exercise. Any shares of Common Stock used to satisfy the exercise price of an Option that were initially acquired upon exercise of a stock option must have been owned by the Participant for at least six months prior to such use.

In addition to the payment methods described above, the Committee may, in its discretion, provide that an Option can be exercised in accordance with such cashless exercise procedures as the Committee may adopt in the circumstances.

2.3 Limitations on Grant and Terms of Incentive Stock Options

(a) *\$100,000 Limit.* To the extent that the aggregate Fair Market Value of stock with respect to which Incentive Stock Options first become exercisable by a Participant in any calendar year exceeds \$100,000, taking into account both Common Stock subject to Incentive Stock Options under this Plan and stock subject to Incentive Stock Options under all other plans of the Company or any parent corporation, such options shall be treated as nonqualified stock options. For this purpose, the Fair Market Value of the stock subject to options shall be determined as of the date the options were optioned. In reducing the number of options treated as Incentive Stock Options to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Committee may, in the manner and to the extent permitted by law, designate which shares of Common Stock are to be treated as shares acquired pursuant to the exercise of an Incentive Stock Option.

Table of Contents

(b) *Option Period.* Each Incentive Stock Option and all rights thereunder shall expire no later than ten years after the Award Date.

(c) *Other Code Limits.* There shall be imposed in any Award Agreement relating to Incentive Stock Options such terms and conditions as from time to time are required in order that the Option be an incentive stock option as that term is defined in Section 422 of the Code.

2.4 Limits on 10% Holders

No Incentive Stock Option may be granted to any person who, at the time the Option is granted, owns (or is deemed to own under Section 424(d) of the Code) shares of outstanding Common Stock possessing more than 10% of the total combined voting power of all classes of stock of the Corporation, unless the exercise price of such Option is at least 110% of the Fair Market Value of the stock subject to the Option and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

III. STOCK APPRECIATION RIGHTS

3.1 Grants

In its discretion, the Committee may grant a Stock Appreciation Right to any Eligible Employee either concurrently with the grant of another Award or in respect of an outstanding Award, in whole or in part, or independently of any other Award. Any Stock Appreciation Right granted in connection with an Incentive Stock Option shall contain such terms as may be required to comply with the provisions of Section 422 of the Code and the regulations promulgated thereunder, unless the holder otherwise agrees.

3.2 Exercise of Stock Appreciation Rights

(a) *Exercisability.* Unless the Award Agreement or the Committee otherwise provides, a Stock Appreciation Right related to another Award shall be exercisable at such time or times, and to the extent, that the related Award shall be exercisable.

(b) *Effect on Available Shares.* To the extent that a Stock Appreciation Right is exercised and settled in the form of Common Stock (as opposed to cash or other property), the number of underlying shares as to which the exercise related shall be counted against the applicable share limit(s) under Section 1.4 as opposed to only counting the number of shares actually issued. (For purposes of clarity, if a Stock Appreciation Right relates to 100,000 shares and is exercised at a time when the payment due to the Participant with respect to such exercise is 15,000 shares, 100,000 shares shall be charged against the applicable share limit(s) under Section 1.4 with respect to such exercise.) See Section 1.4(e) as to Stock Appreciation Rights paid in a form other than a Common Stock payment. The number of shares subject to a Stock Appreciation Right, and the related Option (if any), of a Participant shall be reduced by the number of underlying shares as to which the Stock Appreciation Right is exercised.

Table of Contents

(c) *Stand-Alone Stock Appreciation Rights*. A Stock Appreciation Right granted independently of any other Award shall be exercisable pursuant to the terms of the Award Agreement.

3.3 Payment

(a) *Amount*. Unless the Committee otherwise provides, upon exercise of a Stock Appreciation Right and the attendant surrender of an exercisable portion of any related Award, the Participant shall be entitled to receive payment of an amount determined by multiplying

(i) the difference obtained by subtracting the exercise price per share of Common Stock under the related Award (if applicable) or the initial share value specified in the Award from the Fair Market Value of a share of Common Stock on the date of exercise of the Stock Appreciation Right, by

(ii) the number of shares with respect to which the Stock Appreciation Right shall have been exercised.

(b) *Form of Payment*. The Committee, in its sole discretion, shall determine the form in which payment shall be made of the amount determined under paragraph (a) above, either solely in cash, solely in shares of Common Stock (valued at Fair Market Value on the date of exercise of the Stock Appreciation Right), or partly in such shares and partly in cash, provided that the Committee shall have determined that such exercise and payment are consistent with applicable law. If the Committee permits the Participant to elect to receive cash or shares (or a combination thereof) on such exercise, any such election shall be subject to such conditions as the Committee may impose.

3.4 Limited Stock Appreciation Rights

The Committee may grant to any Eligible Employee Stock Appreciation Rights exercisable only upon or in respect of a change in control or any other specified event (Limited SARs) and such Limited SARs may relate to or operate in tandem or combination with or substitution for Options, other Stock Appreciation Rights or other Awards (or any combination thereof), and may be payable in cash or shares based on the spread between the base price of the Stock Appreciation Right and a price based upon the Fair Market Value of the shares during a specified period or at a specified time within a specified period before, after or including the date of such event.

IV. RESTRICTED STOCK AWARDS

4.1 Grants

(a) *Restricted Stock*. The Committee may, in its discretion, grant one or more Restricted Stock Awards to any Eligible Employee. Each Restricted Stock Award Agreement shall specify the number of shares of Common Stock to be issued to the Participant, the date of such issuance, the consideration for such shares (but not less than the minimum lawful consideration under applicable state law), the extent (if any) to which and the time (if ever) at

Table of Contents

which the Participant shall be entitled to dividends, voting and other rights in respect of the shares prior to vesting and the restrictions (which may be based on performance criteria, the passage of time or such other facts as the Committee may provide or any combination thereof) imposed on such shares and the conditions of release or lapse of such restrictions. Such restrictions shall not lapse earlier than 12 months after the Award Date, except to the extent the Committee may otherwise provide. Stock certificates evidencing shares of Restricted Stock pending the lapse of the restrictions (restricted shares) shall bear a legend making appropriate reference to the restrictions imposed hereunder and (if in certificate form) shall be held by the Corporation or by a third party designated by the Committee until the restrictions on such shares shall have lapsed and the shares shall have vested in accordance with the provisions of the Award and Section 1.7. Upon issuance of the Restricted Stock Award, the Participant may be required to provide such further assurance and documents as the Committee may require to enforce the restrictions.

(b) *Stock Units*. The Committee may, in its discretion, authorize and grant to any Eligible Employee a Stock Unit Award or the crediting of Stock Units for services rendered or to be rendered or in lieu of other compensation, consistent with other applicable terms of this Plan, may permit an Eligible Employee to irrevocably elect to defer by means of Stock Units or receive in Stock Units all or a portion of any Award hereunder, or may grant Stock Units in lieu of, in exchange for, in respect of, or in addition to any other Compensation or Award under this Plan. The specific terms, conditions, and provisions relating to each Stock Unit grant or election, including the applicable vesting and payout provisions of the Stock Units and the form of payment to be made at or following the vesting thereof, shall be set forth in or pursuant to the applicable agreement or Award and any relevant Company deferred compensation plan, in form substantially as approved by the Committee.

(c) *Payouts*. The Committee in the applicable Award Agreement or the relevant Company deferred compensation plan may permit the Participant to elect the form and time of payout of vested Stock Units on such conditions or subject to such procedures as the Committee may impose, and may permit restricted stock or Stock Unit offsets or other provision for payment of any applicable taxes that may be due on the crediting, vesting or payment in respect of the Stock Units.

4.2 Restrictions

(a) *Pre-Vesting Restraints*. Except as provided in Section 4.1 and 1.9, restricted shares comprising any Restricted Stock Award and rights in respect to Stock Unit Awards may not be sold, assigned, transferred, pledged or otherwise disposed of or encumbered, either voluntarily or involuntarily, until the restrictions on such shares (or units in the case of a Stock Unit Award) have lapsed and the shares have become vested (or amounts paid in respect of the Stock Units).

(b) *Dividend and Voting Rights*. Unless otherwise provided in the applicable Award Agreement, a Participant receiving a Restricted Stock Award shall be entitled to cash dividend and voting rights for all shares issued even though they are not vested, provided that such rights shall terminate immediately as to any restricted shares which cease to be eligible for vesting.

Table of Contents

Restricted Stock Awards and Stock Unit Awards may include dividend equivalent rights to the extent authorized by the Committee.

(c) *Cash Payments.* If the Participant shall have paid or received cash (including any payments in respect of dividends) in connection with the Restricted Stock Award or Stock Unit Award, the Award Agreement shall specify whether and to what extent such cash shall be returned (with or without an earnings factor) as to any restricted shares or Stock Units which cease to be eligible for vesting.

4.3 Return to the Corporation

Unless the Committee otherwise expressly provides, restricted shares or Stock Units that remain subject to restrictions at the time of termination of employment or are subject to other conditions to vesting that have not been satisfied by the time specified in the applicable Award Agreement shall not vest and shall be returned to the Corporation or cancelled, as the case may be, in such manner and on such terms as the Committee shall therein provide.

V. PERFORMANCE SHARE AWARDS AND STOCK BONUSES

5.1 Grants of Performance Share Awards.

The Committee may, in its discretion, grant Performance Share Awards to Eligible Employees based upon such factors as the Committee shall deem relevant in light of the specific type and terms of the award. An Award Agreement shall specify the maximum number of shares of Common Stock (if any) subject to the Performance Share Award, the consideration (but not less than the minimum lawful consideration) to be paid for any such shares as may be issuable to the Participant, the duration of the Award and the conditions upon which delivery of any shares or cash to the Participant shall be based. The amount of cash or shares or other property that may be deliverable pursuant to such Award shall be based upon the degree of attainment over a specified period (a performance cycle) as may be established by the Committee of such measure(s) of the performance of the Company (or any part thereof) or the Participant as may be established by the Committee. The Committee may provide for full or partial credit, prior to completion of such performance cycle or the attainment of the performance achievement specified in the Award, in the event of the Participant's death, or Total Disability, a Change in Control Event or in such other circumstances as the Committee consistent with Section 6.10(c)(2), if applicable, may determine.

5.2 Special Performance-Based Share Awards.

Without limiting the generality of the foregoing, and in addition to Options and Stock Appreciation Rights granted under other provisions of this Plan which are intended to satisfy the exception for performance-based compensation under Section 162(m) of the Code (with such Awards hereinafter referred to as a Qualifying Option or a Qualifying Stock Appreciation Right, respectively), other performance-based awards within the meaning of Section 162(m) of the Code (Performance-Based Awards), whether in the form of restricted stock, performance stock, phantom stock, Cash-Based Awards, or other rights, the grant, vesting, exercisability or payment of which depends on the degree of achievement of the Performance Goals relative to

Table of Contents

preestablished targeted levels for the Corporation on a consolidated, segment, subsidiary, business division, channel or other operating group basis, may be granted under this Plan. Any Qualifying Option or Qualifying Stock Appreciation Right shall be subject only to the requirements of Section 5.3(a) in order for such Award to satisfy the requirements for performance-based compensation under Section 162(m) of the Code.

(a) *Eligible Class.* The eligible class of persons for Performance-Based Awards under this Section 5.2 shall be key employees (including officers) of the Company.

(b) *Performance Goal Alternatives.* The specific performance goals for Performance-Based Awards granted under this Section (other than Qualifying Options and Qualifying Stock Appreciation Rights) shall be, on an absolute or relative basis, one or more of the Performance Goals, as selected by the Committee in its sole discretion. The Committee shall establish in the applicable Award Agreement the specific performance target(s) relative to the Performance Goal(s) which must be attained before the compensation under the Performance-Based Award becomes payable. The specific targets shall be determined within the time period permitted under Section 162(m) of the Code (and any regulations issued thereunder) so that such targets are considered to be preestablished and so that the attainment of such targets is substantially uncertain at the time of their establishment. The applicable performance measurement period may not be less than one nor more than 10 years.

(c) *Maximum Performance-Based Award.* Notwithstanding any other provision of this Plan to the contrary, the maximum number of shares of Common Stock which may be delivered pursuant to Performance-Based Awards (other than Qualifying Options and Qualifying Stock Appreciation Rights which shall be subject to the limit set forth in Section 1.4(b)) that are granted to any one Participant in any one fiscal year shall not exceed 4,000,000 shares, either individually or in the aggregate, subject to adjustment as provided in Section 6.2. Awards that are cancelled during the year shall be counted against this limit to the extent required by Section 162(m) of the Code. In addition, the aggregate amount of compensation to be paid to any Participant in respect of any Cash-Based Awards that are granted during any fiscal year as Performance-Based Awards shall not exceed \$3,000,000.

(d) *Committee Certification.* Before any Performance-Based Award under this Section 5.2 (other than Qualifying Options or Qualifying Stock Appreciation Rights) is paid, the Committee must certify in writing that the Performance Goal(s) and any other material terms of the Performance-Based Award were satisfied; provided, however, that a Performance-Based Award may be paid without regard to the satisfaction of the applicable Performance Goal in the event of a Change in Control Event in accordance with Section 6.2(d).

(e) *Terms and Conditions of Awards.* The Committee will have the discretion to determine the restrictions or other limitations of the individual Awards granted under this Section 5.2 including the authority to reduce Awards, payouts or vesting or to pay no Awards, in its sole discretion, if the Committee preserves such authority at the time of grant by language to this effect in its authorizing resolutions or otherwise.

(f) *Adjustments for Changes in Capitalization and other Material Changes.* In the event of a change in corporate capitalization, such as a stock split or stock dividend, or a

corporate transaction, such as a merger, consolidation, spinoff, reorganization or similar event, or any partial or complete liquidation of the Corporation, or any similar event consistent with regulations issued under Section 162(m) of the Code including, without limitation, any material change in accounting policies or practices affecting the Corporation and/or the Performance Goals or targets, then the Committee may make adjustments to the Performance Goals and targets relating to outstanding Performance-Based Awards to the extent such adjustments are made to reflect the occurrence of such an event; provided, however, that adjustments described in this subsection may be made only to the extent that the occurrence of an event described herein was unforeseen at the time the targets for a Performance-Based Award were established by the Committee.

5.3 Grants of Stock Bonuses.

The Committee may grant a Stock Bonus to any Eligible Employee to reward exceptional or special services, contributions or achievements, or issue Common Stock for past services in the ordinary course, the value of which shall be determined by the Committee, in the manner and on such terms and conditions (including any restrictions on such shares) as determined from time to time by the Committee. The number of shares so awarded shall be determined by the Committee. The Award may be granted independently or in lieu of a cash bonus.

5.4 Deferred Payments.

The Committee may authorize for the benefit of any Eligible Employee the deferral of any payment of cash or shares that may become due or of cash otherwise payable under this Plan, and provide for accredited benefits thereon based upon such deferral, at the election or at the request of such Participant, subject to the other terms of this Plan. Such deferral shall be subject to such further conditions, restrictions or requirements as the Committee may impose, subject to any then vested rights of Participants.

VI. OTHER PROVISIONS

6.1 Rights of Eligible Employees, Participants and Beneficiaries

(a) *Employment Status.* Status as an Eligible Employee shall not be construed as a commitment that any Award will be granted under this Plan to an Eligible Employee or to Eligible Employees generally.

(b) *No Employment Contract.* Nothing contained in this Plan (or in any other documents related to this Plan or to any Award) shall confer upon any Eligible Employee or other Participant any right to continue in the employ or other service of the Company or constitute any contract or agreement of employment or other service, nor shall interfere in any way with the right of the Company to change such person's compensation or other benefits or to terminate the employment of such person, with or without cause, but nothing contained in this Plan or any document related hereto shall adversely affect any independent contractual right of such person without his or her consent thereto.

Table of Contents

(c) *Plan Not Funded.* Awards payable under this Plan shall be payable in shares or from the general assets of the Corporation, and no special or separate reserve, fund or deposit shall be made to assure payment of such Awards. No Participant, Beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock, except as expressly otherwise provided) of the Company by reason of any Award hereunder. Neither the provisions of this Plan (or of any related documents), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Company and any Participant, Beneficiary or other person. To the extent that a Participant, Beneficiary or other person acquires a right to receive payment pursuant to any Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.

6.2 Adjustments; Acceleration

(a) *Adjustments.* Upon or in contemplation of any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split; any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution (spin-off) in respect of the Common Stock (whether in the form of securities or property); any exchange of Common Stock or other securities of the Corporation, or any similar, unusual or extraordinary corporate transaction in respect of the Common Stock; or a sale of all or substantially all the assets of the Corporation as an entirety (asset sale); then the Committee shall, in such manner, to such extent (if any) and at such time as it deems appropriate and equitable in the circumstances:

(1) proportionately adjust any or all of (i) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of Awards (including the specific maxima and numbers of shares set forth elsewhere in this Plan), (ii) the number, amount and type of shares of Common Stock (or other securities or property) subject to any or all outstanding Awards, (iii) the grant, purchase, or exercise price of any or all outstanding Awards, (iv) the securities, cash or other property deliverable upon exercise of any outstanding Awards, or (v) (subject to limitations under Section 6.10(c)) the performance standards appropriate to any outstanding Awards, or

(2) make provision for a cash payment or for the assumption, substitution or exchange of any or all outstanding share-based Awards or the cash, securities or property deliverable to the holder of any or all outstanding share-based Awards, based upon the distribution or consideration payable to holders of the Common Stock upon or in respect of such event.

The Committee may adopt such valuation methodologies for outstanding Awards as it deems reasonable in the event of a cash or property settlement and, in the case of Options, Stock Appreciation Rights or similar rights, but without limitation on other methodologies, may base such settlement solely upon the excess if any of the amount payable upon or in respect of such event over the exercise or strike price of the Award. In any of such events, the Committee may take such action prior to such event to the extent that the Committee deems the action necessary

Table of Contents

to permit the Participant to realize the benefits intended to be conveyed with respect to the underlying shares in the same manner as is or will be available to stockholders generally.

(b) *Acceleration of Awards Upon Change in Control.* As to any Eligible Employee, unless prior to a Change in Control Event the Committee determines that, upon its occurrence, there shall be no acceleration of benefits under Awards or determines that only certain or limited benefits under Awards shall be accelerated and the extent to which they shall be accelerated, and/or establishes a different time in respect of such Change in Control Event for such acceleration, then upon the occurrence of a Change in Control Event (i) each Option and Stock Appreciation Right shall become immediately exercisable, (ii) Restricted Stock and Stock Units shall immediately vest free of restrictions, and (iii) each Performance Share Award shall become payable to the Participant. The Committee may override the limitations on acceleration in this Section 3.2(b) by express provision in the Award Agreement and may accord any Eligible Employee a right to refuse any acceleration, whether pursuant to the Award Agreement or otherwise, in such circumstances as the Committee may approve. Without limiting the generality of the foregoing, the Committee may deem an acceleration to occur immediately prior to the applicable event and/or reinstate the original terms of an Award if an event giving rise to acceleration does not occur.

(c) *Possible Early Termination of Accelerated Awards.* If any Option or other right to acquire Common Stock under this Plan has been fully accelerated as permitted by Section 6.2(b) or Section 7.7 but is not exercised prior to (i) a dissolution of the Corporation, or (ii) an event described in Section 6.2(a) that the Corporation does not survive, or (iii) the consummation of an event described in Section 6.2(a) that results in a Change in Control Event approved by the Board, such Option or right shall thereupon terminate, subject to any provision that has been expressly made by the Board or the Committee through a plan or reorganization or otherwise for the survival, substitution, assumption, exchange or other settlement of such Option or right.

(d) *Possible Rescission of Acceleration.* If the vesting of an Award has been accelerated expressly in anticipation of an event or upon stockholder approval of an event and the Committee or the Board later determines that the event will not occur, the Committee may rescind the effect of the acceleration as to any then outstanding and unexercised or otherwise unvested Awards.

6.3 Effect of Termination of Employment

(a) *General.* The Committee shall establish in respect of each Award granted to an Eligible Employee the effect of a termination of employment on the rights and benefits thereunder and in so doing may make distinctions based upon the cause of termination. In addition, in the event of, or in anticipation of, a termination of employment with the Company for any reason, other than discharge for cause, the Committee may, in its discretion, increase the portion of the Participant's Award available to the Participant, or the Participant's Beneficiary or Personal Representative, as the case may be, or, subject to the provisions of Section 1.6, extend the exercisability period upon such terms as the Committee shall determine and expressly set forth in or by amendment to the Award Agreement.

Table of Contents

(b) *Effect on Unvested Awards.* Unless otherwise provided in the applicable Award Agreement and subject to Section 6.12 and the other provisions of this Plan, a Restricted Stock Award, Stock Appreciation Right, Performance Share Award, Stock Unit Award or other Award, to the extent such Award has not vested as of the termination of the Participant's employment shall terminate on the date the Participant ceases to be employed by the Company without further payment or benefit of any kind; and any Option theretofore outstanding shall terminate.

(c) *Events Not Deemed Terminations of Service.* Unless Company policy or the Committee otherwise provides, the employment relationship shall not be considered terminated in the case of (a) sick leave, (b) military leave, or (c) any other leave of absence authorized by the Company or the Committee; provided that unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not more than 90 days. In the case of any Eligible Employee on an approved leave of absence, continued vesting of the Award while on leave from the employ of the Company may be suspended until the employee returns to service, unless the Committee otherwise provides or applicable law otherwise requires. In no event shall an Award be exercised after the expiration of the term set forth in the Award Agreement.

6.4 Compliance with Laws

This Plan, the granting and vesting of Awards under this Plan and the offer, issuance and delivery of shares of Common Stock, the acceptance or promissory notes and/or payment of money under this Plan or under Awards granted hereunder are subject to compliance with all applicable federal and state laws, rules and regulations (including, but not limited to, state and federal securities laws and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Corporation, be necessary or advisable in connection therewith. Any securities delivered under this Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Corporation, provide such assurances and representations to the Corporation as the Corporation may deem necessary or desirable to assure compliance with all applicable legal and accounting requirements.

6.5 Tax Withholding

(a) *Cash or Shares.* Upon any exercise, vesting or payment of any Award or upon the disposition of shares of Common Stock acquired pursuant to the exercise of an Incentive Stock Option prior to satisfaction of the holding period requirements of Section 422 of the Code, the Company shall have the right at its option to (i) require the Participant (or Personal Representative or Beneficiary, as the case may be) to pay or provide for payment of the amount of any taxes which the Company may be required to withhold with respect to such Award event or payment or (ii) deduct from any amount payable in cash the amount of any taxes which the Company may be required to withhold with respect to such cash payment. In any case where a tax is required to be withheld in connection with the delivery of shares of Common Stock under this Plan, the Committee may in its sole discretion grant (either at the time of the Award is granted or thereafter) to the Participant the right to elect, pursuant to such rules and subject to such conditions as the Committee may establish, to have the Corporation reduce the number of shares to be delivered by (or otherwise reacquire) the appropriate number of shares valued in a

Table of Contents

consistent manner at their Fair Market Value or at the sales price in accordance with authorized procedures for cashless exercises, necessary to satisfy the minimum applicable withholding obligation on exercise, vesting or payment. In the event shares are withheld to satisfy tax withholding obligations, in no event shall the number of shares withheld exceed the number required to satisfy the minimum required withholding.

(b) *Tax Loans.* The Committee may, in its discretion, authorize a loan to an Eligible Employee in the amount of any taxes which the Company may be required to withhold with respect to shares of Common Stock received (or disposed of, as the case may be) pursuant to a transaction described in subsection (a) above. Such a loan shall be for a term, at a rate of interest and pursuant to such other terms and conditions as the Committee, under applicable law, may establish and such loan need not comply with the provisions of Section 1.8.

6.6 Plan Amendment, Termination and Suspension

(a) *Board Authorization.* The Board may, at any time, terminate or, from time to time, amend, modify or suspend this Plan, in whole or in part. Without limiting the generality of the foregoing, the Board may, at any time, amend any or all of the provisions of Article VII relating to Nonqualified Stock Option grants to Non-Employee Directors. No Awards may be granted during any suspension of this Plan or after termination of this Plan, but the Committee shall retain jurisdiction as to Awards then outstanding in accordance with the terms of this Plan.

(b) *Stockholder Approval.* To the extent then required under Sections 162, 422 or 424 of the Code or any other applicable law, or deemed necessary or advisable by the Board, any amendment to this Plan shall be subject to stockholder approval.

(c) *Amendment to Awards.* Without limiting any other express authority of the Committee under but subject to the express limits of this Plan, the Committee by agreement or resolution may waive conditions of or limitations on Awards to Eligible Employees that the Committee in the prior exercise of its discretion has imposed, without the consent of a Participant, and may make other changes to the terms and conditions of Awards that do not affect in any manner materially adverse to the Employee Participant, his or her rights and benefits under an Award.

(d) *Limitations on Amendments to Plan and Awards.* No amendment, suspension or termination of this Plan or change of or affecting any outstanding Award shall, without written consent of the Participant, affect in any manner materially adverse to the Participant any rights or benefits of the Participant or obligations of the Corporation under any Award granted under this Plan prior to the effective date of such change. Changes contemplated by Section 6.2 shall not be deemed to constitute changes or amendments for purposes of this Section 6.6.

6.7 Privileges of Stock Ownership

Except as otherwise expressly authorized by the Committee or this Plan, a Participant shall not be entitled to any privilege of stock ownership as to any shares of Common Stock not actually delivered to and held of record by him or her. No adjustment will be made for dividends or other rights as a stockholder for which a record date is prior to such date of delivery.

Table of Contents

6.8 Effective Date of the Plan

The effective date of this Plan shall be the date that it is first approved by the Board (the Effective Date).

6.9 Term of the Plan

No Award shall be granted after the close of business on the day before the tenth anniversary of the Effective Date of this Plan (the Termination Date). Unless otherwise expressly provided in this Plan or in an applicable Award Agreement, any Award granted prior to the Termination Date may extend beyond such date, and all authority of the Committee with respect to Awards hereunder, including the authority to amend an Award, shall continue during any suspension of this Plan and in respect of outstanding Awards on such Termination Date.

6.10 Governing Law; Construction; Severability

(a) *Choice of Law.* This Plan, the Awards, all documents evidencing Awards and all other related documents shall be governed by, and construed in accordance with the laws of the State of Nevada.

(b) *Severability.* If any provision shall be held by a court of competent jurisdiction to be invalid and unenforceable, the remaining provisions of this Plan shall continue in effect.

(c) *Plan Construction.*
